WAC 4-30-024 Public records. All public records of the agency are available for public inspection and copying pursuant to these rules and applicable state law (chapter 42.56 RCW), as follows:

(1) Hours for inspection of records. Public records are available for inspection and copying during normal business hours of the office of the Washington State Board of Accountancy at 711 Capitol Way S., Suite 400, Olympia, Washington, Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding legal holidays. Records must be inspected at the agency’s office when the requestor has been notified of the availability of the requested documents and an appointment is made with the public records officer.

(2) Records index. An index of public records, consisting of the retention schedules applicable to those records, is available to members of the public at the agency's office.

(3) Organization of records. The agency maintains its records in a reasonably organized manner. The agency will take reasonable actions to protect records from damage and disorganization. A requestor shall not take original records from the agency’s office. A variety of records are also available on the agency's web site at www.acb.wa.gov. Requestors are encouraged to view the documents available on the web site prior to submitting a public records request.

(4) Making a request for public records.
(a) Any person wishing to inspect or obtain copies of public records should make the request in writing by letter, fax, or email addressed to the public records officer. Written requests must include the following information:

• Date of the request;
• Name of the requestor;
• Address of the requestor and other contact information, including telephone number and any email address;
• Clear identification of the public records requested to permit the public records officer or designee to identify and locate the records.

(b) The public records officer may also accept requests for public records by telephone or in person. If the public records officer or designee accepts an oral or telephone request, he or she will confirm receipt of the request and the details of the records requested, in writing, to the requestor.

(c) If the requests received in (a) or (b) of this subsection are not sufficiently clear to permit the public records officer to identify the specific records requested, the public records officer will request clarification from the requestor in writing.

(d) If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should make that preference clear in the request. Copies will be made by the agency's public records officer or designee.

(e) When fulfilling public records requests the agency will perform its public records responsibilities in the most expeditious manner consistent with the agency's need to fulfill its other essential functions.

(f) By law, certain records and/or specific content of any specific record or document may not be subject to public disclosure. Accordingly, a reasonable time period may occur between the date of the request and the ability of the public records officer to identify, locate, retrieve, remove content not subject to disclosure, prepare a redaction log that includes the specific exemption, a brief explanation of how the exemption applies to the records or portion of the records being withheld, and produce the records for inspection and/or copying. The requestor will be kept informed of the expected delivery timetable.

(g) If the request includes a large number of records, the production of the records for the requestor may occur in installments. The requestor will be informed, in writing, of the agency's anticipated installment delivery timetable.

(h) In certain instances the agency may notify affected third parties to whom the record relates. This notice allows the affected third party to seek an injunction within fifteen days from the date of the written notice. The notice further provides that release of the records to the requestor will be honored unless timely injunctive relief is obtained by the affected third party on or before the end of the fifteen-day period.

(i) Requests for lists of credentialed individuals by educational organizations and professional associations:

In order to obtain a list of individuals under the provisions of RCW 42.56.070(9), educational organizations and professional associations must apply for and receive recognition by the board before requests will be honored. The requesting organization must provide sufficient information to satisfy the approving authority that the requested list of individuals is primarily for educational and professionally related uses.

ETHICS AND PROHIBITED PRACTICES

WAC 4-30-040 What are the requirements concerning integrity and objectivity? When offering or performing services, licensees, CPA-Inactive certificate holders, non-licensee firm owners, and employees of such persons must:

- Remain honest and objective;
- Not misrepresent facts;
- Not subordinate their judgment to others; and
- Remain free of conflicts of interest unless such conflicts are specifically permitted by board rule or professional standards listed in WAC 4-30-048.

If the language of the professional standards listed in WAC 4-30-048 differ from or conflict with specific board rules, board rules prevail.

WAC 4-30-042 When is independence required? When performing professional services for which a report expressing assurance is prescribed by professional standards, licensees, as defined in WAC 4-30-010, CPA-Inactive certificate holders, non-licensee firm owners, and employees of such persons must evaluate and maintain their independence so that opinions, reports, conclusions, and judgments will be impartial and viewed as impartial by parties expected to rely on any report expressing assurance by such persons. Such persons are required:

1. To comply with all applicable independence rules, regulations, and the AICPA code of conduct as referenced in and required by WAC 4-30-048; and
2. To decline engagements for which a report expressing assurance is prescribed by professional standards when such persons have a relationship that could lead a reasonable and foreseeable user to conclude that such persons are not independent.

Independence is not required when performing a compilation engagement provided the report discloses a lack of independence.

WAC 4-30-044 What restrictions govern commissions, referral, and contingent fees? For the purposes of this section, the term "licensed firm" includes any affiliated entity(ies) and the term "firm owner" includes the owner(s) of any affiliated entity(ies).

1. Licensees and/or their employees must not for a commission recommend or refer to a client any product or service, or for a commission recommend or refer any product or service to be supplied by a client, or receive a commission, when such persons perform compilation, or other professional services for which a report expressing assurance is prescribed by professional standards for that client. This prohibition applies:
   a. During the period in which such persons are engaged to perform professional services for which a report expressing assurance is prescribed by professional standards; and
   b. During the period covered by any information for which a report expressing assurance is prescribed by professional standards and a report was issued by such persons.

2. Licensees and/or their employees must also not:
   a. Perform for a contingent fee any professional services for, or receive such a fee from a client for whom such persons perform compilation, or other professional services for which a report expressing assurance is prescribed by professional standards; or
   b. Prepare an original or amended tax return or claim for a tax refund for a contingent fee for any client.

3. The prohibition against contingent fees applies:
   a. During the period in which such persons are engaged to perform professional services for which a report expressing assurance is prescribed by professional standards; and
   b. During the period covered by any information for which a report expressing assurance is prescribed by professional standards and a report was issued by such persons.

4. Fees are not considered contingent if fixed by courts or other public authorities, or, in tax matters, if determined based on the results of judicial proceedings or the findings of governmental agencies. Fees may vary depending, for example, on the complexity of services rendered.

5. Any person subject to board rules who is not prohibited by this section from performing services for, or receiving a commission, referral or contingent fee and who are paid or expect to be paid accordingly must disclose that fact to any person or entity to whom such persons recommend or refer a product or service to which the commission, referral or contingent fee relates in the manner prescribed below:
   a. Disclose the arrangement in writing and in advance of client acceptance;
   b. Disclose the method of calculating the fee or amount of fee;

WAC 4-30-044 [4-30-044]
(c) Specify the licensee's, CPA-Inactive certificate holder's, or nonlicensee firm owner's role as the client's advisor; and

(d) Obtain the client's consent to the fee arrangement in writing.

(6) Nothing in this rule shall be interpreted to preclude licensees, as defined in WAC 4-30-010, CPA-Inactive certificate holders, or nonlicensee firm owners from purchasing, selling, or merging all or a portion of a licensed firm or affiliated entity or to require disclosure to clients of terms or payments made or received pursuant to the purchase, sale, or merger.

WAC 4-30-048 Compliance is required with which rules, regulations and professional standards? Licensees, including out-of-state individuals exercising practice privileges in this state under RCW 18.04.350(2) and out-of-state firms permitted to offer or render certain professional services in this state under the conditions prescribed in RCW 18.04.195 (1)(b), CPA-Inactive certificate holders, CPA firms, nonlicensee firm owners, and employees of such persons must comply with rules, regulations, and professional standards promulgated by the appropriate bodies for each service undertaken. However, if the requirements found in the professional standards listed in this section differ from the requirements found in specific board rules, board rules prevail. Authoritative bodies include, but are not limited to, the Securities and Exchange Commission (SEC); the Public Company Accounting Oversight Board (PCAOB); the Financial Accounting Standards Board (FASB); the Governmental Accounting Standards Board (GASB); the Cost Accounting Standards Board (CASB); the Federal Accounting Standards Advisory Board (FASAB); the U.S. Governmental Accountability Office (GAO); the Federal Office of Management and Budget (OMB); the Internal Revenue Service (IRS); the American Institute of Certified Public Accountants (AICPA), and federal, state, and local audit, regulatory and tax agencies.

(15) Standards issued by the PCAOB; and

(16) IRS Circular 230;

If the professional services are governed by standards not included in subsections (1) through (17) of this section, individuals and firms including persons exercising practice privileges under RCW 18.04.350(2) who offer or render professional services in this state or for clients located in this state and the firms rendering professional services in this state or for clients located in this state through such qualifying individuals must:

(a) Maintain documentation of the justification for the departure from the standards listed in subsections (1) through (17) of this section;

(b) Determine and document what standards are applicable; and

(c) Demonstrate compliance with the applicable standards.

WAC 4-30-050 Records and clients confidential information. (1) Client: The term "client" as used throughout WAC 4-30-050 and 4-30-051 includes former and current clients. For purposes of this section, a client relationship has been formed when confidential information has been disclosed by a prospective client or another authorized person in an initial interview to obtain or provide professional services.

(2) Sale or transfer of client records: No statement, record, schedule, working paper, or memorandum, including electronic records, may be sold, transferred, or bequeathed without the consent of the client or another authorized person.

(3) Disclosure of client confidential records and client relationships:

(a) Confidential client communication or information: Licensees, CPA-Inactive certificate holders, nonlicensee firm owners, and employees of such persons must not without the specific consent of the client or another authorized person disclose any confidential communication or information pertaining to the client obtained in the course of performing professional services.

(b) Licensees, CPA-Inactive certificate holders, nonlicensee firm owners, and employees of such persons who have provided records to a client or another authorized person are not obligated to provide such records to other individuals associated with the client.

(c) When a licensee, CPA-Inactive certificate holder, nonlicensee firm owner, or employee is engaged to prepare a married couple's joint tax return, both spouses are considered to be clients, even if the licensee, CPA-Inactive certificate holder, nonlicensee firm owner, or employee was engaged by one spouse and deals exclusively with that spouse.

Accordingly, if the married couple is undergoing a divorce and one spouse directs the licensee, CPA-Inactive certificate holder, nonlicensee firm owner, or employee to withhold joint tax information from the other spouse, the licensee, CPA-Inactive certificate holder, nonlicensee firm owner, or employee shall provide the information to both spouses, in compliance with this rule. The licensee, CPA-Inactive certificate holder, nonlicensee firm owner, or employee should consider reviewing the legal implications of such disclosure with an attorney and any responsibilities under any applicable tax performance standards promulgated by the United States Department of Treasury, Internal Revenue Service.

This rule also applies to confidential communications and information obtained in the course of professional tax compliance services unless state or federal tax laws or regulations require or permit use or disclosure of such information.

Consents may include those requirements of Treasury Circular 230 and IRC Sec. 7216 for purposes of this rule, provided the intended recipients are specifically and fully identified by full name, address, and other unique identifiers.

(4) Disclosing information to third-party service providers: Licensees, CPA-Inactive certificate holders, or nonlicensee firm owners must do one of the following before disclosing confidential client information to third-party service providers:

(a) Enter into a contractual agreement with the third-party service provider to assist in providing the professional services to maintain the confidentiality of the information and provide a reasonable assurance that the third-party service provider has appropriate procedures in place to prevent the unauthorized release of confidential information to others. The nature and extent of procedures necessary to obtain reasonable assurance depends on the facts and circumstances, including the extent of publicly available information on the third-party service provider’s controls and procedures to safeguard confidential client information; or

(b) Obtain specific consent from the client before disclosing confidential client information to the third-party service provider.

(5) Disclosure of client records in the course of a firm sale, or transfer upon death of a licensee, CPA-Inactive certificate holder, or nonlicensee firm owner.

A licensee, CPA-Inactive certificate holder, or nonlicensee firm owner, or the successor in interest of a deceased licensee, CPA-Inactive certificate holder, or nonlicensee firm owner, that sells or transfers all or part of a practice to another person, firm, or entity (successor firm) and will no longer retain ownership in the practice must do all of the following:

(a) Submit a written request to each client subject to the sale or transfer, requesting the client's consent to transfer its files to the successor firm or other entity and notify the client that its consent may be presumed if it does not respond to the licensee, CPA-Inactive certificate holder, or nonlicensee firm owner's request within a period of not less than ninety days, unless prohibited by law. The licensee, CPA-Inactive certificate holder, or nonlicensee firm owner, or successor in interest of a deceased firm owner, should not transfer any client files to the successor firm until either the client's consent is obtained or the ninety days has lapsed, whichever is shorter. The licensee, CPA-Inactive certificate holder, or nonlicensee firm owner must retain evidence of consent, whether obtained from the client or presumed after ninety days.

(b) It is permissible for the successor in interest of a deceased licensee, CPA-Inactive certificate holder, or nonlicensee firm owner to contract with a responsible custodian to securely store client records until such time as consent or transfer has been obtained.

(6) This rule does not:

(a) Affect in any way the obligation of those persons to comply with a lawfully issued subpoena or summons;

(b) Prohibit disclosures in the course of a quality review of a licensee's attest, compilation, or other reporting services governed by professional standards;

(c) Preclude those persons from responding to any inquiry made by the board or any investigative or disciplinary body established by local, state, or federal law or recognized by the board as a professional association; or

(d) Preclude a review of client information in conjunction with a prospective purchase, sale, or merger of all or part of the professional practice of public accounting of any such persons.
WAC 4-30-051 Client records. (1) The following terms are defined below solely for use with this section:

(a) Client provided records are accounting or other records belonging to the client that were provided to the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons by or on behalf of the client.

(b) Client records prepared by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner are accounting or other records (for example, tax returns, general ledgers, subsidiary journals, and supporting schedules such as detailed employee payroll records and depreciation schedules) that the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons was engaged to prepare for the client.

(c) Supporting records are information not reflected in the client's books and records that are otherwise not available to the client with the result that the client's financial information is incomplete. For example, supporting records include adjusting, closing, combining or consolidating journal entries (including computations supporting such entries), that are produced by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons during an engagement.

(d) Licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner working papers include, but are not limited to, audit programs, analytical review schedules, statistical sampling results, analyses, and schedules prepared by the client at the request of the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons.

(2) When a client or former client (client) makes a request for client-provided records, client records prepared by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner, or supporting records that are in the custody or control of the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner that have not previously been provided to the client, the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner should respond to the client's request as follows:

(a) Client provided records in the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner custody or control must be returned to the client.

(b) Client records prepared by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner must be provided to the client, except that client records prepared by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner may be withheld if the preparation of such records is not complete.

(c) Supporting records relating to a completed and issued work product must be provided to the client.

(d) Persons subject to this subsection developing and maintaining such records, or schedules should make a reasonable effort to provide the required information and data to the client in a format useable by the client to avoid the cost to the client of duplicate reentry of individual transaction or other information into the client's or successor custodian's record-keeping system.

(3) The licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner is not required to convert records that are not in electronic format to electronic format. However, if the client requests records in a specific format and the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner was engaged to prepare the records in that format, the client's request should be honored.

(4) In responding to a records request, it is not permissible for a licensee, CPA-Inactive certificate holder, or nonlicensee firm owner to supplant a client record originally created in an electronic format with one converted to a nonelectronic format, such as a hard copy or a dissimilar electronic format unusable to the client.

(5) Licensees, CPA-Inactive certificate holders, nonlicensee firm owners, and/or employees of such persons must not refuse to return or provide records indicated in subsection (1)(a), (b), and (c) of this section including electronic documents, pending client payment of outstanding fees.

(6) Once the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons has complied with the requirements in subsection (2) of this section, he or she is under no ethical obligation to comply with any subsequent requests to again provide such records or copies of such records. However, if subsequent to complying with a request, a client experiences a loss of records due to a natural disaster or an act of war, the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner should comply with an additional request to provide such records.

(7) Licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner working papers are the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner property and need not be provided to the client under provisions of this section; however, such requirements may be imposed by state and federal statutes and regulations, and contractual agreements.

(8) In connection with any request for client-provided records, client records prepared by the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner and employees of such persons, or supporting records, the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner may:

(a) Charge the client a reasonable fee for the time and expense incurred to retrieve and copy such records and require that such fee be paid prior to the time such records are provided to the client;

(b) Provide the requested records in any format usable by the client;

(c) Make and retain copies of any records returned or provided to the client.

(9) Where a licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner is required to return or provide records to the client, the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner should comply with the client's request as soon as practicable but, absent extenuating circumstances, no later than forty-five days after the request is made. The fact that the statutes of the state in which the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner practices grants the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner a
liened on certain records in his or her custody or control does not relieve the licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner of his or her obligation to comply with this section.

(10) A licensee, CPA-Inactive certificate holder, and/or nonlicensee firm owner is under no obligation to retain records for periods that exceed applicable professional standards, state and federal statutes and regulations, and contractual agreements relating to the service(s) performed.

(11) Audit and review record retention requirements: For a period of seven years after a licensee concludes an audit or review such persons must retain the following records and documents, including electronic records unless hard copies of such exist:

(a) Records forming the basis of the audit or review;
(b) Records documenting audit or review procedures applied;
(c) Records documenting evidence obtained including financial data, analyses, conclusions, and opinions related to the audit or review engagement; and
(d) Records documenting conclusions reached by the licensee in the audit or review engagement.

**WAC 4-30-052 What acts are considered discreditable?** Licensees, CPA-Inactive certificate holders, nonlicensee firm owners, and employees of such persons must not:

(1) Commit, or allow others to commit in their name, any act that reflects adversely on their fitness to represent themselves as a CPA, CPA-Inactive certificate holder, CPA firm, or a firm owner;
(2) Seek to obtain clients by the use of coercion, intimidation, or harassing conduct; or
(3) Permit others to carry out on their behalf, either with or without compensation, acts which violate the rules of conduct.

(a) At least one hundred fifty semester hours (two hundred twenty-five quarter hours) of college education, including;

(b) A baccalaureate or higher degree; and

(c) An accounting major or concentration as defined as at least:

(i) Twenty-four semester hours (thirty-six quarter hours) or the equivalent in accounting subjects of which at least fifteen semester hours must be at the upper level or graduate level (an upper level course is defined as a course that frequently carries completion of a lower level course(s) as a prerequisite); and

(ii) Twenty-four semester hours (thirty-six quarter hours) or the equivalent in business administration subjects at the undergraduate or graduate level.

(2) One hundred eighty-day provision: If you expect to meet the education requirements of this section within one hundred eighty days following the examination, you will be eligible to take the CPA examination provided you submit a signed Certificate of Enrollment from the educational institution in which you are enrolled stating that you will meet the board's education requirements within one hundred eighty days following the day you first sit for any one section of the examination. If you apply for the exam using the one hundred eighty-day provision, then within two hundred ten days of first sitting for any section of the exam, you must provide the examination administrator complete documentation demonstrating that you met the board's education requirements within one hundred eighty days of first sitting for any one section of the exam. If you do not provide such documentation within the required two hundred ten-day time period, your exam score(s) will not be released and you will not be given credit for any section(s) of the examination. Applicants failing to provide such documentation must reapply as a first-time applicant.

(3) Education obtained outside the United States: If you obtained all or a portion of your education outside the United States you must have your education evaluated by a board approved foreign education credential evaluation service. The board will establish the criteria for board approval of foreign education credential evaluation services. The board does not provide education credential evaluation services.

(4) Semester versus quarter hours: As used in these rules, a "semester hour" means the conventional college semester hour. Your quarter hours will be converted to semester hours by multiplying them by two-thirds.

(5) Accreditation standards: For purposes of this rule, the board will recognize colleges and universities which are accredited in accordance with (a) through (c) of this subsection.

(a) The college or university must be accredited at the time your education was earned by a regionally or nationally accrediting agency recognized by the board.

(b) If an institution was not accredited at the time your education was earned but is so accredited at the time your application is filed with the board, the institution will be deemed to be accredited for the purpose of (a) of this subsection provided that:

(i) Certifies that your total educational program would qualify the applicant for graduation with a baccalaureate degree during the time the institution has been accredited; and

(ii) Furnishes the board satisfactory proof, including college catalogue course numbers and descriptions, that the pre-accrediting courses used to qualify you for a concentration in accounting are substantially equivalent to postaccrediting courses.

(c) If your degree was received at an accredited college or university as defined by (a) or (b) of this subsection, but the educational program which was used to qualify you for a concentration in accounting included courses taken at nonaccredited institutions, either before or after graduation, such courses will be deemed to have been taken at the accredited institution from which your degree was received, provided the accredited institution either:

(i) Has accepted such courses by including them in its official transcript; or

(ii) Certifies to the board that it will or would accept such courses for credit toward graduation.

(6) Alternative to accreditation: If you graduated from a degree-granting institution that was not accredited at the time your degree was received or at the time your application was filed, you will be deemed to be a graduate of an accredited college or university if a credentials evaluation service approved by the board certifies that your degree is equivalent to a degree from an accredited college or university as defined in subsection (5) of this section. The board does not provide education credential evaluation services.
WAC 4-30-062 How do I apply to take the CPA examination? (1) Application process and due dates: Your application to take the CPA examination must be submitted to the board's examination administrator. Applicants must submit all required information, documents, and fees to complete their application within sixty days of the date their application is submitted to the board's examination administrator. Your application is not considered complete until all of the following are provided:

- Complete application information and requested documents;
- Fee(s).

(2) Fee refund and forfeiture: Upon submission of your application to the examination administrator, no portion of the board's administrative fee is refundable. Upon the examination administrator's authorization to test, no portion of the total exam fee (both administrative fee and section fee(s)) is refundable. If you fail to meet the board's scheduling or admission requirements, you forfeit all of the exam fee(s) and you must reapply to take the section(s) of the exam.

(3) Notice of admittance to the examination or denial of your application: You must contact the approved test provider to schedule the time and location for your examination. The notice of eligibility to take the examination is called a Notice to Schedule (NTS), the NTS will be valid for one taking of the examination within the six months following the date of the NTS.

Notice of a denial of your application, or notice of your eligibility to take the examination will be sent to you by the examination administrator.

(4) Examination content and grading: The CPA examination shall test the knowledge and skills required for performance as an entry-level certified public accountant. The examination shall include the subject areas of accounting and auditing and related knowledge and skills as the board may require. The examination will consist of the following four sections: Auditing and attestation; financial, accounting and reporting; regulation; and business environment and concepts. The board may accept the advisory grading services of the American Institute of Certified Public Accountants.

(5) Examination process:
(a) Conditions for examinations held prior to January 1, 2004: Contact a customer service representative at customerservice@acb.wa.gov or by phone at 360-753-2586.
(b) For examinations taken after December 31, 2003: The board uses all parts of the uniform CPA examination and the advisory grading services of the American Institute of Certified Public Accountants.

(i) To satisfy the examination requirement for a license you must have achieved a score of seventy-five on all four sections of the examination within a rolling eighteen-month period.
(ii) You may take the required four sections individually and in any order. Credit for any section(s) taken and passed after December 31, 2003, will be valid for eighteen months from the actual date you successfully passed any particular section of the examination.
(iii) You must pass all four sections of the examination within a rolling eighteen-month period, which begins on the date that the first section(s) is passed. A section is considered passed on the date that you took the exam section and not the date that your grade is released.
(iv) You may not retake a failed section(s) in the same examination window. An examination window refers to a three-month period in which candidates have an opportunity to take the examination (comprised of two months in which the examination is available to be taken and one month in which the examination will not be offered while routine maintenance is performed and the examination is refreshed).
(v) In the event you do not pass all four sections of the examination within the rolling eighteen-month period, credit for any section(s) passed prior to the eighteen-month period will expire and you must retake any expired section.

(g) Retaking or attempting to retake a section by an individual who holds a license or who has unexpired credit for passing the section, unless the individual has been expressly authorized by the board to participate in a "secret shopper" program.

(2) Cheating on the CPA examination is dishonesty directly related to the professional responsibilities of a CPA and demonstrates a lack of good character. When determining appropriate sanctions for cheating, the board may impose one or more of the following penalties:

(a) Enter a failing grade for any or all parts of the candidate's examination;
(b) Bar a candidate from taking future examinations;
(c) Notify other jurisdictions of the board's conclusions and order;
(d) Fine up to thirty thousand dollars;
(e) Recovery of investigative and legal costs; or
(f) Referral to the appropriate law enforcement agency(ies) for prosecution.

(3) If a candidate is suspected of cheating, the board or its representative(s) may expel the candidate from the examination or move the candidate suspected of cheating to a position in the test center that is away from other examinees or where the candidate may be more closely observed. The board or its representatives may require a candidate suspected of cheating, or a candidate who may have observed cheating, to respond to board inquiry. WAC 4-30-126 How do I reinstate a revoked or suspended license, CPA-Inactive certificate, or registration as a resident nonlicensee firm owner? If your license or CPA-Inactive certificate was revoked or suspended by the board pursuant to the act, you may not use the title CPA or CPA-Inactive until your license or CPA-Inactive certificate is reinstated by the board.

If your registration as a resident nonlicensee firm owner was revoked or suspended by the board pursuant to the act, you may not be a firm owner until your registration is reinstated by the board.

You may request that the board modify the suspension or revocation after three years have elapsed from the effective date of the board's order revoking or suspending your license, CPA-Inactive certificate, or registration as a resident nonlicensee firm owner unless the board sets some other period by order. However, if you made a previous request with respect to the same order, no additional request will be considered before the lapse of an additional three years following the board's decision on the last such previous application for reinstatement.

To request reinstatement of a revoked or suspended license, CPA-Inactive certificate, or registration as a resident nonlicensee firm owner you must provide the board with certain information either by making application through the board's online application system or on a form provided by the board upon request. An application is not complete and cannot be processed until all required information, documents, and fees are submitted to the board.

To request reinstatement, you must submit to the board:

(1) Complete information including your certification that you have:
   (a) For those who wish to reinstate a license or CPA-Inactive certificate: Not used the title CPA during the time in which your individual license or CPA-Inactive certificate was suspended or revoked; or
   (b) For those who wish to reinstate a registration as a resident nonlicensee firm owner: Not participated as an owner in a CPA firm during the time in which your registration as a resident nonlicensee firm owner was suspended or revoked; and
   (c) Met the CPE requirements for reinstatement in WAC 4-30-134(6); by submitting the documentation to support the CPE claimed;
   (2) A listing of all states and foreign jurisdictions in which you hold or have applied for a license, certificate, or practice privilege under substantial equivalence;
   (3) All applicable fees;
   (4) Written substantiation of the reasons constituting good cause for the reinstatement; and
   (5) Two supporting recommendations from licensees who have personal knowledge of your activities since the suspension or revocation was imposed.

In considering the reinstatement application, the board may consider all relevant factors, including but not limited to:
   (a) The offense for which you were disciplined;
(b) Your activities since the disciplinary penalty was imposed;
(c) Your activities during the time the license, CPA-Inactive certificate, or registration as a resident nonlicensee firm owner was in good standing;
(d) Your rehabilitative efforts;
(e) Restitution to damaged parties in the matter for which the penalty was imposed; and
(f) Your general reputation for integrity, objectivity, and ethical commitment.

If the board decides to consider the merits of your application for reinstatement, in the board's discretion, a hearing may be held following such procedures as the board deems suitable for the particular case. If the board decides that it will not consider the merits of your application for reinstatement, then this constitutes final agency action and there is no further administrative review available to you. As a condition of reinstatement, the board may impose such terms and conditions as it deems suitable.

The board will not consider a request for reinstatement while you are under sentence for any criminal offense, including any period during which you are on court-imposed probation or parole.

If the board approves your application, your status will be posted in the board's licensee database and, therefore, made publicly available for confirmation. A hard copy of your reinstated credential can be provided upon request.

Your reinstated license, CPA-Inactive certificate, or registration will expire on June 30th of the third calendar year following approval of the reinstatement. The CPE reporting period for your next renewal begins on January 1 of the calendar year in which the reinstatement of your license, CPA-Inactive certificate, or registration was approved by the board and ends on December 31 of the second calendar year following approval of the reinstatement. CPE credit hours utilized to qualify for reinstatement of a license, CPA-Inactive certificate, or registration cannot be utilized for subsequent renewal of your credential.

You may not use the title CPA or CPA-Inactive or hold any interest in a licensed CPA firm as a resident nonlicensee firm owner until your reinstatement application has been approved.

CONTINUING COMPETENCY

WAC 4-30-130 What are the quality assurance review (QAR) requirements for licensed CPA firms? (1) Purpose. The Washington state board of accountancy is charged with protection of the public interest and ensuring the dependability of information used for guidance in financial transactions or for accounting for or assessing the status or performance of commercial and noncommercial enterprises, whether public, private or governmental. The purpose of the QAR program is to monitor licensees' compliance with audit, compilation, review, and other attestation standards. If the board becomes aware that a firm's performance and/or reporting practices for audit, review, compilation, and other engagements covered by statements on standards for attestation engagements may not be in accordance with applicable professional standards, the board will take appropriate action to protect the public interest.

(2) Peer review. Generally, all firms licensed in Washington state offering and/or performing attest services as defined by WAC 4-30-010(5), compilation services, as defined by WAC 4-30-010(12), or other professional services for which a report expressing assurance is prescribed by professional standards, are required to participate in a board-approved peer review program as a condition of renewing each CPA firm license under RCW 18.04.215 and WAC 4-30-114. However, certain exemptions are listed in subsection (11) of this section. Board-approved peer review programs include:

(a) The inspection processes of the Public Company Accounting Oversight Board (PCAOB);
(b) Peer review programs administered by the American Institute of CPAs (AICPA);
(c) Peer review programs administered by the Washington Society of CPAs (WSCPA); and
(d) Other programs recognized and approved by the board.

(3) Enrollment in peer review. A licensed firm must enroll in a board-approved peer review program before issuing a report for each of the following types of service or any other service the board determines:

(a) Compilation on historical financial statements;
(b) Review on historical financial statements;
(c) Audit report on financial statements, performance audit reports, or examination reports on internal controls for nonpublic enterprises;
(d) Other professional services subject to Statements on Standards for Attestation Engagements.

The schedule for the firm's peer review shall be established according to the peer review program's standards. The board does not require any licensee to become a member of any organization administering a peer review program.

(4) Participation in peer review. Every firm that is required to participate in a peer review program shall have a peer review in accordance with the peer review program standards.

(a) It is the responsibility of the firm to anticipate its needs for review services in sufficient time to enable the reviewer to complete the review by the assigned review date.
(b) Any firm that is dropped or terminated by a peer review program for any reason shall have twenty-one days to provide written notice to the board of such termination or drop and to request authorization from the board to enroll in another board-approved peer review program.
(c) In the event a firm is merged, otherwise combined, dissolved or separated, the peer review program shall determine which firm is considered the succeeding firm. The succeeding firm shall retain its peer review status and the review due date.
(d) A firm choosing to change to another peer review program may do so only if there is not an open active peer review and if the peer review is performed in accordance with
the minimum standards for performing and reporting on peer reviews.

(5) **Reporting requirements.** Every firm must provide the following information, along with the appropriate fees, with every application for renewal of a firm license by April 30th of the renewal year:

(a) Certify whether the firm does or does not perform attest services or compilation services as defined by WAC 4-30-010 (5), (12), or other professional services for which a report expressing assurance is prescribed by professional standards in Washington state;

(b) If the firm is subject to the peer review requirements, provide the name of the approved peer review program in which the firm is enrolled, and the period covered by the firm's most recent peer review;

(c) Certify the result of the firm's most recent peer review.

Failure to timely submit complete information and the related fee by the April 30th due date can result in the assessment of late fees. The board may waive late fees based on individual hardship including, but not limited to, financial hardship, critical illness, or active military deployment.

(6) A firm must notify the board within thirty days of the date the peer reviewer or a team captain advises the firm that a grade of pass with deficiencies or fail will be recommended. The notification must include the details of any required corrective action plan being recommended by the peer reviewer or team captain, and the planned date (or time period within which) the firm would intend to complete such remedial action or actions if the proposed corrective action plan is approved by the appropriate peer review acceptance committee.

Notwithstanding any extensions of time by the peer review program administrator, failure by the firm to meet its planned schedule for completing its specific corrective action plan required by the peer review program and/or timely pay for the peer review services can result in board action.

(7) **Documents required.** A firm that has opted out of participating in the AICPA Facilitated State Board Access (FSBA) program shall provide to the board copies of the following documents related to the peer review report:

(a) Peer review report issued;

(b) Firm's letter of response, if any;

(c) Letter of acceptance from peer review program;

(d) Recommended action letter from the peer review program, if any;

(e) A letter from the firm to the board describing corrective actions taken by the firm that relate to recommendations of the peer review program;

(f) Other information the firm deems important for the board's understanding of the information submitted; and

(g) Other information the board deems important for the understanding of the information submitted.

(8) **Document retention.** RCW 18.04.390(4) and WAC 4-30-051(10) require a firm to retain audit and review records and documentation for a period of seven years after the firm concludes an audit or review of a client's financial statements.

(9) **Extensions.** The board may grant an extension of time for submission of the peer review report to the board. Extensions will be determined by the board on a case-by-case basis.

(10) **Verification.** The board may verify the certifications of peer review reports that firms provide.

(11) **Exemption from peer review.**

(a) Out-of-state firms that do not have a physical location in this state, but perform attest or compilation services in this state, and are otherwise qualified for practice privileges under RCW 18.04.195 (1)(a)(iii)(A) through (D) or (b) are not required to participate in the board's program if the out-of-state firm participates in a board-approved peer review program or similar program approved or sponsored by another state's board of accountancy.

(b) Firms that do not perform attest services as defined by WAC 4-30-010(5), compilation services, as defined by WAC 4-30-010(12), or other professional services for which a report expressing assurance is prescribed by professional standards are not required to participate in a peer review program, and shall request exemption on each firm license renewal application.

(c) Firms that prepare financial statements which do not require reports under Statements for Accounting and Review Services (management use only compilation reports) and that perform no other attest or compilation services, are not required to participate in a peer review program; however, any such engagements performed by a firm that is otherwise required to participate in a peer review program shall be included in the selection of engagements subject to peer review.

(12) **Quality assurance oversight.**

(a) The board will:

(i) Annually appoint a compliance assurance oversight committee, and such other committees as the board, in its discretion deems necessary, to provide oversight of the administration of approved peer review programs in order to provide reasonable assurance that peer reviews are being conducted and reported on in accordance with the minimum standards for performing and reporting on peer reviews;

(ii) Consider reports from the compliance assurance oversight committee;

(iii) Direct the evaluation of peer review reports and related documents submitted by firms;

(iv) Determine the appropriate action for firms that have unresolved matters relating to the peer review process or that have not complied with, or acted in disregard of the peer review requirements;

(v) Determine appropriate action for firms when issues with a peer review report may warrant further action; and

(vi) Take appropriate actions the board, in its discretion, deems appropriate to carry out the functions of the quality assurance review program and achieve the purpose of the peer review requirement.

(b) The **compliance assurance oversight committee** shall conduct oversight of approved peer review programs at least semiannually to provide reasonable assurance that such programs are in compliance with the minimum standards for performing and reporting on peer reviews.

(i) The compliance assurance oversight committee's oversight procedures may consist of, but are not limited to:

(A) Attending the peer review program's report acceptance body (RAB) meetings during consideration of peer review documents;
(B) Observing the peer review program administrator's internal review of program and quality control compliance;

(C) Observing the peer review program's review of the administrator's process.

(ii) The compliance oversight assurance committee shall report to the board any modifications to approved peer review programs and shall make recommendations regarding the continued approval of peer review programs.

(13) Remedies. The board will take appropriate action to protect the public's interest if the board determines through the peer review process or otherwise that a firm's performance and/or reporting practices are not or may not be in accordance with applicable professional standards, the firm does not comply with peer review program requirements, or the firm does not comply with all or some of the reporting, remedial action, and/or fee payment requirements of subsection (5) of this section. The board's actions may include, but are not limited to:

(a) Require the firm to develop quality control procedures to provide reasonable assurance that similar occurrences will not occur in the future;

(b) Require any individual licensee who had responsibility for, or who substantially participated in the engagement(s), to successfully complete specific courses or types of continuing education as specified by the board;

(c) Require that the reviewed firm responsible for engagement(s) submit all or specified categories of its compilation or attest working papers and reports to a preissuance evaluation performed by a board-approved licensee in a manner and for a duration prescribed by the board. Prior to the firm issuing the reports on the engagement reviewed, the board-approved licensee shall submit to the board for board acceptance a report of the findings, including the nature and frequency of recommended actions to the firm. The cost of the board-approved preissuance evaluation will be at the firm's expense;

(d) Require the reviewed firm to engage a board-approved licensee to conduct a board-prescribed on-site field review of the firm's work product and practices or perform other investigative procedures to assess the degree or pervasiveness of nonconforming work product. The board-approved licensee engaged by the firm shall submit a report of the findings to the board within thirty days of the completion of the services. The cost of the board-prescribed on-site review or other board-prescribed procedures will be at the firm's expense;

(e) Initiate an investigation pursuant to RCW 18.04.295, 18.04.305, and/or 18.04.320.

(f) Absent an investigation the specific rating of a single peer review report is not a sufficient basis to warrant disciplinary action.

(14) The board may solicit and review licensee reports and/or other information covered by the reports from clients, public agencies, banks, and other users of such information.

WAC 4-30-132 What are the program standards for CPE? (1) Qualifying program: A program qualifies as acceptable CPE for purposes of RCW 18.04.215(5) if it is a formal program of learning which contributes to the CPA's professional knowledge and competence. A formal program means:

- The program is at least fifty minutes in length;
- Attendance is recorded;
- Participants sign in to confirm attendance and, if the program is greater than four credit hours, participants sign out during the last hour of the program; and
- Attendees are provided a certificate of completion.

(2) Undergraduate and graduate courses: A graduate or undergraduate course qualifies for CPE credit if it meets the standards in subsections (1) and (5) of this section. For both undergraduate and graduate courses one quarter credit equals 10 CPE credit hours and one semester credit equals 15 CPE credit hours.

(3) Committee meetings: Generally, CPE credit is not allowed for attending committee meetings. A meeting qualifies for CPE credit only if it meets the standards in subsections (1) and (5) of this section.

(4) CPE credit hours for volunteer service on the board and its committees and volunteer service on board approved peer review committees: You may receive up to sixty-four hours of technical CPE credit each calendar year for actual time spent on board, board committee, or board approved peer review committee activities including actual time you spend preparing for committee meetings.

(5) Subject areas: Programs dealing with the following general subject areas are acceptable so long as they meet the standards in subsection (1) of this section:

(a) Technical subjects include:

(i) Auditing standards or procedures;
(ii) Compilation and review of financial statements;
(iii) Financial statement preparation and disclosures;
(iv) Attestation standards and procedures;
(v) Projection and forecast standards or procedures;
(vi) Accounting and auditing;
(vii) Management advisory services;
(viii) Personal financial planning;
(ix) Taxation;
(x) Management information services;
(xi) Budgeting and cost analysis;
(xii) Asset management;
(xiii) Professional ethics (other than those programs used to satisfy the requirements of WAC 4-30-134(3));

(xviii) Mathematics, statistics, and quantitative applications in business;
(xix) Business management and organization;
(xx) General computer skills, computer software training, information technology planning and management; and
(xxi) Negotiation or dispute resolution courses;
(b) **Nontechnical subjects include:**

(i) Communication skills;
(ii) Interpersonal management skills;
(iii) Leadership and personal development skills;
(iv) Client and public relations;
(v) Practice development;
(vi) Motivational and behavioral courses; and
(vii) Speed reading and memory building.

Subjects other than those listed above may be acceptable provided you can demonstrate they contribute to your professional competence. You are solely responsible for demonstrating that a particular program contributes to your professional competency.

(6) **Group programs:** You may claim CPE credit for group programs such as the following so long as the program meets the standards in subsections (1) and (5) of this section:

(a) Professional education and development programs of national, state, and local accounting organizations;
(b) Technical sessions at meetings of national, state, and local accounting organizations and their chapters;
(c) Formal in-firm education programs;

(e) Dinner, luncheon, and breakfast meetings which are structured as formal educational programs;
(f) Firm meetings for staff and/or management groups structured as formal education programs. Portions of such meetings devoted to communication and application of general professional policy or procedure may qualify, but portions devoted to firm administrative, financial and operating matters generally will not qualify.

(7) **CPE credit:** CPE credit is allowable only for those programs taken in time periods after the first CPA license is issued pursuant to the authority of the board under chapter 18.04 RCW. Credit is not allowed for programs taken to prepare an applicant for the ethics examination as a requirement for initial licensure. CPE credit is given in half-hour increments only after the first full CPE credit hour has been earned. A minimum of fifty minutes constitutes one CPE credit hour and, after the first fifty-minute segment has been earned, twenty-five minutes constitutes one-half CPE credit hour. For example:

- Twenty-five minutes of continuous instruction counts as zero CPE credit hour if that instruction is the first CPE course taken;
- Fifty minutes of continuous instruction counts as one CPE credit hour; and
- Seventy-five minutes of continuous instruction counts as one and one-half CPE credit hours.

Attendees obtain CPE credit only for time spent in instruction; no credit is allowed for preparation time unless the attendee is the discussion leader for the particular CPE segment or program.

(8) **Self-study programs:** Credit for self-study programs is allowed for reporting purposes on the date you completed the program as established by the evidence of completion provided by the program sponsor.

(a) **Interactive self-study programs:** Interactive means electronic or other delivery formats for delivery of CPE in which feedback is provided during the study of the material in a manner to validate the individual's understanding of the material. The amount of credit allowed for interactive self-study is that which is recommended by the program sponsor on the basis of the average completion time under appropriate "field tests." In order to claim CPE credit for interactive self-study programs, you must obtain evidence of satisfactory completion of the course from the program sponsor. Self-study CPE courses registered with the National Association of State Boards of Accountancy (NASBA) as a Quality Assurance Service (QAS) sponsor may be accepted as interactive.

(b) **Noninteractive self-study programs:** The amount of credit allowed for noninteractive self-study is one-half the average completion time as determined by the program sponsor on the basis of appropriate "field tests." To claim CPE credit for noninteractive self-study programs, you must obtain evidence of satisfactory completion of the course from the program sponsor.

(9) **Instructor, discussion leader, or speaker:** If you serve as an instructor, discussion leader or speaker at a program which meets the standards in subsections (1) and (5) of this section, the first time you present the program you may claim CPE credit for both preparation and presentation time. One hour of credit is allowed for each fifty minutes of instruction. Additionally, you may claim credit for actual preparation time up to two times the presentation hours. No credit is allowed for subsequent presentations. A maximum of seventy-two CPE credit hours are allowed for preparation and presentation during each CPE reporting period.

(10) **Published articles, books:** You may claim CPE credit for published articles and books, provided they contribute to your professional competence. Credit for preparation of such publications may be claimed on a self-declaration basis for up to thirty hours in a CPE reporting period. In exceptional circumstances, you may request additional credit by submitting the article(s) or book(s) to the board with an explanation of the circumstances that justify a greater credit. The amount of credit awarded for a given publication will be determined by the board.

(11) **Carry-forward:** CPE credit hours you complete during one CPE reporting period cannot be carried forward to the next period.

(12) **Carry-back:** As specified in WAC 4-30-134(8), CPE credit hours you complete during one CPE reporting period can be carried back to the previous reporting period only after the board has approved your extension request or has required the carry-back as part of sanctions for failure to complete required CPE.

(13) **Credential examination:** CPE credit may not be claimed for CPA examination review courses. You may not claim CPE credit for preparing for or taking a credential examination unless you complete a formal review course and receive a certificate of completion meeting the requirements of WAC 4-30-138. CPE credit may not be claimed for CPA examination review courses.

INVESTIGATIONS, DISCIPLINE AND ENFORCEMENT

WAC 4-30-140 Disciplinary authority and process.

(1) Investigations are responsive to formal complaints received or indications of a potential violation of the Public Accountancy Act, chapter 18.04 RCW and in all proceedings under RCW 18.04.295 or Administrative Procedure Act, chapter 34.05 RCW.

(2) The board has delegated authority and responsibility for processing complaints, initiating and directing investigations, resolving certain cases and issuing charging documents to the executive director of the board RCW 18.04.045(7).

(3) The board has established policies and administrative rules to define the responsibilities, process, and procedures for performing the disciplinary process.

(4) The board's investigative team reviews all complaints received to determine if the allegations are within the board's authority. If the complaint is not within the board's jurisdiction, then the executive director may close the complaint without action.

(5) If an investigation produces sufficient evidence for the executive director to conclude that a respondent has violated chapter 18.04 RCW, the executive director will work with a consulting board member (CBM) to review the case and recommend a resolution strategy.

(6) If at any time, the executive director and CBM determines there is not sufficient evidence of a violation, then the executive director may close the complaint without action.

(7) In most cases, the first step in the resolution strategy is to enter into a settlement negotiation. Settlement may be reached at any time.

(8) At any time, the executive director may issue a statement of charges which begins the formal disciplinary process. The executive director may also issue a temporary cease and desist order when deemed necessary to protect public safety and welfare.

(9) The respondent has the opportunity to answer the statement of charges and request administrative review. The board may hold a formal administrative hearing, in accordance with chapter 34.05 RCW. The board may impose a final order as a result of an administrative review.

(10) Any final order issued by the board may be appealed as described in chapter 34.05 RCW.

(11) The disciplinary process shall proceed in a timely manner in keeping with the circumstances of the individual case. There is no specific or absolute timeline for the disciplinary process of a case.

(12) The board has the power and authority to recover investigative and legal costs whether through consent order or final administrative order.
