Chapter 16-59 WAC
AVIAN DISEASES IN WASHINGTON STATE

WAC 16-59-005 Definitions. "Department" means the Washington state department of agriculture.

"Director" means the director of the Washington state department of agriculture or the director's authorized representative.

"Game birds" means fowl such as pheasants, partridge, chukars, quail, and grouse that are raised in confinement.

"Hatching eggs" means fertile eggs that have the potential to hatch poultry.

"NPIP" means USDA National Poultry Improvement Plan, a cooperative industry-state-federal program to eliminate egg-transmitted and hatchery-disseminated diseases. Title 9, Code of Federal Regulations, Parts 145 and 147, are the plan standards and contain the requirements for this voluntary program.

"Person" means a person, persons, firm or corporation.

"Poultry" means chickens, turkeys, ratites, waterfowl, game birds, pigeons, doves and other domestic fowl designated by statute. "Poultry" does not mean free ranging birds defined as wildlife in Title 77 RCW.

WAC 16-59-020 Wrongful sale. It is unlawful for any person to exchange, sell, or otherwise distribute poultry or hatching eggs affected with or originating from flocks affected with pullorum-typhoid or other contagious, infectious, or communicable disease. The director has the authority to issue a permit for movement of such poultry when satisfied that the movement will not affect the health of flocks in the state.

WAC 16-59-030 Testing requirements for poultry entering public exhibition. Pullorum-typhoid:

1. All poultry that are going to public exhibition, including exhibition, exotic, and game birds, but excluding waterfowl, doves, and pigeons must:
   a. Come from U.S. Pullorum-Typhoid Clean or equivalent flocks, as defined in the National Poultry Improvement Plan and Auxiliary Provisions, Title 9 C.F.R., Section 145.53; or
   b. Have had a negative pullorum-typhoid test within ninety days before going to public exhibition.

2. The department maintains a copy of the National Poultry Improvement Plan and Auxiliary Provisions for public inspection. You may also find the information on the internet at: http://www.access.gpo.gov/nara/cfr/waisidx_06/9cfrv1_06.html.

WAC 16-59-060 Shipping equipment. (1) In order to prevent the spread of disease, all poultry must be moved only in containers that are maintained in a sanitary condition and cleaned and disinfected when required by the director.

(2) All common carriers and any other conveyances used in transporting live poultry to or from the receiving station or destination must be free from poultry droppings, feathers, and other debris.
