Chapter 16-103 WAC
MILK PROCESSING ASSESSMENTS AND COLLECTIONS

WAC 16-103-001 Assessments. The assessment on all milk processed in this state shall be fifty-three and one-half hundredths of one cent per hundredweight.

16-103-002 Collections. Milk plant operators shall submit a report to the director on or before the twentieth day of each month with the preceding month's assessment. The report shall list the milk plant name and address, pounds of milk received at that plant including milk purchased or received from other sources, and the total amount of assessment on forms provided by the director. Provided, that entities having more than one milk plant may submit one assessment check for all milk plants and include separate reports for each milk plant.

16-103-003 Penalties. Any due and payable assessment not paid by the milk plant operator by the twentieth day of the succeeding month shall be considered a lien on any property owned by him or her. All delinquent assessments shall be filed as liens quarterly by the director with the county auditor of any county in which property owned by the milk plant operator is located. All delinquent assessments shall be collected in the manner and with the same priority over other creditors as prescribed for the collection of delinquent taxes under chapters 84.60 and 84.64 RCW.

16-103-010 Purpose. These rules are promulgated under the authority of RCW 15.32.110 as recodified by chapter 143, Laws of 1994. The purpose of these rules is to establish a renewal date for the annual milk processing plant license.

16-103-020 Milk processing plant license. The licensing period for milk processing plants shall begin on July 1 and run through the following June 30. All annual milk processing plant licenses shall expire on June 30 of each year.
