"Public records" includes any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by the commission regardless of physical form or characteristics.

WAC 16-505-010 Collection of assessment. (1) The Washington beer commission is authorized under RCW 15.89.040 and 15.89.110(1) to collect an assessment upon beer produced by an affected producer. The annual assessment is ten cents per barrel of beer produced, up to ten thousand barrels per location, as verified by federal excise tax reports.
(2) The commission shall directly bill affected producers by providing written notice in the form of an assessment invoice. Affected producers shall calculate their assessment on the assessment invoice using the annual production figure as based upon their federal excise tax report. Affected producers must submit the completed assessment invoice, the assessment payment due and a copy of the affected producer's federal excise tax report for verification to the commission at the address specified on the assessment invoice.
(3) The first assessment will be due and payable to the commission no sooner than July 2007 and will be based upon beer production during the fourth quarter of 2006.
(4) The second assessment will be due and payable to the commission no sooner than January 2008 and will be based upon beer production during the calendar year of 2007.
(5) Assessments thereafter will be due and payable to the commission annually no sooner than January and will be based upon the previous year's production.
(6) At this time, assessments due and payable to the commission shall not be reduced based on in-kind contributions.
(7) Failure to receive an invoice for the previous year's product does not relieve an affected producer of its obligation to pay any assessment when due.

WAC 16-505-015 Failure to pay assessment. (1) In the event any affected producer fails to pay the commission the full amount of such assessment or such other sum on or before the date due, the commission may add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collection of the amount due.
(2) In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the commission may bring a civil action against such person or persons in a state court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable.

WAC 16-505-020 Requests for public records. (1) All requests for disclosure of public records must be submitted in writing directly to the commission's public records officer by mail to: Washington Beer Commission, 11112 117th Place N.E., Kirkland, WA 98033. The request may also be submitted by email to eric@washingtonbeer.com. The written request should include:
(a) The name, address, and telephone number or other contact information of the person requesting the records;
(b) The calendar date on which the request is made; and
(c) Sufficient information to readily identify records being requested.

(2) Any person wishing to inspect the commission's public records may make an appointment with the public records officer to inspect the records at the commission office during regular business hours. In order to adequately protect the commission's public records, the following will apply:
(a) Public records made available for inspection may not be removed from the area the commission makes available for inspection;
(b) Inspection of any public record will be conducted in the presence of the public records officer or designee;
(c) Public records may not be marked or altered in any manner during the inspection;
(d) The commission has the discretion to designate the means and the location for the inspection of records. The viewing of those records that require specialized equipment shall be limited to the availability of that equipment located at the commission's office and the availability of authorized staff to operate that equipment.

WAC 16-505-075 Response to public records requests. (1) The public records officer shall respond to public records requests within five business days by:

(4/19/17)
(a) Making the records available for inspection or copying;
(b) Providing a link or address for a record available on the internet under RCW 42.56.520;
(c) Acknowledging receipt of the request and providing a reasonable estimate of the time the commission will require to respond to the request;
(d) Sending the copies to the requestor if copies are requested and payment of a deposit for the copies is made or terms of payment have been agreed upon; or
(e) Denying the public records request. Responses refusing in whole or in part the inspection of a public record shall include a statement of the specific exemption authorizing withholding of the record, or any part of the record, and a brief explanation of how the exemption applies to the record withheld or to any redactions in records produced.

(2) Additional time to respond to the request may be based upon the need to:
(a) Clarify the intent of the request;
(b) Locate and assemble the information requested;
(c) Notify persons or agencies affected by the request; or
(d) Determine whether any of the information requested is exempt from disclosure and that a denial should be made as to all or part of the request.

(3) In acknowledging receipt of a public records request that is unclear, the public records officer may ask the requestor to clarify what records the requestor is seeking. The public records officer is not obligated to provide further response if the requestor fails to clarify the request.

If the public records officer deems it more efficient to have copying or duplicating done outside the commission, the charges will be based on the actual cost of such outside copying or duplicating service. For all copying or duplicating service charges incurred, an invoice will be sent to the requestor. Reimbursement is payable within fifteen days of receipt of the invoice and is payable to the Washington beer commission. The commission may require that all charges be paid in advance of release of the copies of the records.
