(d) Sending the copies to the requestor if copies are requested and payment of a deposit for the copies is made or terms of payment have been agreed upon; or
(e) Denying the public records request. Responses refusing in whole or in part the inspection of a public record shall include a statement of the specific exemption authorizing withholding of the record, or any part of the record, and a brief explanation of how the exemption applies to the record withheld or to any redactions in records produced.

(2) Additional time to respond to the request may be based upon the need to:

(a) Clarify the intent of the request;
(b) Locate and assemble the information requested;
(c) Notify persons or agencies affected by the request; or
(d) Determine whether any of the information requested is exempt from disclosure and that a denial should be made as to all or part of the request.

(3) In acknowledging receipt of a public records request that is unclear, the public records officer may ask the requestor to clarify what records the requestor is seeking. The public records officer is not obligated to provide further response if the requestor fails to clarify the request.

WAC 16-585-120 Fees—Inspection and copying. (1) No fee will be charged for the inspection of public records.

(2) The commission charges a fee of fifteen cents per page of black and white photocopy plus postage for reimbursement of the costs of providing public records.

(3) Requests for records in special formatting, including color copies, will be charged at the amount necessary to reimburse the commission for its actual production costs. If the public records officer deems it more efficient to have copying or duplicating done outside the commission, the charges will be based on the actual cost of such outside copying or duplicating service. For all copying or duplicating service charges incurred, an invoice will be sent to the requestor. Reimbursement is payable within fifteen days of receipt of the invoice and is payable to the Puget Sound salmon commission. The commission may require that all charges be paid in advance release of the copies of the records.

(4) The commission or its designee may waive any of the foregoing copying costs.
