disclosed. It includes, but is not limited to, the student's name,
date of birth, major field of study, participation in officially

contract agreement, perform a function related to a student's
education or discipline, perform a service or benefit relating to
the student or student's family, such as health education,
counseling, advising, or student employment, or maintain
safety and security.

school as a teacher, administrator, supervisor, counselor, sup-
port or clerical staff, human resources staff, information sys-
tems specialist, school security personnel, a person appointed
to the board of trustees, a person with whom the school has
contracted to perform a service to or on behalf of the school

A request by a parent (or eligible student) to inspect and review education records should be made in writing to the director of education. The director of education or designee shall comply with a request promptly and before any meeting regarding an individualized education program or hearing or resolution session relating to the identification, evaluation, educational placement of the student or provision of FAPE to the student, including disciplinary proceedings. The school shall respond, in no case, more than forty-five calendar days after the request has been made.

(2) Where the education record includes information on more than one student, the parent(s) of those students (or the eligible students) shall have the right to inspect and review only the information relating to their child (themselves) or to be informed of that specific information.

(3) The right to inspect and review education records under this section includes:

(a) The right to a response from the school to reasonable requests for explanations and interpretations of the records;

(b) The right to request that the school provide copies of the records containing the information if failure to provide those copies would effectively prevent the parent or eligible student from exercising the right to inspect and review the records; and

(c) The right to have a representative of the parent or eligible student inspect and review records.

(4) The school may presume that a parent has authority to inspect and review records relating to his/her child unless the school has been advised that the parent does not have the authority under applicable state law governing such matters as guardianship, separation, and dissolution.

(5) A list of the types and locations of education records collected, maintained, or used by the school may be obtained by the parent (or eligible student) at the director of education's office.

(b) A parent (or eligible student) shall not be permitted under this chapter to challenge the validity of grades or other evaluations which are accurately recorded.

(2) The school shall decide whether to amend the record as requested within a reasonable time after receipt of the request.

(3) If the school decides not to amend the record as requested, it shall inform the parent (or eligible student) of the decision and of the right to a hearing.

(4) The school will conduct a hearing within a reasonable time after it has received the request for a hearing.

(a) Notice of the date, time and place shall be provided reasonably in advance of the hearing.

(b) The hearing may be conducted by any party, including an official of the school, who does not have a direct interest in the outcome of the hearing. The parent (or eligible student) shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend an education record. The parent (or eligible student) may, at their own expense, be assisted or represented at the hearing by one or more individuals, including an attorney.

(c) The school will provide a written decision within a reasonable period of time after the conclusion of the hearing. The decision shall be based solely upon the evidence presented at the hearing and include a summary of the evidence presented and the reasons for the decision.

(5) If, as a result of the hearing, the school decides that the information is inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall amend the information accordingly and so inform the parent (or eligible student) in writing.

(6) If, as a result of the hearing, the school decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall inform the parent (or eligible student) of the right to place in the records it maintains on the student a statement commenting on the challenged information or setting forth any reasons for disagreeing with the decision of the school.

(2) Except as provided in this section, parental consent is not required before personally identifiable information is released to officials of participating agencies for purposes of meeting a requirement of this part.

(3) Parental consent, or the consent of an eligible student who has reached the age of majority under state law, must be obtained before personally identifiable information is released to officials of participating agencies providing or paying for transition services.

(4) If a parent (or eligible student) so requests, the school shall provide him or her with a copy of the records disclosed.

(5) "Directory information" may be disclosed without the parent's (or eligible student's) prior written consent, unless the parent (or eligible student) notifies the school in writing within ten days of enrollment and thereafter by the tenth day of the academic year that he or she does not want any or all of the student's information to be designated as directory information.

WAC 72-280-050 Safeguards. (1) The school shall protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages.

(2) The director of education is responsible for assuring the confidentiality of any personally identifiable information.

The school shall maintain a record of parties obtaining access to educational records collected, maintained, or used under this chapter including the name of the party, the date access was given, and the purpose for which the party is authorized to use the records.
