DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER
110-06-0060 Additional information the department may consider.

WAC 110-06-0010 Purpose and scope. (1) The purpose of this chapter is to establish rules for background checks conducted by the department of children, youth, and families (DCYF).
(2) The department conducts background checks on subject individuals who are authorized to:
(a) Care for or have unsupervised access to children receiving early learning services; or
(b) Care for children in the child's or provider's home. These providers, also known as family, friends, and neighbors (FFN) or in-home/relative care providers are exempt from licensing and receive working connections child care (WCCC) subsidies.
(3) The department conducts background checks to reduce the risk of harm to children from subject individuals who have been convicted of certain crimes or who pose a risk to children.
(4) The department's rules and state law require the evaluation of background information to determine the character, suitability, or competence of persons who will care for or have unsupervised access to children receiving early learning services or other agency authorized services.
(5) If any provision of this chapter conflicts with any provision in any chapter containing a substantive rule relating to background checks and qualifications of persons who are authorized to care for or have unsupervised access to children receiving early learning services, the provisions in this chapter shall govern.
(6) These rules implement chapters 43.216 and 43.43 RCW, including, but not limited to, DCYF responsibilities in RCW 43.216.260, 43.216.270 through 43.216.273, and 43.43.830 through 43.43.832.
(7) These rules are amended to allow for increased and continued portability of background check clearances for subject individuals who are authorized to care for or may have unsupervised access to children receiving early learning services.

[Statutory Authority: RCW 43.216.055, 43.216.065, chapter 43.216 RCW and 42 U.S.C. 9858 et seq.; 45 C.F.R. Part 98. WSR 19-01-111, § 110-06-0046, filed 12/18/18, effective 1/18/19.

WAC 110-06-0050 Department action following completion of background inquiry. As part of the background check process the department will conduct a character, suitability or competence assessment as follows:

(1) Compare the background information with the DCYF secretary's list, WAC 110-06-0120, to determine whether the subject individual must be disqualified under WAC 110-06-0070 (1) and (2). In doing this comparison, the department will use the following rules:

(a) A pending charge for a crime or a deferred prosecution is given the same weight as a conviction.

(b) If the conviction has been renamed it is given the same weight as the previous named conviction.

[Ch. 110-06 WAC p. 4]
(c) Convictions whose titles are preceded with the word "attempted" are given the same weight as those titles without the word "attempted."

(d) The term "conviction" has the same meaning as the term "conviction record" as defined in RCW 10.97.030 and may include convictions or dispositions for crimes committed as either an adult. It may also include convictions or dispositions for offenses for which the person received a deferred or suspended sentence, unless the record has been expunged according to law.

(e) Convictions and pending charges from other states or jurisdictions will be treated the same as a crime or pending charge in Washington state. If the elements of the crime from the foreign jurisdiction are not identical or not substantially similar to its Washington equivalent or if the foreign statute is broader than the Washington definition of the particular crime, the defendant's conduct, as evidenced by the indictment or information, will be analyzed to determine whether the conduct would have violated the comparable Washington statute.

(f) The crime will not be considered a conviction for the purposes of the department when the conviction has been the subject of an expungement, pardon, annulment, certification of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted, or the conviction has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence.

(2) Evaluate any negative action information to determine whether the subject individual has any negative actions requiring disqualification under WAC 110-06-0070(3).

(3) Evaluate any negative action information and any other pertinent background information, including nondisqualifying criminal convictions, to determine whether disqualification is warranted under WAC 110-06-0070 (5), (6), or (7).

(4) If DCYF has reason to believe that additional information is needed to determine the character, suitability or competence of the subject individual to care for or have unsupervised access to children receiving early learning services, additional information will be requested. The subject individual must provide to the department any additional reports or information that it requests.

WAC 110-06-0070 Disqualification.
Background information that will disqualify a subject individual.

(1) A subject individual who has a background containing any of the permanent convictions on the secretary's list, WAC 110-06-0120(2), will be permanently disqualified from providing licensed child care, caring for children or having unsupervised access to children receiving early learning services for five years after the conviction date.

(2) A subject individual who has a background containing any of the nonpermanent convictions on the secretary's list, WAC 110-06-0120(2), will be disqualified from providing licensed child care, caring for children or having unsupervised access to children receiving early learning services for five years after the conviction date.

(3) A subject individual will be disqualified when his or her background contains a negative action, as defined in WAC 110-06-0020 that relates to:

(a) An act, finding, determination, decision, or the commission of abuse or neglect of a child as defined in chapters 26.44 RCW and 110-30 WAC.

(b) An act, finding, determination, decision, or commission of abuse or neglect or financial exploitation of a vulnerable adult as defined in chapter 74.34 RCW.

(4) A subject individual who has a "founded" finding for child abuse or neglect will not be authorized to care for or have unsupervised access to children during the administrative hearing and appeals process.

(5) Background information that may disqualify a subject individual. A subject individual may be disqualified for other negative action(s), as defined in WAC 110-06-0020 which reasonably relate to his or her character, suitability, or competence to care for or have unsupervised access to children receiving early learning services.

(6) A subject individual may be disqualified from caring for or having unsupervised access to children if the individual is the subject of a pending child protective services (CPS) investigation.

(7) The department may also disqualify a subject individual if that person has other nonconviction background information that renders him or her unsuitable to care for or have unsupervised access to children receiving early learning services. Among the factors the department may consider are:

(a) The subject individual attempts to obtain a license, certification, or authorization by deceitful means, such as making false statements or omitting material information on an application.

(b) The subject individual used illegal drugs or misused or abused prescription drugs or alcohol that either affected their ability to perform their job duties while on the premises when children were present or presented a risk of harm to any child receiving early learning services.

(c) The subject individual attempted, committed, permitted, or assisted in an illegal act on the premises. For purposes of this subsection, a subject individual attempted, committed, permitted, or assisted in an illegal act if he or she knew or reasonably should have known that the illegal act occurred or would occur.

(d) Subject to federal and state law, the subject individual lacks sufficient physical or mental health to meet the needs of children receiving early learning services.

(e) The subject individual had a license or certification for the care of children or vulnerable adults terminated, revoked, suspended or denied.

(2) If the disqualification is based on a finding of child abuse or neglect, or a finding of abandonment, abuse, neglect, exploitation, or financial exploitation of a vulnerable adult as defined in chapter 74.34 RCW, the subject individual cannot contest the finding if:

(a) The subject individual was notified of the finding by the department of social and health services (DSHS) and failed to request a hearing to contest the finding; or

(b) The subject individual was notified of the finding by DSHS and requested a hearing to contest the finding, but the finding was upheld by final administrative order or superior court order.

**WAC 110-06-0115 Reconsideration of disqualification.**

(1) Subject to the requirements contained in chapter 110-06 WAC the department may reconsider an earlier decision to disqualify a subject individual.

(2) For a disqualification based on WAC 110-06-0070 (5) or (7)(a), (c), or (e), a disqualified subject individual's request for reconsideration will be granted only if the disqualified subject individual establishes by clear and convincing evidence there has been a change of circumstances since the date of the disqualification that demonstrates there is nothing about the subject individual's character, suitability, or competence that would prevent the subject individual from caring for or having unsupervised access to children receiving early learning services. For purposes of subsection (2) of this section a disqualification based on a "negative action," WAC 110-06-0070 (5) or (7)(c) or (e) does not include a finding, final determination, or finding made by an agency or administrative law judge that relates to:

(b) The commission of abuse or neglect of a vulnerable adult as defined in chapter 74.34 RCW.
(3) For a disqualification based on any of the circumstances described in WAC 110-06-0070 (3) and (7)(b) or (d), a disqualified subject individual's request for reconsideration will be granted only if the disqualified subject individual establishes by clear and convincing evidence there has been a change of circumstances since the date of the disqualification that demonstrates there is nothing about the subject individual's character, suitability, or competence that would constitute a danger to a child's welfare if the individual is allowed to care for or have unsupervised access to children in care.
(4) The department will not reconsider qualifying a subject individual that was disqualified under WAC 110-06-0120(1).
(5) The department will not reconsider qualifying a subject individual that was disqualified under WAC 110-06-0120(2) for a period of five years from the date of the disqualifying conviction.
