1. The regularly established teaching, research, or public service activities of the college and its departments or related agencies.
2. Cultural, educational, or recreational activities of the students or of the faculty or staff.
3. Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

7. Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with published college regulations and on the basis of time, space availability, priority of request and the demonstrated needs of the individual, group or organization.
8. Use of space shall not interfere with regularly scheduled classes or activities. Physical abuse of assigned facilities may result in limitation of future allocation of space to the offending parties. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting. If any charge or collection of funds is contemplated, advance permission from the party giving authority for space allocations will be required.
