WAC 132G-276-080 Requests for public records. In accordance with requirements of chapter 42.17 RCW that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records may be inspected or copied or copies of such records may be obtained, by members of the public, upon compliance with the following procedures:

(1) A request shall be made in writing upon a form prescribed by the college which shall be available at its administrative office on the campus. The form shall be presented to the public records officer and/or his or her designees, at the administrative office on the campus. The request shall include the following information:

(b) The time of day and calendar date on which the request was made;

WAC 132G-276-090 Charges for public records. No fee shall be charged for the inspection of public records. The college imposes a charge for providing copies of public records. Calculating the actual costs of charges for providing public records is unduly burdensome because it will consume scarce college resources to conduct a study of actual costs, and it is difficult to accurately calculate all costs directly incident to copying records, including equipment and paper costs, data storage costs, electronic production costs, and staff time for copying and sending requested records. Instead of calculating the actual costs of charges for records, the college president or designee shall establish, maintain, and make available for public inspection and copying a statement of costs that the college charges for providing photocopies or electronically produced copies of public records, and such charges for records shall not exceed the maximum default charges allowed in RCW 42.56.120 (2)(b), as amended by section 3, chapter 304, Laws of 2017. The college may also use any other method authorized by the Public Records Act for imposing charges for public records including, but not limited to, charging a flat fee, charging a customized service charge, or charging based on a contract, memorandum of understanding, or other agreement with a requestor. The college may waive charges assessed for records when the public records officer determines collecting a fee is not cost effective.

WAC 132G-276-100 Exemptions. (1) The college reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 132G-276-080 is exempt under chapter 42.17 RCW or other law which exempts or prohibits disclosure of specific information or records.

(2) In addition, pursuant to RCW 42.17.260, the college reserves the right to delete identifying details when it makes available or publishes any public record, in any cases when there is a statute or law authorizing nondisclosure of the requested material. The public records officer and/or his or her designee will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

WAC 132G-276-110 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the public records officer and/or his or her designees which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer and/or his or her designee denying the request shall refer it to the college president. The college president or his or her designee shall immediately consider the matter and either affirm or reverse such denial or consult with the attorney general to review the denial. In any case, the request shall be returned with a final decision, within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the college has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.

(4) Once the college denies a request for public records, the requester may request the attorney general to review the denial. Pursuant to RCW 42.17.325, the attorney general will provide the requester with an opinion whether the record is exempt from disclosure.

WAC 132G-276-120 Protection of public records. Requests for public records shall be to the public records officer and/or his or her designees in the appropriate locations on the campus. Public records and a facility for their inspection will be provided by the public records officer and/or his or her designees. Such records shall not be removed from the place designated for their inspection. Copies shall be made only at Shoreline Community College. If copying facilities are not available at the college, the college will arrange to have copies made commercially according the provisions of WAC 132G-276-090.

WAC 132G-276-130 Records index. (1) Purpose. This rule is enacted in compliance with chapter 42.17 RCW, Disclosure—Campaign finances—Lobbying—Records; and chapter 34.05 RCW, Administrative Procedure Act; and in particular with RCW 42.17.260 and 34.05.220.
(2) Content. The public records officer shall maintain an index of final orders, declaratory orders, interpretive statements, and policy statements, as defined by RCW 42.17.260 (5), issued after June 30, 1990, by the board of trustees of the college, the president of the college, or their designees.
