WAC 308-312-030 Applying for a whitewater river outfitter license. (1) To apply for a license a person must request and file a master application with the master license service. The completed master application must include the information, proof of insurance and certifications listed in RCW 88.12.275 and the fee listed in WAC 308-312-060.

(2) A master license with "whitewater river outfitter" printed on it will be issued after the application has been reviewed and approved. The license application will not be approved and no license will be issued if all the requirements are not met.

(3) Each business location where whitewater river outfitter business is conducted must be licensed even if owned by the same business owner. A separate application must be completed and filed for each business location. Each business location will receive its own master license.

WAC 308-312-040 Renewing a whitewater river outfitter license. (1) The whitewater river outfitter license must be renewed each year by the expiration date. The master license does not allow conducting business as a whitewater river outfitter after the expiration date shown on the license. A renewal must be filed for each business location.

(2) The master license service will mail a renewal notice to each business location at least 30 days before the license expiration date. The licensee must submit the completed renewal application by the expiration date or the late renewal fee listed in RCW 19.02.085 may be charged.

(3) The completed renewal application must include the information and certifications listed in RCW 88.12.275, and the fee listed in WAC 308-312-060. The whitewater river outfitter license will not be renewed if all the requirements are not met.

(4) If a license renewal has not been filed by at least 4 months after the expiration date the license will be considered to have been abandoned and the license status will be terminated. A licensee whose outfitter license has been terminated because of nonrenewal must file a new application as described in WAC 308-312-030 in order to conduct business as a whitewater river outfitter.

WAC 308-312-050 Proof of liability insurance. (1) Applicants and licensees must provide proof of having liability insurance coverage to the master license service. Changes to be reported include cancellation, termination, nonrenewal, and renewal of a policy. Cancellation, termination, or nonrenewal of a policy must be reported to the master license service at least 30 days before the effective date.
