WAC 314-19-010  Definitions.  The following definitions are to clarify the purpose and intent of the rules and laws governing beer and wine tax reporting and payment requirements. Additional definitions can be found in RCW 66.04.010.

1) "Late." A tax payment is considered late if it is unpaid on the due date and remains unpaid until the twentieth day of the following month.

2) "Missing." A tax report and tax payment, if taxes are owed, is considered missing if it is more than thirty days past the required filing date.

3) "Samples" are beer and/or wine furnished to retail licensees for the purpose of negotiating a sale, per RCW 66.28.040. See WAC 314-64-080 for sampling procedures.

4) "Tastings" are beer and/or wine products provided to customers at no charge for the purpose of promoting a sale, that are consumed on the premises of a domestic brewery, microbrewery, winery, or additional winery locations as authorized by RCW 66.24.170(4). Tastings are not taxable under this title.
WAC 314-19-015 What are the reporting and tax payment requirements? (1) The required beer and/or wine tax reports must be:

(a) On a form furnished by the board or in a format approved by the board;

(b)Filed every month, including months with no activity or taxes due. A winery or wine certificate of approval holder with total taxable sales of wine in Washington state of six thousand gallons or less during the calendar year may elect to file annually;

(c) Submitted, with the tax due, to the board on or before the twentieth day of the month following the end of the reporting period, for the previous reporting period (for example, a monthly report listing transactions for the month of January is due by February 20; an annual report listing transactions for 2012 is due by January 20, 2013). When the twentieth day of the month falls on a Saturday, Sunday, or a legal holiday, the filing must be postmarked by the U.S. Postal Service no later than the next postal business day; and

(d) Filed separately for each type of liquor license or permit held.

(2) Wineries, wine certificate of approval holders and wine shippers who elect to file annually:

(a) Must have taxable sales of wine in Washington state of six thousand gallons or less during the calendar year;

(b) New licensees who anticipate taxable sales of wine in Washington state of less than six thousand gallons must request by notifying the liquor control board within thirty days of license issuance that they would like to file annually;

(c) May only change reporting frequency (to annual filing or off annual filing) at the beginning of a calendar year, effective month must be January;

(d) Are required to file multiple reports in the event of a midyear tax rate change (for example, the tax rate changes June 1st; annual filer will submit two reports. One for January 1st through May 31st and one for June 1st through December 31st. Both are due January 20th following the end of the reporting period);

(e) Must submit a report the month following the month the license has been discontinued or business closed (for example, annual filer closes business/discontinued license May 25th, report is due June 20th).

(ii) Sold to retail licensees;

(iii) Furnished as samples to retail licensees as authorized by RCW 66.28.040, WAC 314-64-080, and 314-64-090 (does not include samples provided to distributors); |

### Statutory Authority

### WAC 314-19-020

**What if a licensee doesn't report or pay the taxes due, or reports or pays late?** The board may take the following actions against a licensee or permit holder in order to collect any of the reports or taxes due that are outlined in this title.

| (1) Suspension or revocation of license | (a) Failure to make a report and/or pay the taxes in the manner and dates outlined in this chapter will be sufficient ground for the board to suspend or revoke a liquor license, wine shipper permit, or certificate of approval (per RCW 66.08.150, 66.24.010, 66.24.120, 66.24.206, 66.20.370, 66.20.380, and 66.24.270). |
(2) Penalties

A penalty of two percent per month will be assessed on any tax payments postmarked after the twentieth day of the month following the reporting period of the transactions (per the reporting requirements outlined in WAC 314-19-015, RCW 66.24.290, and 66.24.210). When the twentieth day of the month falls on a Saturday, Sunday, or a legal holiday, the filing must be postmarked by the U.S. Postal Service no later than the next postal business day. Absent a postmark, the date received at the Washington state liquor control board, or designee, will be used to determine if penalties are to be assessed.

(3) Surety bond requirements

(a) What is a surety bond? A "surety bond" is a type of insurance policy that guarantees beer and/or wine tax payment to the state. The surety bond must be:
   (i) Executed by a surety company authorized to do business in the state of Washington;
   (ii) On a form and in an amount acceptable to the board;
   (iii) Payable to the Washington state liquor control board; and
   (iv) Conditioned that the licensee will pay the taxes and penalties levied by RCW 66.24.210 and/or 66.24.290.

(b) When will the board require a surety bond? The board may require a surety bond from a Washington beer and/or wine distributor, domestic microbrewery, domestic brewery, public house, domestic winery, wine shipper, or a beer or wine certificate of approval holder that has a direct shipment privilege. If any of the following occur, the board may require the licensee or permit holder to obtain a surety bond or assignment of savings account, within twenty-one days after an administrative violation notice is issued:
   (i) A report or tax payment is missing, as defined in WAC 314-19-010, for two or more consecutive months; or
   (ii) A report or tax payment is missing, as defined in WAC 314-19-010, two or more times within a two year period.

(c) What will happen if the licensee does not acquire the surety bond or savings account? Failure to meet the bonding or savings account requirements outlined in subsections (a) and (b) of this rule may result in immediate suspension of license privileges until all missing reports are filed and late taxes have been paid and the surety bond is acquired or the savings account is established.

(d) In what amount and for how long will the board require a surety bond? The amount of a surety bond or savings account required by this chapter must be either $3,000, or the total of the highest four months’ worth of tax liability for the previous twelve month period, whichever is greater.
   (i) The licensee or permit holder must maintain the bond for at least two years. After the two year period the licensee or permit holder may request an exemption as outlined in subsection (f) of this rule.
   (ii) Surety bond and savings account amounts may be reviewed annually and compared to the last twelve months’ tax liability of the licensee. If the current bond or savings account amount does not meet the requirements outlined in this section, the licensee or permit holder will be required to increase the bond amount or amount on deposit within twenty-one days.

(e) What action will the board take when a licensee or permit holder holds a surety bond and does not pay taxes due or pays late? If a licensee or permit holder holds a surety bond or savings account, the board will immediately start the process to collect overdue taxes from the surety company or assigned account. If the exact amount of taxes due is not known due to missing reports, the board will estimate the taxes due based on previous production, receipts, and/or sales.

(f) Can a licensee or permit holder request an exemption to the surety bond or savings account requirement? A licensee or permit holder may make a written request to the board's financial division for an exemption from the surety bond or assignment of savings account requirements. The board will grant an exemption once the following criteria are met:
   (i) The licensee or permit holder has filed reports and paid applicable taxes to the board for at least two years immediately prior to the exemption request; and
   (ii) There have been no late or missing reports or tax payments during the previous two years.
   (iii) In order to remain exempt from the surety bond or assignment of savings account requirements, the licensee must continue to meet the tax reporting and payment requirements outlined in this title (outlined in WAC 314-19-015, RCW 66.24.206, 66.24.210, 66.24.270, 66.24.290, and 66.24.580).

**WAC 314-19-025** Are there any exceptions to the tax payments required in this chapter if the licensee primarily exports beer and/or wine? Washington beer and/or wine distributors or importers who purchase fifty percent or more of their beer or wine for the purpose of exporting the product from the state may request that the board make simplified arrangements for reporting and payment of tax.

1. The licensee must make a written request for such arrangement to the board's financial division.
2. The board will make such arrangements on an individual basis for the purpose of simplifying the reporting and accounting requirements.

**WAC 314-19-030** How can a licensee claim a credit or refund for tax-paid product?

<td>(a) On the next report filed, show the amount of product for which a tax credit is due in the appropriate section(s) of the form.</td>

</tr>
<tr>
<td>(b) Deduct the total credit from the total amount due on this report.</td>
<td>(b) On the next report filed, the licensee must show the amount of product for which a tax refund is due in the appropriate section(s) of the form.</td>

**WAC 314-19-035** Reduced tax rate for beer. (1) The additional beer taxes imposed under RCW 66.24.290 (3)(a) do not apply to the first sixty thousand barrels of beer sold by a brewery in Washington each fiscal year, if:

(a) The beer is produced in the United States; and
(b) The producing brewery or domestic brewery-brand owner meets the qualifications of 26 U.S.C. Sec. 5051 (a)(2).

(2) In order to qualify for this exemption, the Washington brewery or the out-of-state beer certificate of approval holder must provide the board a copy of an Alcohol and Tobacco Tax and Trade Bureau (TTB) acknowledged copy of their filing "Notice of Brewer to Pay Reduced Rate of Tax" for the calendar year as required under 27 C.F.R. Sec. 25.167; a variance for any year that waives annual submission to the TTB; or the Brewer's Notice which waives annual submission to the TTB.

(3) The tax exemption will not apply until the first day of the second month following the month the notice is received (for example, if the notice is received by the Board on January 10, the tax exemption will start on March 1).

(4) How will the distributor know what tax rate to pay for each brewery's products?

(a) The board will provide distributors a list of breweries that qualify for the reduced tax rate; and
(b) The qualifying brewery is responsible to inform the distributors when product sold to distributors exceeds the first sixty thousand barrels exempted from the additional tax.

(c) Once a qualifying brewery's sales to distributors exceeds sixty thousand barrels, the distributors must begin paying the full tax rate on their next monthly tax report.

(5) Per RCW 66.24.290, authorized representative certificate of approval holders do not qualify for the reduced rate in Washington state.

(6) The tax exemption will not apply to strong beer. Strong beer must be paid at the higher rate even when the brewery meets the qualifications for the reduced rate. Strong beer is any malt beverage that contains more than eight percent alcohol by weight.
