WAC 415-06-050 Requests for public records. In accordance with requirements of chapter 1, Laws of 1973 that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records may be inspected or copied or copies of such records may be obtained, by members of the public, upon compliance with the following procedures:
(1) A request shall be made in writing upon a form prescribed by the department which shall be available at its administrative office. The form shall be presented to the public records officer; or to any member of the department's staff, if the public records office is not available, at the administrative office of the department during customary office hours. The request shall include the following information:

(2) Pursuant to RCW 42.56.120, as amended by section 3, chapter 304, Laws of 2017, the department declares for the following reasons that it would be unduly burdensome to calculate the actual costs of copying and providing copies of public records: Department resources were not allocated for performing a study to calculate the actual costs; the department lacks the necessary resources to perform such a study and calculations; and such a study would interfere with and disrupt other essential department functions.

[Ch. 415-06 WAC p. 1]
WAC 415-06-070 Exemptions. (1) The department reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 415-06-050 is exempt under the provisions of section 31, chapter 1, Laws of 1973.

(2) In addition, pursuant to section 26, chapter 1, Laws of 1973, the department reserves the right to delete identifying details when it makes available or publishes any public record, in any cases when there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973. The public records officer will fully justify such deletion in writing.

(3) All denials of requests for public records must be accompanied by a written statement specifying the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

WAC 415-06-080 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the public records officer or other staff member which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer or other staff member denying the request shall refer it to the director or an assistant director of the department. The director or assistant shall immediately consider the matter and either affirm or reverse such denial as soon as legally possible. In any case, the request shall be returned with a final decision, within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the director has returned the petition with a decision or until the close of the second business day following denial of inspection, whichever occurs first.
