**WAC 468-305-002 What is the purpose of these rules?** The purpose of these rules is to explain how the Washington state department of transportation (WSDOT) will operate its tolling programs and specifically to:

1. Establish a uniform toll collection and enforcement system for transportation facilities across Washington state;
2. Establish efficient processes for both photo and electronic toll collection including an effective toll bill system; and
3. Ensure fair and efficient toll enforcement and adjudication processes including the accurate issuance of notices of civil penalty (NOCP) and the opportunity for an impartial resolution of NOCP disputes.

**WAC 468-305-100 What toll payment methods are available on WSDOT toll facilities?** The following toll payment methods are available on WSDOT toll facilities:

1. **Payment by pass:** This toll payment option uses a Good To Go!™ Pass (transponder device) to debit funds from an associated valid toll account.
2. **Photo toll payments:** This payment method uses a photograph of a license plate to assess the toll. The photo toll may be paid by toll account; a Short Term Account; by individual payment online, mail, fax, over the phone or in person at a customer service center; or in response to a Pay By Mail toll bill. This payment method is not available on the SR 167 HOT lanes.
3. **Manual payment:** This payment method is available only on the Tacoma Narrows Bridge. It requires payment at a tollbooth using cash, a credit card or branded debit card. This option also requires you to stop your vehicle at the tollbooth facility to pay.

[Ch. 468-305 WAC p. 4]
WAC 468-305-105 What can I do to arrange for toll payment before I use a toll facility? (1) Prior to using a toll facility, you can open a toll account either online, in person at a customer service center or over the phone.  

(2) When you set up your account or anytime while the account is still open you can select from the following types of accounts:

(a) Good To Go™ Pass account - One or more Good To Go™ Passes can be connected to a toll account. When a pass is detected by sensors on a toll facility and there are sufficient funds in your account to cover the toll, the account will be debited. This type of account can be used on all toll facilities, is quick, simple and offers you the lowest rate.

(b) Pay By Plate account - One or more license plates can be connected to a toll account. When those plates are photographed using a toll facility and there are sufficient funds in your account to cover the toll, the account will be debited. There may be facilities where you cannot use this type of account. Charges associated with this type of account are lower than Pay By Mail charges but more than Good To Go™ Pass account charges.

(c) Short Term Account - If you plan on using a toll facility a limited number of times, within a twenty-day time period, or up to seventy-two hours after use, you can set up a Short Term Account. Short Term Accounts only last twenty days and funds cannot be added after the initial amount is used. Short Term Accounts require you to identify the license plate(s) that you want tied to the account.

(3) All pass and Pay By Plate accounts can be set up to be replenished automatically or manually. The account will remain in place unless closed by the account holder or by WSDOT for lack of sufficient funds or lack of activity. Accounts set up online must be registered for automatic replenishment.

(4) A vehicle can only be connected to one account at any one time.

WAC 468-305-125 Is there a way for me to pay the toll after I drive on a toll facility before I get a toll bill? If you use a toll facility and do not have an account, tolls may be paid by opening an account or, if you have insufficient funds in your account to cover the toll, tolls can be paid by calling the customer service center within seventy-two hours of using the toll facility. A Short Term Account can also be opened up to seventy-two hours after using a toll facility.

WAC 468-305-131 What happens when I use a toll facility but do not have an account or I have insufficient funds in my account? (1) If a vehicle uses a toll facility without an account, or there are insufficient funds in the account, a Pay By Mail toll charge will be assessed and a toll bill issued.

(2) A toll bill may contain one or more toll charges.

(3) Toll bills will be sent to the address where the vehicle is registered. It is the registered owner's responsibility to update their registration address with the department of licensing.

WAC 468-305-133 What should I do once I receive a toll bill in the mail? Toll charges must be paid or disputed within eighty days of using the toll facility. A first toll bill will be mailed to the registered owner. Toll charges not paid by the due date of the toll bill will receive a second toll bill and will be assessed a five dollar reprocessing fee (one fee per toll bill). If a reprocessing fee is assessed, this fee must also be paid within eighty days of using the toll facility. Toll charges can be paid online, by mail, in person at a customer service center, or by telephone.

WAC 468-305-136 What happens if I do not pay or dispute my toll charge? (1) If a toll charge is not disputed or paid within eighty days of the toll charge being incurred, the registered owner of the vehicle incurring the toll may be assessed a civil penalty. A civil penalty is defined in RCW 46.63.160(8) plus the initial toll charge and reprocessing fee.

(2) A notice of civil penalty (NOCP) will be sent by WSDOT to notify the registered vehicle owner of the civil penalty and shall include:

(a) A certification that the license plate in the photo is the license plate of the vehicle being assessed the toll;

(b) The total amount due; and

(c) Instructions for paying or disputing the NOCP.

(3) A notice of civil penalty may include information regarding one or more toll charges that were not paid and their associated civil penalties and reprocessing fees.

WAC 468-305-150 What can I do once I received a notice of civil penalty? (1) You can pay the notice of civil penalty.

(2) Payment can be made to the customer service center with cash, check, certified check, credit, debit card, or by money order. Payments can be made online, in person, by mail, or telephone.

(3) You may dispute the notice of civil penalty according to the dispute form provided with the notice.

(4) Failure to timely pay the total amount due or dispute the notice shall automatically result in liability for the amount set out in the notice, and a hold may be placed on the vehicle registration renewal. Unpaid amounts may also be transferred to a collection agency.
Good To Go!

WAC 468-305-152 What can I do if I dispute my tolls, fees and/or civil penalty? A customer may dispute the toll charges to a toll account or in a toll bill. (b) Credit card or branded debit card. You must designate a credit card or branded debit card to be used for replenishment, and designate the payment amount to be used. The automatic replenishment amount can be raised by the customer but cannot be lowered online. The customer can call a customer service representative to lower the replenishment amount but it cannot be lowered below the WSDOT established minimum replenishment amount. The automatic replenishment is not available on unregistered accounts.

2) Manual account replenishment. If you choose to manually replenish your account, you are responsible for monitoring your account balance and making deposits as needed to maintain a positive balance sufficient to cover toll charges.

WAC 468-305-316  What happens if my payment does not go through when opening or replenishing an account? (1) Opening an account. If your payment cannot be processed (if the initial payment failed during account establishment), the account will not be opened unless another form of payment is tendered and cleared. If the payment was not submitted in person (the ACH or bank card payments received by mail or fax), the CSC will attempt to notify the customer within three days to provide another form of payment.

(2) Replenishing an account. If your payment cannot be processed to automatically replenish your account, the CSC shall attempt to resubmit the payment request a second time. If your payment does not go through and your account goes negative, you may receive a toll bill(s) for any toll transactions that occur while your account was negative.

WAC 468-305-320  What are the various statuses that my account could be in? (1) A toll account may be designated with one of the following statuses:

(a) Proposed. An account is in this status prior to becoming active.

(b) Active. An account is considered active if it is funded and eligible to receive toll transactions.

(c) Closed. An account may be closed upon a customer's written request or by the customer service center if there is a lack of sufficient funds or after twenty-four months of inactivity. Any remaining balance will be refunded to the customer.

(d) Suspended. An account may be suspended for up to twenty-four months at the request of the customer. Transactions and payments cannot post to a suspended toll account.

(2) The CSC will not allow a customer to close an account with a negative balance and reopen a new account. The CSC will notify the customer of the amount due, in writing, when an attempt is made to close an account with a negative balance. Unpaid balances on a toll account may be forwarded to a collections agency.

(3) If an account is suspended, closed or has insufficient funds to cover a toll transaction, the customer will receive a Pay By Mail toll bill for any transactions that do not post to the account.

(4) If funds are available on the account at the time of closure, the customer will be refunded the balance, minus any outstanding tolls and fees.

WAC 468-305-330  How can I get a refund if I close my Good To Go!™ account? When you close your toll account, you may request a refund by mail or in person if you have a registered toll account. Account closure forms may be obtained online, in person or by calling the customer service center. Any outstanding fees or tolls will be deducted from the account balance prior to issuing an account refund. Refunds shall be issued within fifteen days from receipt of the completed account closure form. Refunds shall be made in the form of the original payment, when possible. For example, if deposit was made by credit card, the refund would be credited to the same credit card.

For accounts that cannot be refunded electronically, the customer will be issued a check by WSDOT to the account's last recorded mailing address. Refunds will not be issued to unregistered pass accounts.

WAC 468-305-340  In what order will my payment be applied to what I owe in toll charges? The CSC will apply each customer payment in the following order:

(1) Any outstanding nonsufficient funds fees or dishonored check fees.

(2) Payment shall be applied to the oldest outstanding unpaid toll transaction based on transaction posting date and time, unless otherwise directed by customer.

(3) For each toll transaction, payment will be applied first to the administrative fees then to the toll transaction amount.
