SEC. 8. The board of directors elected at the biennial election shall hold office for two years from the second Monday in January next succeeding their election and until the election and qualification of their successors. Before entering upon the duties of their office the directors shall take and subscribe to an oath that they will faithfully and impartially and to the best of their ability perform the duties of directors of said district.

SEC. 9. None but qualified electors residing within the said district shall be eligible to hold the office of director. In case of a vacancy in the membership of the board of directors, such vacancy shall be filled by appointment by the remaining members of the board, and such appointee shall hold the office until the next general election for the election of directors and until his successor is elected and qualified.
Sec. 10. The board of directors elected at the first election held under the provisions of this act shall meet on the second Monday following the election and organize the said board, elect a president from their number, and appoint a secretary who shall hold his respective office during the pleasure of the board of directors.

Sec. 11. Sec. 12. Regular meetings of the board shall be held at such times as the board may designate. Special meetings may be held whenever a majority of the board deems it advisable, but no special meeting shall be held unless personal notice is given to all the members of the board of the time and place of meeting. All meetings of the board must be public, and three members shall constitute a quorum for the transaction of business, but on all questions requiring a vote, there shall be a concurrence of at least three members of said board.

Sec. 13. For the purpose of carrying into effect the provisions of this act, the board of directors are empowered to levy a tax upon the taxable property within the district, in the manner hereinafter provided, and they are authorized when directed by a vote of the people of the district in the manner hereinafter specified to sell the bonds of the district to raise funds to carry on the work. Sec. 14. Whenever the board of directors deem it necessary or expedient to raise money for the purposes specified in section 13 of this act, they shall call a special election to
determine whether the district shall issue bonds. At such election there shall be submitted to the electors of said district possessing the qualifications prescribed in this act the question whether or not the bonds of said district in the amount so determined shall be issued. Notice of such election must be given by posting notices in three public places in each precinct in said district for at least twenty days, and also by publication of such notice in some newspaper published in the county where the district is situated and having a general circulation therein, for at least three successive weeks. Such notice must specify the time of holding the election and the amount of bonds proposed to be issued. Said election must be held and the result thereof determined and declared in all respects as nearly as practicable in conformity with the provisions of this act applicable to the holding of elections for the election of directors. Provided, that no informality in conducting such election shall invalidate the same, if the election shall have been otherwise fairly conducted. At such election the ballots shall contain the words "Bonds, Yes" and "Bonds, No," or words equivalent thereto. If a majority of the votes cast are "Bonds, Yes," the board may then issue bonds in the amount authorized. If the majority of the votes cast are "Bonds, No," the result shall be entered in the records of the board, but no bonds shall be issued unless a majority vote is cast in favor of such issuance. Whenever thereafter said board, in its judgment, deems it for the best interests of the district that the question of the issuance of bonds for said amount or any amounts shall be submitted to said electors, it shall so declare said record in its minutes and may thereupon submit such questions to said electors in the same manner and with like effect as at such previous election. Said bonds shall be payable in gold coin of the United States and shall be issued in denominations of not less than one hundred or more than one thousand dollars, shall be numbered from one up consecutively, shall bear the date of their issue, shall be payable not more than twenty years from date, and redeemable at any time after the expiration of ten years; shall bear interest not exceeding six per cent. per annum, payable semi-annually, with interest coupons attached, and the principal and interest

Sec. 15. The board may sell the bonds authorized to be issued, from time to time, in such quantities as may be necessary and most advantageous to raise money for the purpose mentioned in section 13 of this act. The board shall at a meeting, by resolution, declare its intention to sell a specified amount of bonds and the day and hour and place of sale, and shall cause publication thereof at least twenty days in such newspapers as they may deem most advantageous. The notice shall state that sealed proposals will be received by the board at their office, for the purchase of the bonds, till the day and hour named in the resolution. At the time appointed the board shall open the proposals and award the purchase of the bonds to the highest responsible bidder, and may reject all bids. Provided, however, That the board shall have the right to sell such bonds, or any of them, at private sale whenever they deem it for the best interest of the district so to do. Provided, further, That such bonds shall not be sold for less than their face value.

Sec. 16. Said bonds and interest thereon shall be paid by revenue derived from any annual assessment upon all the taxable property of the district, and all taxable property within the district shall be and remain liable to be assessed for such payments as hereinafter provided.

Sec. 17. The total indebtedness authorized to be incurred under the provisions of this act shall never exceed two and one half per cent. of the taxable property within the district as ascertained by the last assessment for State and county purposes, and any debts contracted in excess of such limitation shall be invalid and void.

Sec. 18. Five years before said bonds shall become due the directors of the district are authorized and required annually to levy an assessment sufficient to liquidate said
bonds at maturity, such assessment shall be levied and collected as other taxes authorized by this act are collected, but the money arising therefrom shall be retained by the county treasurer until the maturity of bonds. Whenever the treasurer has upon hand two thousand dollars of the special fund for the payment of said bonds, he shall notify the holders of such bonds for the presentation to him of the bonds issued under the provisions of this act as he may be able to pay with the funds in his hands, to be paid in numerical order of said bonds, beginning with number one, until all of said bonds are paid: Provided, That thirty days after the giving of such notice if said bonds are not presented the interest thereon shall cease.

Sec. 19. It shall be the duty of the directors annually to levy an assessment sufficient for the payment of interest coupons hereinbefore mentioned as they fall due.

Sec. 20. The board of directors shall determine the amount to be raised to pay the interest on the bonds outstanding, and whatever sum the board deems advisable to raise for the purpose mentioned in section 13 of this act, and when necessary to provide for a sinking fund and shall determine the rate necessary to raise such sums based upon the totals of the taxable property within the district as equalized and determined by the county board of equalization. The rate so determined shall be certified to the County Auditor of the county in which the district is located, and by him extended upon the tax rolls of the county, in a separate column. The rate so determined shall in no event exceed two and one half mills on the dollar on the taxable property within the district for any one year. The Auditor shall certify the same to the County Treasurer as other taxes are certified; and the Treasurer shall collect the taxes, keeping them separate from other taxes, and shall pay therefrom said interest coupons as they mature and said bonds as they may be called.

Sec. 21. All of the laws governing the assessment and collection of taxes for general State and county purposes shall apply to the assessment and collection of taxes levied under the provisions of this act, except that the taxes collected under the provisions of this act shall be kept separate, and separate certificates of delinquency issued. The cer-
tificate of delinquency issued for delinquent taxes levied under this act may be foreclosed as other certificates, and the general law applicable thereto shall govern the certifi-
cates issued for taxes delinquent under this act.

Sec. 22. The board of directors shall receive no salary for services performed under the provisions of this act, nor shall they be interested directly or indirectly in any con-
