An Act relating to cities of the first class and prohibiting therein the diversion of revenues secured for special purposes to other funds or uses, and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. That whenever any city of the first class shall levy and collect moneys by sale of bonds or otherwise for any local improvement by special assessment therefor, the same shall be carried in a special fund to be used for said purpose, and no part thereof shall be transferred or diverted to any other fund or use: Provided, however, That any funds remaining, after the payment of the whole cost and expense of such improvement in excess of the total sum required to defray all the expenditures by the city on account thereof, shall be refunded on demand to the amount of such overpayment.

Sec. 2. That whenever the issuance or sale of bonds or other obligations of any city of the first class shall have been authorized by vote of the people, as provided by any existing charter or laws, for any special improvement or purpose, the proceeds of the sale of such bonds including premiums if any shall be carried in a special fund to be devoted to the purpose for which such bonds were authorized,
and no portion of such bonds shall be transferred or diverted to any other fund or purpose: Provided, That nothing in this act shall be held to prevent the transfer to the interest and redemption fund of any balance remaining in the treasury after the completion of such improvement or purpose so authorized: And provided, further, That nothing in this act shall prevent the city council from disposing of such bonds, or any portion thereof, in such amounts and at such times as it shall direct, but no such bonds shall be sold for less than par.

SEC. 3. Any ordinance, resolution, order or other action of any city council, board or officer, and every city warrant or other instrument in writing made in violation of any of the provisions of this act shall be void, and every officer, agent or employee of any such city, or member of the city council, or other board thereof, and every private person or corporation who shall knowingly commit any violation of this act, or knowingly aid in such violation, shall be liable to the city concerned for all moneys so transferred, diverted or paid out, which liability shall also attach to and be enforceable against the official bond (if any) of any such officer, agent, employee, member of city council or board.
