Be it enacted by the Legislature of the State of Washington:

Section 1. Whenever any city, excepting cities of the first class, or town owning or operating any public utility mentioned in section 8005 of Remington and Ballinger's Annotated Codes and Statutes of Washington, shall have heretofore issued and has outstanding any warrants drawn upon any special fund or funds derived from the earnings of and maintained for such public utility, issued for any extension to, or betterment, or enlargement of the plant or system of such utility, or issued for the maintenance or operating expenses of such utility by reason of the fact that the funds derived from the earnings of such utility have been expended in constructing such extensions, betterments or enlargements, and the said extension to, bet-
terment or enlargement shall not have been fully author-
ized by the electors of said city or town, said warrants
and the indebtedness for which the same were issued, may

city or town, or bonds payable out of the gross revenues
of such public utility issued and exchanged therefor, or
sold and the proceeds applied to the payment thereof in
the manner hereinafter provided.

Sec. 2. The council, commission or other legislative
authority of such city or town shall provide by ordinance
for the submission of the questions of validating, ratifying
and funding such warrants and indebtedness, and the issue
and the exchange or sale of bonds therefor to the qualified
voters of said city or town in the same manner prescribed
in section 8006 of Remington and Ballinger's Annotated
Codes and Statutes of Washington, for submitting the
question of incurring indebtedness. If a general indebted-
ness is authorized by the qualified voters, general city or
