Be it enacted by the Legislature of the State of Washington:

SECTION 1. The mayor, clerk or comptroller and three members of the common council of every incorporated city or town in the State of Washington, who, in addition to the duties now required of them, are hereby created and constituted, together with six (6) members from the fire department of such city or town, a board of trustees of the "Firemen's Relief and Pension Fund" of the fire department of such incorporated city or town, and shall provide for the disbursement of such relief and pension fund, and shall designate the beneficiaries thereof, as hereinafter directed, which board shall be known
as the board of trustees of the Firemen's Relief and Pension Fund, and upon the taking effect of this act, the fire department of each such incorporated city or town shall elect by ballot, six (6) members of such fire department, two (2) of whom shall serve for the term of one (1) year, two (2) for the term of two (2) years, and two (2) for the term of three (3) years, and thereafter such fire department shall, each year, elect by ballot two (2) of its members to serve for the term of three (3) years upon said board of trustees: Provided, that in incorporated cities and towns having no council three (3) persons holding office therein, other than the mayor and clerk, shall be elected as trustees of the Firemen's Relief and Pension Fund of such city or town by the other members of the board of trustees, and: Provided further, that the boards of trustees of said fund, now acting in any city or town shall continue to act until their term has expired: Provided, this act shall not apply to any city or town where no paid fire department is maintained.

Sec. 2. The mayor shall be ex-officio chairman, the city clerk or comptroller shall be ex-officio secretary, and the city treasurer shall be ex-officio treasurer of said board. The secretary shall report annually, at the time of making his annual report as city clerk, the condition of the firemen's relief and pension fund, and the receipts and disbursements on account of the same, with a full list of the beneficiaries of said fund, and the amount paid them.

Sec. 3. The board herein provided for shall hold monthly meetings on or before the 15th day of each and every month of each year, upon such dates as may be agreed upon by the board of trustees, and upon the call of its chairman at such other times as the chairman deems necessary: It shall issue orders, signed by its chairman and secretary, to the persons entitled thereto, of the amount of money
ordered paid to such persons from such fund by said board, which order shall state for what purpose such payment is to be made. It shall keep a record of its proceedings, which record shall be public. It shall, at each monthly meeting, send to the treasurer of such city or town, a written or printed list of all persons entitled to payment from the fund herein provided for, stating the amount of such payment and for what granted, which list shall be certified to and signed by the chairman and secretary of such board, attested under oath.

The treasurer of such city or town shall therefore enter a copy of said list upon a book to be kept for that purpose, which shall be known as "The Firemen's Relief and Pension Fund Book", and the said board shall direct payment of the said amounts to the persons named therein. A majority of all the members of said board herein provided for shall constitute a quorum and have power to transact business: *Provided, however,* no money belonging to said fund shall ever be disbursed for any purpose without a vote of a majority of all the members of the board of trustees, which shall be taken by the yeas and nays, and the vote of each member so voting entered upon the proceedings of the board.

Sec. 4. Whenever any person, at the taking effect of this act, or thereafter, shall have been duly appointed and has served for a period of twenty years or more, ten years of which shall have been consecutive immediately preceding the end of such period, as a member in any capacity or any rank whatever of the regularly constituted fire department of any such city or town which may be subject to the provisions of this act, the board shall be empowered to order and direct that such person may, after becoming fifty-five years of age, be retired from such fire department, and the board shall
retire any member so entitled as hereinabove pro-
vided for, upon his written request for same, and
such member so retired shall be paid from such fund
a monthly pension equal to one-half the amount of
salary attached to the rank which he may have held
in said fire department for one year next preceding
the date of such retirement. Upon the death of
any such retired member one-half of the amount of
the pension paid during his life, shall be continued
and paid to his widow, who was his wife at the
time of his retirement, during her life, or until she
shall again marry, and if there be no such widow,
then to his minor child or children until such child
or children shall have arrived at the age of eighteen
years, or shall prior thereto have married. Any
such widow or child or children of any such retired
member at the time of the taking effect of this act,
shall come under its provisions.

Sec. 5. Whenever any person, when serving as
a fireman in any such city or town, shall become
physically or mentally disabled while in the per-
formance of, or the result of his duty or duties as
defined in this act, said board of trustees may, upon
his written request, or without such request if it
deems it for the good of said fire department, retire
such person from active service, and if so retired,
shall order and direct that he shall be paid from
such fund a monthly pension equal to one-half the
amount of salary attached to the rank which he
may have held in such fire department immediately
preceding such retirement: Provided, that when-
ever such disability shall cease such pension shall
cease, and such retired person shall be restored to
active service in the same rank he may have held at
the time of his retirement: Provided, further, upon
the death of any member so retired, one-half of the
amount of pension allowed and paid to him during
such retirement shall be continued and paid to his
widow, who was his wife at the time of his retirement, during her life as hereinafter provided, or if there be no such widow, then to his minor child or children, until they shall have reached the age of eighteen years: Provided, however, if such widow or child or children shall marry, then such person so marrying shall thereafter receive no further pension from said fund.

SEC. 6. No person shall be retired under this act, or receive any pension from said fund, except for old age, unless there shall be filed with the board of trustees, certificate of his disability or cause for retirement which certificate shall be subscribed and sworn to by said person, or members of the board of trustees, and by the firemen’s relief and pension fund physician and attending physician if there be one, and the board may require other evidence of disability or cause before ordering such retirement and payment of pension as provided for in this act.

SEC. 7. Whenever any member of the fire department of any city or town shall, on account of temporary physical disability, the result of accident in consequence of the performance of his duty or duties, as defined in this act, be confined to any hospital or to his bed, or unable to perform his duties as such member on account of such temporary disability and shall require nursing and medical care, the board of trustees shall provide a professional nurse and pay all necessary hospital and professional nursing expenses of such member out of the said fund, and the salary of such member shall continue and shall be paid out of said fund while he is necessarily confined to such hospital or bed, or unable to perform his duties as a fireman on account of such temporary disability for a period not exceeding six months, after which period the other provisions of this act shall apply. Such pulmonary diseases as pneumonia and tuberculosis when di-
rectly traceable to exposure while in active fire duty, shall be considered the same as accident causing physical disability and not under sickness as hereinafter provided for. If, however, the pension fund physicians after an examination shall decide the member will be incapacitated for a period extending beyond six months, then, in that event the board shall have the power and authority to retire the member after the first month: Provided, further, that in cases of accident as herein defined, disabling the member, he shall receive his full salary for the period of six months, even though such member is sooner retired, after six months, the provisions of section 5 shall apply. If a member shall become temporarily disabled on account of sickness caused by becoming wet or from exposure, the result of the performance of his duty or duties as herein defined, he shall be entitled to the benefits and be governed by the provisions in case of disability by accident, except he shall receive but one-half of his regular salary: Provided, if the pension fund physicians after an examination shall decide the member will be incapacitated for a period extending beyond six months, then in that event, the board of trustees shall have the power and authority to retire such member after the first month in accordance with section 5 of this act.

SEC. 8. Whenever any member of the fire department of any city or town shall lose his life, or die from the direct result of injuries received while in the performance of his duty or duties as herein defined, leaving a widow, or child or children under the age of eighteen years, then, upon satisfactory proof of such facts made known to the board of trustees, said board shall order and direct that a monthly pension equal to one-half the amount of the salary attached to the rank which such member
held in said fire department at the time of his death, shall be paid to his widow during her life, or if there be no widow, then to his minor child or children until they shall have reached the age of eighteen years, or if there be no children then to his parents if it be proven to the satisfaction of the board of trustees that said parents are dependent upon said son for their support: Provided, if such widow, child or children or said parents shall marry, then such person so marrying shall thereafter receive no further pension from said fund.

Sec. 9. Whenever any member regularly and actively employed in the fire department of any such city or town shall, after one year of service in said fire department die from natural causes, or accident not caused in the performance of his duty or duties as herein defined, and for which no pension is provided for in this act, and who has not been retired for old age or disability prior to his death, then in that event his widow, or children under eighteen years of age, or if there be no widow or children, then his parents if it be proven to the satisfaction of the board of trustees, that said parents are dependent upon said son for their support, shall be entitled to the sum of one thousand dollars ($1,000.00) from said fund: Provided, in case of death as above stated before one year of service an amount proportionate to the time of service shall be paid to above mentioned beneficiaries: Provided, if the member at the time of his death had served fifteen years in the fire department, ten years of which shall have been continuous immediately prior to his death, his beneficiaries herein named shall have the option on request, to receive a monthly pension equal to one-quarter of the amount of salary received by such member at the time of his death until such time as the beneficiaries shall marry or the children become eighteen years of age, when the pension shall cease.

When any person who shall have received any benefits from said fund shall be convicted of any felony, or shall become an habitual drunkard, or shall fail to report himself for examination for duty as required herein, unless excused by the board, or shall disobey the orders or requirements of said board under this act, then such board of trustees shall order and direct that such pension or allowances that may have been granted to such person shall immediately cease, and such person shall receive no further pension or allowance or benefit under this act, but in lieu thereof the said pension or allowance or benefit may at the discretion of the board be paid to those immediately dependent upon him, or to his legally appointed guardian.

SEC. 12. No person who has resigned or been dismissed from such fire department, or who refuses to comply with the orders of the board of trustees, shall be deemed entitled to any relief or pension from said fund, except in cases where notice of, or claim for disability has been filed with the board before such resignation or dismissal.

It shall be the duty of the assistant secretary to perform all clerical work and such duties as prescribed by the board of trustees, but he shall have no vote unless he be a member of the board of trustees; the board may pay such assistant secretary such salary as they deem just from the fund, and such salary shall be in addition to any salary he may receive from the city or town as regular employee, or any pension allowed to any retired or pensioned member from the pension fund.
