CHAPTER 181.
[H. B. 118.]

IRRIGATION DISTRICT ASSESSMENTS.

An Act relating to assessments of irrigation districts and amending Sections 7442, 7443 and 7444 of Remington's Compiled Statutes.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. That section 7442 of Remington's Compiled Statutes be amended to read as follows:

Section 7442. On or before the first day of November in each year to and including the year 1923, and on or before the fifteenth day of January in the year 1925, and each year thereafter the secretary must deliver the assessment roll or the respective segregation thereof to the county treasurer of each respective county in which the lands therein described are located, and said assessments shall on that date become due and payable. Within twenty days thereafter the respective county treasurers shall each publish a notice in a newspaper published in their respective counties in which any portion of the district may lie, that said assessments are due and payable at the office of the county treasurer of the county in which said land is located and will become delinquent at 5 o'clock in the afternoon of the thirty-first day of December next thereafter in each
year to and including the year 1923 unless sixty per cent thereof shall then have been paid, and that if this is allowed to become delinquent, a penalty of five per cent thereof will be added to the amount thereof, and if sixty per cent thereof be paid on or before the said thirty-first day of December, the remainder thereof will not become delinquent until April 30th next following: Provided, That beginning with the year 1925 and each year thereafter, said notice shall state that said assessments will become delinquent at 5 o'clock in the afternoon of the thirty-first day of May next thereafter unless fifty per cent thereof shall then have been paid, and that if thus allowed to become delinquent shall bear interest at the rate of twelve per cent per annum, and if fifty per cent thereof be paid on or before the said thirty-first day of May, the remainder thereof will not become delinquent until November 30th next following; and that if fifty per cent thereof be not paid before 5 o'clock in the afternoon of May thirty-first next thereafter, the whole assessment shall bear interest at twelve per cent per annum until paid; and that if fifty per cent thereof is paid on or before May thirty-first, but the remaining fifty per cent is not paid on or before November 30th next thereafter a penalty of five per cent shall be added to said remaining fifty per cent and the said remaining fifty per cent shall also bear interest at the rate of twelve per cent per annum until paid; and that if the whole of said assessment is not paid on or before November 30th next thereafter, a penalty of five per cent of the amount of said assessment shall be added in addition to the said twelve per cent interest. The notice shall be published once a week for four successive weeks and shall be posted within said period of twenty days in some public place in said district.

Upon receiving the assessment roll, the county treasurer shall prepare therefrom an assessment
book in which shall be written the description of the land as it appears in the assessment roll, the name of the owner or owners where known, and if assessed to the unknown owners, then the word "unknown," and the total assessment levied against each tract of land. Proper space shall be left in said book for the entry therein of all subsequent proceedings relating to the payment and collection of said assessment.

Upon the payment of any assessment the county treasurer must enter the date of said payment in said assessment book opposite the description of the land and the name of the person paying and give a receipt to such person specifying the amount of the assessment and the amount paid with the description of the property assessed. On all assessments levied prior to the time this amendatory act takes effect the county treasurer shall collect the interest and penalty upon delinquent assessments in accordance with the law in effect at the time such assessments were levied; and on all assessments levied after this amendatory act takes effect it shall be the duty of the treasurer to collect the interest and penalty provided by this amendatory act.

It shall be the duty of the county treasurer of the county in which any land in the district is located to furnish upon request of the owner, or any person interested, a statement showing any and all assessments levied as shown by the assessment roll in his office upon land described in such request, and all statements of general taxes covering any land in the district shall be accompanied by a statement showing the condition of irrigation district assessments against such lands: Provided, That the failure of the county treasurer to render any statement herein required of him shall not render invalid any assessments made by any irrigation district or proceedings had for the enforcement and collection of irrigation district assessments pursuant to this act.
It shall be the duty of the county treasurer of any county, other than the county in which the office of the board of directors is located, to make monthly remittances to the county treasurer of the county in which the office of the board of directors is located covering all amounts collected by him for the irrigation district during the preceding month.

Sec. 2. That section 7443 of Remington's Compiled Statutes be amended to read as follows:

Section 7443. On or before the first day of February in each year to and including the year 1924, the county treasurer of the county in which the land is located shall cause to be posted the delinquency list, which must contain the names of the persons and a description of the property delinquent, and the amount of the assessments and costs due, opposite each name and description, in all cases where payment of sixty per cent (60%) of the assessment has not been made on or before the thirty-first day of December, next preceding; likewise on or before May 15th in each year to and including the year 1924, he must cause to be posted the delinquency list of all persons delinquent in the payment of the installment of forty per cent (40%) as in this act provided. On or before the fifteenth day of December beginning with the year 1925 and each year thereafter, he must post the delinquency list of all persons delinquent in the payment of said assessment or any part thereof as in this act provided. He must append to and post with the delinquency list a notice that unless the assessment delinquent, together with costs and percentages, are paid the real property upon which such assessments are a lien will be sold at public auction. The said notice and delinquent list shall be posted at least twenty days prior to the time of sale. One copy thereof shall be posted in the office of the county treasurer making the collection, one copy in the
office of the board of directors and three copies in public places in each of the established voting precincts within the portion of said district lying in said county. Concurrent as nearly as possible with the date of the posting aforesaid, the said county treasurer shall publish a list of the places where said notices are posted, and in connection therewith a notice that unless delinquent assessments, together with costs and percentages, are paid, the real property upon which such assessments are a lien will be sold at public auction. Such notices must be published once a week for three successive weeks in a newspaper of general circulation published in the county within which the land is located. But said notice of publication need not comprise the delinquent list where the same is posted as herein provided. Both notices must designate the time and place of sale. The time of sale must not be less than twenty-one nor more than twenty-eight days from date of posting and from the date of the first publication of the notice thereof, and the place must be at some point designated by the treasurer.

Sec. 3. That section 7444 of Remington’s Compiled Statutes be amended to read as follows:

Section 7444. The treasurer of the county in which the land is situated shall conduct the sale of all lands situated therein and must collect in addition to the assessments due as shown on the delinquent list, interest at the rate of twelve per cent per annum from date of delinquency and five per cent of the amount thereof if no part of said assessment as provided in section 1 of this act was paid on or before November 30th, or if fifty per cent thereof was paid on or before May thirty-first, twelve per cent interest per annum and the additional five per cent penalty on the fifty per cent of said assessment remaining unpaid. On the day fixed for the sale, or some subsequent day to which he may have post-
poned it, of which postponement he must give notice at the time of making such postponement and between the hours of 10 o'clock a. m. and 3 o'clock p. m. the county treasurer making the sale must commence the same beginning at the head of the list, and continuing alphabetically or in the numerical order of the parcels, lots or blocks, until completed. He may postpone the day of commencing the sale, or the sale from day to day, by giving oral notice thereof at the time of postponement, but the sale must be completed within three weeks from the first day fixed.

Passed the Senate March 12, 1929.
