Governor's
budget.

Section 10. Whenever an emergency shall arise necessitating an expenditure for the preservation of peace, health or safety, or for the carrying on of the necessary work required by law of any department for which insufficient or no appropriations have been made, the head of such department shall submit to the governor, duplicate copies of a sworn statement, setting forth the facts constituting such emergency and the estimated amount of money required therefor. If the governor shall approve such estimate in whole or in part, he shall endorse on each copy of such statement his approval, together with a statement of the amount approved and transmit one copy to the head of the department and thereby authorize the head of such department to incur such liability. Such authorization and full compliance with its provisions shall relieve the person incurring any such liability from personal liability or penalty therefor. The total amount of such liabilities outstanding on December 1st of the year preceding the biennial session of the legislature shall be included in the governor's budget as a deficiency, and provisions for an appropriation therefor made in his budget bill: *Provided,*

That the total amount of such liabilities in the biennium ending March 31, 1935, shall not exceed the sum of four hundred fifty thousand dollars (\$450,000), and that in no biennium thereafter shall the total amount of such liabilities exceed the sum of two hundred fifty thousand dollars (\$250,000).

Limitation
of liabilities.
