to assure full local compliance with the terms of the Federal grants.

Sec. 3. Such aid shall be granted in such amount as will, when added to the income of the family, provide dependent child or children with a reasonable subsistence compatible with decency and health. The amount of aid to be granted in each case shall be determined upon the basis of need and in view of the particular facts and circumstances of each case.

Sec. 4. To be eligible for aid granted under this act, it shall be established to the satisfaction of the department of social security that the parent has been a resident of the state for one year, or that the child of such family has resided in this state for a period of one year immediately preceding application for such aid, or was born within the state within one year immediately preceding the application if his mother has resided in the state for one year immediately preceding his birth.

Sec. 5. The department of social security, through and by means of the division for children, is hereby designated as the responsible agency for the administration of the aid provided by this act, and it is authorized and directed to formulate in detail and administer the plan established by this act in such manner that allotments or grants from the Federal government may be made available for the support of dependent children. **Sec. 7. Services to Crippled Children.** The department of social security, through and by means of the division for children, shall have the power: To establish and administer a program of services for children who are crippled or who are suffering from conditions which lead to crippling, which shall provide for developing, extending, and improving services for locating such children, and for providing for medical, surgical, corrective, and other services and care, and facilities for diagnosis, hospitalization, and after care; supervise the administration of those services, included in the program, which are not administered directly by it; extend and improve any such services, including those in existence on the effective date of this act; cooperate with medical, health, nursing, and welfare groups and organizations, and with any agency of the state charged with the administration of laws providing for vocational rehabilitation of physically handicapped children: To cooperate with the Federal government, through its appropriate agency or instrumentality in developing, extending, and improving such services; and receive and expend all funds made available to the department by the Federal government, the state or its political subdivisions or from other sources, for such purposes.

or services may appear before the board of county commissioners in the county in which he resides, relative to said complaint. If such complainant is still dissatisfied, he may appeal to the director, and upon such appeal an opportunity shall be granted for a hearing.

Sec. 9. Any person claiming benefit under this act shall file an application with the local administrative board in the county of residence. The local administrative board shall fully establish the facts set forth in the application and any other facts it deems necessary. The department shall have power to issue subpoenas for witnesses, compel their attendance and examine them under oath.

Sec. 10. All aid granted under this act shall be inalienable by any assignment or transfer and shall be exempt from levy or execution under the laws of the state.

Sec. 11. The supervisor of the division for children shall make a detailed report to the director of social security within ninety days after the first of each calendar year showing all appropriations received and how the same have been expended, and covering its activities and accomplishments for the preceding year, and making recommendations therein for the further improvement of any of the provisions of this act.

The department of social security, through and by means of the division for children, is hereby empowered and authorized to cooperate with the Federal Social Security Board and the United States Children's Bureau in any reasonable manner as may be necessary to qualify for Federal assistance for aid to dependent children, child welfare services and services to crippled children in conformity with the provisions of the Social Security Act; including the making of such reports in such
form and containing such information as the Federal government, or the proper agency having authority in the premises, may from time to time require, and comply with such provisions as the Federal government may from time to time find necessary: Provided, further, Nothing in this act shall be construed as authorizing any state official, agent, or representative, in carrying out any of the provisions of this act, to take charge of any child over the objection of either of the parents of such child, or of the person standing in loco parentis to such child.
