Said notice shall contain the names of two electors of the county owning land in the district as judges of said election and the name of one elector of the county owning land in the district as inspector thereof, the same to be chosen by said Board of Commissioners. The Board may declare the entire district as one precinct and shall designate in the notice of election the place of voting; if the district is large, the Board may designate in the notice of election the number and places of voting. Said Board of Commissioners shall be a canvassing board to canvass the votes of each election, and they shall meet the day following such election and canvass said votes and declare the result thereof and issue certificates of election.

The cost of said improvement shall be especially assessed against the lands within such local improvement district in proportion to the benefits accruing thereto, and shall be levied and collected in the manner provided by law for the levy and collection of land assessments or toll assessments or both such form of assessments.

All provisions in this chapter contained for the assessment, equalization, levy and collection of assessments for irrigation district purposes shall be applicable to assessments for local improvements except that no election shall be required to authorize said improvement or the expenditures therefor or the bonds issued to meet the cost thereof. Assessments when collected by the County Treasurer for
the payment for the improvement of any local improvement district shall constitute a special fund to be called "Bond Redemption Fund of Local Improvement District No.—" and bonds issued under this act shall be eligible for disposal to and purchase by the Director of the Department of Conservation and Development under the provisions of the State Reclamation Act.

The cost or any unpaid portion thereof, of any such improvement, charged or to be charged or assessed against any tract of land may be paid in one payment by the owner or any one acting for him, under and pursuant to such rules as the Board of Directors may adopt, and all such amounts shall be paid over to the County Treasurer who shall place the same in the appropriate fund. No such payment shall thereby release such tract from liability to assessment for deficiencies or delinquencies of the levies in such improvement district until all of the bonds, both principal and interest, issued for such local improvement district have been paid in full.

The receipt given for any such payment shall have the foregoing provision printed thereon. The amount so paid shall be included on the annual assessment roll for the current year, provided, such roll has not then been delivered to the Treasurer, with an appropriate notation by the Secretary that the amount has been paid.
