PREFACE

This bound volume edition contains acts passed at the 1950 Special Session, 1951 Regular Session and 1951 Special Session. In a sense, this edition is three separate volumes under one cover in that each session has its own chapter and page numbers, topical index and index to amendments. A colored insert has been placed to indicate the conclusion of one session and the start of another.

The Extraordinary Session of the Thirty-first Legislature of the State of Washington (1950 Special Session) convened at Olympia on the 17th day of July, 1950, A. D., at the hour of 11:00 A. M., daylight saving time, at the call of Governor Arthur B. Langlie. The special session adjourned four days later sine die on July 21, 1950.

Twenty measures were passed and signed into law and all but four contained emergency clauses. All measures containing emergency clauses took effect upon approval of the Governor with the exception of Chapters 5 and 15, Laws of 1950. Chapter 5 relating to revenue and taxation took effect August 1, 1950, while Chapter 15 relating to license fees for trucks and trailers took effect December 31, 1950.

The four measures not containing emergency clauses, namely: Chapter 10 (public assistance records), Chapter 12, (veterans' bonus bonds), Chapter 13 (veterans' bonus payment to survivors) and Chapter 19 (extermination of rodents) took effect ninety days after adjournment, or 12:00 o'clock midnight, October 19, 1950.

A comparable explanation of the effective dates of acts passed at the 1951 Regular and 1951 Special legislative sessions appears as a preface to each respective session in this book.

Section 25-a. No steamboat company shall hereafter operate any vessel or ferry for the public use for hire between fixed termini or over a regular route upon the waters within this state, including the rivers and lakes and Puget Sound, without first applying for and obtaining from the Washington Public Service Commission a certificate declaring that public convenience and necessity require such operation: Provided, That no certificate shall be required for a vessel primarily engaged in transporting freight other than vehicles, whose gross earnings from the transportation of passengers and/or vehicles, are not more than ten per cent (10%) of the total gross earnings of such vessel: Provided, That nothing herein shall be construed to affect the right of any county within this state to construct, condemn, purchase, operate or maintain, itself or by contract, agreement or lease, with any person, firm or corporation, ferries or boats across or wharves at or upon the waters within this state, including rivers and lakes and Puget Sound, provided such operation is not over the same route or between the same districts, being served by a cer-
Certificate carrier, nor shall this act be construed to affect, amend or invalidate any contract entered into prior to January 15, 1927, for the operation of ferries or boats upon the waters within this state, which was entered into in good faith by any county with any person, firm, or corporation, except that in case of the operation or maintenance by any county, city, town, port district, or other political subdivision by contract, agreement, or lease with any person, firm, or corporation, of ferries or boats across or wharfs at or upon the waters within this state, including rivers and lakes and Puget Sound, the Washington Public Service Commission shall have power and authority to regulate rates and services of such operation or maintenance of ferries, boats, or wharfs, to make, fix, alter or amend said rates, and to regulate service and safety of operations thereof, in the manner and to the same extent as it is empowered to regulate a steamboat company, notwithstanding the provisions of any act or parts of acts inconsistent herewith. Upon the filing of an application the commission shall give reasonable notice to any common carrier which might be adversely affected, of the time and place for hearing on such application. The commission shall have power after hearing, to issue the certificate as prayed for, or to refuse to issue it, or to issue it for the partial exercise only of the privilege sought, and may attach to the exercise of the rights granted by said certificate such terms and conditions as in its judgment the public convenience and necessity may require; but the commission shall not have power to grant a certificate to operate between districts and/or into any territory already served by an existing certificate-holder, unless such existing certificate-holder shall fail and refuse to furnish reasonable and adequate service: Provided, A certificate shall be granted when it shall appear to the
satisfaction of the commission that such steamboat company was actually operating in good faith over the route for which such certificate shall be sought, on January 15, 1927: Provided, further, That in case two or more steamboat companies shall upon said date have been operating vessels upon the same route, or between the same districts the Washington Public Service Commission shall determine after public hearing whether one or more certificates shall issue, and in determining to whom a certificate or certificates shall be issued, the commission shall consider all material facts and circumstances including the prior operation, schedules and services rendered by either of said companies, and in case more than one certificate shall issue, the commission shall fix and determine the schedules and services of the companies to whom such certificates are issued to the end that duplication of service be eliminated and public convenience be furthered. No certificate or any right or privilege thereunder held, owned or obtained under the provisions of this act shall be sold, assigned, leased, mortgaged or in any manner transferred, either by the act of the parties or by operation of law, except upon authorization by the commission first obtained. The commission may at any time by its order duly entered after hearing had upon notice to the holder of any certificate hereunder and an opportunity to such holder to be heard, suspend, revoke, alter, or amend any certificate issued under the provisions of this act, if the holder thereof wilfully violates or fails to observe the provisions or conditions of the certificate, or the orders, rules or regulations of the commission, or the provisions of this act.

It shall be the duty of all public officers having duties to perform under this act to coordinate their efforts with the action of any Federal authority now or hereafter established by act of Congress for the purpose of facilitating voting by service voters to the end that such voters may cast their ballots with the least possible interference with the performance of their duties in the armed forces.

SEC. 8. A variation on any absent voter’s ballot cast by a service voter between the signature on the large envelope and that on the service voter’s request and/or that on the voter’s permanent registration card caused by the substitution of initials instead of the first or middle names or both shall not invalidate the ballot if the surname and handwriting are the same.

SEC. 9. Whenever an application for an absent voter’s ballot is made by a service voter, the application shall be deemed an application for an absent voter’s ballot for the primary and the election, or such of them as would be required to be held subsequent to the date of application.

SEC. 10. Any service voter may secure an absent voter’s ballot by mailing a signed request to the registration office of the county, city or town of the service voter’s residence or to the Secretary of State requesting such ballot. If the ballot request is addressed to the Secretary of State such request shall
be forwarded by such officer immediately to the appropriate registration officer. The request shall be signed by the applicant and shall state his last home address, the address to which he wishes the absent voter's ballot mailed and the facts qualifying him as a service voter.

Sec. 11. Upon receipt of a request made by or on behalf of a service voter for an absent voter's ballot, the registration officer shall immediately check his records and ascertain if the person by, or on whose behalf the request is made, is a duly registered voter as provided by Chapter 1, Laws of 1933, and amendments thereto, the registration officer shall make notation on his records to that effect. If such person is a resident of an incorporated city or precinct lying partly within and partly without such incorporated city, the registration officer, after completing such check, shall immediately forward the request to the county auditor noting thereon whether or not such person is a registered voter. If it be determined that such person is not a registered voter, the county auditor shall nevertheless send the absent voter's ballot requested, it being the intent of this section that the county auditor shall upon request send absent voter's ballots to all eligible service voters who make application therefor.

Sec. 12. In mailing absent voters' ballots to service voters, the county auditor shall send the ballot and a small envelope and letter of instructions together with a larger envelope addressed to the county auditor and upon which there shall be plainly printed a form in substantially the following language:

"DECLARATION

"I do hereby declare that I am a citizen of the United States; that I will be at least twenty-one (21) years of age on the day of the next election; that I am able to read and speak the English language; that I have been a legal resident of the State of Washington for at least one year, of the county of
SESSION LAWS, 1950.

... for at least ninety days and of the city or town... at (street and number if any) ... for at least thirty (30) days preceding such election; that I am a service voter under the laws of the State of Washington.

If possible give precinct name or number here. Dated this ... day of ... , 19...

Print Name for Positive Identification  Signature of Applicant

Article VI, section 4 of the state constitution provides: For the purpose of voting and eligibility to office, no person shall be deemed to have gained a residence by reason of his presence, or lost it by reason of his absence, while in the civil or military service of the state or of the United States, nor while a student at any institution of learning, nor while engaged in the navigation of the waters of this state or of the United States, or of the high seas.

Person making false statement in his declaration is guilty of perjury."

SEC. 13. A properly executed declaration on the larger envelope is hereby declared to be a full and complete voter's registration for the election for which it is submitted. After the declaration is fully executed the service voter shall proceed to mark the ballot; then fold it and enclose it in the smaller envelope, sealing that and enclosing it in the larger envelope which shall then be sealed and mailed to the county auditor whose name and address are printed thereon, by air mail, postage to be paid by the addressee, unless the laws of the United States provide for air mail transmission of such ballot without charge.

SEC. 14. Whenever the county auditor is requested to mail an absent voter's ballot to a service voter, he shall mail the ballot to the service voter by air mail when practicable, and, if by any law of the United States, official election ballots may be mailed without the payment of postage, he shall do so.

SEC. 15. Notwithstanding any provision of law relating to the size and weight of the ballot or the envelopes in which absent voters' ballots are sent
for either the primary or election, the Secretary of State may reduce the size and weight of the ballot. He shall furnish uniform envelopes and all forms other than ballots for use in connection with ballots for service voters, and shall reimburse the respective county auditors for expenses of mailing. Each county auditor shall, through the respective boards of county commissioners, present such expenses listed upon state voucher forms in duplicate. The Secretary of State, after the approval of said vouchers, shall then present same to the State Auditor for payment.

Sec. 16. The Secretary of State shall prepare letters of instructions to service voters and shall furnish the same to all county auditors. The county auditor shall enclose any copy of such instructions with the ballot sent to all service voters.

Sec. 17. All procedure governing the receipt and subsequent handling of absent voters' ballots shall as nearly as possible be governed by existing law but the respective time limits within which some specific act on the part of the county auditors and canvassing boards is required to be done shall not apply to absent voters' ballots cast by service voters, it being the intent of this section that every facility shall be given to such absent voters' ballots cast by service voters so that such ballots shall be counted if possible.

Sec. 18. The opening, counting and canvassing of absentee ballots cast at the September primary may begin on the day after the primary but shall not be continued after the thirteenth day subsequent to the day of the primary and the returns shall then be made immediately.

Sec. 19. The filing of certificates of nomination and the declarations of candidacy of persons nominated at conventions held on the primary day must
be completed within twenty (20) days after the date of the September primary.

Sec. 20. The opening, counting and canvassing of absentee ballots cast at the November election may begin on the day after the election, but shall not be continued after the fifteenth day subsequent to the day of election, and the returns shall then be made immediately.

Sec. 21. The state canvassing board, all county canvassing boards and all county auditors and registration officials shall make no undue delay in performing any of the specific actions hereby imposed upon them. All ballots shall be printed as soon as possible after the same can be made up in order that there may be no delay in the forwarding of absent voters' ballots to service voters so as to afford ample time to all service voters for voting as herein provided.

Sec. 22. The Secretary of State shall have the power and it shall be his duty to administer this act; to direct all election officials in respect to their duties under this act; to publicize the provisions of the election laws and to make such rules and regulations as will facilitate the operation and the accomplishment of the purposes of this act.

Sec. 23. Any person who makes a false statement in his declaration upon the larger envelope used to transmit his ballot shall be guilty of perjury in the second degree and punished accordingly. Any person violating any other provision of this act shall be guilty of a misdemeanor.

Sec. 24. This act shall be liberally construed to accomplish its purposes and so that all service voters may be afforded an opportunity to fully exercise their voting rights granted herein.

Sec. 25. If any provision of this act, or the application thereof to any person or circumstance, is
held invalid, the remainder of this act or the application of such provision to other persons or circumstances, shall not be affected thereby.

Sec. 26. There is hereby appropriated to the Secretary of State from the General Fund the sum of ten thousand dollars ($10,000) for the purpose of carrying the provisions of this act into effect.

Sec. 27. This act is necessary for the immediate preservation of the public safety and shall take effect immediately.

WESTERN WASHINGTON COLLEGE OF EDUCATION (see COLLEGES AND UNIVERSITIES)
PREFACE

The Thirty-second Legislature of the State of Washington convened at 12 o’clock noon, January 8, 1951 (being the second Monday in January), and adjourned sine die March 8, 1951.

All acts passed by the session, approved by the Governor, take effect ninety days after adjournment, or 12 o’clock midnight, June 6, 1951, except relief bills, appropriations and other acts declaring an emergency.

EARL COE,
Secretary of State.
EXPLANATORY

As the user will readily note, the thirty-second regular session of the legislature has inaugurated the practice of enacting laws with reference to the Revised Code of Washington (R.C.W.) which was enacted by chapter 16, Laws of 1950, Ex. Sess., and chapter 5, Laws of 1951. Publication of a temporary edition of R.C.W. was authorized by chapter 155, Laws of 1951, and is now in progress.

For the convenience of users, the majority of whom do not presently have access to R.C.W., footnotes have been prepared for the purpose of indicating where, in Remington's Revised Statutes, corresponding material may be found.

The footnotes, which appear following each appropriate section are not intended to express any legal conclusions, but are inserted only with a view toward aiding the user to relate the materials found in this volume to the compilation of laws presently available.

In general, where the R.C.W. section affected corresponds to an entire section of Remington, the correlation has been expressed by the use of the abbreviations Am., for amendments and Rep., for repeals, but where the section amended was derived from a portion only of a Remington section or was a composite of one or more Remington sections or parts thereof, the correlation has been expressed in terms of derivation. Remington citations for R.C.W. numbers referred to within the body of an act are likewise generally in the form of derivations.

The footnotes, in effect, may be said to constitute a running correlation table between R.C.W. and Remington which it is hoped will prove useful during this transitional period. The usual tables of amendments and repeals are to be found at the back of the volume.

The user may note that R.C.W. numbers appearing herein are in most instances not identical with the R.C.W. numbers as they appeared in the various legislative bills. The majority of such bills were drawn with reference to the revised code as it existed prior to the adoption of the numbering system contained in the 1950 supplement, as authorized by section 3, chapter 5, Laws of 1951. Pursuant to the mandate of that section, all R.C.W. numbers have been corrected to conform with such new numbering system, and so appear in this publication.

LAWS OF WASHINGTON

PASSED AT THE
Thirty-Second Regular Session
1951

CHAPTER 1.
[ Initiative Measure No. 178 ]
CITIZENS' SECURITY ACT.

BALLOT TITLE
An Act modifying the citizens' security act of 1948 (Initiative
Measure No. 172) and transferring the public assistance
medical program to the department of health.

SPONSOR'S TITLE
An Act relating to public assistance; defining terms; fixing
standards to govern grants of assistance; prescribing qualifi-
cations for eligibility to receive assistance; specifying the
powers and duties of the department of social security and
the department of health in relation thereto; creating a
council of medical service and defining its powers and
duties; amending sections 3, 4, 5, 15 and 16, chapter 6,
Laws of 1949, and further amending said chapter 6, Laws
of 1949, by adding thereto a new section to be designated
section 3-a.

Be it enacted by the People of the State of
Washington:

SECTION 1. This act shall be known as the "Citi-
zens' Public Assistance Act of 1950."

SECTION 2. It is the purpose and intent of this act to
provide for the public welfare by making available,
in conjunction with federal matching funds, such
public assistance as is necessary to insure to recipi-
ents thereof a reasonable subsistence compatible
with decency and health. This act recognizes that
there are possibilities of serious abuses of such a pro-
gram whereby those least deserving of public aid will
benefit at the expense of the deserving, and of the
state and its political subdivisions, and it is intended hereby to make possible sufficient administrative control of the program of assistance to curb or at least minimize such abuses without at the same time depriving qualified applicants and recipients of the assistance to which they are rightfully entitled.

Sec. 3. Section 3, chapter 6, Laws of 1949, is amended to read as follows:

Section 3. For the purposes of this act, unless the context indicates otherwise, the following definitions shall apply:

(a) “Department”—The department of social security.

(b) “Applicant”—Any person who has made a request, or on behalf of whom a request has been made, to any county welfare department for assistance.

(c) “Recipient”—Any person receiving assistance or currently approved to receive assistance at any future date.

(d) “Income”—Net income in cash or kind available to an applicant or recipient, the receipt of which is regular and predictable enough that an applicant or recipient may rely upon it to contribute appreciably toward meeting his needs.*

(e) “Need”—The amount by which the requirements of an individual for himself and the dependent members of his family, as measured by the standards of the department, exceed all income and resources available to such individual in meeting such requirements.

(f) “Resource”—Any asset, tangible or intangible, which can be applied toward meeting an applicant’s or recipient’s need, either directly or by conversion into money or its equivalent: Provided, That the following described assets shall not be considered as a resource available to meet need during
such time as they are used by an applicant or recipient in the manner and form as follows:

(1) The home as defined in section 3-a hereof.

(2) Personal property and belongings as defined in Section 3-a hereof.

(3) Household furnishings and personal clothing used and useful to the person.

(4) An automobile or other form of conveyance if such conveyance is necessary to an applicant or recipient because of a lack of, or an inability to use, public transportation. The department shall have the right by rule and regulation to fix a maximum value on such conveyances.

(5) Cash of not to exceed two hundred dollars for a single person or four hundred dollars for a family unit, or marketable securities of such value.

(6) Life insurance having a cash surrender value not in excess of five hundred dollars for a single person or one thousand dollars for a family unit: Provided, That this maximum allowance shall be decreased by the amount of cash held by the person or the family unit under item 5 above.

[Rem. Supp. 1949, § 9998-33c]

Sec. 4. Chapter 6, Laws of 1949, is amended by adding thereto after section 3 a new section, numbered section 3-a, as follows:

Section 3-a. No property, either real or personal, shall be considered exempt per se, but shall be treated as exempt from consideration as an available resource only during such time and under such conditions as are hereinafter set forth:

(a) "Home"—Real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto. Whenever a recipient shall cease to use such property for residential purposes either by himself or his dependents, the property shall be considered a resource which can be
made available to meet need. If the person or his dependents absent themselves from the home for a consecutive period of ninety days such absence shall raise a presumption of abandonment.

(b) "Personal Property and Belongings"—Personal property or belongings which are used and useful to the applicant or recipient or which have great sentimental value. Whenever such person ceases to make use of or ceases to be able to make use of such personal property or belongings, the same shall be considered a resource available to meet need.

The department shall, by rule and regulation, fix maximum values for both a home as defined in paragraph (a) and the personal property and belongings as defined in paragraph (b); and shall also fix maximum units of personal property, regardless of value. If the reasonable value of such home property or personal property and belongings exceeds the maximum values so established or the unit value, then the person owning such property shall be deemed to have a resource available to meet his needs over and above the amount necessary for home ownership or ownership of personal property and belongings, or both, as established by the department, and which can be utilized toward meeting his need by investment, and it shall be deemed that such excess value is capable of producing an income to such person at a return of not less than four per cent per annum. In the computation of income and resources for the purpose of determining need, such person shall be charged with an annual income equal to four per cent of such excess valuation or the actual earnings therefrom, whichever is the greater.

The department shall also, by rule and regulation fix ceiling values on both home property and personal property and belongings, and if any applicant for, or recipient of, public assistance possesses home property or personal property and belongings,
or both, of a value in excess of such ceiling values, such person shall be ineligible for public assistance.

Value shall be the current fair market value, less liens and encumbrances of record.

Any recipient who shall voluntarily transfer a resource, whether exempt or not, shall be deemed to have available to meet his needs an amount equivalent to the quick sale value of such resource, in the event that the proceeds from such transfer are not re-invested in an exempt resource within a reasonable time. Whenever a resource has been transferred or assigned, it shall no longer be considered exempt, nor shall the proceeds from such transfer or assignment be considered exempt except as above provided.

Upon the transfer of an exempt resource and the re-investment of the proceeds thereof, the department shall not be bound to provide additional or prolonged assistance to meet additional shelter cost incurred by such re-investment except when the plan has been previously approved by the department.

SEC. 5. Section 4, chapter 6, Laws of 1949, is amended to read as follows:

Section 4. An old age assistance grant shall be awarded to any person who:

(a) Has attained the age of sixty-five and
(b) Has been a resident of the state of Washington for at least five years within the last ten, and
(c) Is not an inmate of a public institution of a custodial, correctional, or curative character: Provided, That this shall not prevent the department from paying a grant to meet the incidental and personal needs of a person who is an inmate of a county hospital or infirmary, and
(d) Has not made a voluntary assignment or transfer of property or cash for the purpose of qualifying for an old age assistance grant, and
(e) Is in need.

[Rem. Supp. 1949, § 9998-33d]

[7]
SEC. 6. Section 5, chapter 6, Laws of 1949, is amended to read as follows:

Section 5. Grants shall be awarded on a uniform statewide basis in accordance with standards of assistance established by the department. The department shall establish standards of assistance for old age assistance, aid to dependent children, aid to the blind, and general assistance to unemployable persons which shall be used to determine an applicant's or recipient's living requirements and which shall include reasonable allowances for shelter, fuel, food, clothing, household maintenance and operation, personal maintenance, and necessary incidentals. The total dollar value of the assistance budget shall, under average conditions, be not less than sixty dollars per month for an individual living alone; but a recipient shall not receive a grant of sixty dollars or more unless his actual requirements amount to sixty dollars. Grants shall be paid in the amount of requirements less all available income and resources which can be applied by the recipient toward meeting need, including shelter.

In order to determine such standards of assistance the department shall establish objective budgetary guides based upon actual living cost studies of the items of the budget. Such living cost studies shall be renewed or revised at least semi-annually and new standards of assistance reflecting current living costs shall determine budgets of need.

The figure of sixty dollars shall be subject to revision in December of each year, in that the department shall adjust such figure either upward or downward in the amount of one dollar for each three full points of change upward or downward, respectively, occurring subsequent to the index for the month of December, 1950, in the consumers' price index for moderate income families in the city of Seattle, Washington, issued by the bureau of labor statistics.
of the United States Department of Labor, according to the latest available published statistics covering such index. Any indicated adjustment in standards shall become effective not later than April first of the succeeding year.

The standards of assistance shall take into account the economy of family living arrangements, and the department may, by rule and regulation, prescribe maximums for grants on the basis of the size and type of the household unit, which maximums shall be related to average family income in this state. For the establishment of such maximums the department shall make use of all available statistics of the U. S. Census Bureau, the U. S. Department of Labor, and other governmental or research agencies which relate to family income.

For general assistance to unemployed employable persons, the department shall establish standards of assistance based upon annual living cost studies and compatible with a minimum necessary for decent and healthful subsistence. Such standards shall permit the meeting of actual and emergent need on an individual basis.

[Rem. Supp. 1949, § 9998-33e]

Sec. 7. Section 15, chapter 6, Laws of 1949, is amended to read as follows:

Section 15. (a) On and after the effective date of this amendatory act the state department of health shall be responsible for providing necessary medical, dental and related services to recipients of public assistance and other persons without income and resources sufficient to secure them. Eligibility for such medical service shall be established by the department of social security.

In providing these services, it is hereby declared to be the intent of this act to carry out the following principles:

(1) Care shall be equivalent to accepted stand-
Community standards. — (1) Shall provide and maintain standards of medical and dental practice in the community where the eligible individual resides;

(2) In addition to meeting immediate and acute medical needs, shall provide or utilize available rehabilitation services as far as practicable, to restore or to maintain the individual’s capacity for self-reliance;

(3) Shall develop and strengthen programs for prevention or early discovery of disease so as to maintain or restore the individual to the maximum of self-reliance;

(4) Shall make full use of all existing public and free facilities and services;

(5) Shall provide auxiliary services, including hospital and nursing care, ambulance service, drugs, medicines, hearing aids, optical supplies and other appliances in accordance with the plans of the department of health;

(6) Shall allow the individual as much freedom as practicable in selecting the type of practitioner best able to serve him and if said practitioner has agreed to conform to the rules and regulations prescribed by the state board of health;

(7) Individuals who are classified as unemployable shall be evaluated in terms of partial or complete rehabilitation so as to be self-sustaining insofar as practicable.

(b) The state board of health shall formulate policies, establish standards and rules and regulations to carry out the purposes of this act. Rules and regulations adopted shall be filed with the secretary of state thirty days prior to their effective date and shall be available to the public at local health departments and the department of social security.

(c) To assist and advise the state board of health in formulating policies establishing standards and rules and regulations, there is hereby created a council of medical service. Such council shall con-
sist of twelve members and shall be representative of the major providers of medical services and are to be appointed by the governor and serve at his pleasure.

The members of the council shall receive the statutory per diem and actual and necessary traveling expenses when engaged in the activities of the council. Such expenses, when approved by the director of health, shall be a charge against the administrative appropriation for this program.

The council shall meet jointly with the state board of health not less than once every four months and oftener if necessary upon the call of the chairman of the state board of health.

(d) The medical service program shall be administered by the director of health, and he may appoint an administrator and such other assistants, and provide for other necessary administrative needs as shall be necessary to carry out the purpose of this act, limited by funds made available by the legislature.

(e) The department of health, in providing medical services, shall have the right to procure them in whole or in any part through any one or any combination of the following methods:

(1) By contract with private individuals, organizations and groups;
(2) By the employment of a professional and technical staff;
(3) By a direct payment to vendors on a fee for service basis.

(f) Wherever practical, the department of health shall delegate the administration of the medical service program to local county or district health departments, when it finds that their personnel, facilities, and services meet the standards established by the state board of health and the local health department agrees to comply.

The director of health shall be empowered, when
he finds that a local health department cannot meet required standards, to form local medical service districts when agreeable to the county or counties involved, for the purpose of carrying out the administration of the medical service program.

The local county or district shall determine the most effective and economical method or methods of providing medical services to eligible persons with the approval of the director of health.

(g) The local health officer shall have supervision over county hospitals and other public institutions utilized in providing medical service to the eligible persons.

The local health department shall make full use of public, free and voluntary facilities and services in the administration of this program.

(h) The medical service program shall be financed from funds appropriated to the department of health.

Money shall be made available to the counties or districts on a quarterly basis. Thirty days prior to the beginning of each quarter, the board of county commissioners shall submit a budget outlining the financial needs of the county or district health department or medical service district for the ensuing quarter. This shall be reviewed by the director of health and be altered or approved as he determines necessary to meet the department's or district's needs, taking into consideration available funds.

Each county and district shall operate within its quarterly approved budget unless the director of health determines that an emergency exists justifying an increased allotment.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The titles, chapters, and sections designated as the "1950 Supplement to the Revised Code of Washington" attested by the secretary of the senate and the chief clerk of the house of representatives of the legislature of the state of Washington, and filed with the secretary of state, are hereby enacted and consolidated into and with the Revised Code of Washington. Said 1950 supplement is intended to embrace (1) in a revised and codified form, all those laws of the state of Washington of a general and permanent nature enacted since January 1, 1949, (2) revision and recodification of certain of the titles, chapters, and sections of the revised code, and (3) application of a new system of numbering to all of the sections and certain of the chapters of the revised code, subject to section three hereof.

Amendment.

Sec. 2. Section 1, chapter 16, Laws of the Extraordinary Session of 1950, is amended to read as follows:

The ninety-one titles with chapters and sections designated as the "Revised Code of Washington" and attested by the secretary of the senate and the chief clerk of the house of representatives of the legislature of the state of Washington, are hereby enacted and designated as the "Revised Code of Washington." Said code is intended to embrace in a revised, consolidated, and codified form and arrangement all the laws of the state of a general and permanent nature.
Sec. 3. The system of numbering employed in the 1950 supplement is hereby adopted as the general system to be followed in designating sections of the revised code. Specific numbers, in accordance with such system, are authorized to be assigned to sections of the revised code as follows:

Those chapters and sections of the revised code expressly numbered or renumbered in the 1950 supplement are authorized to be numbered or renumbered to the new number respectively shown in the 1950 supplement. All other sections of the revised code now existing are authorized to be renumbered by tens according to the plan generally used in the 1950 supplement, using the number of the title, the new number, if any, of the chapter in which the section occurs, and adding the digit "0" to the terminal end of the number marking the position of the section within the chapter. The secretary of state shall, before publication of any laws enacted at this session of the legislature which are by their terms expressly amendatory of any section or sections contained in the revised code or the 1950 supplement, renumber each such section and correlate the numbers of sections so renumbered, in accordance with this provision, so that each such section when published bears or is referred to by its proper new number. The secretary of state, in publishing the session laws of this thirty-second session of the legislature shall use therein the applicable new numbers of the respective sections so renumbered.

Sec. 4. New chapters or sections added to the Revised Code of Washington (as supplemented or modified by the 1950 supplement), as the result of laws enacted at this or subsequent sessions of the legislature, shall be numbered in harmony with said general numbering system, and shall bear such respective numbers in accordance therewith as may

[19]
be assigned by such official or agency as may be expressly authorized by law so to do.

This section shall not prohibit or prevent the correction by any such official or agency, of the number of any section of the revised code found clearly to be incorrectly numbered or incorrectly correlated with other sections as to number.

**Sec. 5.** It is the intent that under said numbering system the section factor of the section number shall be treated as a decimal figure, and where new sections must hereafter in codifying be inserted between sections then already consecutively numbered, the proper number for such new section shall be created by the insertion of an additional digit at the terminal end of the number of the section immediately preceding the location at which such new section is to be inserted.

**Sec. 6.** The contents of the Revised Code of Washington, after striking therefrom sections repealed or superseded by laws of the state of Washington enacted since January 1, 1949, as the revised code is supplemented or modified in the 1950 supplement, shall establish the laws of this state of a general and permanent nature in effect on January 1, 1951; except, that nothing herein shall be construed as changing the meaning of any such laws and, as a rule of construction, in case of any omissions or any inconsistency between any of the provisions of the revised code as so supplemented or modified and the laws existing immediately preceding this enactment, the previously existing laws shall control. Any section of the Revised Code of Washington (as supplemented or modified by the 1950 supplement) expressly amended by the legislature, including the entire context set out, shall, as so amended, constitute the law and the ultimate declaration of legislative intent.

**Sec. 7.** This act is necessary for the immediate
preservation of the public peace, health, and safety and for the immediate support of the state government and its existing public institutions and shall take effect immediately, except that section three of this act shall not become effective prior to adjournment of this thirty-second regular session of the legislature.

REGULATING FILLED DAIRY PRODUCTS.

An Act to prevent confusion, fraud and deception of the public in connection with the sale of dairy products; to regulate and to make unlawful the manufacture, sale, exchange, transportation, purveying, possession or offering for sale, exchange or purveyance of "filled dairy products" as defined in this act and products wherein filled dairy products are ingredients; to make the Washington state uniform food, drug and cosmetic act applicable to such products; to provide for the enforcement and administration of this act and to prescribe penalties for its violation.

The manufacture, sale, exchange, purveying, possession, or offering for sale or exchange or purveyance of filled dairy products creates a condition conducive to substitution, confusion, deception, and fraud, and one which if permitted to exist tends to interfere with the orderly and fair marketing of foods essential to the well-being of the people of this state. SECTION 1. The state capitol committee may issue coupon or registered bonds of the state in an amount not to exceed two million four hundred fifty thousand dollars. The bonds shall bear interest at a rate not to exceed three per cent per annum, both principal and interest to be payable only from revenues hereafter received from leases and contracts of sale heretofore or hereafter made of lands, timber, and other products from the surface or beneath the surface of the lands granted to the state by the United States pursuant to the act of congress approved February 22, 1889, for capitol building purposes.

SEC. 2. Such bonds may be sold in such manner
and in such amount, in such denominations, and at such times as the capitol committee shall determine, at the best price obtainable, but not for a sum so low as to make the net interest return to the purchaser exceed three per cent per annum as computed by standard tables upon such sums.

Sec. 3. Bonds issued under this act shall mature serially and annually beginning with the second and ending with the tenth year after the date of issue in such amounts as nearly as practicable, as will, together with the interest, require an equal amount of money for the payment of said principal and interest, with the option to redeem any or all of said bonds at par in inverse order of number on any semiannual interest paying date on and after five years from the date of issue. The state treasurer shall forthwith and thereafter during said twelve month period deposit into the capitol building bond redemption fund all receipts that would otherwise be deposited in the capitol building construction fund until the amount certified to said treasurer by the said capitol committee has accrued to the capitol building bond redemption fund.

The proceeds from the sale of the bonds hereby authorized shall be paid into the capitol building construction fund.

BOILERS AND UNFired PRESSURE VESSELS.

An Act relating to public safety, creating a board of boiler rules to serve without salary with power to formulate rules and regulations for the safe and proper construction, installation, repair, use and operation of boilers and for the safe and proper construction, installation and repair of unfired pressure vessels; providing for the enforcement of the rules and regulations so promulgated; providing for the examination and appointment of boiler inspectors; providing for the inspection of boilers and unfired pressure vessels, the fees to be charged, and the reports to be made thereof; providing for inspection certificates; providing for appeals, and providing a penalty for the violation of the provisions of this act.

Be it enacted by the Legislature of the State of Washington:

Section 1. There is hereby created within this state a board of boiler rules, which shall hereafter be referred to as the board, consisting of five members who shall be appointed to the board by the governor, one for a term of one year, one for a term of two years, one for a term of three years, and two for a term of four years. At the expiration of their respective terms of office, they, or their successors identifiable with the same interests respectively as hereinafter provided, shall be appointed for terms of four years each. The governor may at any time
remove any member of the board for inefficiency or neglect of duty in office. Upon the death or incapacity of any member the governor shall fill the vacancy for the remainder of the vacated term with a representative of the same interests with which his predecessor was identified. Of these five appointed members, one shall be representative of owners and users of boilers and unfired pressure vessels within the state, one shall be representative of the boiler or unfired pressure vessel manufacturers within the state, one shall be a representative of a boiler insurance company licensed to do business within the state, one shall be a mechanical engineer on the faculty of a recognized engineering college or a graduate mechanical engineer having equivalent experience, and one shall be representative of the boilermakers or practical steam operating engineers. The board shall elect one of its members to serve as chairman and, at the call of the chairman, the board shall meet at least four times each year at the state capitol or other place designated by the board.

SEC. 2. The members of the board shall serve without salary and shall receive their actual and necessary expenses incurred while in the performance of their duties as members of the board, to be paid in the same manner as in the case of other state officers.

SEC. 3. The board shall formulate definitions, rules and regulations for the safe and proper construction, installation, repair, use and operation of boilers and for the safe and proper construction, installation and repair of unfired pressure vessels in this state. The definitions, rules and regulations so formulated shall be based upon, and, at all times, follow the generally accepted nation-wide engineering standards, formulae, and practices established and pertaining to boiler and unfired pressure vessel construction and safety, and the board may by
resolution adopt an existing published codification thereof, known as "The Boiler Construction Code of the American Society of Mechanical Engineers," with the amendments and interpretations thereto made and approved by the council of the society, and may likewise adopt the amendments and interpretations subsequently made and published by the same authority; and when so adopted the same shall be deemed incorporated into, and to constitute a part or the whole of the definitions, rules and regulations of the board. Amendments and interpretations to the code so adopted shall be adopted immediately upon being promulgated, to the end that the definitions, rules and regulations shall at all times follow the generally accepted nation-wide engineering standards.

Sec. 4. The board shall promulgate rules and regulations for the safe and proper installation, repair, use and operation of boilers, and for the safe and proper installation and repair of unfired pressure vessels which were in use or installed ready for use in this state prior to the date upon which the first rules and regulations under this chapter, pertaining to existing installations became effective, or during the twelve months period immediately thereafter.

Sec. 5. (1) The rules and regulations formulated by the board shall have the force and effect of law, except that the rules applying to the construction of new boilers and unfired pressure vessels shall not be construed to prevent the installation thereof until twelve months after their approval by the director of the department of labor and industries.

(2) Subsequent amendments to the rules and regulations adopted by the board shall be permissive immediately and shall become mandatory twelve months after such approval.

Sec. 6. No power boiler, low pressure boiler, or unfired pressure vessel which does not conform to
the rules and regulations formulated by the board governing new construction and installation shall be installed and operated in this state after twelve months from the date upon which the first rules and regulations under this chapter pertaining to new construction and installation shall have become effective, unless the boiler or unfired pressure vessel is of special design or construction, and is not covered by the rules and regulations, nor is in any way inconsistent with such rules and regulations, in which case a special installation and operating permit may at its discretion be granted by the board.

Sec. 7. (1) All boilers and unfired pressure vessels which were in use, or installed ready for use in this state prior to the date upon which the first rules and regulations under this chapter pertaining to existing installations became effective, or during the twelve months period immediately thereafter, shall be made to conform to the rules and regulations of the board governing existing installations, and the formulae prescribed therein shall be used in determining the maximum allowable working pressure for such boilers and unfired pressure vessels.

(2) This chapter shall not be construed as in any way preventing the use or sale of boilers or unfired vessels as referred to in subsection (1) of this section, provided they have been made to conform to the rules and regulations of the board governing existing installations, and provided, further, they have not been found upon inspection to be in an unsafe condition.

Sec. 8. This chapter shall not apply to the following boilers, unfired pressure vessels and domestic hot water tanks:

(1) Boilers and unfired pressure vessels under federal regulation or operated by any railroad subject to the provisions of the interstate commerce act;
(2) Unfired pressure vessels meeting the requirements of the interstate commerce commission for shipment of liquids or gases under pressure;

(3) Air tanks located on vehicles operating under the rules of other state authorities and used for carrying passengers, or freight;

(4) Air tanks installed on the right-of-way of railroads and used directly in the operation of trains;

(5) Unfired pressure vessels having a volume of five cubic feet or less when not located in places of public assembly;

(6) Unfired pressure vessels designed for a pressure not exceeding fifteen pounds per square inch gauge when not located in place of public assembly;

(7) Tanks used in connection with heating water for domestic and/or residential purposes;

(8) Boilers and unfired pressure vessels in cities having ordinances which are enforced and which have requirements equal to or higher than those provided for under this act, covering the installation, operation, maintenance and inspection of boilers and unfired pressure vessels.

Sec. 9. The following boilers and unfired pressure vessels shall be exempt from the requirements of sections 22 to 33, inclusive, of this chapter:

(1) Boilers or unfired pressure vessels located on farms and used solely for agricultural purposes;

(2) Steam boilers used exclusively for heating purposes carrying a pressure of not more than fifteen pounds per square inch gauge and which are located in private residences or in apartment houses of less than six families;

(3) Hot water heating boilers carrying a pressure of not more than thirty pounds per square inch and which are located in private residences or in apartment houses of less than six families;

(4) Unfired pressure vessels containing only water under pressure for domestic supply purposes,
including those containing air, the compression of which serves only as a cushion or airlift pumping systems, when located in private residences or in apartment houses of less than six families;

(5) Unfired pressure vessels containing liquefied petroleum gases.

Sec. 10. (1) Within sixty days after the effective date of this chapter, and at any time thereafter that the office of the chief inspector may become vacant, the director of the department of labor and industries shall appoint a chief inspector who shall have had at the time of such appointment not less than ten years practical experience in the construction, maintenance, repair, or operation of high pressure boilers and unfired pressure vessels, as a mechanical engineer, steam engineer, boilermaker, or boiler inspector, and who shall have passed the same kind of examination as that prescribed for deputy or special inspectors in section 18 of this chapter to be chief inspector until his successor shall have been appointed and qualified. Such chief inspector may be removed for cause after due investigation by the board and its recommendation to the director of the department of labor and industries.

Sec. 11. The chief inspector, if authorized by the director of the department of labor and industries is hereby charged, directed and empowered:

(1) To cause the prosecution of all violators of the provisions of this chapter;

(2) To issue, or to suspend, or revoke for cause, inspection certificates as provided for in section 28 of this chapter;

(3) To take action necessary for the enforcement of the laws of the state governing the use of boilers and unfired pressure vessels and of the rules and regulations of the board;

(4) To keep a complete record of the type, dimensions, maximum allowable working pressure,
age, condition, location, and date of the last recorded internal inspection of all boilers and unfired pressure vessels to which this chapter applies;

(5) To publish and distribute, among manufacturers and others requesting them, copies of the rules and regulations adopted by the board.

Sec. 12. The chief inspector shall employ deputy inspectors who shall be responsible to the chief inspector and who shall have had at time of appointment not less than five years practical experience in the construction, maintenance, repair, or operation of high pressure boilers and unfired pressure vessels as a mechanical engineer, steam engineer, boilermaker, or boiler inspector, and who shall have passed the examination provided for in section 18 of this chapter.

Sec. 13. In addition to the deputy boiler inspectors authorized by section 12 of this chapter, the chief inspector shall, upon the request of any company authorized to insure against loss from explosion of boilers and unfired pressure vessels in this state, or upon the request of any company operating unfired pressure vessels in this state, issue to any inspectors of said company commissions as special inspectors, provided that each such inspector before receiving his commission shall satisfactorily pass the examination provided for in section 18 of this chapter, or, in lieu of such examination, shall hold a certificate of competency as an inspector of boilers and unfired pressure vessels for a state that has a standard of examination substantially equal to that of this state or a certificate as an inspector of boilers from the national board of boiler and pressure vessel inspectors. A commission as a special inspector for a company operating unfired pressure vessels in this state shall be issued only if, in addition to meeting the requirements stated herein, the inspector is continuously employed by the company for the purpose
of making inspections of unfired pressure vessels used, or to be used, by such company.

Sec. 14. Special inspectors shall receive no salary from, nor shall any of their expenses be paid by the state, and the continuance of a special inspector's commission shall be conditioned upon his continuing in the employ of a boiler insurance company duly authorized as aforesaid or upon continuing in the employ of a company operating unfired pressure vessels in this state and upon his maintenance of the standards imposed by this chapter.

Sec. 15. Special inspectors shall inspect all boilers and unfired pressure vessels insured or all unfired pressure vessels operated by their respective companies and, when so inspected, the owners and users of such insured boilers and unfired pressure vessels shall be exempt from the payment to the state of the inspection fees as provided for in section 32 of this chapter.

Sec. 16. Each company employing special inspectors shall within thirty days following each internal boiler or unfired pressure vessel inspection made by such inspectors, file a report of such inspection with the chief inspector upon appropriate forms as promulgated by the American society of mechanical engineers. Reports of external inspections shall not be required except when such inspections disclose that the boiler or unfired pressure vessel is in a dangerous condition.

Sec. 17. The chief inspector, or any deputy or special inspector, shall have free access, during reasonable hours, to any premises in the state where a boiler or unfired pressure vessel is being constructed, or is being installed or operated, for the purpose of ascertaining whether such boiler or unfired pressure vessel is constructed, installed and
operated in accordance with the provisions of this chapter.

Sec. 18. Examinations for chief, deputy, or special inspectors shall be in writing and shall be held by the board, or by at least two members of the board. Such examinations shall be confined to questions the answers to which will aid in determining the fitness and competency of the applicant for the intended service. In case an applicant for an inspector's appointment or commission fails to pass the examination, he may appeal to the board for another examination which shall be given by the board within ninety days. The record of an applicant's examination shall be accessible to said applicant and his employer.

Sec. 19. A commission may be suspended or revoked after due investigation and recommendation by the board to the director of the department of labor and industries for the incompetence or untrustworthiness of the holder thereof, or for wilful falsification of any matter or statement contained in his application or in a report of any inspection. A person whose commission has been suspended or revoked, except for untrustworthiness, shall be entitled to apply to the board for reinstatement or, in the case of a revocation, for a new examination and commission after ninety days from such revocation.

Sec. 20. A person whose commission has been suspended or revoked shall be entitled to an appeal as provided in section 36 of this chapter and to be present in person and/or represented by counsel on the hearing of the appeal.

Sec. 21. If a certificate or commission is lost or destroyed, a new certificate or commission shall be issued in its place without another examination.

Sec. 22. Each boiler and unfired pressure vessel used or proposed to be used within this state, except
boilers or unfired pressure vessels exempt in sections 
8 and 9 of this chapter, shall be thoroughly inspected 
as to their construction, installation, condition and 
operation, as follows:

(1) Power boilers shall be inspected annually 
both internally and externally while not under pres-
sure and shall also be inspected annually externally 
while under pressure if possible;

(2) Low pressure heating boilers shall be in-
pected both internally and externally biennially 
where construction will permit;

(3) Unfired pressure vessels subject to internal 
corrosion shall be inspected both internally and ex-
ternally biennially where construction will permit, 
extcept that the board may, in its discretion, provide 
for longer periods between inspections;

(4) Unfired pressure vessels not subject to inter-
nal corrosion shall be inspected externally at inter-
vals set by the board, but internal inspections shall 
not be required of unfired pressure vessels, the con-
tents of which are known to be noncorrosive to the 
material of which the shell, head, or fittings are 
constructed, either from the chemical composition of 
the contents or from evidence that the contents are 
adequately treated with a corrosion inhibitor, pro-
vided that such vessels are constructed in accord-
ance with the rules and regulations of the board or 
in accordance with standards substantially equiva-

tent to the rules and regulations of the board, in 
effect at the time of manufacture.

Sec. 23. In the case of power boilers a grace 
period of two months longer than the twelve months 
period may elapse between internal inspections of a 
boiler while not under pressure or between external 
inspections of a boiler while under pressure; in the 
case of low pressure heating boilers not more than 
twenty-six months shall elapse between inspections, 
and in the case of unfired pressure vessels not more
than two months longer than the period between inspections prescribed by the board shall elapse between internal inspections.

Sec. 24. The rules and regulations formulated by the board applying to the inspection of unfired pressure vessels may be modified by the board to reduce or extend the interval between required inspections where the contents of the vessel or the material of which it is constructed warrant special consideration.

Sec. 25. The inspections herein required shall be made by the chief inspector, by a deputy inspector, or by a special inspector provided for in this chapter.

Sec. 26. If at any time a hydrostatic test shall be deemed necessary to determine the safety of a boiler or unfired pressure vessel, same shall be made, at the discretion of the inspector, by the owner or user thereof.

Sec. 27. All boilers and all unfired pressure vessels to be installed in this state after the twelve months period from the date upon which the rules and regulations of the board shall become effective shall be inspected during construction as required by the applicable rules and regulations of the board by an inspector authorized to inspect boilers in this state, or, if constructed outside of the state, by an inspector holding a certificate from the national board of boiler and pressure vessel inspectors, or a certificate of competency as an inspector of boilers for a state that has a standard of examination substantially equal to that of this state as provided in section 18.

Sec. 28. If, upon inspection, a boiler or an unfired pressure vessel is found to comply with the rules and regulations of the board, the owner or user thereof shall pay directly to the chief inspector the sum of one dollar in the case of a boiler, and fifty
cents in the case of an unfired pressure vessel, and
the chief inspector, or his duly authorized repre-
sentative, shall issue to such owner or user an in-
spection certificate bearing the date of inspection
and specifying the maximum pressure under which
the boiler or unfired pressure vessel may be operated.
Such inspection certificate shall be valid for not more
than fourteen months from its date in the case of
power boilers and twenty-six months in the case of
low pressure heating boilers, and for not more than
two months longer than the authorized inspection
period in the case of unfired pressure vessels. Cer-
tificates shall be posted under glass in the room
containing the boiler or unfired pressure vessel in-
spected. If the boiler or unfired pressure vessel is
not located within the building, the certificate shall
be posted in a location convenient to the boiler or
unfired pressure vessel inspected or, in the case of
a portable boiler or unfired pressure vessel, the cer-
tificate shall be kept in a metal container to be
fastened to the boiler or vessel in a tool box accom-
panying the boiler or unfired pressure vessel.

Sec. 29. No inspection certificate issued for an
insured boiler or unfired pressure vessel inspected
by a special inspector shall be valid after the boiler
or unfired pressure vessel, for which it was issued,
shall cease to be insured by a company duly author-
ized by this state to carry such insurance.

Sec. 30. The chief inspector, or his authorized
representative, may at any time suspend an inspec-
tion certificate when, in his opinion, the boiler or
unfired pressure vessel for which it was issued, can-
not be operated without menace to the public safety,
or when the boiler or unfired pressure vessel is found
not to comply with the rules and regulations herein
provided. A special inspector shall have correspond-
ing powers with respect to inspection certificates for
boilers or unfired pressure vessels insured or unfired
pressure vessels operated by the company employing him. Such suspension of an inspection certificate shall continue in effect until such boiler or unfired pressure vessel shall have been made to conform to the rules and regulations of the board, and until said inspection certificate shall have been reinstated.

SEC. 31. After twelve months following the date on which this chapter becomes effective, it shall be unlawful for any person, firm, partnership, or corporation to operate under pressure in this state a boiler or unfired pressure vessel, to which this chapter applies, without a valid inspection certificate as provided for in this chapter. The operation of a boiler or unfired pressure vessel without such inspection certificate, or at a pressure exceeding that specified in such inspection certificate, shall constitute a misdemeanor on the part of the owner, user, or operator thereof. Each day of such unlawful operation shall be deemed a separate offense.

SEC. 32. The owner or user of a boiler or pressure vessel required by this chapter to be inspected by the chief inspector, or his deputy inspector, shall pay directly to the chief inspector, upon completion of inspection, fees in accordance with the following schedule:

Power Boilers—

Internal Inspections

Boilers of five horsepower or less, or fifty square feet or less of heating surface .............$ 3.00

For each additional one hundred square feet of area in excess of fifty square feet...

Provided, That not more than twenty-five dollars shall be paid per day for the actual inspection time of each inspector on any one vessel.

A group of pressure vessels, such as the rolls of a paper machine or dryer operating as a single machine or unit, shall be considered as one pressure vessel.

Sec. 33. Shop inspections, or the inspection of second-hand or used boilers or pressure vessels by the chief or deputy inspector shall be charged for at the rate of not less than twelve dollars and fifty cents for one-half day of four hours, and twenty-five dollars for one full day of eight hours, plus all expenses, including traveling and hotel.

shall furnish a bond in the sum of two thousand dollars conditioned upon the faithful performance of their duties and upon a true account of moneys handled by them respectively and the payment thereof to the proper recipient. The cost of said bonds shall be paid by the state.

SEC. 36. Any person aggrieved by an order or act of the director of the department of labor and industries, the chief inspector, under this chapter, may, within fifteen days after notice thereof, appeal from such order or act to the board which shall, within thirty days thereafter, hold a hearing after having given at least ten days written notice to all interested parties. The board shall, within thirty days after such hearing, issue an appropriate order either approving or disapproving said order or act. A copy of such order by the board shall be given to all interested parties. Within thirty days after any order or act of the board, any person aggrieved thereby may file a petition in the superior court of the county of Thurston for a review thereof. The court shall summarily hear the petition and may make any appropriate order or decree.

COMPENSATING TAX ON MOTOR VEHICLES.

An Act relating to revenue and taxation; prescribing a method by which compensating tax may be collected on certain motor vehicle transfers; defining powers and duties of certain state and county officers in relation thereto; amending chapter 82.12, R.C.W., as derived from chapter 180, Laws of 1935, as amended, by adding thereto a new section; and declaring that this act shall take effect May 1, 1951.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Chapter 82.12, R.C.W., as derived from chapter 180, Laws of 1935, is amended by adding a new section thereto to read as follows:

In the collection of the compensating tax on motor vehicles, the tax commission may designate the county auditors of the several counties of the state as its collecting agents. Upon such designation, it shall be the duty of each county auditor to collect the tax at the time an applicant applies for the registration or, and transfer of title to, the motor vehicle, except in the following instances: (1) where the applicant exhibits a dealer's report of sale showing that the retail sales tax has been collected by the dealer; (2) where the application is for the renewal of registration; (3) where the applicant presents a written statement signed by the tax commission, or its duly authorized agent, showing that no compensating tax is legally due; (4) where the applicant presents satisfactory evidence showing that the retail sales tax or the compensating tax has been paid by him on the vehicle in question. The term "motor vehicle," as used in this section means and includes all motor vehicles, trailers and semi-trailers used, or of a type, designed primarily to be used, upon the public streets and highways, for the convenience or pleasure of the owner, or for the conveyance, for hire or otherwise, of persons or property, including fixed loads,
facilities for human habitation, and vehicles carrying exempt licenses. It shall be the duty of every applicant for registration and transfer of certificate of title who is subject to payment of tax under this section to declare upon his application the value of the vehicle for which application is made, which shall consist of the consideration paid or contracted to be paid therefor. Any person wilfully misrepresenting, or failing or refusing to declare upon his application, such value shall be guilty of a gross misdemeanor.

Each county auditor who acts as agent of the tax commission shall at the time of remitting license fee receipts on motor vehicles subject to the provisions of this section pay over and account to the state treasurer for all compensating tax revenue collected under this section, after first deducting as his collection fee the sum of fifty cents for each motor vehicle upon which the tax has been collected. All revenue received by the state treasurer under this section shall be credited to the general fund. The auditor's collection fee shall be deposited in the county current expense fund. A duplicate of the county auditor's transmittal report to the state treasurer shall be forwarded forthwith to the tax commission.

Any applicant who has paid compensating tax to a county auditor under this section may apply to the tax commission for refund thereof if he has reason to believe that such tax was not legally due and owing. No refund shall be allowed unless application therefor is received by the tax commission within ninety days after payment of the tax. Upon receipt of an application for refund the tax commission shall consider the same and issue its order either granting or denying it and if refund is denied the taxpayer shall have the right of appeal as provided in sections 82.32.170, 82.32.180 and 82.32.190, R.C.W.

The provisions of this section shall be construed as cumulative of other methods prescribed in this act
for the collection of the tax imposed by this title. The tax commission shall have power to promulgate such rules and regulations as may be necessary to administer the provisions of this section. Any duties required by this section to be performed by the county auditor may be performed by the director of licenses, but no collection fee shall be deductible by said director in remitting compensating tax revenue to the state treasurer.

Sec. 2. This act is necessary for the immediate support of the state government and its existing public institutions and shall take effect May 1, 1951.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Section 36.34.180, R.C.W., as derived from section 1, chapter 162, Laws of 1913, is amended to read as follows:

At the day and hour designated in the notice or at any subsequent time to which the meeting may be adjourned by the board of county commissioners, but not more than thirty days after the day and hour designated for the meeting in the published notice, the board may lease the property in such notice described for a term of years and upon such terms and conditions as to the board may seem just and right in the premises. No lease shall be for a longer term in any one instance than ten years, and no renewal of a lease once executed and delivered shall be had, except by a re-leasing and re-letting of the property according to the terms and conditions of this chapter: Provided, That if a county owns property within or outside the corporate limits of any city or town or anywhere in the county suitable for municipal purposes, or for commercial buildings, or owns property suitable for manufacturing or industrial purposes or sites, or for military purposes, or for temporary or
emergency housing, or for any requirement incidental to manufacturing, commercial, agricultural, housing, military, or governmental purposes, the board of county commissioners may lease it for such purposes for any period not to exceed thirty-five years: *Provided further*, Where the property involved is or is to be devoted to airport purposes and construction work or the installation of new facilities is contemplated, the board may lease said property for such period as may equal the estimated useful life of such work or facilities but not to exceed seventy-five years.

If property is leased for municipal purposes or for commercial buildings or manufacturing or industrial purposes the lessee shall prior to the execution of the lease file with the board of county commissioners general plans and specifications of the building or buildings to be erected thereon for such purposes. All leases when executed shall provide that they shall be cancelled by failure of the lessee to construct such building or buildings or other improvements for such purposes within three years from date of the lease, and in case of failure so to do the lease and all improvements thereon including the rentals paid, shall thereby be forfeited to the county unless otherwise stipulated. No change or modification of the plans shall be made unless first approved by the board of county commissioners. If at any time during the life of the lease the lessee fails to use the property for the purposes leased, without first obtaining permission in writing from the board of county commissioners so to do, the lease shall be forfeited.

Any lease made for a longer period than ten years shall contain provisions requiring the lessee to permit the rentals for every five year period thereafter, or part thereof, at the commencement of such period, to be readjusted and fixed by the board of county

commissioners. In the event that the lessee and the board cannot agree upon the rentals for said five year period, the lessee shall submit to have the disputed rentals for the subsequent period adjusted by arbitration. The lessee shall pick one arbitrator and the board one, and the two so chosen shall select a third. No board of arbitrators shall reduce the rentals below the sum fixed or agreed upon for the last preceding period. All buildings, factories, or other improvements made upon property leased shall belong to and become property of such county, unless otherwise stipulated, at the expiration of the lease.

No lease shall be assigned without the assignment being first authorized by resolution of the board of county commissioners and the consent in writing of at least two members of the board endorsed on the lease. All leases when drawn shall contain this provision.

This section shall not be construed to limit the power of the board of county commissioners to sell, lease, or by gift convey any property of the county to the United States or any of its governmental agencies to be used for federal government purposes.

Passed the Senate March 3, 1951.

An Act relating to taxation; discontinuing the use of tax tokens; amending sections 82.08.050, 82.08.060 and 82.08.070, R.C.W.; repealing section 82.08.130, R.C.W.; and declaring that it shall take effect April 1, 1951.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Section 82.08.050, R.C.W., as derived from section 21, chapter 180, Laws of 1935, as amended, is amended to read as follows:

The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the tax commission pursuant to the provisions of section 82.08.060. The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the commission, and any seller who appropriates or converts the tax collected to his own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a misdemeanor.

In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay it to the commission in the manner prescribed by this chapter, whether such failure is the result of his own acts or the result of acts or conditions beyond his control, he shall, nevertheless, be personally liable to the state for the amount of the tax.

The amount of tax, until paid by the buyer to the seller or to the commission, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with
intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor.

Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the commission, the commission may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten per cent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the commission; and all of the provisions of chapter 82.32, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32, the fifteenth day of the month following the bi-monthly tax period in which the purchase was made shall be considered as the due date of the tax.

[Chapter 82.32, R.C.W., is Rem. Supp. §§ 8370-185 to 8370-211 incl., also §§ 8370-225 and 8370-226]

Amendment.

Sec. 2. Section 82.08.060, R.C.W., as derived from section 22, chapter 180, Laws of 1935, as amended, is amended to read as follows:

The tax commission shall have power to adopt rules and regulations prescribing methods and schedules for the collection of the tax required to be collected by the seller from the buyer under this chapter. The methods and schedules prescribed shall be adopted so as to eliminate the collection of fractions of one cent and so as to provide that the aggregate collections of all taxes by the seller shall, insofar as practicable, equal the amount of tax imposed by this chapter. Such schedules may provide that no tax need be collected from the buyer upon sales
below a stated sum and may be amended from time to time to accomplish the purposes set forth herein.

[Am. Rem. Supp. 1941 § 8370-22]

SEC. 3. Section 82.08.070, R.C.W., as derived from section 23, chapter 180, Laws of 1935, as amended, is amended to read as follows:

CHAPTER 45.
[ H. B. 57.]

DIKING DISTRICT ASSESSMENTS.

An Act relating to powers of diking districts; providing a method to determine continuous base benefits received by land and buildings thereon, which are protected by the improvements of such districts, and for the levying and collection of assessments against the same to pay for the continuous operation of such districts, and authorizing additional obligations to be incurred in cases of emergency; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. The state declares that it has an interest in protecting and preserving productive land and buildings needed to make business function continuously. Where organized diking districts, through their improvements, have reclaimed land or protected it from overflow and have enabled erection of improvements thereon or have furnished such land and buildings protection against flood waters, it is necessary to provide a just and equitable method to enable such diking districts continuously to function effectively. It is declared that there is a direct relationship, where such conditions exist, between the continuous functioning of such districts
and the fair value of the lands and buildings thereon, or to be erected thereon, thus afforded protection.

Sec. 2. When any diking district has been organized and the improvements made afford protection to land and buildings within such district against damage or destruction from overflow waters in that the level of the land and of the foundational structures of buildings thereon is below the water level at flood or high tide stages of the waters, fresh or salt, against which such district improvements furnished protection, the board of diking commissioners of such district may, under the procedure established in this act, determine such fact and by resolution so declare; and may provide that the cost of continued functioning of the district shall be paid through levies of millage made and collected according to this act against the land and buildings thus protected, based upon the determined base benefits received by such land and buildings.

Sec. 3. To operate under this act, the board shall cause to be prepared and filed with it a roll containing descriptions of the land and buildings thereon within the district to which its improvements furnish the nature of protection set forth in section 2. The roll shall show descriptions of the land and the name of its owner, or reputed owner, and such owner’s address, as shown upon the tax roll of the treasurer of the county wherein the property is located, and the determined value of such land and any buildings thereon as last assessed and equalized by the taxing agencies of such county.

Sec. 4. After the roll is prepared the board shall give notice of a time and place at which the board will hold a public hearing to determine whether the facts and conditions heretofore recited in this act as a prerequisite to its application do or do not exist, and if so found to exist by said board at said hearing, then the board shall by resolution so declare.
notice shall also state that at said hearing, or any continuance thereof, the board will sit to consider said roll and to determine the continuous base benefits which each of the properties thereon are receiving and will receive from the continued operation and functioning of such district, which shall in no instance exceed fifty per cent of the true and fair value of such property in money, will consider all objections made thereto or to any part thereof, and will correct, revise, lower, change, or modify such roll as shall appear just and equitable; that when correct benefits are fixed upon said roll by said board, it will adopt said roll by resolution as establishing, until modified as hereinafter provided, the continuous base benefit to said protected lands and buildings against which will be levied and collected millage to provide funds for the continuous functioning of said district.

SEC. 5. The notice of the time and place of hearing shall be given to any owner, or reputed owner, of the property which is listed on the roll as aforesaid, by mailing a copy thereof at least thirty days before the date fixed for the hearing to such owner or owners at his or their address as shown on the tax rolls of the county treasurer for the property described. In addition thereto, such notice shall be published at least three times in the daily or weekly newspaper published in or nearest to said district, and if there be more than one such, then the newspaper of the choice of said board of commissioners. At least fifteen days must elapse between the last date of publication thereof and the date fixed for such hearing.

SEC. 6. At said hearing, or adjournments thereof, the board shall review said roll and determine the continuous base benefits to land and buildings furnished continuous protection by the improvement system of the district; hear objections to the adop-
tion of said roll; correct, revise, change, modify or set aside such roll, or any part thereof, as to the board shall appear equitable and just; and then adopt the same by resolution. All objections to this or any subsequent roll must be in writing and filed with the board during the hearing before the roll is adopted and must state clearly the grounds of objection. Objections not made within the time and in the manner herein prescribed shall be conclusively presumed to have been waived.

Sec. 7. The board shall, from time to time, examine the properties within said district, and if it finds that any protected land or buildings thereon have been omitted from the existing roll, or new buildings have been added to lands, or the condition of land or buildings has changed, and in the initial judgment of the board such land or the buildings thereon was such that it was furnished the protective benefits of the improvements of the district, the board shall cause at each such time an additional roll of such property to be filed with it, and hold a hearing to determine and make such corrections, additions, alterations and modifications of the benefits to such property only, and to hear any objections filed as to such property only. The board shall give notice of such hearing to the owner, or reputed owner, of the property involved, at the address of such owner as then shown on the tax rolls of the treasurer of the county wherein the property is located, in the same way and manner as herein provided for consideration of the original roll, but such notice need not be published.

At the hearing, or any adjournment thereof, the board shall have power to correct, revise, change, modify, or set aside such roll, or any part thereof, as shall be deemed just and equitable, and then adopt the same by resolution.
SEC. 8. When any roll or additional or supplemental roll be adopted by the board of commissioners, the same shall be certified to, and filed with, the auditor of the county wherein the property contained on said roll is situated, and shall supplement said original roll.

SEC. 9. Until further modified, amended, or changed by an additional or supplemental roll certified to the county auditor after the foregoing procedure is had, the original roll, as modified or supplemented, if the same is done, shall serve as the base of benefits to the land and buildings protected by the improvement system of said district against which millage is levied and collected from time to time for the continued functioning of said diking district.

SEC. 10. Whenever any roll shall have been adopted by the board of commissioners, the regularity, validity and correctness of the proceedings relating thereto shall be conclusive upon all parties, and it cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to such roll as provided in section 6 and appealing from the action of the board in confirming such roll in the manner and within the time in this act provided. No proceeding of any kind, except proceedings had through the process of appeal as in this act provided, shall be commenced or prosecuted or may be maintained, for the purpose of defeating or contesting any assessment or charge made through levies under this act, or the sale of any property to pay such charges: Provided, however, That suit in injunction may be brought to prevent collection of charges of assessments or sale of property thereunder upon the following grounds and no other:
(1) That the property charged or about to be sold does not appear upon the district roll filed with the county auditor, or

(2) The charge has been paid.

Sec. 11. The decision of the board of commissioners upon any objection made within the time and in the manner prescribed may be reviewed by the superior court of the county wherein the property in question is located, upon appeal thereto taken in the following manner: Any person aggrieved must file his petition for writ of review with the clerk of the superior court wherein the property is located within ten days after the roll affecting such aggrieved party was adopted by resolution, and serve a copy thereof upon the commissioners. The petition shall describe the property in question, set forth the written objections which were made to the decision, the date of filing of such objections, and be signed by such party or one in his behalf. The court shall forthwith grant such petition if correct as to form and filed in accordance with this act.

Sec. 12. Within ten days from the filing of such petition for review, the commission, unless the court shall grant additional time, shall file with the clerk of such court its certified transcript containing such portion of the roll as is subject to review, any written objections thereto filed with the board by the person reviewing before said roll was adopted, and a copy of the resolution adopting the roll.

Sec. 13. The county clerk shall charge the same filing fees for petitions for review as in civil actions. At the time of the filing of such petition with the clerk, the appellant shall execute and file a bond in the penal sum of two hundred dollars, with at least two sureties, to be approved by the judge of said court, conditioned upon his prosecuting his appeal without delay and to guarantee all costs which may
be assessed against him by reason of such review. The court shall, on motion of either party to the cause, with notice to the other party, set said cause for trial at the earliest time available to the court, fixing a date for hearing and trial without a jury. Said cause shall have preference over all civil actions pending in said court except eminent domain and forcible entry and detainer proceedings.

Sec. 14. At the trial the court shall determine whether the board has acted within its discretion and has correctly construed and applied the law. If it finds that it has, the finding of the board shall be affirmed; otherwise it shall be reversed or modified. The judgment of the court may change, confirm, correct, or modify the values of the property in question as shown upon the roll, and a certified copy thereof shall be filed with the county auditor, who shall change, modify or correct as and if required.

Sec. 15. An appeal shall lie to the supreme court from the superior court as in other civil cases: Provided, however, That such appeal must be taken within fifteen days after the date of entry of the judgment of the superior court. The supreme court, on such appeal, may change, confirm, correct or modify the values of the property in question as shown upon the roll. A certified copy of any judgment of the supreme court shall be filed with the county auditor having custody of such roll, who shall thereupon change, modify, or correct such roll in accordance with such decision if required.

Sec. 16. The millage levy returns collected from time to time under this act are solely assessments for benefits received continuously by the protected properties, calculated in the manner specified in this act as a just and equitable way for all protected property to share the expense of such required protection.
Sec. 17. The board of commissioners of any diking district proceeding under this act shall, on or before the first day of November of each year, make an estimate of the costs reasonably anticipated to be required for the effective functioning of such district during the ensuing year and until further revenue therefor can be made available, and cause its chairman or secretary to certify the same on or before said date to the county auditor, and the amount so certified shall be levied by the regular taxing agencies against the base benefits to the lands and buildings within such district as shown by the then current complete roll of such properties and the determined benefits thereto as therefore certified to and filed with such county auditor by the commissioners of such district. When thus levied, the amount of assessment produced thereby shall be added by the general taxing authorities to the general taxes against said lands and collected therewith as a part thereof. If unpaid, any delinquencies in such assessments shall bear interest at the same rate and in the same manner as general taxes and they shall be included in and be made a part of any general tax foreclosure proceedings, according to the provisions of law with relation to such foreclosures. As assessment collections are made, the county treasurer shall credit the same to the funds of such district.

Sec. 18. In the case of an emergency or disaster not in contemplation at the time of making the annual estimate of costs, declared to be such by resolution of such board, the diking commissioners may incur additional obligations and issue valid warrants therefor in excess of such estimate, in the manner provided by law for issuance of warrants by diking districts and the servicing thereof, and all such warrants so issued shall be valid and legal obligations of such district and its taxable lands and improve-
ments as shown upon the then current roll of said district filed with the county auditor.

Sec. 19. Any diking district operating under this act shall not use the processes provided for raising revenue under any other law: Provided, That any such other method of raising revenue provided by law may be used concurrently for the sole purpose of extinguishing indebtedness incurred before the district adopts the procedure of this act, and no funds raised hereunder shall be used to pay such prior indebtedness.

Sec. 20. Should any section or provision of this act be declared unconstitutional or ineffectual, such action shall not affect or nullify any other provision or section thereof.

Sec. 21. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Should any member become a beneficiary, or die, or should he separate or be separated from service without leave of absence before attaining age sixty years, he shall thereupon cease to be a member: Provided, That any member who would have attained sixty years or more by April 1, 1949, who shall be involuntarily separated from service prior to that date, with ten years or more service, shall not thereby lose his right to benefits under this chapter. Should he again become employed by an employer he shall enter the retirement system as a new member and his membership service shall be computed from the date he last became a member, except:  

(a) As provided in section 41.40.170.  

(b) An employee who re-enters or has re-entered service within ten years from the date of his separa-
tion, shall upon completion of six months of continuous service and upon the restoration of all withdrawn contributions, which restoration must be completed within three years after resumption of employment, be returned to the status, either as an original member or new member which he held at time of separation.

(c) A member separated for reasons beyond his control, who has completed at least fifteen years of service, or who has completed at least ten years of service and is age fifty or older shall remain a member during the period of his absence from service for the exclusive purpose only of receiving a retirement allowance to begin at attainment of age sixty-five, however, such a member may upon thirty days written notice to the board elect to receive a reduced retirement allowance on or after age sixty which allowance shall be the actuarial equivalent of the sum necessary to pay regular retirement benefits as of age sixty-five: Provided, That if such member should withdraw all or part of his accumulated contributions he shall thereupon cease to be a member unless the amounts so withdrawn be restored before his retirement age is reached.

(d) The recipient of a retirement allowance who has not yet reached the compulsory retirement age of seventy and who shall be employed in an eligible position shall be considered to have terminated his retirement status and he shall immediately become a member of the retirement system with the status of membership he had as of the date of his retirement. Retirement benefits shall be suspended during the period of his eligible employment and he shall make contributions and receive membership credit. Upon again becoming a member there shall be transferred from the annuity reserve fund to the employees' savings fund and credited to the individual account of such member a sum that shall be equal to the then
present value of the annuity portion of his retirement allowance, computed upon the interest and mortality basis then in use by the retirement system for the computation of annuities. Such a member shall have the right to retire at any time on thirty days notice to the retirement board: Provided, however, That where any such right to retire is exercised to become effective before the member has rendered six uninterrupted months of service the type of retirement allowance he had at the time of his previous retirement shall be reinstated, but no additional service credit shall be available.

Amendment.

teen hundred dollars per annum. In no event, however, shall any original member upon retire-
ment at age seventy with ten years of service credit receive less than nine hundred dollars per annum as a retirement allowance. In the event that the retirement allowance as to such member provided by paragraphs (a), (b), (c) and (d) hereof shall amount to less than the said nine hundred dollars the basic service pension of the member shall be increased from one hundred dollars to a sum sufficient to make a retirement allowance of that amount.

(e) To be eligible to receive the pension portions provided by the employer under paragraphs (b) and (c) of this section, a new member must have at least five years of membership service credited to his service account, unless he becomes eligible for benefits provided for herein under sections 41.40.200, 41.40.210 and 41.40.220.

SEC. 8. Section 41.40.290, R.C.W. as derived from section 20, chapter 240, Laws of 1949, is amended to read as follows:

Any member may elect, in accordance with the provisions of this section and in lieu of a regular retirement allowance payable throughout life with termination at death, to receive as an optional retirement allowance the actuarial equivalent, at the time of his retirement, of his regular retirement allowance in accordance with the provisions of options I, II and III, as hereinafter set forth. No election of
an optional retirement allowance shall be effective in case the member making such election dies before his actual retirement date.

Option I. If he dies before the total of the annuity portions of the retirement allowance paid to him equals the amount of his accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board, or if there be no such designated person or persons, then to his legal representatives; or

Upon his death, one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board at the time of his retirement.

Amendment. Sec. 9. Section 41.40.310, R.C.W. as derived from section 22, chapter 240, Laws of 1949, is amended to read as follows:

(a) Once each year during the first five years following the retirement of a member on a disability pension or retirement allowance, and at least once in every three year period thereafter the retirement board may, and upon the member's application shall, require any disability beneficiary, who has not attained age sixty years, to undergo a medical examination; such examination to be made by or
under the direction of the medical adviser at the place of residence of said beneficiary, or other place mutually agreed upon. Should any disability beneficiary, who has not attained age sixty years, refuse to submit to such medical examination in any such period, his disability pension or retirement allowance may be discontinued until his withdrawal of such refusal, and should such refusal continue for one year, all his rights in and to his disability pension, or retirement allowance, may be revoked by the retirement board. If upon such medical examination of a disability beneficiary, the medical adviser reports and his report is concurred in by the retirement board, that the disability beneficiary is physically able and capable of resuming employment his disability pension or retirement allowance shall cease.

(b) Should the secretary report and certify to the retirement board that such disability beneficiary is engaged in a gainful occupation paying more than the difference between his disability retirement allowance and his final compensation, and should the retirement board concur in such report, then the amount of his pension shall be reduced to an amount which, together with his annuity, if he has an annuity, and the amount earned by him shall equal the amount of his final compensation. Should the earnings of such disability beneficiary be later changed, the amount of his pension shall be further modified in like manner.

Sec. 10. Section 41.40.320, R.C.W. as derived from section 23, chapter 240, Laws of 1949, is amended to read as follows:

A disability beneficiary who has been or shall be reinstated to active service shall from the date of such restoration again become a member of the retirement system; and he shall contribute to the retirement system in the same manner as prior to
his disability retirement. Upon restoration of such disability beneficiary to active service the actuarial equivalent of his annuity at that time, but not exceeding the amount of his accumulated contributions at the time of his retirement for disability, shall be transferred from the annuity reserve fund to the employees' savings fund and credited to his individual account in the employees' savings fund. Any prior service and membership service, on the basis of which his retirement allowances were computed at the time of his retirement, shall be restored to full force and effect, and, except in the case of retirement for non-duty disability as provided in 41.40.230, he shall be given membership service for the period of time he was out of service due to such disability.

Amendment.

Sec. 11. Section 41.40.330, R.C.W. as derived from section 24, chapter 240, Laws of 1949, is amended to read as follows:

(a) Beginning October 1, 1947, each employee who is a member of the retirement system shall contribute five per cent of that part of his compensation earnable, not in excess of thirty-six hundred dollars in a calendar year, except as provided in paragraphs (b) and (c) hereof, to the employees' savings fund, and shall contribute one dollar and fifty cents per annum to the retirement system expense fund: Provided, however, That beginning January 1, 1950, such retirement system expense fund contribution shall be increased to the amount of two dollars and fifty cents per annum and shall be made by semi-annual payments of one dollar and twenty-five cents beginning January 1, 1950, and thereafter each employee entering membership shall contribute the sum of one dollar and twenty-five cents to the retirement system expense fund for the fractional portion of the semi-annual period during which he enters or re-enters membership. The officer
responsible for making up the payroll shall deduct from the compensation of each member, on each and every payroll of such member for each and every payroll period subsequent to the date on which he became a member of the retirement system, an amount equal to five per cent of such member's compensation earnable, provided that the amount of a member's compensation earnable in excess of the first thirty-six hundred dollars within a calendar year shall not be considered. The retirement board may accept contributions provided for in this chapter on any compensation earnable during any payroll period or periods without regard to the maximum salary provisions, provided deductions cease entirely for the remainder of the calendar year if and when the total contributions deducted from a member's salary for the employee's savings fund for such calendar year equal one hundred eighty dollars. In determining the amount earnable by a member in a payroll period, the retirement board and the employer may consider the rate of compensation payable to such member on the first day of the payroll period as continuing through such payroll period, and deductions may be omitted from such compensation for any period less than a full payroll period, if an employee was not a member on the first day of the payroll period.

(b) Any member may, pursuant to regulations formulated from time to time by the board, provide for himself, by means of an increased rate of contribution to his account in the employees' savings fund, a prospective retirement allowance not to exceed one-half of his prospective average final compensation.

(c) Any member who on October 1, 1951, has had twelve continuous months for which service credit is granted, the compensation earnable for which exceeds thirty-six hundred dollars, may within ninety days from such date file upon forms provided...
by the retirement board, an election to become a fully contributing member and thereby authorize a five per cent deduction from his compensation earnable without regard to the thirty-six hundred dollar limitation provided in paragraph (a) hereof. Thereafter, any member shall have a period of ninety days from the date upon which he has completed twelve continuous months for which service credit is granted, the total compensation earnable for which exceeds thirty-six hundred dollars, to make a like election to become a fully contributing member. A fully contributing member shall, providing he remains in such status and makes contributions thereunder from the time of his election to the time of his retirement, be entitled to have his pension benefits computed as provided in section 41.40.190, but without regard to the limitations found in paragraphs (c) and (d) thereof: Provided, however, That the basic service pension provided for in section 41.40.190 (b) shall be allowed in the computation of pension benefits, but only to the extent that the same when added to a membership service pension as provided in section 41.40.190 (c), will not result in a pension benefit in excess of nine hundred dollars per annum and a total pension provided by the employer as set forth in 41.40.190 (d) in excess of eighteen hundred dollars per annum.

[R.C.W. 41.40.190 is Rem. Supp. 1949, § 11072-20.]

Amendment.

Section 41.40.360, R.C.W. as derived from section 25, chapter 240, Laws of 1949, is amended to read as follows:

(a) The contributions by the employer for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the “membership service contribution,” a percentage of such compensation to be known as the “prior service contribution” and in the case

[134]
of employers admitted to the retirement system after April 1, 1949, a percentage of such compensation to be known as the "additional contribution." The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation. Until the end of the biennium in which the first actuarial valuation is completed the membership service contribution rate shall be four per cent, and the prior service contribution rate shall be one per cent.

(b) After the completion of each actuarial valuation subsequent to April 1, 1949, the retirement board shall redetermine the membership service contribution rate and such redetermined contribution rate shall become effective in the ensuing biennium. Until the prior service contributions shall have been discontinued such membership contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members in the retirement system at the date of such valuation which is required, together with all funds (other than funds allocated to prior service pensions) currently standing to the credit of the employers' accumulation fund and the pension reserve fund, to provide for the payment of all future pension benefits (other than prior service benefits). After the prior service contributions have been discontinued such membership contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members of the retirement system at the date of such valuation which is required, together with all funds currently standing to the credit of the employers' accumulation fund and the pension reserve fund, to provide for the payment of all future pension benefits.

(c) Following the completion of the first actuarial valuation after April 1, 1949, the retirement board shall redetermine the prior service contribu-
tion rate, and such redetermined contribution rate shall become effective in the ensuing biennium. The prior service contribution rate shall be determined as that percentage of annual compensation of all members in the retirement system at the date of such valuation which is equivalent to four per cent of the excess of the liability for prior service pensions over the amount currently in the employers' accumulation fund allocated to prior service pensions. Such redetermined prior service contribution rate shall continue until the amount in the employers' accumulation fund allocated to prior service pensions equals the then outstanding liability for prior service pensions.

(d) Any employer admitted to the retirement system after April 1, 1949, shall make an additional contribution at a rate equal to not less than twenty-five per cent of the sum of the membership service contribution rate and the prior service contribution rate until such time as the sum of such additional contributions equals the amount of membership service contributions and prior service contributions which such employer would have been required to contribute between April 1, 1949, and the date of such employer's admission to the retirement system:

Provided, however, All additional contributions hereunder and under the provisions of 41.40.160 (b) must be completed within ten years from the date of the employer's admission.

[R.C.W. 41.40.160(b) new; see sec. 4 of this chapter.]

Amendment. SEC. 13. Section 41.40.410, R.C.W. as derived from section 27, chapter 240, Laws of 1949, is amended to read as follows:

The employees and appointive and elective officials of any political subdivision of the state may become members of the retirement system by the approval of the local legislative authority. Each
such political subdivision becoming an employer under the meaning of this chapter shall make contributions to the funds of the retirement system as provided in 41.40.080, 41.40.360 and 41.40.370 of this chapter and its employees shall contribute to the employees’ savings fund at the rate established under the provisions of 41.40.330. For the purpose of administering and interpreting this chapter the board may substitute the names of political subdivisions of the state for the “state” and employees of the subdivisions for “state employees” wherever such terms appear in this chapter. The board may also alter any dates mentioned in this chapter for the purpose of making the provisions of the chapter applicable to the entry of any political subdivisions into the system. Any member transferring employment to another employer which is covered by the retirement system may continue as a member without loss of previously earned pension and annuity benefits. The board shall keep such accounts as are necessary to show the contributions of each political subdivision to the employers’ accumulation fund and shall have the power to debit and credit the various accounts in accordance with the transfer of the members from one employer to another. At such time as the membership from political subdivisions is sufficiently large to warrant representation on the board, the retirement board may appoint one county member and/or one city member to the board in place of two of the state employees’ members provided for in this chapter.

[R.C.W. 41.40.080 is Rem. Supp. 1949, § 11072-9.]
[R.C.W. 41.40.370 is Rem. Supp. 1949, § 11072-38.]

Sec. 14. There is hereby added to chapter 41.40, R.C.W. a new section to read as follows:

Within ninety days after any final decision by the retirement board has been communicated to the
claimant, such claimant may appeal to the superior court of Thurston County and such appeal shall be heard as a case in equity, but upon such appeal only such issues of law may be raised as were raised before the board. The proceedings in every such appeal shall be informal and summary, but full opportunity to be heard upon the issues of law shall be had before judgment is pronounced. Such appeal shall be perfected by serving a notice of appeal on the executive secretary of the retirement board by personal service or by mailing a copy thereof to the said executive secretary and by filing the notice of appeal together with proof of service thereof with the clerk of the court. The service and the filing together with proof of service of a notice of appeal, all within ninety days, shall be jurisdictional. The executive secretary shall within thirty days after receipt of such notice of appeal serve and file on behalf of the retirement board notice of appearance upon the appellant or his attorney of record and such appeal shall thereupon be deemed at issue. The executive secretary shall serve upon the appellant and file with the clerk of the court before hearing, a certified copy of the complete record of the administrative proceedings which shall, upon being so filed, become the record in such case. Appeal shall lie from the judgment of the superior court to the supreme court as in other cases.

Sec. 15. There is hereby added to chapter 41.40, R.C.W. a new section to read as follows:

In all court proceedings under or pursuant to this chapter the decision of the board shall be *prima facie* correct, and the burden of proof shall be upon the party attacking the same. If the court shall determine that the board has acted within its power and has correctly construed the law, the decision of the board shall be confirmed; otherwise, it shall be reversed or modified. In case of a modification or re-
versal the court shall refer the same to the board
with an order directing it to proceed in accordance
with the findings of the court.

Sec. 16. There is hereby added to chapter 41.40,
R.C.W. a new section to read as follows:

No bond of any kind shall be required of a claim-
ant appealing to the superior or the supreme court
from a finding of the retirement board effecting such
claimant's right to retirement or disability benefits.

Sec. 17. There is hereby added to chapter 41.40,
R.C.W. a new section to read as follows:

by changing employment from one public agency
to another.

Sec. 18. This act is necessary for the immediate
preservation of the public peace, health and safety,
support of the state government and its existing
public institutions and shall take effect as of April
1, 1951.

Passed the Senate February 23, 1951.

UNIFORM VETERANS' GUARDIANSHIP ACT.

An Act relating to the guardianship of incompetent veterans and other incompetent and minor beneficiaries of the veterans administration; providing for furnishing free copies of public records required by the veterans administration; and concerning commitment to the veterans administration or other agency of the United States of persons eligible for care or treatment; and to make uniform the law with reference thereto.

Be it enacted by the Legislature of the State of Washington:

Definition.

Section 1. As used in this act:

"Person." "Person" means an individual, a partnership, a corporation or an association.

"Veterans administration." "Veterans administration" means the veterans administration, its predecessors or successors.

"Income." "Income" means moneys received from the veterans administration and revenue or profit from any property wholly or partially acquired therewith.

"Estate." "Estate" means income on hand and assets acquired partially or wholly with "income."

"Benefits." "Benefits" means all moneys paid or payable by the United States through the veterans administration.

"Administrator." "Administrator" means the administrator of veterans affairs of the United States or his successor.

"Ward." "Ward" means a beneficiary of the veterans administration.

"Guardian." "Guardian" means any fiduciary for the person or estate of a ward.

Section 2. The administrator shall be a party in interest in any proceeding for the appointment or removal of a guardian or for the removal of the disability of minority or mental incapacity of a ward, and in any suit or other proceeding affecting in any manner the administration by the guardian of the
estate of any present or former ward whose estate includes assets derived in whole or in part from benefits heretofore or hereafter paid by the veterans administration. Not less than fifteen days prior to hearing in such matter notice in writing of the time and place thereof shall be given by mail (unless waived in writing) to the office of the veterans administration having jurisdiction over the area in which any such suit or any such proceeding is pending.

Sec. 3. Whenever, pursuant to any law of the United States or regulation of the veterans administration, it is necessary, prior to payment of benefits, that a guardian be appointed, the appointment may be made in the manner hereinafter provided.

Sec. 4. No person other than a bank or trust company shall be guardian of more than five wards at one time, unless all the wards are members of one family. Upon presentation of a petition by an attorney of the veterans administration or other interested person, alleging that a guardian is acting in a fiduciary capacity for more than five wards as herein provided and requesting his discharge for that reason, the court, upon proof substantiating the petition, shall require a final accounting forthwith from such guardian and shall discharge him from guardianships in excess of five and forthwith appoint a successor.

Sec. 5. (1) A petition for the appointment of a guardian may be filed by any relative or friend of the ward or by any person who is authorized by law to file such a petition. If there is no person so authorized or if the person so authorized refuses or fails to file such a petition within thirty days after mailing of notice by the veterans administration to the last known address of the person, if any, indicating the
necessity for the same, a petition for appointment may be filed by any resident of this state.

(2) The petition for appointment shall set forth the name, age, place of residence of the ward, the name and place of residence of the nearest relative, if known, and the fact that the ward is entitled to receive benefits payable by or through the veterans administration and shall set forth the amount of moneys then due and the amount of probable future payments.

(3) The petition shall also set forth the name and address of the person or institution, if any, having actual custody of the ward and the name, age, relationship, if any, occupation and address of the proposed guardian and if the nominee is a natural person, the number of wards for whom the nominee is presently acting as guardian. Notwithstanding any law as to priority of persons entitled to appointment, or the nomination in the petition, the court may appoint some other individual or a bank or trust company as guardian, if the court determines it is for the best interest of the ward.

(4) In the case of a mentally incompetent ward the petition shall show that such ward has been rated incompetent by the veterans administration on examination in accordance with the laws and regulations governing the veterans administration.

Sec. 6. Where a petition is filed for the appointment of a guardian for a minor, a certificate of the administrator or his authorized representative, setting forth the age of such minor as shown by the records of the veterans administration and the fact that the appointment of a guardian is a condition precedent to the payment of any moneys due the minor by the veterans administration shall be prima facie evidence of the necessity for such appointment.
SEC. 7. Where a petition is filed for the appointment of a guardian for a mentally incompetent ward, a certificate of the administrator or his duly authorized representative, that such person has been rated incompetent by the veterans administration on examination in accordance with the laws and regulations governing such veterans administration and that the appointment of a guardian is a condition precedent to the payment of any moneys due such ward by the veterans administration, shall be *prima facie* evidence of the necessity for such appointment.

SEC. 8. Upon the filing of a petition for the appointment of a guardian under this act, notice shall be given to the ward, to such other persons, and in such manner as is provided by the general law of this state, and also to the veterans administration as provided by this act.

SEC. 9. (1) Upon the appointment of a guardian, he shall execute and file a bond to be approved by the court in an amount not less than the estimated value of the personal estate and anticipated income of the ward during the ensuing two years, except in cases where banks or trust companies are appointed as guardian and no bond is required by the general state law. The bond shall be in the form and be conditioned as required of guardians appointed under the general guardianship laws of this state. The court may from time to time require the guardian to file an additional bond.

(2) Where a bond is tendered by a guardian with personal sureties, there shall be at least two such sureties and they shall file with the court a certificate under oath which shall describe the property owned, both real and personal, and shall state that each is worth the sum named in the bond as the penalty thereof over and above all his debts and liabilities and the aggregate of other bonds in which he is principal or surety and exclusive of property.
exempt from execution. The court may require additional security or may require a corporate surety bond, the premium thereon to be paid from the ward's estate.

Sec. 10. (1) Every guardian, who has received or shall receive on account of his ward any money or other thing of value from the veterans administration, at the expiration of two years from date of his appointment, and every two years thereafter on the anniversary date of his appointment, or as much oftener as the court may require, shall file with the court a full, true and accurate account under oath of all moneys or other things of value received by him, all earnings, interest or profits derived therefrom, and all property acquired therewith and of all disbursements therefrom, and showing the balance thereof in his hands at the date of the account and how invested. Each year when not required to file an account with the court, the guardian shall file an account with the proper office of the veterans administration. If the interim account be not filed with the veterans administration, or, if filed, shall be unsatisfactory, the court shall upon receipt of notice thereof from the veterans administration require the guardian forthwith to file an account which shall be subject in all respects to the next succeeding paragraphs. Any account filed with the veterans administration and approved by the chief attorney thereof may be filed with the court and be approved by the court without hearing, unless a hearing thereon be requested by some party in interest.

(2) The guardian, at the time of filing any account with the court or veterans administration shall exhibit all securities or investments held by him to an officer of the bank or other depository wherein said securities or investments are held for safekeeping or to an authorized representative of the corporation which is surety on his bond, or to the judge
or clerk of a court of record in this state, or upon request of the guardian or other interested party, to any other reputable person designated by the court, who shall certify in writing that he has examined the securities or investments and identified them with those described in the account and shall note any omissions or discrepancies. If the depository is the guardian, the certifying officer shall not be the officer verifying the account. The guardian may exhibit the securities or investments to the judge of the court, who shall endorse on the account and copy thereof, a certificate that the securities or investments shown therein as held by the guardian were each in fact exhibited to him and that those exhibited to him were the same as those in the account and noting any omission or discrepancy. The certificate, and the certificate of an official of the bank in which are deposited any funds for which the guardian is accountable, showing the amount on deposit, shall be prepared and signed in duplicate and one of each shall be filed by the guardian with his account.

(3) At the time of filing in the court any account, a certified copy thereof and a signed duplicate of each certificate filed with the court shall be sent by the guardian to the office of the veterans administration having jurisdiction over the area in which such court is located. A duplicate signed copy or a certified copy of any petition, motion or other pleading pertaining to an account, or to any matter other than an account, and which is filed in the guardianship proceedings or in any proceedings for the purpose of removing the disability of minority or mental incapacity, shall be furnished by the persons filing the same to the proper office of the veterans administration. Unless hearing be waived in writing by the attorney of the veterans administration and by all other persons, if any, entitled to notice,
the court shall fix a time and place for the hearing on the account, petition, motion or other pleading, not less than fifteen days nor more than sixty days from the date same is filed, unless a different available date be stipulated in writing. Unless waived in writing, written notice of the time and place of hearing shall be given the veterans administration office concerned and to the guardian and any others entitled to notice, not less than fifteen days prior to the date fixed for the hearing. The notice may be given by mail, in which event it shall be deposited in the mails not less than fifteen days prior to said date. The court or clerk thereof, shall mail to said veterans administration office a copy of each order entered in any guardianship proceeding wherein the administrator is an interested party.

(4) If the guardian is accountable for property derived from sources other than the veterans administration, he shall be accountable as is or may be required under the applicable law of this state pertaining to the property of minors or persons of unsound mind who are not beneficiaries of the veterans administration, and as to such other property shall be entitled to the compensation provided by such law. The account for other property may be combined with the account filed in accordance with this section.

Sec. 11. If any guardian shall fail to file with the court any account as required by this act, or by an order of the court, when any account is due or within thirty days after citation issues and provided by law, or shall fail to furnish the veterans administration a true copy of any account, petition or pleading as required by this act, such failure may in the discretion of the court be ground for his removal, in addition to other penalties provided by law.
SEC. 12. Compensation payable to guardians shall be based upon services rendered and shall not exceed five per cent of the amount of moneys received during the period covered by the account, except that the court may allow a fee of not exceeding twenty-five dollars per year, as a minimum fee, upon the approval of the chief attorney for the veterans administration. In the event of extraordinary services by any guardian, the court, upon petition and hearing thereon may authorize reasonable additional compensation therefor. A copy of the petition and notice of hearing thereon shall be given the proper office of the veterans administration in the manner provided in the case of hearing on a guardian's account or other pleading. No commission or compensation shall be allowed on the moneys or other assets received from a prior guardian nor upon the amount received from liquidation of loans or other investments.

SEC. 13. Every guardian shall invest the surplus funds of his ward's estate in such securities or property as authorized under the laws of this state but only upon prior order of the court; except that the funds may be invested, without prior court authorization, in direct unconditional interest-bearing obligations of this state or of the United States and in obligations the interest and principal of which are unconditionally guaranteed by the United States. A signed duplicate or certified copy of the petition for authority to invest shall be furnished the proper office of the veterans administration, and notice of hearing thereon shall be given said office as provided in the case of hearing on a guardian's account.

SEC. 14. A guardian shall not apply any portion of the income or the estate for the support or maintenance of any person including the ward, the spouse and the minor children of the ward, except upon petition to and prior order of the court after a hear-
ing. A signed duplicate or certified copy of said petition shall be furnished the proper office of the veterans administration and notice of hearing thereon shall be given said office as provided in the case of hearing on a guardian's account or other pleading.

Sec. 15. (1) The court may authorize the purchase of the entire fee simple title to real estate in this state in which the guardian has no interest, but only as a home for the ward, or to protect his interest, or (if he is not a minor) as a home for his dependent family. Such purchase of real estate shall not be made except upon the entry of an order of the court after hearing upon verified petition. A copy of the petition shall be furnished the proper office of the veterans administration and notice of hearing thereon shall be given said office as provided in the case of hearing on a guardian's account.

(2) Before authorizing such investment the court shall require written evidence of value and of title and of the advisability of acquiring such real estate. Title shall be taken in the ward's name. This section does not limit the right of the guardian on behalf of his ward to bid and to become the purchaser of real estate at a sale thereof pursuant to decree of foreclosure of lien held by or for the ward, or at a trustee's sale, to protect the ward's right in the property so foreclosed or sold; nor does it limit the right of the guardian, if such be necessary to protect the ward's interest and upon prior order of the court in which the guardianship is pending, to agree with co-tenants of the ward for a partition in kind, or to purchase from co-tenants the entire undivided interests held by them, or to bid and purchase the same at a sale under a partition decree, or to compromise adverse claims of title to the ward's realty.
SEC. 16. When a copy of any public record is required by the veterans administration to be used in determining the eligibility of any person to participate in benefits made available by the veterans administration, the official custodian of such public record shall without charge provide the applicant for such benefits or any person acting on his behalf or the authorized representative of the veterans administration with a certified copy of such record.

SEC. 17. In addition to any other provisions of law relating to judicial restoration and discharge of guardian, a certificate by the veterans administration showing that a minor ward has attained majority, or that an incompetent ward has been rated competent by the veterans administration upon examination in accordance with law shall be \textit{prima facie} evidence that the ward has attained majority, or has recovered his competency. Upon hearing after notice as provided by this act and the determination by the court that the ward has attained majority or has recovered his competency, an order shall be entered to that effect, and the guardian shall file a final account. Upon hearing after notice to the former ward and to the veterans administration as in case of other accounts, upon approval of the final account, and upon delivery to the ward of the assets due him from the guardian, the guardian shall be discharged and his sureties released.

SEC. 18. (1) Whenever, in any proceeding under the laws of this state for the commitment of a person alleged to be of unsound mind or otherwise in need of confinement in a hospital or other institution for his proper care, it is determined after such adjudication of the status of such person as may be required by law that commitment to a hospital for mental disease or other institution is necessary for safekeeping or treatment and it appears that such person is eligible for care or treatment by the vet-
ersans administration or other agency of the United States government, the court, upon receipt of a certificate from the veterans administration or such other agency showing that facilities are available and that such person is eligible for care or treatment therein, may commit such person to said veterans administration or other agency. The person whose commitment is sought shall be personally served with notice of the pending commitment proceeding in the manner as provided by the law of this state; and nothing in this act shall affect his right to appear and be heard in the proceedings. Upon commitment, such person, when admitted to any hospital operated by any such agency within or without this state shall be subject to the rules and regulations of the veterans administration or other agency. The chief officer of any hospital of the veterans administration or institution operated by any other agency of the United States to which the person is so committed shall with respect to such person be vested with the same powers as superintendents of state hospitals for mental diseases within this state with respect to retention of custody, transfer, parole or discharge. Jurisdiction is retained in the committing or other appropriate court of this state at any time to inquire into the mental condition of the person so committed, and to determine the necessity for continuance of his restraint, and all commitments pursuant to this act are so conditioned.

(2) The judgment or order of commitment by a court of competent jurisdiction of another state or of the District of Columbia, committing a person to the veterans administration, or other agency of the United States government for care or treatment shall have the same force and effect as to the committed person while in this state as in the jurisdiction in which is situated the court entering the judgment or making the order; and the courts of the
committing state, or of the District of Columbia, shall be deemed to have retained jurisdiction of the person so committed for the purpose of inquiring into the mental condition of such person, and of determining the necessity for continuance of his restraint; as is provided in sub-section (1) of this section with respect to persons committed by the courts of this state. Consent is hereby given to the application of the law of the committing state or district in respect to the authority of the chief officer of any hospital of the veterans administration, or of any institution operated in this state by any other agency of the United States to retain custody, or transfer, parole or discharge the committed person.

(3) Upon receipt of a certificate of the veterans administration or such other agency of the United States that facilities are available for the care or treatment of any person heretofore committed to any hospital for the insane or other institution for the care or treatment of persons similarly afflicted and that such person is eligible for care or treatment, the superintendent of the institution may cause the transfer of such person to the veterans administration or other agency of the United States for care or treatment. Upon effecting any such transfer, the committing court or proper officer thereof shall be notified thereof by the transferring agency. No person shall be transferred to the veterans administration or other agency of the United States if he be confined pursuant to conviction of any felony or misdemeanor or if he has been acquitted of the charge solely on the ground of insanity, unless prior to transfer the court or other authority originally committing such person shall enter an order for such transfer after appropriate motion and hearing.

Any person transferred as provided in this section shall be deemed to be committed to the veterans
administration or other agency of the United States pursuant to the original commitment.

SEC. 19. This act shall be so construed to make uniform the law of those states which enact it.

SEC. 20. This act may be cited as the "uniform veterans' guardianship act."

SEC. 21. The provisions of this act relating to surety bonds and the administration of estates of wards shall apply to all "income" and "estate" as defined in section 1 of this act whether the guardian shall have been appointed under this act or under any other law of this state, special or general, prior or subsequent to the enactment hereof.

Any sums due from a city or town for such purposes shall be paid on vouchers approved and submitted by the director, from moneys credited to the city or town in the motor vehicle fund, and the amount of the payments shall be deducted from funds which would otherwise be paid to the city or town from the motor vehicle fund. The director may in certain special cases, in his discretion, enter into an agreement with the governing officials of such city or town for the performance of such work or services, the terms of which shall provide for reimbursement of the motor vehicle fund for the benefit of the state's share of such fund by such city or town of the cost thereof from any funds on hand of such city or town and legally available for such work or services. The city or town may, by resolution, authorize the board of commissioners of the county in which it is located, to perform any such construction, repair or maintenance and the same shall be paid for by the city or town at the actual cost thereof as provided for payment for work performed on city streets, and any payment received therefor by a county shall be deposited in the county road fund to be expended under the same provisions as are imposed upon the funds used to perform such construction, repair or maintenance.

MOTOR VEHICLES.

An Act relating to motor vehicles, the definitions thereof, traffic signals controlling the same and the equipment thereof; amending chapter 46.04, R.C.W., by adding a new section thereto, and amending sections 46.36.030 and 46.60.230, R.C.W.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. There is added a new section to chapter 46.04, R.C.W., to read as follows:

“Pole trailer” means every vehicle without motive power designed to be drawn by another vehicle and attached to the towing vehicle by means of a reach, or pole, or by being boomed or otherwise secured to the towing vehicle, and ordinarily used for transporting long or irregular shaped loads such as poles, pipes, logs or structural members capable, generally, of sustaining themselves as beams between the supporting connections.

[Ch. 46.04 R.C.W. is derived from R.R.S. §§ 6312-1 and 6360-1.]

SEC. 2. Section 46.36.030, R.C.W., as derived from section 34, chapter 189, Laws of 1937, is amended to read as follows:

Every new motor vehicle, trailer, and semi-trailer sold in this state after January 1, 1938, and operated upon the public highways shall be equipped with foot or service brakes upon all wheels of at least two axles of every such vehicle, except any bicycle or motorcycle, and except that any such trailer or semi-trailer of less than two thousand pounds gross weight, including load, need not be equipped with brakes.

Every motor vehicle or combination of motor-drawn vehicles shall be capable, at all times and under all conditions of loading, of being stopped on a dry, smooth, level road free from loose material,
upon application of the service brake, within the
distances specified below, or shall be capable of being
decelerated at a sustained rate corresponding to
these distances:

<table>
<thead>
<tr>
<th>Decay, Deceleration, or Braking Rate</th>
<th>Feet to stop from 20 miles per hour</th>
<th>Deceleration in feet per second</th>
</tr>
</thead>
<tbody>
<tr>
<td>Vehicles or combinations of vehicles having brakes on all wheels</td>

are loaded to the maximum capacity permitted
under this title. All brakes shall be maintained in
good working order and shall be so adjusted as to op-
erate as equally as practicable with respect to the
wheels on opposite sides of the vehicles. It shall be
unlawful to operate any vehicle with the brakes out
of adjustment to the extent that the unequal applica-
tion between opposite sides of the vehicle will cause
the vehicle to swerve, pull to the side, or otherwise
affect the operator’s control.

The means of applying the brakes other than the
foot brake shall be capable of holding any motor
vehicle or combination of vehicles stationary upon
any plus or minus grade upon which the same is to
be operated and in any event upon a plus or minus
grade of at least five per cent.

[Am. R.R.S. § 6360-34 (last 4 para.).]

SEC. 3. Section 46.60.230, R.C.W., as derived
from section 98, chapter 189, Laws of 1937, as
last amended by section 7, chapter 196, Laws of 1949,
is amended to read as follows:

Whenever, at any point, traffic is controlled by
traffic control signals exhibiting the words “Go,”
“Caution,” or “Stop” or exhibiting different colored
lights, the following words or colors only shall be
used and shall indicate as follows:

[ 164 ]
Green or the word "Go": Vehicular traffic facing the signal except when prohibited by a superior regulation, may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right of way to other vehicles and to pedestrians lawfully within the intersection or an adjacent cross walk at the time such signal is exhibited. Pedestrians facing the signal may proceed across the roadway within any marked or unmarked cross walk unless directed otherwise by a pedestrian signal.

Yellow alone or the word "Caution" when shown following green or "Go" signal: Vehicular traffic facing the signal is thereby warned that the red or Stop signal shall be exhibited immediately thereafter, and such vehicular traffic shall not enter or be crossing the intersection when the red or Stop signal is exhibited. Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway, and any pedestrian then starting to cross shall yield the right of way to all vehicles.

Red alone or the word "Stop": Vehicular traffic facing the signal shall stop before entering the cross walk on the near side of the intersection, or, if none, then before entering the intersection and shall remain standing until a green signal is shown. No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic or unless a separate Walk indication is shown.

Red or the word "Stop" with green arrow: Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow, but shall yield the right of way to pedestrians lawfully within a cross walk and to other traffic lawfully using the intersection. No pedestrian facing such signal shall enter the roadway unless he can safely and without interfering
with any vehicular traffic: or unless a separate Walk indication is shown.

**Flashing red.** When a red lens is illuminated by rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest cross walk at an intersection or at a Stop line when marked, and the right to proceed shall be subject to the rules applicable after making a stop at a Stop sign.

**Flashing yellow.** When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

**Erection of control signals on city streets.**

No traffic control signal or device shall be erected or maintained upon any city street designated as forming a part of the route of a primary state highway or secondary state highway unless first approved by the director of highways.

FOREST PROTECTION FROM FIRES.

An Act relating to forest products, forest protection and the payment of forest protection assessments; prescribing penalties; amending sections 76.04.010, 76.04.150, 76.04.230, 76.04.250, 76.04.260, 76.04.270, 76.04.320, 76.04.360, and 76.04.380, R.C.W.; repealing section 76.04.330, R.C.W., and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Amendment.

SECTION 1. Section 76.04.010, R.C.W., as derived in part from section 6, chapter 105, Laws of 1917, is amended to read as follows:

As used in this chapter:

“Director” means the director of conservation and development;

“Supervisor” means the supervisor of forestry;

“Forest fire service” includes all wardens, rangers, and other help employed especially for preventing or fighting forest fires;

“Forest land” means any land which has enough timber, standing or down, or inflammable material, to constitute in the judgment of the director a fire menace to life or property: Provided, That sagebrush and grass areas east of the summit of the Cascade Mountains are not included unless such areas are adjacent to or intermingled with areas supporting tree growth;

“Forest material” means forest slashing, chopping, woodland, or brushland.

[R.C.W. 76.04.010 is derived from R.R.S. §§ 5781, 5784 (part defining “forest fire service”) and 5809.]

Amendment.

Sec. 2. Section 76.04.150, R.C.W., as derived from section 1, chapter 11, Laws of 1945, is amended to read as follows:

No one shall burn any inflammable material within any county in this state in which there is a warden or ranger during the period beginning the
fifteenth day of February, and ending on the fifteenth day of October in each year, unless a different date for such beginning and ending is fixed by proclamation of the governor, without first obtaining permission in writing from the supervisor, or a warden, or ranger, and afterwards complying with the terms of said permit. However, if such fire is contained in a suitable device sufficient, in the opinion of the supervisor to prevent the fire from spreading, said written permission will not be necessary. A person violating this section shall, upon conviction, be fined not less than twenty-five dollars nor more than five hundred dollars or be imprisoned in the county jail not exceeding thirty days. Permission for burning shall be given only upon compliance with such rules and regulations as the director shall prescribe, which shall be only such as the director deems necessary for the protection of life or property.

The supervisor, any of his assistants, any warden or ranger, may refuse, revoke, or postpone the use of permits to burn when such act is clearly necessary for the safety of adjacent property.

SEC. 3. Section 76.04.230, R.C.W., as derived from section 1, chapter 102, Laws of 1945, is amended to read as follows:

When any fire hazard exists, or has been created by any logging or clearing operations, and whether the supervisor has declared the same to be a fire hazard or not, and whether or not an effort has been made to remove or abate such fire hazard, an application may be made to the supervisor for a certificate of clearance.

As soon as practicable after the receipt of such written request the supervisor shall cause the area to be carefully inspected and if it is found that the unused material and debris has been properly disposed of or the fire hazard abated, through deterioration or utilization, the supervisor shall issue a
Certificate of clearance.

Certificate of clearance in duplicate, one copy to be delivered to the applicant and one copy to be retained in the records of his office. Each such certificate of clearance shall describe with reasonable accuracy the slashing, chopping or other area on which the unused material or other debris or fire hazard has been satisfactorily disposed of or the fire hazard abated through deterioration or utilization, by subdivision, section, township, and range, shall give the approximate acreage of the area to which the certificate applies, shall name the person who created such slashing, chopping, unused material, or fire hazard, if known, and name the person by whom the disposal or abatement was done, shall give the date on which the area was inspected and the name of the person making the inspection, and shall certify that in the opinion of the inspector such unused forest material or debris has been properly disposed of or through deterioration or utilization the fire hazard abated. Such certificate of clearance shall be issued for any fraction or part of the area inspected when the inspector finds that only such fraction or part meets the requirements of satisfactory and legal disposition of such unused material or debris and of the abatement of such fire hazard.

Whenever the supervisor determines that the burning of any area will result in the destruction of second growth or will be detrimental to the growth of a new forest crop, or that burning such area will create a greater fire hazard than already exists, he may issue a certificate of clearance therefor: Provided, That the owner and/or operator will still be responsible for the costs of fire fighting made necessary by said fire hazard and the supervisor will have the right to require extra protection to be given the area by the owner and/or operator if the hazard warrants it: Provided further, That should the owner elect not to continue to be responsible for fire fight-
ing costs, he may in lieu thereof request the supervisor to be relieved of this responsibility and if agreeable with the supervisor, contract to pay to the division of forestry, or an organized forest protection agency approved by the supervisor a sum to be fixed by the supervisor.

All certificates of clearance shall be conclusive evidence of the satisfactory and legal disposition and abatement of the unused material and debris and the fire hazard created thereby to the extent in such certificate set forth; but any such certificate may be cancelled or set aside, upon due notice served in writing by the supervisor for fraud or collusion in the procuring or issuance thereof, or in the event of non-compliance with any provision or condition therein.

SEC. 4. Section 76.04.250, R.C.W., as derived from section 14, chapter 125, Laws of 1911; section 6, chapter 184, Laws of 1923; sections 1, 2 and 3, chapter 152, Laws of 1937; and section 1, chapter 63, Laws of 1941, is amended to read as follows:

SEC. 8. Section 76.04.360, R.C.W., as derived from section 1, chapter 43, Laws of 1925, is amended to read as follows:

If any owner of forest land neglects or fails to provide adequate fire protection therefor as required by the preceding section, the director, through the supervisor, shall provide such protection therefor at a cost not to exceed seven cents an acre per year on lands west of the summit of the Cascade Mountains and five cents per acre per year on lands east of the summit of the Cascade Mountains and for that purpose may divide the forest lands of the state, or any part thereof, into districts, for patrol and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place unprotected lands under the administration of the proper district. Such cost must be justified by a showing of budgets on demand of twenty-five owners of forest land in the county concerned at public hearing. Any amounts paid or contracted to be paid by the supervisor for this purpose from any funds at his disposal shall be a lien upon the property patrolled and protected, and unless reimbursed by the owner within ten days after October first of the year in which they were incurred, on which date the supervisor shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by him as adequate, shall be reported by the supervisor to the assessor of the county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, and the amounts shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that the next general state and county taxes on the same property are collected, except that er-
errors in assessment may be corrected at any time by the supervisor certifying them to the treasurer of the county in which the land involved is situated. Upon the collection of such assessments the county treasurer shall transmit them to the supervisor to be applied against expenses incurred in carrying out the provisions of this section.

The supervisor shall include in the assessment a sum not to exceed one-half of one cent per acre, to cover the necessary and reasonable cost of office and clerical work incurred in the enforcement of these provisions. He may also expend any sums collected from owners of forest lands or received from any other source for necessary office and clerical expense in connection with the enforcement of section 76.04.370.

When land against which fire patrol assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds of sale over and above the amount necessary to satisfy the county's delinquent tax judgment, and the county treasurer in case the proceeds of sale exceed the amount of the delinquent tax judgment shall forthwith remit to the supervisor the amount of the outstanding patrol assessments.

The supervisor shall furnish a good and sufficient surety company bond running to the state, in a sum as great as the probable amount of money annually coming into his hands under the provisions of this chapter, conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general.

[Am. R.R.S. § 5805.]
[R.C.W. 76.04.370 is Rem. Supp. § 5807.]

SEC. 9. Section 76.04.380, R.C.W., as derived from section 1, chapter 99, Laws of 1945, is amended to read as follows:
Any fire on any forest land burning uncontrolled and without proper action being taken to prevent its spread, notwithstanding the origin of such fire, is a public nuisance by reason of its menace to life and property. The owner, operator, or person in possession of land, on which a fire exists, or from which it may have spread, notwithstanding the origin or subsequent spread thereof on his own or other lands, shall make every reasonable effort to control and extinguish such fire immediately after receiving written notice to do so from the supervisor, or a warden or ranger; and if such owner, operator, or person in possession refuses, neglects, or fails to do so, the supervisor or any fire warden or forest ranger shall summarily abate the nuisance thus constituted by controlling or extinguishing the fire and the cost thereof may be recovered from such owner, operator, or person in possession and if the work is performed on the property of the offender, shall also constitute a lien upon the property or chattels under his ownership. Such lien may be filed by the supervisor in the office of the county auditor and foreclosed in the manner provided by law for the foreclosure of mechanics' liens. The prosecuting attorney shall bring the action to recover the cost or foreclose the lien, upon the request of the supervisor.

The payment of forest patrol assessment on the land shall be interpreted as a reasonable effort in suppressing and extinguishing any fire on the land except when the fire started on that land as a result of owner/operator negligence and except when extra debris is present as described under laws pertaining to slash responsibility.

When a fire occurs in a logging operation it shall be fought to the full limit of available employees, and such fire fighting shall be continued with the necessary crews in such numbers as are, in the opinion of the supervisor or his authorized deputies, sufficient to bring the fire to a patrol basis, and the
fire shall not be left without a fire fighting crew or
fire patrol until authority so to do has been granted
in writing by the supervisor, or his authorized
deputies.

Sec. 10. Section 76.04.330, R.C.W., as derived
from section 18, chapter 125, Laws of 1911, is re-
pealed.

clause in this act shall be held invalid or unconsti-
tutional, such holding shall not affect the validity of
the remaining portions of the act.

public institutions, and shall take effect immediately.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 85.16.060, R.C.W., as derived from section 4, chapter 26, Laws of 1949, is amended to read as follows:

At any time and from time to time, after completion of the original construction of any such district's
system of improvements or after the completion of any alteration, reduction, enlargement, addition to, or other improvement of the system not constituting maintenance, as herein defined, the board may upon their own initiative, or upon petition filed by at least ten per cent of the total number of owners of property within the district subject to assessments for maintenance, as shown by the latest assessment roll of the district shall, fix a date for and hold a hearing at the county seat for the purpose of determining or redetermining the special benefits accruing from the maintenance of the district’s system of improvements to all property benefited thereby.

Whenever, after the determination of special benefits accruing from the maintenance of the district’s system of improvements, it appears to the board from a petition filed by the affected property owner or owners or otherwise, that by reason of permanent improvements or additions made, removed, abandoned or destroyed by fire or other casualty, or of other changes in the character or condition of the property, the benefits theretofore determined in respect to any one or more pieces or parcels of property are no longer fair, just and equitable, then the board shall appoint three appraisers who shall qualify as in 85.08.360 hereof. Said appraisers shall proceed immediately to carefully examine the pieces or parcels of property as to which since the last determination of special benefits thereto there have been permanent improvements or additions made, removed, abandoned or destroyed by fire or other casualty or other changes in the character or condition of the property. Said appraisers shall file their sworn report with the

SEC. 3. There is hereby added to chapter 85.16 a new section to read as follows:

Whenever any payer of a diking, drainage, or sewerage improvement district maintenance assessment believes that, through obvious error in name, number, description, amount of benefit valuation, double assessment, or extension, or other obvious error, property on which he has paid an assessment has been erroneously assessed, he may pay such assessment under protest. If, within thirty days after such payment under protest, he files with the board a written verified petition setting out his name, address and legal description of the property, the nature of the obvious error alleged to have been made, and the date and amount of any assessment paid thereon, the board shall cause such claim to be investigated. If upon investigation any assessment is found to be erroneous through obvious error, the board shall order such assessment to be corrected if no bond or long-term warrant issue is affected. Where correction is ordered of an erroneous assessment already collected, the auditor, upon receipt of a certified copy of the board's order of correction, shall refund to the person paying the assessment the difference between the correct assessment and the erroneous assessment, plus legal interest on such difference from date of payment, by a warrant drawn on the maintenance fund of the district.

When any person applies to the county treasurer to pay the diking, drainage or sewerage improvement district assessments upon a portion of a lot, tract or parcel upon which special benefits have been confirmed, the county treasurer shall refer such matter to the county engineer for investigation. The county engineer shall apportion the total benefits found as to such lot, tract or parcel between the portions thereof in such manner as may be fair, just and equitable taking into account all factors, situations and conditions which may be lawfully taken into consideration in determining such special benefits. Unless the several owners interested in said lot, tract or parcel assent to the apportionment so made, the county engineer shall give notice of the apportionment by mail to them, if known. Upon assent of the interested owners or after the expiration of five days from the date of notice without the filing of a written protest to the apportionment, the county engineer shall certify in writing the apportioned benefit valuations to the county treasurer. The county treasurer, upon receipt of such certification, shall accept payment and issue receipt on the certified apportionment. If a written protest to such apportionment is filed with the county treasurer, the matter shall be heard by the county commissioners at their next regular session for final apportionment and the county treasurer shall accept and receipt for such assessments as determined and ordered by the county commissioners.

SECTION 1. The welfare of the children of this state is of paramount interest to the people of the state. It is the purpose of this act to foster the education of minors and to protect their moral and physical well-being. Organized professional baseball has in numerous cases induced minors to enter into contracts and agreements which have been unfair and injurious to them.

Sec. 2. As used in this act the following terms shall have the following meanings:

Such approval may be sought jointly, or at the request of either party seeking a contract.

Sec. 5. The prosecuting attorney shall have the authority to examine all the parties to the proposed contract and any other interested person and shall approve such contract if the following facts and circumstances are found to exist:

(1) That the minor has not been signed, approached, or contacted, directly or indirectly, pertaining to a professional baseball contract except as herein permitted by approval of the prosecuting attorney;

(2) That the minor has been apprised of the fact that approval of the contract may deprive him of his amateur status;

(3) That the parent of the minor and the minor have consented to the contract;

(4) That the prosecuting attorney has concluded that the contract conforms to the provisions of this act, and is a valid and binding contract;
(5) That the contract permits the minor to have at least five months available each year to continue his high school education.

Sec. 6. Should the prosecuting attorney not approve the contract as above provided, then such contract shall be void, and the status of the minor shall remain as if no contract had been made, unless the prosecuting attorney's determination be the result of arbitrary or capricious action.

Sec. 7. No representative of organized professional baseball nor agent, nor person purporting to be able to represent any institution in organized baseball, whether so authorized to represent such institution or not, shall initiate or participate in any negotiations which would induce an evasion of this law in any way, including the removal of any minor to another state, or violate the minor's high school athletic eligibility.

Sec. 8. Any person, firm, corporation, association, or agent thereof, who enters into a contract with a minor, or gives a bonus or any gratuity to any minor to secure the minor's promise to enter into a contract in violation of the provisions of this act, or shall otherwise violate any provisions of this act, shall be guilty of a gross misdemeanor.

The proposition to issue revenue bonds shall be submitted so as to enable the voters to vote for or against it independent of a vote on the plan, and if revenue bonds are to be issued, the amount of the bonds and the terms thereof shall be included in the proposition submitted.

The proposition to adopt the comprehensive plan may include provision for refunding any local improvement district bonds of a district, out of the proceeds of sale of revenue bonds, and a district may pay off any outstanding local improvement bonds with such funds either by purchase in the open market below their par value and accrued interest or by call at par value and accrued interest at the next succeeding coupon maturity date.

In the same manner as provided for the adoption and ratification of the original comprehensive plan, a plan providing for additions and betterments to the original plan may be adopted and ratified. Whenever an area has been annexed to a district after the adoption of the comprehensive plan, the commission shall have the right without further vote of the electors of the district to adopt a scheme for additions and betterments to the original comprehensive scheme to provide for the needs of the area annexed.

The district may incur a general indebtedness for the construction of the additions and betterments in the same way that general indebtedness may be incurred for the construction of the original plan after submission to the voters of the entire district in the manner the original proposition to incur indebtedness was submitted. Upon ratification the
additions and betterments may be carried out by the commissioners to the extent specified in the proposition to incur the general indebtedness.

The district may issue revenue bonds to pay for the construction of the additions and betterments in the same way revenue bonds may be issued for payment of the construction of the original comprehensive plan or any portion thereof. Revenue bonds for additions and betterments may be issued by the water commissioners without authorization of the voters of the district.

The notice shall be published for at least two weeks in two successive issues of a weekly newspaper printed in the county in which the district is located and of general circulation therein, and if no such newspaper is printed in the county, then in some newspaper of general circulation in the county and district. Prior to fixing the time for a hearing on any such petition, the commissioners in their discretion may require the petitioners to furnish a satisfactory bond conditioned that the petitioners shall pay all costs
incurred by the water district in connection with such petition, including the cost of an election if one is held pursuant thereto, and should the petitioners fail or refuse to post such a bond, if one is required by the water commissioners, then there shall be no duty on the part of the commissioners to act upon the petition.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The purpose of this act is to provide for the development, establishment, and enforcement of standards for the maintenance and operation of nursing homes, which, in the light of advancing knowledge, will promote safe and adequate care and treatment of the individuals therein. An important secondary purpose is the improvement of nursing home practices by educational methods so that such practices eventually exceed the minimum requirements of the basic law and its original standards.

SEC. 2. (1) “Nursing Home” means any home, place or institution which operates or maintains facilities providing convalescent or chronic care, or both, for a period in excess of twenty-four consecutive hours for four or more patients not related by blood or marriage to the operator, who by reason of illness or infirmity, are unable properly to care for themselves. Convalescent and chronic care may include any or all procedures commonly employed.
in waiting on the sick, such as administration of medicines, preparation of special diets, giving of bedside nursing care, application of dressings and bandages, and carrying out of treatment prescribed by a duly licensed practitioner of the healing arts. It may also include care of mentally incompetent persons if they do not require psychiatric treatment by or under the supervision of a physician who devotes all or a major portion of his time to this specialized field of medicine. CHAPTER 121.
[S. B. 156.]

ISSUANCE OF BONDS FOR HIGHWAY CONSTRUCTION AND AGATE PASS BRIDGE.

An Act relating to highways and roads; providing for the issuance, sale and retirement of motor vehicle revenue bonds in order to accelerate the reconstruction of primary state highway No. 1, construction of a four lane highway at Snoqualmie Pass, the construction of a Pasco-Kennewick bridge and the construction of Columbia Basin county arterial highways and farm to market roads in Grant, Franklin and Adams counties, as projects of the first priority; providing for the issuance of bonds to make the money expended from the motor vehicle fund for Agate Pass Bridge bonds of the Washington toll bridge authority available for war emergency or other high priority highway projects and making said bridge toll free; providing for reimbursement of all construction costs in said counties; regulating investments from the motor vehicle fund and amending section 47.60.100, R.C.W.; making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Reconstruction of primary state highway No. 1 from Oregon to British Columbia, construction of four traffic lanes at Snoqualmie Pass,
construction of an adequate highway bridge from Pasco to Kennewick and construction of county arterial highways and farm to market roads in Grant, Franklin and Adams counties to coincide with the opening of lands for settlement in the Columbia Basin irrigation project, are declared to be highway projects of the first priority. The construction of such projects is required in the interest of the public safety and for the orderly development of the state. The reimbursement of the motor vehicle fund for money used to purchase Agate Pass Bridge bonds will also make possible other war emergency or high priority highway construction. The threat of war makes acceleration of construction a vital necessity at this time.

Sec. 2. To provide funds for accelerating construction of these first priority projects, and to reimburse the motor vehicle fund for money expended for Agate Pass Bridge construction, there shall be issued and sold limited obligation bonds of the state of Washington in the sum of sixty-six million seven hundred three thousand, six hundred and twenty-five dollars. The issuance, sale and retirement of said bonds shall be under the general supervision and control of the state finance committee. The state finance committee shall, when notified by the director of highways, provide for the issuance of coupon or registered bonds to be dated, issued and sold from time to time in such amounts as may be necessary to the orderly progress of construction of the first priority projects.

Sec. 3. Each of such bonds shall be made payable at any time not exceeding twenty-five years from the date of its issuance, with such reserved rights of prior redemption as the state finance committee may prescribe to be specified therein. The bonds shall be signed by the governor and the state auditor under the seal of the state, one of which signatures
shall be made manually and the other signature may be in printed facsimile, and any coupons attached to such bonds shall be signed by the same officers whose signatures thereon may be in printed facsimile. Any bonds may be registered in the name of the holder on presentation to the state treasurer or at the fiscal agency of the state of Washington in New York City, as to principal alone, or as to both principal and interest under such regulations as the state treasurer may prescribe. Such bonds shall be payable at such places as the state finance committee may provide. All bonds issued under authority of this act shall be fully negotiable instruments.

Sec. 4. Bonds issued under the provisions of this chapter shall distinctly state that they are not a general obligation of the state, but are payable in the manner provided in this chapter from the proceeds of all state excise taxes on motor vehicle fuels imposed by chapter 82.36 and sections 82.36.020, 82.36.230, 82.36.250, and 82.36.400, R.C.W., as derived from chapter 58, Laws of 1933, as amended, and as last amended by chapter 220, Laws of 1949; and chapter 82.40 and section 82.40.020, R.C.W., as derived from chapter 127, Laws of 1941, as amended, and as last amended by chapter 220, Laws of 1949. The proceeds of such excise taxes are hereby pledged to the payment of any bonds and the interest thereon issued under the provisions of this chapter, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle fuels in amounts sufficient to pay the principal and interest on all bonds issued under the provisions of this chapter when due.

SEC. 5. The bonds issued hereunder shall be in denominations to be prescribed by the state finance committee and may be sold in such manner and in such amounts and at such times and on such terms and conditions as the committee may prescribe. If bonds are sold to any purchaser other than the state of Washington, they shall be sold at public sale, and it shall be the duty of the state finance committee to cause such sale to be advertised in such manner as it shall deem sufficient. Bonds issued under the provisions of this chapter shall be legal investment for any of the funds of the state, except the permanent school fund: Provided, That bonds authorized herein to reimburse the motor vehicle fund for the cost of the Agate Pass Bridge construction shall be sold at the earliest date which the committee finds feasible.

SEC. 6. The money arising from the sale of said bonds shall be deposited in the state treasury to the credit of the motor vehicle fund and such money shall be available only for the construction of such first priority projects, reimbursement of the motor vehicle fund for money expended for construction of the Agate Pass Bridge in order to make such money available for war emergency highway projects or other high priority highway uses, and payment of the expense incurred in the printing, issuance and sale of any such bonds.

SEC. 7. Any funds required to repay such bonds, or the interest thereon when due, subject to the proviso of this section, shall be taken from that portion of the motor vehicle fund which results from the imposition of all excise taxes on motor vehicle fuels and which is, or may be, appropriated to the highway department for state highway purposes, and shall never constitute a charge against any allocations of such funds to counties, cities and towns unless and until the amount of the motor vehicle
fund arising from the excise taxes on motor vehicle fuels and available for state highway purposes proves insufficient to meet the requirements for bond retirement or the interest on any bonds: Provided, That money required hereunder to pay interest on or to retire any bonds issued for Columbia Basin county arterial highways or farm to market roads shall be repaid by any such county or counties wherein such highways or roads are constructed in the manner set forth in section 9 of this act.

Sec. 8. At least one year prior to the date any interest is due and payable on such bonds or before the maturity date of any bonds, the state finance committee shall estimate, subject to the provisions of section 7, the percentage of the receipts in money of the motor vehicle fund, resulting from collection of excise taxes on motor vehicle fuels, for each month of the year which will be required to meet interest or bond payments hereunder when due, and shall notify the state treasurer of such estimated requirement. The state treasurer shall thereafter from time to time each month as such funds are paid into the motor vehicle fund, transfer such percentage of the monthly receipts from excise taxes on motor vehicle fuels of the motor vehicle fund to the highway bond retirement fund, which is hereby established, and which fund shall be available solely for payment of such interest or bonds when due. If in any month it shall appear that the estimated percentage of money so made is insufficient to meet the requirements for interest or bond retirement, the treasurer shall notify the state finance committee forthwith and such committee shall adjust its estimates so that all requirements for interest and principal of all bonds issued shall be fully met at all times.

Sec. 9. The director of highways shall report separately to the state finance committee all sums ex-
pended from funds resulting from the sale of bonds for Columbia Basin county arterial highways and farm to market roads in Grant, Franklin and Adams counties under the provisions of this chapter. Such counties shall repay to the state all the cost of any Columbia Basin highway or road facilities actually constructed under the provisions of this chapter within each of such counties as follows: The state finance committee, at least one year prior to the date any interest is due and payable on such bonds or before the maturity date of any such bonds, shall ascertain the percentage of the motor vehicle funds arising from the excise taxes on motor vehicle fuels, which is to be transferred to such counties under the provisions of law which will be necessary to pay all of the interest upon or retire when due all of the portion of said bonds chargeable to expenditures incurred under the provisions of this chapter in each of said counties. The state finance committee shall notify the state treasurer of this estimate and the treasurer shall thereafter, when distributions are made from the motor vehicle fund to counties, retain such percentage of the total sums credited to such counties as aforesaid in the motor vehicle fund arising from the excise taxes on motor vehicle fuels until such fund is fully reimbursed for all expenditures under this chapter in Grant, Adams and Franklin counties. Any money so retained shall be available for state highway purposes.

Sec. 10. The sums retained from motor vehicle funds arising from the excise taxes on motor vehicle fuel, of any such counties shall not exceed in any distribution period fifty per cent of the total amount to be credited to such county. If there shall be a deficit in the amount available for reimbursement of the motor vehicle fund, due to this provision, then such deficit shall continue to be a charge against any

[ 309 ]

Sums due any such county from the motor vehicle fund from such excise taxes until the full cost of such Columbia Basin highway facilities is paid.

Sec. 11. Whenever the percentage of the motor vehicle fund arising from excise taxes on motor fuels, payable into the highway bond retirement fund, shall prove more than is required for the payment of interest on bonds when due, or current retirement of bonds, any excess may, in the discretion of the state finance committee, be available for the prior redemption of any bonds or remain available in the fund to reduce the requirements upon the fuel excise tax portion of the motor vehicle fund at the next interest or bond payment period.

Sec. 12. The bonds authorized herein are allocated to the first priority projects as follows:

(1) Forty-nine million two hundred fifty thousand dollars of the total issue for the acceleration of the reconstruction of primary state highway No. 1, said amount to be expended on said primary state highway No. 1 as follows: Thirty-three million five hundred thousand dollars between Everett, Seattle, Tacoma, Olympia, Chehalis, Centralia, Kelso, Vancouver, and the Oregon boundary line, and fifteen million seven hundred fifty thousand dollars between Everett and the Canadian boundary line;

(2) Six million five hundred thousand dollars of the total issue for the construction of the highway bridge from Pasco to Kennewick;

(3) Four million two hundred fifty thousand dollars of the total issue for the construction of a four lane highway at Snoqualmie Pass;

(4) Five million dollars of the total issue for the construction of Columbia Basin county arterial highways and farm to market roads in Grant, Franklin and Adams counties, for which the state must be reimbursed as provided in section 9; and
SESSION LAWS, 1951.

(5) One million seven hundred three thousand six hundred twenty-five dollars of the total issue for reimbursement of the motor vehicle fund for money spent for Washington toll bridge authority bonds purchased in connection with the construction of the Agate Pass Bridge, said sum of one million seven hundred three thousand six hundred twenty-five dollars to be used when it becomes available in the motor vehicle fund, under allotments to be made by the director of highways, for war emergency or other high priority highway projects: Provided, That no bonds shall be issued for Columbia Basin county arterial highway and road purposes unless expenditures are actually required for the settlement of lands ready for irrigation in the Columbia Basin project and all construction of arterial highways and roads in such counties shall be accomplished by the engineering forces of the various counties under the supervision of the director of highways.

Sec. 13. When the state finance committee has made arrangements for the sale of sufficient bonds to reimburse the motor vehicle fund in the sum of one million seven hundred three thousand six hundred twenty-five dollars as aforesaid, the committee shall notify the Washington toll bridge authority and the authority is thereafter directed to transfer the Agate Pass Bridge to the highway department for operation as a toll free part of the state highway system. The bonds of the authority issued to construct the Agate Pass Bridge shall then be cancelled.

Sec. 14. Section 47.60.100, R.C.W., as derived from section 8, chapter 179, Laws of 1949, is amended to read as follows:

Notwithstanding any other provision of the law, bonds issued by the authority shall be legal investments by the state finance committee of any state
monies in its hands, except permanent school funds and motor vehicle funds.

SEC. 15. There is appropriated from the motor vehicle fund the sum of sixty-six million seven hundred three thousand six hundred and twenty-five dollars, or so much thereof as may be necessary, to carry out the provisions of this chapter, but no money shall be available under this appropriation from said fund unless a like amount of the bonds provided for herein are sold and the money derived deposited to the credit of such fund.

SEC. 16. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

viding for the establishment and administration of state hospitals therefor, the care and treatment of the mentally ill, charges for hospitalization and other costs, procedures for admission and transfer of patients, and repealing chapter 71.04, R.C.W., and sections 71.12.020 to 71.12.160, R.C.W., both inclusive.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The provisions of this act shall be liberally construed so that persons who are in need of care and treatment for mental illness shall receive humane care and treatment and be restored to normal mental condition as rapidly as possible with an avoidance of loss of civil rights where not necessary, and with as little formality as possible, still preserving all rights and all privileges of the person as guaranteed by the constitution.

SEC. 3. Any person complained against in any application or proceedings started by virtue of the provisions of this act shall not forfeit or suffer any
legal disability by the reason of the pendency of proceedings under this act, until an order declaring such person to be mentally ill has been entered. A person shall be presumed to be competent to manage his affairs when such person has been certified as discharged as recovered from a state hospital or other facility to which he has been hospitalized as a mentally ill person: Provided, however, Before any such discharge shall issue, the mentally ill person must have been examined by the superintendent of a state hospital, or person in charge of such other facility, within thirty days immediately preceding his discharge as recovered. The superintendent of a state hospital shall have authority to receive such persons for the above examination although a prior discharge has been issued.

SEC. 4. Nothing in this act shall be construed as affecting the laws of this state relating to the criminally insane or insane inmates of penal institutions. Where the term "insane" is used in other statutes of this state its meaning shall be synonymous with mental illness as defined in this act.

SEC. 5. The short title of this act shall be cited as "The Mental Illness Hospitalization Act."

SEC. 6. There are hereby permanently located and established the following state hospitals: Western state hospital at Fort Steilacoom, Pierce County; eastern state hospital at Medical Lake, Spokane County; and northern state hospital near Sedro-Woolley, Skagit County.

SEC. 7. The superintendent of a state hospital shall be a skillful practicing physician, and shall reside in the hospital; he shall have control of the medical, therapeutic, and dietetic treatment of the patients, which shall include authority to cause the performance of all necessary surgery. The superintendent, subject to rules and regulations of the
department, shall have control of the internal government and economy of a state hospital, shall appoint and direct all subordinate officers and employees, and shall designate those employees whose residence at the hospital is deemed essential for its proper operation.

Sec. 8. The superintendent shall provide an official seal upon which shall be inscribed the statutory name of the hospital under his charge and the name of the state. He shall affix the seal of the hospital to any notice, order of discharge, or other paper required to be given by him or issued.

Sec. 9. The superintendent shall not be required to attend any court as a witness in a civil or juvenile court proceedings, but parties desiring his testimony can take and use his deposition; nor shall he be required to attend as a witness in any criminal case, unless the court before which his testimony shall be desired shall, upon being satisfied of the materiality of his testimony require his attendance; and he and all other persons employed at the hospital shall be exempt from serving on juries; and, in time of peace, from performing military duty; and the certificate of the superintendent shall be evidence of such employment.

Sec. 10. The superintendent is authorized to accept and receive from any person or organization gifts of money or personal property on behalf of the state hospital under his charge, or on behalf of the patients therein. The superintendent is authorized to use such money or personal property for the purposes specified by the donor where such purpose is consistent with law. In the absence of a specified use the superintendent may use such money or personal property for the benefit of the state hospital under his charge or for the general benefit of the patients therein. The superintendent shall keep an
accurate record of the amount or kind of gift, the date received, and the name and address of the donor. The superintendent may deposit any money received as he sees fit upon the giving of adequate security. Any increase resulting from such gift may be used for the same purpose as the original gift. Gratuities received for services rendered by a state hospital staff in their official capacity shall be used for the purposes specified in this section.

Sec. 11. Pursuant to rules and regulations established by the department, the superintendent of a state hospital may receive and detain any person who is, in his opinion, a suitable person for care and treatment as mentally ill, or for observation as to the existence of mental illness, upon the receipt of a written application of the person, or others on his behalf, in accordance with the following requirements:

1. In the case of an adult person, the application shall be voluntarily made by the person, at a time when he is in such condition of mind as to render him aware of the significance of his act;

2. In the case of a minor person, the application shall be made by his parents, or by the parent, guardian, or other person entitled to his custody;

3. In the case of an adult person for whom a guardian of the person has been appointed, such application shall be made by said guardian, when so authorized by proper court order in the guardianship proceedings.

Sec. 12. Any person received and detained in a state hospital pursuant to the above section shall be deemed a voluntary patient and shall not suffer a loss of legal competency by reason of his application and admission. Upon the admission of a voluntary patient to a state hospital the superintendent shall immediately forward to the department the record of such patient showing the name, address, sex, age,
place of birth, occupation, date of admission, name of nearest relative, and such other information as the department may from time to time require.

Sec. 13. No adult person received into a state hospital under such voluntary application shall be detained therein for more than twelve days after his having given notice in writing to the superintendent of his desire to leave such hospital. No minor person or adult for whom a guardian of the person has been appointed received into a state hospital as a voluntary patient, shall be detained therein for more than twelve days after notice is given in writing to the superintendent by the parents, or the parent or guardian or other person entitled to custody of the minor or adult under guardianship, of their desire to remove him from the hospital. If the superintendent believes that further care, treatment or restraint is required, he shall, within the twelve-day period, start proceedings for the involuntary hospitalization of such patient. A minor received into a state hospital as a voluntary patient shall not be detained after he reaches the age of majority, but such minor upon reaching majority may apply for admission into a state hospital as a voluntary patient: Provided, however, If said notice is given within less than eighteen days from date of admission the superintendent shall have the right to detain such voluntary patient for a period not to exceed thirty days from time of admission.

Sec. 14. It shall be the policy of the department to permit liberal use of the foregoing sections for the admission of those cases that can be benefited by treatment and returned to normal life and mental condition, in the opinion of the superintendent, within a period of six months. No person shall be carried as a voluntary patient for a period of more than one year. No person shall be admitted as a
voluntary patient who has not been a resident of the state of Washington for a period of two years immediately preceding application for admission.

Sec. 15. If it becomes necessary because of inadequate facilities or staff, the department may limit applicants for voluntary admission in accordance with such rules and regulations as it may establish. The department may refuse all applicants for voluntary admission where lack of adequate facilities or staff make such action necessary.

Sec. 16. Payment of hospitalization charges shall not be a necessary requirement for voluntary admission: Provided, however, The department may request payment of hospitalization charges, or any portion thereof, from the patient or relatives of the patient within the following classifications: Spouse, parents, or children. Where the patient or relatives within the above classifications refuse to make the payments requested, the department shall have the right to discharge such patient or initiate proceedings for involuntary hospitalization. The maximum charge shall be the same for voluntary and involuntary hospitalization.

Sec. 17. Any person may make application to the superior court for the county in which an alleged mentally ill person is found, for the involuntary hospitalization of such person. Such application shall be made under oath and shall be to the effect that there is in such county a mentally ill person who by reason of such mental illness is unsafe to be at large and requesting that such person be taken before the superior court for examination. Before accepting said application for filing, the same must be endorsed by the prosecuting attorney of said county, where the court has not designated some other person, to the effect that he has examined the applicant, investigated the merits of the applica-
tion and believes reasonable grounds exist for filing of same.

Sec. 18. Upon the filing of such application the court shall issue an order setting a date for hearing and examination. Such application may contain a statement to the effect that immediate apprehension and detention is necessary to safeguard the lives and property of the alleged mentally ill person or others. If such statement is contained in the application, the court shall issue an order of apprehension directing that the alleged mentally ill person be immediately apprehended and detained pending hearing and examination. The sheriff or other person as designated by the court, shall execute the order of apprehension. In emergencies requiring immediate apprehension and restraint, or at times when superior courts are not open for business, any sheriff or other peace officer, may, when he shall have reasonable cause to believe any person is so mentally ill as to be unsafe to be at large, apprehend such person without warrant, wherever found, and detain him or her in suitable quarters until an application can be made as above provided.

Sec. 19. A copy of the application, notice of hearing, and order of apprehension shall be served upon the alleged mentally ill person by the sheriff or other person as designated by the court. The clerk of the court shall cause notice of hearing to be given to the guardian, spouse, or next of kin of the alleged mentally ill person, if known, and in that respective priority, unless such person shall have filed the original application. Such notice shall specify the name of the applicant, date of application, place of detention, and date, time, and place of hearing. Such notice shall also specify the alleged mentally ill person’s right to trial by jury and right to be represented by counsel. Notice to the alleged mentally ill person may be eliminated if the court finds
that the serving of such notice might be injurious to the health of such person and if a guardian *ad litem* is appointed.

Sec. 20. If the court shall find after hearing and examination that the person filed against is mentally ill, it shall enter an order directing the hospitalization of such person pursuant to section 25.

Sec. 21. At the hearing on the application the court shall require the testimony of at least two licensed physicians, who shall have made a joint examination of the alleged mentally ill person, and who shall have filed with the court a written report of the facts and circumstances upon which their testimony is based. Such report shall contain a statement as to whether or not the person filed against is mentally ill. The person filed against, his guardian, relatives, or friends, or the court of its own motion, may summon or produce such witnesses and evidence as they may desire. At least two of the testifying physicians must have been appointed by the court for the purpose of examining the alleged mentally ill person.

Sec. 22. If no guardian of the person has been appointed, the court may appoint a guardian *ad litem* to represent the patient during proceedings. The person filed against shall have the right to be represented by an attorney if requested.

Sec. 23. At commencement of hearing the person filed against, his guardian, attorney or guardian *ad litem*, may request a trial by jury. Such request shall be in writing and filed with the court accompanied by the required fee. The court shall then enter an order directing the alleged mentally ill person to be detained pending trial and shall set a date for such trial.

Sec. 24. Where trial is by jury the testimony and evidence required by section 21 shall be pre-
sentenced. After all the evidence is in the jury shall determine whether or not the person filed against is mentally ill. If the jury finds that such person is mentally ill the court shall enter an order directing the hospitalization of such person in accordance with section 25.

**Sec. 25.** Where a person is found to be mentally ill the court shall:

1. Order a person hospitalized at a state hospital until released by the superintendent thereof; or
2. Order such person hospitalized by the United States veterans’ administration, or other agency of the United States government, where it appears that the mentally ill person is eligible for such treatment, and a certificate of eligibility has been obtained from the veterans’ administration, or agency of the United States government, until released by such agency; or
3. Order such person hospitalized at a private facility for the care and treatment of the mentally ill, where such facility is willing to accept such mentally ill person, until released by the chief officer thereof; or
4. Where the mentally ill person is not dangerous to the lives or property of others, and is not dangerous to himself, the court may direct that custody of such person be given to such friends or relatives as are willing and able to care for him.

If ordered hospitalized all personal effects, including contents of trunks, boxes and other containers to be transferred with the patient, shall be inventoried by the sheriff or other person making the apprehension and a copy of said inventory shall be given to the representative of the hospital at the time of transfer of the patient.

**Sec. 26.** The United States veterans' administration, or other United States government agency, or
the chief officer of a private facility shall have the same powers as are conferred upon the superintendent of a state hospital with reference to retention, transfer, parole, or discharge of mentally ill persons ordered hospitalized in their facilities.

SEC. 27. The court shall retain jurisdiction for the purpose of entering further appropriate orders until such time as a patient is certified as discharged.

SEC. 28. There shall be set aside in each county of the state of Washington having a county hospital, such portions of such hospital as may be necessary for the detention and observation of those persons detained under the provisions of this act pending further proceedings. In each such hospital there shall be separate detention wards for males and females. The superior court may order the examination of such persons by medical personnel for the purpose of obtaining testimony as to the alleged mentally ill person's condition. Such observation period shall not exceed sixty days unless a jury trial has been demanded: Provided, however, That in all counties having no county hospital, the court may designate as a detention ward such other place of detention and treatment as he may deem suitable for the purpose of this act.

SEC. 29. Persons found to be mentally ill by the courts of the various counties and in need of hospitalization at a state hospital shall be hospitalized at the following state hospitals: From the counties of Grays Harbor, Clark, Cowlitz, King, Kitsap, Lewis, Mason, Pacific, Pierce, Thurston and Wahkiakum, to the western state hospital; from the counties of Adams, Asotin, Benton, Chelan, Columbia, Douglas, Ferry, Franklin, Garfield, Grant, Kittitas, Klickitat, Lincoln, Okanogan, Pend Oreille, Skamania, Spokane, Stevens, Walla Walla, Whitman and Yakima, to the eastern state hospital; from the counties of Clallam, King, Island, Jefferson, San Juan, Skagit,
Snohomish and Whatcom, to the northern state hospital: Provided, however, That whenever the department of public institutions shall certify to the superior court of any county that the hospital above specified to receive mentally ill persons from such county is temporarily unable to care for additional patients, and shall designate one of the other hospitals, the court shall order patients hospitalized at such other hospital until further advised by the department: And provided further, That if it shall be made to appear to the satisfaction of the court ordering the hospitalization of a mentally ill person, upon the application of the guardian or attorney representing such person, that by reason of climatic conditions, the nature of the mental illness, or location of relatives, it would be to the best interest of the patient to be hospitalized at another state hospital, and such other hospital can accommodate said patient, the court may order such person hospitalized at such other state hospital.

Sec. 30. Whenever any person shall be brought before the court for examination and hearing on application for involuntary hospitalization, the court shall, if such person is found mentally ill, inquire into the nationality of such person and may summon witnesses and require the production of documentary evidence for that purpose. If it shall appear that such person is an alien, the court shall cause the clerk to make out and transmit to the United States district director of immigration and naturalization in the state of Washington, and to the superintendent of the state hospital where such patient is to be hospitalized, a report showing the names and addresses of all witnesses who appeared and testified as to the nationality of the mentally ill person, a synopsis of the testimony of each witness and copies of documentary evidence tending to show the nationality found at the hearing.
SEC. 31. Any person making or filing an application alleging a person to be mentally ill under the provisions of this act shall not be rendered civilly or criminally liable where the making and filing of such application was in good faith.

SEC. 32. Any person apprehending an alleged mentally ill person under the provisions of this act shall take reasonable precautions to safeguard the property of such person. At any time after application has been filed the court may make such orders relative to such person's personal property as may seem necessary for his best interests, health and welfare, pending the appointment of a guardian of such person's estate.

SEC. 33. For the purpose of conducting hearings and examinations under this act, court may be convened at any time and place within the limits of the county in which the court resides: Provided, That hearings and examinations under this act may be closed to the general public unless the guardian, attorney, or guardian ad litem representing the alleged mentally ill person demands an open hearing as in other civil actions, or unless a jury is demanded.

SEC. 34. Subpoenas may be issued to compel the attendance of witnesses or the production of evidence in the same manner as in civil cases: Provided, That such subpoenas shall be effective within the boundaries of the county of the issuing court. All witnesses shall be allowed witness fees as in criminal cases.

SEC. 35. The report of medical testimony, order directing hospitalization, order directing payment of court costs, transportation and hospitalization charges, and order directing disposition or safeguarding of a mentally ill person's property shall be entered on forms provided by the department of public institutions.
SEC. 36. The department of public institutions shall be charged with the execution of orders of hospitalization at state hospitals and orders directing payment of hospitalization charges at such hospitals, including the transportation of persons so hospitalized.

SEC. 37. A copy of the medical report, order of hospitalization, and order directing payment of hospitalization charges shall be delivered with the patient to the superintendent of the state hospital or officer in charge of veterans' facility, wherein a patient is ordered hospitalized: Provided, however, that if said medical report is not filled out legibly and completely, giving essential information pertaining to the patient, the hospital may refuse admission of the patient.

SEC. 38. All files in these cases shall be closed files subject to examination only on court order. Where a person is found mentally ill the clerk shall cause the following facts to be noted in his probate docket: Name and age of such person, date of order of hospitalization, place of hospitalization, date of parole and date of discharge. Where a person is found not to be mentally ill the clerk shall cause such proceedings to be noted in an alphabetically arranged index, which index shall contain the following information: Name of person filed against, date of order dismissing proceedings, and probate cause number. This index shall be open to inspection only under court order. Nothing in this section shall be construed to prevent the forwarding of all case histories, physicians' reports, and other case data to the state hospital or other agency in which a mentally ill person may have been ordered hospitalized.

SEC. 39. Applications for involuntary hospitalization shall be handled as a probate matter. Nothing in this act shall be construed as limiting or modifying the powers of the various court commissioners.
Sec. 40. It shall be the duty of the superintendent to ascertain by diligent inquiry and correspondence, the history of each and every patient admitted to his hospital.

Sec. 41. Whenever in the judgment of the superintendent of any state hospital, any patient shall have so far recovered as to make it safe for such patient and for the public to allow him to be at large, the superintendent may parole such patient and allow him to leave such hospital, and whenever in the judgment of the superintendent any patient has been restored his mental health and is probably free from danger of relapse or recurrence of mental illness, the superintendent shall discharge such patient from the hospital. The superintendent may parole patients on such terms and conditions as he may deem advisable. Whenever a patient shall have been in a parole status for a period of one year, the superintendent shall review such patient’s case relative to the advisability of discharge.

No indigent patient shall be paroled or discharged without suitable clothing, and the superintendent shall furnish the same, together with such sum of money as he shall deem necessary for the immediate welfare of the patient, not to exceed fifty dollars. When the superintendent revokes the parole of any patient, he may request the superior court of the county wherein the patient is found to order the apprehension and detention of such patient. The court shall thereupon order the apprehension of such patient and shall detain him until returned to the state hospital by the superintendent. Such detention shall be in facilities set forth in section 28 and subject to time limitations therein stated. The various county welfare departments shall assist the superintendents of the state hospitals in the placement of paroled or discharged patients in suitable surroundings when so requested by said superintendents.
Sec. 42. Whenever it shall be made to appear to the superior court of any county that any paroled patient found in such county has become unsafe to be at large, said court shall order such patient apprehended and returned to the hospital from which he was paroled and shall direct the sheriff to notify the superintendent of such order, which order of return shall be executed by the department of public institutions. In emergencies requiring immediate apprehension and detention, or at times when superior courts are not open for business, the sheriff may apprehend said parolee and detain him without warrant pending the issuance of a superior court order.

Sec. 43. If a patient shall escape from a state hospital the superintendent shall cause immediate search to be made for him and return him to said hospital wherever found. Notice of such escape shall be given to the committing court who may issue an order of apprehension and return directed to any peace officer within the state. Notice may be given to any sheriff or peace officer, who, when requested by the superintendent, may apprehend and detain such escapee or return him to the state hospital without warrant.

Sec. 44. Whenever a patient dies, escapes, or is paroled or discharged from a state hospital, the superintendent shall immediately notify the clerk of the court which ordered such patient's hospitalization. A copy of such notice shall be given to the next of kin or next friend of such patient if their names or addresses are known or can, with reasonable diligence, be ascertained. Whenever a patient is discharged the superintendent shall issue such patient a certificate of discharge. Such notice or certificate shall give the date of parole, discharge, or death of said patient, and shall state the reasons for parole or discharge, or the cause of death, and shall be signed by the superintendent.
Sec. 45. In the event of the sudden or mysterious death of any patient at a state hospital, not on parole or escape therefrom, such fact shall be reported by the superintendent thereof to the coroner of the county in which the death occurs.

Sec. 46. No mentally ill person under the age of sixteen years shall be regularly confined in any ward in any state hospital which ward is designed and operated for the care of the adult mentally ill. No person between the ages of sixteen and eighteen shall be placed in any such ward, when in the opinion of the superintendent such placement would be detrimental to the mental condition of such a minor person or would impede his recovery or treatment.

Sec. 47. The department of public institutions may designate one or more wards at one or more state hospitals as may be deemed necessary for the sole care and treatment of minors admitted under the provisions of this act. Nurses and attendants for such ward or wards shall be selected for their special aptitude and sympathy with such young people, and occupational therapy and recreation shall be provided as may be deemed necessary for their particular age requirements and mental improvement.

Sec. 48. The superintendent shall furnish each patient the material for writing at least one letter per week, if he shall request the same, unless otherwise provided. Patients’ letters shall be subject to the inspection of the superintendent, who shall mail to the proper address thereof such of them as in his judgment should be sent, and he shall retain such letters as he considers objectionable. All letters directed to the patients shall be delivered to them if, in the judgment of the superintendent, their contents are not prejudicial to the mental condition of the patient.

Sec. 49. The superintendent of a state hospital shall be the guardian without compensation of the
estate of a patient involuntarily hospitalized therein, without further proceedings and subject to the following limitations:

(1) He is guardian of such personal property as may come into his custody while the patient is under the jurisdiction of the hospital.

Such funds shall be transmitted to the state treasurer for deposit in the general fund after being held for the above purpose.

Sec. 58. The superior court may, upon petition, modify any existing order entered pursuant to section 51 of this act, where it is shown that the petitioner is unable to continue payment of hospitalization charges. Sec. 59. The department may apply for modification of any existing order where it is shown that there exists some relative within the classification set forth in section 51 of this act who is able to pay hospitalization charges. Such relative must be served with notice of such petition in the same manner as summons is served in civil action.
Sec. 60. The department shall have the right to collect hospitalization and transportation charges from a patient's estate or person legally responsible for the support of a patient without the entry of any order to such effect under section 51 of this act. D. The prior service contribution shall be twenty-five thousand dollars in each calendar year following completion of the first actuarial valuation, and shall continue at such rate until the assets of the retirement fund allocated to prior service benefits are equal to the then outstanding liability for prior service benefits.

E. The retirement board shall estimate biennially the amount required to maintain the retirement fund for the ensuing biennium.

CHAPTER 146.
[H. B. 143.]

OIL AND GAS CONSERVATION ACT.

An Act relating to the conservation of oil and gas; creating an oil and gas conservation committee; defining its powers and duties; authorizing certain practices, and defining certain crimes.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. It is hereby declared to be in the public interest to foster, encourage, and promote the development, production, and utilization of oil and gas in the state in such manner as will prevent waste; to authorize and to provide for the operation and development of oil and gas properties in such manner as to assure that the maximum economic recovery of oil and gas may be obtained and the rights of owners thereof fully protected; and to encourage, authorize, and provide for cycling, recycling, pressure maintenance and secondary recovery operations in order that the maximum economic recovery of oil and gas may be obtained to the end that land owners, royalty owners, producers, and the general public may realize and enjoy the greatest possible benefits from these vital resources.

SEC. 2. This act shall be known as the "Oil and Gas Conservation Act."

SEC. 3. For the purposes of this act, unless the text otherwise requires, the following terms shall have the following meanings:

(1) "Waste" in addition to its ordinary meaning, shall mean "physical waste" as that term is generally understood in the petroleum industry, and shall include:

(a) The inefficient, excessive or improper use of, or unnecessary dissipation of, reservoir energy; and the locating, spacing, drilling, equipping, operat-
ing or producing of any oil or gas well in a manner which results, or tends to result in reducing the quantity of oil or gas to be recovered from any pool in this state under operations conducted in accordance with good oil field engineering practices;

(b) The inefficient above ground storage of oil; and the locating, spacing, drilling, equipping, operating or producing of any oil or gas well in a manner causing, or tending to cause, unnecessary or excessive surface loss or destruction of oil or gas;

(c) Producing oil or gas in such manner as to cause unnecessary water channeling, or coning;

(d) The operation of an oil well with an inefficient gas-oil ratio;

(e) The drowning with water of any pool or part thereof capable of producing oil or gas, except insofar as, and to the extent, authorized by the committee hereunder;

(f) Underground waste;

(g) The creation of unnecessary fire hazards;

(h) The escape into the open air, from a well producing oil or gas, of gas in excess of the amount which is reasonably necessary in the efficient development or production of the well;

(i) The use of gas for the manufacture of carbon black, except as provided in section 15 hereof; and

(j) Production of oil and gas in excess of the reasonable market demand.

"Oil."

(2) "Oil" shall mean crude petroleum oil, and any other hydrocarbons regardless of gravity, which are produced at the well in liquid form by ordinary production methods or which are the result of condensation of gaseous hydrocarbons before or after they leave the reservoir, other than gas produced in association with oil and commonly known as wet gas.

"Gas."

(3) "Gas" shall mean all natural gas and other fluid or gaseous hydrocarbons not defined as oil in
subsection (2) above, including wet gas, dry gas and residue gas as those terms are generally understood in the petroleum industry.

(4) “Pool” shall mean an underground reservoir proven to contain a common accumulation of oil or gas, or both. Each zone of a general structure which is completely separated from any other zone in the structure is covered by the term “pool” as herein used.

(5) “Field” shall mean the general area which is underlaid by at least one pool and shall include the underground reservoir or reservoirs containing oil or gas, or both. The words “field” and “pool” mean the same thing when only one underground reservoir is involved; however, “field,” unlike “pool,” may relate to two or more pools.

(6) “Lessee” shall mean the lessee under an oil and gas lease, or the owner of any land or mineral rights who conducts or carries on any oil and gas development, exploration and operation thereon, or any person so operating for himself or others.

(7) “Person” shall mean any natural person, corporation, association, partnership, receiver, trustee, executor, administrator, guardian, fiduciary, or representative of any kind.

Sec. 4. There is hereby created and established an oil and gas conservation committee, which shall consist of the governor, the land commissioner, and the state auditor together with the director of conservation and development and the state treasurer. The governor shall be the chairman of this committee, and the commissioner of public lands shall be its executive secretary. The members of the committee may act through designated agents or deputies for the purpose of carrying out the provisions of this act.

Sec. 5. The committee shall hold hearings at such times and places as may be found by the committee to be necessary to carry out its duties. The commit-

The committee may establish its own rules for the conduct of public hearings.

Sec. 6. The committee shall have the authority and it shall be its duty to employ all personnel necessary to carry out the provisions of this act.

Sec. 7. The committee shall have the power to summon witnesses, to administer oaths, and to require the production of records, books, and documents for examination at any hearing or investigation conducted by it. No person shall be excused from attending and testifying, or from producing books, papers, and records before the committee or a court, or from obedience to the subpoena of the committee or a court, on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture: Provided, That nothing herein contained shall be construed as requiring any person to produce any books, papers, or records, or to testify in response to any inquiry not pertinent to some question lawfully before such committee or court for determination. No person shall be subjected to criminal prosecution or to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which, in spite of his objection, he may be required to testify or produce evidence, documentary or otherwise before the committee or court, or in obedience to its subpoena: Provided, however, That no person testifying shall be exempt from prosecution and punishment for perjury committed in so testifying.

Sec. 8. In case of failure or refusal on the part of any person to comply with a subpoena issued by the committee or in case of the refusal of any witness to testify as to any matter regarding which he may be interrogated, any superior court in the state, upon the application of the committee, may compel him to comply with such subpoena, and to attend before
the committee and produce such records, books, and
documents for examination, and to give his testi-
mony and shall have the power to punish for con-
tempt as in the case of disobedience to a like sub-
poena issued by the court, or for refusal to testify,
therein.

SEC. 9. The attorney general shall be the attor-
ney for the committee: Provided, That in cases of
emergency, the committee may call upon the pros-
ecuting attorney of the county where the action is
to be brought, or defended, to represent the commit-
tee until such time as the attorney general may take
charge of the litigation.

SEC. 10. It shall be the duty of the committee to
administer and enforce the provisions of this act,
and all rules, regulations and orders promulgated
hereunder, and the committee is hereby vested with
jurisdiction, power and authority, over all persons
and property, public and private, necessary to en-
force effectively such duty.

SEC. 11. The committee shall have authority to
make such reasonable rules, regulations and orders
as may be necessary from time to time for the proper
administration and enforcement of this act. Unless
otherwise required by law or by this act or by rules
of procedure made under this act, the committee
may make such rules, regulations and orders, after
notice, as the basis therefor. The notice may be
given by publication in some newspaper of general
circulation in the state in a manner and form which
may be prescribed by the committee by general rule.
The public hearing shall be at the time and in the
manner and at the place prescribed by the commit-
tee, and any person having any interest in the sub-
ject matter of the hearing shall be entitled to be
heard.

SEC. 12. Any interested person shall have the
right to have the committee call a hearing for the
purpose of taking action with respect to any matter within the jurisdiction of the committee by filing a verified written petition therefor, which shall state in substance the matter and reasons for and nature of the action requested. Upon receipt of any such request the committee, if in its judgment a hearing is warranted and justifiable, shall promptly call a hearing thereon, and after such hearing, and with all convenient speed, and in any event within twenty days after the conclusion of such hearing, shall take such action with regard to the subject matter thereof as it may deem appropriate.

Sec. 13. All rules, regulations and orders of the committee, all petitions, copies of all notices and actions with affidavits of posting, mailing or publications pertaining thereto, all findings of fact, and transcripts of all hearings shall be in writing and shall be entered in full by the committee in the permanent official records of the office of the commissioner of public lands and shall be open for inspection at all times during reasonable office hours. A copy of any rule, regulation, order, or other official records of the committee, certified by the executive secretary of the committee, shall be received in evidence in all courts of this state with the same effect as the original. The committee is hereby required to furnish for the public on request all rules, regulations, orders, and amendments thereof.

Sec. 14. Any person desiring or proposing to drill any well in search of oil or gas, before commencing the drilling of any such well, shall notify the committee upon such form as the committee may prescribe, and shall pay to the state treasurer a fee of one hundred dollars for each such permit. The drilling of any well is prohibited until such notice is given and such fee has been paid as herein provided. The committee shall have the authority to prescribe that the said form indicate the exact location
of such well, the name and address of the owner, operator, contractor, driller, and any other person responsible for the conduct of drilling operations, the proposed depth of the well, the elevation of the well above sea level, and such other relevant and reasonable information as the committee may deem necessary or convenient to effectuate the purposes of this act.

Sec. 15. Waste of oil and gas, as defined in this act, is prohibited.

Sec. 16. The use of gas from a well producing gas only, or from a well which is primarily a gas well, for the manufacture of carbon black or similar products predominantly carbon, is declared to constitute waste _prima facie_, and such gas well shall not be used for any such purpose unless it is clearly shown, at a public hearing to be held by the committee, on application of the person desiring to use such gas, that waste would not take place by the use of such gas for the purpose or purposes applied for, and that gas which would otherwise be lost is not available for such purpose or purposes, and that the gas to be used cannot be used for a more beneficial purpose, such as for light or fuel purposes, except at prohibitive cost, and that it would be in the public interest to grant such permit. If the committee finds that the applicant has clearly shown a right to use such gas for the purpose or purposes applied for, it shall issue a permit upon such terms and conditions as may be found necessary in order to permit the use of the gas, and at the same time require compliance with the intent of this section.

Sec. 17. The committee has authority, and it shall be its duty, to make such investigations as it may deem proper to determine whether waste exists or is imminent or whether other facts exist which justify action by the committee.
CH. 46. SESSION LAWS, 1951.

Sec. 18. The committee has authority to require:

1. Identification of ownership of oil or gas wells, producing leases, tanks, plants, structures, and facilities for the transportation or refining of oil or gas;

2. The making and filing of well logs, directional surveys, and reports on well locations, drilling, and production;

3. The drilling, casing, operating, and plugging of wells in such manner as to prevent the escape of oil or gas out of one pool into another, the intrusion of water into an oil or gas pool, the pollution of fresh water supplies by oil, gas, or salt water, and to prevent blow-outs, cavings, seepages, and fires;

4. The furnishing of a reasonable bond with good and sufficient surety, conditioned on the performance of the duty to plug each dry or abandoned well;

5. The operation of wells with efficient gas-oil and water-oil ratios, and to fix these ratios;

6. That the production of oil and gas from wells be accurately measured by such means and upon such standards as may be prescribed by the committee, and that every person who produces, sells, purchases, acquires, stores, transports, refines, or processes oil or gas in this state shall keep and maintain within this state complete and accurate records thereof, which records shall be available for examination by the committee or its agents at all reasonable times, and that every such person file with the committee such reports as it may prescribe with respect to such oil or gas; and

7. Compliance with each and all of the applicable statutes of this state and the rules and regulations of the supervisor of forestry for the prevention of unreasonable loss or damage to timber.

Sec. 19. The committee shall have further authority to regulate:
(1) The drilling, producing, spacing, and plugging of wells, and all other operations for the production of oil or gas;

(2) The shooting and chemical treatment of wells;

(3) Operations to increase ultimate recovery such as cycling of gas, the maintenance of pressure, and the introduction of gas, water, or other substances into producing formations;

(4) Disposal of salt water and oil field brines;

(5) The storage, processing, and refining of natural gas and oil produced within this state.

Sec. 20. The committee has authority to limit and to prorate oil or gas produced in this state and to restrict future production of oil and gas from any pool in such amounts as will offset and compensate for any production determined by the committee to be in excess of or in violation of “oil allowable” or “gas allowable” as defined herein.

Sec. 21. The committee also has authority to classify wells as oil or gas wells for purposes material to the interpretation or enforcement of this act.

Sec. 22. When necessary to prevent waste, to avoid the drilling of unnecessary wells, or to protect correlative rights, the committee shall establish well spacing areas. Well spacing areas when established shall be of uniform size and shape for the entire pool, except that when found to be necessary for any of the purposes above mentioned, the committee is authorized to divide any pool into zones and establish well spacing areas for each zone, which areas may differ in size and shape from those established in any other zone.

Sec. 23. The size and the shape of well spacing areas are to be such as will result in the efficient and economical development of the pool as a whole, and the size shall not be smaller than the maximum area
that can be efficiently drained by one well, nor greater than forty acres for oil or one hundred sixty acres for gas only.

Sec. 24. An order establishing well spacing areas for a pool shall specify the size and shape of each area and the location of the permitted well thereon in accordance with a reasonable uniform spacing plan. Upon application and after hearing, if the committee finds that a well drilled at the prescribed location would not produce in paying quantities, or that surface conditions would substantially add to the burden or hazard of drilling such well, the committee is authorized to enter an order permitting the well to be drilled at a location other than that prescribed by such spacing order; however, the committee shall include in the order suitable provisions to prevent the production from the well spacing area of more than its just and equitable share of the oil and gas in the pool.

Sec. 25. An order establishing well spacing areas for a pool shall cover all lands determined or believed to be underlaid by such pool, and may be modified by the committee from time to time to include additional areas determined to be underlaid by such pool. When the committee determines that it is necessary for the prevention of waste, or to avoid the drilling of unnecessary wells, or to protect correlative rights, an order establishing well spacing areas in a pool may be modified by the committee to increase the size of well spacing areas in the pool or any zone thereof, or to permit the drilling of additional wells on a reasonably uniform plan in the pool, or any zone thereof.

Sec. 26. When two or more separately owned tracts are embraced within a well spacing area, or when there are separately owned interests in all or a part of the well spacing area, then the owners and lessees thereof may combine their interests for the
development and operation of the well spacing area. In the absence of this voluntary combination, the committee, upon the application of any interested person, shall enter an order combining all interests in the well spacing area for the development and operation thereof. Each such combining order shall be made after notice and hearing, and shall be upon terms and conditions that are just and reasonable, and that afford to the owner of each tract or interest in the well spacing area the opportunity to recover or receive, without unnecessary expense or penalty, his just and equitable share. Operations incident to the drilling of a well upon any portion of a well spacing area covered by a combining order shall be deemed, for all purposes, the conduct of such operations upon each separately owned tract in the well spacing area by the several owners thereof. That portion of the production allocated to each tract included in a well spacing area covered by a combining order shall, when produced, be deemed for all purposes to have been produced from such tract by a well drilled thereon.

Sec. 27. Each such combining order shall make provision for the drilling and operation of a well on the well spacing area, and for the payment of the reasonable actual cost thereof by the owners of interests in the well spacing area, plus a reasonable charge for supervision. In the event of any dispute as to such costs the committee shall determine the proper costs. If one or more of the owners shall drill and operate, or pay the expenses of drilling and operating the well for the benefit of others, then, the owner or owners so drilling or operating shall have a lien on the share of production from the well spacing area accruing to the interest of each of the other owners for the payment of his proportionate share of such expenses. Such lien shall be only against the said share of production, and
not against any interest, estate, equity or title of any of the said other owners. All the oil and gas subject to the lien shall be marketed and sold and the proceeds applied in payment of the expenses secured by such lien.

SEC. 28. Whenever the committee shall require the making and filing of well logs, directional surveys or reports on the drilling of, subsurface conditions found in, or reports with respect to the substance produced, or capable of being produced from, a "wildcat" or "exploratory" well, as those terms are used in the petroleum industry, such logs, surveys, reports or information shall be kept confidential by the committee for a period of one year, if at the time of filing such logs, surveys, reports or other information, the owner, lessee, or operator of such well requests that such information be kept confidential: Provided, however, That the committee shall have the right to divulge or use such information in a public hearing or suit when it is necessary for the enforcement of the provisions of this act or any rule, regulation or order made hereunder.

SEC. 29. Whenever the total amount of oil which all of the pools in this state can currently produce in accordance with good operating practices, exceeds the amount reasonably required to meet the reasonable market demand, the committee shall limit the oil which may be currently produced in this state to an amount, designated the "oil allowable." The committee shall then prorate this "oil allowable" among the pools on a reasonable basis, avoiding undue discrimination among the pools, and so that waste will be prevented. In determining the "oil allowable," and in prorating such "oil allowable" among the pools in the state, the committee shall take into account the producing conditions and other relevant facts with respect to such pools, including the separate needs for oil and gas, and separate needs for
oil of particular kinds or qualities, and shall formulate rules setting forth standards or a program for the determination of the "oil allowable," and shall prorate the "oil allowable" in accordance with such standards or program, and where conditions in one pool or area are substantially similar to those in another pool or area, then the same standards or program shall be applied to such pools or areas so that as far as practicable a uniform program will be followed: Provided, however, That if the amount prorated to a pool as its share of the "oil allowable" is in excess of the amount which the pool can efficiently produce currently, then the committee shall prorate to such pool the maximum amount which can be efficiently produced currently without waste.

Sec. 30. The committee shall not be required to determine the reasonable market demand applicable to any single pool of oil except in relation to all pools producing oil of similar kind and quality and in relation to the reasonable market demand. The committee shall prorate the "allowable" in such manner as will prevent undue discrimination against any pool or area in favor of another or others resulting from selective buying or nomination by purchasers.

Sec. 31. Whenever the total amount of gas which all of the pools in this state can currently produce in accordance with good operating practice exceeds the amount reasonably required to meet the reasonable market demand, the committee shall limit the gas which may be currently produced to an amount, designated as the "gas allowable," which will not exceed the reasonable market demand for gas. The committee shall then prorate the "gas allowable" among the pools on a reasonable basis, avoiding undue discrimination among the pools, and so that waste will be prevented, giving due consideration to

location of pipe lines, cost of interconnecting such pipe lines, and other pertinent factors, and insofar as applicable, the provisions of section 29 shall be followed in determining the "gas allowable" and in prorating such "gas allowable" among the pools therein: Provided, however, That in determining the reasonable market demand for gas as between pools, the committee shall give due regard to the fact that gas produced from oil pools is to be regulated in a manner which will protect the reasonable use of gas energy for oil production and promote the most or maximum efficient recovery of oil from such pools.

Sec. 32. Whenever the total amount of gas which may be currently produced from all of the pools in this state has not been limited as hereinabove provided, and the available production from any one pool containing gas only is in excess of the reasonable market demand or available transportation facilities for gas from such pool, the committee shall limit the production of gas from such pool to that amount which does not exceed the reasonable market demand or transportation facilities for gas from such pool.

Sec. 33. Whenever the committee limits the total amount of oil or gas which may be produced from any pool to an amount less than that which the pool could produce if no restrictions were imposed (whether incidental to, or without, a limitation of the total amount of oil which may be produced in the state) the committee shall prorate the allowable production for the pool among the producers in the pool on a reasonable basis, so that each producer will have opportunity to produce or receive his just and equitable share, subject to the reasonable necessities for the prevention of waste, giving where reasonable, under the circumstances, to each pool with small wells of settled production, allowable produc-
tion which prevents the premature abandonment of wells in the pool.

All orders establishing the "oil allowable" and "gas allowable" for this state, and all orders prorating such allowables as herein provided, and any changes thereof, for any month or period shall be issued by the committee on or before the fifteenth day of the month preceding the month for which such orders are to be effective, and such orders shall be immediately published in some newspaper of general circulation printed in Olympia, Washington. No orders establishing such allowables, or prorating such allowables, or any changes thereof, shall be issued without first having a hearing, after notice, as provided in this act: Provided, however, When in the judgment of the committee, an emergency requiring immediate action is found to exist, the committee is authorized to issue an emergency order under this section which shall have the same effect and validity as if a hearing with respect to the same had been held after due notice. The emergency order permitted by this subsection shall remain in force no longer than thirty days, and in any event it shall expire when the order made after due notice and hearing with respect to the subject matter of the emergency order becomes effective.

Sec. 34. Whenever the production of oil or gas in this state or any pool therein is limited and the "oil allowable" or "gas allowable" is established and prorated by the committee as provided in section 33, no person shall thereafter produce from any well, pool, lease or property more than the production which is prorated thereto.

Sec. 35. To assist in the development of oil and gas in this state and to further the purposes of this act, the persons owning interests in separate tracts of land, may validly agree to integrate their interests
and manage, operate and develop their land as a unit, subject to the approval of the committee.

SEC. 36. When in the judgment of the committee production in any pool or field shall have declined to a point where secondary recovery operations are advisable or necessary, if the lessees or owners of oil and gas rights cannot agree on a unit plan of operation covering the pool or field as a whole, the committee may, after a hearing as hereinafter provided, enter and enforce an order for the unit or cooperative development and operation of a field or pool, in connection with the conduct of re-pressuring or pressure maintenance operations, cycling or re-cycling operations, including the extraction and separation of liquid hydrocarbons from natural gas in connection therewith, or any other method of operation, including water floods.

SEC. 37. Section 72.28.110, R.C.W., as derived from section 14, chapter 161, Laws of 1937, shall be construed so as to conform with sections 35 and 36.

[R.C.W. 78.28.110 is Rem. Supp. § 7797-185c.]

SEC. 38. Any unit plan shall:

(1) Define and identify the unit area to be included in, and subject to, the unit plan;

(2) Contain a statement of the nature and purpose of the operation contemplated;

(3) Provide for the efficient unitized management or control of the operation of the unit area for the recovery and production of oil and gas from the pool affected. Under such a plan the actual operations within the unit area may be carried on, in whole or in part, by the several lessees of land within the unit area, or may be conducted by some particular lessee of a lease in the unit area, who is designated as unit operator, dependent upon what is most beneficial or expedient. The designation of the unit operator shall be by vote of the lessees of land in the unit area in a manner provided in the unit plan; and
(4) Provide for the division of interest and formula for the apportionment and allocation, among and to each of the several separately-owned tracts within the unit area, of a fair, equitable and reasonable share of the production from the pool.

Sec. 39. Any unit plan shall provide for the manner in which the development and operation of the unit area shall or may be financed and the basis, terms and conditions on which the cost thereof shall be apportioned among, and assessed against, the tracts and interests made chargeable therewith, including a detailed accounting procedure governing all charges and credits incident to such operations. Upon and subject to such terms and conditions as to time and rate of interest as may be fair to all concerned, reasonable provisions shall be made in the unit plan for carrying or otherwise financing lessees who are unable to meet their financial obligations under the unit plan. The share of such financing properly and proportionately chargeable to any such lessee may become a lien on such lessee's share of production under the unit plan, but in no event shall any such lien be or operate against any interest, estate, equity or title of any such lessee, but only against the said share of production.

Sec. 40. Any unit plan shall also:

(1) Provide for the procedure and basis upon which wells, equipment and other properties of the several lessees within the unit area are to be taken over and used, including the method of arriving at the compensation therefor, or of otherwise proportionately equalizing or adjusting the investment of the several lessees in the unit area as of the effective date of the unit plan;

(2) Provide a fair and equitable plan for the general over-all management and control of the unit area. Each lessee of land within the unit area shall be entitled to representation in the general over-all
management and control of the unit development and operations. Voting shall be on a fair, equitable, and reasonable basis as provided in such unit plan;

(3) Provide that the obligations or liabilities of the lessees shall at all times be several and not joint or collective, and in no event shall a lessee be chargeable with, obligated, or liable, directly or indirectly, for more than the amount of expenses apportioned or otherwise assessed or charged to his interest in his separately-owned tract pursuant to the unit plan;

(4) Provide that each lessee shall own and take in kind his share of the production allocated under the unit plan;

(5) Provide for possible amendments to the unit plan; and

(6) Contain such other provisions as the lessees may deem appropriate for the prevention of waste or protection of all interested parties.

Sec. 41. All petitions or proposals for the creation of a unit and approval of a unit plan shall be set for public hearing by the committee, and the date of the first of such hearings shall be not less than thirty days, nor more than sixty days, from the filing of such petition or proposal.

Sec. 42. Notice of the time and place of the first of such hearings, and a description of the lands within the unit area, shall be given by publication and in the following manner:

(1) Publication on three consecutive days, at least ten days prior to said hearing, in some newspaper of general circulation printed in Olympia, Washington, and by publication on three consecutive days, at least ten days prior to said hearing, in some newspaper of general circulation in the county, or in each county, if there be more than one, in which the lands embraced in the petition are situated; and

(2) Mailing a postal card notice to the last known post office address as shown by the record.
of the county treasurer in the county where the land is located not less than thirty days prior to the date of the first of such hearings to all persons owning interests in the land within the unit area.

Sec. 43. If the hearing cannot be completed on the first day set for such hearing, the committee shall, before adjournment or recess thereof, publicly announce the time and place at which the hearing will be continued, and such announcement will serve as sufficient notice of such continuance without recourse to the form of public notice as provided above in this section.

Sec. 44. Within fifteen days after completion of the public hearings held in accordance with the procedure and requirements herein provided, the committee shall determine from the facts and evidence presented to it:

(1) Whether the unit plan, attached to such petition, or proposal, for the management and operation of a pool is proper, feasible, equitable, reasonably necessary, is for the common good and will result in the general advantage of the lessees and owners of the oil and gas rights within the pool; will prevent waste; will distribute the oil, and gas produced therewith, recovered from the pool, on a fair and equitable basis; and will increase the ultimate recovery of oil from the pool, and that the estimated additional oil to be recovered from the pool under the unit plan will exceed the estimated additional expense, if any, of the conduction of operations under such unit plan;

(2) Whether the unit plan, attached to such petition, or proposal, for the management and operation of a pool containing gas only is proper, feasible, equitable, reasonably necessary, is for the common good, and will result in the general advantage of the lessees and owners of the gas rights within the
Findings.

If it is the determination of the committee that the unit plan will accomplish the requirements set forth above, it shall make a finding to that effect, and enter an order creating the unit, and designating the date when such unit plan shall become effective.

If it is the determination of the committee that the unit plan will not accomplish the requirements set forth above, it shall make a finding to that effect, reciting, in detail, the considerations upon which such finding is based.

**Sec. 45.** From and after the date designated by the committee that a unit plan shall be effective, oil and gas leases upon lands within the unit area, or other contracts pertaining to the development thereof, shall be conformed to meet the provisions and requirements of such unit plan, but otherwise to remain in full force and effect. Operations carried on under and in accordance with such unit plan shall be regarded and considered as fulfillment of and compliance with all of the provisions, covenants, and conditions, expressed or implied, of the several oil and gas leases upon lands within the unit area, or other contracts pertaining to the development thereof, insofar as said leases, or other contracts, may relate to the pool or field subject to such unit plan. The amount of production apportioned and allocated, pursuant to said unit plan, to each separately-owned tract within the unit area, and only that amount, regardless of the location of the well within the unit area from which it may be produced, and regardless of whether it be more or less than the amount of production from the well, if any, on each separately-owned tract, shall for all intents, uses and purposes be regarded as production from such separately-owned tract, and lessees shall not be obligated to pay royalties or make other payments, required by the
oil and gas leases or other contracts affecting each such separately-owned tract, on production in excess of that amount apportioned and allocated to such separately-owned tract pursuant to the unit plan.

Sec. 46. From and after the date designated by the committee that a unit plan shall become effective, the operation of any well producing from the pool within the area subject to said unit plan, by persons other than persons acting under the authority of the unit plan, or except in the manner and to the extent provided in such unit plan, shall be unlawful and is hereby prohibited.

Sec. 47. In any proceeding hereunder in which an order is entered creating a unit and approving a unit plan, the committee shall retain jurisdiction thereof and of all parties in interest for the purpose of amending the unit plan from time to time whenever by reason of changed conditions or otherwise for good cause shown it is made to appear that such amendment is necessary or proper. Any amendment to a unit plan made pursuant hereto shall be effective prospectively only from and after the date on which the order providing for such amendment shall become final. The procedure for any such amendment, including the filing of a petition, the giving of notice and conduct of hearings, shall be the same as that required for the creation of a unit in the same instance, insofar as applicable.

Sec. 48. The commissioner of public lands, or other officer or board having the control and management of state land, and the proper board or officer of any political, municipal, or other subdivision or agency of the state having control and management of public lands, may, on behalf of the state or of such political, municipal, or other subdivision or agency thereof, with respect to land and oil and gas rights subject to the control and management of such re-

[ 401 ]
spective body, board or officer, consent to and participate in any unit plan.

Sec. 49. No plan for the operation of a field or pool of oil or gas as a unit, either whole or in part, created or approved by the committee hereunder shall be held to violate any of the statutes of this state prohibiting monopolies or acts, arrangements, agreements, contracts, combinations or conspiracies in restraint of trade or commerce.

Sec. 50. Any person adversely affected by any rule, regulation or order of the committee may, within thirty days from the effective date of such rule, regulation or order, apply for a hearing with respect to any matter determined therein; the application shall be granted or denied by the committee within fifteen days from the date the same shall be filed, and if the hearing is not granted within fifteen days it shall be taken as denied. If a hearing is granted, the matter shall be set for hearing by the committee within thirty days after the same is submitted. No cause for action arising out of any rule, regulation or order of the committee shall accrue in any court to any party unless such party makes application for a hearing as herein provided. Such application shall set forth specifically the ground on which the applicant considers such rule, regulation or order to be unlawful or unreasonable. No party shall, in any court, urge or rely upon any ground not set forth in said application. A rule, regulation, or order made in conformity to a decision resulting from a hearing which abrogates changes or modifies the original rule, regulation or order, shall have the same force and effect as an original.

Sec. 51. In proceedings for review of a rule, regulation or order of the committee, the committee shall be a party to the proceedings and shall have all rights and privileges granted by this act to any other party to such proceedings.
SEC. 52. Within thirty days after the application for a hearing is denied, or if the application is granted, then within thirty days after the rendition of the decision on the hearing, the applicant may apply to the superior court of Thurston County for a review of such rule, regulation, order or decision. The application for review shall be filed in the office of the clerk of the superior court of Thurston County and shall specifically state the grounds for review upon which the applicant relies and shall designate the rule, regulation, order or decision sought to be reviewed. The applicant shall immediately serve a certified copy of said application upon the executive secretary of the committee who shall immediately notify all parties who appeared in the proceedings before the committee that such application for review has been filed.

SEC. 53. The executive secretary, upon receipt of said copy of the application for review, shall forthwith transmit to the clerk of the superior court in which the application for review has been filed, a certified transcript of all pleadings, applications, proceedings, rules, regulations or orders of the committee and of the evidence heard by the committee on the hearings of the matter or cause: Provided, That the parties, with the consent and approval of the committee may stipulate in writing that only certain portions of the record be transcribed. Said proceedings for review shall be for the purpose of having the lawfulness or reasonableness of the rule, regulation, order or decision of the committee, inquired into and determined, and the superior court hearing said cause shall have the power to vacate or set aside such rule, regulation, order or decision on the ground that it is unlawful or unreasonable. After the said transcript is filed, the judge of said superior court may, on his motion, or on application of any parties interested therein, make an order
fixing a time for the filing of the transcript and briefs and shall fix a day for the hearing of the cause. All proceedings under this section shall have precedence in any court in which they may be pending. An appeal shall lie to the supreme court of this state from orders, judgments and decisions made by the superior court. The procedure upon the trial of such proceedings in the superior court and upon appeal to the supreme court of this state shall be the same as in other civil actions, except as herein provided.

Sec. 54. No new or additional evidence may be introduced upon the trial of any proceedings for review under the provisions of this act, but the cause shall be heard upon the questions of fact and law presented by the evidence and exhibits introduced before the committee and certified by it: Provided, That if it is shown to the satisfaction of the court that any party to the proceeding has additional material evidence which could not, by the exercise of due diligence, have been produced at the hearing before the committee, or which for some good reason it was prevented from producing at such hearing, or if upon the trial of the proceeding the court shall find the committee has erroneously refused to admit or consider material evidence offered by any party at the hearing before the committee the court may, in its discretion, stay the proceedings and make an order directing the committee to hear and consider such evidence. In such cases, the committee shall immediately hear and consider such evidence and make an order modifying, setting aside or affirming its former rule, regulation, order or decision. A transcript of the additional evidence and the rule, regulation, order or decision of the committee as modified or affirmed, shall immediately be certified and forwarded to the clerk of the superior court in which such proceeding is pending, and said superior court shall on the motion of any interested party,
order the trial to proceed upon the transcript as supplemented, so as to enable the court to properly determine if the rule, regulation, order or decision of the committee as originally made, or as modified, is in any respect unlawful or unreasonable. If the rule, regulation, order or decision of the committee is affirmed by the court it shall continue in force and effect as if no appeal were pending.

Sec. 55. The filing or pendency of the application for review provided for in this act shall not in itself stay or suspend the operation of any rule, regulation or order, but the court, in its discretion, may stay or suspend, in whole or in part, the operation of the rule, regulation or order of the committee.

Sec. 56. Whenever it shall appear that any person is violating any provisions of this act, or any rule, regulation or order made by the committee hereunder, and if the committee cannot, without litigation, effectively prevent further violation, the committee may bring suit in the name of the state against such person in the superior court in the county of the residence of the defendant, or in the county of the residence of any defendant if there be more than one defendant, or in the county where the violation is alleged to have occurred, to restrain such person from continuing such violation. In such suit the committee may without bond obtain injunctions prohibitory and mandatory, including temporary restraining orders and preliminary injunctions, as the facts may warrant.

Sec. 57. In the event the committee should fail to bring suit within thirty days to enjoin any apparent violation of this act, or of any rule, regulation or order made by the committee hereunder, then any person or party in interest adversely affected by such violation, who has requested the committee in writing to sue, may, to prevent any or further viola-
tion, bring suit for that purpose in the superior court of any county where the committee could have instituted such suit. If, in such suit, the court should hold that injunctive relief should be granted, then the state shall be made a party and shall be substituted for the person who brought the suit, and the injunction shall be issued as if the state had at all times been the complainant.

SEC. 58. Every person who shall violate or knowingly aid and abet the violation of this act or any valid orders, rules and regulations issued thereunder, or who fails to perform any act which is herein made his duty to perform, shall be guilty of a gross misdemeanor.

SEC. 59. It is intended that the provisions of this act shall be liberally construed to accomplish the purposes authorized and provided for, or intended to be provided for by this act.

SEC. 60. If any part or parts of this act, or the application thereof to any person or circumstances be held to be unconstitutional, such invalidity shall not affect the validity of the remaining portions of this act, or the application thereof to other persons or circumstances. The legislature hereby declares that it would have passed the remaining parts of this act if it had known that said invalid part or parts thereof would be declared unconstitutional.

REGULATION OF MOTOR VEHICLE DEALERS—"DEALER'S LICENSES" ACT.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. This act shall constitute a new chapter under Title 46, R.C.W., and shall be designated as "Dealer's Licenses."

SEC. 2. "Dealer" as defined in this title shall mean any person in the business of buying, selling, exchanging or acting as a broker of new or used motor vehicles, trailers, or motorcycles, with an established place of business at which is kept and maintained the books, records and files of the business.

SEC. 3. It shall be unlawful for any person to carry on or conduct business as a dealer unless he shall have applied for and received from the director a license to do so.

SEC. 4. Application for a dealer's license shall be made on a form provided for the purpose by the director and shall be forwarded with the required
fee to the director. Such application shall be made by the dealer or his authorized representative who shall certify that the facts contained therein are true.

SEC. 5. Applications for a dealer’s license shall contain:

(1) The name under which the business is to be conducted and the address of its established place of business;

(2) The name and address of owner, or if partnership, name and address of each partner. If owner is a corporation, the names of principal officers and their addresses, and if the corporation is not incorporated under the laws of this state, the name of the state in which it is incorporated, and the name of its resident officers;

(3) The make of vehicles for which enfranchised, if any;

(4) Whether or not used cars will be sold;

(5) A certificate to the effect that the applicant is a dealer as defined in this chapter having an established place of business at the address shown on the application and signed by the chief of police or his deputy in cities having a population of five thousand persons or more, otherwise by a member of the Washington state patrol; and

(6) Whether or not a previous dealer’s license has been denied, suspended, or revoked.

SEC. 6. Upon receiving an application for dealer’s license, the director shall, if such application is in proper form and accompanied by a proper fee, retain the application and transmit the fee to the state treasurer with a proper identifying report, such fee to be deposited in the motor vehicle fund. If the director is satisfied that the applicant has complied with the provisions of this chapter and is entitled to a dealer’s license, he shall issue an official certificate authorizing the dealer named thereon to carry on and conduct the business of a dealer in
motor vehicles, trailers and motorcycles. Every license so issued shall expire on December thirty-first, and may be renewed by filing a proper application and paying the fees therefor.

Sec. 7. The fee for original dealer license for each calendar year or fraction thereof shall be twenty-five dollars which shall include one set of dealer license plates, and which may be renewed annually for a fee of ten dollars: Provided, That any dealer who is otherwise eligible and during the year 1951 has obtained a dealer's license shall be permitted to obtain a renewal of license and pay therefor a fee of ten dollars. Additional sets of the dealer license plates, bearing the same license number, may be obtained for three dollars per set. If any dealer shall fail or neglect to apply for such renewal prior to February first in each year, his license shall be declared cancelled by the director of licenses, in which case the dealer will be required to apply for an original license and pay the fee required for such original license. The fees prescribed herein shall be in addition to any excise taxes imposed by chapter 82.44, R.C.W., as derived from chapter 144, Laws of 1943, as amended.

Sec. 8. Before issuing a motor vehicle dealer license, the director shall require the applicant to file with said director a surety bond in the amount of two thousand dollars running to the state, and executed by a surety company authorized to do business in the state. Such bond shall be approved by the attorney general as to form and conditioned that the dealer shall conduct his business in conformity with the provisions of this chapter. Any person who shall have suffered any loss or damage by reason of any act by a dealer which constitutes a violation
of this chapter shall have the right to institute an action for recovery against such motor vehicle dealer and the surety upon such bond. Successive recoveries against said bond shall be permitted but the aggregate liability of the surety to all persons shall in no event exceed the amount of the bond. Upon exhaustion of the penalty of said bond or cancellation of the bond by the surety the director shall revoke the license of the dealer.

Sec. 9. Every dealer maintaining a branch or subagency in another city or town in this state, shall be required to have separate dealer license plates for such branch or subagency, in the same manner as though each constituted a separate and distinct dealer.

Sec. 10. The dealer license plate shall be displayed upon every vehicle demonstrated by such dealer whenever the same is operated upon any public highway in this state, and on such vehicles as may be actually owned by the dealer and used by members or employees of his firm. Dealer license plates shall not be used upon any vehicle for the transportation of any person, produce, freight or commodities for compensation, except there shall be permitted the use of such dealer license plates on a vehicle transporting commodities in course of demonstration over a period not to exceed seventy-two consecutive hours from the commencement of such demonstration, if a representative of the dealer is present and accompanies such vehicle during the course of the demonstration.

Sec. 11. Any dealer who shall knowingly buy or receive, sell or dispose of, conceal or have in his possession, any motor vehicle, trailer, or motorcycle from which the motor or serial number has been removed, defaced, covered, altered or destroyed, or any dealer, who shall remove from or install in any motor vehicle a new or used motor block without...
immediately notifying the director of licenses of such fact upon a form provided by him, or any motor vehicle dealer who shall loan or permit the use of dealer plates by any person not entitled to the use thereof, shall be guilty of a gross misdemeanor.

Sec. 12. The director may, when informed of the conviction of any dealer of the violation of any of the provisions of this chapter, in addition to penalties imposed by the court, require the surrender of the dealer license and dealer license plates, and may thereupon suspend such license for a period of not less than thirty days or not more than one year, or he may confiscate the dealer license plates that have been issued to such dealer for the current license year.

Sec. 13. The director may refuse to issue a dealer license, or may suspend or revoke a dealer license whenever he has reason to believe that such dealer has:

1. Forged the signature of the registered or legal owner on a certificate of title;
2. Sold or disposed of a vehicle which he knows or has reason to know has been stolen or appropriated without the consent of the owner;
3. Wilfully misrepresented any material fact in the applications for a vehicle dealer’s license, certificate of registration or certificate of title;
4. Wilfully failed to deliver to a purchaser a certificate of title to the car sold; and/or
5. Suffered or permitted the cancellation of the bond or the exhaustion of the penalty thereof.

Sec. 14. Upon receipt of complaint or other information by the director that an applicant should not be licensed or that a dealer has violated any of the provisions of this act he may call a hearing to give the person affected an opportunity to show cause why his application for license should not be
refused or why his license should not be revoked or suspended. Notice of the hearing shall be given in writing by registered mail to the holder or applicant for such license and shall designate a time and place for the hearing before the director of licenses which shall not be less than ten days from the date of said notice. The director may require the attendance of any witnesses or documents by issue of subpoenas upon motion either of the department of licenses or the person affected, and shall make a record of the proceedings and of the testimony. Should the director decide that any person is not entitled to a dealer's license or that an existing license should be suspended or revoked, the applicant or holder may within thirty days from the date of the decision of the director, appeal to the superior court of the county of the dealer's residence for a review on the record of such decision, filing a notice of such appeal with the clerk of such superior court and at the same time filing a copy of such notice with the director. On receipt of such notice, the director shall prepare, certify and forward to the court the record of the proceedings.

Sec. 15. A dealer shall complete and maintain a record of the purchase and sale of all motor vehicles, motorcycles or trailers, purchased or sold by him and which have been previously licensed in this or another state, which record shall consist of:

1. The license and title numbers of state in which last license was issued;
2. A description of vehicle;
3. The name of person from whom purchased;
4. The name of legal owner, if any; and
5. The name of purchaser.

Such record shall at all times be available for inspection by the director or duly authorized member of the state patrol.
SEC. 16. Before the execution of a contract or chattel mortgage or the consummation of the sale of any motor vehicle, the seller must furnish the buyer an itemization in writing signed by the seller separately disclosing to the buyer the finance charge, insurance costs, taxes, and other charges which are paid or to be paid by the buyer.

SEC. 17. Section 46.16.060, R.C.W., as derived from section 16, chapter 188, Laws of 1937, as amended by section 8, chapter 220, Laws of 1949, is amended to read as follows:

Except as otherwise specifically provided by law for the licensing of vehicles, there shall be paid and collected annually for each calendar year or fractional part thereof and upon each vehicle a license fee in the sum of five dollars.

Be it enacted by the Legislature of the State of Washington:

Section 1. Any portion of a county, which portion contains not less than twenty thousand inhabitants, living within an area of not more than ten square miles, and which is not incorporated as a municipal corporation, may become incorporated under the provisions of this act, and when so incorporated, shall have the powers conferred, or that may hereafter be conferred, by law upon cities of the first class.

Sec. 2. A petition shall first be presented to the board of county commissioners of such county, signed by at least one hundred qualified electors of the county, residents within the limits of such proposed corporation, which petition shall set forth and particularly describe the proposed boundaries of such corporation, and state the number of inhabitants therein as nearly as may be, and shall pray that the same may be incorporated under the pro-
visions of this act. Upon presentation of said petition, the board of county commissioners shall ascertain the number of inhabitants residing within said proposed boundaries. If, in the opinion of the board of county commissioners, the population within such proposed boundaries can be ascertained from the figures compiled from the last federal census for said county, such population figures shall be used, otherwise said board of county commissioners shall make an enumeration of all persons residing within said proposed boundaries. If the board of county commissioners shall ascertain that there are twenty thousand or more inhabitants within said proposed boundaries, they shall set a date for hearing on said petition, the same to be published for a period of at least two weeks prior to such hearing in some newspaper published in said county, together with a notice stating the time and place of the meeting at which said petition will be heard. Such hearing may be adjourned from time to time, not to exceed one month in all, and, on the final hearing, the board of county commissioners shall make such changes in the proposed boundaries as they may find to be proper, but may not enlarge the same, nor reduce the same so that the population therein would be less than twenty thousand inhabitants. The board of county commissioners shall by resolution establish and define the boundaries of such corporation, establish and find the number of inhabitants residing therein and state the name of the proposed corporation. Within ninety days after the passage of said resolution the board of county commissioners shall cause an election to be called and held within the boundaries so established, said election to be conducted in the manner required for the calling of a special election in class A and first class counties, for the purpose of determining whether such boundaries so established shall be incorporated into a city of the first
Freeholders.

Any qualified person may, not earlier than sixty days nor later than thirty days prior to such election, file with the county auditor of said county his declaration of candidacy in writing. The form of ballot at such election shall be “For incorporation,” “Against incorporation”; and shall contain the names of the freeholders to be voted upon to frame said charter. No person shall be entitled to vote at such election unless he shall be a qualified elector of said county and shall have resided within the limits of such proposed corporation for at least thirty days next preceding such election.

SEC. 3. If at such election a majority of those voting thereat vote in favor of incorporation, the board of county commissioners shall, by resolution entered upon its minutes, declare such territory duly incorporated as a city of the first class under the name of [naming it]. Thereafter said city shall have no authority to function as a municipal corporation until a charter has been adopted in accordance with the provisions of this section, except for all purposes necessary for the adoption of such charter. The fifteen freeholders receiving the highest number of votes at such election shall be certified by the county auditor as elected as freeholders to form a charter for said city. It shall be the duty of the persons so elected to convene within ten days after their election and frame a charter for said city, and within sixty days thereafter they, or a majority of their number, shall submit such charter to the board of county commissioners which shall within ninety days thereafter cause another election to be called and held in said city and to be conducted in the
manner required for the calling of a special election in class A and first class counties and in conformity with article XI, section 10 of the constitution, for the purpose of submitting said charter to the qualified electors of said city and for the election of the various elective officials to the respective offices named in said charter. The form of ballot at such election shall be “For proposed charter,” “Against proposed charter,” and the names of the candidates for the respective offices named in said proposed charter. At the first election of officials for said city any qualified elector of said city may become a candidate for any of the elective offices set forth in such proposed charter without nomination by filing with the proper election officials of the county a declaration in writing that he desires to be a candidate for a particular office [naming it], such declaration to be filed not earlier than sixty nor later than thirty days prior to such election. The candidates receiving the highest number of votes for the respective offices shall be declared elected to such office and the county auditor shall issue a certificate of such election. After the first election the nomination and election of officials for said city shall be as prescribed in the charter adopted by the people and the laws of the state. No person shall be entitled to vote at such election unless he shall be a qualified elector of said city and shall have resided within the limits of said city for at least thirty days preceding such election.

Sec. 4. If a majority of the votes cast at such election are cast in favor of ratification of such charter, the same shall become the organic law of said city, and shall supersede all special laws inconsistent therewith, when authenticated, recorded and attested as hereinafter provided:

Vacancies shall be filled by designation, appointment, or ex officio in the same manner as for the member so vacating, and if a vacancy as to the designee of the bar association or the appointee of the governor results other than from expiration of a term, the vacancy shall be filled for the unexpired term.

Upon request of any publisher in good faith interested in publishing said code, the committee shall furnish a copy of its current specifications, and shall not during the process of any bona fide publication of said code or supplements modify any such specification, if such modification would result in added expense or material inconvenience to the publisher, without written concurrence therein by such publisher.

[Am. Rem. Supp. 1947 § 6402-61 (Through and including first sentence of first proviso) see also note to sec. 5 infra.]

If any objection is filed the commission shall fix a date for hearing thereon, and shall in writing notify the objector, the board and the owner of the lands of the date fixed for the hearing. At the hearing the commission shall hear and consider evidence offered by the board, owner, or objector as to the nature and character of such lands, and from such evidence shall determine whether the lands shall be classified as reforestation lands; and if the commission deter-

The commission shall thereupon fix a time and place for hearing on the petition and shall mail a notice thereof, together with a copy of the petition, to the owner at his address as shown by the records of the county treasurer's office. At the time and place fixed for the hearing the commission shall hold a hearing on the petition and shall receive evidence offered by the owner or the board for and against the petition. directed to their respective addresses. At the hearing the petitioners, the board and the owners shall be entitled to offer evidence bearing upon the question of the value of such lands for reforestation and other purposes. The commission from the evidence shall determine whether the lands are more valuable for some other purpose than for reforestation; and if it so determines it shall enter an order to that effect and thereupon the lands shall be removed from classification as reforestation lands. Sec. 2. The county auditor shall canvass the petition for an election to vote upon the question of disorganization:

(1) By ascertaining the number of votes cast at the last general election by persons residing within such township; and

(2) By ascertaining by comparison whether the handwriting of each signer on the petition and on the registration card bearing his name were made by the same person.

Sec. 3. If the number of valid signatures on the petition are sufficient, the county auditor shall fix a date for holding the election and give at least twenty days' notice thereof. Notices of elections shall contain a statement of the purpose for which the election is called, the time at which it will be held and the location of the voting place or voting places. Regular voting precincts may be divided or combined, or both. The notices shall be posted in ten of the most public places within the township sought to be disorganized.

Sec. 4. Ballots for elections to be held under the provisions of this act shall have printed thereon the words "for disorganization" on one line, followed by a printed square bounded on all sides by a line one quarter of an inch long, and the words "against disorganization" on another line, followed by a similar printed square. Title shall not pass until all deferred payments have been fully paid.

SEC. 8. In the same manner and to the same extent as the proper authorities of the former township could have done had it not been disorganized, the chairman of the board of county commissioners may be authorized by the court when necessary to levy taxes on all taxable property therein, to receive the taxes when collected and to apply them together with the proceeds arising from any sales of property to the extinguishment of the obligations of the former township.
SEC. 9. Upon the payment of all lawful demands against the former township, the chairman of the board of county commissioners shall file a final account, together with all vouchers, with the clerk of the superior court and pay any funds remaining in his hands to the county treasurer to be placed to the credit of any school district or districts within whose boundaries the township is located, said money to be prorated to such school districts in proportion to their share of assessed value of the real estate located therein. Upon the approval by the court of said final account the court shall sign proper orders dissolving such township.

(1) The director of each local organization for civil defense may, in collaboration with other public and private agencies within this state, develop or cause to be developed mutual aid arrangements for reciprocal civil defense aid and assistance in case of disaster too great to be dealt with unassisted. Such arrangements shall be consistent with the state civil defense plan and program, and in time of emergency it shall be the duty of each
local organization for civil defense to render assistance in accordance with the provisions of such mutual aid arrangements.

(3) Whenever any person, firm, or corporation shall offer to the state or to any political subdivision thereof, services, equipment, supplies, materials, or funds by way of gift, grant, or loan, for the purposes of civil defense, the state, acting through the governor, or such political subdivision, acting through its executive head, may accept such offer and upon such acceptance the governor of the state or executive head of such political subdivision may authorize any officer of the state or of the political subdivision, as the case may be, to receive such services, equipment, supplies, materials, or funds on behalf of the state or such political subdivision, and subject to the terms of the offer.

Sec. 13. In carrying out the provisions of this act, the governor and the executive heads of the political subdivisions of the state are directed to utilize the services, equipment, supplies, and facilities of existing departments, offices, and agencies of the state and of the political subdivisions thereof to the maximum extent practicable, and the officers and personnel of all such departments, offices, and agencies are directed to cooperate with and extend such services and facilities to the governor and to the civil defense organizations of the state upon request.

AN ACT INCREASING THE AMOUNT OF STATE AID TO SCHOOL DISTRICTS, AMENDING SECTIONS 28.41.080 AND 28.41.090, R.C.W.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

SECTION 1. SECTION 28.41.080 OF THE REVISED CODE OF WASHINGTON, DERIVED FROM SECTION 6, CHAPTER 141, OF THE LAWS OF 1945, AS LAST AMENDED BY SECTION 3, OF CHAPTER 212, OF THE LAWS OF 1949, IS HEREBY AMENDED TO READ AS FOLLOWS:

EACH YEAR THE COUNTY SUPERINTENDENT OF SCHOOLS SHALL COMPUTE THE AMOUNT NEEDED BY EACH SCHOOL DISTRICT OF HIS COUNTY TO PROVIDE IT WITH THE MINIMUM REVENUE REQUIREMENTS NECESSARY TO MAINTAIN THE ORDINARY STANDARDS OF MAINTENANCE AND OPERATION FOR THE ENSUING SCHOOL YEAR OF:

(1) THIRTY CENTS FOR EACH DAY'S ATTENDANCE BASED UPON A MINIMUM OF FORTY-FIVE HUNDRED DAYS' ATTENDANCE FOR EACH EDUCATIONAL UNIT MAINTAINED BY THE DISTRICT DURING THE PRECEDING SCHOOL YEAR; AND,

(2) THIRTY PER CENT OF THE REIMBURSEMENT DUE THE DISTRICT FOR ITS COSTS OF TRANSPORTATION AS PROVIDED BY LAW.
He shall also compute the amount which, irrespective of any delinquencies, five-sixths of the maximum school district levy permissible without a vote of the electors would produce upon the assessed valuation of each district adjusted to fifty per cent of the true and fair value in money of the taxable property in the district in accordance with the ratio of assessed valuation to actual valuation fixed by the state board of equalization for the county in which the district is located without regard to any limitation imposed on the tax levy of the district by virtue of any requirements respecting the payment of bonded indebtedness. To this amount he shall add the actual receipts of the school district during the preceding school year from the county high school fund and such other receipts as the superintendent of public instruction shall determine in conformity with the intent of this section, and, if this total sum is less than thirty cents for each day's attendance computed as hereinbefore set forth plus thirty per cent of the cost of transportation during the preceding school year, the county superintendent of schools shall certify to the superintendent of public instruction such computations and deficit, and the last actual tax levy for such district. The superintendent of public instruction shall place such deficit for such district as a charge against the current state school fund, and such additional amount shall be due and apportionable as an equalization payment.

[512]
also establish a schedule of minimum funds required by school districts to enable them to meet the aforesaid minimum standards: Provided, That no minimum standard shall include any factor depending on the location of the school or its relative location with respect to another school. Any school district in which the plan for the maintenance and operation of schools is in conformity with the aforesaid minimum standards and in which the revenues available from all sources, including the amount which five-sixths of the maximum school district levy as hereinbefore defined would produce as aforesaid, are less than the amount necessary to meet the aforesaid schedule of minimum funds, shall be granted by the superintendent of public instruction from the current state school fund a sufficient additional amount which, when added to the amount of the aforesaid revenues available from all sources, shall equal the schedule of minimum funds, and such additional amount shall be apportioned at the same time and in the same manner as other equalization funds are apportioned.

Sec. 47. When the director determines that any secondhand or damaged article of upholstered furniture or bedding for sale, or any materials intended to be used in the manufacture of any article or arti-
icles of upholstered furniture or bedding are detri-
mental to public health, he may condemn, withhold
from sale, seize, or destroy any such article or
articles.

Sec. 48. The tag to be affixed to any article of
condemned upholstered furniture or bedding or any
material by a representative shall be a colored tag
and shall contain such information as may be re-
quired by the department.

Sec. 49. The failure of any person to produce
upon demand of the director any article or material
that has been condemned or ordered held on an in-
spection notice is a violation of this act.

Sec. 50. Every person who violates any of the
provisions of this act is guilty of a misdemeanor and
upon conviction shall be punished by a fine of not
less than fifty dollars nor more than five hundred
dollars or by imprisonment in the county jail for not
less than thirty days nor more than six months or by
both such fine and imprisonment.

Sec. 51. The unit for a separate and distinct of-
fense in violation of this act is each and every article
of improperly labeled, or not labeled, upholstered
furniture or bedding made, repaired, re-covered,
renovated, sterilized, fumigated, or otherwise
treated, sold, exposed or offered for sale, delivered,
consigned, rented or possessed with intent to sell
contrary to the provisions of this act.

Sec. 52. There is hereby created a furniture and
bedding advisory council to the department which
shall consist of the director as secretary and seven
members to be appointed by the governor. The seven
appointive members shall be persons who, because
of their vocations, employment or affiliations, are
qualified to represent the various branches of the
affected industries. Members shall be appointed for
a seven-year term, except that in the initial instance
following the effective date of this act, one member shall serve for one year, one member for two years, one member for three years, one member for four years, one member for five years, one member for six years and one member for seven years, as the governor may designate. Vacancies of unexpired terms shall be filled by appointment by the governor.

Sec. 53. Appointments to the advisory council, except to fill vacancies, shall be as of July 1st and apportioned as follows: One representing the upholstered furniture manufacturing industry; one representing the bedding manufacturing industry; one representing the retail furniture industry; one representing the sterilizing and fumigation industry; and three having no commercial interest, affiliation or relationship in or to the industry, to represent the public. The governor shall fill such vacancies as may occur in the membership of the council and a member so appointed shall serve during the unexpired term for which his predecessor was appointed. The furniture and bedding advisory council shall choose one of its members to act as chairman and shall meet once each year at a time and place to be designated by the chairman: Provided, however, The chairman may, at the written request of two members of the council, or, at his own option, call a special meeting of the council to discuss such matters as may, in his opinion, require interim discussion and advice.

Sec. 54. The governor may remove any member of the council for misconduct or when he is no longer connected with that segment of industry in whose behalf he was appointed. All advisory council members shall serve without pay. The advisory council shall have full power to:

[S. H. B. 237.]

SOCIAL SECURITY COVERAGE FOR STATE OFFICIALS AND EMPLOYEES.

An Act providing for the coverage of certain officers and employees of the state and local governments under the old-age and survivors insurance provisions of title II of the federal social security act, as amended; fixing the powers and duties of certain state officers; making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. In order to extend to employees of the state and its political subdivisions and to the dependents and survivors of such employees, the basic protection accorded to others by the old-age and survivors insurance system embodied in the social security act, it is hereby declared to be the policy of the legislature, subject to the limitations of this act, that such steps be taken as to provide such protection to employees of the state and its political subdivisions on as broad a basis as is permitted under the social security act. Nothing in this act shall be construed to in any way affect any existing pension or retirement system or plan for any group of state employees or the employees of any political subdivision thereof, nor to allow or authorize the governor or the governing body of any political subdivision, either separately or acting together, to terminate or alter any existing pension or retirement plan or to put under the federal social security act any persons now members or protected by any state or local pension or retirement plan or system.

Sec. 2. For the purposes of this act—(a) The term "wages" means all remuneration for employment as defined herein, including the cash value of all remuneration paid in any medium other than cash, except that such term shall not include that
part of such remuneration which, even if it were for "employment" within the meaning of the federal insurance contributions act, would not constitute "wages" within the meaning of that act;

(b) The term "employment" means any service performed by an employee in the employ of the state, or any political subdivision thereof, for such employer, except (1) service which in the absence of an agreement entered into under this act would constitute "employment" as defined in the social security act; or (2) service which under the social security act may not be included in an agreement between the state and the federal security administrator entered into under this act.

(c) The term "employee" includes all officers and employees of the state or its political subdivisions except elected officials and officials compensated on a fee basis.

(d) The term "federal security administrator" includes any individual to whom the federal security administrator has delegated any of his functions under the social security act with respect to coverage under such act of employees of states and their political subdivisions;

(e) The term "political subdivision" includes an instrumentality of the state, of one or more of its political subdivisions, or of the state and one or more of its political subdivisions. Such term also includes a proprietary enterprise acquired, purchased or originated by the state or any of its political subdivisions subsequent to December, 1950. Such a subdivision may elect to accept federal OASI coverage under this act and if so, is exempted from the application of the state employees retirement act, chapter 274, Laws of 1947.

Sec. 3. (a) The governor is hereby authorized to enter on behalf of the state into an agreement with the federal security administrator, consistent
with the terms and provisions of this act, for the purpose of extending the benefits of the federal old-age and survivors insurance system to employees of the state or any political subdivision thereof with respect to services specified in such agreement which constitute "employment" as defined in section 2 of this act. Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the governor and federal security administrator shall agree upon, but, except as may be otherwise required by or under the social security act as to the services to be covered, such agreement shall provide in effect that—

(1) Benefits will be provided for employees whose services are covered by the agreement (and their dependents and survivors) on the same basis as though such services constituted employment within the meaning of title II of the social security act;

(2) The state will pay to the secretary of the treasury, at such time or times as may be prescribed under the social security act, contributions with respect to wages (as defined in section 2 of this act), equal to the sum of the taxes which would be imposed by sections 1400 and 1410 of the federal insurance contributions act if the services covered by the agreement constituted employment within the meaning of that act;

(3) Such agreement shall be effective with respect to services in employment covered by the agreement performed after a date specified therein but in no event may it be effective with respect to any such services performed prior to the first day of the calendar year in which such agreement is entered into or in which the modification of the agree-
ment making it applicable to such services, is entered into;

(4) All services which constitute employment as defined in section 2 and are performed in the employ of the state by employees of the state, shall be covered by the agreement; and

(5) All services which (A) constitute employment as defined in section 2, (B) are performed in the employ of a political subdivision of the state, and (C) are covered by a plan which is in conformity with the terms of the agreement and has been approved by the governor under section 5, shall be covered by the agreement.

(b) Any instrumentality jointly created by this state and any other state or states is hereby authorized, upon the granting of like authority by such other state or states, (1) to enter into an agreement with the federal security administrator whereby the benefits of the federal old-age and survivors insurance system shall be extended to employees of such instrumentality, (2) to require its employees to pay (and for that purpose to deduct from their wages) contributions equal to the amounts which they would be required to pay under section 4(a) if they were covered by an agreement made pursuant to subsection (a) of this section, and (3) to make payments to the secretary of the treasury in accordance with such agreement, including payments from its own funds, and otherwise to comply with such agreements. Such agreement shall, to the extent practicable, be consistent with the terms and provisions of subsection (a) and other provisions of this act.

Sec. 4. (a) Every employee of the state whose services are covered by an agreement entered into under section 3 shall be required to pay for the period of such coverage, into the contribution fund established by section 6, contributions, with respect to wages (as defined in section 2 of this act), equal
to the amount of tax which would be imposed by
section 1400 of the federal insurance contributions
act if such services constituted employment within
the meaning of that act. Such liability shall arise
in consideration of the employee's retention in the
service of the state, or his entry upon such service,
after the enactment of this act.

(b) The contribution imposed by this section
shall be collected by deducting the amount of the
contribution from wages as and when paid, but fail-
ure to make such deduction shall not relieve the
employee from liability for such contribution.

(c) If more or less than the correct amount of
the contribution imposed by this section is paid or
deducted with respect to any remuneration, proper
adjustments, or refund if adjustment is imprac-
ticable, shall be made, without interest, in such
manner and at such times as the state agency shall
prescribe.

Sec. 5. (a) Each political subdivision of the state
is hereby authorized to submit for approval by the
governor a plan for extending the benefits of title
II of the social security act, in conformity with ap-
pllicable provisions of such act, to employees of such
political subdivision. Each such plan and any
amendment thereof shall be approved by the gov-
ernor if he finds that such plan, or such plan as
amended, is in conformity with such requirements
as are provided in regulations of the governor, ex-
cept that no such plan shall be approved unless—

(1) It is in conformity with the requirements of
the social security act and with the agreement en-
tered into under section 3;

(2) It provides that all services which constitute
employment as defined in section 2 and are per-
formed in the employ of the political subdivision by
employees thereof, shall be covered by the plan;
(3) It specifies the source or sources from which the funds necessary to make the payments required by paragraph (1) of subsection (c) and by subsection (d) are expected to be derived and contains reasonable assurance that such sources will be adequate for such purposes;

(4) It provides for such methods of administration of the plan by the political subdivision as are found by the governor to be necessary for the proper and efficient administration of the plan;

(5) It provides that the political subdivision will make such reports, in such form and containing such information, as the governor may from time to time require and comply with such provisions as the governor or the federal security administrator may from time to time find necessary to assure the correctness and verification of such reports; and

(6) It authorizes the governor to terminate the plan in its entirety, in his discretion, if he finds that there has been a failure to comply substantially with any provision contained in such plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the governor and may be consistent with the provisions of the social security act.

'(b) The governor shall not finally refuse to approve a plan submitted by a political subdivision under subsection (a), and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

(c) (1) Each political subdivision as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages (as defined in section 2 of this act), at such time or times as the governor may by regulation prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the governor under section 3.
(2) Each political subdivision required to make payments under paragraph (1) of this subsection is authorized, in consideration of the employee’s retention in, or entry upon, employment after enactment of this act, to impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in section 2 of this act), not exceeding the amount of tax which is imposed by section 1400 of the federal insurance contributions act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the OASI contribution fund in partial discharge of the liability of such political subdivision or instrumentality under paragraph (1) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.

(d) Delinquent payments due under paragraph (1) of subsection (c) may, with interest at the rate of six per centum per annum, be recovered by action in a court of competent jurisdiction against the political subdivision liable therefor or may, at the request of the governor, be deducted from any other moneys payable to such subdivision by any department or agency of the state.

Sec. 6. (a) There is hereby established a special fund to be known as the OASI contribution fund. Such fund shall consist of and there shall be deposited in such fund: (1) all contributions, interest, and penalties collected under sections 4 and 5; (2) all moneys appropriated thereto under this act; (3) any property or securities and earnings thereof acquired through the use of moneys belonging to the fund; (4) interest earned upon any moneys in the fund, and (5) all sums recovered upon the bond of the custodian or otherwise for losses sustained by the fund and all other moneys received for the fund.
from any other source. All moneys in the fund shall be mingled and undivided. Subject to the provisions of this act, the governor is vested with full power, authority and jurisdiction over the fund, including all moneys and property or securities belonging thereto, and may perform any and all acts whether or not specifically designated, which are necessary to the administration thereof and are consistent with the provisions of this act.

(b) The OASI contribution fund shall be established and held separate and apart from any other funds or moneys of the state and shall be used and administered exclusively for the purpose of this act. Withdrawals from such fund shall be made for, and solely for (A) payment of amounts required to be paid to the secretary of the treasury pursuant to an agreement entered into under section 3; (B) payment of refunds provided for in section 4(c) of this act; and (C) refunds of overpayments, not otherwise adjustable, made by a political subdivision or instrumentality.

(c) From the OASI contribution fund the custodian of the fund shall pay to the secretary of the treasury such amounts and at such time or times as may be directed by the governor in accordance with any agreement entered into under section 3 and the social security act.

(d) The treasurer of the state shall be ex-officio treasurer and custodian of the OASI contribution fund and shall administer such fund in accordance with the provisions of this act and the directions of the governor and shall pay all warrants drawn upon it in accordance with the provisions of this section and with the regulations as the governor may prescribe pursuant thereto.

Sec. 7. The governing body of any political subdivision having any coverage group, as the term is defined in title II of the social security act, not
covered by a state or municipal retirement system may submit for an advisory vote to the members of such coverage group the question of whether they prefer coverage by federal old-age and survivors insurance or coverage by a state or municipal retirement system.

Sec. 8. There is hereby appropriated for the biennium ending March 31, 1953, the sum of one million dollars or so much thereof as may be necessary, from the OASI contribution fund, to be expended for the purposes of section 6 of this act.

Sec. 9. All costs allocable to the administration of this chapter shall be charged to and paid to the general fund by the participating divisions and instrumentalities of the state pro rata according to their respective contributions.

Sec. 10. The governor shall make and publish such rules and regulations, not inconsistent with the provisions of this act, as he finds necessary or appropriate to the efficient administration of the functions with which he is charged under this act.

Sec. 11. Any authority conferred upon the governor by this act may be exercised by an official or state agency designated by him.

Sec. 12. This act is necessary for the support of the state government and shall take effect immediately.

INHERITANCE AND GIFT TAXES—POWER OF APPOINTMENT.

An Act relating to taxation; providing for taxes on inheritances and gifts wherein a power of appointment is granted.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. As used in this act:

"Grantor." "Grantor" means any person who creates a power of appointment.

"Donee." "Donee" means any person given the power to exercise the appointment.

"Property." "Property" means any property subject to the power of appointment which is within the jurisdiction of this state.

"Trustee." "Trustee" means any person, including a donee, who holds the property or the title thereto in trust or otherwise.

"Ultimate beneficiary." "Ultimate beneficiary" means any person who becomes entitled to the property through exercise of the power, or by reason of non-exercise of the power, or by reason of renouncement of the power by the donee, or by reason of renouncement or waiver by the person appointed to receive the property.

"Greatest possible tax." "Greatest possible tax" means a tentative tax computed on an assumed devolution of the property to an ultimate beneficiary within the limitations of the power who would be taxable at the highest rates provided by the inheritance tax laws of this state.

"Final tax." "Final tax" means the tax determined under the inheritance tax laws of this state when the power is exercised or terminated.

"Commission." "Commission" means the tax commission of this state.
SEC. 2. The granting of a power of appointment, in conjunction with a disposition of property which is affected before or after the effective date of this act, by will, or by deed, grant, sale, contract or gift made in contemplation of the death of the grantor, or by deed, grant, sale, contract or gift made or intended to take effect in possession or enjoyment at or after the death of the grantor, to any person in trust or otherwise, or by a transfer in trust or otherwise, under which the grantor has retained for his life or for any period not ascertainable without reference to his death, or for any period which does not in fact end before his death, the possession or enjoyment of any part of the property, or the right to all or any part of the income from the property, or the right, either alone or in conjunction with any person, to designate the persons who shall possess or enjoy the property or the income therefrom, is a transfer subject to the inheritance tax laws of this state from the grantor to the ultimate beneficiary thereof.

SEC. 3. The tax is due as of the date of death of the grantor, and shall be a lien upon the property until paid in full. It shall be the duty of the trustee to pay the tax or provide the security therefor as hereinafter provided, but no provision of this act shall be construed as imposing a personal liability on such trustee. The tax shall be assessed on the value of the property as of the date of death of the grantor regardless of any subsequent increase or decrease in value, and may be paid from the property at the discretion of the trustee. Any refund granted as hereinafter provided shall inure to the benefit of the ultimate beneficiary.

SEC. 4. Upon the exercise or termination of the power, prior to furnishing the bond or other security for the tax as hereinafter provided, it shall be the duty of the donee to immediately notify the commission thereof, together with the name and address of
the ultimate beneficiary and his relationship to the grantor. If the donee fails to so notify the commission, which failure results in loss of tax, he shall be liable for such tax.

Sec. 5. Unless the greatest possible tax is paid in full within thirty days after receipt of the property by the trustee or within thirty days after the death of the grantor, whichever occurs last, a surety company bond shall be executed in favor of the state of Washington by the trustee and filed with the commission, which bond shall be binding on his successors or representatives, in an amount equal to the greatest possible tax, conditioned that upon the exercise or termination of the power the commission will be notified and the final tax paid in full: Provided, That the trustee may elect to pay a tentative tax based on the probabilities of devolution of the property, and file a bond only for the difference between the tentative tax paid and the greatest possible tax. The commission, in its discretion, may accept other adequate security in lieu of any bond or payment of tentative tax. If at any time the commission has cause to believe that the bond or security furnished is inadequate to insure payment of the final tax, it may require such further security from the remaining property as it deems necessary. If the trustee fails or refuses to pay such tax, or furnish a bond or adequate security, the greatest possible tax shall immediately become due and payable, and may be enforced against the property by the commission through foreclosure proceedings. Any bond executed by the trustee as above provided shall not be released or exonerated without written consent of the commission.

Sec. 6. In the event any tentative tax paid as provided heretofore is determined to be in excess of the final tax, a refund for the excess shall be granted by the commission, without interest.
SEC. 7. The trustee shall have thirty days after receipt of the property or thirty days after the date of death of the grantor, whichever occurs last, within which to pay any tentative tax provided in this act, and if not so paid, interest shall be charged on such tax at the rate of one per cent per month from the date of receipt of the property until paid. Interest shall not be charged on the final tax if paid within three months of the exercise or termination of the power, but if not so paid, interest shall be charged at the rate of six per cent per annum from the date the power was exercised or terminated.

SEC. 8. In the event the donee exercises the power by granting a power of appointment to another donee to all or any part of the property, such property shall be taxed as if the second donee is the ultimate beneficiary thereof, as above provided, and the second donee is then considered as the owner of the property for the purposes of this act.

SEC. 9. Powers of appointment granted prior to the effective date of this act are not subject to the provisions hereof, but the exercise or termination of such powers are taxable as provided by section 2, chapter 134, Laws of 1931.

SEC. 10. As used in this act:

"Donor" means any person who creates a power of appointment.

"Donee" means any person given the power to exercise the appointment.

"Property" means any property subject to the power of appointment which is within the jurisdiction of this state.

"Trustee" means any person, including a donee, who holds the property or the title thereto in trust or otherwise.

"Ultimate beneficiary" means any person who becomes entitled to the property through exercise of the power, or by reason of non-exercise of the power,
or by reason of renouncement of the power by the donee, or by reason of renouncement or waiver by the person appointed to receive the property.

“Greatest possible tax” means a tentative tax computed on an assumed devolution of the property to an ultimate beneficiary within the limitations of the power, who would be taxable at the highest rates provided by the gift tax laws of this state.

“Final tax” means the tax determined under the gift tax laws of this state when the power is exercised or terminated.

“Due date” means the fifteenth day of March following the close of the calendar year in which any gift is made.

“Commission” means the tax commission of this state.

Sec. 11. The gift of a power of appointment, in conjunction with a disposition of property which is effected before or after the effective date of this act, by intervivos transfer, direct, or in trust or otherwise, is subject to the gift tax laws of this state from the donor to the ultimate beneficiary thereof.

Sec. 12. The tax is due as of the date of the gift, and shall be a lien upon the property until paid in full. It shall be the duty of the trustee to pay the tax or provide the security therefor as hereinafter provided, but no provision of this act shall be construed as imposing a personal liability on such trustee. The tax shall be assessed on the value of the property as of the date of the gift regardless of any subsequent increase or decrease in value, and may be paid from the property at the discretion of the trustee. Any refund granted as hereinafter provided shall inure to the benefit of the ultimate beneficiary.

Sec. 13. Upon the exercise or termination of the power, prior to furnishing the bond or other security for the tax as hereinafter provided, it shall be the duty of the donee to immediately notify the commis-
sion thereof, together with the name and address of the ultimate beneficiary and his relationship to the donor. If the donee fails to so notify the commission, which failure results in loss of tax, he shall be liable for such tax.

SEC. 14. Unless the greatest possible tax is paid in full on or before the due date, a surety company bond shall be executed in favor of the state of Washington by the trustee and filed with the commission, which bond shall be binding on his successors or representatives in an amount equal to the greatest possible tax, conditioned that upon the exercise or termination of the power the commission will be notified and the final tax paid in full: Provided, That the trustee may elect to pay a tentative tax based on the probabilities of devolution of the property, and file a bond only for the difference between the tentative tax paid and the greatest possible tax. The commission, in its discretion, may accept other adequate security in lieu of any bond or payment of tax. If at any time the commission has cause to believe that the bond or security furnished is inadequate to insure payment of the final tax, it may require such further security from the remaining property as it deems necessary. If the trustee fails or refuses to pay such tax, or furnish a bond or adequate security, the greatest possible tax shall immediately become due and payable, and may be enforced against the property by the commission through foreclosure proceedings. Any bond executed by the trustee as above provided shall not be released or exonerated without written consent of the commission.

SEC. 15. In the event any tentative tax paid as provided heretofore is determined to be in excess of the final tax, a refund for the excess shall be granted by the commission, without interest.

SEC. 16. The trustee shall have until the due date to pay any tentative tax provided in this act,
and if not so paid, interest shall be charged on such tax at the rate of one per cent per month from the first of January next preceding the due date until paid. Interest shall not be charged on the final tax if paid within three months of the exercise or termination of the power, but if not so paid, interest shall be charged at the rate of six per cent per annum from the date the power was exercised or terminated.

SEC. 17. In the event the donee exercises the power by granting a power of appointment to another donee to all or any part of the property, such property shall be taxed as if the second donee is the ultimate beneficiary thereof, as above provided, and the second donee is then considered as the owner of the property for the purposes of this act.

SECTION 1. Section 48.23.360, R.C.W., as derived from section .23.36, chapter 79, Laws of 1947 is amended to read as follows:

(1) Nonforfeiture Benefits: Any paid-up nonforfeiture benefit available under any annuity or pure endowment contract pursuant to section 48.23-.200, in the event of default in a consideration due on any contract anniversary shall be such that its present value as of such anniversary shall be not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits (excluding any total disability benefits attached to such contracts) which would have been provided for by the contract including any existing paid-up additions, if there had been no default, over the sum of (a) the then present value of the net consideration defined in paragraph two of this section corresponding to considerations which would have fallen due on and after such anniversary, and (b) the amount of any indebtedness to the company on the contract, including interest due or accrued. In determining the benefits referred to in this section and in calculating the net consideration referred to in such paragraph two, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional dates, the annuity payments shall be deemed to commence at the latest date permitted by the contract for the commence-ment of such payments and the considerations shall be deemed to be payable until such date, which,
however, shall not be later than the contract anniversary nearest the annuitant's seventieth birthday.

(2) Net Considerations: The net considerations for any annuity or pure endowment contract referred to in paragraph one of this section shall be calculated on an annual basis, shall be such that the present value thereof at date of issue of the annuity shall equal the then present value of the future benefits thereunder (excluding any total disability benefits attached to such contracts) and shall be not less than the following percentages of the respective considerations specified in the contracts for the respective contract years:

(4) Calculations on Default: Any cash surrender value and any paid-up nonforfeiture benefit, available under any such contract in the event of default in the payment of any consideration due at any time other than on the contract anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional considerations beyond the last preceding contract anniversary. All values herein referred to may be calculated upon the assumption that any death benefit is payable at the end of the contract year of death.
(5) Deferment of Payment: If an insurer provides for the payment of a cash surrender value, it shall reserve the right to defer the payment of such value for a period of six months after demand therefor with surrender of the contract.

(6) Lump Sum in Lieu: Notwithstanding the requirements of this section, any deferred annuity contract may provide that if the annuity allowed under any paid-up nonforfeiture benefit would be less than one hundred twenty dollars annually, the insurer may at its option grant a cash surrender value in lieu of such paid-up nonforfeiture benefit of such amount as may be required by paragraph three of this section.

(7) Operative Date: If no election is made by an insurer for an operative date prior to July first, nineteen hundred forty-eight, such date shall be the operative date for this section.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Class A counties and counties of the first class shall have the power to create county road
improvement districts for the improvement of existing county roads and for the construction or improvement of necessary drainage facilities therefor, bridges, culverts, sidewalks, curbs and gutters, and said counties shall have the power to levy and collect special assessments against the real property specially benefited thereby for the purpose of paying the whole or any part of the cost of such construction or improvement: Provided, however, That the powers granted herein shall not apply to roads which are designated primary or arterial county roads by the respective boards of commissioners of said counties: And provided further, That no road improvement district shall be created under this act unless the property within the proposed district shall be so developed by the construction of permanent urban improvements that the average number of dwelling units or units of business occupancy per one thousand feet of property fronting upon the portion of road to be improved shall be at least six: And provided further, That no road improvement district shall exceed one mile square.

Sec. 3. In case the board of county commissioners shall desire to initiate the formation of a county road improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed road improvement dis-
trict and describing the boundaries thereof, stating
the estimated cost and expense of the improvement
and the proportionate amount thereof which will be
borne by the property within the proposed district,

of property fronting upon the portion of road to be
improved, notifying the owners of property therein
to appear at a meeting of the board at the time speci-

expense of such improvement to be borne by each
lot, tract or parcel of land or other property, and also

such resolution for hearing before the board of
county commissioners.

Notice of the adoption of the resolution of inten-

any lot, tract or parcel of land or other property
within the proposed improvement district by mailing
said notice to the owner or reputed owner of the

M. of a day which shall be one week after the date of the public hearing.

The notice of adoption of the resolution of intention shall also contain the above directions, and, in addition thereto, shall state the rules by which the election shall be governed.

Sec. 4. The election provided herein for cases where the improvement is initiated by resolution shall be governed by the following rules: (1) All ballots must be signed by the owner or reputed owner of property within the proposed district according to the records of the county auditor; (2) each ballot must be returned to the clerk of the board not later than one week after the public hearing; (3) each property owner shall have one vote for each full
dollar of estimated assessment against his property as determined by the preliminary estimates and assessment roll; (4) the valid ballots shall be tabulated and a majority of the votes cast shall determine whether the formation of the district shall be approved or rejected.

Sec. 5. In case any such road improvement shall be initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement, and the fact that the signers thereof are the owners, according to the records of the county auditor of property to an aggregate amount of a majority of the lineal frontage upon the improvement to be made and of the area within the limits of the assessment district to be created therefor.

Upon the filing of such petition the board shall determine whether the same shall be sufficient and whether the property within the proposed district shall be sufficiently developed and if the board shall find the district to be sufficiently developed and the petition to be sufficient, it shall proceed to adopt a resolution setting forth the nature and territorial extent of the improvement petitioned for, designating the number of the proposed improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at the time specified in such resolution, and directing the county road engineer to submit to the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each
lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. Sec. 6. Whether the improvement is initiated by petition or resolution the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing, the board may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary: Provided, That the board may neither so alter the

improvement as to increase the estimated cost by an amount greater than ten per cent above that stated in the notice, nor increase the proportionate share of the cost to be borne by assessments from the proportion stated in the notice, nor change the boundaries of the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners, in the manner and form and within the time herein provided for the original notice.

At said hearing, the board shall ascertain whether the plan of improvement or construction is feasible and whether the benefits to be derived therefrom by the property within the proposed district, together with the amount of any county road fund participation, exceed the costs and expense of the formation of the proposed district and the contemplated construction or improvement and shall make a written finding thereon. In case the proceedings have been initiated by petition, the board shall find whether the petition including all additions thereto or withdrawals therefrom made prior to five o'clock P. M. of the day before the hearing is sufficient. If said petition shall be found insufficient the board shall by resolution declare the proceedings terminated. In case the proceedings have been initiated by resolution if the board shall find the improvement to be feasible, it shall continue the hearing until a day not more than fifteen days after the date for returning ballots for the purpose of determining the results of said balloting.

After the hearing the board may proceed to adopt a resolution creating the district and ordering the improvement. Such resolution shall establish such district as the “........................ County Road Improvement District No. .........................” Such resolution shall describe the nature and territorial extent of the improvement to be made and the boundaries
of the improvement district, shall declare the estimated cost and the proportion thereof to be borne by assessments, and shall contain a finding as to the result of the balloting by property owners in case the improvement shall have been initiated by resolution.

Upon the adoption of the resolution establishing the district, the board shall have jurisdiction to proceed with the improvement. The board’s findings on the sufficiency of petitions or on the results of the balloting shall be conclusive upon all persons.

Sec. 7. The diagram or print herein directed to be submitted to the board shall be in the nature of a preliminary determination upon the method, and estimated amounts, of assessments to be levied upon the property specially benefited by such improvement and shall in no case be construed as being binding or conclusive as to the amount of any assessments which may be ultimately levied.

Sec. 8. Every resolution ordering any improvement mentioned in this act, payment for which shall be in whole or in part by special assessments shall establish a road improvement district which shall embrace as near as may be all the property specially benefited by such improvement and the provisions of chapters 35.43 and 35.44, R.C.W., governing the method of assessment for local improvement districts in cities and towns shall apply to county road improvement districts created under this act: Provided, That no assessment shall be levied which shall be greater than the special benefits derived from the improvement as determined by the board of commissioners.

SEC. 9. Whenever the assessment roll for any county road improvement district shall have been prepared such roll shall be filed with the clerk of the board. The board shall thereupon by resolution set the date for hearing upon such roll before the board and direct the clerk to give notice of such hearing and the time and place thereof.

Such notice shall specify such time and place of hearing on such roll and shall notify all persons who may desire to object thereto to make such objection in writing and to file the same with such clerk at or prior to the date fixed for such hearing; and that at the time and place fixed and at such other times as the hearing may be continued to, the board will sit as a board of equalization for the purpose of considering such roll and at such hearing will consider such objections made thereto, or any part thereof, and will correct, revise, raise, lower, change or modify such roll or any part thereof, or set aside such roll in order that such assessment be made de novo as to such body shall appear just and equitable and then proceed to confirm the same by resolution.

Notice of the time and place of hearing under such assessment roll shall be given to the owner or reputed owner of the property whose name appears thereon, by mailing a notice thereof at least fifteen days before the date fixed for the hearing to such owner or reputed owner at the address of such owner as shown on the tax rolls of the county treasurer; and in addition thereto such notice shall be published at least two times in a newspaper of general circulation in the county if the newspaper is published weekly, but shall be published at least five times in such newspaper if said newspaper is published daily. At least fifteen days must elapse between the date of last publication thereof and the date fixed for such hearing.
The board, at the time fixed for hearing objections to the confirmation of said roll, or at such time or times as said hearing may be adjourned to, shall have power to correct, revise, raise, lower, change or modify such roll or any part thereof, and to set aside such roll in order that such assessment be made *de novo* as to the board shall appear equitable and just, and then shall confirm the same by resolution. All objections shall be in writing and filed with the board and shall state clearly the grounds objected to, and objections not made within the time and in the manner herein described shall be conclusively presumed to have been waived.

Whenever any such roll shall be amended so as to raise any assessments appearing thereon, or to include property subject to assessment which has been omitted from the assessment roll for any reason a new hearing, and a new notice of hearing upon such roll, as amended, shall be given as in the case of an original hearing and at the conclusion of such hearing the board may confirm the same or any portion thereof by resolution and certify the same to the treasurer for collection. Whenever any property shall have been entered originally on such roll, and the assessment upon such property shall not be raised, no objections thereto shall be considered by the board or by any court on appeal, unless such objections be made in writing at or prior to the date fixed for the original hearing upon such roll.

Sec. 10. The decision of the board upon any objections made within the time and in the manner herein prescribed may be reviewed by the superior court upon an appeal taken thereto in the manner provided for taking appeals from objections in local improvement districts of cities and towns.

The board shall have the same powers of reassessment and shall proceed to make such reassessments in the same manner and subject to the same
limitations as are provided by law for the making of reassessments in local improvement districts of cities and towns.

Sec. 11. Whenever any assessment roll for construction or improvements shall have been confirmed by the board, as provided in this act, the regularity, validity and correctness of the proceedings relating to such construction or improvement and to the assessment therefor, including the action of the board on such assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties and cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objection to such roll in the manner and within the time provided in this act, and not appealing from the action of the board in confirming such assessment roll in the manner and within the time provided in this act. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment or for the sale of any property to pay such assessment or any certificate of delinquency issued therefor or the foreclosure of any lien issued therefor, but this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds that the property about to be sold does not appear upon the assessment roll, or that the assessment has been paid.

Sec. 12. The charge on the respective lots, tracts, parcels of land and other property for the purpose of special assessment to pay the cost and expense in whole or in part of any construction or improvement authorized in this act, when assessed, and the assessment roll confirmed by the board shall be a lien upon the property assessed from the time said assessment rolls shall be placed in the hands of the county treasurer for collection. Said liens shall be paramount.
and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except a lien for general taxes.

Sec. 13. The county treasurer is hereby designated as the treasurer of all county road improvement districts created hereunder, and shall collect all road improvement district assessments, and the duties and responsibilities herein imposed upon him shall be among the duties and responsibilities of his office for which his bond is given as county treasurer.

Sec. 14. The board shall prescribe by resolution within what time such assessment or installments thereof shall be paid, and shall provide for the payment and collection of interest at a rate not to exceed six per cent per annum on that portion of any assessment which remains unpaid over thirty days after such date. Assessments or installments thereof which are delinquent, shall bear, in addition to such interest, such penalty not less than five per cent as shall be prescribed by resolution. Interest and penalty shall be included in and shall be a part of the assessment lien. All liens acquired by the county hereunder shall be foreclosed by the appropriate county officers in the same manner and subject to the same rights of redemption provided by law for the foreclosure of liens held by cities or towns against property in local improvement districts.

Sec. 15. Whenever before the sale of any property the amount of any assessment thereon, with interest, penalty, costs and charges accrued thereon, shall be paid to the treasurer, he shall thereon mark the same paid with the date of payment thereof on the assessment roll.

Sec. 16. All moneys collected by the treasurer upon any assessments under this act shall be kept as a separate fund to be known as ".................... County Road Improvement District No. ....................."
Use of fund. Such funds shall be used for no other purpose than the payment of costs and expense of construction and improvement in such district and the payment of interest or principal of warrants and bonds drawn or issued upon or against said fund for said purposes. Whenever after payment of the costs and expenses of the improvement there shall be available in the local improvement district fund a sum, over and above the amount necessary to meet the interest payments next accruing on outstanding bonds, sufficient to retire one or more outstanding bonds the treasurer shall forthwith call such bond or bonds for redemption.

Sec. 17. Whenever any property shall be bid in by any county or be stricken off to any county under and by virtue of any proceeding for enforcement of the assessment provided in this act said property shall be held in trust by said county for the fund of the improvement district for the creation of which fund said assessment was levied and for the collection of which assessment said property was sold: Provided, Such county may at any time after the procuring of a deed pay in to such fund the amount of the delinquent assessment for which said property was sold and all accrued interest and interest to the time of the next call for bonds or warrants issued against such assessment fund at the rate provided thereon, and thereupon shall take and hold said property discharged of such trust: Provided further, That property deeded to any county and which shall become a part of the trust being exercised by the said county for the benefit of any local improvement district fund of the said county, shall be exempt from taxation for general, state, county and municipal purposes during the period that it is so held.

Sec. 18. Any county may at any time after a deed is issued to it under and by virtue of any proceeding mentioned in this act, lease or sell or convey
any such property at public or private sale for such price and on such terms as may be determined by resolution of the board, and all proceeds resulting from such sale shall ratably belong to and be paid into the fund of the county road improvement district or districts concerned after first reimbursing any fund or funds having advanced any money on account of said property.

Sec. 19. The board may provide for the payment of the whole or any portion of the cost and expense of any duly authorized road improvement by bonds and/or warrants of the improvement district which bonds shall be issued and sold as herein provided, but no bonds shall be issued in excess of the cost and expense of the project nor shall they be issued prior to twenty days after the thirty days allowed for the payment of assessments without penalty or interest.

Sec. 20. Such bonds shall be numbered from one upwards consecutively, shall be in such denominations as may be provided by the board of county commissioners in the resolution authorizing their issuance, shall mature on or before a date not to exceed twenty-two years from and after their date, shall bear interest not to exceed six per cent per annum payable annually or semi-annually as may be provided by the board, shall be signed by the chairman of the board and attested by the county auditor, shall have the seal of the county affixed thereto, shall be payable at the office of the county treasurer or elsewhere as may be designated by the board, shall have attached thereto interest coupons for each interest payment which said coupons shall be signed by the chairman of the board and attested by the auditor or in lieu thereof may bear the printed or engraved facsimile signatures of said officials.
Such bonds shall refer to the improvement for which they are issued and to the resolution creating the road improvement district therefor.

**Sec. 21.** The bonds issued under the provisions of this act may be issued to the contractor or sold by the board as authorized by the resolution directing their issuance at not less than their par value and accrued interest to the date of delivery. No bonds shall be sold except at public sale upon competitive bids and a notice calling for bids shall be published once a week for two consecutive weeks in the official newspaper of the county. Such notice shall specify a place and designate a day and hour subsequent to the date of last publication thereof when sealed bids will be received and publicly opened for the purchase of said bonds. The proceeds of all sales of bonds shall be deposited in the county road improvement district fund and applied to the cost and expense of the district.

**Sec. 22.** Any Class A county and county of the first class may establish a fund for the purpose of guaranteeing to the extent of such fund and in the manner hereinafter provided, the payment of its road improvement district bonds and warrants issued to pay for any road improvement ordered under this act. If the board of county commissioners shall determine to establish such fund it shall be designated "County Road Improvement Guaranty Fund" and from moneys available for road purposes such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five per cent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in obligations of the government of the United States or of this state.
SEC. 23. Whenever there shall be paid out of a guaranty fund any sum on account of principal or interest of a road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from bank deposits or government securities of the fund, as well as any surplus remaining in any local improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such road improvement fund. Warrants drawing interest at a rate not to exceed six per cent shall be issued, as other warrants are issued by the county, against a guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for road purposes for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted interest coupons, bonds and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of the guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase...
such property at tax foreclosures, for the purpose of protecting the guaranty fund. Said fund shall be subrogated to the rights of the county, and the county, acting on behalf of said fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the governing authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the board of commissioners or other legislative body, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund.

SEC. 24. Neither the holder nor the owner of any bond or warrant issued under the provisions of this act shall have any claim therefor against the county by which the same is issued, except for payment from the special assessments made for the improvement for which said bond or warrant was issued and except as against the improvement guaranty fund of such county, and the county shall not be liable to any holder or owner of such bond or warrant for any loss to the guaranty fund occurring in the lawful operation thereof by the county. The remedy of the holder or owner of a bond, or warrant in case of non-payment, shall be confined to the enforcement of any assessments made in such road improvement district and to the guaranty fund. In case the bonds are guaranteed in accordance herewith a copy of the foregoing part of this section shall be plainly
written, printed or engraved on each bond issued and gauranteed hereunder.

Sec. 25. If the board fails to cause any bonds to be paid when due or to promptly collect any assessments when due, the owner of any of the bonds may proceed in his own name to collect the assessments and foreclose the lien thereof in any court of competent jurisdiction and shall recover in addition to the amount of the bonds outstanding in his name, interest thereon at five per cent per annum, together with the costs of suit, including a reasonable attorney's fee to be fixed by the court. Any number of owners of bonds for any single project may join as plaintiffs and any number of the owners of property upon which the assessments are liens may be joined as defendants in the same suit.

Sec. 26. In all cases where the board shall issue bonds to pay the cost and expense of any county road improvement district and shall provide that the whole or any part of the cost and expense shall be assessed against the lots, tracts, parcels of land, and other property therein, the resolution levying such assessment shall provide that the sum charged thereby against each lot, tract, or parcel of land or any portion of said sum may be paid during the thirty day period provided for in the following section and that thereafter the sum remaining unpaid may be paid in equal annual installments, the number of which installments shall be less by two than the number of years which the bonds issued to pay for the improvement may run. Interest upon all unpaid installments shall be charged at a rate fixed by said resolution. Each year such installments together with interest due thereon shall be collected in the manner provided in the resolution for the collection of the assessments.

Sec. 27. The owner of any lot, tract, or parcel of land, or other property charged with any such...

assessments may redeem the same from all or any portion of the liability for the cost and expense of such improvement by paying the entire assessment or any portion thereof charged against such lot, tract, or parcel of land without interest within thirty days after notice to him of such assessment, which notice shall be given as follows: The county treasurer shall, as soon as the assessment roll has been placed in his hands for collection, publish a notice for two consecutive daily or weekly issues in the official newspaper of the county in which the district is located, which notice shall state that the assessment roll is in his hands for collection and that any assessment thereon or any portion of such assessment may be paid at any time within thirty days from the date of the first publication of said notice without penalty interest or costs.

Sec. 28. The owners of any lot, tract, or parcel of land may save the same from all liability for the unpaid amount of the assessment, at any time after the thirty day period herein provided for their payment without interest, by paying the entire amount or all installments on said assessment together with all interest due to the date of maturity of any installment next falling due. All such payments shall be made to the county treasurer whose duty it shall be to collect all assessments under this act and all sums so paid or collected shall be applied solely to the payment of the cost and expense of the district and payment of principal and/or interest of any bonds issued.

Sec. 29. An action to collect any special assessment or installment thereof for road improvements, or to enforce the lien of any such assessment or installment, whether such action be brought by the county or by the holder of any certificate of delinquency, or by any other person having the right to bring such action, shall be commenced within ten
years after such assessment shall have become delinquent or within ten years after the last installment of any such assessment shall have become delinquent, when said special assessment is payable in installments.

Actions to set aside or cancel any deed hereafter issued upon the sale of property for road improvement assessments, or for the recovery of property sold for delinquent road improvement assessments must be brought within three years from and after date of the issuance of such deed.

Sec. 30. Whenever any district is organized hereunder, there shall be included in the cost and expense thereof: (1) The cost of all of the construction or improvement authorized in the district, including that portion of the construction or improvement within the limits of any street or road intersection, space or spaces; (2) the estimated costs and expenses of all engineering and surveying necessary to be done by the county engineer or under his direction or by such other engineer as may be employed by the county commissioners; (3) the cost of all advertising, mailing, and publishing of all notices; (4) the cost of legal services and any other expenses incurred by the county for the district or in the formation thereof, or by the district in connection with such construction or improvement and in the financing thereof, including the issuance of any bonds.

Sec. 31. All land, premises or property necessary for right-of-way or other purposes in the construction or improvement of any county road, including bridges, sidewalks, curbs and gutters and the drainage facilities therefor, under this act may be acquired by the county acting through its board of county commissioners, either by gift, purchase or by condemnation. In the event of any exercise of the power of eminent domain, the procedure shall
be the same as is provided by law for the securing of right-of-way for county roads. The title to all property acquired for any construction or improvement under this act shall be taken in the name of the county. The county commissioners in any eminent domain action brought to secure any property for construction or improvement under this act may pay any final judgment entered in such action with county road funds and take possession of the particular property condemned. In the event of any such payment the county commissioners may require that the county road fund be reimbursed out of the particular county road improvement fund of the district for which the property was acquired.

SEC. 32. All construction or improvement performed under this act shall be under the direction of the board of county commissioners, acting by and through the county road engineer, or such other engineer as the board of county commissioners shall designate. Contracts let and/or work performed upon all construction or improvement hereunder shall be in accordance with the laws pertaining to work upon county roads. The construction and improvement standards of the respective counties for engineering and performance of work, shall apply to all construction or improvement under this act.

SEC. 33. The board may provide by resolution for the issuance of warrants in payment of the costs and expenses of any project, payable out of the county road improvement fund. The warrants shall bear interest at the rate of not to exceed six per cent per annum and shall be redeemed either in cash or by bonds for the same project authorized by the resolution.

All warrants issued against any such improvement fund shall be claims and liens against said fund prior and superior to any right, lien or claim of any surety upon the bond given to the county by or for
the contractor to secure the performance of his contract or to secure the payment of persons who have performed work thereon, furnished materials therefor, or furnished provisions and supplies for the carrying on of the work.

The county treasurer may accept warrants against any county road improvement fund upon such conditions as the board may prescribe in payment of: (1) assessments levied to supply that fund in due order of priority; (2) judgments rendered against property owners who have become delinquent in the payment of assessments to that fund; and (3) certificates of purchase in cases where property of delinquents has been sold under execution or at tax sale for failure to pay assessments levied to supply that fund.

Sec. 34. Except as they may establish continuing guaranty fund requirements, the board of county commissioners shall be the sole judges as to the extent of county road fund participation in any project under this act and the decisions of the board shall be final; the said board may receive grants from or contract with any other county, municipal corporation, public agency or the state or federal government in order to effect any construction or improvement hereunder.

Sec. 35. After the completion of any construction or improvement under this act, all maintenance thereof shall be performed by the county at the expense of the county road fund.

Sec. 36. Lands owned by the state, county, school district or any municipal corporation may be assessed and charged for road improvements authorized under this act in the same manner and subject to the same conditions as provided by law for assessments against such property for local improvements in cities and towns.
 Notices and ballots affecting public lands; powers of public officers.

All notices and ballots provided for herein affecting state lands shall be sent to the state land commissioner and said commissioner is hereby authorized to sign petitions or ballots on behalf of the state. In the case of counties or municipal or quasi municipal bodies notices and ballots shall be sent to the legislative authority of said counties or municipality and petitions or ballots shall be signed by the officer duly empowered to act by said legislative authority.

Sec. 37. Wherever herein petitions, ballots or objections are required to be signed by the owners of property, the following rules shall govern the sufficiency thereof: (1) the signature of the record owner as determined by the records of the county auditor shall be sufficient without the signature of his or her spouse; (2) in the case of mortgaged property, the signature of the mortgagor shall be sufficient; (3) in the case of property purchased on contract the signature of the contract purchaser as shown by the records of the county auditor shall be deemed sufficient; (4) any officer of a corporation owning land in the district duly authorized to execute deeds or encumbrances on behalf of the corporation may sign on behalf of such corporation: Provided, That there shall be attached to the ballot or petition a certified excerpt from the by-laws showing such authority; (5) if any property in the district stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator or guardian as the case may be shall be equivalent to the signatures of the owner of the property.

[S. B. 32.]
UNIFORM RECIPROCAL ENFORCEMENT OF SUPPORT ACT.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The purposes of this act are to improve and extend by reciprocal legislation the enforcement of duties of support and to make uniform the law with respect thereto.

SEC. 2. As used in this act unless the context requires otherwise:

"State." (1) "State" includes any state, territory or possession of the United States and the District of Columbia in which this or a substantially similar reciprocal law has been enacted.

"Initiating state." (2) "Initiating state" means any state in which a proceeding pursuant to this or a substantially similar reciprocal law is commenced.

"Responding state." (3) "Responding state" means any state in which any proceeding pursuant to the proceeding in the initiating state is or may be commenced.

"Court." (4) "Court" means the superior court of this state and when the context requires, means the court of any other state as defined in a substantially similar reciprocal law.

"Law." (5) "Law" includes both common and statute law.

"Duty of support." (6) "Duty of support" includes any duty of support imposed or imposable by law, or by any court order, decree or judgment, whether interlocutory or final, whether incidental to a proceeding for divorce, separate maintenance or otherwise.

"Obligor." (7) "Obligor" means any person owing a duty of support.
(8) "Obligee" means any person to whom a duty of support is owed.

SEC. 3. The remedies herein provided are in addition to and not in substitution for any other remedies.

SEC. 4. The duty of support imposed by the laws of this state or by the laws of the state where the obligee was present when the failure to support commenced as provided in section 7 and the remedies provided for enforcement thereof, including any penalty imposed thereby, bind the obligor regardless of the presence or residence of the obligee.

SEC. 5. The governor of this state (1) may demand from the governor of any other state the surrender of any person found in such other state who is charged in this state with the crime of failing to provide for the support of any person in this state and (2) may surrender on demand by the governor of any other state any person found in this state who is charged in such other state with the crime of failing to provide for the support of a person in such other state. The provisions for extradition of criminals not inconsistent herewith shall apply to any such demand although the person whose surrender is demanded was not in the demanding state at the time of the commission of the crime and although he had not fled therefrom. Neither the demand, the oath nor any proceedings for extradition pursuant to this section need state or show that the person whose surrender is demanded has fled from justice, or at the time of the commission of the crime was in the demanding or the other state.

SEC. 6. Any obligor contemplated by section 5, who submits to the jurisdiction of the court of such other state and complies with the court's order of support, shall be relieved of extradition for deser-
tion or non-support entered in the courts of this state during the period of such compliance.

Sec. 7. Duties of support enforceable under this law are those imposed or imposable under the laws of any state where the alleged obligor was present during the period for which support is sought or where the obligee was present when the failure to support commenced, at the election of the obligee.

Sec. 8. Whenever the state or a political subdivision thereof has furnished support to an obligee it shall have the same right to invoke the provisions hereof as the obligee to whom the support was furnished for the purposes of securing reimbursement of expenditures so made.

Sec. 9. All duties of support are enforceable by action irrespective of relationship between the obligor and obligee. Jurisdiction of all proceedings hereunder shall be vested in the superior court. In all instances where the obligee is not represented by private counsel it shall be the duty of the prosecuting attorney of the proper county of this state to appear in this state on behalf of and represent the obligee in every proceeding pursuant to this act and to obtain and present such evidence or proof as may be required by the court in the initiating state or the responding state.

Sec. 10. The petition shall be verified and shall state the name and, so far as known to the plaintiff, the address and circumstances of the defendant and his dependents for whom support is sought and all other pertinent information.

Sec. 11. If the court of this state acting as an initiating state finds that the petition sets forth facts from which it may be determined that the defendant owes a duty of support and that a court of the responding state may obtain jurisdiction of the defendant or his property, he shall so certify and shall
cause certified copies of the petition, the certificate and an authenticated copy of this act to be transmitted to the court of the responding state.

SEC. 12. When the court of this state, acting as a responding state, receives from the court of an initiating state the aforesaid copies, it shall (1) docket the cause, (2) notify the prosecuting attorney, (3) set a time and place for a hearing, and (4) take such action as is necessary in accordance with the laws of this state to obtain jurisdiction. The courts of both the initiating state and the responding state shall have the power to order testimony to be taken in either or both of such states by deposition or written interrogatories, and to limit the nature of and the extent to which the rights so to take testimony shall be exercised and the obligor shall have a full and fair opportunity to answer the allegations of the obligee.

SEC. 13. If the court of the responding state finds a duty of support, it may order the defendant to furnish support or reimbursement therefor and subject the property of the defendant to such order.

SEC. 14. The court of this state when acting as a responding state shall cause to be transmitted to the court of the initiating state a copy of all orders of support or orders for reimbursement therefor.

SEC. 15. In addition to the foregoing powers, the court of this state when acting as the responding state has the power to subject the defendant to such terms and conditions as the court may deem proper to assure compliance with its orders and in particular:

(a) To require the defendant to furnish recognizance in the form of a cash deposit or bond of such character and in such amount as the court may deem proper to assure payment of any amount required to be paid by the defendant;
(b) To require the defendant to make payments at specified intervals to the clerk of the court or the obligee and to report personally to such clerk at such times as may be deemed necessary;

(c) To punish the defendant who shall violate any order of the court to the same extent as is provided by law for contempt of the court in any other suit or proceeding cognizable by the court.

Sec. 16. The court of this state when acting as a responding state shall have the following duties which may be carried out through the clerk of the court:

(a) Upon the receipt of a payment made by the defendant pursuant to any order of the court or otherwise, to transmit the same forthwith to the court of the initiating state, and

(b) Upon request to furnish to the court of the initiating state a certified statement of all payments made by the defendant.

Sec. 17. The court of this state when acting as an initiating state shall have the duty which may be carried out through the clerk of the court to receive and disburse forthwith all payments made by the defendant or transmitted by the court of the responding state.

Sec. 18. Laws attaching a privilege against the disclosure of communications between husband and wife are inapplicable to proceedings under this act. Husband and wife are competent witnesses to testify to any relevant matter, including marriage and parentage.

RELATING TO WINDING UP OF PARTNERSHIP AFFAIRS UPON DISSOLUTION.

An Act relating to the winding up of the affairs of a partnership upon dissolution thereof by reason of the death of one of its members; authorizing the superior court to direct the sale of the interest of the deceased partner to the surviving partner or partners and to direct the personal representative of the deceased partner to agree to a continuance of the partnership business by the surviving partner or partners; amending sections 11.64.030 and 11.64.040, R.C.W.; and repealing sections 11.64.010, 11.64.020 and 11.64.050, R.C.W.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Within thirty days after the death of a partner the surviving partner or partners shall file a verified inventory of the assets of the partnership in the superior court in which letters testamentary or of administration are issued on the estate of the decedent or, if no letters are issued, in the superior court of the county of which the decedent was a resident at the time of his death. The inventory shall state the value of the assets as shown by the books of the partnership and a list of the liabilities of the partnership. If letters testamentary or of administration have been issued on the estate of the decedent, the surviving partner or partners shall cause the assets of the partnership to be appraised in like manner as the individual property of a deceased person, which appraisal shall include the value of the assets of the partnership and a list of the liabilities. The appraisers appointed by the court to appraise the separate property of the deceased partner shall appraise the partnership property, and the surviving partner or partners shall file the inventory and appraisal with the court in which the estate of the deceased partner is being administered.
Sec. 2. The surviving partner or partners may continue in possession of the partnership estate, pay its debts, and settle its business, and shall account to the executor or the administrator of the decedent and shall pay over such balances as may, from time to time, be payable to him. Upon the verified petition of the executor or administrator, or on its own motion, the superior court, whenever it appears necessary, may order the surviving partner or partners to account to said court.

Sec. 3. If the surviving partner or partners commit waste, or if it appears to the superior court that it is for the best interest of the estate of the decedent, such court may order the surviving partner or partners to give security for the faithful settlement of the partnership affairs and the payment to the executor or administrator of any amount due the estate.

Sec. 4. If the surviving partner or partners fail or refuse to file the inventory, list of liabilities or appraisal, or if it appears proper to order the surviving partner or partners to account to the superior court or to file a bond, said court shall order a citation to issue requiring the surviving partner or partners to appear and show cause why they have not filed an inventory, list of liabilities or appraisal or why they should not account to the court or file a bond. The citation shall be served not less than ten days before the return day designated therein. If the surviving partner or partners neglect or refuse to file an inventory, list of liabilities or appraisal, or fail to account to the court or to file a bond, after they have been directed to do so, they may be punished for a contempt or the court may commit them to jail until they comply with the order of the court. Where the surviving partner or partners fail to file a bond after being ordered to do so by the court, the court may also appoint a receiver of the partnership estate with like powers and duties of receivers in
equity, and order the costs and expenses of the proceedings to be paid out of the partnership estate or out of the estate of the decedent, or by the surviving partner or partners personally, or partly by each of the parties.

Sec. 5. Section 11.64.030, R.C.W., as derived from section 89, chapter 156, Laws of 1917, is hereby amended to read as follows:

The surviving partner or the surviving partners jointly, shall have the right at any time to petition the court to purchase the interests of a deceased partner in the partnership. Upon such petition being presented the court shall, in such manner as it sees fit, learn and by order fix the value of the interest of the deceased over and above all partnership debts and obligations, and the terms and conditions upon which the surviving partner or partners may purchase, and thereafter the surviving partner or partners shall have the preference right for such length of time as the court may fix, to purchase the interest of the deceased partner at the price and upon the terms and conditions fixed by the court. If any such surviving partner be also the executor or administrator of the estate of the deceased partner, such fact shall not affect his right to purchase, or to join with the other surviving partners to purchase such interest in the manner hereinbefore provided.

The court shall make such orders in connection with such sale as it deems proper or necessary to protect the estate of the deceased against any liability for partnership debts or obligations.

[Am. R.R.S. § 1459.]

Sec. 6. Section 11.64.040, R.C.W., as derived from section 90, chapter 156, Laws of 1917, is hereby amended to read as follows:

The court may, in instances where it is deemed advisable, authorize and direct the executor or administrator of the estate of a deceased partner to

or partners under which the surviving partner or
partners may continue to operate any going business

CHAPTER 199.
[S. B. 109.]

FORMATION OF BRIDGE, TUNNEL OR FERRY DISTRICTS.

An Act relating to toll bridge, tunnel or ferry facilities or projects therefor; authorizing the formation of districts in aid of such facilities or projects of the Washington toll bridge authority and the levy of assessments for such purpose and the use of funds derived therefor; declaring the duties of certain officers; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. This act is designed to provide a means whereby cities, counties and towns, or portions thereof, acting singly or jointly with each other, may form bridge, tunnel, or ferry districts for the purpose of:

(1) Adding existing or projected facilities by guaranteeing the payment of bonds issued to finance such facilities and thereby enabling the sale of such bonds at lower rates of interest (which would be reflected in lower tolls); or

(2) Expediting the retirement of obligations of an existing toll facility in order to bring about the early removal of toll charges.
CH. 99. SESSION LAWS, 1951.

Sec. 2. As used in this act:

"Municipality" shall mean any city, county or town, or portion thereof;

"District" shall mean a toll facility aid district established under the provisions of this act and shall be either a "bond guarantee district" or a "bond retirement district";

"Toll Authority" shall mean the Washington toll bridge authority;

"Governing body" shall mean the chief legislative authority of any municipality;

"District authority" shall mean the governing authority of a district.

Sec. 3. Any municipality or any municipalities, acting jointly may create a district:

(1) For the purpose of guaranteeing the bonds or securities of any project constructed, or to be constructed by the toll authority; or

(2) For the purpose of expediting the retirement of any bonds heretofore issued in connection with any facility of the toll authority, in the manner set forth in this act.

Sec. 4. At any general election, or at any special election which may be called for that purpose, the governing body of any municipality or the governing bodies of any municipalities acting jointly may, or on petition of three hundred qualified electors within a district proposed by the petition to be formed, shall submit to the voters within the proposed district the proposition whether such a district shall be formed.

Sec. 5. The governing body or bodies shall likewise at the same election submit to the voters the question whether a general tax levy of not to exceed three mills upon the assessed valuation of the taxable property in the district shall be levied for district purposes. It may also state the limit of duration of any levy of such tax.
SEC. 6. Prior to such election the governing body or bodies shall by ordinance declare the intention to submit to the voters within the proposed district the proposition of creating a district and the levy of assessments therefor for a stated period of years. The ordinance shall be published once a week for three weeks in a daily newspaper generally circulated in the proposed district, the last publication to be at least ten days before the election. The proposition shall appear upon the ballot in substantially the following language:

For the formation of a bond guarantee (retirement) district in aid of ........................................ facility (project) and the levy of ............ mill (s) assessment therefor ........................................

AGAINST the formation of a bond (retirement) guarantee district for ........................................ facility (project) ........................................

SEC. 7. Elections for the formation of toll facility aid districts shall be held in accordance with the general election laws of the state. Special precincts may be established for the purpose of holding such elections.

SEC. 8. If a majority of those voting shall vote in favor of the formation of the district and such levy, the district shall then be a municipal corporation for the purposes of this act voted upon. If the propositions shall fail to carry, the governing body or bodies of municipalities participating, shall by resolution declare the proceedings for the formation of the district to be void.

SEC. 9. The governing body or bodies may appropriate by emergency appropriation from any funds available any sums necessary to pay the preliminary, organizational or election expenses of a new district.

SEC. 10. Upon such favorable vote, the governing body of the municipality, or in the case mu-
municipalities have acted jointly, then the governing
corporations of all such municipalities participating, acting
as one body, shall constitute the district authority,
and the auditing, treasury, taxing, and assessing
officials of the component municipality comprising in
area the largest part of the district shall, for the
purpose of this act, be deemed to be district treasury,
taxing and assessing officials. The first act of the
district authority shall be to declare the district
organized. A copy of the resolution so declaring
shall be filed with the district taxing and assessing
officials.

SEC. 11. The toll authority may, in its discretion,
make the construction of any new bridge, tunnel or
ferry contingent upon the formation of a guaranteed
bond district hereunder, and levy of assessments
thereby. If any facility is constructed with the pro-
cceeds of bonds or securities issued pursuant to and
guaranteed by such approval, such levy of assess-
ments shall, for the purposes of the guarantee, and
for so long as may be necessary, be an obligation
of the district to the bond or security holders of the
toll authority as long as any such bonds or securities
remain an obligation of the toll authority, and no
district shall impair such contractual obligation.

SEC. 12. Any person having a substantial interest
in and feeling aggrieved by any action of the gov-
erning body or bodies, or the district authority, made
in the proceedings for the organization of a district,
may appeal within five days after such action was
taken, to a superior court within the district or
proposed district, in the same manner as appeals
from the orders of the boards of county commis-
sioners are made and the court shall dispose of such
appeal as provided by law for such cases.

SEC. 13. If no appeal is taken as provided in
section 12, the resolution of the district authority
shall be final and the formation of the district com-
plete and its legal existence shall not thereafter be questioned by any person by reason of any defect in the proceedings had for the organization thereof.

**Sec. 14.** If any assessment levy authorized under this act should for any reason prove unnecessary, the toll authority shall so notify the district authority, which shall thereafter not levy such assessment. Nothing in this section shall forbid the reinstatement of such levy at any time, if in the discretion of the toll authority the reinstatement is necessary to continue any guarantee given pursuant to this act and to fulfill the obligation of the district, and the toll authority shall so notify the district authority.

**Sec. 15.** Nothing contained in section 84.52.050, R.C.W., shall prevent the formation of a district and the levy of assessments under the provisions of this act. If any such district is formed in aid of an existing toll facility or to expedite the retirement of the bonds or securities of an existing facility, the levy authorized may be for one year only and the district authority may in its discretion, submit to the voters of the district at the next general election, the proposition of continuing the levy.

[R.C.W. 84.52.050 is derived from sec. 1, ch. 11, L. '50 Ex. Sess. (40 mill limit).]

**Sec. 16.** The district treasurer shall receive and disburse all district revenues, collect all assessments authorized and levied hereunder, and credit all district revenues to the proper fund.

**Sec. 17.** There is created in the office of the district treasurer the following funds: "District expense fund" and "aid fund." All sums collected by the treasurer for the district shall be placed in either of these two funds. Such amounts as are necessary and reasonable for the business operations of the district shall be allocated to the "expense fund"; all other sums shall be placed in the "aid fund."
Sec. 18. After the equalization of assessments for tax purposes in any year, the district authority shall prepare a budget of the requirements of each such district fund and certify and deliver it by the first Tuesday in September of each year to the district taxing and assessing officials to levy and collect in the manner provided by the general tax laws of this state.

Sec. 19. The levies authorized by this act shall be made against property in the district in accordance with the equalized valuations thereof for general tax purposes and as a part of the general taxes.

Sec. 20. The proceeds of the aid fund of any district shall be available and used in the case of a district formed to guarantee bonds and their interest, issued in aid of a projected facility, to pay any securities or the interest thereon, as and if necessary, or in the case of a district formed to aid an existing facility, in aid of the continued financial operations of the facility. If the levy was made to bring about the early removal of tolls by the retirement of existing bonds or securities of the toll authority issued for such facility, then such fund shall be used for such purpose.

Sec. 21. The district authority shall issue vouchers in favor of the toll authority and upon receipt of such vouchers the district auditing officer shall issue warrants therefor and the district treasurer shall pay out money in the aid fund to the toll authority to carry out the purposes of this act. The toll authority shall forthwith apply any sums so received to carry out such purposes.

Sec. 22. When the purposes of this act have been accomplished, the district authority shall proceed to wind up the affairs of the district and by resolution bring about the dissolution thereof. If any unexpended funds remain in the funds of any district,
such funds shall revert to and be paid by the treasurer into the general expense fund of the municipality or component municipalities.

Sec. 23. The provisions of this act and all proceedings taken hereunder shall be liberally construed in order to carry out the purposes of this act. The adjudication of invalidity of any section, clause, or partial section of this act shall not impair or otherwise affect the validity of this act as a whole, or any part thereof.

Sec. 24. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

[S.B. 125.]
IRRIGATION AND RECLAMATION DISTRICTS.

An act relating to irrigation and reclamation districts; amending sections 89.12.050, 89.12.070, 89.12.100, and 89.12.130, R.C.W.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 89.12.050, R.C.W., as derived from section 5, chapter 275, Laws of 1943, is amended to read as follows:

A district may enter into repayment and other contracts with the United States under the terms of the federal reclamation laws in matters relating to federal reclamation projects, and may with respect to lands within its boundaries include in the contract, among others, an agreement that:
(1) The district will not deliver water by means of the project works provided by the United States to or for lands not conforming in area and boundaries to the established farm units nor to or for more than one unit held by one landowner, except that as to lands held by one having equitable or legal title on May 27, 1937 (or the date on which the project or division becomes authorized in the case of projects other than the Columbia Basin project) or the heir or devisee of such owner delivery may be made to or for a total irrigable area not exceeding one hundred and sixty acres or a nominal quarter section. These limitations shall not apply to lands owned by the United States or any agency thereof. In case of excess land acquired by foreclosure or other process of law, by conveyance in satisfaction of mortgages, by inheritance, or by devise, water therefor may be furnished temporarily for a period not exceeding five years from the date of acquisition; delivery of water, thereafter ceasing until the transfer thereof to a landowner qualified to secure water therefor.

(2) As a condition to receiving water by means of the project works, each landowner in the district shall be required to execute, within six months from the date of the execution of the repayment contract, a recordable contract covering all his lands within the district, agreeing as to such lands for himself, his heirs, successors, and assigns to any or all of the provisions set forth below in this subsection: Provided, That any landowner, having failed to execute the contract within this period, may be permitted to do so within one year after the date of judicial confirmation of the validity of the repayment contract, but only in accordance with such rules and regulations as may be prescribed by the secretary concerning this privilege.
Notwithstanding the time limitations of the preceding paragraph but subject to such rules and regulations as may be prescribed therefor by the secretary, the privilege of executing recordable contracts is hereby extended as follows: (i) To any landowner as to a tract of land to which he, or his ancestors or devisors if he holds as an heir or devisee, held legal or equitable title on October 28, 1947;

(ii) To any landowner as to a tract of land as to which he has held legal or equitable title for not less than ten years (including the period of holding by his ancestors or devisors where title is held as an heir or devisee), or as to which he furnishes proof in writing satisfactory to the secretary as to the terms of the transaction and consideration paid by him (or by his ancestors or devisors where title is held as an heir or devisee) for the tract and as to which there is a finding by the secretary that the transaction was bona fide and for a consideration not in excess of the full fair market value of the tract, valued as of the date of that transaction without reference to or increment by reason of the project. Any such recordable contract may be executed only on or before December 31, 1951, or on or before a date to be fixed by the secretary as to each irrigation block in which the lands are situated, such date to be approximately two years before the commencement of the development period for that block.

Each such recordable contract may provide any or all of the following:

(A) That the landowner will conform his lands by purchase, sale, or exchange at the appraised value to the area and boundaries of the pertinent established farm unit or units and will dispose of excess land then or thereafter owned by him at its appraised value; that the secretary is thereby given an irrevocable power of attorney to sell in behalf of

[ 601 ]
the landowner any such excess land at the appraised value; and that the United States is thereby given, without further consideration, an option to buy any excess land at the appraised value: Provided, That sales under such power or option, unless otherwise provided in writing by the owner, shall be only for cash and only such that surrender of possession by the owner of any area of excess lands then operated as a single unit for dry farming or grazing may be effected substantially at one time;

(B) That from the date of execution thereof and to a date five years from the time water becomes available for the lands covered thereby, no conveyance of or contract to convey a freehold estate in such lands, whether excess or non-excess lands, shall be made for a consideration exceeding its appraised value, and in connection with any conveyance of, or contract to convey, such an estate within such period the grantor or vendor or the grantee or vendees or any lien holder thereof shall, within thirty days from the date of the conveyance or contract, file in the office of the auditor in the county in which the land is located an affidavit describing the conveyance or contract and the consideration therefor;

(C) That in the event that within such period such a conveyance of, or contract to convey, is made without filing within the thirty days the required affidavit, or is made for a consideration in excess of the appraised value, the secretary, at any time within two years of the day on which there is filed for recording in the county records the contract or deed involved, whichever is filed earliest in the event both the contract and deed are filed in a given transaction, may cancel the right of the estate to receive water by means of the project works, by a written notice of cancellation: Provided, That the power to cancel as to any given parcel of land may be waived.
by the secretary at any time within the two year period by a written notice of waiver: *Provided further*, That after any such cancellation a water right for the estate involved by means of the project works may be acquired only on terms and conditions satisfactory to the secretary; and

(D) That should any freehold estate in land covered thereby be conveyed or contracted to be conveyed within the period defined in (B) of this subsection, the transaction, and any mortgage or other lien covering any deferred consideration thereunder, shall be subject to all the provisions of subsection (B) of section 89.12.070.

(3) All lands within the district not covered by recordable contracts or otherwise not eligible to receive water by means of the project works shall be subject to assessment in the same manner and to the same extent as like lands eligible to receive water, subject to such provisions as the secretary may prescribe for postponement in payment of all or part of the assessment but not beyond the expiration of the period during which the price limit under subsection 2 applies.

(4) Without compliance with other provisions of state law for the exclusion of lands, lands may be withdrawn from the district by filing a written notice of withdrawal with the district board on or before the date fixed by the board between a date ten days after the official notice of the election on the repayment contract and the date of such election. The date limiting the time of such filing shall be announced in the notice of the proposed election, and lands for which the notice is filed shall be deemed excluded from the district for all purposes as of the time of the filing.

[R.C.W. 89.12.070 is sec. 2, infra, this chapter.]
SEC. 2. Section 89.12.070, R.C.W., as derived from section 7, chapter 275, Laws of 1943, is amended to read as follows:

(a) Fraudulent misrepresentation as to the true consideration involved in the conveyance of, or contract to convey, a freehold estate in land covered by a recordable contract or which is sought to be covered by a recordable contract, in the affidavit required or which may be required in connection therewith shall be punishable by a fine not exceeding five hundred dollars or by imprisonment not exceeding six months, or by both.

(b) Should a freehold estate in lands subject to the recordable contract be conveyed or contracted to be conveyed, after the execution of such recordable contract and within five years from the time water becomes available for such lands at a consideration in excess of the appraised value of the estate, the transaction, and any mortgage or other lien covering any deferred consideration thereunder shall be invalid as to that part of the consideration in excess of the appraised value of the estate involved. If the transaction involves deferred payments, the invalid portion of the consideration shall be deducted first from the deferred payments in the inverse order of their due dates.

The vendee or grantee in any such transaction at any time within two years from the date of such conveyance or contract and on filing a correct affidavit may recover from the vendor or grantor, or the successors or assigns thereof, an amount equal to the payments made in excess of the appraised value.

In connection with any judgment or decree hereunder in favor of a vendee or grantee, the vendee or grantee may recover court costs and reasonable attorney's fees.

Sec. 3. Section 89.12.100, R.C.W., as derived from section 10, chapter 275, Laws of 1943, is amended to read as follows:

If state lands within a district have been segregated into farm units and the appraised value thereof established, the state shall recognize and accept the appraisal as determining the market value of such lands, and shall offer the state lands for sale for cash on the following terms and conditions:

(1) Sales shall be made only at the appraised value; (2) only one farm unit shall be sold to any person; (3) applicants for the purchase of a farm unit shall be selected, as nearly as practicable, in accordance with the provisions of subsection (C) of section 4 of the act of congress of December 5, 1924 (43 Stat. 702); and (4) each applicant shall be required to execute a recordable contract within six months from the date the state's conveyance or contract to convey is made, whichever is the earlier, if such a contract is required as a condition to the delivery of water under the terms of the district's repayment contract with the United States; except as the carrying out of any such terms or conditions as to particular state lands may be precluded by provisions of the state Constitution.

The state shall cooperate with the secretary in carrying out the purposes of this chapter and in connection therewith, may execute recordable contracts covering any state lands and such other agreements as are necessary in connection with the administration of this act.

Sec. 4. Section 89.12.130, R.C.W., as derived from section 15, chapter 275, Laws of 1943, is amended to read as follows:

The commissioner of public lands shall be served with a copy of the petition proposing to include such lands, together with a map of the district
and notice of the time and place of hearing thereon, at least thirty days before the hearing, and if he determines that such lands will be benefited by being included in the district he shall give his consent thereto in writing. If he determines that they will not be benefited he shall file with the board a statement of his objections thereto.

Any public lands of the state which are situated within the boundaries of an irrigation district, but which were not included in the district at the time of its organization, may be included after a hearing as herein provided.

Whenever the commissioner or any interested person desires to have state public lands included in an existing district, he shall file a request to that effect in writing with the district board, which shall thereupon fix a time and place for hearing the request and post notice thereof in three public conspicuous places in the district, one of which shall be at the place of hearing, at least twenty days before the hearing, and send by registered mail a copy of the notice to the commissioner. conservation and development or other state department having jurisdiction over the public lands subjected to such irrigation district assessments are hereby authorized to make payment of such irrigation district assessments at the time they become due.

When state lands are included in a district they shall receive their proportionate share of water the same as other lands, upon payment by the state of such sums at such times as may be agreed upon between the commissioner and the district. In determining such sums, they shall consider the age of the district and the condition of its irrigation system, and place the lands on an equality with other lands in the district as to benefits, giving credit for any sums paid as water rent by any occupant thereof prior thereto, and the lands shall be subject to all taxes and assessments thereafter imposed: Provided, That no special assessments for purposes other than the payment of principal and interest on bonds or maintenance shall be levied against the lands while under state ownership without the written consent of the commissioner.

No state lands in a district shall be sold for delinquencies, but in case of delinquency the amount of the assessment shall be certified by the treasurer of the county in which the lands are situated to the commissioner who shall certify the same to the state auditor, who shall, unless the assessments have been paid in the meantime, certify to the next session of the legislature the amount of the assessments and the legislature shall provide for their payment with interest, by appropriation out of the general fund, and the amount so paid shall be added to the appraised value of the lands against which the delinquent assessments were certified and shall be collected the same as assessments on state lands for diking and drainage improvements. Separate and apart from and in addition to the foregoing provisions in this chapter, the claims of the state for payments and penalties due under this title shall be a lien prior to all other liens, except taxes, not only against the interests of any employer, but against the interests of all others, in real estate, plant, works, equipment, and buildings improved, operated, or constructed by any employer, and also upon any products or articles manufactured by such employer.

The lien created by this section shall attach from the date of the commencement of the labor upon such property for which such premiums are due. In order to avail itself of the lien hereby created, the department shall, within four months after the employer has made report of his payroll and has defaulted in the payment of his premiums thereupon, file with the county auditor of the county within which such property is then situated, a statement in writing describing in general terms the property upon which a lien is claimed and stating the amount of the lien claimed by the department. If any employer fails or refuses to make report of his payroll, the lien hereby created shall continue in full force and effect, although the amount thereof is undetermined and the four months’ time within which the department shall file its claim of lien shall not begin.
to run until the actual receipt by the department of such payroll report. From and after the filing of such claim of lien, the department shall be entitled to commence suit to cause such lien to be foreclosed in the manner provided by law for the foreclosure of other liens on real or personal property, and in such suit the certificate of the department stating the date of the actual receipt by the department of such payroll report shall be prima facie evidence of such fact.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Section 50.04.070, R.C.W., as derived from section 8, chapter 35, Laws of 1945, is amended to read as follows:

“Contributions” means the money payments, including the application of experience rating credits, to the state unemployment compensation fund.

SECTION 2. Section 50.12.080, R.C.W., as derived from section 47, chapter 35, Laws of 1945, is amended to read as follows:

[630]
If any employing unit fails to make or file any report or return required by this title, or any regulation made pursuant hereto, the commissioner may, upon the basis of such knowledge as may be available to him, arbitrarily make a report on behalf of such employing unit and the report so made shall be deemed to be *prima facie* correct. In any action or proceedings brought for the recovery of contributions and interest due upon the payroll of an employer, the certificate of the department that an audit has been made of the payroll of such employer pursuant to the direction of the department, or a certificate that a return has been filed by or for an employer or estimated by reason of lack of a return, shall be *prima facie* evidence of the amount of such payroll for the period stated in the certificate.

**Sec. 3.** Section 50.12.110, R.C.W., as derived from section 50, chapter 35, Laws of 1945, is amended to read as follows:

Information obtained from employing unit records under the provisions of this title or obtained from any individual pursuant to the administration of this title shall be confidential and shall not be published or be open to public inspection (other than to public employees in the performance of their public duties and then only at the discretion of and in accordance with regulations prescribed by the commissioner) in any manner revealing an individual’s or employing unit’s identity, but any interested party at a hearing before the appeal tribunal or the commissioner shall be supplied with information from such records to the extent necessary for the proper presentation of the case in question: *Provided, however,* Records, with any necessary authentication thereof, required in the prosecution of any criminal action brought by another state, the United States or a foreign government for misrepresentation to ob-
tain benefits under the law of this state shall be made available to the agency administering the employment security law of any such state, the United States or a foreign government for the purpose of such prosecution.

SEC. 4. Section 50.20.140, R.C.W., as derived from section 82, chapter 35, Laws of 1945, is amended to read as follows:

An application for initial determination, a claim for waiting period, or a claim for benefits shall be filed in accordance with such regulations as the commissioner may prescribe. An application for an initial determination may be made by any individual whether unemployed or not. Each employer shall post and maintain printed statements of such regulations in places readily accessible to individuals in his employment and shall make available to each such individual at the time he becomes unemployed, a printed statement of such regulations and such notices, instructions and other material as the commissioner may by regulation prescribe. Such printed material shall be supplied by the commissioner to each employer without cost to him.

The term “application for initial determination” shall mean a request in writing for an initial determination. The term “claim for waiting period” shall mean a certification, after the close of a given week, that the requirements stated herein for eligibility for waiting period have been met. The term “claim for benefits” shall mean a certification, after the close of a given week, that the requirements stated herein for eligibility for receipt of benefits have been met.

A representative designated by the commissioner shall take the application for initial determination and for the claim for waiting period credit or for benefits. When an application for initial determina-
tion has been made, the employment security department shall promptly make an initial determination which shall be a statement of the applicant’s base year wages, his weekly benefit amount, his maximum amount of benefits potentially payable and his benefit year. Such determination shall fix the general conditions under which waiting period credit shall be granted and under which benefits shall be paid during any period of unemployment occurring within the benefit year fixed by such determination.

Sec. 5. Section 50.20.150, R.C.W., as derived from section 83, chapter 35, Laws of 1945, is amended to read as follows:

The applicant for initial determination, his most recent employing unit as stated by the applicant, and any other interested party which the commissioner by regulation prescribes, shall, if not previously notified within the same continuous period of unemployment, be given notice promptly in writing that an application for initial determination has been filed and such notice shall contain the reasons given by the applicant for his last separation from work. If, during the benefit year, the applicant becomes unemployed after having accepted subsequent work, and files a claim for waiting period credit or benefits, a similar notice shall be given promptly to his then most recent employing unit as stated by him, or to any other interested party which the commissioner by regulation prescribes.

Sec. 6. Section 50.20.160, R.C.W., as derived from section 84, chapter 35, Laws of 1945, is amended to read as follows:

Within one year from the date of delivery or mailing of an initial determination or a determination of denial of benefits and within thirty days from the date of the allowance of benefits, the commis-
Redetermination.

The commissioner may reconsider and redetermine such determination whenever he finds that there has been an error in identity, computation, or statement of amount of wages earned, or an error or omission with respect to the facts, or in order to comply with a final court decision applicable to an initial determination or determination of denial or allowance of benefits. Written notice of any such redetermination shall be promptly given by mail or delivered to such interested parties as were notified of the initial determination or determination of denial or allowance of benefits and any new interested party or parties who, pursuant to such regulation as the commissioner may prescribe, would be an interested party.

SEC. 7. Section 50.20.180, R.C.W., as derived from section 86, chapter 35, Laws of 1945, is amended to read as follows:

If waiting period credit or the payment of benefits shall be denied to any claimant for any week or weeks, the claimant and such other interested party as the commissioner by regulation prescribes shall be promptly issued written notice of the denial and the reasons therefor. In any case where the department is notified in accordance with such regulation as the commissioner prescribes or has reason to believe that the claimant's right to waiting period credit or benefits is in issue because of his separation from work for any reason other than lack of work, the department shall promptly issue a determination of allowance or denial of waiting period credit or benefits and the reasons therefor to the claimant, his most recent employing unit as stated by the claimant, and such other interested party as the commissioner by regulation prescribes. Notice that waiting period credit or benefits are allowed or denied shall suffice for the particular weeks stated in the notice.
or until the condition upon which the allowance or denial was based has been changed.

Sec. 8. Section 50.20.190, R.C.W., as derived from section 18, chapter 215, Laws of 1947, is amended to read as follows:

Any individual who has received any sum as benefits from the unemployment compensation fund, when not entitled thereto, shall be liable to the fund for the sum improperly paid to him.

As soon as the commissioner has knowledge of payment of benefits to an individual under the circumstances mentioned in this section, he shall promptly prepare and deliver or mail to the individual at his last known address, a notice of determination of liability declaring that the individual has been determined liable to refund the amount of benefits paid under the circumstances mentioned in this section. Such amount, if not previously collected, shall be deducted from any future benefits payable to the individual.

Appeal from any determination of liability herein provided may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: Provided, That an appeal from any determination covering overpayment only, shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within ten days of the delivery of the notice of determination of liability, or within ten days of the mailing of the notice of determination, whichever is the earlier, said determination of liability shall be deemed conclusive and final, and the court shall, upon application of the
commissioner, enter a judgment in the amount provided by the notice of determination, which judgment shall have and be given the same effect as if entered pursuant to civil action. On request of any agency which administers an employment security law of another state, the United States or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law by reason of having knowingly made a false statement or misrepresentation of a material fact with respect to a claim taken in this state as an agent for such agency, the commissioner may collect the amount of such benefits from such claimant to be refunded to such agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

Sec. 9. Section 50.24.160, R.C.W., as derived from section 104, chapter 35, Laws of 1945, is amended to read as follows:

Any employing unit for which services that do not constitute employment as defined in this title are performed, may file with the commissioner a written election that all such services performed by any distinct class or group of individuals or by all individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all the purposes of this title for not less than two calendar years. Upon the
written approval of such election by the commissioner, such services shall be deemed to constitute employment subject to this title from and after the date stated in such approval. Such services shall cease to be deemed employment subject hereto as of January first of any calendar year subsequent to such two calendar years, only if the employing unit files with the commissioner prior to the fifteenth day of January of such year a written application for termination of coverage. The commissioner on his own motion may effectuate the same termination of coverage as of January first of any calendar year subsequent to such two calendar years by notifying such employing unit in writing of such termination prior to the fifteenth day of January of such year.

[This section (R.C.W. 50.24.160) was also amended by sec. 8, ch. 265, Laws of 1951.]

The applicant or claimant, his most recent employing unit or any interested party which the commissioner by regulation prescribes, may file an appeal from any determination or redetermination with the appeal tribunal within ten days after the date of notification or mailing, whichever is earlier, of such determination or redetermination to his last known address: Provided, That in the event an appeal with respect to any determination is pending as of the date when a redetermination thereof is issued, such appeal, unless withdrawn, shall be treated as an appeal from such redetermination. Any appeal from a determination of denial of benefits which is effective for an indefinite period shall be deemed to be an appeal as to all weeks subsequent to the effective date of the denial for which benefits have already been denied. If no appeal is taken from any determination, or redetermination, within the time allowed by the provisions of this section for appeal
therefrom, said determination, or redetermination, as the case may be, shall be conclusively deemed to be correct except as hereinbefore provided in respect to reconsideration by the commissioner of any determination.

SEC. 11. Section 50.20.010, R.C.W., as derived from section 9, chapter 214, Laws of 1949, is amended to read as follows:

An unemployed individual shall be eligible to receive waiting period credit or benefits with respect to any week only if the commissioner finds that:

(a) He has registered for work at, and thereafter has continued to report at, an employment office in accordance with such regulation as the commissioner may prescribe, except that the commissioner may by regulation waive or alter either or both of the requirements of this subdivision as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which he finds that the compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title;

(b) He has filed an application for an initial determination and made a claim for waiting period credit or for benefits in accordance with the provisions of this title;

(c) He is able to work, and is available for work in any trade, occupation, profession or business for which he is reasonably fitted. ered him, or to return to his customary self-employ-
ment (if any) when so directed by the commissioner. Such disqualification shall continue for the calendar week in which such failure occurred and for the five calendar weeks which immediately follow such week.

Each eligible individual who is unemployed in any week shall be paid with respect to such week a benefit in an amount equal to his weekly benefit amount less that part of the remuneration (if any) payable to him with respect to such week which is in excess of eight dollars. Such benefit, if not a multiple of one dollar, shall be computed to the next higher multiple of one dollar.

Within three years from the effective date the commissioner may reconsider the credit allowed any employer whenever he finds that there has been an error in the computation evident from the payroll data or other facts submitted by the employer prior to the cut-off date. When an increase is due, he shall issue to such employer a supplementary credit notice reflecting the increase in the employer’s credit; however, when a credit notice has been issued to an employer whose credit is reduced, such notice shall be deemed cancelled and a revised notice issued. If the credit shown by the incorrect notice has already been applied in payment of contributions in excess of the correct credit, the employer shall thereafter become liable for payment into the fund in an amount equal to the excess of the credit taken by him over the credit to which he is entitled and such amount shall be deemed and collected as contributions payable under this title.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. This act shall constitute a new chapter under title 71, R.C.W.

SEC. 2. As used in this chapter, the following terms shall have the following meanings:

"Psychopathic personality" means the existence in any person of such hereditary, congenital or acquired condition affecting the emotional or volitional rather than the intellectual field and manifested by anomalies of such character as to render satisfactory social adjustment by such person difficult or impossible.

"Sexual psychopath" means any person who is affected in a form of psychoneurosis or in a form of psychopathic personality, which form predisposes such person to the commission of sexual offenses in a degree constituting him a menace to the health or safety of others, and who is not mentally ill or mentally deficient.

"Sex offense" means one or more of the following: Abduction, incest, rape, assault with intent to commit rape, indecent assault, contributing to the delinquency of a minor involving sexual misconduct, sodomy, indecent exposure, indecent liberties with children, carnal knowledge of children, soliciting or enticing a child for immoral purposes, vagrancy involving immoral or sexual misconduct, or an attempt to commit any of the said offenses.
“Psychopathic delinquent” means any minor who is psychopathic, and who is a habitual delinquent, if his delinquency is such as to constitute him a menace to the health, person, or property of himself or others, and the minor is not a proper subject for commitment to a state correctional school, to a state school for the mentally deficient as a mentally deficient person, or to a state hospital as a mentally ill person.

“Minor” means any person under twenty-one years of age.

“Department” means department of public institutions.

“Court” means the superior court of the state of Washington.

“Superintendent” means the superintendent of a state institution designated for the custody, care and treatment of sexual psychopaths or psychopathic delinquents.

Sec. 3. Where any person is charged in the superior court in this state with a sex offense and it appears that such person is a sexual psychopath, the prosecuting attorney may file a petition in the criminal proceeding, alleging that the defendant is a sexual psychopath and stating sufficient facts to support such allegation. Such petition must be filed and served on the defendant or his attorney at least ten days prior to hearing on the criminal charge.

Sec. 4. The court may proceed to hear the criminal charge. If the defendant is convicted or has previously plead guilty to such charge, sentence shall be pronounced, and the court shall then proceed to hear and determine the allegation of sexual psychopathy. Acquittal on the criminal charge shall not operate to suspend the hearing on the allegation of sexual psychopathy.

Sec. 5. At a preliminary hearing upon the charge of sexual psychopathy, the court may require the
testimony of two duly licensed physicians who have examined the defendant. If the court finds that there are reasonable grounds to believe the defendant is a sexual psychopath, the court shall order said defendant confined at the nearest state hospital for observation as to the existence of sexual psychopathy. Such observation shall be for a period of not to exceed ninety days. The defendant shall be detained in the county jail or other county facilities pending execution of such observation order by the department of public institutions.

Sec. 6. Upon completion of said observation period the superintendent of the state hospital shall return the defendant to the court, together with a written report of his findings as to whether or not the defendant is a sexual psychopath and the facts upon which his opinion is based.

Sec. 7. After the superintendent's report has been filed, the court shall determine whether or not the defendant is a sexual psychopath. If said defendant is found to be a sexual psychopath, the court shall commit him to such facility as may be designated by the department of public institutions for the care and treatment of sexual psychopaths. If the defendant is found not to be a sexual psychopath, the court shall order the sentence to be executed, or may proceed to hear the criminal charge, or may discharge the defendant as the case may merit.

Sec. 8. A sexual psychopath committed pursuant to section 7 shall be retained by the superintendent of the institution involved until in his opinion he is safe to be at large, whereupon:

(1) If the sexual psychopath had been convicted of, or had plead guilty to the criminal charge, and the maximum sentence for such crime has not expired, the superintendent shall certify his opinion to the board of prison terms and paroles.
(2) If the maximum sentence for the criminal charge has expired, the superintendent shall parole such sexual psychopath under terms and conditions as he may deem advisable.

(3) If the maximum sentence for the criminal charge has not expired and the sexual psychopath has not plead guilty to or been convicted of such charge, the superintendent shall return the sexual psychopath to the committing court, which court may thereupon proceed to hear and determine the criminal charge.

Sec. 9. Where pursuant to section 8 (1) the superintendent certifies his opinion that the sexual psychopath is safe to be at large to the board of prison terms and paroles, such board shall proceed to determine the minimum sentence as in other criminal cases, and shall order the defendant transferred to the proper penal institution or released on parole, as the case may merit.

Sec. 10. Where under section 8 the superintendent certifies his opinion that the sexual psychopath is safe to be at large, he shall provide the board of prison terms and paroles, or the committing court, with a copy of the hospital medical record concerning the sexual psychopath so certified.

Sec. 11. The department may designate one or more state hospitals for the care and treatment of sexual psychopaths.

Sec. 12. Where a sexual psychopath has been paroled by the superintendent for a period of five years, the superintendent shall review his hospital record and when the superintendent is satisfied that the sexual psychopath remains safe to be at large, said sexual psychopath shall be discharged.

Sec. 13. Time served by a sexual psychopath in a state hospital shall count as part of his sentence
whether such sentence is pronounced before or after adjudication of his sexual psychopathy.

Sec. 14. A jury may be demanded to determine the question of sexual psychopathy upon hearing after return of the superintendent's report. Such demand must be in writing and filed with the court within ten days after filing of the petition alleging the defendant to be a sexual psychopath.

Sec. 15. Nothing in this act shall be construed as to affect the procedure for the ordinary conduct of criminal trials as otherwise set up by law. Nothing in this act shall be construed to prevent the defendant, his attorney or the court of its own motion, from producing evidence and witnesses at the hearing on the probable existence of sexual psychopathy or at the hearing after the return of the superintendent's report. Nothing in this act shall be construed as affecting the laws relating to the criminally insane or the insane criminal, nor shall this act be construed as preventing the defendant from raising the defense of insanity as in other criminal cases.

Sec. 16. A petition alleging that a person is a psychopathic delinquent and requesting that such person be brought before the court for hearing may be filed in the superior court of the county wherein such person is found. Such petition shall be made under oath and shall state the facts upon which the allegation is based. Such petition may be filed by any of the following persons:

(1) The parent, guardian, or other person charged with the support of the alleged psychopathic delinquent.

(2) Any county prosecuting attorney.

(3) Any duly appointed representative of the school district in which the alleged psychopathic delinquent resides.
(4) Any official of a public or private welfare agency.

(5) Any superintendent of a state institution.

(6) Any person when so directed by the juvenile court or the criminal department of the superior court.

Where the person alleged to be a psychopathic delinquent is under the jurisdiction of the juvenile court, such petition shall be filed only under the order of such juvenile court.

Sec. 17. Upon filing of such petition the court shall fix a time and place for preliminary hearing, which shall give opportunity for the service of notice and the production and examination of witnesses. For the purpose of conducting hearings under this chapter, the court may be convened at any time and place within the county wherein the court resides and such hearing may be closed to the general public unless the guardian, attorney or guardian ad litem representing the alleged psychopathic delinquent demands an open hearing as in other civil actions.

Sec. 18. The court at its discretion may issue a warrant of apprehension ordering the alleged psychopathic delinquent to be apprehended and detained pending preliminary hearing, which warrant shall be executed by the sheriff or other person designated by the court. Alleged psychopathic delinquents may be detained in county juvenile detention facilities or in the custody of some suitable person or agency at the discretion of the court.

Sec. 19. Upon preliminary hearing the court shall inquire into the mental condition, delinquency record, character, and personality of the alleged psychopathic delinquent, and for this purpose shall require the testimony of two duly licensed physicians who shall have examined the alleged psychopathic
Such physicians shall file a written report of their examination and shall testify as to whether or not the minor is a psychopathic delinquent, and the facts upon which such findings are based. The court, petitioner, or guardian, or guardian ad litem representing the alleged psychopathic delinquent may produce such witnesses as they may desire and subpoenas may issue for such purposes.

SEC. 20. If the court finds that there are reasonable grounds to believe that the minor filed against is a psychopathic delinquent, it shall order such person to be detained at the nearest state hospital for the purpose of observation and examination by the superintendent thereof. Such observation shall be for a period not to exceed ninety days. Upon completion of such observation and examination the superintendent of such state hospital shall so notify the committing court, which shall cause the return of the alleged psychopathic delinquent and the superintendent shall file as promptly as possible his written report setting forth the facts upon which he bases his conclusion that the minor is or is not a psychopathic delinquent.

SEC. 21. The court shall thereupon set a date for hearing on the petition, at which hearing the guardian, petitioner, attorney, or the court of its own motion, may produce additional witnesses and evidence and may require the attendance of the superintendent as a witness. Notice of such hearing shall be given pursuant to the provisions of section 17. If the court finds that the minor is a psychopathic delinquent, the court shall order such person committed to such institution as may be designated by the department of public institutions for the custody, care and treatment of psychopathic delinquents, until released by the superintendent thereof, which order shall be executed by the sheriff or other person designated by the court.
Sec. 22. The alleged psychopathic delinquent shall have the right to trial by jury, but demand for such trial must be filed by the guardian or attorney representing the minor on or before the date of preliminary hearing. Where such demand is filed, the court shall set a date for trial and the jury shall determine the question of psychopathic delinquency but such jury trial shall be had only after return of the superintendent's report following the preliminary period of observation. If the jury finds the minor to be a psychopathic delinquent, the court shall order such minor committed as provided for in section 21. Such minor may be detained pending jury trial as provided for in section 18.

Sec. 23. Any persons committed under the provisions of this act may be paroled by the superintendent of the institution wherein such person is confined whenever the superintendent is of the opinion that such person has improved to an extent that he is no longer a menace to the health, lives or property of himself or others. Such opinion shall be certified to the committing court and unless within thirty days the court orders the return of such person, the superintendent may parole him upon such conditions as the superintendent may deem advisable. After five years the superintendent shall review the record of such psychopathic delinquent, and if in his opinion such psychopathic delinquent remains safe to be at large, he shall discharge him.

Sec. 24. If a minor is brought before the juvenile court or is charged with a crime in a superior court and it appears to such court at any time prior to the execution of sentence that such minor is a psychopathic delinquent, the superior court or juvenile court may suspend proceedings, and, if a superior court, may direct the prosecuting attorney to file a petition under the provisions of this chapter, or if a juvenile court, may direct the juvenile court proba-
tion officer to file a petition under the provisions of this chapter. If the minor is found to be a psychopathic delinquent under this chapter, the court ordering such petition to be filed shall dismiss other pending proceedings. If the minor is found not to be a psychopathic delinquent, he shall be returned to the superior court or juvenile court ordering filing of such petition for further proceedings.

Sec. 25. The director of the department of public institutions may designate any existing state institutions or portion thereof for the care and treatment of psychopathic delinquents: Provided, however, That such institution shall provide psychiatric care and treatment. Psychopathic delinquents committed under this chapter shall be subject to all laws pertaining to the administration of the institution in which confined.

Sec. 26. Hearings held under the provisions of this act relative to psychopathic delinquents shall be handled as probate matters.

Sec. 27. At the time any person is committed as a sexual psychopath or psychopathic delinquent the court shall determine the financial ability of said person, or his parents if he is a minor, or other relatives to pay the cost of care, meals and lodging during his period of hospitalization. Such cost shall be determined by the department of public institutions. Findings of fact shall be made relative to the ability to pay such cost and a judgment entered against the person or persons found to be financially responsible and directing the payment of said cost, or such part thereof as the court may direct. The person committed, or his parents or relatives, may apply for modification of said judgment, or the order last entered by the court, if a proper showing of equitable grounds is made therefor.

PLATTING SUBDIVISION AND DEDICATION OF LAND.

An Act relating to the platting, subdivision and dedication of land, and amending section 58.16.100, R.C.W.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 58.16.100, R.C.W., as derived from section 11, chapter 186, Laws of 1937, is amended to read as follows:

The owner or agent of the owner of land located in a plat or subdivision, who transfers or sells, or agrees to sell or option any land by reference to or exhibition of or by any other use of a plat or map of a subdivision, before it has been approved and filed shall forfeit and pay a penalty of one hundred dollars for each lot or parcel so transferred, or sold or agreed or optioned to be sold. The description of the lot by metes and bounds in the instrument of transfer, agreeing or optioning, shall not exempt the transaction from the penalty, or from the remedies herein provided. The city, town, or county authority may enjoin the transfer, sale agreement, or option by action in the superior court, or may recover the
penalty in a civil action: Provided, That such owner or his agent may without penalty file any contract of sale and/or deed transferring land when the contract was entered into prior to the year 1945, and the county auditor may accept the same for filing without penalty if such contract and/or deed are first submitted to the prosecuting attorney of the county concerned and such prosecutor finds that any non-compliance with the provisions of chapter 58.16, R.C.W., was due to error or inadvertence and that such filing will not disturb the existing pattern of platting, subdivision or dedication as to the whole area of land concerned.

[R.C.W. 58.16 is Rem. Supp. §§ 9304-1 to 9304-11 incl.]

Sec. 2. It is the responsibility of the state to provide a means for the identification and preservation of survey points for the description of common land boundaries in the interest of the people of the state. There is an immediate necessity for the adoption of a system of permanent reference as to boundary monuments. There is now no recognized agency for the establishment of survey points for the definition of land boundaries and a need for such an agency to coordinate and publish dependable surveys now in existence where the record has been obscured.

Sec. 3. The engineering department of the department of public lands is hereby designated as the official agency for surveys and maps. The commissioner of public lands shall appoint an advisory board of five members, the majority of whom shall be registered professional engineers or land surveyors, who shall serve at the pleasure of the commissioner. Members of the board shall serve without salary but are to receive actual expenses not to exceed fifteen dollars per diem while actively engaged in the discharge of their duties.
Sec. 4. The commissioner of public lands and his engineering department and the advisory board are authorized to cooperate and advise with various departments and subdivisions of the state, counties, municipalities and registered engineers or land surveyors of the state for the following purposes:

(1) The recovery of section corners or other land boundary marks;

(2) The monumentation of accepted section corners, and other boundary and reference marks; said monumentation shall be adequately connected to adjusted United States coast and geodetic survey triangulation stations and the coordinates of the monuments computed to conform with the Washington coordinate system in accordance with the provisions of chapter 58.20, R.C.W., as derived from chapter 168, Laws of 1945;

(3) For facilitation and encouragement of the use of the Washington state coordinate system; and

(4) For promotion of the use of the level net as established by the United States coast and geodetic survey.

[R.C.W. 58.20 is Rem. Supp. 1945, §§10726-a to 10726-i incl.]

Sec. 5. All employees who are in responsible charge of work under the provisions of this act, shall be licensed professional engineers or land surveyors.

Sec. 6. The agency is further authorized to:

(1) Set up standards of accuracy and methods of procedure;

(2) Compile and publish maps and records from surveys performed under the provisions of this act, and to maintain suitable indexes of surveys to prevent duplication of effort and to cooperate with all agencies of local, state, and federal government to this end;

(3) Compile and maintain records of all surveys performed under the provisions of this act, and as-
semble and maintain records of all reliable survey monuments and bench marks within the state;

(4) Supervise the sale of maps and such publications as may come into the possession of the division of surveys and maps. Revenue derived from the sale thereof shall revert to the general fund; and

(5) Submit, as part of the biennial report of the commissioner of public lands, a report of the accomplishments of the agency.

Sec. 7. If any provision of this act shall be declared invalid, such invalidity shall not affect any other portion of this act which can be given effect without the invalid provision, and to this end the provisions of this act are declared to be severable.

[RCW 51.52.080 was derived from Rem. Supp. 1949, § 7697; part (sentence following first proviso).]

SEC. 10. A new section is added to chapter 51.52, R.C.W., to read as follows:
The board, upon request of the workman, beneficiary, or employer, or upon its own motion, may direct all parties interested in an appeal, together with their attorneys, if any, to appear before it, a member of the board, or an authorized representative thereof, for a conference for the purpose of determining the feasibility of settlement, the simplification of issues of law and fact, the necessity of amendments to the notice of appeal or other pleadings, the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof, the limitation of the number of expert witnesses, and such other matters as may aid in the disposition of the appeal. Such conference may be held prior to the hearing, or it may be held during the hearing, at the discretion of the member or representative of the board conducting the same, in which case the hearing will be recessed for such conference. Following the conference, if held before hearing, the board shall make an order which recites the actions taken at the conference, and the agreements made by the parties as to any of the matters considered, and which limits the issues at hearings to those not disposed of by said admissions or agreements of the parties. If the conference is held during the hearing, the board, or the member or representative thereof conducting the same, shall state on the record the results of such conference. The order or the statement on the record, as the case may be, shall control the subsequent course of the proceedings, unless modified at a subsequent hearing to prevent manifest injustice. If agreement concerning final disposition of the appeal is reached by the parties present at the conference, or by the employer and workman or beneficiary, the board may enter a final decision and order in accordance therewith, providing the board finds such agreement is in conformity with the law and the facts.
Sec. 11. Section 51.52.100, R.C.W., as derived from section 6, chapter 219, Laws of 1949, is amended to read as follows:

Hearings shall be held in the county of the residence of the workman or beneficiary, or in the county where the injury occurred, at a place designated by the board. Such hearing shall be de novo and summary, but no witness' testimony shall be received unless he shall first have been sworn to testify the truth, the whole truth and nothing but the truth in the matter being heard, or unless his testimony shall have been taken by deposition according to the statutes relating to superior courts of this state. The department shall be entitled to appear in all proceedings before the board and introduce testimony in support of its order. The board shall cause all oral testimony to be stenographically reported and thereafter transcribed, and when transcribed, the same, with all depositions, shall be filed in, and remain a part of, the record on the appeal. Such hearings on appeal to the board may be conducted by one or more of its members, or a duly authorized representative, and depositions may be taken by a person duly commissioned for the purpose by the board.

In cases involving injured workmen such appeal shall be to the superior court of the county of residence of the workman or beneficiary, or to the superior court of the county wherein the injury occurred. In all other cases the appeal shall be to the superior court of Thurston County. No bond shall be required on appeals to the superior court or on appeals to the supreme court, except that an appeal by the employer from a decision and order of the board under 51.48.070, R.C.W., shall be ineffectual unless, within five days following the service of notice thereof, a bond, with surety satisfactory to the court, shall be filed, conditioned to perform the judgment of the court. In all court proceedings under or pursuant to this title the findings and decision of the board shall be prima facie correct and the burden of proof shall be upon the party attacking the same. If the court shall determine that the board has acted within its power and has correctly construed the law and found the facts, the decision of the board shall be confirmed; otherwise, it shall be reversed or modified. In appeals to the superior court hereunder, either party shall be entitled to a trial by jury upon demand, and the jury's verdict shall have the same force and effect as in actions at law. Where the court submits a case to the jury, the court shall by instruction advise the jury of the exact findings of the board on each material issue before the court.

Such reasonable fee shall be fixed by the director of labor and industries for services performed by an attorney for such workman or beneficiary, prior to the notice of appeal to the board. If, on appeal to the board, the order, decision or award of the department is reversed or modified and additional relief is granted to a workman or beneficiary, or in cases where a party other than the workman or beneficiary is the appealing party and the workman's or beneficiary's right to relief is sustained by the board, the board shall fix a reasonable fee for the services of his attorney in proceedings before the board if written application therefor is made by the attorney. In fixing the amount of such attorney's fee, the board shall take into consideration the fee allowed, if any, by the director of labor and industries, for services before the department, and the board may review the fee fixed by said director. Any attorney's fee set by the department or the board may be reviewed by the superior court upon application of such attorney.

In fixing the fee the court shall take into consideration the fee or fees, if any, fixed by the director of labor and industries and the board for such attorney’s services before the department and the board. If the court finds that the fee fixed by the director of labor and industries or by the board is inadequate for services performed before the department or board, or if the director of labor and industries or the board has fixed no fee for such services, then the court shall fix a fee for the attorney’s services before the department, or the board, as the case may be, in addition to the fee fixed for the services in the court. If the decision and order of the board is reversed or modified and if the accident fund is affected by the litigation then the attorney’s fee fixed by the court for services before the court only, and the fees of medical and other witnesses and the costs shall be payable out of the administrative fund of the department.

RELATING TO THE ADMINISTRATION OF TRUSTS.
An Act relating to trusts; to certain "spendthrift" trusts, to accounting by trustees, and repealing chapter 11.84, R.C.W.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Nothing in section 6.32.250, R.C.W., as derived from section 25, chapter CXXXIII (133), Laws of 1893, shall forbid execution upon the income of any trust created by a person other than the judgment debtor for debt arising through the furnishing of the necessities of life to the beneficiary of such trust; or as to such income forbid the enforcement of any order of the superior court requiring the payment of support for the children under the age of eighteen of any beneficiary; or forbid the enforcement of any order of the superior court subjecting the vested remainder of any such trust upon its expiration to execution for the debts of the remainderman.

[R.C.W. 6.32.250 is R.R.S. § 637.]

Sec. 2. The trustee or trustees appointed by any will, deed or agreement heretofore or hereafter executed shall mail or deliver at least annually to each adult income trust beneficiary a written itemized statement of all current receipts and disbursements made by the trustee of the funds of the trust both principal and income, and upon the request of any such beneficiary shall furnish him an itemized statement of all property then held by such trustee, and may also file any such statement in the superior court of the county in which the trustee or one of the trustees resides.

Sec. 3. In addition thereto any such trustee or trustees whenever it or they so desire, may file in the superior court of the county in which the trustees
or one of the trustees resides an intermediate account
under oath showing:

(1) The period covered by the account;

(2) The total principal with which the trustee is
chargeable according to the last preceding account or
the inventory if there is no preceding account;

(3) An itemized statement of all principal funds
received and disbursed during such period;

(4) An itemized statement of all income re-

waived;

(5) The balance of such principal and income

ficiaries, including contingent beneficiaries, of the
trust, and a statement as to any such beneficiary
known to be under legal disability;

(7) A description of any possible unborn or un-
ascertained beneficiary and his interest in the trust
fund.

In addition thereto, after the time for termina-
tion of the trust shall have arrived, the trustee or
trustees may file a final account in similar manner.

Sec. 4. Upon the petition of any settlor or of any
beneficiary of such a trust after due notice thereof
to the trustee the superior court in the county where
the trustee or one of the trustees resides may direct
the trustee or trustees thereof to file in said court
such an account at any time subsequent to one year
from the day on which such a report was last filed,
or if none, then after one year from the inception of
the trust.

Sec. 5. When any such account shall have been
filed the clerk of the court where filed shall fix a re-
turn day therefor, and issue a notice as provided for
herein. If each of the beneficiaries and the guardians
and guardians ad litem, if any, appointed pursuant
to section 6 hereof, is personally served with a copy of the notice, whether within or outside the state of Washington, at least twenty-five days prior to the return day, then no publication of the notice shall be required; otherwise the trustees shall cause notice as provided for herein to be given by publishing the same at least once a week for three successive weeks preceding the return day, the first publication to be at least twenty-five days preceding the return day, such publication to be in a newspaper of general circulation in the county, or if none then in an adjoining county. And in any event at least twenty-five days prior to the return day a copy of the notice shall be either served upon each beneficiary not represented by guardian or guardian ad litem or mailed to each such beneficiary not so served at such beneficiary's address last known to the trustee; and shall be either served upon each guardian and guardian ad litem appointed pursuant to section 6 hereof, or mailed to each such guardian and guardian ad litem not so served at such guardian or guardian ad litem's address last known to the trustee. Proof of service of the notice may be made by affidavit as provided for service of summons in civil actions, or by written admission of service signed by the person served. The notice shall state the time and place for the return day, the name or names of the trustee or trustees who have filed the account, that the account has been filed, that the court is asked to settle such account, and that any objections or exceptions thereto must be filed with the clerk of said court on or before such return day.

Sec. 6. Upon or before the return day any beneficiary of the trust may file his written objections or exceptions to the account filed or to any action of the trustee or trustees set forth therein. The court shall appoint either the legal guardian of a beneficiary, or a guardian ad litem to represent the in-
terests of any such beneficiary who is an infant or of
unsound mind or otherwise legally incompetent, or
who is yet unborn or unascertained, and such bene-

ficiary shall be bound by any action taken by such
representative. Every unborn or unascertainable
beneficiary shall be concluded by any action taken by
the court for or against any living beneficiary of the
same class or whose interests are similar to the in-
terests of such unborn or unascertainable benefi-
ciary.

Sec. 7. At the same time or at some later date
fixed by the court if so requested by one or more
of the parties, the court without the intervention
of a jury and after hearing all the evidence sub-
mitted shall determine the correctness of the account
and the validity and propriety of all actions of the
trustee or trustees set forth therein including the
purchase, retention and disposition of any of the
property and funds of the trust, and shall render
its decree either approving or disapproving the same
or any part thereof, and surcharging the trustee or
trustees for all losses, if any, caused by negligent or
wilful breaches of trust.

Sec. 8. The decree so rendered shall be deemed
final, conclusive and binding upon all the parties
interested including all incompetent, unborn and
unascertained beneficiaries of the trust subject only
to the right of appeal hereinafter stated.

Sec. 9. The decree so rendered shall be a final or-
der from which any party in interest may appeal as
in civil actions to the supreme court of the state of
Washington.

Sec. 10. This act shall not apply to resulting
trusts, constructive trusts, business trusts where
certificates of beneficial interest are issued to the
beneficiaries, investment trusts, voting trusts, in-
surance trusts prior to the death of the insured,
trusts in the nature of mortgages or pledges, trusts created by judgment or decree of a federal court or of the superior court when not sitting in probate, liquidation trusts or trusts for the sole purpose of paying dividends, interests or interest coupons, salaries, wages or pensions; nor shall this act apply to executors, administrators or guardians.

Sec. 11. The settlor of any trust governed by this act may waive any or all of the provisions of section 2 of this act requiring periodical statements to beneficiaries, or may add additional duties, in the instrument creating the trust; and any adult beneficiary entitled to an accounting under either section 2 or section 3 of this act may waive such an accounting by a separate instrument delivered to the trustee.

Sec. 12. This act is declared to be of similar import to the uniform trustees' accounting act. A provision in any will, deed or agreement heretofore or hereafter executed which provides in substance:

(1) That the requirements or provisions of the uniform trustees' accounting act, whether by name or other reference thereto are waived, or that the trustee shall not be required to comply therewith; or

(2) That the requirements or provisions of any other act of like or similar import are waived, or that the trustee shall not be required to comply therewith; shall constitute a waiver by the settlor pursuant to section 11 of this act.

Sec. 13. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared severable.

There shall be a provision as follows:

Time limit on certain defenses: (a) After three years from the date of issue of this policy no misstatements except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such three year period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial three year period, nor to limit the application of sections 18, 19, 20, 21, and 22, of this act in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely pay-
ment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE":

"After this policy has been in force for a period of three years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.")

(b) No claim for loss incurred or disability (as defined in the policy) commencing after three years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

[See note to sec. 1.]

SEC. 7. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

There shall be a provision as follows:

Grace periods: A grace period of..................(insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies, and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision: "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof."

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision: "Unless not less than five days prior to the premium due date the insurer has deliv-
erred to the insured or has mailed to his last address
as shown by the records of the insurer written notice
of its intention not to renew this policy beyond the
period for which the premium has been accepted.

[See note to sec. 1.]

Sec. 8. There is hereby added to chapter 48.20,
R.C.W. a new section to read as follows:

There shall be a provision as follows:

Reinstatement: If any renewal premium be not
paid within the time granted the insured for pay-
ment, a subsequent acceptance of premium by the
insurer or by any agent duly authorized by the in-
surer to accept such premium, without requiring in
connection therewith an application for reinsta-
tement, shall reinstate the policy: Provided, however,
That if the insurer or such agent requires an applica-
tion for reinstatement and issues a conditional re-
ceipt for the premium tendered, the policy will be re-
instated upon approval of such application by the
insurer or, lacking such approval, upon the forty-
fifth day following the date of such conditional re-
ceipt unless the insurer has previously notified the
insured in writing of its disapproval of such applica-
tion. The reinstated policy shall cover only loss re-
sulting from such accidental injury as may be sus-
tained after the date of reinstatement and loss due
to such sickness as may begin more than ten days
after such date. In all other respects the insured and
insurer shall have the same rights thereunder as they
had under the policy immediately before the due
date of the defaulted premium, subject to any provi-
sions endorsed hereon or attached hereto in connec-
tion with the reinstatement. Any premium accepted
in connection with a reinstatement shall be applied
to a period for which premium has not been previ-
ously paid, but not to any period more than sixty
days prior to the date of reinstatement.
(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue).

[See note to sec. 1.]

There shall be a provision as follows:

*Notice of claim:* Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ................ (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

"Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured’s right to any indemnity

[710]
which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

[See note to sec. 1.]

Sec. 10. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

[See note to sec. 1.]

Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid ........................................ Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.”

“Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.”

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option).

[See note to sec. 1.]

SESSION LAWS, 1951.

Sec. 18. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

There may be a provision as follows:

Change of occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

[See note to sec. 1.]

Sec. 19. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

There may be a provision as follows:
Misstatement of age: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

[See note to sec. 1.]

Sec. 20. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

There may be a provision as follows:

Other insurance in this insurer: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for ................................... (insert type of coverage or coverages) in excess of $.......................... (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate.

Or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

[See note to sec. 1.]

Sec. 21. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

(1) There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable...
hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

(2) If the foregoing policy provision is included in a policy which also contains the policy provision set out in section 22 of this act there shall be added to the caption of the foregoing provision the phrase "Expense Incurred Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or
otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage."

[See note to sec. 1.]

Sec. 22. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

(1) There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro rata portion for the indemnities thus determined.

(2) If the foregoing policy provision is included in a policy which also contains the policy provision set out in section 21 of this act there shall be added to the caption of the foregoing provision the phrase "......Other Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, or benefits
provided by union welfare plans or by employer or employer benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage."

[See note to sec. 1.]

Sec. 23. There is hereby added to chapter 48.20, R.C.W. a new section to read as follows:

(1) There may be a provision as follows:

Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars or the sum of the monthly benefits specified in such

[ 719 ]
coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

(2) The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.

There may be a provision as follows:
Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. For the purposes of this act the state treasurer shall make and keep an accounting separation of the amount of cash balances in the state treasury belonging to the permanent school fund.

AN ACT providing for cooperative control of forest insects and forest diseases between the state of Washington, federal government and/or private forest land owners; creating the forest insect and disease control fund of which the state treasurer shall be the custodian; making appropriations; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Forest insects and forest tree diseases which threaten the permanent timber production of the forest areas of the state of Washington are hereby declared to be a public nuisance.

SEC. 2. As used in this act:

"Supervisor" means the supervisor of forestry;
"Board" means the state forest board;
"Owner" means and includes individuals, partnerships, corporations and associations;
"Agent" means the recognized legal representative, representatives, agent or agents for any owner;
"Timber land" means any land on which there is a sufficient number of trees, standing or down, to constitute, in the judgment of the board, a forest insect or forest disease breeding ground of a nature to constitute a menace, injurious and dangerous to permanent forest growth in the district under consideration.

SEC. 3. This act shall be administered by the division of forestry under the guidance and approval of the state forest board.

SEC. 4. Every owner of timber lands, or his agent, shall make every reasonable effort to control, destroy and eradicate such forest insect pests and forest tree diseases which threaten the existence of any stand of timber or provide for the same to be done on tim-

ber lands owned by him or under his control. In the event he fails, neglects, or is unable to accomplish such control, the action may be performed as provided for in this act.

Sec. 5. Whenever the supervisor finds timber lands threatened by infestations of forest insects or forest tree diseases, and if he finds that such infestation is of such character as to threaten destruction of timber stands, the supervisor shall with the approval of the board declare and certify an infestation control district and fix and declare the boundaries thereof, so as to definitely describe such district. Said district may include timber lands threatened by the infestation as well as those timber lands already infested.

Thereafter the supervisor shall at once serve written notice to all owners of timber lands or their agents within the said district to proceed under the provisions of this act without delay to control, destroy and eradicate the said forest insect pests or forest tree diseases as provided herein. The said notice may be made by personal service, or by mail addressed to the last known place or address of such owner or agent. Said notice shall list and describe the method or methods of action that will be acceptable to the board if the owner or agent elects to control, destroy and eradicate said insects or diseases on his own property.

Sec. 6. If the owner or agent so notified shall fail, refuse, neglect or is unable to comply with the requirements of said notice, within a period of thirty days after the date thereof, it shall be the duty of the supervisor or his agents, using such funds as have been, or hereafter may be, made available to proceed with the control, eradication and destruction of such forest pests or forest tree diseases with or without the cooperation of the owner involved in a manner approved by the forest board.
SEC. 7. Upon the completion of the work directed, authorized and performed under the provisions of this act, the supervisor shall prepare a verified statement of the expenses necessarily incurred in performing the work of controlling, eradicating and destroying said forest insects or forest tree diseases. The balance of such expenses after deducting such amounts as may be contributed to the control costs by the state, by the federal government, or by any other agencies, companies, corporations or individuals, shall be a lien to be prorated per acre upon the property, or properties involved: Provided, That the amount of said lien shall not exceed twenty-five per cent of the total costs incurred on such owner's lands including necessary buffer strips. Said lien shall be reported by the supervisor to the county assessor of the county in which said lands are situated, and shall be levied and collected with the next taxes on such lands in the same manner and with the same interest, penalty and cost charges as apply to ad valorem property taxes in this state: Provided further, Such report and levy shall be made only on commercial timber lands. The assessor shall extend the amounts on the assessment roll in a separate column, and the procedure provided by law for the collection of taxes and delinquent taxes shall be applicable thereto, and, upon the collection thereof, the county treasurer shall repay the same to the supervisor to be applied to the expenses incurred in carrying out the provisions of this act.

SEC. 8. There is hereby created the forest insect and disease control fund of which the state treasurer shall be the custodian. The state treasurer shall keep an account of his records of said fund and all sums deposited therein and expended or withdrawn therefrom. Any sums placed in said fund shall be kept separate and apart from the funds of the state treasurer, and shall not be deemed to be a part of the
state funds, but shall be pledged for the purpose of paying costs incurred for the control, eradication, and destruction of forest insect pests and forest diseases. No funds shall be expended for payment of said costs, until so authorized by the board.

SEC. 9. All moneys collected under the provisions of section 7, together with such moneys as may be appropriated by the legislature for the purposes of this act, by the federal government or by any owner or agent, shall be deposited by the supervisor in the forest insect and disease control fund, and the moneys therein hereby are made available to the board for the purposes of this act.

All unexpended balances remaining in said fund shall continue to be available for the purposes of this act and shall not revert to the state general fund.

SEC. 10. Any money appropriated to the forest insect and disease control fund is hereby made available to the division of forestry for the purposes of this act.

SEC. 11. Every owner, and all owners or representatives, who upon receiving notice as provided in section 5 of this act, shall proceed and continue in good faith to control, eradicate and destroy said forest insects and forest tree diseases in accordance with standards established by the supervisor shall be exempt from the provisions hereof as to the lands upon which he or they are so proceeding.

SEC. 12. Whenever the board shall determine that insect control work within the designated district of infestation is no longer necessary or feasible, said board by resolution may dissolve said district.

Such facilities may include parental schools or homes, farm units, and forest camps. Admission to such minimum security facilities shall be by juvenile court commitment or by transfer as herein otherwise provided. In carrying out the purposes of this section, the department may establish or acquire the use of such facilities by gift, purchase, lease, contract, or other arrangement with existing public entities, and to that end the director may execute necessary leases, contracts, or other agreements. In establishing forest camps, the
department may contract with other divisions of the state and the federal government; including, but not limited to, the state division of forestry, the state parks and recreation commission, the U. Under any such arrangement the contracting agency shall reimburse the department for the value of services which may be rendered by the inmates of a camp and all such reimbursements shall be credited to a "forest camp revolving fund," which fund is hereby created, and out of which funds may be disbursed towards the cost of operation and maintenance of the camp.

SEC. 16. In carrying out the provisions of this act, the department, through the division, shall have power to contract with other divisions or departments of the state or its political subdivisions, with any agency of the federal government, or with any private social agency.

(e) Make such surveys as may be deemed necessary to enable it to properly carry out its policy-making and recommendatory powers.

(f) Advise and consult with the director in the appointment of the supervisor.

Sec. 19. Nothing in this act shall be construed as limiting the right of a parent, guardian or person standing in loco parentis in providing any medical or
other remedial treatment recognized or permitted under the laws of this state.

Sec. 20. This act shall be construed in connection with and supplemental to the juvenile court law as embraced in chapter 160, Laws of 1913, as amended (Remington's Revised Statutes, sections 1987-1 to 1987-18, inclusive). CHAPTER 237.
[S.B. 427.]

IRRIGATION DISTRICTS—DISSOLUTION.

An Act relating to irrigation districts and the dissolution thereof; and repealing chapter 87.54, R.C.W.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. An irrigation district may be dissolved and its affairs liquidated as herein prescribed. If there are outstanding bonds of the district the acknowledged uniform consent in writing of at least two thirds in amount of the holders of the bonds must be recorded in the office of the auditor of the county in which the district board has its office.

SEC. 2. The acknowledged uniform written consent of one hundred per cent of the holders of bonds may provide for cancellation of part of the bonds and for the manner and terms of payment of the balance. The bondholders may also make a firm offer for all property and rights of the district, except property in the district sold for taxes and district assessments, to be paid for by turning over for cancellation an appropriate amount in bonds with accrued interest.
Sec. 3. At least one third of the electors of the district shall sign and file with the auditor a petition, reciting the substance of the uniform text of the bondholders' consent, that the consent has been filed, and praying that the district be dissolved and its affairs liquidated.

Sec. 4. The board of commissioners of the county shall at their present or next regular meeting, call an election to submit to the electors of the district the question of whether the district shall be so dissolved. They shall direct the auditor to give notice of the election and shall appoint the election officials.

Sec. 5. The election shall be called upon the same notice and conducted in like manner as other elections of the district: Provided, That when the bondholder's consent to dissolution provides for an adjustment of the bonded debt and/or the terms and method of its payment the notice of election shall recite the substance thereof.

The ballot shall contain the words "For dissolution, Yes" and "For dissolution, No." No person not a qualified elector under the general election laws and a freeholder of the district shall be deemed a qualified elector under this chapter.

Sec. 6. The election officials shall file with the auditor the returns within ten days of the election, and at their next meeting the commissioners shall canvass the returns, and if a majority of the votes cast favor dissolution, the commissioners shall declare the election carried. All records of the district shall, upon demand, be delivered to the auditor.

Sec. 7. The auditor shall deliver to the county clerk a certified copy of the transcript of the proceedings of the commissioners on the matter together with a statement of the district's cash assets, segregated as to the bond fund and the total of all other funds, and a statement of the debts of the district
as they appear on the records, taking into account any reduction in bond debt offered by the bondholders in their consent to dissolution; also a general inventory of the district property segregated only as to main classes, together with any offer for same submitted in the bondholders' consent to dissolution.

SEC. 8. The clerk shall docket the proceedings entitled "In the matter of the dissolution of irrigation district," and the court shall direct the clerk to give notice thereof. The notice shall contain a general statement of the nature of the proceedings, and notify all persons having claims against the district to present them on or before a day specified therein, and shall be published once a week for at least six weeks in a newspaper published in the county. Any claim not so filed shall be barred.

SEC. 9. If the court finds that the provisions of this chapter have been complied with, it shall then determine the validity and amount of the claims so filed. No claim barred by the statute of limitations shall be allowed. It shall separately determine the validity and amount of outstanding bonds with accrued interest, making allowances for any offer of adjustments contained in the bondholders' consent to dissolution, and shall order that all cash in the district's bond fund together with the proceeds from a sale of all the property and rights of the district shall be first applied to the redemption of outstanding bonds with interest; that other cash funds of the district be applied on payment of valid unsecured claims, and the remainder on the redemption of any balance of outstanding bonds with interest. The court shall further order that in the event the district's cash funds together with proceeds from the sale of district property and rights shall prove insufficient to discharge all valid obligations of the district, one or more annual assessments shall be made against the assessable property in the district, as herein
provided, sufficient in amounts to discharge all valid debt. The district or any person affected by the judgment may appeal therefrom within ten days of the entry of judgment.

Sec. 10. Upon the entry of final judgment, the court shall issue an order appointing a trustee for the district and shall deliver to him a certified copy of the order. The court shall fix the compensation of the trustee and the amount of his bond to be obtained at the cost of the district.

Sec. 11. The trustee shall give notice that all the property and rights of the district, except property in the district sold for taxes or district assessments, will be sold pursuant to order of the court. The notice shall be given in the same manner and for the same time as for sale of real property on execution, except that it need not be posted.

The sale shall be made at public auction at the front door of the court house and may be adjourned from time to time not exceeding three weeks in all, by public announcement at the time and place of the sale.

Any claim established by the previous judgment of the court or any securities of the district may be accepted at face value on the purchase price: Provided, That any offer made in the bondholders' written consent to dissolution shall be considered a bid and shall be accepted in the absence of a better offer. No bid shall be considered nor shall any sale be made for less than all the property and rights of the district. The trustee shall forthwith disburse the cash funds of the district in accordance with the order of the court.

Sec. 12. The trustee shall file with the clerk a report of the disposition made of the cash funds and of the sale and if the court finds the sale was fairly conducted, it shall enter an order confirming the sale, and the trustee shall execute and deliver to
the purchaser an instrument conveying to him all property and rights of the district, free from all claims of the district or its creditors, which shall entitle the purchaser to immediate possession.

Sec. 13. Upon verification of the disposition of the cash funds and confirmation of the sale the court shall enter an order dissolving the district and discharging the trustee, and a certified copy of the order shall be recorded in the office of the auditor. Thereupon the district shall cease to exist, except for the purpose of collecting its indebtedness. All records of the proceedings shall be delivered to the auditor.

Sec. 14. Upon the dissolution of the district the county commissioners shall determine from the records the remaining bond and other indebtedness of the district and shall determine the proper number of annual assessments, not over five, necessary to discharge the debt. They shall cause the county assessor to prepare the annual assessment roll for the lands in the district, based upon the acreages shown on the last district assessment roll. The commissioners shall levy annual assessments, not exceeding five, upon all property in the district assessed for the bond fund on the district’s last assessment roll and according to the ratios of benefits there shown, sufficient to pay any remaining claims, including bonds. They shall levy and equalize the assessments, after the same notice of hearing as are required of district directors on irrigation assessments. The county auditor shall perform the duties of the secretary of the district and the county treasurer shall be ex officio treasurer of the district and shall collect the assessments. In all other respects the general irrigation district laws shall govern.

Any funds remaining after all assessments have been collected and all indebtedness and costs liquidated shall be paid over to the bondholders in cases
where they have accepted a compromise settlement. Otherwise the surplus shall be distributed as by law provided.

Sec. 15. Whenever any bonds of the district are held in the state reclamation revolving fund, and, in the opinion of the director of conservation and development, the district is or will be unable to meet its obligations, and that the state's investment can be best preserved by the dissolution of the district, the director may give his consent to dissolution under such stipulations and adjustments of the indebtedness as he deems best for the state.

Sec. 16. Chapter 87.54, R.C.W., same being chapter CII, Laws of 1899, is hereby repealed.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. The administration of highway affairs has become a matter of major public importance involving vast sums of money, the development of commerce and resources, the employment of great numbers of persons, the promotion of recreation and the welfare of every citizen of the state. It demands the highest order of business and technical administration, accompanied by continuity of sound long-range highway policies, freedom from political interference and changes of personnel, and an organization attracting the services of qualified talented administrators and meriting the confidence of the people.

Sec. 2. There is hereby created a state highway commission consisting of five members, all of whom
shall be residents of this state and who shall be appointed by the governor with the consent of the senate for terms of office as herein provided, and with the qualifications herein specified. Within ninety days after the passage of this act the governor shall appoint the first members of said state highway commission: One member to serve two years; one member to serve three years; one member to serve four years; one member to serve five years; and one member to serve six years from the first day of July, 1951. said court and directed to the commissioner in question.

SEC. 4 The state highway commission is hereby vested with all powers, authority, functions and duties now vested in or required to be performed by the director of highways or the state department of highways. Full and complete jurisdiction and authority over the administration of state highways and all matters connected therewith or related thereto is hereby granted the said state highway commission except only insofar as the same may have been heretofore or may be hereafter specifically granted to the director or department of licenses, the public service commission, the state commission on equipment, the Washington state patrol or its chief, the Washington toll bridge authority, or the governing bodies of cities and towns.

At the first annual meeting and at each annual meeting thereafter the commission shall elect a secretary who may be, but need not be, a member of said commission, and the commission shall elect a chairman from its own membership who shall hold office for one year. Election as chairman shall not interfere with the member's right to vote on all matters before the commission. The commission shall meet at such other times as it deems advisable, but at least once every thirty days, and shall from time to time adopt rules and regulations not incon-

government, and to regulate and discharge its duties,
and to exercise its powers under this act.

Sec. 7. On and after July 1, 1951, the state high-

this act and pursuant to the laws of this state, and
the said commission is hereby clothed with all nec-
essary powers to carry out the terms of this act.

Sec. 8. The commission shall act collectively in
harmony with recorded resolutions or motions
adopted by a majority of the commission at regular
or special meetings, notice of which meetings shall be
given to all members pursuant to the rules of said
commission. Three members shall constitute a
quorum at any meeting, but no resolution, motion,
or other decision of the commission shall be adopted
or passed without the favorable vote of at least three
members.

Sec. 9. The state highway commission shall select
and appoint the director of highways who after
appointment shall be an ex officio member of the
commission without a vote. He shall be the chief
executive officer of the commission responsible only
to it, and shall carry into effect the commission's
order and shall be guided by policies laid down by it.
As the executive head, he shall direct all activities and supervise the work of the staff of the department.

**Sec. 10.** The director of highways shall be fully competent as a highway engineer and as an executive. He shall be a registered professional engineer and shall be a graduate in engineering of an accredited university or college or have in lieu thereof experience as a civil engineer in responsible charge of work equivalent to such education, and in addition experience in highway or road construction for a period of not less than five years. He need not be a resident of the state at the time of his appointment.

**Sec. 11.** The director of highways shall hold office indefinitely but may be dismissed by the commission at any time for incompetence, neglect of duty, malfeasance in office or failure to carry out the commission’s policies. Before a motion for dismissal shall be acted upon by the state highway commission, the director of highways shall be granted a hearing on formal written charges before the full commission.

SEC. 14. The state highway commission shall prepare a report of its activities to be submitted to each biennial session of the legislature. The report shall be printed and copies thereof submitted to the senate and house of representatives on or before the opening day of the legislative session and shall show the sum of money expended by or under its direction during the fiscal biennium or portion thereof during which the commission has functioned, and shall show data and information as will show a strict accounting of all sums expended by or under its direction.

SEC. 15. The commission shall prepare, furnish and present to the governor, and through him to the legislature, the budget for the following two years. The commission shall within two years after its establishment submit to the legislature a comprehensive plan for highway development based on the principle that the state is furnishing transportation facilities which should be paid for by those most benefited and developed in the order of greatest need therefor.

SEC. 16. There is hereby established, as a division of the executive department, the Washington state safety council, hereinafter referred to as the council.

SEC. 17. The executive board shall be composed of the director of highways, the chief of the state patrol, the director of licenses, the superintendent of public instruction, the director of labor and industries, and six members to be appointed by the governor from among citizens of the state who are not officers, officials or employees of the state or any department or unit thereof, or who are not officers, officials or employees of any city, town, county or other minor civil subdivision of the state.

Sec. 20. Within thirty days after the effective date of this act the governor shall appoint the citizen members of the executive board, two to serve for terms of two years, two to serve for terms of four years, and two to serve for terms of six years; the terms to begin as of January first of the year in which this act becomes effective. In each second year
thereafter the governor shall appoint two members of the board to serve for terms of six years.

From among its citizen members the executive board shall elect a chairman and a vice-chairman of the board to serve in such capacities during their respective terms of office.

Sec. 21. The advisory committee shall be composed of the citizen members of the executive board, and sixty or more additional members, to be appointed by the governor, who are broadly representative of all sections of the state and such interests as business and industry, organized labor, the press, radio stations, advertising interests, service clubs, veterans' organizations, women's organizations, religious organizations, local official agencies, and such other groups as are concerned with prevention of accidents.

In each second year thereafter the governor shall appoint the number of members required to fill the places vacated through expiration of terms of office, such appointees to serve for terms of six years.

The chairman and the vice-chairman of the executive board shall also serve as chairman and vice-chairman respectively of the advisory committee.

Sec. 23. The official coordinating committee shall be composed of the governor, the director of highways, the chief of the state patrol, the director of licenses, the superintendent of public instruction, the chairman of the public service commission and
the director of labor and industries, and such other state officials as the governor may designate. The governor shall serve as chairman of this committee.

**Sec. 24.** All final actions and decisions of the council shall be taken under the approval and authority of the executive board, which shall be the governing body of the council.

**Sec. 25.** On or before the fifteenth day of December in each year the executive board shall submit to the legislature and to the governor a report showing the status of the council's organization, its activities during the past year, and the accomplishments in the state toward reductions in accidents of all types, together with a plan for the council's proposed safety program during the ensuing year. He shall act as secretary of the executive board and as secretary of the advisory committee, and shall record the minutes of meetings of those bodies. He shall be in charge of the council's staff, and shall guide and help to activate all of the council's program of safety activities, under the plans and policies approved by the executive board.

In recognition of the fact that administration of the work of the council requires an executive who possesses specialized training and exceptional qualifications, the executive board is hereby authorized to employ as managing director whatever person, available anywhere in the United States, may be best suited for the position.

SEC. 30. Persons employed as managing director and as director of public information, and other regular, full-time members of the council's staff, shall be under the direct control of the executive board and their compensation shall be provided out of such funds as are available for the work of the council.

Sec. 35. It shall be the function of the advisory committee to bring to bear upon proposals for solutions of the accident problem the mature judgment and recommendations of leaders representing all primary segments of public opinion and groups located in all parts of the state which are interested in preventing accidents; to assist the executive board in formulating plans and conducting safety programs which will be likely to secure public acceptance; to help support the public authorities in the administration and enforcement of laws and regulations properly designed for the protection of the people against accidents and for the convenience of street and highway traffic movements; and to utilize the
influence of its respective member groups and activate the facilities within their control to promote a state-wide, coordinated program of safety.

Sec. 36. It shall be the function of the official coordinating committee to advise with and assist the executive board in formulating plans and policies essential for accomplishing the purposes of the council, to make sure that official activities of state departments which touch upon or overlap each other in relation to prevention of accidents are actively coordinated, to promote further practicable means whereby state departments individually and collectively may attack the accident problems more effectively, to make available where feasible the facilities of various departments in cooperation with the executive board and the other divisions or committees of the council to help strengthen the safety program.

ANNEXATION OF WATER, SEWER AND FIRE DISTRICTS TO CITIES AND TOWNS.

An Act permitting annexation to cities and towns of territory which includes all or parts of a water, sewer, or fire protection district; providing for adjusting existing property rights, assets and liabilities between the city and such districts; providing a method for counting the population of the annexed territory; amending section 35.13.020, R.C.W.; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Whenever any territory which includes all the territory of a water, sewer or fire protection district, hereinafter referred to as "the district," has been heretofore or is hereafter annexed to a city or town, all real and personal property, franchises, rights, assets, water or sewer lines, facilities, or equipment of the district shall become the property of the city to which annexation is made, with full power to manage, control, maintain and operate such facilities and to fix and collect charges to customers, subject, however, to any outstanding indebtedness, bonded or otherwise, of the district, which indebtedness the city may by resolution of its governing body elect to assume and pay at the times and in the manner said indebtedness is due and payable: Provided, That such district shall be credited with a reasonable value of any equipment or personal property acquired by the city. Until such election is made, the property annexed and the owners and occupants thereof shall continue liable for its and their proportion of the unpaid indebtedness and the district and its officers shall continue to function for the sole purpose of certifying the amount of property tax to be collected and paid on such indebtedness in the same manner and by the same means as if the annexation had not been made.
If the city elects to assume outstanding indebtedness, and property taxes have been levied but not collected for the district prior to the date the annexation takes effect, the same shall when collected belong and be paid to the annexing city and be used by such city so far as necessary for payment as and when due of the indebtedness of the district existing and unpaid on the date of annexation. If the city takes over any funds which have been collected for paying any bonded or other indebtedness of the district the same shall be used for the purpose for which collected and for no other purpose.

SEC. 2. If only a portion of the territory of any such district is annexed to the city, all real estate, facilities, installations or equipment belonging to the district within the annexed territory which are exclusively used for or by the annexed territory, together with a portion of the assets or funds of the district equal to the proportion which the assessed valuation of the real estate of the district located inside the city bears to the total assessed valuation of the real estate of the district, shall belong to the city, subject to the debts and obligations of the district for which such real estate, facilities, installations or equipment, assets or funds would have been liable if no annexation had been made; and, in such case, the real estate annexed, and the owners and occupants thereof, shall continue liable for payments of its and their proportionate share of any unpaid indebtedness, bonded or otherwise, with the right on the part of the district officials to make tax levies and collect charges on such property or owners or occupants, and to enforce such collections as if the annexation had not been made. The city shall have power to manage and control the facilities and fix and collect charges for service for such territory located within the city. If only a portion of any such district is annexed, and there shall be located in the
district's territory annexed any real estate, facilities, installations or equipment which are used exclusively for service to real estate not annexed to the city, the district shall have the right to continue to use such real estate, facilities, installations or equipment for service of the territory of the district not annexed, in the same manner as if the annexation had not been made.

Sec. 3. If a portion of the district is located outside the city and a portion inside, with no facilities or services used exclusively for territory outside or exclusively for territory inside the city, the real and personal property, water or sewer mains, facilities or equipment located within the annexed territory, and all assets and funds of the district in proportion to the assessed valuation of the real estate located inside and outside shall belong to the city; and the city shall have power to manage, control, maintain and operate the same, and fix and collect charges for the use of such facilities for territory located inside the city: Provided, That no action of the city shall prejudice or impair the rights or privileges of any creditor under any contract with the district existing at the time the annexation takes effect nor shall the operation of the city affect the right to service of any owner of real estate or any person within the district but outside the city who has paid or contributed towards the cost of installation of any improvements located in the territory annexed: Provided, The city shall be under no obligation to maintain, replace or repair any facilities located outside the city but may enter into agreements with such outside owners or users and with the district covering the terms under which such outside service, maintenance and replacement may be made. All funds taken over by a city so far as practicable shall be used for the purpose for which the same were collected and accumulated.
SEC. 4. Notwithstanding the provisions of this act, the city may through its legislative authority authorize a contract with the district, with respect to rights, duties and obligations of the city and the district as to ownership of property, services, assets, liabilities and debts and any other questions arising out of the annexation, which contract may also make provision for services by the district and use of its facilities for real estate within the city.

SEC. 5. Whenever any territory is annexed to the city the population of the annexed territory shall be determined by a count, made by or under direction of the mayor of the annexing city and chairman of the board of county commissioners of the county in which the property is located, of the number of dwelling units existing in the annexed territory at the time of annexation, multiplied by a factor of 2.95 and the population so determined shall be added to the official population of the annexing city and subtracted from the official population of the unincorporated area of the county in which the annexed territory is located; and when certified as herein-after provided shall become the official population of the unincorporated area of the county and city, respectively, until another population figure is determined therefor under law. The count of the number of dwelling units as herein provided shall be made and a certificate filed with the secretary of state within thirty days following the annexation showing the boundaries of the annexed territory and the population of the city including that added by the annexation and the population of the unincorporated area of the county with the subtraction of the population of the annexed territory as herein provided, and, such population shall thereafter be used for allocating all state funds and for all other purposes until a new population is fixed for the county and city in accordance with law.
No change shall be made in the population basis for the distribution of state funds until on and after January 1st, 1952; and whenever annexation is made effective subsequent to September 1st in any year and prior to January 1st next following, such population basis for distribution shall not be used until on and after one year following the next subsequent January 1st; and in all other cases such population basis shall become effective on and after January 1st next following the date annexation becomes effective. Whenever any territory is annexed to a city which is part of a road district of the county and road district taxes have been levied but not collected on any property within the annexed territory the same shall when collected by the county treasurer be paid to the city and by the city placed in the city street fund.

Sec. 6. Section 35.13.020, R.C.W., as derived from section 2, chapter 245, Laws of 1907, is amended to read as follows:

A petition for an election to vote upon the annexation of a portion of a county to a contiguous city or town signed by qualified voters resident in the area equal in number to twenty per cent of the votes cast at the last election may be filed in the office of the board of county commissioners: Provided, That any such petition shall first be filed with the legislative body of the city or town to which the annexation is proposed, and such legislative body shall, by resolution entered within sixty days from the date of presentation, notify the petitioners of its approval or rejection of the proposed action. An Act relating to the Washington toll bridge authority; regulating the operation of the Puget Sound ferry and toll bridge system by such authority; providing for the settlement or disposal of certain claims arising during the course of such operations; establishing a permanent revolving fund for certain engineering investigations thereby; and making an appropriation from the motor vehicle fund therefor; and making a further appropriation from the motor vehicle fund for an investigation by said authority into projects for the solution of the cross-sound transportation problem; amending sections 47.60.140, 47.64.070, and 47.60.100, R.C.W.; adding sections to chapter 47.60, R.C.W.; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Section 47.60.140, R.C.W., derived from section 5, chapter 179, Laws of 1949, is amended to read as follows:

The authority is empowered to operate such ferry system, including all operations, whether intrastate or international, upon any route or routes, and toll bridges as a revenue producing and self-liquidating undertaking. The director of highways shall have full charge of the construction, rehabilitation, rebuilding, enlarging, improving, operation and maintenance of the ferry system, including toll bridges, approaches and roadways incidental thereto that may be authorized by the authority, including the collection of tolls and other charges for the services and facilities of the undertaking: Provided, That the authority shall have the exclusive right to enter into leases and contracts for use and occupancy by other parties of the concessions and space located on the ferries, wharves, docks, approaches and landings, but no such leases or contracts shall be entered into for more than five years, nor without public
advertisement for bids as may be prescribed by the authority: Provided further, That the authority may accept and continue leases and contracts for a period of ten years without advertisement or bid, if such leases or contracts were in effect or entered into at the time of the purchase of the Puget Sound ferry system, and any leases or contracts so made are hereby validated.

[R.C.W. 47.60.140 was derived from Rem. Supp. 1949, § 6584-34, part (through the first proviso).]

Sec. 2. Section 47.64.070, R.C.W., derived from section 6, chapter 148, Laws of 1949, is amended to read as follows:

Employees, except the masters and members of the crews of vessels, shall be subject to and entitled to the benefits of the industrial insurance laws of the state, and are hereby declared to be in extra-hazardous employment within the meaning of such laws.

Sec. 3. Section 47.60.100, R.C.W., derived from section 8, chapter 179, Laws of 1949, is amended to read as follows:

Notwithstanding any other provision of the law, bonds issued by the authority shall be legal investments by the state finance committee of any state monies in its hands, except permanent school funds and motor vehicle funds. This section shall not invalidate any investment outstanding on its effective date.

Sec. 4. Sections 5 to 13, inclusive, of this act are added to chapter 47.60, R.C.W., derived from chapter 179, Laws of 1949.

[Chapter 47.60 R.C.W. is Rem. Supp. 1949, §§ 6584-30 to 6584-37 incl.]

Sec. 5. Any consent to liability given under the provisions of this act shall create liability of the authority only and shall not create any general liability of the state.
Sec. 6. The state consents to suits against the authority by seamen for injuries occurring upon vessels of the authority in accordance with the provisions of section 688, title 46, of the United States Code. The venue of such actions may be in the superior court for Thurston County or the county where the injury occurred.

Sec. 7. The authority shall have all the obligations, duties and rights of a common carrier of persons and property in its operation of ferries, terminals or other facilities used in its ferry operations, including the right to participate in joint rates and through routes, agreements, and divisions of through and joint rates with railroads and other common carriers and the right to make any filings with the interstate commerce commission, the United States maritime commission or any other state or federal regulatory or governmental body and to comply with the lawful rules and regulations or requirements of any such body, and shall be subject to laws relating to carrier's liability for loss or damage to property transported, and for personal injury or death of persons transported.

Sec. 8. In case of property loss or damage, personal injuries or death resulting from the operation of any ferry or terminal by the authority, any person or the personal representative of any person shall, subject to and to the extent hereinafter provided, have a right of action against the authority for such damage, loss, injury or death.

Sec. 9. The right of action extended by this act shall be applicable to loss or damage of property and/or personal injury or death, resulting from the operation of ferries or terminals by the authority to persons other than shippers or passengers, but any recovery of damages in such cases shall not exceed an amount equal to the limitations of the
insurance carried by the authority to insure it against loss for such liability.

Sec. 10. As a condition to a recovery thereon, a verified claim against the authority growing out of such damages, loss, injuries or death must first be presented to the authority and filed with its secretary within thirty days after the time when such claim accrued. If the claimant shall be incapacitated from verifying and filing his claim within said thirty days, or if the claimant be a minor, then the claim may be verified and presented on behalf of said claimant by his relative, attorney or agent. Each such claim must accurately locate and describe the event or defect that caused the damage, loss, injury or death, reasonably describe the damage, loss or injury, and state the time when the same occurred, give the claimant's residence for six months last past and contain the items of damages claimed. No action shall be maintained against the authority upon such claim until the same has been presented to, and filed with, the authority and sixty days have elapsed after such presentation and filing, nor more than three years after such claim accrued.

Sec. 11. The authority may upon such terms and conditions as it may impose and under such rules and regulations as it may adopt, pay claims arising under its operation of ferries or terminals or compromise or settle such claims. No claim shall be paid by the authority or any settlement or compromise hereof be made except from its operating revenues derived from its operation of ferries or terminals or from the proceeds of insurance recoveries.

Sec. 12. Actions for the recovery of damages under all the foregoing provisions of this act except section 6 may be brought in Thurston County or in the county in which the aggrieved person resides. No execution upon a judgment or attachment shall be levied against the property of the authority, nor
does the state consent to any maritime lien against vessels of the authority, but the authority may be required by order of court to pay any judgment.

Sec. 13. Nothing in section 47.60.150, R.C.W., shall forbid the establishment by the authority of a Washington state ferries revolving fund of not to exceed three hundred thousand dollars from the proceeds of any bonds sold under the provisions of this act. Such fund may be deposited by the authority in such banks or financial institutions as it may select throughout the state. The provisions of section 43.01.050, R.C.W., shall not be applicable to such fund or any deposits therein made by the authority under the provisions of this section. The authority may deposit thereafter therein all monies received under the provisions of this chapter. All expenses whatsoever arising in the operations of the Puget Sound ferry system shall be paid from such fund if established by check or voucher in such manner as may be prescribed by the authority.

All monies received by the authority or any employee under the foregoing sections of this act, except an amount of petty cash for each day’s needs as fixed by the regulation of the authority, shall be each day and as often during such day as advisable, deposited in the nearest authorized depositary selected by the authority under the terms of this section.

Whenever the fund shall exceed three hundred thousand dollars, the authority shall forthwith transmit such excess to the state treasurer for deposit in the trust fund established by section 47.60.150.

[Rem. Supp. 1949, § 6584-34, sentence beginning line 20 through line 33 plus last sentence of section; 43.01.050 is R.R.S. § 5501, first sentence (to first proviso), and all of third proviso.]

Sec. 14. There is hereby established a permanent fund in the state treasury to be known as the “authority revolving fund,” which fund shall be avail-
able to the Washington toll bridge authority in lieu of any allocation from any other appropriation from the motor vehicle fund made to the department of highways for the proper engineering investigation, in its discretion, of any proposals for facilities, which appear to have merit, for the relief of traffic problems throughout the state. The projects to be investigated must propose facilities to be financed by revenue bonds of the authority to be repaid by tolls or charges.

Sec. 15. Any sums expended under the provisions of section 14 as to each projected facility which shall be adopted and constructed by the authority shall be repaid from the revenues of such facility after it becomes operative to the authority revolving fund. The authority shall take into account any such expense in setting up any schedule of tolls or charges for such project. The authority shall make and order an orderly schedule of payments for the recovery of such expenses from any constructed facility within a reasonable time, which schedule shall be so made that it will not interfere with the other necessary expenses to be recovered by tolls or charges but shall operate with such other expense charges. Any sums so recovered shall be paid into the state treasury and by the treasurer deposited in the authority revolving fund.

Sec. 16. The toll bridge authority is directed to embark upon an investigation of Puget Sound transportation problems with the view to the preparation of a long range, overall plan for the permanent relief and solution of the unsatisfactory conditions which have prevailed as to cross-sound transportation in the Puget Sound area. The results of such investigation and any plan or plans recommended by the authority shall be the subject of and embodied in a report which shall be prepared and transmitted to the governor and each member of the thirty-
third session of the legislature one month prior to its convening.

**SEC. 17.** There is hereby appropriated from the motor vehicle fund to the authority revolving fund the sum of one hundred twenty-five thousand dollars for the purpose of establishing the permanent authority revolving fund.

**SEC. 18.** There is hereby appropriated from the authority revolving fund to the Washington toll bridge authority the sum of one hundred twenty-five thousand dollars, or so much thereof as may be necessary, to carry out the provisions of section 14.

**SEC. 19.** There is hereby appropriated from the motor vehicle fund to the Washington toll bridge authority the sum of two hundred twenty-five thousand dollars, or so much thereof as may be necessary, to carry out the provisions of section 16.

**SEC. 20.** The provisions of this act are to be severable, and if any section, subdivision or clause of this act shall be held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of the act.

**SEC. 21.** The Washington toll bridge authority is authorized and directed to complete the location surveys and plans and specifications for a toll tunnel through the Cascade Mountains, together with the necessary connections to existing highways, said toll tunnel to be located on an extension to primary state highway No. 5, beginning at a point on primary state highway No. 5 in the vicinity of the junction of the Greenwater and White rivers, thence in an easterly direction to a junction with primary state highway No. 5 in the vicinity north of Cliffdell. The authority is further authorized and directed to proceed with the construction and operation of said toll tunnel as soon as finances therefor become available to the authority.
SEC. 22. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

PROBATE—AWARD IN LIEU OF HOMESTEAD.

An Act relating to probate law and procedure; providing for the rewarding and setting aside of property of decedent to surviving spouse in lieu of homestead; and amending sections 11.52.010 and 11.52.020, R.C.W.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 11.52.010, R.C.W., as derived from section 103, chapter 156, Laws of 1917, as last amended by section 1, chapter 102, Laws of 1949, is divided into sections 2 to 5, inclusive herein, and is amended to read as follows:

Sec. 2. If it is made to appear to the satisfaction of the court that no homestead has been claimed in the manner provided by law, either prior or subsequent to the death of the person whose estate is being administered, then the court, after hearing and upon being satisfied that the funeral expenses, expenses of last sickness and of administration have been paid or provided for, and upon petition for that purpose, shall award and set off to the surviving spouse, if any, property of the estate, either com-
munity or separate, not exceeding the value of six thousand dollars exclusive of general taxes and special assessments which were liens at the time of the death of the deceased spouse, and exclusive of any mortgage or mechanic’s, laborer’s or materialmen’s or vendor’s liens upon the property so set off, and exclusive of funeral expenses, expenses of last sickness and administration, which expenses may be deducted from the gross value in determining the value to be set off to the surviving spouse.

Sec. 3. The property so set off shall include the home and household goods, if any, and such award shall be made by an order or judgment of the court and shall vest the absolute title, and thereafter there shall be no further administration upon such portion of the estate so set off, but the remainder of the estate shall be settled as other estates: Provided, That no property of the estate shall be awarded or set off, as in this act provided, to a surviving spouse who has feloniously killed the deceased spouse: Provided further, That if it shall appear to the court, either (1) that there are minor or incompetent children of the deceased by a former marriage or by adoption prior to decedent’s marriage to petitioner, or (2) that the petitioning surviving spouse has abandoned his or her minor children or wilfully and wrongfully failed to provide for them, or (3) if such surviving spouse is entitled to receive insurance on the life of the deceased spouse in the sum of five thousand dollars, or more, then the award in lieu of homestead and exemptions shall lie in the discretion of the court, and that whether there shall be an award and the amount thereof shall be determined by the court, who shall enter such decree as shall be just and equitable but not in excess of the award provided herein.

Sec. 4. Notice of such hearing shall be given by posting a notice in three public places in the county
in which the hearing is to be held. Said notice may be posted by the clerk of the superior court of the county in which the hearing is to be held, or may be posted by any person qualified to serve a summons in a civil action. Said notices shall be posted at least ten days prior to the date fixed for the hearing. If there be any minor child or incompetent heir of the decedent, the court shall appoint a guardian ad litem for such minor child or incompetent heir, who shall appear at the hearing and represent the interest of such minor child or incompetent heir.

Sec. 5. The order of judgment of the court making the award or awards provided for in this act shall be conclusive and final, except on appeal and except for fraud. The awards in this act provided shall be in lieu of all homestead provisions of the law and of exemptions. The said property, when set aside as herein provided, shall be exempt from all claims for the payment of any debt of the deceased or of the surviving spouse existing at the time of death, whether such debt be individual or community. Under this act, the court shall not award more property than could be awarded under the law in effect at the time of the death of the deceased spouse.

The awards provided for in this act shall not be taken from separate property of the deceased which is otherwise disposed of by will.

Sec. 6. Section 11.52.020, R.C.W., as derived from section 104, chapter 156, Laws of 1917, as last amended by section 2, chapter 102, Laws of 1949, is divided into sections 7 to 9, inclusive herein, and is amended to read as follows:

Sec. 7. In event a homestead has been, or shall be selected in the manner provided by law, whether the selection of such homestead results in vesting the complete or partial title in the survivor, it shall be the duty of the court, upon petition of any person
interested, and upon being satisfied that the value thereof does not exceed six thousand dollars, exclusive of general taxes and special assessments which were liens at the time of the death of the deceased and exclusive of mortgages, mechanic's, laborer's, materialmen's or vendor's liens thereon, and exclusive of funeral expenses, expenses of last sickness and of administration, which expenses may be deducted from the gross value in determining the value to be set off to the surviving spouse, to enter a decree, upon such notice as the court may determine, setting off and awarding such homestead to the survivor, thereby vesting the title thereto in fee simple in the survivor.

Sec. 8. If the value of the homestead, exclusive of all such liens, be less than six thousand dollars, the court, upon being satisfied that the funeral expenses, expenses of last sickness and of administration, have been paid or provided for, shall set off and award additional property, either separate or community, in lieu of such deficiency, so that the value of the homestead, exclusive of all such liens and expenses when added to the value of the other property awarded, exclusive of all such liens and expenses shall equal six thousand dollars: Provided, That if it shall appear to the court, either (1) there are minor or incompetent children of the deceased by a former marriage or by adoption prior to decedent's marriage to petitioner, or (2) that the petitioning surviving spouse has abandoned his or her minor children or wilfully and wrongfully failed to provide for them, or (3) if such surviving spouse is entitled to receive insurance on the life of the deceased spouse in the sum of five thousand dollars, or more, then the award of property in addition to the homestead, where the homestead is of less than six thousand dollars in value, shall lie in the discretion of the court, and that whether there shall be an award
in addition to the homestead and the amount thereof shall be determined by the court, who shall enter such decree as shall be just and equitable, but not in excess of the award provided herein.

Sec. 9. Said decree shall particularly describe the said homestead and other property so awarded, and such homestead and other property so awarded shall not be subject to further administration, and such decree shall be conclusive and final, except on appeal, and except for fraud, and such awards shall be in lieu of all further homestead rights and of all exemptions. The property in addition to the homestead, when set aside as herein provided, shall be exempt from all claims for the payment of any debt of deceased or of the surviving spouse existing at the time of death, whether such debt be individual or community. Under this act, the court shall not award more property than could be awarded under the law in effect at the time of the death of the deceased spouse.

The awards provided for in this act shall not be taken from separate property of the deceased which is otherwise disposed of by will.

(1) When such trucks are to be used for the transportation of such farmer's own farm, orchard or dairy products from point of production to market, and of supplies to be used on his farm; and/or

(2) When such trucks are to be used for the infrequent or seasonal transportation by one such farmer for another farmer in his neighborhood of products of the farm, orchard or dairy owned by such other farmer from point of production to market, or supplies to be used on such other farm, but only if such transportation for another farmer is for compensation other than money.

The department shall prepare a special form of application to be used by farmers applying for licenses under this section, which form shall contain a statement to be signed by the farmer to the effect that the vehicle concerned will be used subject to the limitations of this section. The department shall prepare special insignia which shall be placed upon all such vehicles to indicate that the vehicle is spe-

Any person who operates such a specially licensed vehicle in transportation upon the public highways in violation of the limitations of this section shall be guilty of a misdemeanor.

[R.C.W. 46.16.090 was derived from sec. 1, ch. 15, L. '50, Ex. Sess., part (2nd proviso appearing on p. 31 of temporary 1950 session laws, to end of page).]

In addition to the fees required by section 13, operators of auto stages with seating capacity over six shall pay quarterly, at the time they file gross earning returns with the public service commission, the sum of fifteen cents for each one hundred vehicle miles operated by each auto stage over the public highways of this state: Provided, That in the case of each auto stage propelled by steam, electricity, natural gas, diesel oil, butane or propane, the payment required hereunder shall be twenty cents per one hundred miles of such operation. The commission shall transmit all such sums so collected to the state treasurer, who shall deposit the same in the motor vehicle fund. Any person failing to make any payment required by this section shall be subject to a penalty of one hundred per cent of the payment due hereunder, in addition to any penalty provided for failure to submit a quarterly report. Any penalties so collected shall be credited to the public service revolving fund.

Sec. 15. Section 46.16.130, R.C.W., as derived from section 11, chapter 220, Laws of 1949, is amended to read as follows:

Whenever an application is made for a license on a motor truck, trailer, tractor, semi-trailer, for hire vehicle, bus or auto stage subsequent to March thirty-first of any calendar year, the license fees based on gross weight or seating capacity of such vehicles shall be computed as follows:

Upon motor vehicles above described licensed in this state after March thirty-first of any year, but before July first, the license fees imposed by this section for such year shall be reduced by one-fourth thereof; upon vehicles licensed in this state after June thirtieth of any year, but before October first,
the license fees shall be reduced by one-half thereof; and upon vehicles licensed in this state after September thirtieth of any year the license fees shall be reduced by three-fourths thereof: Provided, That such reductions shall not apply to special permits.

SEC. 16. A new section is added to chapter 46.16, R.C.W., to read as follows:

When the gross weight license fee applied for on any vehicle exceeds twenty thousand pounds, licenses for motor trucks, trailers, tractors, pole trailers, or semi-trailers may be purchased for a three-month period for one-fourth the regular fee at the beginning of any calendar month. For each fee so paid other than at the time of payment of the basic license fee, an additional fee of one dollar shall be charged by the director. The director is authorized to establish rules and regulations relative to the issuance and display of certificates or insignia, which shall state the months by name for which the vehicle is licensed.

No vehicle licensed under the provisions of this section shall be operated over the public highways unless the owner or operator thereof within ten days after the expiration of any such three-month period apply for, and pay the required fee for, a license for an additional three-month period, or for the remainder of the year. Any person who operates any such vehicle upon the public highways after the expiration of said ten days, shall be guilty of a misdemeanor, and in addition shall be required to purchase a gross weight license for the vehicle involved at the fee covering an entire year’s license for operation thereof, less the fees for any period or periods of the year already paid. If, within five days thereafter, no license for a full year has been purchased as required aforesaid, the Washington state patrol, county sheriff or city police shall impound such vehicle in such manner as may be directed for such

SEC. 17. Section 46.16.140, R.C.W., as derived from section 25, chapter 188, Laws of 1937, is amended and divided into sections 18 and 19 herein.

SEC. 18. Any person who operates, or causes, permits, or suffers to be operated upon a public highway of this state any auto stage, motor truck, trailer, pole trailer, or semi-trailer, with passengers, or with a maximum gross weight, in excess of that for which the vehicle is licensed shall be guilty of a misdemeanor.

Any person who operates or causes to be operated upon a public highway of this state any motor truck, trailer, pole trailer, or semi-trailer with a maximum gross weight in excess of the maximum gross weight for which the vehicle is licensed shall be deemed to have set a new maximum gross weight and shall, in addition to any penalties otherwise provided, be required to purchase an additional license for the additional gross weight and any such person who fails to secure such additional license shall be guilty of a misdemeanor. Provided, That this section shall not apply to for hire vehicles or auto stages operating principally within cities and towns: Provided further, That no such person may be permitted or required to purchase the additional license upon a gross weight which would exceed the maximum gross weight allowed by law.

[This section was derived from R.R.S. § 6312-25, part (down to and including the second proviso.).]

SEC. 19. This section shall not apply to authorized emergency vehicles or repair equipment of a public utility engaged in reasonably necessary operation. The provisions of this section shall not relieve the owner or operator of a vehicle or combination of vehicles from the exercise of due care in determining that sufficient vertical clearance is provided upon the public highways where such vehicle or combination of vehicles is being operated, and no liability shall attach to the state or to any county, city, town, or other political subdivision by reason of any damage or injury to persons or property by reason of the existence of any structure or otherwise where the vertical clearance above the roadway is less than twelve feet six inches where signs are posted to indicate vertical clearance of less than twelve feet six inches. An additional four inches in height is lawful as to a vehicle over and above such twelve feet six inches when such vehicle is equipped with a tire size of over ten inches in width and twenty-two...
inches in rim diameter and larger, notwithstanding the liability provided for herein.

[Am. R.R.S. § 6360-48.]

SEC. 21. Section 46.44.030, R.C.W., as derived from section 1, chapter 221, Laws of 1949, is amended and divided into sections 22 through 24 herein.

It is unlawful for any person to operate upon the public highways any combination of vehicles which, with or without load, has an overall length in excess of sixty feet, or any combination of vehicles containing any vehicle of which the permanent structure has an overall length in excess of forty feet. Said length limitations shall not apply to vehicles transporting poles, pipe, machinery or other objects of a structural nature which cannot be dismembered and operated by a public utility when required for emergency repair of public service facilities or properties but in respect to night transportation every such vehicle and load thereon shall be equipped with a sufficient number of clearance lamps on both sides and marker lamps upon the extreme ends of any projecting load to clearly mark the dimensions of such load.

[This section was derived from Rem. Supp. 1949, § 6360-49, part (1st para.).]

SEC. 23. It is unlawful for any person to operate upon the public highways of this state any combination of vehicles consisting of more than two vehicles. For the purposes of this section a truck tractor-semi-trailer and/or pole trailer combination will be con-
Considered as two vehicles but the addition of another axle to the tractor of a truck tractor-semi-trailer and/or pole trailer combination in such a way that it supports a proportional share of the load of the semi-trailer and/or pole trailer shall not be deemed a separate vehicle but for all purposes shall be considered a part of the truck tractor. For the purposes of this section a converter gear used in converting a semi-trailer to a full trailer shall not be deemed a separate vehicle but for all purposes shall be considered a part of the trailer.

[This section was derived from Rem. Supp. 1949, § 6360-49, part (2nd para.).]

Sec. 24. The load upon any vehicle operated alone upon the public highways of this state, or the load upon the front vehicle of a combination of vehicles, shall not extend more than three feet beyond the front wheels of such vehicle, or the front bumper, if equipped with front bumper.

[This section was derived from Rem. Supp. 1949, § 6360-49, part (3rd and 4th para.).]

Sec. 25. Section 46.44.040, R.C.W., as derived from section 2, chapter 221, Laws of 1949, is amended and divided into sections 26 through 29, inclusive, herein.

Sec. 26. (a) It is unlawful to operate any vehicle upon the public highways with a gross weight including load upon any one axle thereof in excess of eighteen thousand pounds.

It is unlawful to operate any one axle semi-trailer upon the public highways with a gross weight including load upon such one axle in excess of eighteen thousand pounds.

It is unlawful to operate any truck or truck-tractor upon the public highways of this state sup-
ported upon two axles with a gross weight including load in excess of twenty-eight thousand pounds.

It is unlawful to operate any trailer, semi-trailer or pole trailer upon the public highways supported upon two axles with a gross weight including load in excess of thirty-two thousand pounds.

It is unlawful to operate any vehicle upon the public highways supported upon three axles or more with a gross weight including load in excess of thirty-six thousand pounds.

(b) The maximum axle and gross weights specified in subsection (a) above are subject to the braking requirements set up for the service brakes upon any motor vehicle or combination of vehicles as provided by law.

(c) It is unlawful to operate any vehicle upon the public highways equipped with two axles spaced less than seven feet apart, unless the two axles are so constructed and mounted in such a manner to provide oscillation between the two axles and that either one of the two axles will not at any one time carry more than the maximum gross weight allowed for one axle or two axles specified in subsection (a) above.

[This section was derived from Rem. Supp. 1949, § 6360-50, part (para. a, b, and c).]

Sec. 27. Subject to the maximum gross weights specified in subsection (a) of section 26 above, it is unlawful to operate any vehicle upon the public highways with a gross weight, including load, upon any tire concentrated upon the surface of the highway in excess of five hundred pounds per inch width of such tire. For the purpose of this section, the width of tire in case of solid rubber or hollow center cushion tires, so long as the use thereof may be permitted by the law, shall be measured between the flanges of the rim. For the purpose of this section, the width of tires in case of pneumatic tires shall be
the cross-section diameter measured from the inside of the widest point when inflated to the recommended inflation point and without load thereon. In lieu of this method of measurement the tire shall not carry any load in excess of the manufacturer's recommended carrying capacity.

[This section was derived from Rem. Supp. 1949, § 6360-50, part (para. d).]

Sec. 28. Subject to the maximum axle and gross weights specified in subsection (a) of section 26 above, it is unlawful to operate any motor vehicle or combination of vehicles with a gross weight, including load, on any group of axles of a vehicle or combination of vehicles in excess of that set forth in the following table:

[This section was derived from Rem. Supp. 1949, § 6360-50, part (subsection (e) through the sentence following the schedule).]

**SEC. 29.** Any person violating any of the provisions of sections 26 to 28, inclusive, shall be guilty of a misdemeanor and upon first conviction thereof shall be fined not less than twenty-five dollars nor more than fifty dollars; upon second conviction thereof shall be fined not less than fifty dollars nor more than one hundred dollars; and upon a third or subsequent conviction shall be fined not less than one hundred dollars. The court may suspend the certificate of license registration of the vehicle or combination of vehicles upon the second conviction and the court shall suspend the certificate of license registration of the vehicle or combination of vehicles
upon a third or subsequent conviction as to the same vehicle or combination of vehicles.

Any person convicted of violating any posted limitations of a highway or section of highway shall be fined not less than one hundred dollars and the court shall in addition thereto suspend the operator's driver's license for not less than thirty days. Whenever the operator's driver's license and/or the certificate of license registration are suspended under the provisions of this section the judge shall secure such certificates and immediately forward the same to the director of licenses with information concerning the suspension thereof.

[This section was derived from Rem. Supp. 1949, § 6360-50, part (last para. of section).]

SEC. 30. A new section is added to chapter 46.44, R.C.W., to read as follows:

In addition to the limitations of sections 26 to 28, inclusive, if the gross axle weight is not more than five hundred pounds in excess of the maximum gross axle weight for one axle, and if the gross weight of two axles spaced less than seven feet apart is not more than one thousand pounds in excess of the maximum gross weight for two axles spaced less than seven feet apart, and if the gross weight of any group of axles is not more than fifteen hundred pounds in excess of the maximum gross weight for any group of axles according to the wheelbase spacing of the group of axles as shown in the maximum gross load table of section 28, and if the maximum gross weight of the combination of vehicles is not more than two thousand pounds in excess of the maximum gross weight of the combination of vehicles, when fully licensed as permitted by law, the arresting officer may, within his discretion, permit the operator to proceed with his vehicle or vehicles in combination without penalty or the removal of the excess weight, but this discretionary action by the arresting officer shall in no manner relieve the
operator of the vehicle or combination of vehicles of any penalty or fee imposed by this act for such excess weight. For the purposes of determining gross weights the actual scale weight taken by the arresting officer shall be prima facie evidence of such total gross weight of vehicle or combination thereof.

It being the intention of the legislature to recognize that occasional weight discrepancies in cargo will occur, and to provide the arresting officer with authority and discretion to determine the same; but to prevent the habitual and consistent loading of vehicles above the licensed gross weight of the vehicle provided for in this act.

The chief of the state patrol, with the advice of the director of highways, may make reasonable rules and regulations to aid in the enforcement of the provisions of this section.

[Chapter 46.44 R.C.W. was derived from R.R.S. §§ 6360-47 to 6360-57 incl. as amended.]

Sec. 31. A new section is added to chapter 46.44, R.C.W., to read as follows:

In addition to the limitations of sections 26 to 28, inclusive, a three-axle truck tractor and a two-axle pole trailer combination engaged in the operation of hauling logs, shall have an allowable variation in wheelbase length of six feet for the distance between the first and last axle of the vehicle in combination which has a wheelbase overall length of thirty-seven feet or more and if the gross axle weight is not more than nine hundred pounds in excess of the maximum gross axle weight for one axle, and if the gross weight of two axles spaced less than seven feet apart is not more than sixteen hundred pounds in excess of the maximum gross axle weight for two axles spaced less than seven feet apart, and if the maximum gross weight of the combination of vehicles is not more than three thousand four hundred pounds in excess of the maximum gross weight of the com-
bination of vehicles, when fully licensed as permitted by law, the arresting officer may, within his discretion, permit the operator to proceed with his vehicle or vehicles in combination without penalty or the removal of the excess weight, but this discretionary action by the arresting officer shall in no manner relieve the operator of the combination of vehicles of any penalty or fee imposed by this act for such excess weight. For the purpose of determining gross weights the actual scale weight taken by the arresting officer, shall be *prima facie* evidence of such total gross weight of vehicles in combination thereof.

It being the intention of the legislature to recognize that occasional weight discrepancies in cargo will occur, and to provide the arresting officer with authority and discretion to determine the same; but to prevent the habitual and consistent loading of vehicles above the licensed gross weight of the vehicle provided for in this act.

The chief of the state patrol, with the advice of the director of highways, may make reasonable rules and regulations to aid in the enforcement of the provisions of this section.

[See note to sec. 30.]

**Sec. 32.** There is added a new section to chapter 46.44, R.C.W., to read as follows.

In addition to any penalty incurred under the provisions of this act, the owner or operator of any motor vehicle or combination of motor vehicles, as payment for excess weights, over and above those set forth in sections 30 and 31, shall pay two cents per pound for each pound of excess weight up to five thousand pounds; if such excess weight is five thousand pounds and not in excess of ten thousand pounds, the rate per pound shall be three cents per pound for each pound of excess weight; and if the excess weight is ten thousand pounds or over the
rate shall be four cents per pound for each pound of such excess weight.

It is intended by this section to provide a method of compensation for the state for any use of the highways beyond the designed capacity thereof. The court, in addition to any penalty assessed, shall order such payment to be made, and in the event the owner or operator does not make payment or arrange to make payment as required and ordered by the court, the court shall suspend the certificate of license registration of the vehicle or vehicles in combination concerned, until the owner or operator does so.

For the purposes of this section “excess weight” shall mean that poundage in excess of the maximum licensed gross weight plus the weights allowed by sections 30 and 31 of the vehicle or of the vehicles in combination.

Any sums of money collected under the provisions of this section shall be transmitted to the state treasurer and he shall deposit the same in the motor vehicle fund.

[See note to sec. 30.]

[This section was derived from Rem. Supp. 1949, § 6360-55, part (6th para.).]

Loads which are overweight and oversize shall be charged the fee for the overweight permit without additional fees being assessed for the oversize features.

In the computation of the tax, one-quarter of one per cent of the net gallonage
otherwise taxable shall be deducted by the distributor before computing the tax due, on account of the losses sustained through handling. The tax herein imposed shall be collected and paid to the state but once in respect to any motor vehicle fuel. Bills should be rendered by distributors to all purchasers of inflammable petroleum products of fifty gallons or more, and upon request to all purchasers of smaller lots. In the case of sales of motor vehicle fuels, the bills shall contain a statement that the distributor has assumed the tax thereon; and in other cases the bills shall contain a statement that the purchaser is responsible for the tax, if the products are to be used for the purpose of operating a motor vehicle. The net gallonage, for purposes of tax distribution, shall be computed after deducting three-fourths of one per cent therefrom. The proceeds of the amount deducted shall be paid into the motor vehicle fund. The proceeds of the net gallonage remaining shall be distributed as follows: Of the six and one-half cents collected as herein provided, five cents shall be distributed between the state, cities and counties under the provisions of 46.68.090 and 46.68.100, and one-quarter cent shall be distributed to the counties directly and allocated between them as provided by 46.68.120, and one and one-quarter cents shall be paid directly into the motor vehicle fund.

[R.C.W. 46.68.090 is Rem. Supp. 1943, § 6600-1d; 46.68.100 is Rem. Supp. 1943, § 6600-1e; 46.68.120 is Rem. Supp. 1949, § 6600-2a.]

Sec. 44. The joint fact-finding committee on highways, streets and bridges, created by chapter 111, Laws of 1947, and continued in chapter 213, Laws of 1949, is hereby continued for another biennium. It shall consist of six senators to be appointed by the president of the senate and six members of the house of representatives to be appointed by the
Speaker thereof. One of the senate members and one of the house members shall be appointed from the area included within each of the six state highway districts. The list of appointees shall be submitted before the close of the 1951 session for confirmation of the senate members, by the senate, and the house members, by the house. Vacancies occurring shall be filled by the appointing authority.

Sec. 45. The committee is authorized and directed to continue its studies and for that purpose shall have all the powers and duties set forth in such acts and section 46. The members of the committee shall be entitled to reimbursement of their expenses as set forth in section 5, chapter 111, Laws of 1947, except that any travel expense shall be reimbursed at the rate of seven cents per mile.

(2) Enter upon a review of the state highway system with particular consideration of the usefulness of all highways that are a part of the state system, any need for changes in the state system by additions or deletions and the relationship between the state system and county roads and city streets,
but any such study shall not have as its purpose the increase of the total present mileage of either primary or secondary highways;

(3) Participate with the department of highways in any study which may be undertaken of the relationship of motor vehicle weights and highway design and costs.

(4) Participate with the department of highways in studies with relation to the construction, designation and testing of natural resource roads.

SEC. 47. The director of highways is authorized to make and enter into agreements with the federal government or any state or group of states or agencies thereof, or any non-profit association, on a joint or cooperative basis, to study, analyze or test the effects of weight on highway construction. Such studies or tests may be made either by designating existing highways or the construction of test strips including natural resource roads to the end that a proper solution of the many problems connected with the imposition on highways of motor vehicle weights may be determined.

Such studies may include the determination of values to be assigned various highway-user groups according to their gross weight or use.

SEC. 48. In addition to all other fees prescribed by law, there shall be paid for each truck, trailer, truck-tractor, auto stage, or for hire vehicle the following amounts at the time of the payment of the registration fee as provided by law:

(4) Employees of the retirement system itself shall be entitled to membership and any costs in connection with such membership shall be a part of the cost of administration.

(b) Any city may, when electing to participate in this retirement system in the manner set forth in 41.44.050, include any one group or combination of the groups above mentioned but must include or exclude all employees in any group. Groups (3) and (4) shall be considered as being composed of miscellaneous personnel as far as benefits and obligations are concerned except when the contrary is clearly indicated.

All other regular employees earning more than fifty dollars per month shall become members upon the completion of six consecutive months service or six months service in any calendar year;

(e) It shall be the duty of the proper persons in each city to immediately report to the board routine changes in the status of personnel and to immediately furnish such other information regarding the employment of members as the board may from time to time require.

(f) Should any member withdraw more than one-quarter of his accumulated contributions, or should he die or be retired, he shall thereupon cease to be a member.

(g) Transfer of any employee from one city to another shall not cause the employee to lose membership in the system providing the city to which he transfers participates in the retirement system created herein.

Sec. 8. Section 41.44.120, R.C.W., as derived from section 12, chapter 71, Laws of 1947, is amended to read as follows:

Such certificate shall be final and conclusive as to his prior service unless hereafter modified by the board, upon application of the member.

(b) Each city joining the system shall have the privilege of selecting the rate at which prior service pensions shall be calculated for its employees and may select any one of the three rates set forth below:

(1) 1.33% of final compensation multiplied by the number of years of prior service credited to the member. This rate may be referred to as "full prior service credit."

(2) 1.00% of final compensation multiplied by the number of years of prior service credited to the member. This rate may be referred to as "three-fourths prior service credit."

(3) .667% of final compensation multiplied by the number of years of prior service credited to the member. This rate may be referred to as "one-half prior service credit."

(c) The above rates shall apply at the age of sixty-two or over for members included in the miscellaneous personnel and at age sixty or over for members in the uniformed personnel: Provided, That if a member shall retire before attaining either of the ages above referred to the total prior service pension shall be reduced by percentages computed actuarially, for miscellaneous personnel at all ages under sixty-two; and for uniformed personnel at all ages under sixty.

(d) If sickness, injury or service in the armed forces of the United States during the national emer-
Session Laws, 1951.

Emergency identified with the First World War or the Second World War and/or service in the armed forces of the United States of America for extended active duty by any employee who shall have been regularly granted a leave of absence from the city service by reason thereof, prevents any regular employee from being in service on the effective date, the board shall grant prior service credit to such person when he is again employed. The legislative authority in each participating city shall specify the amount of prior service to be granted or current service credit to be made available to such employees: Provided, That in no case shall such service credit exceed five years. Certificate of honorable discharge from or documentary evidence of such service shall be submitted to the board before any such credit may be granted or made available. Prior or current service rates, or both, for such employees shall not exceed the rates established for fellow employees.

Sec. 9. Section 41.44.130, R.C.W., as derived from section 13, chapter 71, Laws of 1947, is amended to read as follows:

(a) The normal rates of contribution of members shall be based on sex and age at time of entry into the system, which age shall be the age at the birthday nearest the date of such entry.

(b) The normal rates of contribution for miscellaneous personnel shall be so fixed as to provide an annuity which, together with the pension provided by the city, shall produce as nearly as may be, a retirement allowance at the age of sixty-two years, of one and one-third per cent of the final compensation multiplied by the number of years of service of the retiring employee. The normal rate established for age sixty shall be the rate for any member who has attained a greater age before entrance into the retirement system and the normal contribution established for age twenty-four shall be the rate for

[945]
any member who enters the system at an earlier age.

(c) The normal rates of contribution for uniformed personnel shall be so fixed as to provide an annuity which, together with the pension provided by the city, shall produce as nearly as may be a retirement allowance at the age of sixty years, of one and one-third per cent of the final compensation multiplied by the number of years of service of the retiring employee. The normal rate established for age fifty-eight shall be the rate for any member who has attained a greater age before entrance into the retirement system and the normal contribution established for age twenty-two shall be the rate for any member who enters the system at an earlier age.

(d) Subject to the provisions of this chapter, the board shall adopt rules and regulations governing the making of deductions from the compensation of employees and shall certify to the proper officials in each city the normal rate of contribution for each member provided for in paragraphs (b) and (c) of this section. The proper officials in each city shall apply such rate of contribution to so much of the compensation of a member as does not exceed three hundred dollars per month, and shall certify to the board on each and every payroll the total amount to be contributed and shall furnish immediately to the board a copy of each and every payroll; and each of said amounts shall be forwarded immediately to the board and the board shall credit the deduction shown on such payroll to individual accounts of the members represented on such payrolls.

(e) Every member shall be deemed to consent and agree to the contribution made and provided for herein, and shall receipt in full for his salary or compensation. Payment less said contributions shall be a full and complete discharge of all claims and
demands whatsoever for the service rendered by such person during the period covered by such payment, except his claim to the benefits to which he may be entitled under the provisions of this chapter.

(f) Any member may elect to contribute in excess of the contributions provided for in this section in accordance with rules to be established by the board for the purpose of providing additional benefits, but the exercise of this privilege shall not place on the member city or cities any additional financial obligation. The board shall have authority to fix the rate of interest to be paid or allowed upon the additional contributions and from time to time make any necessary changes in said rate. Refunds of additional contributions shall be governed by the same rules as those covering normal contributions unless the board shall establish separate rules therefor.

(2) A pension provided by the contributions of the city, equal to the annuity purchased by the accumulated normal contributions of the member;

(3) For any member having credit for prior service an additional pension, provided by the contributions of the city, as set forth in 41.44.120 at the rate selected by the city employing the member;

An annuity purchased by accumulated additional contributions in such case shall be paid in addition to the minimum guaranteed as hereinafter provided.

(b) If the retirement allowance of the member as provided in this section, is in excess of one-half of his final compensation, the pension of the member, purchased by the contributions of the city, shall be reduced to such an amount as shall make the member's retirement allowance equal to one-half of his final compensation.

(c) A member, upon retirement from service, shall receive in addition to the retirement allowance provided in this section, an additional annuity which shall be the actuarial equivalent of any accumulated additional contributions which he has to his credit at the time of his retirement.

Any member while in service, or while physically or mentally incapacitated for the performance of duty, if such incapacity has been continuous from discontinuance of city service, shall be examined by such medical authority as the board shall employ,
upon the application of the head of the office or department in which the member is employed with approval of the legislative body, or upon application of said member, or a person acting in his behalf, stating that said member is permanently and totally incapacitated, either physically or mentally, for the performance of duty and ought to be retired. If examination shows, to the satisfaction of the board, that the member should be retired, he shall be retired forthwith: Provided, That no such application shall be considered or granted upon the application of a member unless said member or someone in his behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member: Provided, The board shall retire the said member for disability forthwith: Provided, That the disability retirement allowance shall be effective on the first of the month following that in which the member last received salary or wages in city service.

The board shall secure such medical services and advice as it may deem necessary to carry out the purpose of this section and 41.44.180.

The provisions of this section shall not be applicable to employees pensioned for total and permanent disability, as defined in and pursuant to state or federal law, other than those pensioned on account of military service, except as to the amount of retirement allowance provided for herein may exceed the pension provided by state or federal law; nor shall the provisions of this section in so far as it provides for permanent and total disability from accident in course of employment apply to any member who is within and entitled to the benefits of the state workmen's compensation act and medical aid act.

On retirement for permanent and total disability, a member shall receive a retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his accumulated normal contributions; and

(2) A pension provided by the contributions of the city which, together with his annuity provided by his accumulated normal contributions, shall make the retirement allowance equal to one and one-fourth per cent of his final compensation multiplied by the number of years of service credited to him, if such retirement allowance exceeds forty dollars per month; otherwise he shall receive a retirement allowance of forty dollars per month.

(3) If it appears to the satisfaction of the board that disability was incurred in line of duty and the retirement allowance to be provided under subsection (1) and (2) of this section is less than sixty dollars per month, then there shall be provided by contributions of the city such additional pension as shall make the retirement allowance equal to sixty dollars per month.

(4) No disability retirement allowance shall exceed fifty per cent of final compensation, anything herein to the contrary notwithstanding.

(5) Upon the death of a member while in receipt of a disability retirement allowance, his accumulated contributions, as they were at the date of his retirement, less any annuity payments made to him, shall be paid to his estate, or to such persons having an insurable interest in his life as he shall have nominated by written designation duly executed and filed with the board.
SESSION LAWS, 1951.

(6) If disability is due to intemperance, willful misconduct, or violation of law, on the part of the member, the board, in its discretion, may pay to said member, in one lump sum his accumulated contribution, in lieu of a retirement allowance, and such payment shall constitute full satisfaction of all obligations of the city to such member.

(7) In addition to the annuity and pension provided for in subdivisions (1) and (2) of this section, a member shall receive an annuity which shall be the actuarial equivalent of his accumulated additional contributions.

SEC. 14. Section 41.44.190, R.C.W., as derived from section 19, chapter 71, Laws of 1947, is amended to read as follows:

(a) Should service of a member be discontinued except by death or retirement, he shall be paid six months after the day of discontinuance such part of his accumulated contributions as he shall demand. Six months after the date of such discontinuance, unless on leave of absence regularly granted, his rights to all benefits as a member shall cease, without notice, and his accumulated contributions shall be returned to him in any event or held for his account if for any reason the return of the same is prevented: Provided, That the board may in its discretion, grant the privilege of withdrawal at any time following such discontinuance. The board may establish rules and regulations to govern withdrawal and redeposit of contributions.

(b) Should a former member, within five years after discontinuance of service, return to service in the same city in which he was employed he may restore to the fund in such manner as may be agreed upon by such person and the board, his withdrawn normal accumulated contributions as they were at the time of his separation from service and upon

[ 953 ]
completion of such redeposit all his rights and privileges existing at the time of discontinuance of service shall be restored and his obligations as a member shall begin again. The rate of contribution of such returning member shall be the same as it was at the time he separated from service.

(c) Upon the death of any person who has not been retired, pursuant to the provisions hereof, there shall be paid to his estate, or to such persons having an insurable interest in his life as he shall have nominated by written designation duly executed and filed with the board, his accumulated contributions less any payments therefrom already made to him. Such payment may be made in one lump sum or may be paid in installments over a period of not to exceed five years, as may be designated by the member or his beneficiary, with such rate of interest as may be determined by the board.

(d) If a former member shall, within one year from date of discontinuance of service, be employed by another city participating in this retirement system he shall have the privilege of redepositing and the matching contributions deposited by the city or cities in which he was formerly employed shall again be held for the benefit of such member. If such redepositing member possessed a prior service certificate the city employing him at time of retirement shall accept the liability evidenced by such certificate. Reinstatement of a prior service certificate shall be effective only upon a showing that normal contributions are on deposit in the retirement fund, to the credit of the member, covering all current service.

Sec. 15. Section 41.44.250, R.C.W., as derived from section 25, chapter 71, Laws of 1947, is amended to read as follows:

[ 954 ]
The payment of any retirement allowance to a member who has been retired from service shall be suspended during the time that the beneficiary is in receipt of compensation for service to any city or town that is a member of the statewide city employees' retirement system, except as to the amount by which such retirement allowance may exceed such compensation for the same period. It is the intent of this section to prevent any retired person from being able to receive both his retirement allowance and compensation for service to any city or town that is a member of the statewide city employees' retirement system: *Provided,* That nothing in this section shall prevent county or state welfare departments from furnishing to any retired employee under the terms of this chapter the hospital, medical, dental and other benefits granted to pensioners under the provisions of title 74.

PREFACE

The Extraordinary Session of the Thirty-second Legislature (1951 Special Session) convened at Olympia on the 27th day of March, 1951, at the hour of 11:00 A. M., at the call of Governor Arthur B. Langlie. The special session adjourned eleven days later sine die on April 5, 1951.

Eleven measures were passed and signed into law and all but two contained emergency clauses. The two measures, namely: Chapter 5 (eye examinations—public assistance) and Chapter 8 (assessments of real property) take effect ninety days after adjournment, or 12:00 o’clock midnight, July 4, 1951.

EARL COE,
Secretary of State.
EXPLANATORY

As the user will readily note, the thirty-second regular session of the legislature has inaugurated the practice of enacting laws with reference to the Revised Code of Washington (R.C.W.) which was enacted by chapter 16, Laws of 1950, Ex. Sess., and chapter 5, Laws of 1951. Publication of a temporary edition of R.C.W. was authorized by chapter 155, Laws of 1951, and is now in progress.

For the convenience of users, the majority of whom do not presently have access to R.C.W., footnotes have been prepared for the purpose of indicating where, in Remington's Revised Statutes, corresponding material may be found.

The footnotes, which appear following each appropriate section are not intended to express any legal conclusions, but are inserted only with a view toward aiding the user to relate the materials found in this volume to the compilation of laws presently available.

In general, where the R.C.W. section affected corresponds to an entire section of Remington, the correlation has been expressed by the use of the abbreviations Am., for amends and Rep., for repeals, but where the section amended was derived from a portion only of a Remington section or was a composite of one or more Remington sections or parts thereof, the correlation has been expressed in terms of derivation. Remington citations for R.C.W. numbers referred to within the body of an act are likewise generally in the form of derivations.

The footnotes, in effect, may be said to constitute a running correlation table between R.C.W. and Remington which it is hoped will prove useful during this transitional period. The usual tables of amendments and repeals are to be found at the back of the volume.

The user may note that R.C.W. numbers appearing herein are in most instances not identical with the R.C.W. numbers as they appeared in the various legislative bills. The majority of such bills were drawn with reference to the revised code as it existed prior to the adoption of the numbering system contained in the 1950 supplement, as authorized by section 3, chapter 5, Laws of 1951. Pursuant to the mandate of that section, all R.C.W. numbers have been corrected to conform with such new numbering system, and so appear in this publication.

SMITH TROY,
Attorney General.

Amendment.

Sec. 5. Section 82.32.050, R.C.W., as derived from section 20, chapter 225 [228], Laws of 1949, is amended to read as follows:

If, upon examination of any returns or from other information obtained by the tax commission
it appears that a tax or penalty has been paid less than that properly due, the commission shall assess against the taxpayer such additional amount found to be due and may add thereto interest at the rate of not more than six per cent per annum from the respective due dates of such additional amount until date of such assessment. The commission shall notify the taxpayer by mail of the additional amount and the same shall become due and shall be paid within ten days from the date of the notice, or within such further time as the commission may provide. If payment is not received by the commission by the due date specified in the notice, the commission may add a penalty of ten per cent of the amount of the additional tax found due. If the commission finds that all or any part of the deficiency resulted from an intent to evade the tax payable hereunder, a further penalty of fifty per cent of the additional tax found to be due may be added.

No assessment or correction of an assessment for additional taxes due may be made by the commission more than four years after the close of the tax year, except (1) against a taxpayer who has not registered as required by this chapter, (2) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or (3) where a taxpayer has executed a written waiver of such limitation.

[R.C.W. 82.32.050 was derived from Rem. Supp. 1949 § 8370-188.]

Sec. 6. Section 82.32.060, R.C.W., as derived from section 21, chapter 228, Laws of 1949, is amended to read as follows:

If, upon application by a taxpayer for a refund or for an audit of his records, or upon an examination of the returns or records of any taxpayer, it is determined by the tax commission that within the two years immediately preceding the receipt of the commission of the application by the taxpayer for a refund or for an audit, or, in the absence of such
an application, within the two years immediately preceding the commencement by the commission of such examination, a tax has been paid in excess of that properly due, the excess amount paid within such period of two years shall be credited to the taxpayer's account or shall be refunded to the taxpayer, at his option. No refund or credit shall be allowed with respect to any payments made to the commission more than two years before the date of such application or examination. Where a refund or credit may not be made because of the lapse of said two year period, the amount of the refund or credit which would otherwise be allowable for the portion of the statutory assessment period preceding the two year period may be offset against the amount of any tax deficiency which may be determined by the commission for such preceding period. Notwithstanding the foregoing, no refund or credit shall be granted with respect to taxes paid prior to May 1, 1950, but where a refund or credit may not be made because the tax was paid prior to May 1, 1950, the amount of the refund or credit which would otherwise be allowable for the portion of the statutory assessment period preceding May 1, 1950, may be offset against the amount of any tax deficiency which may be determined by the commission for such preceding period.

Notwithstanding the foregoing limitations there shall be refunded or credited to taxpayers engaged in the performance of United States government contracts or sub-contracts the amount of any tax paid, measured by that portion of the amounts received from the United States, which taxpayer is required by contract or applicable federal statute to refund or credit to the United States, if claim for such refund is filed by the taxpayer with the tax commission within one year of the date that the amount of the refund or credit due to the United States is finally determined and filed within four
years of the date on which the tax was paid: Provided, That no interest shall be allowed on such refund.

Any such refunds shall be made by means of vouchers approved by the tax commission and by the issuance of state warrants drawn upon and payable from such funds as the legislature may provide.

Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer shall be paid in like manner, upon the filing with the tax commission of a certified copy of the order or judgment of the court. Interest at the rate of three per cent per annum shall be allowed by the tax commission and by any court on the amount of any refund or recovery allowed to a taxpayer for taxes, penalties, or interest paid by him after May 1, 1949, and interest at the same rate shall be allowed on any judgment recovered by a taxpayer for taxes, penalties, or interest paid after such date.

[R.C.W. 82.32.060 was derived from Rem. Supp. 1949 § 8370-189.]

SEC. 7. Section 82.32.070, R.C.W., as derived from section 190, chapter 180, Laws of 1935, is amended to read as follows:

Every person liable for any fee or tax imposed by the preceding chapters shall keep and preserve, for a period of five years, suitable records as may be necessary to determine the amount of any tax for which he may be liable, which records shall include copies of all federal income tax and state tax returns and reports made by him. All his books, records, and invoices shall be open for examination at any time by the commission. In the case of an out-of-state person or concern which does not keep the necessary books and records within this state, it shall be sufficient if it produces within the state such
books and records as shall be required by the commission, or bears the cost of examination by an agent authorized or designated by the commission at the place where such books and records are kept. Any person who fails to comply with the requirements of this section shall be forever barred from questioning, in any court action or proceeding, the correctness of any assessment of taxes made by the commission based upon any period for which such books, records, and invoices have not been so kept and preserved.

[R.C.W. 82.32.070 was derived from Rem. Supp. § 8370-190.]

Sec. 3. Section 82.32.080, R.C.W., as derived from section 22, chapter 228, Laws of 1949, is amended to read as follows:

Payment of the tax may be made by uncertified check under such regulations as the commission shall prescribe, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, shall remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.

A return or remittance which is transmitted to the tax commission by United States mail shall be deemed filed or received on the date shown by the post office cancellation mark stamped upon the envelope containing it.

The tax commission, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension and any extension in excess of thirty days shall be conditional on payment of interest of one-half of one percent of the amount of the tax for each thirty days or portion thereof from the date upon which such tax became due.
The commission shall keep full and accurate records of all funds received and disbursed by it.

The commission may refuse to accept any return which is not accompanied by a remittance of the tax shown to be due thereon. When such return is not accepted, the taxpayer shall be deemed to have failed or refused to file a return, and shall be subject to the penalties provided in 82.32.100. In any such case, the taxpayer shall, in the discretion of the commission, be subject to a penalty in the amount of ten per cent of the tax or of one dollar, plus interest thereon at the rate of one per cent per month, even though the remittance, transmitted separately, is received by the commission before or at the same time as the return was received, and even though such remittance is received before the due date of the tax.

[R.C.W. 82.32.100 appears, infra, as section 10 of this chapter.]

Sec. 9. Section 82.32.090, R.C.W., as derived from section 23, chapter 228, Laws of 1949, is amended to read as follows:

If payment of any tax due is not received by the tax commission within ten days of the due date thereof, there may be added to the tax a penalty of ten per cent of the amount of the tax; and if the tax is not received within forty days of the due date, there may be added an additional penalty of five per cent of the amount of the tax; and if the tax is not received within seventy days of the due date, there may be added an additional penalty of five per cent of the amount of the tax; but none of the penalties so added shall be less than one dollar.

If a warrant be issued by the tax commission for the collection of taxes, increases, and penalties, there may be added thereto a penalty of five per cent of the amount of the tax, but not less than one dollar.
Failure to file return, etc.; maximum aggregate penalty.

Notwithstanding the foregoing, the aggregate of penalties imposed under this chapter for failure to file a return, late payment of any tax, increase, or penalty, or issuance of a warrant shall not exceed twenty-five per cent of the tax due, but shall in no case be less than the minimum penalties prescribed herein.

[R.C.W. 82.32.090 was derived from Rem. Supp. 1949 § 8370-192.]

Amendment. SEC. 10. Section 82.32.100, R.C.W., as derived from section 24, chapter 228, Laws of 1949, is amended to read as follows:

If any person fails or refuses to make any return or to make available for examination the records required by this chapter, the tax commission shall proceed, in such manner as it may deem best, to obtain facts and information on which to base its estimate of the tax; and to this end the commission may examine the books, records, and papers of any such person and may take evidence, on oath, of any person, relating to the subject of inquiry.

As soon as the commission procures such facts and information as it is able to obtain upon which to base the assessment of any tax payable by any person who has failed or refused to make a return, it shall proceed to determine and assess against such person the tax and penalties due, but such action shall not deprive such person from appealing to the superior court as hereinafter provided. To the assessment the commission may add, in addition to the penalty provided in 82.32.090, a further penalty of ten per cent of the amount of the tax for failure or refusal to make a return. If any taxpayer fails to file any return within ten days of the date provided for filing such return, and it appears that there was no tax due or paid for the period for which no return was filed, the commission may assess against such taxpayer a penalty not to exceed three dollars for such failure. The commission shall notify the tax-
payer by mail of the total amount of such tax, penalties, and interest, and the total amount shall become due and shall be paid within ten days from the date of such notice.

No assessment or correction of an assessment may be made by the commission more than four years after the close of the tax year, except (1) against a taxpayer who has not registered as required by this chapter, (2) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or (3) where a taxpayer has executed a written waiver of such limitation.

[R.C.W. 82.32.100 was derived from Rem. Supp. 1949 § 8370-193.] [R.C.W. 82.32.090 appears, supra, as section 9 of this chapter.]

Sec. 11. Section 82.32.170, R.C.W., as derived from section 29, chapter 225, Laws of 1939, is amended to read as follows:

Any person, having paid any tax, original assessment, additional assessment, or corrected assessment of any tax, may apply to the tax commission, within the time limitation for refund provided in this chapter, by petition in writing for a hearing and correction of the amount paid, in which petition he shall set forth the reasons why the hearing should be granted, and the amount in which the tax, interest, or penalty, should be refunded. The commission shall promptly consider the petition, and may grant or deny it. If denied, the petitioner shall be notified by mail thereof forthwith; if a hearing is granted, the commission shall notify the petitioner by mail of the time and place fixed therefor. After the hearing the commission may make such order as may appear to it just and lawful, and shall mail a copy of its order to the petitioner.

[R.C.W. 82.32.170 was derived from Rem. Supp. § 8370-199, part (2nd para.).]
Amendment. Sec. 12. Section 82.32.180, R.C.W., as derived from section 29, chapter 225, Laws of 1939, is amended to read as follows:

Any person, except one who has failed to keep and preserve books, records, and invoices as required in this chapter and chapter 82.24, having paid any tax as required and feeling aggrieved by the amount of the tax may appeal to the superior court of Thurston County, within the time limitation for a refund provided in this chapter, or within thirty days after the date of the notice denying a hearing, or within thirty days after the date of the order provided in the preceding section. In the appeal the taxpayer shall set forth the amount of the tax imposed upon him which he concedes to be the correct tax and the reason why the tax should be reduced or abated. The appeal shall be perfected by serving a copy of the notice of appeal upon the tax commission within the time herein specified and by filing the original thereof with proof of service with the clerk of the superior court of Thurston County. Within ten days after filing notice of appeal, the taxpayer shall file with the clerk of the superior court a good and sufficient surety bond payable to the state in the sum of two hundred dollars, conditioned to diligently prosecute the appeal and pay the state all costs that may be awarded if the appeal of the taxpayer is not sustained.

The trial in the superior court on the appeal shall be de novo and without the necessity of any pleadings other than the notice of appeal. The burden shall rest upon the taxpayer to prove that the tax as paid by him is incorrect, either in whole or in part, and to establish the correct amount of the tax. In such proceeding the taxpayer shall be deemed the plaintiff, and the state, the defendant; and both parties shall be entitled to subpoena the attendance of witnesses as in other civil actions and to produce evi-
dence that is competent, relevant, and material to determine the correct amount of the tax that should be paid by the taxpayer. Either party shall be allowed to appeal to the supreme court in the same manner as other civil actions are appealed to that court.

It shall not be necessary for the taxpayer to protest against the payment of any tax or to make any demand to have the same refunded or to petition the commission for a hearing in order to appeal to the superior court, but no court action or proceeding of any kind shall be maintained by the taxpayer to recover any tax paid, or any part thereof, except as herein provided.

[R.C.W. 82.32.180 was derived from Rem. Supp. § 8370-199, part (3rd para.).] [Chapter 82.24 R.C.W. was derived from Rem. Supp. §§ 8370-82 to 8370-95 incl., as amended.]

SEC. 13. Section 82.32.210, R.C.W., as derived from section 25, chapter 228, Laws of 1949, is amended to read as follows:

If any tax, increase, or penalty or any portion thereof is not paid within fifteen days after it becomes due, the tax commission may issue a warrant under its official seal directed to the sheriff of any county of the state, commanding him to levy upon and sell the real and/or personal property of the taxpayer found within his county, or so much thereof as may be necessary, for the payment of the amount of such warrant, together with interest thereon at the rate of one per cent of the amount of such warrant, for each thirty days or portion thereof after the date of such warrant, plus the cost of executing the warrant, and return the warrant to the commission and pay to it the money collected by virtue thereof within sixty days after the receipt of the warrant. If, however, the commission believes that a taxpayer is about to cease business, leave the state, or remove or dissipate the assets out of which taxes or penalties might be satisfied and that any tax or

[29]
penalty will not be paid when due, it may declare the tax or penalty to be immediately due and payable and may issue a warrant immediately.

If any warrant issued under this chapter is not paid within thirty days after it has been filed with the clerk of the superior court, the tax commission may by order issued under its official seal, revoke the certificate of registration of the taxpayer against whom the warrant was issued, and, if such order is entered, a copy thereof shall be posted in a conspicuous place at the main entrance to the taxpayer's place of business and shall remain posted until such time as the warrant has been paid. Any certificate so revoked shall not be reinstated, nor shall a new certificate of registration be issued to the taxpayer, until the amount due on the warrant has been paid, or provisions for payment satisfactory to the commission have been entered, and until the taxpayer has deposited with the commission such security for payment of any taxes, increases, and penalties, due or which may become due in an amount and under such terms and conditions as the commission may require, but the amount of the security shall not be greater than one-half the estimated average annual liability of the taxpayer.

[R.C.W. 82.32.210 was derived from Rem. Supp. 1949, § 8370-202, part (1st para.).]

Amendment. Sec. 14. Section 82.32.220, R.C.W., as derived from section 25, chapter 228, Laws of 1949, is amended to read as follows:

The sheriff shall file with the clerk of the superior court of his county a copy of the warrant, and thereupon the clerk shall enter in the judgment docket, the name of the taxpayer mentioned in the warrant and in appropriate columns the amount of the tax or portion thereof and any increases and penalties for which the warrant is issued and the date when such copy is filed, and thereupon the amount of such warrant so docketed shall become a specific lien upon
all goods, wares, merchandise, fixtures, equipment, or other personal property used in the conduct of the business of the taxpayer against whom such warrant is issued, including property owned by third persons who have a beneficial interest, direct or indirect, in the operation of the business, and no sale or transfer of such personal property shall in any way affect such lien. The lien shall not be superior, however, to *bona fide* interests of third persons which had vested prior to the filing of the warrant when such third persons do not have a beneficial interest, direct or indirect, in the operation of the business, other than the securing of the payment of a debt or the receiving of a regular rental on equipment. The amount of such warrant so docketed shall thereupon also become a lien upon the title to and interest in all other real and personal property of the taxpayer against whom it is issued the same as a judgment in a civil case duly docketed in the office of such clerk, and the sheriff shall thereupon proceed upon the same in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgments of the superior court. Such warrants so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the state in the manner provided by law in the case of judgments wholly or partially unsatisfied.

The sheriff shall be entitled to fees as provided by law for his services in levying execution on a superior court judgment and the clerk shall be entitled to a filing fee of one dollar, which shall be added to the amount of the warrant.

The proceeds received from any sale shall be credited upon the amount due under the warrant and when the final amount due is received, together with interest, penalties, and costs, the judgment docket shall show the claim for taxes to be satisfied.
and the clerk of the court shall so note upon the docket. Any surplus received from any sale of property shall be paid to the taxpayer or to any lien holder entitled thereto. If the return on the warrant shows that the same has not been satisfied in full, the amount of the deficiency shall remain the same as a judgment against the taxpayer which may be collected in the same manner as the original amount of the warrant.

(b) Insurance companies. Insurance companies, taxed on the basis of gross premiums under the provisions of chapter 48.14, R.C.W., shall be exempt from taxation under this chapter.

SEC. 9. "NET INCOME" DEFINED. Net income means the gross income of a taxpayer less the deductions allowed by this chapter.
SEC. 10. GROSS INCOME AND ADJUSTED GROSS INCOME DEFINED. (a) Gross Income.

(1) "Gross income," as used in this chapter, includes gains, profits, and income derived from businesses, commerce, or sales or dealings in property, whether real or personal, growing out of the ownership, or use of, or interest in, such property; also from interest, rent, dividends, securities, or the transaction of any business carried on for gain or profit, or gains or profits, and income derived from any source whatever.

(2) In the case of a national banking association, and a corporation, gross income includes only the gross income from sources within the state of Washington, determined as provided in section 22 of this act.

(b) Adjusted Gross Income. The term "adjusted gross income" means the gross income, minus such deductions, allowable under the provisions of section 16 of this act, as are enumerated in section 22(n) of the internal revenue code.

SEC. 11. GROSS INCOME—CORPORATE DISTRIBUTIONS. (a) General Rule. Distribution by corporations, including dividends, stock dividends, stock rights, and amounts distributed in complete or partial liquidation, shall be included in the gross income of the shareholders to the extent that such distributions are taxable to the shareholders under the provisions of subsection (e) of section 22, and subsection (b), subsection (c) except the third sentence thereof, and subsections (d), (f), (g), (h), (i), (j), (l), and (m) of section 115 of the internal revenue code. In applying the provisions of the said subsections of the internal revenue code, section 115, to this chapter, (1) the effective date of this chapter shall be substituted for "March 1, 1913" and (2) the day immediately preceding the effective date of this chapter
shall be substituted for "February 28, 1913," whenever said dates appear in the internal revenue code.

(b) **Definition of Dividend.** The term "dividend" means any distribution made by a corporation to its shareholders, whether in money or in other property, (1) out of its earnings or profits accumulated on and after the effective date of this chapter, or (2) out of the earnings or profits of the taxable year (computed as of the close of the taxable year without diminution by reason of any distributions made during the taxable year), without regard to the amount of the earnings and profits at the time the distribution was made.

**Sec. 12. Gross Income—Gain or Loss.** (a) **In General.** In the case of a sale or other disposition of property, the gain or loss shall be computed as provided in subsection (b) of this section.

(b) **Computation of Gain or Loss.** (1) The gain from the sale or other disposition of property shall be the excess of the amount realized therefrom over the adjusted basis provided in subsections (d), (e), and (f) of this section for determining gain, and the loss shall be the excess of the adjusted basis provided in such subsections for determining loss over the amount realized.

(2) The amount realized from the sale or other disposition of property shall be the sum of any money received plus the fair market value of the property (other than money) received.

(3) Nothing in this section shall be construed to prevent (in the case of property sold under contract providing for payment in installments) the taxation of that portion of any installment payment representing gain or profit in the year in which such payment is received.

(c) **Recognition of Gain or Loss.** Upon the sale or exchange of property the gain or the loss thereon shall be recognized to the same extent and under
the same conditions as gain or loss is recognized under the internal revenue code, section 112.

(d) Basis for Gain—Property Acquired Before Effective Date of This Chapter. In the case of property acquired before the effective date of this chapter, if the basis otherwise determined under subsection (f) of this section, adjusted (for the period prior to the effective date of this chapter) as therein provided, is less than the fair market value of the property as of said effective date, then the basis for determining gain shall be such fair market value. In determining the fair market value of stock in a corporation as of the effective date of this chapter, due regard shall be given to the fair market value of the assets of the corporation as of that date.

(e) Basis for All Other Cases. For the purpose of determining gain in the case of property acquired from and after the effective date of this chapter, and for the purpose of determining loss in the case of property, whenever acquired, the basis, unadjusted and adjusted, shall be determined in accordance with the provisions of subsection (f) of this section.

(f) Computation of Basis. The basis, unadjusted and adjusted, for determining gain or loss shall be computed in accordance with the provisions of section 113 of the internal revenue code.

Sec. 13. Gross Income—Inventories. Whenever in the opinion of the tax commission the use of inventories is necessary in order clearly to determine the income of any taxpayer, inventories shall be taken by such taxpayer upon such basis as the tax commission may prescribe as conforming as nearly as may be to the best accounting practice in the trade or business and as most clearly reflecting income. Any method prescribed or permitted under the internal revenue code and its administration shall be available under this chapter.
SEC. 14. GROSS INCOME—COMMODITY CREDIT LOANS. Amounts received as loans from the commodity credit corporation shall, at the election of the taxpayer, be considered as income and shall be included in gross income for the taxable year in which received. If a taxpayer exercises the election for any taxable year then the method of computing income so adopted shall be adhered to with respect to all subsequent taxable years unless with the approval of the tax commission a change to a different method is authorized.

SEC. 15. EXCLUSIONS FROM GROSS INCOME. The following items shall not be included in gross income and shall be exempt from taxation under this chapter:

(a) Life Insurance. The amounts received under a life insurance contract paid by reason of the death of the insured, whether in a single sum or otherwise (if such amounts are held by the insurer under an agreement to pay interest thereon, the interest payments shall be included in gross income);

(b) Annuities, Etc. Amounts received (other than amounts paid by reason of the death of the insured and interest payments on such amounts) under life insurance, endowment or annuity contracts, either during the term or at maturity or upon the surrender of the contract, equal to the total amount of premiums paid thereon. In the case of a transfer for a valuable consideration, by assignment or otherwise, of a life insurance, endowment or annuity contract or any interest therein, only the actual value of such consideration and the amount of the premiums and other sums subsequently paid by the transferee shall be excluded from gross income under this subdivision or subdivision (a) of this section;

(c) Gifts, Bequests, Devises and Inheritances. The value of property acquired by gift, bequest,

(d) **Interest.** To the extent only that the inclusion of such interest as a measure of the tax imposed by this chapter is prohibited by the Constitution of the United States or the state Constitution—

(1) Interest upon the obligations of the United States, its territories, possessions, and corporate instrumentalities, and

(e) **Income Exempt Under Treaty.** Income of any kind, to the extent required by any treaty obligation of the United States;

(f) **Improvements by Lessee on Lessor’s Property.** Income, other than rent, derived by a lessor of real property upon the termination of a lease, representing the value of such property attributable to buildings erected or other improvements made by the lessee;

(g) **Recovery of Bad Debts, Prior Taxes, and Delinquency Amounts.** Income attributable to the recovery during the taxable year of a bad debt, prior tax, or delinquency amount, to the extent of the amount of the recovery exclusion with respect to such debt, tax, or amount. For the purpose of this subsection the terms “bad debt,” “prior tax,” “delinquency amount,” and “recovery exclusion,” shall have the meaning attributed to such terms in paragraph (12) of section 22(b) of the internal revenue code;

(h) **Treasury Bills.** Gain derived from the sale or other disposition of treasury bills issued after June
30, 1930, to the extent only required by the laws of the United States.

Sec. 16. Deductions from gross income. In computing net income there shall be allowed as deductions: (a) In general. To the extent that such items are allowable as deductions under the designated provisions of the internal revenue code:

1. Expenses, as provided in section 23(a);
2. Interest, as provided in section 23(b);

3. Taxes paid upon or with respect to property, business, occupations or transactions the income from which is not taxable under this chapter;
(c) Capital losses. Losses from sales or exchanges of capital assets shall be allowed only to the extent provided in section 21 of this act, and in conformity with the provisions of paragraphs (2),

[91]

(d) **Wagering Losses.** Losses from wagering transactions to the extent of the gains from such transactions.

(f) **Dividends.** Any dividend received from any corporation taxable under this chapter shall be deductible, but only to the extent that the portion of said distributing corporation's net income represented by said dividend, constituted, or will constitute, the basis for a tax payable under this chapter.

(g) **Certain Distributions.** That proportion of the amounts paid or credited during a taxable year to its members or depositors by a savings and loan association, mutual savings bank or organization of like character operating on a mutual plan upon withdrawable shares, savings accounts or deposits, which the number of days in such taxable year bears to three hundred and sixty-five.

(gg) **Discriminatory Deductions.** If any deduction provided for in this section is finally adjudged discriminatory against a national banking association contrary to Title 12, section 548, United States Code, or is for any reason adjudged invalid, in that event the tax of the favored taxpayer shall be recomputed by the commission for each taxable year in question, as of the time of allowance of the deduction, by disallowing the deduction, and any difference between the amount of the tax as recomputed and the amount of the tax as originally computed shall be subject to the provisions hereof relating to original computations.
(h) **Allocation of Deductions.** The deductions allowed under subsections (a) to (e) inclusive, of this section shall be allowed only if, and to the extent that, they are connected with income arising from sources within the state and allocable to the state under the provisions of subsections (a), (b) and (c) of section 22 of this act. The proper apportionment and allocation of the deductions with respect to sources of income within and without the state shall be determined under rules and regulations to be prescribed by the tax commission.

**SEC. 17.** **Deductions—Losses From Wash Sales.** Any loss claimed to have been sustained from the sale or other disposition of stock or securities under the circumstances stated in section 118 of the internal revenue code shall be allowed only to the extent permitted under the terms of said section 118. The tax commission shall prescribe regulations conforming as nearly as may be with those prescribed under the federal law for the purpose of making this section effective.

**SEC. 18.** **Deductions—Basis.** (a) **Losses and Bad Debts.** The basis for determining the amount of deduction for losses sustained, to be allowed under section 16(a) (3), and for bad debts, to be allowed under section 16(a) (4), shall be the adjusted basis provided in section 12(f) for determining the loss from the sale or other disposition of property.

(b) **Depreciation.** The basis upon which exhaustion, wear and tear, and obsolescence are to be allowed in respect of any property shall be the adjusted basis provided in section 12(f) for the purpose of determining the gain upon the sale or other disposition of such property.

(c) **Depletion.** (1) The basis upon which depletion is to be allowed in respect of any property shall be the adjusted basis provided in section 12(f) for the purpose of determining the gain upon the
sale or other disposition of such property, except as provided in paragraph (2) of this subsection.

(2) To the extent permitted under the provisions of section 114(b)(2) of the internal revenue code and subject to the restrictions and limitations imposed under the provisions of the said section 114(b)(2), the tax commission may provide by regulation that the basis for depletion in the case of mines of the type prescribed in said section 114(b)(2) discovered by the taxpayer from and after the date when this chapter becomes effective, shall be the discovery value of such mines.

SEC. 19. DEDUCTIONS—RETURN OF TOTAL INCOME. A corporation shall receive the benefits of the deductions allowed to it under section 16 only by filing or causing to be filed with the tax commission an accurate and true return of its total income received from all sources, whether within or without the state.

SEC. 20. GROSS INCOME—ITEMS NOT DEDUCTIBLE. In computing net income under this chapter no deduction shall be allowable in respect of any item which, under the provisions of section 24 of the internal revenue code, is not allowed as a deduction for the purpose of computing net income under the said code.

SEC. 21. CAPITAL GAINS AND LOSSES. (a) Amount Taken Into Account. In the case of a taxpayer subject to the provisions of this chapter the entire amount of the gain or loss recognized upon the sale or exchange of a capital asset shall be taken into account in computing net capital gain, net capital loss, and net income.

(b) Internal Revenue Code Provisions Incorporated. For the purpose of this section, all of the provisions of subsections (a), (d)(1), (e)(1), (f), (g), (h), (i), (j), (k), (l), and (m) of section 117 of the internal revenue code shall apply, to the
extent that such provisions are not in conflict with the express provisions of this chapter, as though fully set forth herein.

SEC. 22. INCOME—ALLOCATION AND APPORTIONMENT. (a) Allocation—Property, Business and Personal Service. Interest, rents, royalties, gains, profits and income (less related deductions) received or derived in connection with property owned, or a trade or business carried on and compensation for personal services performed in the state of Washington shall be allocated to the state, and where received or derived in connection with property owned, or with a trade or business carried on or service performed without the state shall be allocated without the state.

(b) Allocation—Separate Accounting. Where the trade or business of a taxpayer is carried on both within and without the state the tax shall be computed upon such portion of the taxpayer's entire net income as is received or derived from sales wherever made of goods, wares and merchandise manufactured or originating in the state, and also from other business done or property located within the state. Such portion of the net income allocable to the state shall be determined by an allocation and separate accounting based upon the books of the taxpayer.

(c) Apportionment of Net Income. The state shall be apportioned all net income of domestic corporations with no places of business outside the state. In cases where the books of the taxpayer do not in the opinion of the tax commission clearly and accurately state all of the factors so as to reflect clearly and accurately the allocation of business done and income received or derived, to the state, then the tax shall be computed upon such proportion of the entire net income of such taxpayer as the sales, payroll, and value of tangible property located in the state on the last day of the taxable year bears
to sales, payroll, and value of tangible property within and without the state. In determining the fair market value of property situated without the state, the tax commission may accept the values as given in the taxpayer's books, if in its opinion, the same are reasonably correct, and the commission may also require the taxpayer to furnish under oath such other evidence of the fair market value of such property as it may find to be necessary. If, however, in the opinion of the tax commission the methods of allocation hereinabove provided do not clearly and accurately reflect the actual amount of the net income received or derived from any and every source in the state or from all property owned and every trade or business carried on in the state by the taxpayer, then the same shall be determined, allocated and apportioned under such rules and regulations, processes and formulae as the tax commission shall prescribe.

SEC. 23. ACCOUNTING PERIODS—GENERAL RULE. The net income shall be computed upon the basis of the taxpayer's annual accounting period (fiscal year or calendar year, as the case may be) in accordance with the method of accounting regularly employed in keeping the books of such taxpayer; but if no such method of accounting has been so employed, or if the method employed does not clearly reflect the income, the computation shall be made in accordance with such method as in the opinion of the tax commission does clearly reflect the income. If the taxpayer's annual accounting period is other than a fiscal year as defined in section 5, or if the taxpayer has no annual accounting period or does not keep books, the net income shall be computed on the basis of the calendar year. If the taxpayer makes a federal income tax return, its income shall be computed, for the purposes of this chapter, on the basis of the same
calendar or fiscal year as in such federal income tax return.

SEC. 24. PERIOD IN WHICH ITEMS OF GROSS INCOME INCLUDED. The taxable year in which the amount of any item of gross income shall be regarded as gross income for the purposes of this chapter shall be determined in accordance with the provisions of section 42 of the internal revenue code.

SEC. 25. ACCOUNTING PERIODS—DEDUCTIONS AND CREDITS. The taxable year in which any deduction or credit allowed under this chapter shall be taken shall be determined in accordance with the provisions of section 43 of the internal revenue code.

SEC. 26. ACCOUNTING PERIODS—INSTALLMENT BASIS. (a) Dealers in Personal Property. Under regulations prescribed by the commission, a corporation which regularly sells or otherwise disposes of personal property on the installment plan may return as income therefrom in any taxable year that proportion of the installment payments actually received in that year which the gross profit realized or to be realized when payment is completed, bears to the total contract price.

(b) Sales of Realty and Casual Sales of Personality. In the case (1) of a casual sale or other casual disposition of personal property (other than property of a kind which would properly be included in the inventory of a taxpayer if on hand at the close of the taxable year), for a price exceeding $1,000 or (2) of a sale or other disposition of real property, if in either case the initial payments do not exceed 30 per centum of the selling price, the income may, under regulations prescribed by the commission, be returned on the basis and in the manner above prescribed in this section. As used in this section the term "initial payments" means the payments received in cash or property other than evidences of
indebtedness of the purchaser during the taxable period in which the sale or other disposition is made.

(c) Change From Accrual to Installment Basis. If a taxpayer entitled to the benefits of subsection (a) elects for any taxable year to report its net income on the installment basis, then in computing its income for the year of change or any subsequent year, amounts actually received during any such year on account of sales or other dispositions of property made in any prior year shall not be excluded.

(d) Gain or Loss Upon Disposition of Installment Obligations. If an installment obligation is satisfied at other than its face value or distributed, transmitted, sold, or otherwise disposed of, gain or loss shall result to the extent of the difference between the basis of the obligation and (1) in the case of satisfaction at other than face value or a sale or exchange—the amount realized, or (2) in case of a distribution, transmission, or disposition otherwise than by sale or exchange—the fair market value of the obligation at the time of such distribution, transmission or disposition. Any gain or loss so resulting shall be considered as resulting from the sale or exchange of the property in respect of which the installment obligation was received. The basis of the obligation shall be the excess of the face value of the obligation over an amount equal to the income which would be returnable were the obligation satisfied in full. If an installment obligation is distributed by one corporation to another corporation in the course of a liquidation, and under section 112(b)(6) of the internal revenue code no gain or loss with respect to the receipt of such obligation is recognized in the case of the recipient corporation, then no gain or loss with respect to the distribution of such obligation shall be recognized in the case of the distributing corporation.
SEC. 27. ACCOUNTING PERIODS—CHANGE OF PERIOD. If a taxpayer changes its accounting period from fiscal year to calendar year, from calendar year to fiscal year, or from one fiscal year to another, the net income shall, with the approval of the tax commission, be computed on the basis of such new accounting period, subject to the provisions of section 28 of this act.

SEC. 28. ACCOUNTING PERIODS—LESS THAN TWELVE MONTHS. (a) Change of Accounting Period. If a taxpayer, with the approval of the tax commission, changes the basis of computing net income from fiscal year to calendar year, or from calendar year to fiscal year, or from one fiscal year to another fiscal year, separate returns shall be filed and income computed in the manner provided in subsections (a), (b) and (c) of section 47 of the internal revenue code and the regulations thereunder.

(b) Returns When Taxpayer Not in Existence for Twelve Months. In the case of a taxpayer not in existence during the whole of an annual accounting period ending on the last day of a month, or, if the taxpayer has no such annual accounting period or does not keep books, during the whole of a calendar year, the returns shall be made for the fractional part of the year during which the taxpayer was in existence.

SEC. 29. ACCOUNTING RECORDS. It shall be the duty of every taxpayer to keep and preserve, for a period of five years, such suitable records as may be necessary to determine the amount of tax for which it may be liable under the provisions of this chapter; and all books and records shall be open for examination at any time by the tax commission or its duly authorized agent. In case a taxpayer does not keep the necessary books and records within the state, it shall be sufficient if it produces within the state such books and records as shall be required by the tax
commission, or bears the cost of examination by an agent authorized or designated by the commission at the place where such books and records are kept. Any taxpayer who shall fail to comply with the requirements of this section shall be forever barred from questioning, in any court action or proceeding, the correctness of any assessment of taxes made by the tax commission and based upon any period for which such books and records have not been so kept and preserved.

Sec. 30. Accounting Methods—Allocation of Income and Deductions. In the case of two or more organizations, trades, or businesses (whether or not incorporated, whether or not organized in the state, and whether or not affiliated) owned or controlled directly or indirectly by the same interests, and one or more of such organizations, trades or businesses is or are required to file a tax return under this chapter, the commission may require each such reporting taxpayer to accompany its return with a return for the same period for each of such other organizations, trades or businesses, which last-mentioned return may be required to be as complete as that required under this chapter from a taxpayer taxable thereunder. Upon receipt of such returns (or without such returns if the same be not filed as provided by this section), the tax commission is authorized to distribute, apportion, or allocate gross income or deductions between or among such organizations, trades, or businesses, if it determines that such distribution, apportionment, or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any such organizations, trades, or businesses.

Sec. 31. Tax Additional. Taxes imposed by this chapter shall be in addition to any and all other licenses, taxes and excises levied or imposed by the state or any municipal subdivision thereof.
SEC. 32. LICENSE FEES—OFFSET. Against the tax computed in conformity with the provisions of this chapter, the taxpayer shall be entitled to an offset in the amount of current annual corporate license fees actually paid to the state during the income year for which the return is made.

SEC. 33. TAX RETURNS—CORPORATIONS AND BANKS. (a) In General. Every corporation subject to taxation under this chapter shall make a return, stating specifically the items of its gross income and the deductions and credits allowed by this chapter and such other information for the purpose of carrying out the provisions of this chapter as the tax commission may by regulations prescribe. The return shall be sworn to by the president, vice-president, or other principal officer and by the treasurer, assistant treasurer, or chief accounting officer. In cases where receivers, trustees in bankruptcy, or assignees are operating the property or business of corporations, such receivers, trustees, or assignees shall make returns for such corporations in the same manner and form as corporations are required to make returns. Any tax due on the basis of such returns made by receivers, trustees, or assignees shall be collected in the same manner as if collected from the corporations of whose business or property they have custody and control.

(b) Definition. As used in subsection (a) of this section, the word “corporation” includes banks, federal savings and loan associations, and national banking associations.

SEC. 34. RETURN FORMS—DUTY TO FILE. (a) On request, blank forms of return for income shall be supplied by the tax commission.

(b) It shall be the duty of the commission to obtain an income tax return from every taxpayer who is liable under the law to file such return; but this duty shall in no manner diminish the obligation of
the taxpayer to file a return without being called upon to do so.

**SEC. 35. RETURNS—TIME AND PLACE OF FILING.**

(a) **General Rule.** Returns made on the basis of the calendar year shall be filed with the tax commission on or before the fifteenth day of March following the close of the calendar year. Returns made on the basis of the fiscal year shall be filed with the tax commission on or before the fifteenth day of the third month following the close of the fiscal year.

(b) **Extension of Time.** The tax commission may grant a reasonable extension of time for filing returns whenever good cause therefor exists and shall keep a record of every such extension. No such extension shall be granted for more than six months. Extension of time for filing a return shall not extend the time for payment of the tax unless such an extension is also requested and granted under the provisions of section 38(c) of this chapter. If the time for filing the return and payment shall be extended, interest at the rate of six per cent per annum from the date when the return was originally required to be filed to the time of payment shall be added and paid.

**SEC. 36. RECORDS AND SPECIAL RETURNS.**

(a) **Records, Returns and Statements.** Every corporation liable to any tax imposed by this chapter shall keep such records, render under oath such statements, make such returns, and comply with such rules and regulations as the tax commission from time to time may prescribe. Whenever the commission judges it necessary it may require any corporation, by notice served upon it, to make a return, render under oath such statements, or keep such records as such commission deems sufficient to show whether or not such corporation is liable to tax under this chapter and the extent of such liability.
(b) Federal Income Tax Return. Any taxpayer upon request by the tax commission shall furnish to such commission a true and correct copy of its tax return or returns for a taxable year filed or to be filed with the collector of internal revenue pursuant to the requirements of the laws of the United States.

(c) Adjustment of Federal Tax Liability. Every taxpayer shall notify the tax commission in writing of any alteration in or modification of its federal income tax return and of any recomputation of tax or determination of deficiency (whether with or without assessment). A full statement of the facts shall accompany this notice, which shall be filed within twenty days after such modification, recomputation or determination of deficiency.

Sec. 37. Copies to Taxpayers. The tax commission, upon written request, shall furnish to the taxpayer a copy of its return upon payment of a fee of one dollar.

Sec. 38. Payment of Tax. (a) Time of Payment. The total amount of tax imposed by this chapter shall be paid on the fifteenth day of March following the close of the calendar year of, if the return should be made on the basis of the fiscal year, then on the fifteenth day of the third month following the close of the fiscal year.

(b) Installment Payments. If the total amount of tax shall be twenty-five dollars or more, the taxpayer may elect to pay the tax in two equal installments, in which case the first installment shall be paid on the date prescribed for the payment of the tax by the taxpayer, and the second installment shall be paid on the fifteenth day of the third month after such date. If any installment is not paid on or before the date fixed for its payment, the whole amount of the tax unpaid shall be paid upon notice and demand from the tax commission.
Extension of time. At the request of the taxpayer the tax commission may extend the time for payment by the taxpayer of the amount determined as the tax, for a period not to exceed six months from the date prescribed for the payment of the tax or an installment thereof. In such case the amount in respect to which the extension is granted together with interest thereon at the rate of six per cent per annum shall be paid on or before the date of the expiration of the period of the extension.

Advance Payment. A tax imposed by this chapter, or any installment thereof, may be paid, at the election of the taxpayer, prior to the date prescribed for its payment.

Fractional Parts of Cent. In the payment of any tax under this chapter a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

Tax Commission to Collect. The tax provided under this chapter shall be collected by the tax commission and the revenues derived therefrom shall be transmitted to the state treasurer and credited to the state general fund.

Receipts. The tax commission, upon written request, shall give to the corporation making payment of any tax collected under this chapter, a full written or printed receipt therefor.

The amount of tax payable under this chapter by any corporation for any fiscal year shall be reduced by a credit equal to fifty per cent of the amount of the business and occupation tax paid to this state by it with respect to such fiscal year.

SEC. 39. PAYMENT—TAXABLE YEAR CLOSED. (a) Tax in Jeopardy—Departure or Concealment. If the tax commission finds that a taxpayer designs quickly to remove its property from the state, or to conceal its property therein or to do any other act tending
to prejudice or to render wholly or partly ineffectual proceedings to collect the tax for the taxable year then last past or the taxable year current unless such proceedings be brought without delay, the commission shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the preceding taxable year, or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired, and such taxes shall thereupon become immediately due and payable. In any proceeding in court brought to enforce payment of taxes made due and payable by virtue of the provisions of this section, the finding of the commission made as herein provided, whether made after notice to the taxpayer or not, shall be for all purposes presumptive evidence of the taxpayer’s design.

(b) Tax in Jeopardy—Corporation in Liquidation. If the tax commission finds that the collection of the tax of a corporation for the current or last preceding taxable year will be jeopardized by the distribution of all or a portion of the assets of such corporation in the liquidation of the whole or any part of its capital stock, the tax commission shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the last preceding taxable year or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes

[ 105 ]
shall thereupon become immediately due and payable.

(c) Security for Payment. A taxpayer who is not in default in making any return or paying any tax to the state may furnish to the state, under regulations to be prescribed by the commission, security, approved by the commission, that it will duly make the return next thereafter required to be paid. The commission may approve and accept in like manner security for return and payment of taxes made due and payable by virtue of the provisions of this section, provided the taxpayer has paid in full all other taxes due to the state. If security is approved and accepted pursuant to the provisions of this subsection and such further or other security with respect of the tax or taxes covered thereby is given as the commission shall from time to time find necessary and require, payment of such taxes shall not be enforced by any proceedings under the provisions of this section prior to the expiration of the time otherwise allowed for paying such taxes.

(d) Addition to Tax. If taxpayer violates or attempts to violate this section there shall, in addition to all other penalties, be added as part of the tax twenty-five per cent of the total amount of the tax or deficiency in the tax, together with interest at the rate of one per cent a month from the time the tax became due.

Sec. 40. Administrative Provisions. All of the provisions of chapter 82.32, R.C.W., except sections 82.32.030, 82.32.040, and 82.32.270, shall have full force and application with respect to the tax imposed by this chapter.

[R.C.W. 82.32.030 was derived from Rem. Supp. 1941, § 8370-187 part (1st para.); R.C.W. 82.32.040 was derived from Rem. Supp. 1941, § 8370-187, part (2nd para.); R.C.W. 82.32.270 was derived from Rem. Supp. § 8370-203.]
SEC. 41. Sections 84.40.270 to 84.40.310, both inclusive, R.C.W., and uncodified sections 159 to 184, both inclusive, of chapter 180, Laws of 1935, are hereby repealed.

[R.C.W. 84.40.270 to 84.40.310 were derived from secs. 28 to 32 incl., ch. 130, L. 1925 Ex. Sess. (R.R.S. §§ 11151 to 11155 incl.).]

SEC. 42. VALIDITY AND CONSTITUTIONALITY—SAVED. If any title, section, subdivision of a section, paragraph, sentence, clause, or word of this act for any reason shall be adjudged invalid, such judgment shall not affect, impair or invalidate the remainder of this act but shall be confined in its operation to the title, section, subdivision of a section, paragraph, sentence, clause, or word of the act directly involved in the controversy in which such judgment shall have been rendered. If any tax imposed under this act shall be adjudged invalid as to any corporation, association or class of corporations or associations included within the scope of the general language of this act, such invalidity shall not affect the liability of any corporation, association, or class of corporations or associations as to which such tax has not been adjudged invalid. It is hereby expressly declared that had any section, subdivision of a section, paragraph, sentence, clause, word or any corporation, association, or class of corporations or associations as to which this act is declared invalid been eliminated from the act at the time the same was considered, the act would have nevertheless been enacted with such portions eliminated.

SEC. 43. There is hereby appropriated from the general fund, for the fiscal biennium ending March 31, 1953, for the tax commission, the sum of one hundred fifty thousand dollars, or so much thereof as shall be necessary to carry out the provisions of this chapter.

SEC. 44. The tax levied under this chapter is declared to be temporary, and all provisions of this
chapter shall terminate March 31, 1953, except that taxes accrued hereunder prior to that date may be enforced thereafter.

SEC. 45. This act is necessary for the support of the state government. The first two sections hereof shall take effect immediately and the remaining sections shall take effect May 1, 1951.

Passed the House April 4, 1951.
Passed the Senate April 3, 1951.
Approved by the Governor April 16, 1951, with the exception of certain items which are vetoed.

CHAPTER 11.
[S. B. 9.]

EXCISE TAXES UPON THE SALE OF REAL ESTATE.

An Act relating to the support of the common schools, providing for the levy by counties of excise taxes upon the sale of real estate for the support thereof; repealing sections 28.47.030 and 28.47.040, R.C.W.; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

SECTION 1. Whenever the boards of directors of more than a majority of the school districts in any county shall adopt resolutions declaring that a need exists for additional funds for the support of the schools, such resolution to be adopted after a public hearing after reasonable notice in each of the respective districts, and shall file the same with the board of county commissioners prior to the first day of May of any year, it shall be the duty of the board of county commissioners to pay to each school district during the ensuing year a sum equal to seventeen cents per day of attendance credit as determined pursuant to section 28.41.070, R.C.W., for the last completed school year prior to the first day of May
of any year. The year during which the payments herein required are to be made shall be from the first day of May to the last day of April, inclusive: Provided, That in the event a county, for a period of twelve months prior to the first day of May of any year, levies a tax of not less than one per cent on the sales of real estate in the county as permitted and provided for in this act and assigns the entire proceeds of one per cent or so much as necessary to make the above payment to the county school fund for distribution to the various school districts, there shall be no further liability upon the county for this purpose.

[R.C.W. 28.41.070 was derived from Rem. Supp. 1949, 4940-4, part (subsections a to i incl.).]

Sec. 2. The county commissioners of any county are authorized by ordinance to levy an excise tax upon sales of real estate not exceeding one per cent of the selling price. The rate of the levy shall be determined annually by the commissioners. The proceeds of the tax provided for in this act shall be placed in the county school fund and shall be used exclusively for the support of the common schools: Provided, That one-half of one per cent of the proceeds of the tax provided for herein may be placed in the current expense fund of the county.

Sec. 3. If the excise tax herein authorized shall be levied in any county for a period of twelve or any lesser number of months and it shall appear upon the first day of May of any year that such tax has not produced seventeen cents per day's attendance credit or such proportion thereof as such lesser number of months, or major fraction thereof, during which the tax was levied, bears to twelve, the deficit shall be certified by the board of county commissioners to the state superintendent of public instruction as a charge against the state school equalization fund for the schools of such county. The sum so certified shall
be paid to the county treasurer from the state school equalization fund and allotted to the school districts in the same manner as other money is distributed from the county school fund.

Sec. 4. Sections 28.47.030 and 28.47.040 of the Revised Code of Washington derived from section 5, subchapter 9, title 3, chapter 97 of the Laws of 1909, as last amended by section 1 of chapter 31 of the Laws of 1949, are hereby repealed.

Subject of tax.

"Seller." Sec. 6. As used in this act and in any ordinance enacted pursuant thereto, the term "seller," unless otherwise indicated by the context, shall mean any individual, receiver, assignee, trustee in bankruptcy, trust, estate, firm, co-partnership, joint venture, club, company, joint stock company, business trust, municipal corporation, quasi-municipal corporation, corporation, association, society, or any group of individuals acting as a unit, whether mutual, cooperative, fraternal, non-profit or otherwise; but it shall not include the United States or the state of Washington.

"Sale." Sec. 7. As so used, the term "sale" shall have its ordinary meaning and shall include any conveyance, grant, assignment, quit-claim, or transfer of the ownership of or title to real property or any estate or interest in real property for a valuable consideration, and any contract for such conveyance, grant, assignment, quit-claim, or transfer, and any lease with an option to purchase real property or any estate or interest in real property or other contract under which possession of the property is given to the purchaser, or any other person by his direction,
while title is retained by the vendor as security for the payment of the purchase price.

The terms shall not include a transfer by gift, devise, or inheritance, a transfer of any leasehold interest other than of the type mentioned above, a mortgage or other transfer of an interest in real property merely to secure a debt, nor a transfer in compliance with the terms of any lease or contract upon which the tax as imposed by this act has been paid, nor the sale of any grave or lot in an established cemetery.

Sec. 8. As so used, the term “selling price” shall mean the consideration, including money or anything of value, paid or delivered or contracted to be paid or delivered in return for the transfer of the real property or estate or interest in real property, and shall include the amount of any lien, mortgage, or other incumbrance, either given to secure the purchase price, or any part thereof, or remaining unpaid on such property at the time of sale.

Sec. 9. The tax herein provided for and any interest or penalties thereon shall be a specific lien upon each piece of real property sold from the time of sale until the tax shall have been paid, which lien may be enforced in the manner prescribed for the foreclosure of mortgages.

Sec. 10. The tax levied under this act shall be the obligation of the seller and the county treasurer may, at his option, enforce the obligation through an action of debt against the seller or he may proceed in the manner prescribed for the foreclosure of mortgages and resort to one course of enforcement shall not be an election not to pursue the other.

Sec. 11. The tax hereby imposed shall be paid to and collected by the county treasurer who shall cause a stamp evidencing satisfaction of the lien to be affixed to the conveyance prior to its recording.
A receipt issued by the county treasurer for the payment of the tax imposed under this act shall be evidence of the satisfaction of the lien imposed hereunder and may be recorded in the manner prescribed for recording satisfactions of mortgages.

Sec. 12. The board of county commissioners may provide the rate of interest to be levied against delinquent taxes provided for under this act and may prescribe the manner in which sales of real property shall be reported to the county treasurer and the tax paid thereon. The county commissioners may prescribe procedures supplementary to this act.

Sec. 13. This act is necessary for the immediate support of the state government and its existing public institutions and shall take effect immediately.

Passed the Senate April 3, 1951.
Passed the House April 3, 1951.
Approved by the Governor April 16, 1951.
