Passed the House March 9, 1957.
Passed the Senate March 12, 1957.
Approved by the Governor March 26, 1957, with the exception of sections 17, 18, and 19, which are vetoed.

Note: Excerpt of Governor's veto message reads as follows:
"Substitute House Bill No. 618 enables the Governor to establish an advisory commission of 7 members to aid in the administration of the Department of Institutions. Section 17 designates the Department of Institutions as the mental health authority of the state for the purpose of receiving and disbursing federal grants for mental health purposes. Section 18 would require the Director of Institutions to adopt personnel standards which would be required by the federal government if section 17 were to become law. Section 19 intended to make an appropriation for the commission established by Substitute House Bill No. 618. The legislature left the amount of the appropriation blank so as to render the same null and void.

"It has come to my attention that the State Health Department is at the present time successfully operating in certain counties community mental health programs. These programs have been conducted successfully and deserve to be carried on by the State Health Department, which operates such programs with federal funds. I do not wish to interfere with these well established community programs and therefore veto section 17. Section 18 is vetoed because it is no longer necessary to the main purpose of the bill after section 17 has been vetoed.

"For the reasons indicated sections 17, 18 and 19 of Substitute House Bill No. 618 are vetoed and the remainder of the bill is approved."
