All such revenue bonds authorized under the terms of this chapter may be issued and sold by the port district from time to time and in such amounts as is deemed necessary by the port commission to provide sufficient funds for the carrying out of all port district powers, and without limiting the generality thereof, shall include the following: Acquisition, construction, reconstruction, maintenance, repair, additions and operation of port properties and facilities, including in the cost thereof engineering, inspection, accounting, fiscal and legal expenses; the cost of issuance of bonds, including printing, engraving and advertising and other similar expenses; payment of interest on the outstanding bonds issued for any project during the period of actual construction and for six months after the completion thereof, and the proceeds of such bond issue are hereby made available for all such purposes.

SEC. 3. Section 4, chapter 59, Laws of 1957 and RCW 53.40.030 are each amended to read as follows:

The port commission shall determine the form, conditions, and denominations of all such bonds, the maturity date or dates which the bonds so sold shall bear, and the interest rate thereon, which shall not exceed six percent per year. It shall not be necessary that all bonds of the same authorized issue bear the same interest rate. Principal and interest of the bonds shall be payable at such place or places as may be fixed and determined by the port commission. The bonds may contain provisions for registration thereof as to principal only or as to both principal and interest. The bonds shall be issued in coupon form with interest payable at such time or times as may be determined by the port commis-
sion and in such amounts as it may prescribe. The port commission may provide for retirement of bonds issued under this chapter at any time or times prior to their maturity, and in such manner and upon the payment of such premiums as may be fixed and determined by resolution of the port commission.

SEC. 4. Section 4, chapter 122, Laws of 1949, as amended by section 5, chapter 59, Laws of 1957, and RCW 53.40.040 are each amended to read as follows:

Such fund or funds shall be drawn upon solely for the purpose of paying the principal and interest upon the bonds issued pursuant to this chapter.

The bonds shall be negotiable instruments within the provisions and intent of the negotiable instruments law of this state, even though they shall be payable solely from such special fund or funds, and the tax revenue of the port district may not be used to pay, secure, or guarantee the payment of the principal of and interest on such bonds. The bonds and the coupons attached thereto shall state upon their face that they are payable solely from such special fund or funds. If the port commission fails to set aside and pay into such fund or funds the payments provided for in such resolution, the holder
of any such bonds may bring suit to compel compliance with the provisions of the resolution.

SEC. 5. Section 3, chapter 122, Laws of 1949, as amended by section 6, chapter 59, Laws of 1957, and RCW 53.40.050 are each amended to read as follows:

Such bonds shall be sold in the manner and at such price as the port commission shall deem best, either at public or private sale.

The port commission may provide such covenants as it may deem necessary to secure the payment of the principal of and interest on such bonds and may but shall not be required to include covenants to create a reserve fund or account and to authorize the payment or deposit of certain moneys therein for the purpose of securing the payment of such principal and interest; to establish, maintain, and collect tariffs, rates, charges, fees, rentals, and
sales prices on facilities and services the income of which is pledged for the payment of such bonds, sufficient to pay or secure the payment of such principal and interest and to maintain an adequate coverage over annual debt service; and to make any and all other covenants not inconsistent with the provisions of this chapter which will increase the marketability of such bonds. The port commission may also provide that revenue bonds payable out of the same source or sources may later be issued on a parity with any revenue bonds being issued and sold. The provisions of this chapter and any resolution or resolutions providing for the authorization, issuance, and sale of such bonds shall constitute a contract with the holders of such bonds, and the provisions thereof shall be enforceable by any owner or holder of such bonds by mandamus or any appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction.

fixed amount of the gross revenue of the port district sufficient to pay such principal and interest as the same shall become due, and if deemed necessary to maintain adequate reserves therefor.

Such funding or refunding bonds shall be negotiable instruments within the provisions and intent of the negotiable instruments law of this state, and the tax revenue of the port district may not be used to pay, secure, or guarantee the payment of the principal of and interest on such bonds. The net interest cost to maturity on such funding or refunding bonds shall not exceed six percent per annum and the amount of any premium to be paid to effect the redemption of outstanding revenue warrants or bonds shall not be considered in determining such net interest cost.

The port district may exchange such funding or refunding bonds for the warrants, bonds, and coupons being funded or refunded, or it may sell such funding or refunding bonds in the manner and at such price as the port commission shall deem to be for the best interest of the district and its inhabitants, either at public or private sale.

The provisions of this chapter relating to the terms, conditions, covenants, issuance, and sale of revenue bonds shall be applicable to such funding or refunding bonds except as may be otherwise specifically provided in this section.

Sec. 8. There is added to chapter 53.40 RCW a new section to read as follows:

Port districts may also issue revenue warrants for the same purposes for which they may issue revenue bonds, and the provisions of this chapter relating to the terms, conditions, covenants, issuance, and sale of revenue bonds shall be applicable to such revenue warrants.
