"It has been called to my attention by the Washington State Bar Association and other agencies that the item quoted might be misinterpreted so that these public servants and benefactors as well as other members of their business firms might be prevented from presenting to the State Tax Commission and other state agencies, claims which are entirely proper and in the usual course of business and which are not conflicting in any manner whatsoever with the honorary positions occupied by these public servants. To avoid the possibility of such a misinterpretation of this subsection, and in order not to deprive this state of the services of these members at the present time and in the future, I have decided to veto this item.

"I am aware that subsection (9) of section 4 as amended by a hastily considered floor amendment is unintelligible. Its validity is questionable. However, in view of the laudable purpose of this bill, I deem it inadvisable to veto this subsection.

"For the reasons indicated I have vetoed subsection (3) of section 4. The remainder of the bill is approved."

ALBERT D. ROSELLINI,
Governor.
