CHAPTER 5.

[Initiative Measure No. 215.]

MARINE RECREATION LAND ACT.

An Act providing for the use of monies, derived from existing motor vehicle fuel taxes paid by purchasers of fuel used in watercraft and not reclaimed by them as presently allowed by law, for the acquisition or improvement of land on fresh or salt water for marine recreational purposes. The act provides methods for determining the proportion of motor vehicle fuel tax paid for marine fuel, and it provides for distributing the unreclaimed monies one-half to the state and one-half to local government units. The act also creates a committee for outdoor recreation and makes appropriations.

Be it enacted by the People of the State of Washington:

SECTION 1. Washington is uniquely endowed with fresh and salt waters rich in scenic and recreational value. This outdoor heritage enriches the lives of citizens, attracts new residents and businesses to the state, and is a major support of its expanding tourist industry. Rising population, increased income and leisure time, and the rapid growth of boating and other water sports have greatly increased the demand for water related recreation, while waterfront land is rapidly rising in value and disappearing from public use. There is consequently an urgent need for the acquisition or improvement of waterfront land on fresh and salt water suitable for marine recreational use by Wash-
INGTON residents and visitors. To meet this need, it is necessary and proper that the portion of motor vehicle fuel taxes paid by boat owners and operators on fuel consumed in their watercraft and not reclaimed as presently provided by law should be expended for the acquisition or improvement of marine recreation land on the Pacific Ocean, Puget Sound, bays, lakes, rivers, reservoirs and other fresh and salt waters of the state.

SEC. 2. Definitions: As used in this act:
(a) "Marine recreation land" means any land with or without improvements which (1) provides access to, or in whole or in part borders on, fresh or salt water suitable for recreational use by watercraft, or (2) may be used to create, add to, or make more usable, bodies of water, waterways, or land, for recreational use by watercraft.
(b) "Public body" means any county, city, town, port district, park and recreation district, metropolitan park district, or other municipal corporation which is authorized to acquire or improve public outdoor recreation land.
(c) "Tax on marine fuel" means motor vehicle fuel tax which is (1) tax on fuel used in, or sold or distributed for use in, any watercraft, (2) refundable pursuant to chapter 82.36 RCW, and (3) paid to the director of licenses with respect to taxable sales, distributions, or uses occurring on or after the effective date of this act.
(d) "Watercraft" means any boat, vessel, or other craft used for navigation on or through water.
(e) "Committee" means the interagency committee for outdoor recreation.

SEC. 4. There is created the marine fuel tax refund account in the general fund. RCW 82.36.330 for claiming of refunds of tax on
marine fuel, the State of Washington shall succeed
to the right to such refunds. From time to time, but
at least once each biennium, the director of licenses,
after taking into account past and anticipated claims
for refunds from and deposits to the marine fuel tax
refund account and the costs of carrying out the
provisions of section 3, shall request the state treas-
urer to transfer to the outdoor recreation account
such of the monies in the marine fuel tax refund
account as shall not be required for payment of such
refund claims or costs, and the state treasurer shall
make such transfer.

Sec. 8. Monies transferred to the outdoor recrea-

shall be divided into two equal shares and shall be
used to benefit watercraft recreation in this state as
follows:

(a) One share by the state for (1) acquisition of
title to, or any interest or rights in, marine recrea-

finance (1) acquisition of title to, or any interests or
rights in, marine recreation land, or (2) capital im-

cent of the cost of the project. A public body is authorized to use a grant, together with its own contribution, as matching funds in any case where federal or other funds are made available for purposes described in (1) or (2). The committee may prescribe further terms and conditions for the making of grants in order to carry out the purposes of this act.

SEC. 9. Not more than twenty percent of the monies transferred to the outdoor recreation account from the marine fuel tax refund account shall be used for capital improvement of marine recreation land.

SEC. 10. Marine recreation land with respect to which money has been expended under section 8 of this act shall not, without the approval of the committee, be converted to uses other than those for which such expenditure was originally approved. The committee shall only approve any such conversion upon conditions which will assure the substitution of other marine recreation land of at least equal fair market value at the time of conversion and of as nearly as feasible equivalent usefulness and location.

SEC. 11. There is created the interagency committee for outdoor recreation consisting of the commissioner of public lands, the director of parks and recreation, the director of game, the director of fisheries, the director of highways, and the director of commerce and economic development, and, by appointment of the governor, five members from the public at large who have a demonstrated interest in and a general knowledge of outdoor recreation in the state. The terms of members appointed from the public at large shall commence on January 1 of the year of appointment and shall be for three years except in the case of appointments to fill vacancies.
which shall be for the remainder of the unexpired term; provided, the first such members shall be appointed for terms as follows: One member for one year, two members for two years, and two members for three years. The governor shall appoint one of the members from the public at large to serve as chairman of the committee for the duration of the member's term. The committee shall analyze all proposed plans and projects, and, except as provided in section 14, shall recommend to the governor for inclusion in the budget such projects as it may approve and find to be consistent with an orderly plan for the acquisition and improvement of outdoor recreation lands in the state.

Sec. 13. When requested by the committee, members employed by the state shall furnish assistance to the committee from their departments for the analysis and review of proposed plans and projects,
and such assistance shall be a proper charge against
the appropriations to the several agencies repre-
presented on the committee.

Sec. 14. There is appropriated to the committee
from the outdoor recreation account for the period
from the effective date of this act through June 30,
1967, the sum of $4,600,000, consisting of the follow-

act and chapter 12, Laws of 1963, Extraordinary
Session, the committee is authorized to allocate
funds from this appropriation for projects which it
approves and finds to be consistent with an orderly
plan for the acquisition and improvement of outdoor
recreation lands in the state. State agencies receiving
such allocations from the committee may disburse
funds for approved projects without further approp-
riation and the committee may disburse matching
grants to public bodies without further appropria-
tion.
Sec. 15. The 1967 and subsequent legislatures shall appropriate funds requested in the budget for state agencies from the outdoor recreation account directly to the state agencies which are to expend such funds, and shall appropriate funds requested in the budget for grants to public bodies from the outdoor recreation account to the committee for allocation and disbursement.

Sec. 16. For the period from the effective date of this act through June 30, 1967, there is appropriated to the director of licenses from the general fund the sum of $50,000 for the purpose of carrying out the provisions of section 3 of this act.
