The county auditor shall prepare from said lists a separate list of deceased persons for each city or town within the county, except cities of the first class, and mail the same to the city clerks thereof. The various city clerks and county auditors shall compare such lists with the registration records and cancel the registrations of deceased voters.

If as a result of the primary, two or more candidates so identified are nominated, then such descriptive identification as appeared on the primary ballot shall also appear on the general election ballot. The same provisions shall also apply to any election not preceded by a primary.

29.18.070 Duplication of, use of nonexistent or untrue names, as felony. A person is guilty of a felony who files a declaration of candidacy for any public office of:

(1) A nonexistent or fictitious person; or
(2) The name of any person not his true name; or
(3) A name similar to that of an incumbent seeking reelection to the same office with intent to confuse and mislead the electors by taking advantage of the public reputation of the incumbent; or
(4) A surname similar to one who has already filed for the same office, and whose political reputation is widely known, with intent to confuse and mislead the electors by capitalizing on the public reputation of the candidate who had previously filed.

29.18.080 Duplication of names—Conspiracy—Criminal and civil liability. Any person who with intent to mislead or confuse the electors conspires with another person who has a surname similar to an incumbent seeking reelection to the same office, or to an opponent for the same office whose political reputation has been well established, by persuading such other person to file for such office with no intention of being elected, but to defeat the incumbent or the well known opponent, shall be guilty of a felony. In addition thereto such person or persons shall be subject to a suit for civil damages the amount of which shall not exceed the salary which the injured person would have received had he been elected or reelected.

29.18.090 Duplication of, use of nonexistent or untrue names—Call for meeting to adjust. Any candidate who believes that the electors will be misled or confused by the candidacy of any person who has filed for the same office as provided in RCW 29.18.060 and 29.18.070, shall, not more than three days after the time for the
filings has expired, present in writing to the filing officer, the secretary of state, county auditor, or city clerk, as the case may be, a written request that a meeting of all the candidates for the same office whose names are the same or similar be held immediately for the purpose of eliminating the confusion. The written request shall state the objections of the candidate. The filing officer within two days following the receipt of such request shall mail a copy thereof to each candidate named in the request at the address set forth in the declaration of the candidate and shall notify each candidate to be present at a meeting to be held in his office on a day and hour certain to be stated in the notice, which hearing shall take place not more than five days after the receipt of such request.

29.18.100 Duplication of names—Conduct of meeting to adjust. At the meeting to be held by the filing officer, he shall hear all objections to candidates, names and designations of candidates and shall pass upon all matters which may come before him pertaining to the enforcement of RCW 29.18.060 through 29.18.100. If any candidate fails to respond to the notice of the meeting, or if the filing officer is satisfied that the candidate is a fictitious or nonexistent person or that the declaration of candidacy was not filed in the true name of the person, the candidacy of such person shall be canceled and shall not be printed on the ballot. The filing officer shall decide all objections according to the facts and his rulings shall be final, unless ordered otherwise by a court of competent jurisdiction.

29.18.110 Number of votes necessary to nominate. No candidate for a party nomination shall be the party nominee unless he receives a number of votes equal to at least ten percent of the highest number cast for any candidate of his party in the political subdivision in which he is a candidate.

Subject thereto, any person who receives a plurality of the votes cast for the candidates of his party for any office shall be his party's nominee for that office.

If there are two or more positions of the same kind to be filled and more candidates of a party receive a plurality of the votes cast for those positions than there are positions to be filled, the number of candidates equal to the number of positions to be filled who receive the highest number of votes shall be the nominees of their party for those positions.

29.18.120 Procedure at primary—General election laws apply. So far as applicable, the provisions in relation to the holding of elections, the solicitation of voters at the polls, the challenging of voters, the manner of conducting elections, of counting the ballots and making returns and canvass thereof, and all other kindred subjects, including the sale of intoxicating liquors during the hours
the polls are open, shall apply to all primaries and the election officers shall have the same powers for primary elections as they have for general elections.

29.18.140 Statement of expense of candidate. Every candidate for nomination at a primary election, shall, within ten days after the day of holding the primary election at which he is a candidate, file an itemized statement in writing, duly sworn to as to its correctness, with the officer with whom his declaration of candidacy or other nomination paper is filed, setting forth each sum of money and thing of value, or any consideration whatever, contributed, paid or promised by him, or anyone for him, with his knowledge or acquiescence, for the purpose of securing or influencing, or in any way affecting his nomination to said office. The statement shall set forth the sums paid as personal expenses, stating fully the nature, kind and character of the expense for which the sums were expended separately, and the persons to whom the sums were paid and the purposes for which such payments were made. In this statement all sums or other considerations promised and not paid shall be included. The statement, when so filed shall immediately be subject to the inspection and examination of any elector and shall be and become a part of the public records.

29.18.150 Vacancies on ticket—How filled—Correcting ballots and labels—Counting votes already cast for person named to vacancy, when. Should a place on a party ticket be vacant because no person filed for nomination as the candidate of that party, after the last day allowed for candidates to withdraw as provided by RCW 29.18.030, if the vacancy is for a state or county office to be voted on solely by the electors of a single county, the county central committee of the party may select and certify a candidate to fill the vacancy; if the vacancy is for any other office the state central committee of the party may select and certify a candidate to fill the vacancy; the certificate must set forth the cause of the vacancy, the name of the person nominated, the office for which he is nominated and other pertinent information required in an ordinary certificate of nomination and be filed in the proper office no later than the first Friday after the last day allowed for candidates to withdraw, together with the candidate's fee applicable to that office and a declaration of candidacy: Provided, That a vacancy caused by the death or disqualification of any nominee for a partisan office may be filled as set forth in this section at any time up to and including the day prior to the election.

Should such vacancy occur no later than the third Tuesday prior to the state general election concerned and the ballots and voting machine labels have been printed, it shall be mandatory that they

[ 809 ]
be corrected by the appropriate election officers. In making such correction, it shall not be necessary to reprint complete ballots if any other less expensive technique can be used and the resulting correction is reasonably clear.

Should such vacancy occur after the third Tuesday prior to said state general election and time does not exist in which to correct paper ballots (including absentee ballots) or voting machine labels, either in total or in part, then the votes cast or recorded for the person who has died or become disqualified shall be counted for the person who has been named to fill such vacancy.

When the secretary of state is the person with whom the certificate of nomination is filed he shall in certifying nominations to the various county officers insert the name of the persons nominated to fill a vacancy.

In the event that the secretary of state has already sent forth his certificate when the certificate of nomination to fill a vacancy is filed with him, he shall forthwith certify to the county auditors of the proper counties the name and place of residence of the person nominated to fill a vacancy, the office he is nominated for, the party he represents and all other pertinent facts pertaining to the vacancy.

29.18.200 Blanket primary authorized. All properly registered voters may vote for their choice at any primary election, for any candidate for each office, regardless of political affiliation and without a declaration of political faith or adherence on the part of the voter.

All names of candidates to be voted upon at city primary elections shall be printed upon the official primary ballot alphabetically in groups under the designation of the respective titles of the offices for which they are candidates. The name of the person who receives the greatest number of votes and of the person who receives the next greatest number of votes for each position, shall appear in that order on the municipal general election ballot under the designation for each respective office. In the event there are two or more offices to be filled for the same position, then names of candidates receiving the highest number of votes equal in number to twice the offices to be filled shall appear on the municipal general election ballot so that the voter shall have a
choice of two candidates for each position: Provided, That no name of any candidate shall appear on the city general election ballot unless said candidate shall receive at least ten percent of the total votes cast for that office. The sequence of names of candidates printed on the municipal general election ballot shall be in relation to the number of votes each candidate received at the primary. Names of candidates printed upon the municipal primary and general election ballot need not be rotated: Provided further, That no provision of this section in conflict with the primary election provisions contained in charters of cities of the first class shall be effective, except that all first class cities shall hold their primaries as provided in RCW 29.13.070.

29.21.015 When no city primary—Prerequisites—Procedure. No primary shall be held in any city if, after the last day allowed for candidates to withdraw, there are no more than two candidates filed for each position to be filled. In such event, the city clerk shall immediately notify all candidates concerned and if the county auditor has jurisdiction of such primary election, he shall also be notified. Names of candidates that would have been printed upon the city primary ballot, but for the provisions of this section, shall be printed upon the city general election ballot alphabetically in groups under the designation of the respective titles of the offices for which they are candidates.

29.21.017 City councilmen positions to be numbered as separate offices—Exception—Exclusive method of nominating and electing. Not less than ten days before the time for filing declarations of candidacy for councilmen in cities or towns operating under the mayor-council or council-manager form of government, except the position of councilman-at-large assigned a two year term in cities of the third class, the city clerk shall designate the positions to be filled by consecutive number, commencing with one. Said notice shall contain the proper party designations, the names and addresses of all persons who have filed a declaration of candidacy to be voted upon at that primary election, the hours during which the polls will be open, and that the election will be held in the regular polling place in each precinct, giving the address of each polling place: Provided, That the names of all candidates for nonpartisan offices shall be published separately with designation of the offices for which they
are candidates but without party designation. This shall be the only notice required for the holding of any primary election.

Questions to be submitted to the people of a county or municipality shall also be advertised as provided for nominees for office, and in such cases there shall also be printed on the ballot a concise statement not exceeding seventy-five words containing the essential features thereof expressed in such a manner as to clearly identify the proposition to be voted upon, which statement shall be prepared by the city attorney for the city, and by the prosecuting attorney for the county or any other political subdivision of the state, other than cities, situated in the county.

In addition to such a statement, the official preparing the statement, whether the attorney general, city attorney, or prosecuting attorney, as the case may be, shall also prepare a caption, not to exceed five words in length, to permit the voters readily to identify the proposition and distinguish it from other propositions on the ballot. This caption shall be placed on the ballot immediately before the statement, and shall be printed in heavy black type in such a manner as to be readable at a glance. The caption and statement together shall constitute the ballot title. The secretary of state shall certify to the county auditors the ballot title for a proposed consti-
tion, constitutional amendment or other state-wide question at the same time and in the same manner as the ballot titles to initiatives and referendums.

29.27.065 Notice of ballot title to persons proposing measure. If the persons filing any state or local question covered by RCW 29.27.060 are dissatisfied with the ballot title formulated by the attorney general, city attorney, or prosecuting attorney preparing the same, they may at any time within ten days from the time of the filing of the ballot title appeal to the superior court of Thurston county if it is a state-wide question, or to the superior court of the county where the question is to appear on the ballot, if it is a county or local question, by petition setting forth the measure, the ballot title objected to, their objections to the ballot title and praying for amendment thereof. The time of the filing of the ballot title, as used herein in determining the time for appeal, is the time the ballot title is first filed with the secretary of state, if concerning a state-wide question, or the county auditor, if a local question, the secretary of state or the county officer being herein called the “filing officer.”

A copy of the petition on appeal together with a notice that an appeal has been taken shall be served upon the filing officer and the official preparing the ballot title. Upon the filing of the petition on appeal, the court shall forthwith, or at the time to which a hearing may be adjourned by consent of the appellants, examine the proposed measure, the ballot title filed and the objections thereto and may hear arguments thereon, and shall as soon as possible render its decision and certify to and file with the filing officer such ballot title as it determines will meet the requirements of this chapter. The decision of the superior court shall be final, and the title so certified shall be the established ballot title. Such appeal shall be heard without cost to either party.

29.27.072 Notice of constitutional amendments—Publication in newspapers and on radio and television. The attorney general shall, by the first day of July preceding each general election, prepare the explanatory statements required in RCW 29.27.074. Such statements shall be prepared in clear and concise language and shall avoid the use of legal and other technical terms insofar as possible. Any person dissatisfied with the explanatory statement so prepared may at any time within ten days from the filing thereof in the office of the secretary of state appeal to the superior court of Thurston county by petition setting forth the constitutional amendment, the explanatory statement prepared by the attorney general, and his objection thereto and praying for the amendment thereof. A copy of the petition and a notice of such appeal shall be served on the secretary of state and the attorney general. The court shall, upon filing of the petition, examine the constitutional amendment, the explanatory statement, and the objections thereto and may hear argument thereon and shall, as soon as possible, render its decision and certify to and file with the secretary of state such explanatory statement as it determines will meet the requirements of RCW 29.27.072 through 29.27.076. of each polling place: PROVIDED, That the names of all candidates for nonpartisan offices shall be published separately with designation of the offices for which they are candidates but without party designation. This shall be the only notice required for a state, county, district or municipal general or special election and shall supersede the provisions of any and all other statutes, whether general or special in nature, having different requirements for the giving of notice of any general or special elections.

29.27.090 Preservation of nominating certificates. The secretary of state, county auditor of each county, and clerks of the several municipal corporations shall preserve all certificates of nomination filed in their respective offices for six months. All certificates shall be open to public inspection under proper regulations made by the officer with whom they are filed.

29.27.100 Certificates of election to officers elected in county or lesser constituency. Immediately after the ascertainment of the result of an election for an office to be filled by the voters of a single county, or of a precinct, or of a constituency within a county for which he serves as supervisor of elections, the county auditor shall notify the person elected, and upon his demand issue to him a certificate of his election.

The positions on a primary ballot shall be arranged substantially as follows: First, United States senator; next, congressional; next, judges of supreme court; next, judges of superior court; next, other state officers; next, legislative; next, county officers; next, precinct officers; next, justice of the peace; next, precinct committeemen. There shall be a blank space left following the list of names of candidates for each office for writing in the name of a candidate, if desired.

29.30.030 Primary ballots—Suggested model. The form of primary ballots shall be substantially as follows:

(FORM OF BALLOT)

PRIMARY ELECTION BALLOT

.................................................. County

To vote for a person make a cross in the square to the RIGHT of the name of the person for whom you desire to vote.

UNITED STATES SENATOR

| ADAMS, FRANK C. ........................................... Democrat □ |
| HADDOCK, R. A. ............................................. Republican □ |
| JOHNSON, OSCAR F. ........................................ Republican □ |

(and so on with the other officers in order.)
Where voting machines are legally used in any county, city, or other municipality, the ballot arrangement of candidates to be voted on at the primary shall be substantially in form with that heretofore set forth in this section, but may be varied so as to carry out the purposes required by use of voting machines.

29.30.040 Primary ballots—Rotating names of candidates. The names of candidates for each office upon primary ballots under the heading designating each official position upon the ballots to be used in voting, shall be first arranged in the order in which their declarations of candidacy were filed. In printing each set of ballots for the several counties, the positions of the names of candidates shall be changed in each office division as many times as there are candidates in the office division in which there are the most names. As nearly as possible an equal number of ballots shall be printed after each change. In making the changes of position, the printer shall take the line of type at the head of each office division and place it at the bottom of the division and shove up the column so that the name that before was second, shall be first, after the change. After the ballots are printed they shall be kept in separate piles, one pile for each change of position, and shall then be gathered by taking one from each pile; the intention being that every other ballot at the polls shall have the names in a different position.

29.30.050 Primary ballots—Numbering. After the ballots have been gathered as provided in RCW 29.30.040, they shall be numbered consecutively, said numbering to be perforated and torn off by the election officers on the voting of the ballot.

29.30.060 Primary ballots—Samples. On the fifteenth day before a primary election, the county auditor shall prepare at once a sample ballot which he shall post in a conspicuous place in his office for public inspection. Sample ballots shall be substantially in the same form as the official ballots but upon colored paper and the names of the candidates for each office shall be arranged thereon in the order in which their declarations of candidacy were filed and need not be alternated.

29.30.075 Primary ballots for absentee voters, date prepared. At least twenty-five days before any primary, each county auditor shall have prepared sufficient ballots for use by absentee voters.

29.30.080 General election ballots—Form. All general election ballots prepared under the provisions of this title shall conform to the following requirements:

1. Shall be of white and a good quality of paper, and the names shall be printed thereon in black ink.
(2) Every ballot shall contain the name of every candidate whose nomination for any office specified in the ballot has been filed according to the provisions of this title and no other names.

(3) All nominations of any party or group of petitioners shall be placed under the title of such party of petitioners as designated by them in their certificate of nomination or petition, and the name of each nominee shall be placed under the designation of the office for which he has been nominated.

(4) There shall be a □ at the right of the name of each of its nominees so that a voter may clearly indicate the candidate or the candidates for whom he wishes to cast his ballot. The square shall be one-fourth of an inch. The size of type for the designation of the office shall be nonpareil caps; that of the candidates not smaller than brevier or larger than small pica caps and shall be connected with squares by leaders.

(5) The list of candidates of the party whose candidate for president of the United States received the highest number of votes from the electors of this state in the preceding presidential election shall be placed in the first column of the left hand side of the ballot, the party whose candidates for presidential electors or candidates received the next highest number of votes from the electors of this state in the preceding presidential election the second column and of other parties in the order in which certificates of nomination have been filed.

(6) No candidate's name shall appear more than once upon the ballot: Provided, That any candidate who has been nominated by two or more political parties may, upon a written notice filed with the county auditor at least twenty days before the election is to be held, designate the political party under whose title he desires to have his name placed.

(7) Under the designation of the office if more than one candidate is to be voted for there shall be indicated the number of candidates to such office to be voted for at such election. In such cases the names of the candidates of the various parties for that office shall be staggered so that the names of no two candidates for that office shall appear opposite each other upon the same line in adjacent party columns.

(8) Upon each official ballot a perforated line one-half inch from the left hand edge of said ballot shall extend from the top of said ballot towards the bottom of the same two inches thence to the left hand edge of the ballot and upon the space thus formed there shall be no printing except the number of such ballot which shall be upon the back of such space in such position that it shall appear on the outside when the ballot is folded. The county auditor shall cause official ballots to be numbered consecutively beginning with number one, for each separate voting precinct.
(9) Official ballots for a given precinct shall not contain the names of nominees for justices of the peace and constables of any other precinct except in cases of municipalities where a number of precincts vote for the same nominee for justices of the peace and constables and in the latter case the ballots shall contain only the names to be voted for by the electors of such precinct. Each party column shall be two and five-eighths inches wide.

(10) If the election is in a year in which a president of the United States is to be elected, in spaces separated from the balance of the party tickets by a heavy black line, shall be the names and spaces for voting for candidates for president and vice president. The names of candidates for president and vice president for each political party shall be grouped together, each group enclosed in brackets with one three-eighths inch square to the right in which the voter indicates his choice.

(11) On the top of each of said ballots and extending across the party groups, there shall be printed instructions directing the voters how to mark the ballot before the same shall be deposited with the judges of election. Next after the instructions and before the party group shall be placed the questions of adopting constitutional amendments or any other question authorized by law to be submitted to the voters of such election. The arrangement of the ballot shall in general conform as nearly as possible to the form hereinafter given.

Instructions: If you desire to vote for any candidate, place X in \[ \square \] at the right of the name of such candidate.

(Here place any state or local questions to be voted on.)

### General election ballots—What names to appear

The names of the persons certified as the nominees resulting from a primary election by the state canvassing board or the county canvassing board shall be printed on the official ballot prepared for the ensuing election.

No name of any candidate whose nomination at a primary is required by law shall be placed upon the ballot unless it appears upon the certificate of either (1) the state canvassing board, or (2) the county canvassing board, or (3) a minor party convention, or (4) of the state or county central committee of a major political party to fill a vacancy on its ticket occasioned by any cause on account of which it is lawfully authorized so to do.

### Nominee at primary precluded from being candidate of another party at general

No person who has offered himself as a candidate for the nomination of one party at the primary shall have his name printed on the ballot of the succeeding general election as the candidate of another political party.
29.30.130 Expense of printing and distributing ballots. The printing of ballots and cards of instruction for electors and the delivery of the same to election officers shall be a charge against the county, city, town or other political subdivision by or for which the election is held.

29.33.015 Election defined. "Election" when used in this chapter shall include primaries, general and special elections except where the context indicates otherwise.

29.33.020 Authority for use—Applicability of statutes, city charters and ordinances. At all elections, ballots or votes may be cast, registered, recorded and counted by means of voting machines. The provisions of all statutes, charters and ordinances relating to elections and primaries shall apply to the use of voting machines in so far as they are consistent with the provisions of this chapter; in so far as they are inconsistent, they shall be of no force and effect in precincts where voting machines are used.

29.33.060 State voting machine committee—Employees authorized. The voting machine committee may employ not more than three expert machinists to assist it in examining machines. The machinists shall receive not more than ten dollars per day to be paid by the person or corporation who submits the machine for examination.

29.33.070 State voting machine committee—Reports on machines. Within thirty days after completing the examination of a voting machine, the voting machine committee shall make and file with the secretary of state its report thereon together with such description, drawings, and photographs as will clearly identify the machine examined and the mechanical operation thereof.

29.33.080 Reports on machines—Transmittal to local governmental units. Within ten days after receiving a report on a voting machine from the state voting machine committee, the secretary of state shall send a copy thereof to the board of county commissioners of each county, and to the governing body of every city, town, and district within the state. Only voting machines which have
the approval of the state voting machine committee may be used for conducting any election, but any change or improvement thereon that does not impair its accuracy, efficiency, or capacity may be made without the necessity of a reexamination or reapproval.

29.33.090 Requirements of voting machines for approval. No voting machine shall be approved by the state voting machine committee unless it is constructed so as to fulfill the following requirements:

(1) It shall secure to the voter secrecy in the act of voting;

(2) It shall provide facilities for voting for the candidates of as many political parties or organizations as may make nominations, and for or against as many measures as may be submitted;

(10) It shall be provided with a lock or locks by which all operation of the registering mechanism can be prevented as soon as the polls of the election are closed;

(11) It shall be provided with a protective counter whereby any operating or tampering with the machine before or after the election will be detected;

(12) It shall be provided with a counter which will show at all times during an election how many persons have voted;

(13) It shall be provided with a mechanical model, illustrating the manner of voting on the machine suitable for the instruction of voters;

(14) It shall be provided with one device for each party for voting for the presidential and vice presidential candidates of said party in the years in which said officers are elected.
29.33.100 Purchase of machines—Authority for. The governing body of any public corporation may adopt and provide for the use of voting machines approved by the state voting machine committee in any or all of the election precincts thereof.

29.33.110 Purchase of machines—Joint use and purchase authorized. In purchasing voting machines, the board of county commissioners of a county, and the governing body of one or more of the public corporations therein may enter into an agreement to provide for the joint purchase and subsequent ownership thereof and for the care, maintenance and use of the same.

29.33.120 Purchase of machines—Manner of payment. The governing body of a public corporation for the purpose of paying for voting machines may provide for the payment thereof in such manner as it may deem for its best interest, may issue or sell at not less than par negotiable obligations bearing interest at a rate not to exceed five percent per annum and may make their payment a charge upon the corporation or may pay for the same in cash out of its general or current expense fund or otherwise; and may contract for the purchase of such machines with regard to price, manner of purchase and time of payment as to it shall seem proper, and in estimating the amount of taxes for the general or current expense fund, if any, such amount shall be added, extending over such time as may be required to pay for such machines.

29.33.130 Custodians. The county auditor of a county, the city clerk, or proper officer of a district, in which voting machines are to be used shall cause them to be properly prepared therefor; and for that purpose shall employ for such time as is necessary one or more competent persons who shall be election officers known as the voting machine custodians. Voting machine custodians shall be sworn to perform their duties honestly and faithfully, and shall be paid for the time actually spent in the discharge of their duties. One custodian shall be employed for each twenty machines; if more than one is employed they shall be selected from the political parties entitled to representation on a board of election officers.

29.33.140 Chief custodian. The county auditor of a county, the clerk of a city or district, having two hundred voting machines or more, shall appoint a permanent employee who shall be a competent mechanic. He shall be known as the chief custodian of voting machines, shall be sworn to perform his duties honestly and faithfully, and shall furnish a corporate surety bond in the sum of five thousand dollars for the honest and faithful performance of his duties. His salary shall be set by the board of county commissioners, paid out of the current expense fund of the county or the general fund of the city or district, as the case may be.
The chief custodian of voting machines shall supervise the work of all other voting machine custodians, and shall instruct and supervise them and have general charge of the preparation and approval of voting machines for elections.

He shall also have charge of the instruction schools for election officials, and of the procuring and rental of all polling places in precincts where voting machines are to be used. He shall have continuous charge of the maintenance, upkeep and care of the voting machines in his jurisdiction.

29.33.150 Preparation of machine for use. In preparing a voting machine for an election, the custodian shall arrange the machine and labels therefor according to the printed directions furnished by the auditor or clerk so that it will in every particular meet the requirements for voting and counting at such elections, thoroughly test same, and certify thereto to the said auditor or clerk. A voting machine may be so arranged for an election that the names of candidates nominated independently may be placed in the same party row with those nominated by a major political party, if such placing does not prevent such independently nominated candidates from being voted for individually. It may also be so arranged that candidates nominated independently, or by political organizations which nominated but one candidate, are placed in the same party row and voted for individually; in which event the party voting device of the party row shall be locked against movement, and the political designation of each candidate shall be printed upon the ballot labels in connection with his name. The auditor or clerk shall direct the arrangement of all ballot labels on a voting machine in case of nonpartisan primaries and elections in cities of the first class operating under freeholders' charters, so that the arrangement of the names of candidates shall conform as nearly as practicable to the provisions for the arrangement of names on paper ballots. In all other cases of nonpartisan primaries and elections, and in all cases of party primaries and elections, the arrangement of names of candidates upon the ballot labels shall conform as nearly as practicable to the statutory provisions for the arrangement of names on paper ballots.

After being prepared for a primary or an election, each machine shall be examined by the auditor or clerk, and if it was prepared in accordance with law for use thereat, he shall file a certificate thereof in his office. The custodian shall cause all voting machines to be delivered to the polling places in charge of an authorized official who shall certify to their delivery in good order on the certificate furnished therefor. After such delivery the auditor or clerk shall provide proper protection therefor. The custodian shall provide a lantern or proper light for every machine, which light
shall be in good order and give sufficient light to enable voters while in the booth to read the ballot labels, and suitable for use by the election officers in examining the counters.

29.33.160 General provisions for use. General provisions with reference to use of voting machines are:

1. The list of offices and candidates and the statements of measures when properly arranged and affixed by ballot labels to a voting machine shall be deemed an official ballot.

2. A “diagram” as in this chapter defined shall be deemed a sample ballot.

3. The protective counter on a voting machine must be so constructed that it cannot be reset, altered, or operated except by operating the machine in the manner it is operated when actually voting.

4. Statements of canvass take the place of tally-keepers, statements, and returns provided for in connection with voting in precincts where voting machines are not used.

5. Not later than forty days before any primary or election, for the purpose of using one or more voting machines therein, the election authority may create, unite, combine or divide election precincts. More than one voting machine may be used in the same precinct. There shall be at least one machine in each precinct: Provided, That where precincts have been combined under the provisions of this chapter, there shall be used at such combined polling place a number of voting machines no less than the number of precincts so combined.

6. No voting machine shall be used at any election unless each party voting device thereon is locked against movement, and the machine has been prepared in such a way that the voter cannot by a single operation vote for all the candidates of one party.

29.33.170 Exhibiting specimen machines. Before each election at which voting machines are to be used the custodian shall place on public exhibition a suitable number of machines for the proper instruction of voters. Such machines shall be so arranged and so equipped with ballot labels as to best illustrate the method of voting at that election, and so far as practical shall contain the names of the offices to be filled, the names of the candidates to be voted for, together with their proper party designations, in case of party elections, and statements of the measures to be voted on.

29.33.180 Publication of diagrams. Not more than ten nor less than three days before each election at which voting machines are to be used the board or officer charged with the duty of providing ballots shall publish in newspapers representing at least two political parties a diagram of reduced size showing the face of the
voting machine after the official ballot labels are arranged thereon, together with illustrated instructions how to vote and a statement of the locations of voting machines which are on public exhibition. In lieu of publication thereof, the board or officer may send by mail or otherwise at least three days before the elections a printed copy of the diagram to each registered voter.

29.33.190 Printed matter and supplies. The board or officer charged with the duty of providing ballots shall provide for each voting machine for each election the following printed matter and supplies:

(1) Suitable printed or written directions to the custodian for testing and preparing the voting machines for the election;

(2) One certificate on which the custodian can certify that he has properly tested and prepared the voting machine for the election;

(3) One certificate on which some person other than the custodian can certify that the voting machine has been examined and found to have been properly prepared for the election;

(4) One certificate on which the party representatives can certify that they have witnessed the testing and preparation of the machines;

(5) One certificate on which the deliverer of the machines can certify that he has delivered the machines to the polling places in good order;

(6) One card stating the penalty for tampering with or injuring a voting machine;

(7) Two seals for sealing a voting machine;

(8) One envelope in which the keys to the voting machine can be sealed and delivered to the election officers, said envelope to have printed or written thereon the designation and location of the election precinct in which the machine is to be used, the number of the machine, the number shown on the protective counter thereof after the machine has been prepared for the election and the number or other designation on such seal as the machine is sealed with; said envelope to have attached to it a detachable receipt for the delivery of the keys to the voting machine to the inspector of election;

(9) One envelope in which the keys to the voting machine can be returned by the inspector of election;

(10) One card stating the name and telephone address of the custodian on the day of election;

(11) One statement of canvass on which the election officers can report the canvass of the votes as shown on the voting machine together with other necessary information relating to the election;

(12) Two diagrams;
(13) Five suitable printed instructions to the inspector of election;

(14) Three notices to inspectors and judges of election to attend the instruction meetings;

(15) Three certificates that the inspector and judges of an election have attended the instruction meeting, have received the necessary instruction, and are qualified to conduct the election with the machine;

(16) A sufficient number of paper ballots or extra diagrams for use in case it shall be impossible to make use of the voting machine in any such precinct or precincts;

(17) Three complete sets of the ballot labels; the ballot labels shall be printed in black ink on clear white material of such size and arrangements as to suit the construction of the machine. The titles of the offices on the ballot labels shall be printed in type as large as the space for such office will reasonably permit, and where more than one candidate can be voted for an office, there shall be printed below the office title the words “vote for any two,” or such number as the voter is lawfully entitled to vote for out of the whole number of candidates nominated.

The ballot labels for measures may contain a condensed statement of each measure to be voted on, accompanied by the words “Yes” and “No.”

29.33.200 Samples of printed matter provided for first elections. Within a proper and reasonable time before the first election at which voting machines are used, the secretary of state shall prepare samples of the printed matter and supplies to be used in connection with voting by voting machines. The samples must meet the requirements and suit the construction of the machine to be used. One sample of each piece of material must be furnished to the board or officer in charge of the election in each public corporation in which voting machines are to be used.

29.33.210 Precinct officers—Variation in number and character. If more than one machine is to be used in a precinct, one additional inspector of election shall be appointed for each additional machine. In any voting precinct where the number of registered voters is less than one hundred the election board may consist of one inspector, one judge and one clerk.

29.33.220 Precinct officers—Instruction in use of machines. Before each election at which voting machines are to be used, the custodian shall instruct all inspectors and judges of election who are to serve thereat in the use of the machine and their duties in connection therewith. He shall give to each inspector and judge who has received instruction and is fully qualified to conduct the elec-
tion with a machine a certificate to that effect. For the purpose of instruction, the custodian shall call such meetings of the inspectors and judges as may be necessary. Every inspector and judge shall attend the meetings and receive instruction in the proper conduct of the election with a machine. As compensation for the time spent in receiving instruction each inspector and judge who qualifies and serves in the election shall receive the sum of two dollars to be paid to him at the same time and in the same manner as compensation is paid him for his services on election day. No inspector or judge of election shall serve in any election at which a voting machine is used unless he has received the required instruction and is fully qualified to perform his duties in connection with the machine and has received a certificate to that effect from the custodian of the machines: Provided, That this shall not prevent the appointment of an inspector, or judge of election to fill a vacancy in an emergency.

29.33.230 Machines kept locked after election—Exceptions. Except for reopening to make a recanvass, the registering mechanism of each machine used in any primary or election shall remain locked and sealed against operation for thirty days following any state or county primary or election and for eight days following any primary or election held by a city or other constituency not greater than a county.

Chapter 29.36

ABSENTEE VOTING

29.36.010 When permissible—Application. Any duly registered voter may vote an absentee ballot for any primary or election in the manner provided in this chapter providing that one of the following conditions is applicable:

(1) The voter expects to be absent from his precinct during the polling hours on the day of the primary or election; or

(2) The voter is unable to appear in person at his polling place to cast a ballot because of illness or physical disability; or

(3) The voter, because of his religious tenets, cannot with clear conscience cast his ballot on the day of the primary or election.

A voter desiring to cast an absentee ballot must apply in writing to his county auditor or city clerk (if he lives in a city or town) no earlier than forty-five days nor later than the day prior to any election or primary.

Such application must contain the voter’s signature and may be made in person or by mail or messenger. If by mail or messenger, the registrar must honor a written application in any form if it states that the applicant cannot vote in person for any one of the
three reasons enumerated in this section: Provided, That no application for an absentee ballot shall be approved unless the voter's signature upon the certificate or application compares favorably with the voter's signature upon his permanent registration record.

29.36.020 Certificates. The certificate to be issued by a county or city registrar honoring a request for an absentee ballot shall state that:

(1) The registrar can identify the applicant by his signature;
(2) The applicant is a voter, registered and qualified to vote, giving the county or city or town and precinct in which he is qualified to vote and also his place of residence;
(3) The applicant has affixed his signature to the certificate in the place provided therefor in the presence of the registrar; or the registrar has identified the applicant from the signature on his written application.

The certificate must be made in duplicate. If the voter is making his application in person, he shall sign both copies of said certificate. If the voter is making application by mail, the original certificate shall be affixed to his application.

All original certificates, together with applications affixed thereto, must be delivered to the officer having jurisdiction of the election, or his duly authorized representative, before an absentee ballot can be issued.

The duplicate certificate shall be securely attached to the applicant's permanent registration card until after the election.

29.36.030 Issuance of ballots and other materials — Envelopes. Upon receipt of the certificate, either signed by the voter or attached to the voter's signed application, the officer having jurisdiction of the election, or his duly authorized representative, shall issue an absentee ballot for the election concerned.

In addition, if other elections, including special or general, are also being held on the same day and it can be determined that the absentee voter is qualified to vote at such elections, such additional absentee ballots shall be automatically issued to the end that, whenever possible, each absentee voter receives the ballots for all elections he would have received if he had been able to vote in person.

The election officer, or his duly authorized representative, shall include the following additional items when issuing an absentee ballot:

(1) Instructions for voting.
(2) A size #9 envelope, capable of being sealed and free of any identification marks, for the purpose of containing the voted absentee ballot.
(3) A size #10 envelope, capable of being sealed and pre-addressed to the issuing officer, for the purpose of returning the #9 envelope containing the marked absentee ballot.

Upon the left hand portion of the face of the larger envelope shall also be printed a blank statement in the following form:

State of ........................................      ss.

County of ........................................

I, .................................................................., do solemnly swear under the penalty as set forth in RCW 29.36.110 (see below), that I am a resident of and qualified voter in ........................................ precinct of ........................................ city in ........................................ county, Washington; that I have the legal right to vote at the election to be held in said precinct on the .................... day of .................... 19......: That I have not voted another ballot and have herein enclosed my ballot for such election.

(signed) ........................................................................

Penalty provision: Any person who violates any of the provisions, relating to swearing and voting, shall be guilty of a felony and shall be punished by imprisonment for not more than five years or a fine of not more than five thousand dollars, or by both such fine and imprisonment.

29.36.035 Qualifications to delivery of ballot. The delivery of an absentee ballot for any primary or election shall be subject to the following qualifications:

(1) Only the voter, himself, or a member of his family may pick up an absentee ballot at the office of the issuing officer.

(2) Except as noted in subsection (1) above, the issuing officer shall mail the absentee ballot directly to each applicant.

(3) No absentee ballot shall be issued on the day of the primary or election concerned.

29.36.040 Instructions for voting absentee ballot. Enclosed with the ballot, small envelope and large envelope sent to the absent voter shall be separate printed instructions which the absent voter must observe as follows:

"Upon receipt of this ballot you must mark it and transmit it in accordance with these instructions according to law:

(1) Having marked the ballot, fold it and enclose it in the smaller envelope, sealing the envelope.

(2) Fill out and sign the statement on the larger envelope.

(3) Place the small envelope containing the ballot in the larger one, seal that, attach sufficient first class postage and mail it so that it will be postmarked the day of election or sooner or instead
of mailing you may send it by any means which will enable it to reach the county auditor or other issuing officer on or before election day."

29.36.050 Prohibition against voting in home precinct. No voter to whose permanent registration card there is attached a duplicate of an absentee voter's certificate of registration for any election shall be allowed to vote at such election in the precinct from which he is registered.

29.36.060 How incoming absentee ballots are handled. The opening, counting and canvassing of absentee ballots cast at any primary or election, special or general, may begin on the day after such primary or election is held but must be completed on or before the tenth day following the primary or election: Provided, That when a state general election is held, the canvassing period shall be extended to and including the fifteenth day following such election.

This section shall supersede the provisions of any and all other statutes, whether general or special in nature, having different dates for counting and canvassing of absentee ballots.

The canvassing board or its duly authorized representatives shall examine the postmark, receipt mark and statement on the outer envelope containing the absentee ballot and verify that the voter's signature thereon is the same as that on the original application. The board then shall open each outer envelope postmarked or received (if not delivered by mail) not later than the primary or election day and upon which the statement has been executed according to law in such a way as not to mar the statement, and remove therefrom the inner envelope containing the ballot.

The inner envelopes shall be initialed by the canvassing board or its duly authorized representatives. The inner envelopes thus initialed must be filed by the county auditor under lock and key. The outer envelopes to which must be attached the corresponding original absentee voters' certificates shall be sealed securely in one package and shall be kept by the auditor for future use in case any question should arise as to the validity of the vote.

29.36.070 Canvassing absentee ballots. Upon the canvass of the votes, if there are on file one or more absentee ballot inner envelopes, the canvassing authority shall cause such envelopes to be opened and the ballots to be grouped and counted without regard as to precinct by legislative districts if the election is a state primary or state election, special or general.

These ballots shall be made a part of the returns and handled accordingly.
29.36.075 Uncontested offices—Ballots not to be tabulated—Voter credited with voting—Retention of uncounted ballots. Canvassing boards of any primary or election, including a state primary or state general election, shall not tabulate or record votes cast by absentee ballots on any uncontested office.

Each voter casting an absentee ballot not counted as provided in this section, nevertheless, shall be credited with voting on his permanent voting history record. Further, such uncounted absentee ballots shall be retained for the same length of time and in the same manner as paper ballots cast in person as provided by RCW 29.54.070.

29.36.077 Counting of uncounted ballots on candidate’s request. If the official canvass of any primary or election has been completed and the statutory time has elapsed in which to file a recount or contested election, should any candidate desire to have such uncounted absentee ballots counted which were cast on his position, such request shall be honored under the following conditions:

1. The request must be made in writing and filed within sixty days following such primary or election with the officer who conducted the election.

2. The count of such absentee ballots is to be done informally and at the convenience of the election officer concerned but in no event shall the count be delayed more than sixty days from the time the application is filed.

29.36.095 List of absentee voters. Precinct office not to appear on ballot. After the completion of the canvass of the election returns of any primary or election, the canvassing authority shall cause the names of the persons casting absentee ballots to be listed alphabetically and by precincts, according to incorporated and unincorporated areas. Such lists of absentee voters shall be sent to the appropriate registration officer who shall enter on the respective voters registration record in the space provided for that purpose, the month, day and year of the primary or election (for example 11/2/54): Provided, That no precinct office shall appear upon an absentee ballot.

29.36.100 Challenges. The vote of any absent voter may be challenged for any cause at the time the same is canvassed by the canvassing board which shall have all the power and authority given by law to officers of election to determine the legality of such ballot.

29.36.110 Violations and penalty. Any person who violates any of the provisions of this chapter, relating to swearing and voting,
shall be guilty of a felony and shall be punished by imprisonment for not more than five years or a fine of not more than five thousand dollars, or by both such fine and imprisonment.

(2) Members of the merchant marine of the United States, and their spouses and dependents.

(3) Civilian employees of the United States in all categories serving outside the territorial limits of the several states of the United States and the District of Columbia and their spouses and dependents when residing with or accompanying them, whether or not the employee is subject to the civil service laws and the Classification Act of 1949, and whether or not paid from funds appropriated by the congress.

(4) Members of religious groups or welfare agencies assisting members of the armed forces, who are officially attached to and serving with the armed forces, and their spouses and dependents.

The term "armed forces" means the uniformed services as defined in section 102 of the Career Compensation Act of 1949 (63 Stat. 804), as amended.

The term "members of the merchant marine of the United States" means persons (other than members of the armed forces) employed as officers or members of crews of vessels documented under the laws of the United States, and persons (other than members of the armed forces) enrolled with the United States for employment, or for training for employment, or maintained by the United States for emergency relief service, as officers or members of crews of any such vessels; but does not include persons so employed, or enrolled for such employment or for training for such employment, or maintained for such emergency relief service, on the Great Lakes or the inland waterways.

The term "dependent" means any person who is in fact a dependent.

29.39.020 "Primary," "primary election" defined. "Primary" or "primary election" means a method provided by statute for nominating candidates to office.
29.39.030 "Election" defined. "Election" used alone means a general election except where the context indicates that a special election is meant or included. "Election" used without qualification never means a primary. "Election" does not include a municipal election.

29.39.040 "Date of mailing the ballot" defined. "Date of mailing the ballot" means the date stated on the declaration on the larger envelope and not the date of the postal cancellation thereon.

29.39.060 Absentee voting under federal law to be valid. Whenever by any statute of the United States, provision is made for absentee voting, an application for an absent voter's ballot made under the provisions of that law may be given the same effect as an application for an absent voter's ballot made under this chapter.

29.39.070 Must coordinate with federal authority. All public officers having duties to perform under this chapter shall coordinate their efforts with the action of any federal authority now or hereafter established by act of congress for the purpose of facilitating voting by service voters to the end that such voters may cast their ballots with the least possible interference with the performance of their duties in the armed forces.

29.39.080 Name variations not to invalidate ballot. A variation on any absent voter's ballot cast by a service voter between the signature on the large envelope and that on the service voter's request and/or that on the voter's permanent registration card caused by the substitution of initials instead of the first or middle names or both shall not invalidate the ballot if the surname and handwriting are the same.

29.39.090 Application deemed to be for next election. Whenever an application for an absent voter's ballot is made by a service voter, the application shall be deemed an application for an absent voter's ballot for the primary and the election, or such of them as would be required to be held subsequent to the date of application.

29.39.100 Application for absent voter's ballot. Any service voter may secure an absent voter's ballot by mailing a signed request to the registration office of the county, city or town of the service voter's residence or to the secretary of state requesting such ballot. If the ballot request is addressed to the secretary of state such request shall be forwarded by such officer immediately to the appropriate registration officer. The request shall be signed by the appli-
cant and shall state his last home address, the address to which he wishes the absent voter's ballot mailed and the facts qualifying him as a service voter.

29.39.110 Action upon application. Upon receipt of a request made by or on behalf of a service voter for an absent voter's ballot, the registration officer shall immediately check his records and ascertain if the person by, or on whose behalf the request is made, is a duly registered voter as provided by chapter 29.07 RCW, and the registration officer shall make notation on his records to that effect. If such person is a resident of an incorporated city or precinct lying partly within and partly without such incorporated city, the registration officer, after completing such check, shall immediately forward the request to the county auditor noting thereon whether or not such person is a registered voter. If it is determined that such person is not a registered voter, the county auditor shall nevertheless send the absent voter's ballot requested, it being the intent of this section that the county auditor shall upon request send absent voter's ballots to all eligible service voters who make application therefor.

29.39.120 Mailing ballot to voter. In mailing absent voter's ballots to service voters, the county auditor shall send the ballot and a small envelope and letter of instructions together with a larger envelope addressed to the county auditor and upon which there shall be plainly printed a form in substantially the following language:

**29.39.140 Voter’s declaration deemed registration—Mailing of ballot by voter.** A properly executed declaration on the larger envelope is hereby declared to be a full and complete voter’s registration for the election for which it is submitted. After the declaration is fully executed the service voter shall proceed to mark the ballot; then fold it and enclose it in the smaller envelope, sealing that and enclosing it in the larger envelope which shall then be sealed and mailed to the county auditor whose name and address are printed thereon, by air mail, postage to be paid by the addressee, unless the laws of the United States provide for air mail transmission of such ballot without charge.

**29.39.150 Ballots and envelopes—Forms—Expense.** Notwithstanding any provision of law relating to the size and weight of the ballot or the envelopes in which absent voters’ ballots are sent for either the primary or election, the secretary of state may reduce the size and weight of the ballot. He shall furnish uniform envelopes and all forms other than ballots for use in connection with ballots for service voters, and shall reimburse the respective county auditors for expenses of mailing. Each county auditor shall, through the respective boards of county commissioners, present such expenses listed upon state voucher forms in duplicate. The secretary of state, after the approval of the vouchers, shall then present them to the state treasurer for payment.

**29.39.160 Instructions to voters—Preparation—Enclosure.** The secretary of state shall prepare letters of instructions to service voters and shall furnish them to all county auditors. The county auditors shall enclose one copy of such instructions with the ballot sent to all service voters.

All procedure governing the receipt and subsequent handling of absent voters' ballots shall be governed by the provisions of chapter 29.36 RCW, but the respective time limits within which some specific act on the part of the county auditors and canvassing boards is required to be done shall not apply to absent voters' ballots cast by service voters, it being the intent of this section that every facility shall be given to such absent voters' ballots cast by service voters so that such ballots shall be counted if possible.

29.39.180 Officials shall expedite service voting. The state canvassing board, all county canvassing boards and all county auditors and registration officials shall make no undue delay in performing any of the specific actions hereby imposed upon them. All ballots shall be printed as soon as possible after the same can be made up in order that there may be no delay in the forwarding of absent voters' ballots to service voters so as to afford ample time to all service voters for voting as herein provided.

(4) They shall see that the lantern or other means provided for giving light is in such condition that the voting machine is sufficiently lighted to enable voters to readily read the names on the ballot labels;

(5) They shall see that the ballot labels are in the proper places on the machine;

(6) They shall see whether the number or other designating mark on the seal sealing the machine, also the number registered on the protective counter agree with the number written on the envelope containing the keys. If they do not agree they shall at once notify the custodian and delay unlocking the machine, and opening the polls until he has reexamined the machine;

(7) If the numbers or marks on the envelope containing the keys and upon the machine do agree, they shall proceed to see whether the public counter and all the candidate and question counters register “000.” If any of the counters are found to register a number other than “000”, one of the judges shall at once notify the custodian who shall set such counter at “000;”

(8) Where voting machines equipped with printed election returns mechanism are used, they shall proceed to operate the mechanism provided to produce one imprinted “before election inspection sheet” showing whether the candidate and question counters register “000”. If said sheet has imprinted thereon any numbers below any candidate’s name or below any question’s designation other
than "000" one of the judges shall, after the polls close, under the scrutiny of the other members of the board of election officials, deduct that number from that candidate's or question's total in the space provided for on the return sheet.

After performing their duties as provided in this section, the election officers shall certify thereto in the appropriate places on the statement of canvass as provided thereon. When the polls are declared open, one of the election officers shall break the seal and unlock the machine for voting.

29.48.090 Duty to display flag. At all primaries and elections the flag of the United States shall be conspicuously displayed in front of each polling place.

29.48.100 Proclamation opening the polls. The precinct election board, before they commence receiving ballots, shall cause it to be proclaimed aloud at the place of voting that the polls are now open.

Chapter 29.51

POLLING PLACE REGULATIONS DURING VOTING HOURS

29.51.010 Preventing interference with balloting. No person other than voters engaged in receiving, preparing, or depositing their ballots or a person present for the purpose of challenging a voter about to receive his ballot shall be permitted within the rail.

In the case of small precincts where compartments are not required, no person engaged in preparing his ballot shall be interfered with in any way except by some person authorized to assist him in preparing his ballot.

29.51.020 Electioneering within the polls forbidden—Prohibited practices as to ballots—Penalty. No person shall do any electioneering, or circulate cards or handbills of any kind, or solicit signatures to any kind of petition on primary or election day within any polling place, or any building in which an election is being held, or within one hundred feet thereof, nor obstruct the doors or entries thereto, or prevent free ingress to and egress from said building. Any election officer, sheriff, constable, or other peace officer shall have power to and shall clear the passageway and prevent such obstruction, and arrest any person creating such obstruction.

No person shall remove any ballot from the polling place before the closing of the polls; nor shall any person solicit the elector to show his ballot; nor shall any person except a judge of election receive from any elector a ballot prepared for voting; nor shall any person other than such inspector or judges of election deliver a ballot to such elector. Whoever violates any provision of this
section shall be guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding one hundred dollars, and adjudged to pay the costs of prosecution.

29.51.030 Electioneering by election officers forbidden—Penalty. Any election officer who does any electioneering on primary or election day, shall be guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding one hundred dollars and pay the costs of prosecution.

29.51.040 Preservation of order. For the preservation of order, a precinct election board may enforce a fine not exceeding ten dollars on any person who conducts himself in a disorderly manner at the polls and persists therein after being warned of the consequences.

Upon his refusal to pay, the board may commit him to the county jail for any time not exceeding twenty-four hours or until the fine is paid.

All constables, sheriffs and other peace officers shall execute the order of the board, and if none is present at the time, the board may appoint special constables to execute the order.

29.51.050 Request and delivery of ballot to voter. A voter desiring to vote shall give his name to one of the election officers, who shall then in an audible tone announce it. A challenge may then be interposed. If no challenge is interposed or if it is overruled, the voter shall be given a ballot or permitted to enter a voting machine booth as the case may be. If a ballot is given the number thereof must be called to the clerks of election.

29.51.060 Signing the poll book—Comparison of signature. If any person appears and offers or demands the right, to vote at any primary or election, as a registered voter in the precinct where the primary or election is held, the election officers shall require him to sign his name in one of the official poll books, which shall be designated the voter's signature copy, and shall compare such signature with the signature upon the registration card of the person registered under the same name. If the election officers, or a majority of them, upon comparing the signatures are satisfied that the person offering to vote is the identical person registered, they shall permit him to vote: Provided, That if the person registered signed his registration card with a cross or mark, identified by the signature of some other person, the election officers must require the person offering to vote to be identified by the person who signed the registration card, or by a registered voter of the precinct. Unless the identifying witness is personally known to the election officers, or to some of them, they may require the identifying
witness to sign his name in the presence of the election officers for the purpose of identification.

29.51.070 Entry on registration card. At every primary and election whereat only registered voters may vote, as each voter casts his vote, and, where voting machines are used, before each voter enters the voting machine booth, each clerk shall insert in his list of voters, opposite the voter's name, the letter "V" and the number of his vote or ballot and the inspector or one of the judges shall enter on the voter's registration card, in the space provided for that purpose, the month, day and year of the primary or election (for example 11/4/30), which entry may be with pen and ink or by a stamp provided for that purpose.

29.51.080 Transcribing name on poll book when registration not a prerequisite. At primaries or elections where registration is not a prerequisite the clerks of election shall transcribe the names of the voters in the poll books and enter against each name the number of the ballot delivered to that voter.

29.51.090 Marking ballot at primaries. At primaries, the voter, upon receiving his ballot, without leaving the polling place shall enter a compartment alone and there designate his choice on his ballot by making a cross in each of the small squares nearest the names of the candidates for whom he desires to vote and shall not vote for more candidates for an office than there are positions to be filled by the election following the primary as indicated on the ballot "vote for one" (or whatever number may be indicated). Having marked his ballot, he shall fold it so that the number appears upon the outside and its face is concealed and deliver it to the inspector of election.

29.51.100 Marking ballot at final election. On receipt of his ballot in an election the elector shall forthwith and without leaving the polling place retire alone to one of the places, booths, or apartments provided to prepare his ballot. Each elector shall prepare his ballot by marking a cross "X" after the name of every person or candidate for whom he wishes to vote.

In case of a ballot containing a constitutional amendment or other question to be submitted to the vote of the people the voter shall mark a cross "X" after the question, for or against the amendment or proposition, as the case may be. Any elector may write in the blank spaces, or paste over any other name, the name of any person for whom he may wish to vote. Before leaving the booth or compartment the elector shall fold his ballot in such manner that the number of the ballot shall appear on the outside thereof, without displaying the marks on the face thereof, and deliver it to the inspector of election.
29.51.110 Redelivery of ballot after voting. Upon delivery of each ballot after being marked and folded by a voter, the inspector in an audible tone shall repeat the name of the voter and the number of the ballot. The election clerks having in charge the registration cards and poll books, or either, if they find that the number marked opposite the voter's name thereon corresponds with the number of the ballot handed to the inspector, shall mark the word "voted" opposite the name of such voter and one of the clerks shall call back in an audible tone the name of the voter and the number of his ballot. The inspector shall then separate the slip containing the number of the ballot from the ballot and shall deposit the ballot in the ballot box. The numbers removed from the ballots shall be destroyed immediately.

29.51.120 Record of voters having voted. The name of each voter whose ballot has been marked, folded and delivered to the inspector shall be immediately entered by each clerk in the column of his poll list headed "Names of voters," numbering each name in the additional column as it is taken down, so that it may be seen at any time whether the two lists agree.

29.51.125 Determination of who has and who has not voted. Each major political party, at any general election, may assign any one of its precinct election officers at each polling place to check a list of registered voters of the precinct so that they may determine who has and who has not voted: Provided, That such lists shall be furnished by the major political parties concerned.

29.51.130 Voting machine—Help in use. If voting machines are being used, the election officers shall inform the voter as clearly as possible how to operate the machine and illustrate its use upon the model, calling his attention to the diagram. If after entering the booth, any voter asks for information regarding its operation, the election officers must give him the necessary information.

29.51.140 Voting machine—When all voters do not vote on all offices. Whenever a voter enters the booth who has the right to vote only on certain offices and measures, an election officer shall adjust the machine so that he can vote on such offices and measures and no others.

29.51.150 Voting machine—Periodic examination. The election officers shall occasionally examine the face of the machine and the ballot labels to determine whether they have been injured or tampered with.

29.51.160 Voting machine—Out of order. If a voting machine installed in an election precinct becomes inoperative in any part-
ticular, the inspector or a judge shall give immediate notice to
the custodian who must repair the machine or substitute another
machine. If a substituted machine is used, the records of that and
the machine for which it was substituted must be added in ascer-
taining the results of the primary or election.

If the defective machine cannot be repaired or no effective
machine can be substituted immediately a ballot box must be furn-
nished and the officers of election shall use diagrams of the machine
if available or the regular printed ballots furnished precincts
where machines are not used and count them with the votes regis-
tered on the voting machine and the result declared as though a
voting machine had been used throughout the primary or election.
Any marking of the diagrams or ballots by the voters which clearly
indicates their intention shall be sufficient. The diagrams or ballots
thus voted must be preserved and returned to the county election
officer with a certificate setting forth how and why the same came
to be voted.

29.51.170 Using stickers. At any election or primary, any voter
may write in on the ballot or paste thereto the name of any person
for whom he desires to vote for any office and such vote shall
be counted the same as if the name had been printed on the ballot
and marked by the voter: Provided, That no person who is nom-
inated at any primary election as a candidate for any public office
but who has not previously paid the regular filing fee shall have
his name printed on the official ballot for the general election unless,
within ten days after the official canvass of the primary vote, he
pays the same fee required by law to be paid by candidates for
filing a declaration of candidacy for the office for which he has been
nominated.

29.51.180 Taking papers into compartment or booth. Any voter
may take with him into the polling place any printed or written
memorandum or paper to assist him in marking or preparing his
ballot.

29.51.190 Vote only once—Spoiled ballots. No voter shall be
permitted to enter a voting machine booth or move the operating
lever more than once; or, if ballots are used, no ballots shall be
cast other than those printed by the respective county auditors or
other authorized election officials as provided by law, and no voter
shall be entitled to vote more than one ballot: Provided, That if a
voter spoils a ballot, he shall return it and get a new ballot; the
election officers shall immediately destroy the spoiled ballots re-
turned.
29.51.200 Physically disabled voters. The operation of voting shall be secret except to the extent necessary to assist physically disabled voters.

If any voter declares in the presence of the election officers that by reason of physical disability, he is unable to register or record his vote upon the machine, two election officers who must be of opposite political parties in case of partisan elections or primaries, shall enter the voting machine booth with him and register his vote for such candidates and for or against such measures as he may designate.

29.51.210 Blind voters. A blind person or one with such defective vision that he cannot see to mark his ballot and who is otherwise qualified to vote may designate his spouse or any near relative, who can see and is also a registered voter to mark his ballot: Provided, That the foregoing shall not prevent any such person from designating election officers for that purpose, as now provided by law, but no election officer shall prevent such person from exercising his choice as heretofore set forth.

29.51.215 — Penalty. Any person violating any provision of RCW 29.51.210 shall be punished as for a misdemeanor.

29.51.220 Time allowed each voter to vote. No voter shall remain within a voting machine booth longer than two minutes unless there are no other voters waiting to vote, nor in a compartment arranged for voting by ballot longer than five minutes unless there are no other voters waiting to vote. If he refuses to leave at the end of his allotted time, the precinct election officers may remove him by force.

29.51.230 Voters' “don'ts” and penalty. It shall be unlawful for a voter to:

(1) Show his ballot after it is marked to any person in such a way as to reveal the contents thereof or the name of any candidate for whom he has marked his vote;

(2) Receive a ballot from any person other than the election officer having charge of the ballots;

(3) Vote or offer to vote any ballot except one that he has received from the election officer having charge of the ballots;

(4) Place any mark upon his ballot by which it may afterward be identified as the one voted by him;

(5) Fail to return to the election officers any ballot he received from an election officer.

A violation of any provision of this section shall be a misdemeanor, punishable by a fine not exceeding one hundred dollars, plus costs of prosecution.
29.51.240 No adjournment until polls close. No adjournment or intermission whatever shall take place until the polls are closed and until all the votes cast at the polls have been counted and the result publicly announced.

29.51.250 Closing the polls. If at the hour of closing, there are any voters in the polling place who have not voted, the polls must be kept open after the hour for closing to enable them to do so, but this shall not include any voter who was not present at the exact time of closing.

29.51.260 Proclamation of closing. When the polls are closed, proclamation thereof shall be made at the place of voting and no votes shall be afterwards received.

Chapter 29.54

POLLING PLACE REGULATIONS DURING VOTING HOURS AND AFTER CLOSING

29.54.010 Destroying surplus ballots. The inspector and judges of election for each election precinct immediately upon the closing of the polls, and before the ballots are counted, shall destroy all unused ballots furnished for use at such precinct.

29.54.020 Removing ballots from box—Stringing. As soon as the polls are finally closed, the inspector and judges of election shall immediately open the ballot boxes at their polling place and proceed to take therefrom the ballots. Said officers shall count the number of ballots cast and shall then string them together. As soon as the inspector and judges have fastened together the ballots they shall take the tally sheets provided by the election officer, and shall count all the ballots until the count is completed. The tally sheets shall be so kept that the sheets shall show the number of votes received, the total votes cast for each candidate, and the total of all ballots cast.

29.54.030 Counting to be private—Party observers. The counting of ballots while the polls are open shall in all cases be conducted in private except that any recognized political party may appoint a duly accredited representative to witness the counting of ballots: Provided, That such representatives shall first sign an oath of secrecy and shall not leave the polling place during the polling hours. The ballots shall be examined carefully, one by one, by the inspector under the observation of one of the judges. The inspector shall read aloud the name of each person receiving a vote, the office for which every such person is voted for and the
vote for or against each proposition on the ballot. The other judge shall observe the tally of the votes as made by the clerks. One clerk shall tally the votes in the county auditor's copy of the poll book and the other clerk shall tally the votes in the inspector's copy of the poll book. Upon agreement, the inspector and two judges may rotate their duties from time to time.

29.54.035 Divulging ballot count—Penalty. No election officer or any other person authorized by law to be present while votes are being counted, shall divulge the result of the count of the ballots at any time prior to the closing of the polls. Violation of this section is punishable, upon conviction, by a fine of not less than one hundred dollars nor more than five hundred dollars or imprisonment in the county jail not less than three nor more than six months, or by both such fine and imprisonment.

29.54.040 Count continuous—Clerks to keep tally. Each clerk shall write down each office to be filled, and the name of each person voted for such office, and shall keep the number of votes by tally, as they are read aloud by the inspector or judge. The ballot box shall not be removed from the polls nor shall the counting of the votes be discontinued until all are counted.

29.54.045 Procedure when two sets of inspectors and judges appointed. When two sets of inspectors and judges have been appointed as provided in RCW 29.45.050 the following procedure shall apply:

1) The set designated as the counting board shall commence tabulation at 4:00 p.m. of the day of any state primary or general election: Provided, That on the day of a presidential state general election the starting hour shall be 2:00 p.m.

2) A second ballot box for receiving ballots shall be used, and the first ballot box shall be closed and delivered to the counting board: Provided, That there have been at least ten ballots cast. The counting board shall proceed to the place provided for them and at once count the votes. When counted they shall return the emptied ballot box to the inspector and judges conducting the election and the latter shall then deliver to the counting board the second ballot box, if there have been at least ten ballots cast, who shall then proceed as before. The counting of ballots and exchange of ballot boxes shall continue until the polls are closed after which the election board conducting the election shall conclude their duties and the counting board shall continue until all ballots are counted.

3) The election board conducting the election shall perform all of the duties as now provided by law except for the counting of the ballots, the posting and certification of the unofficial returns
and the delivery of the official returns, together with the election supplies to the county auditor.

(4) Suitable oaths of office for all precinct election officials, when two sets of officials are employed, shall be prepared by the secretary of state as ex officio chief election officer.

(5) Other than as provided in this section, RCW 29.45.050, 29.45-060, 29.54.030 and 29.54.035, the procedure relating to elections shall remain the same.

29.54.050 Rejection of ballots or parts of ballots. Ballots must be rejected if:

(1) Two are found folded together;
(2) Marked so as to identify who the voter is;
(3) Printed other than by the respective county auditors or other authorized election officials as provided by law.

Those parts of ballots must not be counted which:

(1) Designate more persons for an office than are to be elected to that office;
(2) Are not marked with sufficient definiteness to determine the voter's choice or intention: Provided, That no ballot or part thereof shall be rejected for want of form or mistake in initials of names if the election board can determine to their satisfaction the person voted for and the office intended.

29.54.060 Questions on Legality of ballots—Preservation and return of all ballots. Whenever a question arises in the precinct election board as to the legality of a ballot or any part thereof, its action thereon together with a concise statement of the facts that gave rise to the objection must be indorsed upon the ballot and signed by a majority of the board. All ballots must be preserved whether rejected or counted in whole or in part and returned in the same manner as other ballots.

29.54.070 Sealing and return of counted ballots. After all the ballots have been counted, strung, and tallied it shall be the duty of the inspector to place them in a sealed envelope and write thereon, “Ballots of ____________________________ precinct, ____________________________ county, state of Washington, of election held this ____________________________ day of ____________________________, 19 _____,” and send said sealed envelope to the auditor of the county or other election official. The county auditor or other officer shall keep the sealed envelope containing said ballots unopened for the period of six months, to be used only as evidence in case or cases of contest when called for. At the end of that time he shall burn or make such disposition of said ballots, as he may deem expedient, in the presence of two other officers.
29.54.080 Certification of result and of returns. As soon as all the ballots have been counted two sets of the following papers shall be assembled:

1. One poll list;
2. One tally book or set of tally sheets, or one statement of canvass where voting machines are used;
3. One each of the duplicate oaths of the inspector, the judges and the clerks.

To each set of papers shall be attached a certificate signed by the inspector, the judges and the clerks designating, in the order in which they appear upon the sample ballots, each candidate, the number of votes he received, and the office for which he is a candidate. The number of votes in each case must be written in words and figures (for example five thousand four hundred and fifty-two—(5452)).

One set shall constitute the “returns” to be made to the canvassing board or official; the other set shall be retained by the inspector and preserved by him for at least six months.

29.54.090 Voting machine count—Method. At any election or primary where machines are used, as soon as the last voter has voted, the election officers shall lock and seal the machine, unlock and open the doors of the counter compartment, and canvass the votes registered on the counters therein and the votes recorded on or in the device or devices for voting for persons not nominated, and shall make two statements of canvass thereof in the following manner:

1. One election officer shall call the designating number and letter of each candidate’s counter in the order given on the statement of canvass, and another election officer shall repeat such number and letter as it is read, and announce the vote registered on such counter, which shall thereupon be entered in ink on each of the statements of canvass;
2. The canvass of each office shall be completed before proceeding to the next;
3. The vote on each question shall be canvassed in the same manner;
4. The votes cast on the irregular ballots and paper ballots shall then be canvassed;
5. All votes for persons or questions, the names or propositions of which appear on the ballot labels, must be cast on the proper counters therefor. All votes for persons or questions, whose names or propositions do not appear upon the ballot labels must be cast in the proper places or in the device for irregular ballots. Any votes not so cast shall not be counted, except in case of the use of paper ballots;
(6) In precincts where voting machines equipped with printed election returns mechanism are used, the original and duplicate originals of the printed returns sheet of the votes cast for questions and for candidates regularly nominated, or who have duly filed, together with the tabulation and inclusion of any votes written in on the paper roll for those not regularly nominated, or who have not filed, shall constitute the "election returns" and "statement of canvass" from each such precinct when properly certified by the board of election officials.

During the canvassing said printed return sheets shall be available for public inspection and opportunity shall be given any person lawfully present to examine the return sheets to ascertain the record of votes cast.

29.54.100 Voting machine count—Verification and certification. After completing and writing down the canvass of the votes cast, the election officers shall verify it by comparing the figures on the statement of canvass with the figures on the counters in the machine and the names recorded on a device for voting for persons not nominated. They shall then certify, in the appropriate place on each of the statements of canvass:

(1) The number of voters that voted at the election as shown by the poll-list and by the number registered on the public counter;
(2) The number registered on the protective counter; and
(3) The number or other designating marks on the seal with which the machine has been sealed.

29.54.110 Voting machine count—Public announcement. After completing and certifying to the statements of canvass, the inspector or a judge shall read therefrom in a distinct voice the name of each candidate, the designating number and letter of his counter as stated thereon, and the vote entered for each; also the vote for or against each question. One copy thereof shall then be placed in an envelope and sealed to become part of the returns. During the canvassing and announcing of the vote, the counter compartment shall remain open, and opportunity shall be given any person lawfully present to examine the counters to determine the correctness of the vote as announced: Provided, That where voting machines equipped with printed election returns mechanism are used, during the canvassing the printed returns sheets shall be available for public inspection and opportunity shall be given any person lawfully present to examine the returns sheets to ascertain the record of votes cast.

29.54.120 Voting machine count—Closing machines—Delivery of key. The counter compartment shall then be locked and all keys of the machine shall be delivered in a sealed envelope to the county auditor or other election officer.
29.54.130 Transmittal of returns—Penalty. The returns from each election precinct shall be transmitted to the county auditor or other election officer either by registered mail or in person by one of the judges or the inspector.

Failure to transmit the returns is a misdemeanor punishable by a fine of not less than five dollars nor more than fifteen dollars.

29.54.140 Duplicate copies of unofficial results—Posting—Transmittal. Following every primary and election, before adjourning, every precinct election board shall enter the unofficial results in duplicate upon sample ballots furnished for that purpose by the county auditor or other election officer. One copy shall be posted conspicuously on the outside of the polling place and the other transmitted to the county election officer.

Chapter 29.59

CHALLENGING

29.59.010 Right to challenge registered voter. Registration of a person as a voter shall be presumptive evidence of his right to vote at any primary or election, general or special, but any person's right to vote may be challenged at the polls and he may be required then and there to establish his right to vote: Provided, however, That challenges on grounds of residence alone, shall be offered at the office of the appropriate registration officer in the manner as provided in RCW 29.59.070.

29.59.020 Party challengers. Each of the recognized political parties may have one challenger at the polls of each voting precinct.

29.59.030 Who may challenge—Legal voter—Officials. Any person offering to vote may be challenged as unqualified by the inspector or either of the judges, or by any legal voter, and it shall in all cases be the duty of the inspector and each of the judges to challenge any person offering to vote whom they know or suspect to be not qualified as a voter.

29.59.040 Procedure upon challenge—Canvass of challenged vote. Whenever the right to vote of any person presenting himself as a voter at any polling place for any primary or election, general or special, has been challenged and the officers conducting the election at such polling place have refused to accept the vote of such person because of such challenge, or otherwise, a ballot shall be voted by such challenged person and placed in a sealed envelope. The sealed ballots of challenged voters shall be transmitted at the close of the election to the canvassing board or other authority charged by law with canvassing the returns of the particular elec-
tion. The board or such other authority shall upon request of the challenger, at the time the vote is canvassed, consider the case of each challenge and shall decide whether or not the ballot in each case shall be accepted or rejected: Provided, That should the challenger fail to make such request, the challenged ballot shall be accepted as valid and counted. The decision of the board or such other authority shall be final.

In precincts where voting machines are used, any person whose right to vote is properly challenged shall be furnished with a paper ballot, and such ballot, after said person has marked it, shall be sealed and disposed of as hereinabove provided.

29.59.050 Grounds for refusal. The right to vote shall be refused to any person whose right to vote has been challenged if:

(1) He refuses to take the oath to answer truly as to his qualifications as a voter;
(2) He fails to answer any and all pertinent questions relating to his qualifications;
(3) A majority of the precinct election board is satisfied that he is not a legal voter.

29.59.060 Infamous crime—Ground for challenge—Procedure. If the vote of any person is challenged, on the ground that he has been convicted of an infamous crime, by a court of competent jurisdiction and remains unpardoned or disfranchised he shall not be required to answer any questions respecting such alleged conviction. In the absence of any authenticated record of such fact, it may be competent for two disinterested witnesses, upon oath, to prove it.

29.59.070 Challenge for lack of residence—Procedure. Any voter may challenge the registration of any other voter on the grounds that the challenged voter does not physically reside and maintain an abode at the address as given on his permanent registration record. Such challenge shall be made in writing and shall be filed with the appropriate registration officer not later than sixty days prior to any primary or election, general or special. The registration officer shall by certified mail immediately notify the voter concerned that a challenge has been made.

Upon receipt of such notice, the challenged voter, should the allegation be correct, shall either transfer his registration or register anew, as the case may be, within thirty days. Should the challenged voter fail to register anew or transfer his registration or fail to respond to such notice within the prescribed thirty days, the registration officer shall cancel the registration record and so notify the voter concerned.
Should the challenged voter deny the allegation, he shall so notify in writing the registration officer who shall immediately notify the challenger and the challenged voter to appear at a meeting to be held in the registration office at a day and hour certain to be stated in the notice: Provided, That should the challenged voter be unable to appear in person he may file a reply by means of an affidavit stating therein under oath the reasons he believes his registration to be valid and should the challenger be unable to appear in person he may file a statement by means of affidavit stating therein under oath the reasons he believes the registration to be invalid.

The hearing shall take place at the time and place designated by the registration officer. In the event both the challenger and the challenged voter file affidavits instead of appearing in person, an evaluation of such affidavits by the registration officer shall constitute a hearing for the purposes of this section.

At the meeting to be held by the registration officer, he shall hear both parties according to the facts presented and his ruling shall be final, unless ordered otherwise by a court of competent jurisdiction. If the challenger fails to appear at the meeting or fails to file an affidavit, the registration in question shall remain in full effect. If the challenged voter fails to appear at the meeting or fails to file an affidavit, then the registration shall be canceled and the voter so notified: Provided, however, That only the voter who transfers his registration or registers on or after the fifty-ninth day prior to any primary or election, shall be subject to challenge on the grounds of residence alone at the polling place.

Chapter 29.62

CANVASSING THE RETURNS

29.62.010 Manner of canvassing election returns—Generally. Every official body or officer upon whom is imposed the duty of canvassing the returns of any primary or election shall:

(1) Prepare and certify a statement separately setting forth for each office the returns as to which it or he is required by law to canvass, and the vote each candidate received therefor;

(2) If required to canvass returns from a primary, prepare and certify a statement separately setting forth each office the returns as to which it or he is required by law to canvass, and the member of each political party participating therein who received the highest number of votes for each office: Provided, That if there is more than one position to be filled for the same office the number of candidates of each political party participating therein equaling the number
of positions to be filled who received the highest number of votes shall be listed as the nominees;

(3) If, at a partisan primary, two or more candidates of the same party are tied for the same office, determine the tie then and there by lot;

(4) If, at a nonpartisan or judicial primary, two or more candidates have received an equal number of votes and such number is barely sufficient for nomination, but as a consequence, the number of persons so nominated exceeds twice the number of positions to be filled, determine the tie then and there by lot so as to reduce the field of candidates to the proper number.

(5) After each election, prepare and certify a statement separately setting forth each office the returns as to which it or he is required by law to canvass, and the person who received the highest number of votes for each office: Provided, That if there is more than one position to be filled for the same office, the number of persons equaling the number of positions to be filled who receive the highest number of votes shall be listed as having been elected.

29.62.020 County canvassing board—Meeting to canvass returns. On the tenth day after each election or primary or as soon as he has received the returns from all the precincts included therein, the county auditor shall call a meeting of the county canvassing board at his office on a day and hour certain, for the purpose of canvassing the votes cast therein. The canvassing board shall consist of the county auditor, the chairman of the board of county commissioners and the prosecuting attorney.

29.62.030 Special canvass for county auditor. "I do solemnly swear that the primary (or election) returns of the several precincts included in the primary (or election) last held in ........................................................... (here name the county or any other governmental unit not larger than a county if the election was held for it) have been in no wise altered by additions or erasures and that they are the same as when they were deposited in my office,
so help me God.” This oath, the signature and certificate must be in writing and filed with the papers pertaining to the election;

(2) The county auditor with the assistance of the other members of the canvassing board shall proceed to count the vote of the precincts, precinct by precinct;

(3) Neither the tally books and sheets, the poll lists nor the certificate returned for any primary or election from any precinct shall be rejected for want of form or substance if it can be satisfactorily understood;

(4) File a certificate of their canvass signed by all the members with the county auditor;

(5) If there is a vacancy in the county canvassing board, the remaining members of the board shall choose one of the other county officers to act during the canvass;

(6) Failure to return the total votes counted, if they can be ascertained with reasonable certainty shall be a misdemeanor.

29.62.050 Recanvass of machine votes—Authorized—Procedure. Whenever the board authorized to canvass the returns finds, in its discretion, that there is an apparent discrepancy or an inconsistency in the primary or election returns such board may order that recanvass of the voting machines be made of all, or of any number less than all, of the precincts of the county, and said recanvass may, in the discretion of said board, be made as to all, or as to any number less than all, of the candidates or measures voted upon. In conducting such recanvass said board, or any duly authorized representative or employee of the board, may open the counter compartment of any voting machine without unlocking the machine against voting and recheck the vote cast thereon. If in the course of such recanvass the board determines that there is an error in the return of any precinct said board shall summon the inspector and judges of the precinct and the inspector and judges shall correct such error by making notation thereof in the poll book and shall initial such notation: Provided, That in the event that the election officials do not appear, or fail or refuse to make the correction as indicated, the canvassing board shall correct such error in the poll book and initial such correction.

29.62.060 Recanvass of machine votes—Notice—Representation—Relocking. Before recanvassing the votes cast on a voting machine, the canvassing board or officer shall give notice in writing to the custodian and to each political party participating in the primary or that nominated candidates for the election, of the time and place where the canvass is to be made, and may invite representatives of organizations or other persons involved or interested in any candidate or measure voted upon to be present at the time any such
recanvass or recount be made. Each political party may send two representatives to be present at the recanvass. After the recanvass shall have been made the voting machines shall be immediately reclosed and the counter compartments relocked.

29.62.070 Recanvass of machine vote—Procedure to test counting mechanism—Statement. If upon such recanvass, it should be found that the original canvass of the returns has been correctly made from the machine, and that the discrepancy still remains unaccounted for, the canvassing board, with the assistance of the custodian shall in the presence of such said inspector and judges of election and the authorized representatives of the several political parties or organizations who are attendant, make a record of the number or other designating mark on the seal, and the number on the protective counter and unlock the voting and counting mechanism of said machine and proceed to thoroughly examine and test the machine to determine and reveal the true cause or causes, if any, of the discrepancy in the returns from said machine. Before being tested the counter shall be set at “000,” after which each counter shall be operated at least one hundred times. After the completion of said examination and test, the custodian shall then and there prepare a statement in writing giving in detail the result thereof and said statement shall be witnessed by the persons present and shall be filed with the county auditor or other election officer.

29.62.080 Tie votes in final election. If the requisite number of any federal, state, county, city, district, or precinct officers shall not be elected by reason of two or more persons having an equal and highest number of votes for one and the same office, the official empowered by state law to issue the original certificate of election shall give notice to the several persons so having the highest and equal number of votes to attend at the appropriate office at the time to be appointed by said official, who shall then and there proceed publicly to decide by lot which of the persons so having an equal number of votes shall be declared duly elected, and the said official shall make out and deliver to the person thus duly declared elected a certificate of his election as hereinbefore provided.

29.62.090 Abstract of votes by auditor—Transmittal to secretary of state. Immediately after the results of an election or primary in his county are ascertained the county auditor shall make an abstract of all the votes cast in his county at such election for county officers, state officers, national officers and officers elected by districts, on blanks furnished by the secretary of state, and transmit to the secretary of state by registered mail a certified copy thereof.

29.62.100 State canvassing board—Primary returns—State offices, etc. The state canvassing board shall consist of the secretary
of state, the state treasurer and the state auditor. It shall canvass the returns of all primary elections as to candidates for state offices, United States senators and representatives in congress and all other candidates whose district extends beyond the limits of a single county.

29.62.110 State canvassing board—Meeting—Certificate. The state canvassing board shall meet at the office of the secretary of state as soon as possible but in any event not later than the third Tuesday next succeeding a primary election the returns of which they are required by law to canvass, and proceed to canvass the returns.

29.62.130 Canvass of vote on statewide measures. The votes on proposed amendments to the state Constitution, recommendations for the calling of constitutional conventions and other questions submitted to the people shall be counted, canvassed and returned by the regular precinct election officers and by the county auditors and canvassing boards in the manner provided by law for counting, canvassing and returning votes for candidates for state offices. It shall be the duty of the secretary of state in the presence of the governor, within thirty days after any such election, to canvass the votes upon each question and certify to the governor the result thereof, and the governor shall forthwith issue his proclamation giving the whole number of votes cast in the state for and against such measure and declaring the result: Provided, That if the vote cast upon an initiative or referendum measure is equal to less than one-third of the total vote cast at the election, the governor shall proclaim the measure to have failed for that reason.

29.62.140 Canvass in commission form cities. In cities operating under the commission form of government the election officers, after counting the ballots, shall make their returns to the county auditor upon forms furnished by him within six hours after the closing of the polls; and at such time as provided by RCW 29.62.020, the county canvassing board shall canvass the returns of the primary
or election, and the county auditor, upon receipt of the certificate of canvass shall make and publish in all newspapers of the city, at least once, the result thereof. The canvass shall be publicly made. In the primary, the two candidates receiving the highest number of votes for each of the offices to be filled shall be declared nominated and their names shall be placed as candidates on the general election ballot.

29.62.150 Return of registration files after canvass. All officers charged by law with the duty of canvassing the returns of primaries or elections, upon the completion of the canvass of any primary or election shall transmit to the registration officer of each county, city and town, respectively, the registration records used at the primary or election and by law required to be returned by the precinct election officers to the officials charged with the duty of canvassing the primary or election returns.

Chapter 29.64

STATUTORY RECOUNT PROCEEDINGS

29.64.010 Application for recount—Scope of chapter. An officer of a political party or any person for whom votes were cast in a primary election for nomination as a candidate for election to an office who was not declared nominated may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at such primary in any precinct for all persons for whom votes were cast in such precinct for such nomination.

An officer of a political party or any person who was a candidate at any general election for election to an office or position who was not declared elected, may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at such election in any precinct in such county for all candidates for election to such office or position.

Any group of five or more registered voters may file with the appropriate canvassing board or boards a written application for a recount of the votes cast at any election, regular or special, in any precinct upon any question or issue, provided that the members of such group shall state in such application that they voted on such question or proposition. Such group of electors shall, in such application, designate one of the members of the group as chairman, and shall indicate therein the voting residence of each member of such group. In the event the recount requested concerns a regular or special district election whereat the precincts were combined and the election results of the individual precincts impossible to deter-
mine, the application for the recount shall embrace all ballots cast at such district election.

All applications for recount shall be filed within three days, excluding Saturdays and Sundays, after the canvassing board has declared the official results of the primary or election, as the case may be.

The provisions of this chapter shall apply to the recounting of votes cast by paper ballots and counted at the polling places and to the recheck of votes recorded on voting machines. The provisions of this chapter shall neither apply to votes cast by absentee ballot and counted by the canvassing authority, nor to votes cast on voting machines printing election returns: Provided, That this chapter shall apply to votes cast by absentee and counted by the canvassing authority if specific request for such recount is made at the time the application is filed and the additional deposit is made as provided in RCW 29.64.020.

29.64.015 Mandatory recount when margin not more than one-half of one percent. If the official canvass of the returns of any primary or election reveals that the difference in the number of votes cast for a candidate apparently nominated or elected to office, as the case may be, and the number of votes cast for his closest apparently defeated opponent is not more than one-half of one percent of the total number of votes cast for both candidates, the canvassing board shall, of its own motion, make a recount of all votes cast on such position in the manner provided by RCW 29.64.030 and 29.64.040, and no cost of such recount shall be charged to either candidate concerned.

29.64.020 Deposit of fees—Notice of time and place of recount—Attendance. Each application for recount shall separately list each precinct as to which a recount of the votes therein is requested, and the person filing an application shall at the same time deposit with the canvassing board the sum of five dollars in cash or by certified check for each precinct so listed in such application as security for the payment of charges for the making of the recount therein applied for, which charges shall be fixed by the canvassing board as provided in RCW 29.64.060. In the event the application for a recount applies to a special or regular district election then the deposit to be made with the canvassing board shall be five dollars in cash or by certified check for each precinct completely or partially within said district. If at said special or regular district election paper ballots were used and the precincts were combined and the election results of the individual precincts impossible to determine, then the deposit shall be a sum of money equal to the total number of ballots cast at such district election multiplied by

[ 877 ]
the factor of two cents; and if a specific request is made for the recount of absentee ballots, then an additional deposit shall be made in a sum of money equal to the total number of such absentee ballots to be counted multiplied by the factor of two cents.

If at said special or regular district election voting machines were used and the precincts were combined and the election results of the individual precincts impossible to determine, then the deposit shall be five dollars for each voting machine used.

Upon the filing of an application, the canvassing board shall promptly fix the time when and the place at which the recount will be made, which time shall be not later than five days after the day upon which such application is filed. The clerk of the board shall mail notice of the time and place so fixed to the applicant. If the application requests a recount of votes cast for a nomination or a candidacy for election, the clerk shall also mail such notice to each person for whom votes were cast for such nomination or election. Such notice shall be mailed by registered mail not later than two days before the date fixed for the commencement of the recount. Each person entitled to receive such notice may attend and witness the recount and may be accompanied by counsel.

In the case of a recount of votes cast upon a question or proposition, a second group of five or more registered voters, who voted upon such question or proposition other than those voters requesting the recount, may file with the canvassing board a written statement to that effect, may designate therein one of their number as chairman of such group and an attorney as their legal counsel, and may request that the persons so designated be permitted to attend and witness the recount. Thereupon the persons so designated may attend and witness the recount.

29.64.030 Recounting the ballots—Request to stop. At the time and place fixed for making a recount of paper ballots, the canvassing board or their duly authorized representatives, in the presence of all witnesses who may be in attendance, shall open the sealed containers containing the ballots to be recounted, and shall recount them. Ballots shall be handled only by the members of the canvassing board, their duly authorized representatives or by the clerk or other employees of the board. Witnesses shall be permitted to see the ballots but they shall not be permitted to touch them, and the canvassing board shall not permit the counting or tabulation of votes shown on the ballots for any nomination, or for election to any office or position, or upon any question or proposition, other than the votes shown on such ballots for the nomination, election, or question or proposition concerning which a recount of ballots was applied for.
At the time and place fixed for making a recheck of the votes cast on voting machines the canvassing board or their duly authorized representatives in the presence of all witnesses who may be in attendance, shall open the voting machines to be rechecked, and shall recheck them. Witnesses shall be permitted to watch the recheck of the voting machines, and the canvassing board shall not permit the rechecking of votes for any nomination, or for election to any office or position, or upon any question or proposition, other than the votes shown on such voting machines for the nomination, election, or question or proposition concerning which a recount of voting machines was applied for.

At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount and not recount the ballots from the precincts so listed and which have not been recounted prior to the time of such request: Provided, That this provision shall not apply to a recount when a recount is being made of any regular or special district election whereat the precincts were consolidated and as a result thereof the application for a recount embraced all ballots cast at such election.

If, upon such request, the board finds that the results of the votes in the precincts recounted, if substituted for the results of the votes in such precincts as shown in the abstract of the votes in such precincts, would not cause the applicant, if a person for whom votes were cast for nomination or election, to be declared nominated or elected or if an election upon a question or proposition would not cause a result contrary to the result thereof as declared prior to such recount, it shall grant such request and shall not recount the ballots of the precincts listed in the application for recount which have not been recounted prior to such time. If the board finds otherwise, it may deny such request and shall continue to recount ballots until the ballots from all of the precincts listed in the application for recount have been recounted: Provided, That if such request is denied it may be renewed from time to time. Upon any such renewal the board shall consider and act upon the request in the same manner as provided in this section in connection with an original request.

29.64.040 Amended abstracts and declarations. Upon completion of the recount of the ballots, or upon stopping the recount prior to such time, the canvassing board shall promptly prepare and certify an amended abstract showing the votes cast in each precinct in which the nomination, election, or question or proposition was submitted to the electors, which amended abstract shall embody the votes of the precincts, the ballots of which were recounted, as shown by such recount. Copies of such certified amended abstracts shall be mailed to such other boards or election officials as required.
in the case of the original abstract which such amended abstract amends.

If the nomination, election, or question or proposition concerning which such recount was made was submitted only to the electors within a county, the board shall make an amended declaration of the result of such election in the same manner required in the making of its original declaration of the result of such election.

If the nomination, election, or question or proposition concerning which a recount was made was submitted to the electors of more than one county, the secretary of state shall canvass all amended abstracts received from the canvassing board of each county in which a recount was made, and shall make an amended declaration of the results of such election in the same manner required in the making of his original declaration of the results of such election.

29.64.050 Further recount where partial recount changes results. If a person was declared nominated as a candidate for election to an office or elected to an office or position and if it subsequently appears by the amended declaration of the results of such election made following a recount of votes cast in such election that such person was not so nominated or elected, such person may, within three days after the date of such amended declaration of the results of such election, file an application with the appropriate canvassing board for a recount of the votes cast at such primary or election for such nomination or election in any precinct, the ballots of which have not been recounted.

If, following a recount of votes cast at an election, regular or special, upon any question or proposition, the amended declaration of the results of such election shows the result of such election to be contrary to the result thereof as declared in the original declaration of the results thereof, any group of five or more registered voters which has filed a statement with the board as provided in RCW 29.64.020 may, within three days after the date of the amended declaration, file an application with the board for a recount of the votes cast at such election upon such question or proposition in any precinct, the votes of which have not been recounted.

RCW 29.64.010, 29.64.020 and 29.64.030 are applicable to any application provided for in this section and to the recount had pursuant thereto.

29.64.060 Expenses of recount—Charges. The charges for making a recount of votes of precincts listed in an application for recount filed with the board of elections shall be fixed by the board and shall include all expenses incurred by such board because of such application other than the regular operating expenses which the board would have incurred if the application had not been filed.
The total amount of charges so fixed divided by the number of precincts listed in such application, the votes of which were recounted, shall be the charge per precinct for the recount of the votes of the precincts listed in such application, the votes of which were recounted: Provided, That the charges per precinct so fixed shall not be more than five dollars for each precinct concerned or in the event of a recount of a regular or special district election whereat all ballots were requested to be recounted irrespective of precincts, the maximum charge shall not exceed two cents per ballot.

Such charge shall be deducted by the board from the money deposited with the board by the applicant for the recount at the time of filing his application, and the balance of the money so deposited shall be returned to such applicant: Provided, That no such charges shall be deducted by the board from the money deposited for a recount of votes cast for a nomination or for an election to an office or position in any precinct, if upon the completion of a recount the applicant is declared nominated or elected, or if upon completion of a recount concerning a question or proposition, the result of such election is declared to be opposite to the original declaration of the result of such election. All moneys deposited with the board by an applicant not returned to him shall be paid by such board into the general fund of the political subdivision concerned.

29.64.070 Rules and regulations. The secretary of state, as chief election officer, shall make rules and regulations, not inconsistent with this chapter, to facilitate and clarify any procedures contained herein.

29.64.900 Short title—Construction. This chapter shall be known as the statutory recount act and shall in no way affect or supersede the election contest statutes as contained in chapter 29.65 RCW.

(4) Because the person whose right is being contested gave a bribe or reward to a voter or to an inspector, judge or clerk of election for the purpose of procuring his election, or offered to do so;

(5) On account of illegal votes.

29.65.020 Commencement of contest—Time for—Statement. To commence an election contest, the contestant must file with the clerk of the superior court of his residence a verified written statement of contest within ten days after the person whose right is being contested has been declared elected, setting forth specifically:

(1) The name of the contestant and that he is a registered voter in the county, district or precinct, as the case may be, in which the office is to be exercised;

(2) The name of the person whose right is being contested;

(3) The office;

(4) The particular causes of the contest. No statement of contest shall be dismissed for want of form if the particular causes of contest are alleged with sufficient certainty to advise the defendant of the particular proceedings or cause for which such election is contested.

29.65.030 Time for contesting primary or elections based on voting machine count. The time for filing an election contest the result of which is in whole or in part on the canvass of votes registered on a voting machine shall expire thirty days following any state or county primary or election and eight days following any such election held by a city or other governmental unit not larger than a county.

29.65.040 Hearing date— Citation to issue— Service. Upon such statement being filed, it shall be the duty of the clerk to inform the judge of the superior court, who may give notice, and order a session of the court to be held at the usual place of holding said court, on some day to be named by him, not less than ten nor more than twenty days from the date of such notice, to hear and determine such contested election: Provided, That if no session be called for the purpose, such contest shall be determined at the first regular session of court after such statement is filed.

The clerk of the court shall also at the time issue a citation for the person whose right to the office is contested, to appear at the time and place specified in the notice, which citation shall be delivered to the sheriff or constable, and be served upon the party
in person; or if he cannot be found, by leaving a copy thereof at
the house where he last resided.

29.65.050 Witnesses to attend—Hearing of contest—Judgment.
The clerk shall issue subpoenas for witnesses in such contested
election at the request of either party, which shall be served by
the sheriff or constable, as other subpoenas, and the superior court
shall have full power to issue attachments to compel the attendance
of witnesses who shall have been duly subpoenaed to attend if they
fail to do so.

The court shall meet at the time and place designated to deter-
mine such contested election by the rules of law and evidence gov-
erning the determination of questions of law and fact, so far as
the same may be applicable, and may dismiss the proceedings if
the statement of the cause or causes of contest is insufficient, or
for want of prosecution. After hearing the proofs and allegations of
the parties, the court shall pronounce judgment in the premises,
either confirming or annulling and setting aside such election,
according to the law and right of the case.

If in any such case it shall appear that another person than the
one returned has the highest number of legal votes, said court shall
declare such person duly elected.

29.65.055 Costs, how awarded. If the proceedings are dismissed
for insufficiency, want of prosecution, or the election is by the
court confirmed, judgment shall be rendered against the party
contesting such election for costs, in favor of the party whose elec-
tion was contested.

If such election is annulled and set aside, judgment for costs
shall be rendered against the party whose election was contested,
in favor of the party contesting the same.

29.65.060 Misconduct of board—Irregularity must be material
to result. No irregularity or improper conduct in the proceedings of
any election board or any member thereof shall amount to such
malconduct as to annul or set aside any election unless the irregular-

right to the office may be contested, to be declared duly elected
although he did not receive the highest number of legal votes.

29.65.070 Misconduct of board—Number of votes affected—
Enough to change result. When any election for an office exercised
in and for a county is contested on account of any malconduct on
the part of any election board, or any member thereof, the election
shall not be annulled and set aside upon any proof thereof, unless
the rejection of the vote of such precinct or precincts will change
the result as to such office in the remaining vote of the county.
29.65.080 Illegal votes—Allegation of in statement of contest. When the reception of illegal votes is alleged as a cause of contest, it shall be sufficient to state generally that illegal votes were cast, which, if given to the person whose election is contested in the specified precinct or precincts, will, if taken from him, reduce the number of his legal votes below the number of legal votes given to some other person for the same office.

29.65.090 Illegal votes—Testimony on premised on delivery of list of. No testimony shall be received as to any illegal votes, except as to such as are specified in the list.

29.65.100 Illegal votes—Number of votes affected—Enough to change result. The affidavit shall be presented within five days after the completion of the canvass by the canvassing board, and not later, and the candidate whose nomination is so contested shall by the order of such judge, duly served, be required to appear and abide the orders of the court to be made therein.

In addition to such statement, the attorney general shall also prepare a caption, not to exceed five words in length, to permit the voters readily to identify the initiative or referendum measure and distinguish it from other questions on the ballot. 29.79.120 Petitions—Signatures—Number necessary. When the person or organization proposing any initiative measure has secured upon any such initiative petition the signatures of legal voters equal in number to or exceeding eight percent of the whole number of voters registering and voting for the office of governor at the regular gubernatorial election last preceding, or when the person or organization demanding any referendum of an act of the legislature or any part thereof has secured upon any such referendum petition the signatures of legal voters equal in number to or exceeding four percent of the whole number of voters registering and voting for the office of governor at the regular gubernatorial election last preceding, he or they may submit said petition to the secretary of state for filing in his office.

29.79.130 Petitions—Expense—Contributors—Sworn statement. At the time of submitting an initiative or referendum petition the person or organization submitting it shall file with the secretary of state a full, true and detailed statement giving the names and post office addresses of all persons, corporations and organizations who contributed any moneys to aid in the preparation, publication and advertising of the measure and the preparation, circulation and filing of the petition, with the amount contributed by each, and a
full, true and detailed statement of all expenditures, giving the
amounts expended, the purpose for which expended, and the names
and post office addresses of the persons and corporations to whom
paid. The statement shall be verified by the affidavit of the person
or some member of the organization in charge of the measure.

29.79.140 Petitions—Time for filing. The time for submitting
initiative or referendum petitions to the secretary of state for filing
is as follows:

1) A referendum petition ordering and directing that the whole
or some part or parts of an act passed by the legislature be referred
to the people for their approval or rejection at the next ensuing
general election or a special election ordered by the legislature,
must be submitted not more than ninety days after the final adjourn-
ment of the session of the legislature which passed the act;

2) An initiative petition proposing a measure to be submitted
to the people for their approval or rejection at the next ensuing
general election, must be submitted not less than four months before
the date of such election;

3) An initiative petition proposing a measure to be submitted
to the legislature at its next ensuing regular session must be sub-
mitted not less than ten days before the commencement of the
session.

29.79.150 Petitions—Acceptance or rejection by secretary of
state. Upon any initiative or referendum petition being submitted
to the secretary of state for filing, he may refuse to file it upon any
of the following grounds:

1) That the verified statement of contributions and contributors
has not been filed.

2) That the petition is not in proper form.

3) That the petition clearly bears insufficient signatures.

4) That the time within which the petition may be filed has
expired.

In case of refusal, the secretary of state shall endorse on the
petition the word “submitted” and the date, and retain the petition
pending appeal.

If none of the grounds for refusal exists, the secretary of state
must accept and file the petition.

29.79.160 Petitions—Review of refusal to accept and file. If the
secretary of state refuses to file an initiative or referendum petition
when submitted to him for filing, the persons submitting it for filing
may, within ten days after his refusal, apply to the superior court
of Thurston county for a citation requiring the secretary of state
to bring the petitions before the court, and for a writ of mandate
to compel him to file it. The application shall take precedence over other cases and matters and shall be speedily heard and determined. If the court issues the citation, and determines that the petition is legal in form and apparently contains the requisite number of signatures and was submitted for filing within the time prescribed in the Constitution, it shall issue its mandate requiring the secretary of state to file it in his office as of the date of submission for filing.

The decision of the superior court granting a writ of mandate shall be final.

29.79.170 Petitions—Review—Appeal from superior court's refusal to issue mandate. The decision of the superior court refusing to grant a writ of mandate, may be reviewed by the supreme court on a writ of certiorari sued out within five days after the decision of the superior court. The review shall be considered an emergency matter of public concern, and shall be heard and determined with all convenient speed, and if the supreme court decides that the petitions are legal in form and apparently contain the requisite number of signatures of legal voters, and were filed within the time prescribed in the Constitution, it shall issue its mandate directing the secretary of state to file the petition in his office as of the date of submission.

29.79.180 Petitions—Destruction on final refusal. If no appeal is taken from the refusal of the secretary of state to file a petition within the time prescribed, or if an appeal is taken and the secretary of state is not required to file the petition by the mandate of either the superior or the supreme court, the secretary of state shall destroy it.

29.79.190 Petitions—Consolidation into volumes. EXPLANATORY NOTE

I. Introductory
(1) As a part of the program to restore session law language to the Revised Code of Washington, the code reviser's office and codifications subcommittee of the Statute Law Committee have carefully examined the provisions of Title 29. Pursuant to such study it was determined that the confused statutory history of the subject matter contained therein, the division and combining of session law sections by the 1941 Code Committee to create the present Title 29, and the subsequent ratification by the legislature of parts of the title by the amendment of many of the RCW sections, have all combined to make any general restoration of the session law text an impossibility. In view of the foregoing and in view of the fact that the present RCW Title 29 has been in use for a period of fourteen years, the codifications subcommittee of the Statute Law Committee, after submitting the study and work materials relating to this title to the Secretary of State's (Chief Elections Officer) office and other interested persons, and conferring with such representatives thereof as attended the meetings held for the purpose of considering the provisions hereof, herewith presents for enactment as primary law the provisions of RCW Title 29, incorporating therein such restorations and corrections as may be made without changing the substance of the law.

(2) Respecting chapter 29.01, the 1941 Code Committee introduced certain definitions sections to encompass in one word or phrase a repetitious or cumbersome clause which appeared throughout several election acts or to allow the use of one term where several had been used in election laws, each indicative of the same thing (i.e., measure, proposition, question). In light of the chapter's longevity and subsequent amendatory (as well as new) sections utilizing these definitions we have accepted the same for reenactment purposes, implementing the chapter with the usual "scope of definitions" section (RCW 29.01.005 herein).

(3) Upon reexamination of the contents of RCW sections 29.79.3502 through 29.79.430 encompassing the law relating to a voter's pamphlet and heretofore a part of chapter 29.79, Initiative and Referendum,
Explanatory note.

codifications subcommittee of the Statute Law Committee determined that said sections would better serve the Code as a separate chapter of Title 29 and thus appear for reenactment purposes in a new chapter, 29.81, Voter's Pamphlet. Session law use of “this act” or “this chapter” have been translated in both the old and new chapters to reflect this reenactment change.

(4) Except as otherwise noted the translation of the term “this act” into “this chapter”, and other similar translations which appear in the 1941 revision have been accepted without comment.

The remainder of these notes consist of source notes and a section by section comment regarding this reenactment. The complete study materials relating to this title are on permanent file in the office of the code reviser, at Olympia.
