MOTOR VEHICLES—DRIVER LICENSING.

Be it enacted by the Legislature of the State of Washington:

New section.

SECTION 1. There is added to chapter 12, Laws of 1961 and to chapter 46.20 RCW a new section to read as follows:

[ 2122 ]
With the advent of greatly increased interstate vehicular travel and the migration of motorists between the states, the legislature recognizes the necessity of enacting driver licensing laws which are reasonably uniform with the laws of other states and are at the same time based upon sound, realistic principles, stated in clear explicit language. To achieve these ends the legislature does hereby adopt this 1965 amendatory act relating to driver licensing modeled after the Uniform Vehicle Code subject to such variances as are deemed better suited to the people of this state. It is intended that this 1965 amendatory act be liberally construed to effectuate the purpose of improving the safety of our highways through driver licensing procedures within the framework of the traditional freedoms to which every motorist is entitled.

Sec. 2. There is added to chapter 12, Laws of 1961 and to chapter 46.20 RCW a new section to read as follows:

(1) No person, except those hereinafter expressly exempted shall drive any motor vehicle upon a highway in this state unless such person has a valid driver's license issued under the provisions of this 1965 amendatory act. No person shall receive a driver's license unless and until he surrenders to the department all valid driver's licenses in his possession issued to him by any other jurisdiction. All surrendered licenses shall be returned by the department to the issuing department together with information that the licensee is now licensed in a new jurisdiction. No person shall be permitted to have more than one valid driver's license at any time.

(2) Any person licensed as a driver hereunder may exercise the privilege thereby granted upon all streets and highways in this state and shall not be required to obtain any other license to exercise
such privilege by any county, municipal or local board, or body having authority to adopt local police regulations.

Sec. 3. There is added to chapter 12, Laws of 1961 and to chapter 46.20 RCW a new section to read as follows:

The following persons are exempt from license hereunder:

1. Any person in the service of the army, navy, air force, marine corps or coast guard of the United States, or in the service of the national guard of this state or any other state, when furnished with a driver's license by such service when operating an official motor vehicle in such service;

2. A nonresident who is at least sixteen years of age and who has in his immediate possession a valid driver's license issued to him in his home state;

3. A nonresident who is at least sixteen years of age and who has in his immediate possession a valid driver's license issued to him in his home country may operate a motor vehicle in this state for a period not to exceed one year;

4. Any person operating special highway construction equipment as defined in RCW 46.16.010;

5. Any person while driving or operating any farm tractor or implement of husbandry which is only incidentally operated or moved over a highway.

Sec. 4. There is added to chapter 12, Laws of 1961 and to chapter 46.20 RCW a new section to read as follows:

The department shall not issue a driver's license hereunder:

whose license has been revoked, except as provided in section 27;

(3) To any person when the department has been notified by a court that such person has violated his written promise to appear in court, unless the department has received a certificate from the court in which such person promised to appear, showing that the case has been adjudicated. The deposit of bail by a person charged with a violation of any law regulating the operation of motor vehicles on highways shall be deemed an appearance in court for the purpose of this section.

(4) To any person who is an habitual drunkard, or is an habitual user of narcotic drugs, or is an habitual user of any other drug to a degree which renders him incapable of safely driving a motor vehicle;

(5) To any person who has previously been adjudged to be mentally ill or insane, or to be incompetent due to any mental disability or disease, and who has not at the time of application been restored to competency by the methods provided by law: Provided, however, That no person so adjudged shall be denied a license for such cause if the superior court should find him able to operate a motor vehicle with safety upon the highways during such incompetency;

(6) To any person who is required by this 1965 amendatory act to take an examination, unless such person shall have successfully passed such examination;

(7) To any person who is required under the laws of this state to deposit proof of financial responsibility and who has not deposited such proof;

(1) The department shall permit any person suffering from any physical or mental disability or disease which may affect his ability to drive a motor vehicle, to demonstrate personally that notwithstanding such disability or disease he is a proper person to drive a motor vehicle. The department may in addition require such person to obtain a certificate showing his condition signed by a licensed physician or other proper authority designated by the department.

(2) The department may issue a driver’s license to such a person imposing restrictions suitable to the licensee’s driving ability with respect to the special mechanical control devices required on a motor vehicle or the type of motor vehicle which the licensee may operate or such other restrictions applicable to the licensee as the department may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee.

(3) The department may either issue a special restricted license or may set forth such restrictions upon the usual license form.

(4) The department may upon receiving satisfactory evidence of any violation of the restrictions of such license suspend or revoke the same but the licensee shall be entitled to a driver improvement interview and a hearing as upon a suspension or revocation under this 1965 amendatory act.

(5) It is a misdemeanor for any person to operate a motor vehicle in any manner in violation of the restrictions imposed in a restricted license issued to him.

Only one additional instruction permit may be issued within a period of twenty-four months after the issuance of the first such permit. The department after investigation may in its discretion issue a third instruction permit within a twenty-four month period where it finds that the permittee is diligently seeking to improve his driving proficiency.
(2) The department upon receiving proper application may in its discretion issue an instruction permit effective for a school semester or other restricted period to an applicant who is at least fifteen years of age and is enrolled in a driver education program which includes practice driving and which is approved and accredited by the superintendent of public instruction. (3) The department may in its discretion issue a temporary driver’s permit to an applicant for a driver’s license permitting him to drive a motor vehicle for a period not to exceed sixty days while the department is completing its investigation and determination of all facts relative to such applicant’s right to receive a driver’s license. Such permit must be in his immediate possession while driving a motor vehicle, and it shall be invalid when the applicant’s license has been issued or for good cause has been refused.

(3) Whenever application is received from a person previously licensed in another jurisdiction, the department shall request a copy of such driver's record from such other jurisdiction. When received, the driving record shall become a part of the driver's record in this state.
