Veto message.

"I believe these restrictions are contrary to sound public policy. The person who makes an appointment should be held responsible for it. If it is good, he deserves the credit; if it is bad, he deserves the blame. But no appointing power can properly be held to account for an appointment which he is not free to make in accordance with his own best judgment. When making appointments to this hearing board I will seek the advice and counsel of persons knowledgeable in the field of cosmetology. I will welcome suggestions from all interested parties and organizations, including those groups named in this bill. I believe any succeeding governor would follow this example.

"In exercise of the power of item veto, I have retained the basic make-up of the board, in that the one member of the board must have six years experience in cosmetology, one member must be from the licensed Washington state cosmetology schools, and one member must be unaffiliated with the above listed groups. Only the requirement that appointments be made from restricted lists submitted to the governor has been removed.

"The remainder of the bill is approved."  

DANIEL J. EVANS,  
Governor.
