In addition to paying all other initial fees required by law there shall be collected from each applicant for such special license plates an additional license fee of twenty-five dollars upon the issue of such plates which fee shall not apply for those years in which tabs are issued. Application for renewal of such license plates must be made by January 10th of each renewal year and all such applications shall be accompanied by a notarized statement of such facts as the director shall deem necessary for issuance thereof.

(2) Whenever such owner or lessee as provided in subsection (1) hereof transfers or assigns his interest or title in the motor vehicle to which the special plates were attached, such plates shall be removed...
from the motor vehicle and if another vehicle is acquired, attached thereto, and the director shall be immediately notified of such transfer of plates; otherwise the removed plates shall be immediately forwarded to the director to be reissued upon payment of the regular license fee. Whenever such owner or lessee as provided in subsection (1) hereof shall for any reason be relieved of his duties as such consul or official representative of a foreign government he shall immediately forward the special plates to the director who shall upon receipt thereof provide such plates as are otherwise provided by law.

Whenever such owner transfers or assigns his interest in such vehicle, the special decal shall be removed. Such person shall immediately surrender the decal to the director together with a notice of the transfer of interest in such vehicle. A permit issued under this section shall expire one year from date of issue, except that upon reaching the age of sixteen years such person holding a juvenile agricultural driving permit shall be required to make application for a motor vehicle driver's license.

The director shall charge a fee of one dollar for each such permit and renewal thereof to be paid as
by law provided for the payment of motor vehicle
driver's licenses and deposited to the credit of the
driver education account in the general fund.

The director shall have authority to transfer this
permit from one farming locality to another but this
does not constitute a renewal of the permit.

The director shall have authority to deny the issu-
ance of a juvenile agricultural driving permit to any
person whom he shall determine incapable of oper-
ating a motor vehicle with safety to himself and to
persons and property.

The director shall have authority to suspend, re-
voke or cancel the juvenile agricultural driving per-
mit of any person when in his sound discretion he
has cause to believe such person has committed any
offense for which mandatory suspension or revoca-
tion of a motor vehicle driver's license is provided
by law.

The director shall have authority to suspend, can-
cel or revoke a juvenile agricultural driving permit
when in his sound discretion he is satisfied the re-

(3) Every person renting a motor vehicle to another person shall keep a record of the vehicle license number of the motor vehicle so rented, the name and address of the person to whom the motor vehicle is rented, the number of the vehicle driver's license of the person renting the vehicle and the date and place when and where such vehicle driver's license was issued. Such record shall be open to inspection by any police officer or anyone acting for the director.

The director of motor vehicles may suspend, revoke, or cancel the vehicle driver's license of any resident of this state upon receiving notice of the conviction of such person in another state of an offense therein which, if committed in this state, would be ground for the suspension or revocation of the vehicle driver's license. The director may further, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws of this state, forward a certified copy of such record to the motor vehicle administrator in the state of which the person so convicted is a resident; such record to consist of a copy of the judgment and sentence in the case.

Sec. 30. Section 46.20.320, chapter 12, Laws of 1961 and RCW 46.20.320 are each amended to read as follows:

Any suspension, revocation, or cancellation of a vehicle driver's license shall be in effect notwithstanding the certificate itself is not delivered over or possession thereof obtained by a court, officer, or the director.

All such fees shall be forwarded to the director who shall transmit such fees to the state treasurer in the same manner as other driver's license fees.

Sec. 32. Section 46.20.390, chapter 12, Laws of 1961 and RCW 46.20.390 are each amended to read as follows:

Any person who has had or may have his driver's license suspended or revoked because he has been convicted of or has forfeited bail for any first offense relating to motor vehicles, other than negligent homicide or manslaughter, and, if such person is engaged in an occupation or trade making it essential that he operate a motor vehicle, such person may file with any judge of a court of record, justice court, or municipal court having criminal jurisdiction in the county of such person's residence a verified petition, together with the receipt for the fee paid, setting forth in detail his need for operating a motor vehicle. Thereupon, if the petitioner has not been convicted of or has not forfeited bail for any such offense within one year immediately preceding the present conviction or bail forfeiture, which offense in the opinion of the judge is not of such a nature as to preclude the granting of the petition, the judge may order the director to issue an occupational driver's license to such person. A certified copy of the petition together with the order for the license shall be mailed to the director. When the
order is issued by such judge, a certified copy thereof shall be given to the petitioner which copy shall serve as a temporary occupational driver's license until the petitioner receives the license issued by the director.

An occupational driver's license shall permit the operation of a motor vehicle not to exceed twelve hours per day and then only when such operation is an essential part of the licensee's occupation or trade. Such license shall be issued for a period of not more than one year.

The order for issuance of an occupational driver's license shall contain definite restrictions as to hours of the day, type of occupation, areas or routes of travel to be permitted under such license and such other conditions as the judge granting the same deems appropriate and that satisfactory proof of financial responsibility has been filed as provided in chapter 46.29.

If such licensee is convicted for operating a motor vehicle in violation of his restrictions, or of a traffic violation which in the opinion of the director is such as would warrant suspension or revocation of such license, or if the judge does not, upon the facts, see fit to permit such person to retain his license, the director shall, upon receipt of notice thereof, revoke such license. Such revocation shall be effective as of the date of such violation, conviction or withdrawal order, and it shall continue with the same force and effect as other revocations under this title.

Sec. 33. Section 46.20.400, chapter 12, Laws of 1961 and RCW 46.20.400 are each amended to read as follows:

If an occupational driver's license is issued and is not revoked during the period for which issued the licensee may obtain a new driver's license at the end of such period, but no new driver's permit shall be issued to such person until he surrenders his occu-
pational driver's license and his copy of the order and the director is satisfied that he complies with all other provisions of law relative to the issuance of a driver's license.

Sec. 34. Section 46.20.410, chapter 12, Laws of 1961 and RCW 46.20.410 are each amended to read as follows:

Any person convicted for violation of any restriction of an occupational driver's license shall in addition to the immediate revocation of such license and any other penalties provided by law be fined not less than fifty nor more than two hundred dollars or imprisoned for not more than six months or both such fine and imprisonment.

Sec. 35. Section 2, chapter 134, Laws of 1961 and RCW 46.20.420 are each amended to read as follows:

Any resident or nonresident whose driver's license or right or privilege to operate a motor vehicle in this state has been suspended or revoked as provided in this title shall not operate a motor vehicle in this state under a license, permit or registration certificate issued by any other jurisdiction or otherwise during such suspension or after such revocation until a new license is obtained when and as permitted under this chapter.

Sec. 36. Section 2, chapter 120, Laws of 1963 and RCW 46.21.020 are each amended to read as follows:

As used in the compact, the term “licensing authority” with reference to this state, shall mean the department of motor vehicles. Said department shall furnish to the appropriate authorities of any other party state any information or documents reasonably necessary to facilitate the administration of Articles III, IV, and V of the compact.

(1) The driver's license of each driver in any manner involved in the accident;

(2) The driver's license of the owner of each vehicle of a type subject to registration under the laws of this state involved in such accident;

(3) If the driver or owner is a nonresident, the privilege of operating within this state a vehicle of a type subject to registration under the laws of this state;

Such suspensions shall be made in respect to persons required by the department to deposit security who fail to deposit such security except as otherwise provided under succeeding section[s] of this chapter.

Sec. 38. Section 18, chapter 169, Laws of 1963 and RCW 46.29.180 are each amended to read as follows:

(1) In case the driver or the owner of a vehicle of a type subject to registration under the laws of this state involved in an accident within this state has no driver's license in this state, then such driver shall not be allowed a driver's license until he has complied with the requirements of this chapter to the same extent that would be necessary if, at the time of the accident, he had held a license or been the owner of a vehicle registered in this state.

(2) When a nonresident's driving privilege is suspended pursuant to RCW 46.29.110, the department shall transmit a certified copy of the record or abstract of such action to the official in charge of the issuance of licenses and registration certificates in the state in which such nonresident resides, if the law of such other state provided for action in rela-
tion thereto similar to that provided for in subsection (3) of this section.

(3) Upon receipt of such certification that the driving privilege of a resident of this state has been suspended or revoked in any such other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle accident, under circumstances which would require the department to suspend a nonresident’s driving privilege had the accident occurred in this state, the department shall suspend the license of such resident. Such suspension shall continue until such resident furnishes evidence of his compliance with the law of such other state relating to the deposit of such security.

Sec. 39. Section 30, chapter 169, Laws of 1963 and RCW 46.29.300 are each amended to read as follows:

Whenever the department suspends or revokes a nonresident’s driving privilege by reason of a conviction or forfeiture of bail, such privilege shall remain so suspended or revoked unless such person shall have previously given or shall immediately give and thereafter maintain proof of financial responsibility for the future.

Sec. 40. Section 33, chapter 169, Laws of 1963 and RCW 46.29.330 are each amended to read as follows:

The department upon receipt of a certified copy of a judgment and a certificate of facts relative to such judgment, on a form provided by the department, shall forthwith suspend the license and any nonresident’s driving privilege of any person against whom such judgment was rendered, except as hereinafter otherwise provided in this chapter.

A finding by the department that an insurer is obligated to pay a judgment shall not be binding upon such insurer and shall have no legal effect whatever except for the purpose of administering this section. If the department finds that no insurer is obligated to pay such a judgment, the judgment debtor may file with the department a written notice of his intention to contest such finding by an action in the superior court. In such a case the license or the nonresident's driving privilege of such judgment debtor shall not be suspended by the department under the provisions of this chapter for thirty days from the receipt of such notice nor during the pendency of any judicial proceedings brought in good faith to determine the liability of an insurer so long as the proceedings are being diligently prosecuted to final judgment by such judgment debtor. Whenever in any judicial proceedings it shall be determined by any final
judgment, decree or order that an insurer is not obligated to pay any such judgment, the department, notwithstanding any contrary finding theretofore made by it, shall forthwith suspend the license and any nonresident's driving privilege of any person against whom such judgment was rendered, as provided in RCW 46.29.330.

Such license and nonresident's driving privilege shall remain so suspended and shall not be renewed, nor shall any such license be thereafter issued in the name of such person, including any such person not previously licensed, unless and until every such judgment is stayed, satisfied in full or to the extent hereinafter provided and until the said person gives proof of financial responsibility subject to the exemptions stated in RCW 46.29.350, 46.29.360 and 46.29.400.

Sec. 44. Section 40, chapter 169, Laws of 1963 and RCW 46.29.400 are each amended to read as follows:

(1) A judgment debtor upon due notice to the judgment creditor may apply to the court in which such judgment was rendered for the privilege of paying such judgment in installments and the court, in its discretion and without prejudice to any other legal remedies which the judgment creditor may have, may so order and fix the amounts and times of payment of the installments.

(2) The department shall not suspend a license or nonresident's driving privilege, and shall restore any license or nonresident's driving privilege suspended following nonpayment of a judgment, when the judgment debtor gives proof of financial responsibility and obtain such an order permitting the payment of such judgment in installments, and while the payment of any said installments is not in default.

In the event that any person required to give proof of financial responsibility under RCW 46.29.420 fails to give such proof within ten days after the department has sent notice as hereinbefore provided, the department shall suspend, or continue in effect any existing suspension or revocation of, the license or any nonresident’s driving privilege of such person.

The furnishing of such proof shall permit such person to operate only a motor vehicle covered by such proof. The department shall endorse appropriate restrictions on the license held by such person or may issue a new license containing such restrictions.

Sec. 48. Section 46.32.010, chapter 12, Laws of 1961 and RCW 46.32.010 are each amended to read as follows:

The chief of the Washington state patrol shall establish periods of vehicle equipment inspection. In the event of any such inspection, the same shall be in charge of a responsible employee of the chief of the Washington state patrol, who shall be duly authorized as a police officer and who shall have authority to secure and withhold, with written notice to the director of motor vehicles, the certificate of license registration and license plates of any vehicle found to be defective in equipment so as to be unsafe or unfit to be operated upon the highways of this state, and it shall be unlawful for any person to operate such vehicle unless and until the same has been placed in a condition satisfactory to subsequent equipment inspection; the police officer in charge of such vehicle equipment inspection station shall grant to the operator of such defective vehicle the privilege to move such vehicle to a place for repair under such restrictions as may be reasonably necessary.

In the event any insignia, sticker or other marker should be adopted to be displayed upon vehicles in connection with the inspection of vehicle equipment, the same shall be displayed as required by the rules and regulations of the chief of the Washington state patrol and it shall be a gross misdemeanor for any person to mutilate, destroy, remove or otherwise interfere with the display thereof.

Any person who performs false or improvised repairs, or repairs in any manner not in accordance with acceptable and customary repair practices, upon a motor vehicle, shall be guilty of a gross misdemeanor.

Whenever a police officer, upon weighing a vehicle and load, as above provided, determines that the weight is unlawful, such officer may, in addition to any other penalty provided, require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of such vehicle to such limit as permitted under this chapter. All materials unloaded shall be cared for by the owner or operator of such vehicle at the risk of such owner or operator.

It shall be unlawful for any driver of a vehicle to fail or refuse to stop and submit the vehicle and

(4) Any person failing to stop or to comply with any of the requirements of subdivision (3) of this section under said circumstances shall, upon conviction, be punished by imprisonment for not less than thirty days nor more than one year or by a fine of not less than one hundred dollars nor more than five hundred dollars, or by both such fine and imprisonment: Provided, That this provision shall not apply to any person injured or incapacitated by such accident to the extent of being physically incapable of complying herewith;

Every court of record shall also forward a like report to the director upon the conviction of any person of manslaughter or other felony in the commission of which a vehicle was used.

The failure of any such judicial officer to comply with any of the requirements of this section shall constitute misconduct in office and shall be grounds for removal therefrom.

The director shall keep all abstracts received hereunder at his office in Olympia and the same shall be open to public inspection during reasonable business hours.
Venue in all justice courts shall be before one of the two nearest justices of the peace in incorporated cities and towns nearest to the point the violation allegedly occurred: Provided, That in counties of class A and of the first class such cases may be tried in the county seat at the request of the defendant.

It shall be the duty of the sheriff of every county, the chief of police or chief police officer of every incorporated city and town of this state, constables and members of the Washington state
patrol to report immediately to the chief of the Washington state patrol all motor vehicles reported to them as stolen or recovered, upon forms to be provided by the chief of the Washington state patrol.

In the event that any motor vehicle reported as stolen has been recovered, the person so reporting the same as stolen shall be guilty of a misdemeanor unless he shall report the recovery thereof to the sheriff, chief of police, or other chief police officer to whom such motor vehicle was reported as stolen.

Upon receipt of such information the chief of the Washington state patrol shall file the same in a “stolen vehicle index.” He shall also file any reports of vehicles stolen in other states and reported to him as such. It shall be the duty of the chief of the Washington state patrol to keep a file record of all vehicles reported to him as recovered.

The chief of the Washington state patrol shall publish at least once a month a list of all vehicles reported as stolen and not reported as having been recovered and all abandoned vehicles and forward a copy of such list to every sheriff in this state, the chief of police or chief police officer of every incorporated city and town with a population in excess of three thousand inhabitants, each member of the Washington state patrol and the cognizant state officer of each state in the United States.

Such information shall be provided by the chief of the Washington state patrol for the use of the director of motor vehicles as will permit the director to check the motor or serial number set forth in any application for certificate of ownership or certificate of license registration against such “stolen vehicle index” and no such certificates shall be issued upon any vehicle recorded as stolen and the director shall immediately inform the chief of the Washington
It shall be the duty of the sheriff of every county, the chief of police or chief police officer of each incorporated city and town, members of the Washington state patrol and constables to report to the chief of the Washington state patrol all vehicles found abandoned on a public highway or at any other place and the same shall be taken into the custody of the sheriff of the county wherein found abandoned and stored and the same shall, for the purposes of listing the same, be considered as a recovered vehicle. Personal notice that such vehicle has been found abandoned shall be forwarded to the registered and legal owners of such vehicle if any record of registered or legal owner thereof exists in this state. In the event there appears to be a registered or legal ownership thereof in another state the sheriff shall send notice thereof to the official having cognizance of issuing legal or registered ownerships in such other state. If, at the expiration of twenty days from the date of mailing such notices by registered or certified mail with return receipt requested, the vehicle remains unclaimed and has not been reported as a stolen vehicle, then the same may be sold at public auction either at the site of the vehicle or at such place on county property as the board of county commissioners may direct upon notice published in one issue of a paper of general circulation in the county in which such vehicle has been found abandoned, such publication to describe the vehicle and set forth the place, date and time at which such vehicle shall be put up for public auction, which date shall be not sooner than three days following the date of such publication. If no bids are received at said sale the sheriff shall deliver the vehicle to the garage operators who may be entitled to reimbursement for towing and storing the vehicle. In this event such garage operators may dispose of all or any part of the vehicle as they may determine.

Any vehicle left in a garage for storage more than fifteen days where the same has not been left by the registered owner under a contract of storage and has not during such period been removed by the person leaving the same shall be an abandoned vehicle and shall be delivered to the sheriff of the county with notice of such fact. Any garage keeper failing to report such fact to the sheriff and tender delivery to him of such vehicle at the end of fifteen days shall thereby forfeit any claims for the storage of such vehicle. All such vehicles considered abandoned by being left in a garage shall be disposed of in accordance with the procedure prescribed above for abandoned vehicles.

Except for the forfeiture of claim for storage as set forth herein for failure to report vehicle left in excess of fifteen days, nothing in this section shall be construed to impair any lien for storage accruing to a garage keeper under other law of this state.

Such case records shall not be offered as evidence in any court except in case appeal is taken from the order of director, suspending, revoking, canceling, or refusing vehicle driver's license. It shall be the duty of the director to tabulate and analyze vehicle driver's case records and to suspend, revoke, cancel, or refuse any vehicle driver's license to any person when it is deemed from facts contained in the case record of such person that it is for the best interest of public safety that such person be denied the privilege of operating a motor vehicle. Whenever the director may order the vehicle driver's license of any such person suspended, revoked, or canceled, or shall refuse the issuance of vehicle driver's license, such suspension, revocation, cancellation, or refusal shall be final and effective unless appeal from the decision of the director shall be taken as provided by law.

Such enumeration shall include any reports of failure to appear in response to a traffic citation served upon such person by an arresting officer. In addition thereto the director shall furnish such record to the person whose driving record is involved, upon such person’s request.

The director shall collect for each such abstract the sum of one dollar fifty cents which shall be deposited in the motor vehicle drivers’ records revolving fund.

The number of registered vehicles so used shall be as certified by the director of the department of motor vehicles for the year next preceding the date of calculation of the allocation amounts. The director of the department shall first supply such information not later than the fifteenth day of February, 1956, and on the fifteenth of February each two years thereafter.

(c) Thirty percent shall be paid to each county in direct proportion that the product of the county's trunk highway mileage and its prorated estimated annual cost per trunk mile as provided in subsection (e) is to the sum of such products for all counties. County trunk highways are defined as county roads regularly used by school buses and/or rural free delivery mail carriers of the United States post office department, but not foot carriers. Determination of the number of miles of county roads used in each county by school buses shall be based solely upon information supplied by the superintendent of public instruction who shall on October 1, 1955 and on October 1st of each odd-numbered year thereafter
furnish the state highway commission with a map of each county upon which is indicated the county roads used by school buses at the close of the preceding school year, together with a detailed statement showing the total number of miles of county highway over which school buses operated in each county during such year. Determination of the number of miles of county roads used in each county by rural mail carriers on routes serviced by vehicles during the year shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.

(d) Thirty percent of such sum shall be paid to each of the several counties in the direct proportion that the product of the trunk highway mileage of the county and its "money need factor" as defined in subsection (f) is to the total of such products for all counties.

(e) Every four years, beginning with the 1958 allocation, the highway commission and the joint fact-finding committee on highways, streets and bridges shall reexamine or cause to be reexamined all the factors on which the estimated annual costs per trunk mile for the several counties have been based and shall make such adjustments as may be necessary. The following formula shall be used: One twenty-fifth of the estimated total county road replacement cost, plus the total annual maintenance cost, divided by the total miles of county road in such county, and multiplied by the result obtained from dividing the total miles of county road in said county by the total trunk road mileage in said county. For the purpose of allocating funds from the motor vehicle fund, a county road shall be defined as one established as such by resolution or order of establishment of the board of county commissioners. The first allocation of funds shall be based on the
following prorated estimated annual costs per trunk mile for the several counties as follows:

Provided, however, That the prorated estimated annual costs per trunk mile in this subsection shall be adjusted every four years, beginning with the 1958 allocation by the highway commission on the basis of changes in the trunk and total county road mileage based on information supplied by the superintendent of public instruction, the United States postal department and the annual reports of the county road departments.

(f) The "money need factor" for each of the several counties shall be the difference between the prorated estimated annual costs as listed above and the sum of the following three amounts divided by the county trunk highway mileage:

(1) The equivalent of a ten mill tax levy on the valuation, as equalized by the state tax commission for state purposes, of all taxable property in the county road districts;

(2) One-fourth the sum of all funds received by the county from the federal forest reserve fund during the two calendar years next preceding the date of the adjustment of the allocation amounts as certified by the state treasurer; and

(3) One-half the sum of motor vehicle license fees and motor vehicle fuel tax refunded to the county during the two calendar years next preceding the date of the adjustment of the allocation amounts as provided in RCW 46.68.080. These shall be as supplied to the highway commission by the state treasurer for that purpose. The tax commission and the state treasurer shall supply the information herein requested on or before January 1, 1956 and on said date each two years thereafter.

The following formula shall be used for the purpose of obtaining the "money need factor" of the
several counties: The prorated estimated annual cost per trunk mile multiplied by the trunk miles will equal the total need of the individual county. The total need minus the sum of the three resources set forth in subsection (f) shall equal the net need. The net need of the individual county divided by the total net needs for all counties shall equal the “money need factor” for that county.

(g) The state highway commission shall adjust the allocations of the several counties on March 1st of every even-numbered year based solely upon the sources of information hereinbefore required.

(h) The highway commission and the joint fact-finding committee on highways, streets and bridges shall relog or cause to be relogged the total road mileages upon which the prorated estimated annual costs per trunk mile are based and shall recalculate such costs on the basis of such relogging and shall report their findings and recommendations to the legislature at its next regular session.

(i) The highway commission and the joint fact-finding committee on highways, streets and bridges shall study and report their findings and recommendations to the legislature concerning the following problems as they affect the allocation of “motor vehicle fund” funds to counties:

(1) Comparative costs per trunk mile based on federal aid contracts versus those herein advocated.

(2) Average costs per trunk mile.

(3) The advisability of using either “trunk mileage” or “county road” mileage exclusively as the criterion instead of both as in this plan adopted.

(4) Reassessment of bridge costs based on current information and relogging of bridges.

(5) The items in the list of resources used in determining the “need factor.”
(6) The development of a uniform accounting system for counties with regard to road and bridge construction and maintenance costs.

(7) A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads.

Sec. 76. Section 46.70.020, chapter 12, Laws of 1961 as amended by section 2, chapter 68, Laws of 1965 and RCW 46.70.020 are each amended to read as follows:

It shall be unlawful for any person to carry on or conduct business as a dealer unless he shall have:

(2) An established place of business which is occupied or is to be occupied for the purpose of conducting business as a dealer, at which is kept and maintained the books, records and files of the business;

(3) An office and display area identified by a sign; and

(4) Shall allow representatives or agents of the director of motor vehicles access to all books, records, and files for the purpose of inspection during normal business hours.

obtained a dealer's license shall be permitted to obtain a renewal of license and pay therefor the renewal fee as herein provided. Additional sets of the dealer license plates, bearing the same license number, may be obtained for three dollars per set. If any dealer shall fail or neglect to apply for such renewal prior to February 1st in each year, his license shall be declared canceled by the director, in which case the dealer will be required to apply for an original license and pay the fee required for such original license. The fees prescribed herein shall be in addition to any excise taxes imposed by chapter 82.44.

NOTE: See also section 26, chapter 74, Laws of 1967 ex. sess.

Sec. 78. Section 46.70.110, chapter 12, Laws of 1961 and RCW 46.70.110 are each amended to read as follows:

Upon receipt of complaint or other information by the director that an applicant should not be licensed or that a dealer has violated any of the provisions of this chapter he may call a hearing to give the person affected an opportunity to show cause why his application for license should not be refused or why his license should not be revoked or suspended. Notice of the hearing shall be given in writing by registered mail to the holder or applicant for such license and shall designate a time and place for the hearing before the director which shall not be less than ten days from the date of said notice. dealer's residence for a review on the record of such decision, filing a notice of such appeal with the clerk of such superior court and at the same time filing a copy of such notice with the director.
