OPTIONAL MUNICIPAL CODE.

AN ACT relating to state and local government; enacting and
adding a new title to the Revised Code of Washington to
be known as Title 35A — Optional Municipal Code; pro-
viding for the establishment, organization, and government
of code cities; and prescribing penalties; and providing an
effective date.

Be it enacted by the Legislature of the State of
Washington:

TITLE 35A
OPTIONAL MUNICIPAL CODE

Chapter 35A.01
INTERPRETATION OF TERMS

Section 35A.01.010 Purpose and Policy of This Title—Interpretation. The purpose and policy of this
title is to confer upon two optional classes of cities
created hereby the broadest powers of local self-
government consistent with the Constitution of this
state. Any specific enumeration of municipal powers
contained in this title or in any other general law
shall not be construed in any way to limit the gen-
eral description of power contained in this title, and
any such specifically enumerated powers shall be
construed as in addition and supplementary to the
powers conferred in general terms by this title. All
grants of municipal power to municipalities electing
to be governed under the provisions of this title,
whether the grant is in specific terms or in general
terms, shall be liberally construed in favor of the
municipality.

Sec. 35A.01.020 Noncharter Code City. A non-
charter code city is one, regardless of population,
which has initially incorporated as a noncharter
code city, subject to the provisions of this title, or is
an incorporated municipality which has elected,
under the procedure prescribed in this title, to be classified as a noncharter code city and to be governed according to the provisions of this title under one of the optional forms of government provided for noncharter code cities.

Sec. 35A.01.030 Charter Code City. A charter code city is one having at least ten thousand inhabitants at the time of its organization or reorganization which has either initially incorporated as a charter code city and has adopted a charter under the procedure prescribed in this title; or which, as an incorporated municipality, has elected to be classified as a charter code city and to be governed according to the provisions of this title and of its adopted charter.

Sec. 35A.01.035 Code City. The term "code city" means any noncharter code city or charter code city.

Sec. 35A.01.040 Sufficiency of Petition. Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in subdivisions (d) and (e) hereof are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners.

(b) If the petition initiates or refers an ordinance, a true copy thereof.

[ 1951 ]
(c) If the petition seeks the annexation, consolidation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action.

(d) Numbered lines for signatures with space provided beside each signature for the date of signing and the address of the signer.

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

**WARNING**

Every person who signs this petition with any other than his true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he is not a legal voter, or signs a petition when he is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the date of signing and the address of the signer.

(3) The term "signer" means any person who signs his own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified electors or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such deter-
mination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse.
Optional Municipal Code.

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse.

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority.

(e) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property.

Sec. 35A.01.050 The General Law. For the purposes of this optional municipal code, “the general law” means any provision of state law, not inconsistent with this title, enacted before or after the enactment of this title, which is by its terms applicable or available to all cities or towns. Except when expressly provided to the contrary, whenever in this optional municipal code reference is made to “the general law”, or to specific provisions of the Revised Code of Washington, it shall mean “the general law, or such specific provisions of the Revised Code of Washington as now enacted or as the same may hereafter be amended”.

Sec. 35A.01.060 Optional Municipal Code—This Title. References contained in this title to “Optional Municipal Code”, “this title”, “this code” or to any
specific chapter, section, or provision thereof shall refer to the whole or appropriate part of Title 35A RCW, as now or hereafter amended.

Chapter 35A.02
PROCEDURE FOR INCORPORATED MUNICIPALITY TO BECOME A NONCHARTER CODE CITY—SELECTION OF PLAN OF GOVERNMENT

Sec. 35A.02.010 Adoption of Noncharter Code City Classification Authorized. Any incorporated city or town may become a noncharter code city in accordance with, and be governed by, the provisions of this title relating to noncharter code cities and may select one of the plans of government authorized by this title.

Sec. 35A.02.020 Petition Method—Direct. When a petition is filed, signed by qualified electors of an incorporated city or town, in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the city or town of the classification of noncharter code city, either under its existing authorized plan of government or naming one of the plans of government authorized for noncharter code cities, the legislative body of the city or town to which the petition is presented shall direct the city or town clerk to determine the sufficiency of the petition under the rules set forth in section 35A.01.040. If the petition is found to be sufficient, the clerk shall file with the legislative body a certificate of sufficiency of the petition. Thereupon the legislative body of such city or town shall, by resolution, declare that the inhabitants of the city or town have decided to adopt the classification of noncharter code city and to be governed under the provisions of this title. If a prayer for reorganization is included in the petition

[ 1955 ]
such resolution shall also declare that the inhabitants of the city or town have decided to reorganize under the plan of government specified in the petition. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city or town not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of, first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by section 35A.29.170, the legislative body shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of noncharter code city, and if the petition sought adoption of one of the plans of government authorized for noncharter code cities, the legislative body shall provide for such reorganization by ordinance.

Sec. 35A.02.025 Referendum. Upon the filing of a referendum petition in the manner provided in section 35A.29.170 signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general municipal election, such resolution as authorized by section 35A.02.020 shall be referred to the voters for confirmation or rejection in the next general municipal election if one is to be held within one hundred and eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days from the date of filing such referendum petition.

Sec. 35A.02.030 Resolution Method. When a majority of the legislative body of an incorporated city or town determines that it would serve the best interests and general welfare of such municipality
to change the classification of such city or town to that of noncharter code city, such legislative body may, by resolution, declare its intention to adopt for the city or town the classification of noncharter code city. If the legislative body so determines, such resolution may also contain a declaration of intention to reorganize the municipal government under one of the plans of government authorized in this title, naming such plan; but it shall also be lawful for the legislative body of any incorporated city or town which is governed under a plan of government authorized prior to the time this title takes effect to adopt for the city or town the classification of noncharter code city while retaining the plan of government under which such city or town is then operating. Within ten days after the passage of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city or town. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by section 35A.29.170, the intent expressed in such resolution shall be effected by an ordinance adopting for the city or town the classification of noncharter code city; and, if the resolution includes a declaration of intention to reorganize, the legislative body shall provide for such reorganization by ordinance.

Sec. 35A.02.035 Referendum. Upon the filing of a referendum petition in the manner provided in section 35A.29.170 signed by qualified electors of an incorporated city or town in number equal to not less than ten percent of the votes cast in the last general municipal election, such resolution shall be referred for approval or rejection by the voters at an election as specified in section 35A.02.025.
Sec. 35A.02.040 Certification of Resolution—Transcript of Record to Secretary of State. When one or more ordinances are passed under section 35A.02.020 or section 35A.02.030, the clerk of the city or town shall forward to the secretary of state a certified copy of any such ordinance. Upon the filing in the office of the secretary of state of a certified copy of an ordinance adopting the classification of noncharter code city, such city or town shall thereafter be classified as a noncharter code city; except that if there is also filed with the secretary of state a certified copy of an ordinance providing for reorganization of the municipal government of such city or town, such reclassification and reorganization shall not be effective until the election of the new officers under the plan of government so adopted.

Sec. 35A.02.050 Election of New Officers. The first election of officers under a plan of government adopted in the manner provided in sections 35A.02.020 or 35A.02.030 shall be at the next general municipal election if one is to be held within one hundred and eighty days after certification of a reorganization ordinance or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days from the certification of such ordinance. The terms of the persons holding office at the time of such proceedings shall continue until the new officers are elected and qualified; and the ordinances, bylaws and resolutions adopted under the former plan of government, where not in conflict with state law, shall continue in force until repealed or amended by the legislative body of the reorganized noncharter code city. The former officers shall, upon the election and qualification of new officers, deliver to the proper officers of the reorganized noncharter code city all books of record, documents and papers in their pos-

[ 1958 ]
session belonging to such municipal corporation before the reorganization thereof.

Sec. 35A.02.060 Petition for Election. When a petition which is sufficient under the rules set forth in section 35A.01.040 is filed with the legislative body of an incorporated city or town, signed by qualified electors of such municipality in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city or town of the classification of non-charter code city and the reorganization of the city or town under one of the plans of government authorized in this title, the clerk of the city or town shall file with the legislative body thereof a certificate of sufficiency of such petition. Thereupon, the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days after certification of the sufficiency of the petition, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days from such certification of sufficiency. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in section 35A.29.120.

Sec. 35A.02.070 Resolution for Election. The legislative body of an incorporated city or town may, by resolution, submit to the voters in the next general municipal election if one is to be held within one hundred and eighty days after passage of the resolution, or in a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days after passage of the resolution, a proposal that the city or town adopt the classification of noncharter code city and organize under one of the plans of government authorized in this title, naming such plan.
Sec. 35A.02.080 Election of Officers upon Approval of Plan of Government by Voters. When a proposal to reorganize a city or town as a noncharter code city under a plan of government provided in this title is placed on the ballot for such election by any of the procedures or methods provided in this chapter, candidates for the offices which would be created if the proposed plan of government were approved by the voters may file a declaration of candidacy with the city clerk as provided in section 35A.29.110, and their names shall be placed upon the ballot alphabetically in groups under the designation of the respective titles of offices for which they are candidates. If a majority of those voting on the measures approve adoption by the municipality of the classification of noncharter code city and the reorganization of the municipality, the persons elected to offices under the plan of government approved by the voters shall, upon their qualification as provided by law, become the new officers of the noncharter code city. The former officers of the municipality shall, upon the election and qualification of the new officers, deliver to the proper officers of the new noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before reorganization.

Sec. 35A.02.090 Alternative Plan of Government—Candidates. Proposals for each of the plans of government authorized by this title may be placed on the ballots in the same election by timely petition as provided in this chapter, and candidates for offices under one of the plans of government shall not be disqualified from filing as candidates for offices under the other plan. When the ballot contains alternative proposals for each of the plans of government and slates of candidates for each of the plans, the ballot shall clearly state that voters may vote for only one of the plans of government but
may cast their votes for officers under each of the plans of government to indicate their choice of officers in the event such plan receives a majority of the votes cast. The officers elected by the voters to fill the offices under the plan of government receiving a majority of the votes cast on the measure shall, upon their qualification, become the new officers of the noncharter code city.

Sec. 35A.02.100 Notice of Election. Notice of elections under this chapter shall be given by publication at least once each week for two weeks prior to the date of election in one or more newspapers of general circulation within the city or town of notice containing a statement of the plan or plans of government to be voted upon, the proposal to adopt the classification of noncharter code city, the title of each office, the names and addresses of all candidates for such office, in alphabetical order and without party designation, the day and hours during which the polls will be open and the addresses of each polling place in each precinct. Such notice shall be in lieu of the notice provided by section 35A.29.140.

Sec. 35A.02.110 Canvass of Returns—Certificates of Election—Transcript of Record to Secretary of State. The election officials, after counting the ballots, shall make their returns to the county auditor upon forms furnished by him within six hours after the closing of the polls; and on the Monday next succeeding the election or as soon as the county auditor has received the returns from all the precincts included therein, the county canvassing board shall canvass the returns in such election and shall forthwith certify in duplicate to the city or town clerk the whole number of votes given at the election, the number of votes in favor of reclassification and the number against it, the number of votes
in favor of each plan of government voted upon and the number against it and the number of votes received by each candidate. The clerk shall lay the certificate of election before the legislative body of the city or town at its next regular meeting after the receipt of such certificate by the clerk, and if it appears that the votes cast for adoption of the classification of noncharter code city and in favor of a plan of government named on the ballot were a majority of the votes cast in such election, the council shall thereupon, by resolution, declare that the inhabitants of the city or town have decided on such reclassification and reorganization under the plan of government approved and direct the clerk to forward to the secretary of state a certified copy of the resolution.

Sec. 35A.02.120 Effective Date of Reclassification and Reorganization. Upon the filing of the certified copy of the resolution with the secretary of state, the county auditor shall issue certificates of election to the successful candidates for the offices under the plan of government for which a majority of the votes were cast, and upon the issuance of such certificates, such city or town shall become a noncharter code city governed under the plan of government chosen by the voters, under the provisions of this title and with the powers conferred by this title.

Sec. 35A.02.130 Adoption of Classification of Noncharter Code City without Change of Governmental Plan. Any incorporated city or town governed under a plan of government authorized prior to the time this title takes effect may become a noncharter code city without changing such plan of government by the use of the petition-for-election or resolution-for-election procedures provided in sections 35A.02.060 and 35A.02.070 to submit to the
voters a proposal that such municipality adopt the classification of noncharter code city while retaining its existing plan of government, and upon a favorable vote on the proposal, such municipality shall be classified as a noncharter code city, such reclassification to be effective upon the filing of the record of such election with the office of the secretary of state. Insofar as the provisions of sections 35A.02.100 and 35A.02.110 are applicable to an election on such a reclassification proposal they shall apply to such election.

Sec. 35A.02.140 Petition or Resolution Pending—Restriction—Exception. While proceedings are pending under any petition or resolution relating to reclassification of a municipality or reorganization of the government thereof pursuant to this chapter, no resolution shall be passed for the purpose of initiating other such proceedings or submitting other such proposals to the voters at an election thereunder; and no petition for reclassification or reorganization of such municipality shall be accepted for filing pending such proceedings, except that a timely and sufficient petition seeking to place on the ballot for such election a proposal for an alternative plan of government authorized by this title, as provided in section 35A.02.090, may be filed and acted upon.

Sec. 35A.03.035 Petition—Auditor’s Duties. The county auditor within thirty days from the time of receiving said petition shall determine whether the legal description of the area proposed to be incorporated is correct, whether the petition violates the prohibitions contained in section 35A.03.010 with regard to number of inhabitants, and whether there is a sufficient number of valid signatures. The county auditor shall within five days after making such determination transmit the petition, accompanied by a certificate of his determination as to sufficiency, to the board of county commissioners.

Sec. 35A.03.060 Hearing on Petition. Upon the day set for hearing the petition for incorporation the board of county commissioners shall begin to hear it and shall consider: (1) what the initial population of the proposed noncharter code city would be under the boundaries set by the petition; (2) whether there is such a diversity of interests and needs among the inhabitants of the proposed area that the proposed noncharter code city would be unable to provide services for the entire area proposed; and (3) whether the objectors, if any, have a strong and justifiable reason for being excluded from the area proposed to be incorporated.

The hearing may be adjourned from time to time, not exceeding two months in all from the date of the hearing.
of commencement of the hearing. The board shall set a date for an election on the question of incorporation to be held not more than sixty days after the conclusion of the final hearing.

Any such decrease shall not exceed twenty percent of the area proposed. The board must also determine the number of inhabitants within the boundaries so established: Provided, That the area shall not be so decreased that the number of inhabitants therein shall be less than required by section 35A.03.010 as now or hereafter amended.

Sec. 35A.03.075 Population Determination. The determination of population made by the board of county commissioners shall be the official population of the code city, if incorporated, until an actual enumeration is thereafter made.

Such moneys shall be placed by the city treasurer in the city street fund: Provided, That this section shall not apply to any special assessments due in behalf of such property.

Sec. 35A.03.160 Fire Protection District and Library Districts—Continuation of Services at Option of City. Sec. 35A.03.170 Franchises within Territory Incorporated. In regard to franchises previously granted for operation of any public service business or facility within the territory included within the city limits of the newly-incorporated code city, the rights, obligations, and duties of the legislative body of the code city and of the franchise holder shall be as provided in RCW 35.02.160, and such a franchise shall be canceled and a new franchise issued as therein provided.

Sec. 35A.04.020 Incorporation as Noncharter Code City Authorized—Number of Inhabitants Required—Exception. Any area lying in two or more counties which is not incorporated as a municipal corporation, may become incorporated as a noncharter code city under the provisions of this chapter: Providing, That when any part of the area to be incorporated lies within five miles of any city having a population of fifteen thousand or more no petition under RCW 35.04.030 shall be valid unless the
limits of the proposed city contain five thousand or more inhabitants.

Sec. 35A.04.030 Petition for Incorporation. A petition shall first be presented to the principal county auditor signed by qualified voters resident within each area of each county of the proposed noncharter code city equal in number to ten percent of the votes cast in the proposed area at the last general state election. The petition shall name one of the plans of government authorized by this title as the form of government under which the proposed corporation is to operate in the event it is incorporated, the proposed boundaries of the proposed corporation, the number of inhabitants, as nearly as may be, within each area of each county within the proposed corporation, the name of the proposed corporation, and shall pray that the area may be incorporated as a noncharter code city.

Sec. 35A.04.040 Duties of County Auditors—Certificates of Sufficiency. The principal county auditor, within thirty days after the date of receiving the petition, shall determine whether the legal description of the area to be incorporated in his county is correct, whether the petition violates the prohibition contained in section 35A.04.020 with regard to number of inhabitants, and whether there is a sufficient number of valid signatures in his county. Upon such determination, if the petition does not on its face violate the prohibition of section 35A.04.020, the principal county auditor shall transmit the petition to the other county auditor, or if more than one is involved, successively to each, and such other auditors shall determine whether the legal description is correct and whether there is a sufficient number of valid signatures from the area within their respective counties. No one county auditor shall be allowed more than thirty days within which to check
the petition. Each auditor shall attach a certificate of his determination as to sufficiency and return the petition to the principal county auditor who, in turn, shall, not later than five days after receiving it from the other county auditors, attach thereto a certificate of his determination as to sufficiency for his own county and transmit the petition and certificates to the principal board of county commissioners.

Sec. 35A.04.050 Publication of Petition and Notice. Within ten days of receipt of a petition for incorporation which has been certified as sufficient by the auditors of the respective counties within the proposed area, the principal board of county commissioners shall meet and fix a date for a hearing on the petition, which shall be not more than thirty-five days after receipt of the petition by the board, and shall give notice of the hearing upon the petition and the time and place thereof by at least one publication not more than ten nor less than three days prior to the date set for the hearing in one or more newspapers of general circulation within the respective counties in which the proposed corporation is located. Before selecting the date for the hearing, the principal board of county commissioners shall first obtain approval of such date from each board of county commissioners of the other counties involved.

Sec. 35A.04.060 Hearing—Factors Considered. The hearing provided for in section 35A.04.050 shall be held jointly by all the respective boards of county commissioners under the direction of the principal board of county commissioners. The hearing may be adjourned from time to time not to exceed two months in all from the date of commencement of the hearing. The respective boards shall jointly consider: (1) What the initial popula-
tion of the proposed noncharter code city would be under the boundaries set by the petition; (2) whether there is such a diversity of interests and needs among the inhabitants of the proposed area that the proposed noncharter code city would be unable to provide services for the entire area proposed; and (3) whether those persons, if any, objecting to being included within the proposed corporation have a strong and justifiable reason for being excluded from the area proposed to be incorporated.

Sec. 35A.04.070 Establishment of Boundaries—Limitation—Order. If upon final hearing the respective boards find that any land within their respective counties has been unjustly or improperly included within or excluded from the proposed corporation, based on the considerations stated in section 35A.04.060, the respective boards may change and fix the boundary lines of the portion of the proposed corporation within their respective counties in such a manner as they deem reasonable and just and conducive to the public welfare and convenience: Provided, That when any part of the area to be incorporated lies within five miles of any city having a population of fifteen thousand or more, the area shall not be so decreased that the number of inhabitants therein shall be less than five thousand. No land shall be so included within the boundaries described in the petition unless each board of county commissioners of that county in which the area sought to be included is located first obtains the written assent of a number of qualified voters resident within each area to be included in the proposed corporation equal in number to not less than twenty percent of the votes cast in that area at the last state election. Within five days after the final hearing each board of county commissioners shall, for the area within its respective county, by order establish and define the boundaries of the proposed corpora-
tion, determine the number of inhabitants residing therein and affirm the name of the proposed corporation: *Provided*, That for the action required after the final hearing, the boards may act jointly but in such case a majority of each board must vote favorably on such final action and the order shall be entered in the minutes of each board.

Sec. 35A.04.080 *Determining Population.* In determining the number of inhabitants within the boundaries established for the proposed noncharter code city, the population shall be determined as follows:

An actual enumeration shall be made by, or under the direction of, the board of county commissioners of each county in which a portion of the proposed corporation is located, in accordance with practices and policies, and subject to the approval, of the state census board; and the population so determined shall constitute the official population of the proposed corporation.

Sec. 35A.04.090 *Election for Incorporation and Election of Officers.* Within sixty days after the passage of the order required by section 35A.04.070, the principal county auditor shall cause an election to be held within the boundaries so established for the purpose of determining whether the area described shall be incorporated as a noncharter code city and to fill the elective offices under the plan of government proposed in the petition. The election shall be conducted by the principal county auditor in accordance with the provisions of chapter 35A.29. The principal county officers and principal county canvassing board shall exercise all powers and perform all duties in connection therewith with the assistance of the officers and canvassing board of the other county or counties. If the election is successful, all costs incurred shall be borne by the corpora-
tion, but if unsuccessful, all costs incurred shall be borne proportionately by each county in that ratio which the number of inhabitants residing in that part of each county forming a part of the proposed corporation bears to the total number of inhabitants residing within the boundaries of the whole of the proposed corporation.

Sec. 35A.04.100 Candidates—Filing—Withdrawal—Ballot Position—Qualification of Voters. Candidates for elective positions under the plan of government proposed shall file a declaration of candidacy with the principal county auditor in the manner provided in section 35A.29.110. Any candidate may withdraw his declaration as provided in section 35A.29.110. There shall be no fee charged for filing a declaration of candidacy for this incorporation election. All names of candidates to be voted upon shall be printed upon the ballot alphabetically in groups under the designation of the respective titles of offices for which they are candidates. No person shall be entitled to vote at such election unless he is a qualified elector of his respective county within the proposed corporation and has resided within the limits of such proposed corporation for at least thirty days next preceding such election.

Sec. 35A.04.110 Notice of Election—Contents. The notice of election shall be given by the principal county auditor as provided in section 35A.29.140, and shall also describe the boundaries of the proposed noncharter code city, state the proposed name of the city, the plan of government proposed, and the number of inhabitants, ascertained by the boards of county commissioners to reside therein.

Sec. 35A.04.120 Ballots. The ballots shall contain the words "For Incorporation as a Noncharter Code City" and "Against Incorporation as a Noncharter Code City"; and the names of the persons to be
voted for to fill the elective offices under the plan proposed. Ballot titles shall be prepared by the principal county prosecuting attorney as provided in section 35A.29.120.

Sec. 35A.04.130 Certification of Election Results —Order Declaring Incorporation. The principal county canvassing board shall certify the results of the election to the respective boards of county commissioners. If the results reveal that a majority of the votes cast in each county area are for incorporation, the respective boards of county commissioners acting jointly shall, by order, declare such territory to be incorporated as a noncharter code city, with the plan of government approved, naming it by the name proposed in the petition. Such order shall be entered in the minutes of each board and the principal county auditor shall cause a certified copy of the order to be filed in the office of the secretary of state.

Sec. 35A.04.140 Effective Date of Incorporation —Terms of Elected Officers—First Municipal Election. The incorporation of the noncharter code city shall be complete upon the filing in the office of the secretary of state of the order of the boards of county commissioners declaring it so incorporated. On or before the twentieth day following an election the principal county auditor shall issue certificates of election to the successful candidates for the offices under the plan of government approved and said newly elected officers shall assume office on the first Monday following the issuance of the certificate of election and shall continue in office until their successors are elected and qualified at the next general municipal election: Provided, That if the date of the next general municipal election is less than seventy-five days after the incorporation election, the officers elected at the incorporation election
shall hold office until their successors are elected and qualified at the second general municipal election following such incorporation election.

Sec. 35A.04.150 Municipal Election Procedure. After such a noncharter code city has been incorporated, the elections shall be conducted as provided in chapter 35A.29. Each county auditor in each county in which a part of such noncharter code city is located shall be responsible for closing registration files prior to an election, as provided by law, and performing any duties required by law which relate to registration records, or to election equipment, within his custody or control.

Sec. 35A.04.160 Powers and Duties of County Officers After Incorporation—Costs. After incorporation all purposes essential to the maintenance, operation, and administration of the corporation whenever any action is required or may be performed by any county officer or board, such action shall be performed by the respective officer or board of the county of that part of the noncharter code city in which the largest number of inhabitants reside as of the date of the incorporation thereof, except as provided in section 35A.04.150 and section 35A.04.170; and all costs incurred shall be borne proportionately by each county in that ratio which the number of inhabitants residing in that part of each county forming a part of the noncharter code city bears to the total number of inhabitants residing within the whole of the noncharter code city. For the purposes of this section the number of inhabitants residing in a portion of a county involved in this incorporation proceeding shall be determined by the figures released at the most recent state or federal census or by a determination of the state census board.

Sec. 35A.04.170 Finances—Costs. In the case of evaluation, assessment, collection, apportionment,
and any other allied power or duty relating to taxes in connection with such noncharter code city the action shall be performed by the officer or board of the county for that area of the noncharter code city which is located within his respective county, and all materials, information, and other data and all moneys collected shall be submitted to the proper officer of the county of that part of the noncharter code city in which the largest number of inhabitants reside. Any power which may be, or duty which shall be, performed in connection therewith shall be performed by the officer or board receiving such as though a noncharter code city in only one county were concerned. All moneys collected from such area constituting a part of such noncharter code city that should be paid to such noncharter code city shall be delivered to the corporate treasurer thereof, and all other materials, information, or data relating to the noncharter code city shall be submitted to the appropriate corporate officials.

Any costs or expenses incurred under this section shall be borne proportionately by each county involved.

Sec. 35A.04.180 Consolidation and Annexation. Any noncharter code city incorporated as provided in this chapter may consolidate or annex other incorporated or unincorporated territory outside the existing boundaries of such noncharter code city but contiguous thereto, whether or not the territory lies in one or more counties, by following the procedure provided in this title for such cases when only a single county is involved.

Sec. 35A.04.190 Franchises within Territory Incorporated. The provisions of section 35A.03.170 shall apply with regard to franchises within territory included in an intercounty incorporation under this chapter.
Chapter 35A.05
CONSORTIUM OF TWO OR MORE CONTIGUOUS MUNICIPAL CORPORATIONS AS A NONCHARTER CODE CITY

Sec. 35A.05.010 Consolidation Authorized—Contiguous Defined. Two or more contiguous municipal corporations located in the same or different counties may consolidate into one corporation to form a noncharter code city by proceedings in conformity with the provisions of this chapter. When municipal corporations are separated by water and/or tide or shore lands they shall be deemed contiguous for all the purposes of this chapter and, upon a consolidation of such corporations under the provisions of this chapter, any such intervening water and/or tide or shore lands shall become a part of the consolidated corporation.

Sec. 35A.05.020 Resolution for Election on Consolidation. The legislative bodies of two or more contiguous municipal corporations may, by a joint resolution requiring a majority vote of each legislative body, provide for submission to the voters of each of such corporations of a proposal for consolidation of such contiguous municipal corporations as a noncharter code city, setting forth in the resolution the name proposed for the consolidated city and the proposed plan of government, which shall be one of the plans of government authorized by this title. The resolution shall provide for submission of the question to the voters at the next general municipal election, if one is to be held within one hundred and eighty days, or shall call for a special election to be held for that purpose not less than ninety days nor more than one hundred eighty days after the passage of such joint resolution.

[1979]
Sec. 35A.05.030 Proposal for Assumption of Indebtedness. A resolution under section 35A.05.020 or a petition under section 35A.05.040 may contain a proposal that a general obligation indebtedness of one or more of the corporations proposed to be consolidated shall be assumed by the proposed consolidated noncharter code city, in which event, the resolution or petition shall specify the improvement or service for which such general obligation indebtedness was incurred, state the amount of any such indebtedness then outstanding, and the rate of interest payable thereon. The proposal may contain the limitation that upon consolidation only such properties as were within the city previously obligated and such additional properties within the proposed noncharter code city as will be generally benefited by such improvement or service shall thereafter be taxed to pay such assumed indebtedness.

Sec. 35A.05.040 Petition for Consolidation—Election. When a sufficient petition, as determined by the rules set forth in section 35A.01.040, is filed with the legislative body of each of such contiguous municipal corporations, signed by electors of each such corporation in number equal to not less than ten percent of the votes cast at the last general municipal election therein, seeking consolidation of such contiguous municipal corporations as a noncharter code city under one of the plans of government authorized by this title, naming such plan and setting forth a name for the proposed consolidated city, the legislative body of the municipal corporation in which the largest number of inhabitants reside (hereinafter called principal legislative body) shall cause to be submitted to the electors of each of such corporations, at the next general municipal election, if one is to be held within one hundred and eighty days, or at a special election to be called for that purpose not less than ninety nor more than one
hundred and eighty days after the filing of the petition, the question whether such corporation shall become consolidated as a noncharter code city under the plan of government proposed in the petition.

Sec. 35A.05.050 Notice to Other Municipal Corporations Affected—Designation of Election Date. The principal legislative body receiving a petition for consolidation shall send a written notice thereof to the legislative body of each of the municipal corporations affected, naming the plan of government proposed in the petition, stating the elective offices provided under such plan and the name proposed in the petition for the proposed consolidated city, and designating the day upon which the question of consolidation shall be submitted to the voters in each of the corporations proposed to be consolidated as a noncharter code city. If a proposal for assumption of indebtedness is included in the petition, the notice shall state such proposition.

Sec. 35A.05.060 Election of Officers upon Approval of Consolidation and Plan of Government by the Voters. When a proposal to consolidate one or more contiguous municipal corporations as a noncharter code city is to be submitted to the electors as provided in this chapter, candidates for the offices which would be created if the plan of government proposed in the petition or resolution were approved by the voters shall file a declaration of candidacy with the county auditor not more than forty-five nor less than thirty days prior to such election and their names shall be placed upon the ballot under the designation of the respective titles of offices for which they are candidates. If a majority of those voting on the measures approve the proposed consolidation as a noncharter code city under the plan of government proposed and the name proposed, the persons elected to offices under such plan shall,
upon their qualification as provided by law, become the first officers of the new noncharter code city.

Sec. 35A.05.070 Notice of Election. Upon the giving and receiving of the notice required by section 35A.05.050 or upon the passage of a joint resolution as provided in section 35A.05.020, the legislative body of each of the municipal corporations proposed to be consolidated shall cause an election to be held in such corporation upon the date designated in the resolution or in the notice, and shall publish notice thereof at least once each week for two weeks prior to the date of election in one or more newspapers of general circulation within such corporation. Such notice of election shall state the names of the municipal corporations proposed to be consolidated as a noncharter code city, the name of the proposed noncharter code city, the plan of government proposed in the petition or resolution, the title of each office under such plan, the names and addresses of all candidates for each office, in alphabetical order under the title of the office for which they are candidates and without party designation, the days and hours during which the polls will be open and the address of each polling place in each precinct. If the resolution or petition includes a proposal for assumption of indebtedness, the notice of election shall distinctly state such proposal and shall specify the improvement or service for which the general obligation indebtedness proposed to be assumed was incurred, state the amount of any such indebtedness outstanding or pending at the date of the first publication of the notice and the rate of interest thereon.

Sec. 35A.05.080 Ballots. Ballot titles shall be prepared as provided in section 35A.29.120. If a proposal for assumption of indebtedness is to be submitted to the voters, the proposal shall be separately stated and the ballots shall contain, as a separate
propoition to be voted on, the words "For Assumption of Indebtedness" and "Against Assumption of Indebtedness" or words equivalent thereto. The names of all candidates for offices under the plan of government proposed shall be arranged on the ballot in groups under the designation of the title of the office for which they are candidates, in alphabetical order and without party designation. The ballot shall clearly direct the voter to cast his votes for officers under the plan of government proposed, regardless of how he may vote on the proposition, to indicate his choice among the candidates in the event the proposition is approved by a majority of those voting thereon.

Sec. 35A.05.090 Canvass of Returns—Joint Convention—Abstract of Votes, Contents, Filing. The election officials in each county involved, after counting the ballots, shall make their returns to their county auditor upon forms furnished by him within six hours after the closing of the polls; and on the Monday next succeeding the election or as soon as the county auditor has received the returns from all the precincts included therein, the county canvassing board in each county involved shall canvass the returns in such election. The votes cast in each of such corporations shall be canvassed separately, and the statement shall show the whole number of votes cast, the number of votes cast in each corporation for consolidation as a noncharter code city under the proposed plan of government, and the number in each corporation cast against such consolidation, and the number of votes received by each candidate. If a proposal for assumption of indebtedness was voted upon, the statement shall show the number of votes cast in each corporation for assumption of indebtedness and the number against assumption of indebtedness. A certified copy of such statement shall be filed with the legislative
body of each of the corporations affected. If it shall appear from such statement of canvass that a majority of the votes cast in each of the corporations were in favor of consolidation, the legislative bodies of each of such corporations shall meet in joint convention at the usual place of meeting of the legislative body of that one of the corporations having the largest population as shown by the most recent state or federal census, on the second Monday next succeeding the receipt of the statement of canvass to prepare an abstract of votes cast, incorporating therein the information contained in the statement of canvass and declaring the consolidation as a non-charter code city to be adopted, stating the plan of government and the name of the new city approved at such election. A duly certified copy of such abstract shall be filed with the legislative body of each of the corporations affected and recorded upon its minutes, and the clerk of each such legislative body shall transmit to the secretary of state a duly certified copy of the record of such abstract.

Sec. 35A.05.100 Effective Date of Consolidation and Incorporation of Noncharter Code City. Upon the filing of the record of the abstract of election with the office of the secretary of state by the clerk of each such legislative body, such corporations shall be consolidated into one corporation which shall be classified as a noncharter code city under the name and with the plan of government approved by the voters at such election, and shall be governed under the provisions of this title, with the powers conferred hereby.

Sec. 35A.05.110 Terms of Elected Officers—First Municipal Election. Upon the filing of the record of the abstract of election with the secretary of state, the county auditor shall issue certificates of election to the persons receiving a majority of the votes cast
for each office at such election. The newly elected officers, upon their qualification as provided by law, shall assume office on the first Monday following the issuance of the certificate of election and shall continue in office until their successors are elected and qualified at the next general municipal election: 

*Provided,* That if the date of the next general municipal election is less than seventy-five days after the consolidation election, the officers elected at the consolidation election shall hold office until their successors are elected and qualified at the second general municipal election following such incorporation election.

Sec. 35A.05.120 *Cost of Election.* If the majority vote at an election under this chapter is in favor of consolidation, the costs of such election shall be borne by the new noncharter code city formed by such consolidation. If the majority vote at such election was against consolidation, the costs of election shall be borne proportionately by each corporation affected, in that ratio which the number of inhabitants residing in such corporation bear to the total number of inhabitants residing in the total area in which the election was held, as shown by the figures released at the most recent state or federal census or by a determination of the state census board.

Sec. 35A.05.130 *Disposition of Property.* Upon the consolidation of two or more municipal corporations as provided in this chapter, the title to all property owned by, or held in trust for, such former corporations shall vest in the consolidation corporation: *Provided,* That if any such former corporation shall be indebted, the proceeds of the sale of any such property not required for the use of such consolidated corporation shall be applied to the payment of such indebtedness, if any exists at the time of such sale.

[ 1985 ]
Sec. 35A.05.140 Assets and Liabilities of Component Corporations—Taxation to Pay Claims. Such consolidation shall in no wise affect or impair the validity of any claim or chose in action existing in favor of, or against, any such former corporation so consolidated, or the area theretofore comprising such former corporation, or any proceeding pending in relation thereto, but such consolidated noncharter code city shall collect such claim in favor of such former corporation and shall apply the proceeds to the payment of any just claims against them respectively, and shall, when necessary, levy and collect taxes against the taxable property within any such former corporation sufficient to pay all just claims against it.

Sec. 35A.05.150 Continuation of Ordinances. All ordinances in force within each former corporation at the time of consolidation not in conflict with the laws governing the consolidated noncharter code city, shall remain in full force and effect within the area of the consolidated city to which such ordinances formerly applied until superseded or repealed by the legislative body of the consolidated noncharter code city, and shall be enforced by the new city, but all ordinances of such former corporations in conflict with ordinances of the consolidated noncharter code city shall be deemed repealed upon the effective date of a conflicting or repealing ordinance of the noncharter code city. Nothing in this section shall be construed to discharge any person from any liability, civil or criminal, for any violation of any ordinance of such former corporation incurred prior to such consolidation.

Sec. 35A.05.160 Taxation of Component Cities. No property within any former corporation so consolidated under the provisions of this chapter shall be taxed to pay any portion of any general obliga-
tion indebtedness of any other of such former corporations contracted or incurred prior to the date of such consolidation; except that, when the petition or resolution initiating such consolidation proceedings proposes that a general obligation indebtedness of one or more of the corporations proposed to be consolidated shall be assumed by the proposed consolidated noncharter code city and such proposal is approved by sixty percent of the voters voting thereon in each former corporation, then the legislative body of the new noncharter code city shall be authorized to apportion the burden of taxation to pay such indebtedness or to meet such obligation.

Chapter 35A.06

PROVISIONS APPLICABLE TO ADOPTION AND ABANDONMENT OF NONCHARTER CODE CITY CLASSIFICATION OR PLAN OF GOVERNMENT

Sec. 35A.06.010 Each Optional Plan of Government Declared Complete Form of Government. Each of the optional plans of government authorized by chapter 35A.12 and chapter 35A.13, with any amendments thereto, is declared to be a complete and separate plan of government authorized by the legislature for submission to the voters of a municipality or for adoption by resolution of the legislative body thereof in the manner provided herein, and is additional to the plans of government existing prior to the time this title takes effect.

Sec. 35A.06.020 Laws Applicable to Noncharter Code Cities. The classifications of municipalities which existed prior to the time this title goes into effect — first class, second class, third class and fourth class — and the restrictions, limitations, duties, and obligations specifically imposed by law upon such classes of cities and towns, shall have no application to noncharter code cities, but every non-
charter code city, by adopting such classification, has elected to be governed by the provisions of this title, with the powers granted hereby.

Sec. 35A.06.030 Abandonment of Plan of Government of a Noncharter Code City. By use of the resolution for election or petition for election methods described in section 35A.06.040, any noncharter code city which has operated for more than six years under one of the optional plans of government authorized by this title, or which retained its existing plan of government upon becoming a noncharter code city and has operated thereunder for more than six years, may abandon such organization and may either adopt another plan of government authorized for noncharter code cities, or may adopt a plan of government authorized by the general law for municipalities of the highest class for which the population of such city qualifies it, or authorized for the class to which such city belonged immediately prior to becoming a noncharter code city, if any. When a noncharter code city adopts a plan of government other than those authorized for noncharter code cities, such city ceases to be governed under this optional municipal code and shall be classified as a city or town of the class selected in the proceeding for adoption of such new plan, with the powers granted to such class under the general law.

Sec. 35A.06.040 Abandonment—Resolution or Petition for Election. Upon the passage of a resolution of the legislative body of a noncharter code city, or upon the filing of a sufficient petition with the city clerk signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein, proposing abandonment by the city of the plan of government under which it is then operating and adoption of another plan, naming such plan, the suffi-
ciency of the petition for abandonment shall be determined, an election ordered and conducted, and the results declared generally as provided in chapter 35A.02 insofar as such provisions are applicable. If the resolution or petition proposes a plan of government other than those authorized in chapters 35A.12 and 35A.13 of this title, the resolution or petition shall specify the class under which such city will be classified upon adoption of such plan.

Sec. 35A.06.050 Abandonment—Election. The proposal for abandonment of the plan of government under which a noncharter code city has operated for more than six years and for adoption of the plan named in the resolution or petition shall be voted upon at the next general municipal election if one is to be held within one hundred and eighty days or at a special election called for that purpose not less than ninety days, nor more than one hundred and eighty days after the passage of the resolution or the certification of sufficiency of the petition. The ballot title and statement of the proposition shall be prepared by the city attorney as provided in section 35A.29.120. If the plan proposed in the petition is not a plan authorized for noncharter code cities by this title, the ballot statement shall clearly set forth that adoption of such plan by the voters would require abandonment of the classification of noncharter code city and government under the general law relating to cities of the class specified in the resolution or petition. If the plan proposed in the petition is a plan authorized for noncharter code cities the ballot statement shall clearly set forth that adoption of such plan by the voters would not affect the eligibility of the noncharter code city to be governed under this optional municipal code.

Sec. 35A.06.060 Abandonment—Reorganization under Plan Adopted—Effective Date. If a majority
of votes cast at the election favor abandonment of the plan of government under which the noncharter code city is then organized and reorganization under the plan proposed in the resolution or petition, the officers elected at the next succeeding general municipal election shall be those prescribed by the plan of government so adopted. Upon the election and qualification of such officers the reorganization of the government of such municipality shall be complete and such municipality shall thereafter be governed under such plan. If the plan so adopted is not a plan authorized for noncharter code cities, upon the election and qualification of such officers the municipality shall cease to be a noncharter code city governed under the provisions of this optional municipal code and shall revert to the classification selected at such election and shall be governed by the general laws relating to municipalities of such class with the powers conferred by law upon municipalities of such class. Such change of classification shall not affect the then existing property rights or liabilities of the municipal corporation.

Sec. 35A.06.070 Abandonment of Noncharter Code City Classification without Reorganization. By means of the procedures set forth in this chapter, insofar as they apply, any noncharter code city which has been governed under the provisions of this title for more than six years may abandon the classification of noncharter code city and elect to be governed under the general law relating to cities or towns of the classification held by such city immediately prior to becoming a noncharter code city, if any, or relating to cities or towns of the highest class for which it is qualified by population, with the powers conferred by law upon such class, while retaining the plan of government under which it is then organized. A change of classification approved by a majority of the voters voting on such proposi-
tion shall become effective upon the filing of the record of such election with the office of the secretary of state.

Sec. 35A.06.080 After Reclassification or Adoption of Plan of Government No Subsequent Vote on Change for Six Years. The voters of any municipality which has adopted a plan of government or changed the classification of the municipality under the provisions of this title may not vote on the question of adopting another plan of government or again changing classification for six years thereafter; except that this limitation shall not apply to a noncharter code city seeking to adopt a charter and become a charter code city, governed under the plan of government specified in its charter.

Chapter 35A.07
PROCEDURE FOR CITY OPERATING UNDER CHARTER TO BECOME A CHARTER CODE CITY

Sec. 35A.07.010 Adoption of Charter Code City Classification Authorized. Any city having ten thousand inhabitants which is governed under a charter may become a charter code city by a procedure prescribed in this chapter and be governed under this title, with the powers conferred hereby.

Sec. 35A.07.020 Petition Method—Direct. When a petition is filed, signed by qualified electors of a charter city in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the charter city of the classification of charter code city the legislative body of such city shall direct the city clerk to determine the sufficiency of the petition under the rules set forth in section 35A.01.040. If the petition is found to be sufficient, the clerk shall file with the legislative body a certificate of sufficiency of the petition. Thereupon the legislative body of the charter city shall, by resolution, declare that the inhabit-
Calif. ant of such city have decided to adopt the classification of charter code city and to be governed under this title. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by section 35A.29.170, the legislative body shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of charter code city.

Sec. 35A.07.025 Referendum. Upon the filing of a referendum petition in the manner provided in section 35A.29.170 signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general municipal election, the resolution authorized by section 35A.07.020 shall be referred to the voters for confirmation or rejection in the next general municipal election, if one is to be held within one hundred and eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days from the filing of such referendum petition.

Sec. 35A.07.030 Resolution Method. When a majority of the legislative body of a charter city determines that it would serve the best interests and general welfare of such city to become a charter code city, such legislative body may, by resolution, declare its intention to adopt for the city the classification of charter code city and to be governed under the provisions of this title, with the powers conferred hereby. Within ten days after the passage
of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed, as determined by section 35A.29.170, the intent expressed in such resolution shall be effected by passage of an ordinance adopting for the city the classification of charter code city.

Upon the filing of the certified copy of the ordinance in the office of the secretary of state, such city shall be classified as a charter code city and shall thereafter be governed under the provisions of this optional municipal code and have the powers conferred hereby.

Sec. 35A.07.050 Petition for Election. When a petition which is sufficient under the rules set forth in section 35A.01.040 is filed with the legislative body of a charter city, signed by qualified electors of such city in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city of the classification of charter code city, the city clerk shall file
with the legislative body thereof a certificate of sufficiency of such petition. Thereupon the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days after the filing of such petition. Ballot titles for such election shall be prepared by the city attorney as provided in section 35A.29.120.

If a majority of votes cast on the proposition are in favor of adoption of the classification of charter code city, upon the certification of the record of election to the office of the secretary of state, such city shall become a charter code city and shall be governed under the provisions of this title and have the powers conferred on charter code cities.

Chapter 35A.08
PROCEDURE FOR ADOPTION OF CHARTER AS CHARTER CODE CITY

Sec. 35A.08.010 Adoption of Charter Authorized. Any city having a population of ten thousand or more inhabitants may become a charter code city and be governed under the provisions of this title by
adopting a charter for its own government in the manner prescribed in this chapter. Once any city, having ten thousand population, has adopted such a charter, any subsequent decrease in population below ten thousand shall not affect its status as a charter code city.

Sec. 35A.08.020 Determining Population. For the purposes of this chapter, the population of a city shall be the number of residents shown by the figures released for the most recent official state or federal census, by a population determination made under the direction of the state census board, or by a city census conducted in the following manner:

(1) The legislative authority of any such city may provide by ordinance for the appointment by the mayor thereof, of such number of persons as may be designated in the ordinance to make an enumeration of all persons residing within the corporate limits of the city. The enumerators so appointed, before entering upon their duties, shall take an oath for the faithful performance thereof and within five days after their appointment proceed, within their respective districts, to make an enumeration of all persons residing therein, with their names and places of residence.

(2) Immediately upon the completion of the enumeration, the enumerators shall make return thereof upon oath to the legislative authority of the city, who at its next meeting or as soon thereafter as practicable, shall canvass and certify the returns.

(3) If it appears therefrom that the whole number of persons residing within the corporate limits of the city is ten thousand or more, the mayor and clerk under the corporate seal of the city shall certify the number so ascertained to the secretary of state, who shall file it in his office. This certificate when so filed shall be conclusive evidence of the population of the city.
Sec. 35A.08.030 Resolution or Petition for Election. The legislative body of any city having ten thousand or more inhabitants may, by resolution, provide for submission to the voters of the question whether the city shall become a charter code city and be governed in accordance with a charter to be adopted by the voters under the provisions of this title. The legislative body must provide for such an election upon receipt of a sufficient petition therefor signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein. The question may be submitted to the voters at the next general municipal election if one is to be held within one hundred and eighty days or at a special election held for that purpose not less than ninety nor more than one hundred and eighty days after the passage of the resolution or the filing of the certificate of sufficiency of the petition. At such election provision shall also be made for the election of fifteen freeholders who, upon a favorable vote on the question, shall constitute the charter commission charged with the duty of framing a charter for submission to the voters.

Sec. 35A.08.040 Election on Question—Election of Freeholders. The election on the question whether to adopt a charter and become a charter code city and the nomination and election of the members of the charter commission shall be conducted, and the result declared, according to the laws regulating and controlling elections in the city. Candidates for election to the charter commission must be nominated by petition signed by ten qualified electors of the city and residents therein for a period of at least two years preceding the election. A nominating petition shall be filed within the time allowed for filing declarations of candidacy and shall be verified by an affidavit of one or more of the
signers to the effect that the affiant believes that the candidate and all of the signers are qualified electors of the city and he signed the petition in good faith for the purpose of endorsing the person named therein for election to the charter commission. A written acceptance of the nomination by the nominee shall be affixed to the petition when filed with the city clerk. Nominating petitions need not be in the form prescribed in section 35A.01.040. Any nominee may withdraw his nomination by a written statement of withdrawal filed at any time not later than five days before the last day allowed for filing nominations. The positions on the charter commission shall be designated by consecutive numbers one through fifteen, and the positions so designated shall be considered as separate offices for all election purposes. A nomination shall be made for a specific numbered position.

Sec. 35A.08.050 Organization of Charter Commission—Vacancies—Duties. Within ten days after its election the charter commission shall hold its first meeting, elect one of the members as chairman, and adopt such rules for the conduct of its business as it may deem advisable. In the event of a vacancy in the charter commission, the remaining members shall fill it by appointment thereto of some properly qualified person. A majority shall constitute a quorum for transaction of business but final charter recommendations shall require a majority vote of the whole membership of the commission. The commission shall study the plan of government of the city, compare it with other available plans of government, and determine whether, in its judgment, the government of the city could be strengthened, made more responsive or accountable to the people, or whether its operation could be made more economical or more efficient by amendment of the existing plan or adoption of another plan of govern-
ment. The commission shall consider the plans of government described in this title but shall not be limited to such plans in its recommendations for the government of the city and may frame a charter for any plan it deems suitable for the good government of the city; except that the provisions of such charter shall not be valid if inconsistent with the Constitution of this state, the provisions of this title, or the general laws of the state, insofar as they are applicable to cities governed under this title.

Sec. 35A.08.060 Expenses of Commission Members—Consultants and Assistants. Members of the charter commission shall serve without compensation but shall be reimbursed by the city from any funds for their necessary expenses incurred in the performance of their duties. The legislative body may, in its discretion, make a reasonable appropriation of the city funds to provide for public information and discussion concerning the purposes and progress of the commission's work and/or to provide technical or clerical assistance to the commission in its work. Within the limits of any such appropriation and privately contributed funds and services as may be available to it, the charter commission may appoint one or more consultants and clerical or other assistants to serve at the pleasure of the commission and may fix a reasonable compensation to be paid such consultants and assistants.

Sec. 35A.08.070 Public Hearing. The charter commission shall hold at least one public hearing in the course of its deliberations, may hold committee meetings and may sponsor public forums and promote public education and discussion respecting its work.

Sec. 35A.08.080 Submission of Charter—Election of Officers—Publication. Within one hundred and eighty days from the date of its first meeting,
the charter commission, or a majority thereof, shall frame a charter for the city and submit the charter to the legislative body of the city, which, within five days thereafter shall initiate proceedings for the submission of the proposed charter to the qualified electors of the city at the next general election if one is to be held within one hundred and eighty days or at a special election to be held for that purpose not less than ninety nor more than one hundred and eighty days after submission of the charter to the legislative body. The legislative body shall cause the proposed charter to be published in a newspaper of general circulation in the city at least once each week for four weeks next preceding the day of submitting the same to the electors for their approval. At this election the first officers to serve under the provisions of the proposed charter shall also be elected. If the election is from wards, the division into wards as specified in the proposed charter shall govern; in all other respects the then existing laws relating to such elections shall govern. The notice of election shall specify the objects for which the election is held and shall be given as required by law.

Sec. 35A.08.090 Conduct of Elections. The election upon the question of becoming a charter code city and framing a charter and the election of the charter commission, and the election upon the adoption or rejection of the proposed charter and the officers to be elected thereunder, the returns of both elections, the canvassing thereof, and the declaration of the result shall be governed by the laws regulating and controlling elections in the city.

Sec. 35A.08.100 Ballot Titles. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in section 35A.29.120. The ballot statement in the election for adopting or
rejecting the proposed charter shall clearly state that, upon adoption of the proposed charter, the city would be governed by its charter and by this title.

Sec. 35A.08.110 Certificates of Election to Officers—Effective Date of Becoming Charter Code City. If a majority of the votes cast at the election upon the adoption of the proposed charter favor it, certificates of election shall be issued to each officer elected at that election. Within ten days after the issuance of the certificates of election, the newly elected officers shall qualify as provided in the charter, and on the tenth day thereafter at twelve o'clock noon of that day or on the next business day if the tenth day is a Saturday, Sunday or holiday, the officers so elected and qualified shall enter upon the duties of the offices to which they were elected and at such time the charter shall be authenticated, recorded, attested and go into effect, and the city shall thereafter be classified as a charter code city. When so authenticated, recorded and attested, the charter shall become the organic law of the city and supersede any existing charter and amendments thereto and all special laws inconsistent therewith.

Sec. 35A.08.120 Authentication of Charter. The authentication of the charter shall be by certificate of the mayor in substance as follows:

If such proposed charter amendment is ratified by a majority of the qualified electors voting thereon it shall become a part of the charter organic law governing such charter code city.

Sec. 35A.09.020 Petition for Submission of Charter Amendment. Upon the filing with the city clerk of a sufficient petition signed by qualified electors of a charter code city, in number equal to at least ten percent of the votes cast at the last general municipal election, seeking the adoption of a specified charter amendment set forth in the petition, providing for any matter within the realm of local affairs, or municipal business, or structure of municipal government, offices, and departments, said amendment shall be submitted to the voters at the next general municipal election if one is to be held within one hundred and eighty days, or at a special election to be held for that purpose not less than ninety days, nor more than one hundred and eighty days after the filing of the certificate of sufficiency of the petition. The proposed charter amendment shall be published as provided in section 35A.09.050.
Upon approval by a majority of the qualified electors voting thereon, such amendment shall become a part of the charter organic law governing such charter code city.

Sec. 35A.09.030 New or Revised Charter—Petition—Charter Commission. On the petition of a number of qualified electors of a charter code city equal to ten percent of the total votes cast at the last preceding municipal general election, the legislative body of such charter code city shall, or without such petition, may, by resolution, cause an election to be held for the election of a charter commission of fifteen freeholders for the purpose of preparing a new or revised charter for the city by altering, revising, adding to, or repealing the existing charter including all amendments thereto. The members of the charter commission shall be qualified and nominated as provided by chapter 35A.08. At such election the proposition of whether or not a charter commission shall be created at all shall be separately stated on the ballots and unless a majority of the votes cast upon that proposition favor it, no further steps shall be taken in the proceedings.

Sec. 35A.09.040 Submission of New or Revised Charter—Election. Within ten days after the results of the election authorized by section 35A.09.030 have been determined, if a majority of the votes cast favor the proposition, the members of the charter commission elected thereat shall convene and prepare a new or revised charter by altering, revising, adding to, or repealing the existing charter including all amendments thereto and within one hundred and eighty days thereafter file it with the city clerk. Sec. 35A.12.070 Compensation of Elective Officers—Expenses. The salaries of the mayor and the councilmen shall be fixed by ordinance and may be revised from time to time by ordinance, but any increase or reduction in the compensation attaching to an office shall not be applicable to the term then being served by the incumbent.

Until the first elective officers under this mayor-council plan of government may lawfully be paid the compensation provided by such salary ordinance, such officers shall be entitled to be compensated in the same manner and in the same amount as the compensation paid to officers of such city performing comparable services immediately prior to adoption of this mayor-council plan.

Until a salary ordinance can be passed and become effective as to elective officers of a newly incorporated code city, such first officers shall be entitled to compensation as follows: In cities having less than five thousand inhabitants, the mayor shall be entitled to a salary of one hundred and fifty dollars per calendar month and a councilman shall be entitled to twenty dollars per meeting for not more than two meetings per month; in cities having more than five thousand but less than fifteen thousand inhabitants, the mayor shall be entitled to a salary of three hundred and fifty dollars per calendar month and a councilman shall be entitled to one hundred and fifty dollars per calendar month; in cities having more than fifteen thousand inhabitants, the mayor shall be entitled to a salary of twelve hundred and fifty dollars per calendar month and a
councilman shall be entitled to four hundred dollars per calendar month: Provided, That such interim compensation shall remain in effect only until a salary ordinance is passed and becomes effective as to such officers, and the amounts herein provided shall not be construed as fixing the usual salary of such officers. The mayor and councilmen shall receive reimbursement for their actual and necessary expenses incurred in the performance of the duties of their office, or the council by ordinance may provide for a per diem allowance. Procedure for approval of claims for expenses shall be as provided by ordinance.

Sec. 35A.12.080 Oath and Bond of Officers. Any officer before entering upon the performance of his duties may be required to take an oath or affirmation as prescribed by charter or by ordinance for the faithful performance of his duties. The clerk, treasurer, if any, chief of police, and such other officers or employees as may be designated by ordinance or by charter shall be required to furnish annually an official bond conditioned on the honest and faithful performance of their official duties. The terms and penalty of official bonds and the surety therefor shall be prescribed by ordinance or charter and the bond shall be approved by the chief administrative officer of the city. The premiums on such bonds shall be paid by the city. When the furnishing of an official bond is required of an officer or employee, compliance with such provisions shall be an essential part of qualification for office.

Sec. 35A.12.090 Appointment and Removal of Officers—Terms. The mayor shall have the power of appointment and removal of all appointive officers and employees subject to any applicable law, rule, or regulation relating to civil service except that a police judge or municipal judge who is appointed
may be removed only upon conviction of misconduct or malfeasance in office, or because of physical or mental disability rendering him incapable of performing the duties of his office. The head of a department or office of the city government may be authorized by the mayor to appoint and remove subordinates in such department or office, subject to any applicable civil service provisions. All appointments of city officers and employees shall be made on the basis of ability and training or experience of the appointees in the duties they are to perform, from among persons having such qualifications as may be prescribed by ordinance or by charter, and in compliance with provisions of any merit system applicable to such city. Confirmation by the city council of appointments of officers and employees shall be required only when the city charter, or the council by ordinance, provides for confirmation of such appointments. Confirmation of mayoral appointments by the council may be required by the council in any instance where qualifications for the office or position have not been established by ordinance or charter provision. Appointive offices shall be without definite term unless a term is established for such office by law, charter or ordinance.

Sec. 35A.12.100 Duties and Authority of the Mayor—Veto—Tie-Breaking Vote. The mayor shall be the chief executive and administrative officer of the city, in charge of all departments and employees, with authority to designate assistants and department heads. The mayor may appoint and remove a chief administrative officer or assistant administrative officer, if so provided by ordinance or charter. He shall see that all laws and ordinances are faithfully enforced and that law and order is maintained in the city, and shall have general supervision of the administration of city government and all city interests. All official bonds and
bonds of contractors with the city shall be submitted to the mayor or such person as he may designate for approval or disapproval. He shall see that all contracts and agreements made with the city or for its use and benefit are faithfully kept and performed, and to this end he may cause any legal proceedings to be instituted and prosecuted in the name of the city, subject to approval by majority vote of the council. The mayor shall preside over all meetings of the city council, when present, but shall have a vote only in the case of a tie in the votes of the councilmen. He shall report to the council concerning the affairs of the city and its financial and other needs, and shall make recommendations for council consideration and action. He shall prepare and submit to the council a proposed budget, as required by chapter 35A.33. The mayor shall have the power to veto ordinances passed by the council and submitted to him as provided in section 35A.12.130 but such veto may be overridden by the vote of a majority of all council members plus one more vote. The mayor shall be the official and ceremonial head of the city and shall represent the city on ceremonial occasions, except that when illness or other duties prevent the mayor's attendance at an official function and no mayor pro tempore has been appointed by the council, a member of the council or some other suitable person may be designated by the mayor to represent the city on such occasion.

Sec. 35A.12.110 Council Meetings. The city council and mayor shall meet regularly, at least once a month, at a place within the corporate limits of the city at such times as may be fixed by ordinance or resolution. Special meetings may be called by the mayor or any three members of the council by written notice delivered to each member of the council at least twelve hours before the time specified for
the proposed meeting. All council meetings shall be open to the public except that the council may hold executive sessions from which the public is excluded for purposes other than the final adoption of an ordinance, resolution, rule, regulation, or directive. No ordinance or resolution shall be passed, or contract let or entered into, or bill for the payment of money allowed at any meeting not open to the public, nor at any public meeting the date of which is not fixed by ordinance, resolution, or rule, unless public notice of such meeting has been given by such notice to the local press, radio, and television, as will be reasonably calculated to inform inhabitants of the city of the meeting. Meetings of the council shall be presided over by the mayor, if present, or the mayor pro tempore, or deputy mayor if one has been appointed, or by a member of the council selected by a majority of the council members at such meeting. Appointment of a council member to preside over the meeting shall not in any way abridge his right to vote on matters coming before the council at such meeting. In the absence of the clerk, a deputy clerk or other qualified person appointed by the clerk, the mayor, or the council, may perform the duties of clerk at such meeting. A journal of all proceedings shall be kept, which shall be a public record.

Sec. 35A.12.120 Council—Quorum—Rules—Voting. At all meetings of the council a majority of the councilmen shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time and may compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance. The council shall determine its own rules and order of business, and may establish rules for the conduct of council meetings and the maintenance of order. At the desire of any member, any
question shall be voted upon by roll call and the ayes and nays shall be recorded in the journal.

The passage of any ordinance, grant or revocation of franchise or license, and any resolution for the payment of money shall require the affirmative vote of at least a majority of the whole membership of the council.

Sec. 35A.12.130 Ordinances—Style—Requisites—Veto. The enacting clause of all ordinances shall be as follows: “The city council of the city of .................................... do ordain as follows:” No ordinance shall contain more than one subject and that must be clearly expressed in its title.

No ordinance or any section or subsection thereof shall be revised or amended unless the new ordinance sets forth the revised ordinance or the amended section or subsection at full length.

No ordinance shall take effect until five days after the date of its publication unless otherwise provided by statute or charter, except that an ordinance passed by a majority plus one of the whole membership of the council, designated therein as a public emergency ordinance necessary for the protection of public health, public safety, public property or the public peace, may be made effective upon adoption, but such ordinance may not levy taxes, grant, renew, or extend a franchise, or authorize the borrowing of money.

Every ordinance which passes the council in order to become valid must be presented to the mayor; if he approves it, he shall sign it, but if not, he shall return it with his written objections to the council and the council shall cause his objections to be entered at large upon the journal and proceed to a reconsideration thereof. If upon reconsideration a majority plus one of the whole membership, voting upon a call of ayes and nays, favor its passage, the ordinance shall become valid notwithstanding the
mayor's veto. If the mayor fails for ten days to either approve or veto an ordinance, it shall become valid without his approval. Ordinances shall be signed by the mayor and attested by the clerk.

Sec. 35A.12.140 Adoption of Codes by Reference. Ordinances may by reference adopt Washington state statutes and state, county, or city codes, regulations, or ordinances or any standard code of technical regulations, or portions thereof, including, for illustrative purposes but not limited to, fire codes and codes or ordinances relating to the construction of buildings, the installation of plumbing, the installation of electric wiring, health and sanitation, the slaughtering, processing and selling of meats and meat products for human consumption, the production, pasteurizing and sale of milk and milk products, or other subjects, together with amendments thereof or additions thereto, on the subject of the ordinance. Such Washington state statutes or codes or other codes or compilations so adopted need not be published in a newspaper as provided in section 35A.12.160, but the adopting ordinance shall be so published and a copy of any such adopted statute, ordinance or code, or portion thereof, with amendments or additions, if any, in the form in which it was adopted, shall be authenticated and recorded by the clerk along with the adopting ordinance. Not less than three copies of such statute, code or compilation with amendments or additions, if any, in the form in which it was adopted, shall be filed in the office of the city clerk for use and examination by the public. While any such statute, code or compilation is under consideration by the council prior to adoption, not less than three copies thereof shall be filed in the office of the city clerk for examination by the public.

Sec. 35A.12.150 Ordinances—Authentication and Recording. The city clerk shall authenticate by his
signature and record in full in a properly indexed book kept for the purpose all ordinances and resolutions adopted by the council. Such book, or copies of ordinances and resolutions, shall be available for inspection by the public at reasonable times and under reasonable conditions.

Sec. 35A.12.160 Publication of Ordinances. Promptly after adoption, every ordinance shall be published, verbatim, at least once in a newspaper printed and published within the city, such publication to be made in the city's official newspaper if there is one. If there is no official newspaper or other newspaper printed and published within the city, then publication shall be made by printing and posting the ordinance in at least three public places in the city designated by ordinance as the official posting places for city notices.

Sec. 35A.12.170 Audit and Allowance of Demands against City. All demands against a code city shall be presented and audited in accordance with such regulations as may be prescribed by charter or ordinance; and upon the allowance of a demand, the clerk shall draw a warrant upon the treasurer for it, which warrant shall be countersigned by the mayor, or such person as he may designate, and shall specify the fund from which it is to be paid; or, payment may be made by a bank check when authorized by the legislative body of the code city under authority granted by section 35A.40.020, which check shall bear the signatures of the officers designated by the legislative body as required signatories of checks of such city, and shall specify the fund from which it is to be paid.

Sec. 35A.12.180 Optional Division of City into Wards. At any time not within three months previous to a municipal general election the council of a
noncharter code city organized under this chapter may divide the city into wards or change the boundaries of existing wards. No change in the boundaries of wards shall affect the term of any councilman, but he shall serve out his term in the ward of his residence at the time of his election: Provided, That if this results in one ward being represented by more councilmen than the number to which it is entitled those having the shortest unexpired terms shall be assigned by the council to wards where there is a vacancy. The representation of each ward in the city council shall be in proportion to the population as nearly as is practicable. When the city has been divided into wards no person shall be eligible to the office of councilman unless he resides in the ward for which he is elected on the date of his election, and removal of his residence from the ward for which he was elected renders his office vacant.

Sec. 35A.12.190 *Powers of Council.* The council of any code city organized under the mayor-council plan of government provided in this chapter shall have the powers and authority granted to the legislative bodies of cities governed by this title, as more particularly described in chapter 35A.11.

Chapter 35A.13

COUNCIL-MANAGER PLAN OF GOVERNMENT

Sec. 35A.13.010 *City Officers—Size of Council.* The councilmen shall be the only elective officers of a code city electing to adopt the council-manager plan of government authorized by this chapter, except where statutes provide for an elective police judge. The council shall appoint an officer whose title shall be "city manager" who shall be the chief executive officer and head of the administrative branch of the city government. The city manager shall be responsible to the council for the proper administration of all affairs of the code city. The
council of a noncharter code city having less than twenty-five hundred inhabitants shall consist of five members; when there are twenty-five hundred or more inhabitants the council shall consist of seven members. The number of inhabitants shall be determined by the most recent official state or federal census or determination by the state census board. A charter adopted under the provisions of this title, incorporating the council-manager plan of government set forth in this chapter may provide for an uneven number of councilmen not exceeding eleven.

Sec. 35A.13.020 Election of Councilmen—Eligibility—Terms—Vacancies—Forfeiture of Office. In council-manager code cities, eligibility for election to the council, the manner of electing councilmen, the numbering of council positions, the terms of councilmen, the occurrence and the filling of vacancies, the grounds for forfeiture of office, and appointment of a mayor pro tempore or deputy mayor or councilman pro tempore shall be governed by the corresponding provisions of sections 35A.12.030, 35A.12.040, 35A.12.050, 35A.12.060, and 35A.12.065 relating to the council of a code city organized under the mayor-council plan.

Sec. 35A.13.030 Mayor—Election by Council—Duties—Mayor Pro Tempore. Biennially at the first meeting of the new council the members thereof shall choose a chairman from among their number who shall have the title of mayor and shall preside at meetings of the council. In addition to the powers conferred upon him as mayor, he shall continue to have all the rights, privileges, and immunities of a member of the council. The mayor shall be recognized as the head of the city for ceremonial purposes and by the governor for purposes of military law. He shall have no regular administrative duties, but in time of public danger or emergency, if so
authorized by ordinance, shall take command of the police, maintain law, and enforce order.

Sec. 35A.13.040 Compensation of Councilmen—Expenses. The salaries of the councilmen, including the mayor, shall be fixed by ordinance and may be revised from time to time by ordinance, but any increase or reduction in the compensation attaching to an office shall not become effective until the expiration of the term then being served by the incumbent.

Until councilmen of a newly-organized council-manager code city may lawfully be paid as provided by salary ordinance, such councilmen shall be entitled to compensation in the same manner and in the same amount as councilmen of such city prior to the adoption of this council-manager plan.

Until a salary ordinance can be passed and become effective as to elective officers of a newly incorporated code city, the first councilmen shall be entitled to compensation as follows: In cities having less than five thousand inhabitants — twenty dollars per meeting for not more than two meetings per month; in cities having more than five thousand but less than fifteen thousand inhabitants — a salary of one hundred and fifty dollars per calendar month; in cities having more than fifteen thousand inhabitants — a salary of four hundred dollars per calendar month. A councilman who is occupying the position of mayor, in addition to his salary as a councilman, shall be entitled, while serving as mayor, to an additional amount per calendar month, or portion thereof, equal to twenty-five percent of the councilmanic salary: Provided, That such interim compensation shall remain in effect only until a salary ordinance is passed and becomes effective as to such officers, and the compensation provided herein shall not be construed as fixing the usual compensation of such officers. Councilmen shall receive
reimbursement for their actual and necessary expenses incurred in the performance of the duties of their office, or the council by ordinance may provide for a per diem allowance. Procedure for approval of claims for expenses shall be as provided by ordinance.

Sec. 35A.13.050 City Manager—Qualifications. The city manager need not be a resident at the time of his appointment, but shall reside in the code city after his appointment unless such residence is waived by the council. He shall be chosen by the council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in, or his knowledge of, accepted practice in respect to the duties of his office. No person elected to membership on the council shall be eligible for appointment as city manager until one year has elapsed following the expiration of the term for which he was elected.

Sec. 35A.13.060 City Manager May Serve Two or More Cities. Whether the city manager shall devote his full time to the affairs of one code city shall be determined by the council. A city manager may serve two or more cities in that capacity at the same time.

Sec. 35A.13.070 City Manager—Bond and Oath. Before entering upon the duties of his office the city manager shall take an oath or affirmation for the faithful performance of his duties and shall execute and file with the clerk of the council a bond in favor of the code city in such sum as may be fixed by the council. The premium on such bond shall be paid by the city.

Sec. 35A.13.080 City Manager—Powers and Duties. The powers and duties of the city manager shall be:
(1) To have general supervision over the administrative affairs of the code city;

(2) To appoint and remove at any time all department heads, officers, and employees of the code city, except members of the council, and subject to the provisions of any applicable law, rule, or regulation relating to civil service: Provided, That the council may provide for the appointment by the mayor, subject to confirmation by the council, of a city planning commission, and other advisory citizens' committees, commissions, and boards advisory to the city council: Provided further, That if the police judge or municipal judge of the code city is appointed, such appointment shall be made by the city manager subject to confirmation by the council, for a four year term. The police judge or municipal judge may be removed only on conviction of malfeasance or misconduct in office, or because of physical or mental disability rendering him incapable of performing the duties of his office. The council may cause an audit to be made of any department or office of the code city government and may select the persons to make it, without the advice or consent of the city manager;

(3) To attend all meetings of the council at which his attendance may be required by that body;

(4) To see that all laws and ordinances are faithfully executed, subject to the authority which the council may grant the mayor to maintain law and order in times of emergency;

(5) To recommend for adoption by the council such measures as he may deem necessary or expedient;

(6) To prepare and submit to the council such reports as may be required by that body or as he may deem it advisable to submit;

(7) To keep the council fully advised of the financial condition of the code city and its future needs;
(8) To prepare and submit to the council a proposed budget for the fiscal year, as required by chapter 35A.33, and to be responsible for its administration upon adoption;

(9) To perform such other duties as the council may determine by ordinance or resolution.

Sec. 35A.13.090 Creation of Departments, Offices, and Employment—Compensation. On recommendation of the city manager or upon its own action, the council may create such departments, offices, and employments as it may find necessary or advisable and may determine the powers and duties of each department or office. Compensation of appointive officers and employees may be fixed by ordinance after recommendations are made by the city manager. The appointive officers shall include a city clerk and a chief of police or other law enforcement officer. Pursuant to recommendation of the city manager, the council shall make provision for obtaining legal counsel for the city, either by appointment of a city attorney on a full-time or part-time basis, or by any reasonable contractual arrangement for such professional services.

Sec. 35A.13.100 City Manager — Department Heads—Authority. The city manager may authorize the head of a department or office responsible to him to appoint and remove subordinates in such department or office. Any officer or employee who may be appointed by the city manager, or by the head of a department or office, except one who holds his position subject to civil service, may be removed by the manager or other such appointing officer at any time subject to any applicable law, rule, or regulation relating to civil service. Subject to the provisions of section 35A.13.080 and any applicable civil service provisions, the decision of the manager or other appointing officer, shall be final and there
shall be no appeal therefrom to any other office, body, or court whatsoever.

Sec. 35A.13.110 City Manager—Appointment of Subordinates—Qualifications—Terms. Appointments made by or under the authority of the city manager shall be on the basis of ability and training or experience of the appointees in the duties which they are to perform, and shall be in compliance with provisions of any merit system applicable to such city. Residence within the code city shall not be a requirement. All such appointments shall be without definite term.

Sec. 35A.13.120 City Manager—Interference by Council Members. Neither the council, nor any of its committees or members, shall direct the appointment of any person to, or his removal from, office by the city manager or any of his subordinates. Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the manager and neither the council nor any committee or member thereof shall give orders to any subordinate of the city manager, either publicly or privately. The provisions of this section do not prohibit the council, while in open session, from fully and freely discussing with the city manager anything pertaining to appointments and removals of city officers and employees and city affairs.

Sec. 35A.13.130 City Manager—Removal—Resolution and Notice. The city manager shall be appointed for an indefinite term and may be removed by a majority vote of the council. At least thirty days before the effective date of his removal, the city manager must be furnished with a formal statement in the form of a resolution passed by a majority vote of the city council stating the council’s intention to remove him and the reasons therefor. Upon passage of the resolution stating the coun-
Council's intention to remove the manager, the council by a similar vote may suspend him from duty, but his pay shall continue until his removal becomes effective.

Sec. 35A.13.140 City Manager—Removal—Reply and Hearing. The city manager may, within thirty days from the date of service upon him of a copy thereof, reply in writing to the resolution stating the council's intention to remove him. In the event no reply is timely filed, the resolution shall upon the thirty-first day from the date of such service, constitute the final resolution removing the manager and his services shall terminate upon that day. If a reply shall be timely filed with the city clerk, the council shall fix a time for a public hearing upon the question of the manager's removal and a final resolution removing the manager shall not be adopted until a public hearing has been had. The action of the council in removing the manager shall be final.

Sec. 35A.13.150 City Manager—Substitute. The council may designate a qualified administrative officer of the city or town to perform the duties of manager:

(1) Upon the adoption of the council-manager plan, pending the selection and appointment of a manager; or

(2) Upon the termination of the services of a manager, pending the selection and appointment of a new manager; or

(3) During the absence, disability, or suspension of the manager.

Sec. 35A.13.160 Oath and Bond of Officers. All provisions of section 35A.12.080 relating to oaths and bonds of officers, shall be applicable to code cities organized under this council-manager plan.

Sec. 35A.13.170 Council Meetings—Quorum—Rules—Voting. All provisions of sections 35A.12.110
and 35A.12.120, relating to council meetings, a quorum for transaction of business, rules and voting at council meetings, shall be applicable to code cities organized under this council-manager plan.

Sec. 35A.13.180 Adoption of Codes by Reference. Ordinances of cities organized under this chapter may adopt codes by reference as provided in section 35A.12.140.

Sec. 35A.13.190 Ordinances—Style—Requisites—Veto. The enacting clause of all ordinances shall be as follows: "The city council of the city of .............................................. do ordain as follows." No ordinance shall contain more than one subject and that must be clearly expressed in its title.

No ordinance or any section or subsection thereof shall be revised or amended unless the new ordinance sets forth the revised ordinance or the amended section or subsection at full length.

No ordinance shall take effect until five days after the date of its publication unless otherwise provided by statute or charter, except that an ordinance passed by a majority plus one of the whole membership of the council, designated therein as a public emergency ordinance necessary for the protection of public health, public safety, public property or the public peace, may be made effective upon adoption, but such ordinance may not levy taxes, grant, renew, or extend a franchise, or authorize the borrowing of money.

Sec. 35A.13.200 Authentication, Recording and Publication of Ordinances. Ordinances of code cities organized under this chapter shall be authenticated, recorded and published as provided in sections 35A.12.150 and 35A.12.160.

Sec. 35A.13.210 Audit and Allowance of Demands against City. Section 35A.12.170 shall apply
to the audit and allowance of demands against the city.

Sec. 35A.13.220 Optional Division of City into Wards. A code city organized under this chapter may be divided into wards as provided in section 35A.12.180.

Chapter 35A.14

Sec. 35A.14.010 Authority for Annexation—Consent of County Commissioners for Certain Property. Any portion of a county not incorporated as part of a city or town but lying contiguous to a code city may become a part of the charter code city or noncharter code city by annexation: Provided, That property owned by a county, and used for the purpose of an agricultural fair as provided in chapter 15.76 RCW or chapter 36.37 RCW shall not be subject to annexation without the consent of the majority of the board of county commissioners. An area proposed to be annexed to a charter code city or noncharter code city shall be deemed contiguous thereto even though separated by water or tide or shore lands and, upon annexation of such area, any such intervening water and/or tide or shore lands shall become a part of such annexing city.

Sec. 35A.14.015 Election Method—Resolution for Election—Contents of Resolution. When the legislative body of a charter code city or noncharter code city shall determine that the best interests and
general welfare of such city would be served by the annexation of unincorporated territory contiguous to such city, such legislative body may, by resolution, call for an election to be held to submit to the voters of such territory the proposal for annexation. The resolution shall describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and shall provide that said city will pay the cost of the annexation election. The resolution may require that there also be submitted to the electorate of the territory sought to be annexed a proposition that all property within the area annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for any then outstanding indebtedness of the city to which said area is annexed, contracted prior to, or existing at, the date of annexation. Whenever such city has prepared and filed a proposed zoning regulation for the area to be annexed as provided for in sections 35A.14.330 and 35A.14.340, the resolution initiating the election may also provide for the simultaneous adoption of the proposed zoning regulation upon approval of annexation by the electorate of the area to be annexed. A certified copy of the resolution shall be filed with the board of county commissioners of the county in which said territory is located. A certified copy of the resolution shall be filed with the boundary review board as provided for in chapter [189], Laws of 1967 (Substitute House Bill No. 37) or the county annexation review board established by section 35A.14.200, unless such annexation proposal is within the provisions of section 35A.14.280.

Sec. 35A.14.020 Election Method—Petition for Election—Contents of Petition—Filing and Approval—Costs. When a petition which is sufficient under the rules set forth in section 35A.01.040 is filed with
the legislative body of a code city, calling for an election to vote upon the annexation of unincorporated territory contiguous to such city, describing the boundaries of the area proposed to be annexed, stating the number of voters therein as nearly as may be, and signed by qualified electors resident in such territory equal in number to ten percent of the votes cast at the last state general election therein, the city clerk shall file with the legislative body thereof a certificate of sufficiency of the petition. Within sixty days thereafter, the legislative body shall, by resolution, notify the petitioners, either by mail or by publication in the same manner notice of hearing is required by section 35A.14.040 to be published, of its approval or rejection of the proposed action. In approving the proposed action, the legislative body may require that there also be submitted to the electorate of the territory to be annexed, a proposition that all property within the area to be annexed shall, upon annexation be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for any then outstanding indebtedness of the city to which said area is annexed, contracted prior to, or existing at, the date of annexation. Whenever the legislative body has prepared and filed a proposed zoning regulation for the area to be annexed as provided for in sections 35A.14.330 and 35A.14.340, the legislative body in approving the proposed action, may require that the proposed zoning regulation be simultaneously adopted upon the approval of annexation by the electorate of the area to be annexed. The approval of the legislative body shall be a condition precedent to further proceedings upon the petition. The costs of conducting the election called for in the petition shall be a charge against the city concerned.
Sec. 35A.14.030 Filing of Petition As Approved by City. Upon approval of the petition for election by the legislative body of the code city to which such territory is proposed to be annexed, the petition shall be filed with the board of county commissioners for the county in which such territory is located, along with a statement, in the form required by the city, of the provisions, if any there be, relating to assumption of debt by the owners of property of the area proposed to be annexed, and/or the simultaneous adoption of a proposed zoning regulation for the area. A copy of the petition and the statement, if any, shall also be filed with the boundary review board as provided for in chapter [189], Laws of 1967 (Substitute House Bill No. 37) or the county annexation review board established by section 35A.14.200, unless such proposed annexation is within the provisions of section 35A.14.280.

Sec. 35A.14.040 Election Method—Hearing by Review Board—Notice. Within ten days after receipt of a petition or resolution calling for an election on the question of annexation, the county annexation review board shall meet and, if the proposed annexation complies with the requirements of law, shall fix a date for a hearing thereon, to be held not less than fifteen days nor more than thirty days thereafter, of which hearing the city must give notice by publication at least once a week for two weeks prior thereto in one or more newspapers of general circulation within the city and in one or more newspapers of general circulation within the area proposed to be annexed. The hearing shall be held within the city to which the territory is proposed to be annexed, at a time and place to be designated by the board. Upon the day fixed, the board shall conduct a hearing upon the petition or resolution, at which hearing a representative of the city shall make a brief presentation to the board in...
explanation of the annexation and the benefits to be derived therefrom, and the petitioners and any resident of the city or the area proposed to be annexed shall be afforded a reasonable opportunity to be heard. The hearing may be adjourned from time to time in the board's discretion, not to exceed thirty days in all from the commencement of the hearing.

Sec. 35A.14.050 Decision of the Annexation Review Board—Filing—Date for Election. After consideration of the proposed annexation as provided in section 35A.14.260, the annexation review board, within thirty days after the final day of hearing, shall take one of the following actions:

(1) Approval of the proposal as submitted.

(2) Modification of the proposal by adjusting boundaries to include or exclude territory; except that any such inclusion of territory shall not increase the total area of territory proposed for annexation by an amount exceeding the original proposal by more than five percent: Provided, That the board shall not adjust boundaries to include territory not included in the original proposal without first affording to residents and property owners of the area affected by such adjustment of boundaries an opportunity to be heard as to the proposal.

(3) Disapproval of the proposal.

The written decision of the annexation review board shall be filed with the board of county commissioners and with the legislative body of the city concerned. If the annexation proposal is modified by the board, such modification shall be fully set forth in the written decision. If the decision of the boundary review board or the county annexation review board is favorable to the annexation proposal, or the proposal as modified by the review board, the board of county commissioners, at its next regular meeting if to be held within thirty days after receipt of the decision of the boundary
review board or the county annexation review board, or at a special meeting to be held within that period, shall set a date for submission of such annexation proposal, with any modifications made by the review board, to the voters of the territory proposed to be annexed. The question shall be submitted at a general election if one is to be held within ninety days, or at a special election called for that purpose not less than forty-five days nor more than ninety days after the filing of the decision of the review board with the board of county commissioners. If the boundary review board or the county annexation review board disapproves the annexation proposal, no further action shall be taken thereon, and no proposal for annexation of the same territory, or substantially the same as determined by the board, shall be initiated or considered for twelve months thereafter.

Sec. 35A.14.060 Election Method—Conduct of Election. An annexation election shall be held in accordance with chapter 35A.29 of this title and only registered voters who have resided in the area proposed to be annexed for ninety days immediately preceding the election shall be allowed to vote therein.

Sec. 35A.14.070 Election Method—Notice of Election. Notice of an annexation election shall particularly describe the boundaries of the area proposed to be annexed, as the same may have been modified by the boundary review board or the county annexation review board, state the objects of the election as prayed in the petition or as stated in the resolution and require the voters to cast ballots which shall contain the words "For Annexation" or "Against Annexation" or words equivalent thereto, or contain the words "For Annexation and Adoption of Proposed Zoning Regulation", and "Against
Optiocal Annexation and Adoption of Proposed Zoning Regulation”, or words equivalent thereto in case the simultaneous adoption of a proposed zoning regulation is proposed, and in case the assumption of indebtedness is proposed, shall contain as a separate proposition, the words “For assumption of indebtedness” and “Against assumption of indebtedness” or words equivalent thereto. The notice shall be posted for at least two weeks prior to the date of election in four public places within the area proposed to be annexed and published at least once a week for two weeks prior to the date of election in a newspaper of general circulation within the limits of the territory proposed to be annexed. Such notice shall be in addition to the notice required by section 35A.29.140.

Sec. 35A.14.080 Election Method—Vote Required for Annexation—Proposition for Assumption of Indebtedness—Certification. On the Monday next succeeding the annexation election, the county canvassing board shall proceed to canvass the returns thereof and shall submit the statement of canvass to the board of county commissioners.

The proposition for or against annexation or for or against annexation and adoption of the proposed zoning regulation, as the case may be, shall be deemed approved if a majority of the votes cast on that proposition are cast in favor of annexation or in favor of annexation and adoption of the proposed zoning regulation, as the case may be. If a proposition for or against assumption of indebtedness was submitted to the electorate, it shall be deemed approved if a majority of at least three-fifths of the electors of the territory proposed to be annexed voting on such proposition vote in favor thereof, and the number of persons voting on such proposition constitutes not less than forty percent of the total number of votes cast in such territory at the last
preceding general election. If either or both propositions were approved by the electors, the board of county commissioners shall enter a finding to that effect on its minutes, a certified copy of which shall be forthwith transmitted to and filed with the clerk of the city to which annexation is proposed, together with a certified abstract of the vote showing the whole number who voted at the election, the number of votes cast for annexation and the number cast against annexation or for annexation and adoption of the proposed zoning regulation and the number cast against annexation and adoption of the proposed zoning regulation, as the case may be, and if a proposition for assumption of indebtedness was submitted to the electorate, the abstract shall include the number of votes cast for assumption of indebtedness and the number of votes cast against assumption of indebtedness, together with a statement of the total number of votes cast in such territory at the last preceding general election.

Sec. 35A.14.090 Election Method — Ordinance Providing for Annexation, Assumption of Indebtedness. Upon filing of the certified copy of the finding of the board of county commissioners, the clerk shall transmit it to the legislative body of the city at the next regular meeting or as soon thereafter as practicable. If only a proposition relating to annexation or to annexation and adoption of a proposed zoning regulation was submitted to the voters and such proposition was approved, the legislative body shall adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of a proposed zoning regulation, as the case may be. If a proposition for annexation or for annexation and adoption of a proposed zoning regulation, and a proposition for assumption of indebtedness were both submitted, and both were approved, the legislative body shall adopt an or-
ordinance providing for the annexation or for annexation and adoption of the proposed zoning regulation, including the assumption of indebtedness. If both propositions were submitted and only the annexation or the annexation and adoption of the proposed zoning regulation was approved, the legislative body may adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of the proposed zoning regulation, as the case may be, or the legislative body may refuse to annex when a proposal for assumption of indebtedness has been disapproved by the voters.

Sec. 35A.14.100 Election Method — Effective Date of Annexation. Upon the date fixed in the ordinance of annexation, the area annexed shall become a part of the city. Upon the date fixed in the ordinances of annexation and adoption of the proposed zoning regulation, the area annexed shall become a part of the city, and property in the annexed area shall be subject to the proposed zoning regulation, as prepared and filed as provided for in sections 35A.14.330 and 35A.14.340. All property within the territory hereafter annexed shall, if the proposition approved by the people so provides be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for any then outstanding indebtedness of the city or town to which said area is annexed, contracted prior to, or existing at, the date of annexation.

Sec. 35A.14.110 Election Method Is Alternative. The method of annexation provided for in sections 35A.14.015 through 35A.14.100 is an alternative method and is additional to the other methods provided for in this chapter.

Sec. 35A.14.120 Direct Petition Method—Notice to Legislative Body — Meeting — Assumption of
**Indebtedness—Proposed Zoning Regulation.** Proceedings for initiating annexation of unincorporated territory to a charter code city or noncharter code city may be commenced by the filing of a petition of property owners of the territory proposed to be annexed, in the following manner. This method of annexation shall be alternative to other methods provided in this chapter. Prior to the circulation of a petition for annexation, the initiating party or parties, who shall be the owners of not less than ten percent in value, according to the assessed valuation for general taxation of the property for which annexation is sought, shall notify the legislative body of the code city in writing of their intention to commence annexation proceedings. The legislative body shall set a date, not later than sixty days after the filing of the request, for a meeting with the initiating parties to determine whether the code city will accept the proposed annexation, whether it shall require the simultaneous adoption of a proposed zoning regulation, if such a proposal has been prepared and filed for the area to be annexed as provided for in sections 35A.14.330 and 35A.14.340, and whether it shall require the assumption of existing city indebtedness by the area to be annexed. If the legislative body requires the assumption of indebtedness and/or the adoption of a proposed zoning regulation, it shall record this action in its minutes and the petition for annexation shall be so drawn as to clearly indicate these facts. Approval by the legislative body shall be a condition precedent to circulation of the petition. There shall be no appeal from the decision of the legislative body. A petition for annexation of an area contiguous to a code city may be filed with the legislative body of the municipality to which annexation is desired. It must be signed by the owners, as defined by section 35A.01.040(11)(a) through (d), of not less than...
Optional Municipal Code.

seventy-five percent in value, according to the assessed valuation for general taxation of the property for which annexation is petitioned. Such petition shall set forth a description of the property according to government legal subdivisions or legal plats and shall be accompanied by a map which outlines the boundaries of the property sought to be annexed. If the legislative body has required the assumption of city indebtedness by the area annexed or the adoption of a proposed zoning regulation, these facts, together with a quotation of the minute entry of such requirement, or requirements, shall also be set forth in the petition.

Sec. 35A.14.130 Direct Petition Method—Notice of Hearing. Whenever such a petition for annexation is filed with the legislative body of a code city, which petition meets the requirements herein specified and is sufficient according to the rules set forth in section 35A.01.040, the legislative body may entertain the same, fix a date for a public hearing thereon and cause notice of the hearing to be published in one or more issues of a newspaper of general circulation in the city. The notice shall also be posted in three public places within the territory proposed for annexation, and shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation.

Sec. 35A.14.140 Direct Petition Method—Ordinance Providing for Annexation. Following the hearing, if the legislative body determines to effect the annexation, they shall do so by ordinance. The ordinance may annex all or any portion of the proposed area but may not include in the annexation any property not described in the petition. Upon passage of the annexation ordinance a certified copy shall be filed with the board of county commission-
ers of the county in which the annexed property is located.

Sec. 35A.14.150 Direct Petition Method—Effective Date of Annexation. Upon the date fixed in the ordinance of annexation the area annexed shall become part of the city. All property within the territory hereafter annexed shall, if the annexation petition so provided, be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for any then outstanding indebtedness of the city to which said area is annexed, contracted prior to, or existing at, the date of annexation. If the annexation petition so provided, all property in the annexed area shall be subject to and a part of the proposed zoning regulation as prepared and filed as provided for in sections 35A.14.330 and 35A.14.340.

Sec. 35A.14.160 Annexation Review Board—Composition. There is hereby established in each county of the state, other than counties having a boundary review board as provided for in chapter [189], Laws of 1967 (Substitute House Bill No. 37), a board to be known as the “annexation review board for the county of ........................................ (naming the county)”, which shall be charged with the duty of reviewing proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within its respective county; except that proposals within the provisions of section 35A.14.280 shall not be subject to the jurisdiction of such board.

In all counties in which a boundary review board is established pursuant to chapter [189], Laws of 1967 (Substitute House Bill No. 37) review of proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within such counties shall be subject to chapter [189], Laws of 1967 (Substitute House Bill No. 37).
Whenever a first class county with a population over one hundred seventy thousand establishes a boundary review board pursuant to chapter [189], Laws of 1967 (Substitute House Bill No. 37) the provisions of this act relating to annexation review boards shall not be applicable.

Except as provided above in this section, whenever one or more cities of a county shall have elected to be governed by this title by becoming a charter code city or noncharter code city, the governor shall, within forty-five days thereafter, appoint an annexation review board for such county consisting of five members appointed in the following manner:

Two members shall be selected independently by the governor. Three members shall be selected by the governor from the following sources: (1) One member shall be appointed from nominees of the individual members of the board of county commissioners; (2) one member shall be appointed from nominees of the individual mayors of charter code cities within such county; (3) one member shall be appointed from nominees of the individual mayors of noncharter code cities within such county.

Each source shall nominate at least two persons for an available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently. If, at the time of appointment, there are within the county no cities of one of the classes named above as a nominating source, a position which would otherwise have been filled by nomination from such source shall be filled by independent appointment of the governor.

In making appointments independently and in making appointments from among nominees, the governor shall strive to appoint persons familiar with municipal government and administration by experience and/or training.
Sec. 35A.14.170 *Time for Filing Nominations—Annexation by Vacancies.* Upon the initial formation of a county annexation review board the governor shall give written notice of such formation to all the nominating sources designated therein and nominations must be filed with the office of the governor within fifteen days after receipt of such notice. Nominations to fill vacancies caused by expiration of terms must be filed at least thirty days preceding the expiration of the terms. When vacancies occur in the membership of the board, the governor shall solicit nominations from the appropriate source and if none are filed within fifteen days thereafter, the governor shall fill the vacancy by an independent appointment.

Sec. 35A.14.180 *Terms of Members.* The members of the annexation review board shall be appointed for five year terms. Upon the initial formation of a board, one member appointed by the governor independently shall be appointed for a four year term, the member appointed from among nominees of the board of county commissioners shall be appointed for a three year term, the member appointed from among nominees of the mayors of noncharter code cities shall be appointed for a three year term, and the remaining members shall be appointed for five year terms. Thereafter board members shall be appointed for five year terms as the terms of their predecessors expire. Members shall be eligible for reappointment to the board for successive terms.

Sec. 35A.14.190 *Organization of Annexation Review Board—Rules—Journal—Authority.* The members of each annexation review board shall elect from among the members a chairman and a vice chairman, and may employ a nonmember as chief clerk, who shall be the secretary of the board. The
board shall determine its own rules and order of business, shall provide by resolution for the time and manner of holding regular or special meetings, and shall keep a journal of its proceedings which shall be a public record. A majority of all the members shall constitute a quorum for the transaction of business.

The chief clerk of the board, the chairman, or the vice chairman shall have the power to administer oaths and affirmations, certify to all official acts, issue subpoenas to any public officer or employee ordering him to testify before the board and produce public records, papers, books or documents. The chief clerk, the chairman or the vice chairman may invoke the aid of any court of competent jurisdiction to carry out such powers.

The planning departments of the county, other counties, and any city, and any state or regional planning agency shall furnish such information to the board at its request as may be reasonably necessary for the performance of its duties.

At the request of the board, the state attorney general shall provide counsel for the board.

Sec. 35A.14.200  Determination by Review Board—Factors Considered—Filing of Findings and Decision. The jurisdiction of the annexation review board shall be invoked upon the filing with the board of a resolution for an annexation election as provided in section 35A.14.015, or of a petition for an annexation election as provided in section 35A.14.030, and the board shall proceed to hold a hearing, upon notice, all as provided in section 35A.14.040. A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit. The board shall make and file its decision, all as pro-
vided in section 35A.14.050, insofar as said section is applicable to the matter before the board. Dissenting members of the board shall have the right to have their written dissents included as part of the decision. In reaching a decision on an annexation proposal, the annexation review board shall consider the factors affecting such proposal, which shall include but not be limited to the following:

(1) The immediate and prospective population of the area proposed to be annexed, the configuration of the area, land use and land uses, comprehensive use plans and zoning, per capita assessed valuation, topography, natural boundaries and drainage basins, the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years, location and coordination of community facilities and services; and

(2) The need for municipal services and the available municipal services, effect of ordinances and governmental codes, regulations and resolutions on existing uses, present cost and adequacy of governmental services and controls, the probable future needs for such services and controls, the probable effect of the annexation proposal or alternatives on cost and adequacy of services and controls in area and adjacent area, the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units; and

(3) The effect of the annexation proposal or alternatives on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county.

The board shall determine whether the proposed annexation would be in the public interest and for the public welfare. The decision of the board shall be accompanied by the findings of the board. Such findings need not include specific data on all the
factors listed in this section, but shall indicate that all such factors were considered.

Sec. 35A.14.210 Court Review of Decisions of the Annexation Review Board. Decisions of the annexation review board shall be final unless within ten days from the date of said action a governmental unit affected by the decision or any person owning real property in or residing in the area proposed to be annexed files in the superior court a notice of appeal. The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board. The superior court may affirm the decision of the annexation review board or remand the case for further proceedings; or the court may reverse the decision and remand if it finds that substantial rights have been prejudiced because the findings, conclusions, or decision of the board are:

(1) In violation of constitutional provisions; or
(2) In excess of the statutory authority or jurisdiction of the board; or
(3) Made upon unlawful procedure; or
(4) Affected by other error of law; or
(5) Unsupported by material and substantial evidence in view of the entire record as submitted; or
(6) Arbitrary or capricious.

Sec. 35A.14.220. When Review Procedure May Be Dispensed With. Annexations under the provisions of sections 35A.14.295, 35A.14.297, 35A.14.300, and 35A.14.310 shall not be subject to review by the annexation review board: Provided, That in class AA, class A and first class counties in which a boundary review board is established under
Annexation by code cities.

chapter [189], Laws of 1967 (Substitute House Bill No. 37) all annexations shall be subject to review except as provided for in section 11 of chapter [189], Laws of 1967 (Substitute House Bill No. 37). When the area proposed for annexation in a petition or resolution, initiated and filed under any of the methods of initiating annexation authorized by this chapter, is less than fifty acres or less than five hundred thousand dollars in assessed valuation, review procedures shall not be required as to such annexation proposal, except as provided in chapter [189], Laws of 1967 (Substitute House Bill No. 37) in those counties with a review board established pursuant to chapter [189], Laws of 1967 (Substitute House Bill No. 37): Provided, That when an annexation proposal is initiated by the direct petition method authorized by section 35A.14.120, review procedures shall not be required without regard to acreage or assessed valuation, except as provided in chapter [189], Laws of 1967 (Substitute House Bill No. 37) in those counties with a boundary review board established pursuant to chapter [189], Laws of 1967 (Substitute House Bill No. 37).

Sec. 35A.14.230 Pending Disposition of a Petition or Resolution for Annexation No Other Proposal for Same Area May Be Acted Upon. After the filing of any petition or resolution for annexation or for an annexation election with the board of county commissioners, the boundary review board or the county annexation review board for the county or the legislative body of a code city and pending its final disposition as provided in this chapter, no other petition or resolution, or petition for incorporation, which embraces any of the territory included therein shall be acted upon by any public official or body that might otherwise be empowered to receive or act upon such a petition or resolution.
Sec. 35A.14.295 Annexation of Unincorporated Island of Territory within Code City—Resolution—Notice of Hearing. When there is, within a code city, unincorporated territory containing less than one hundred acres and having at least eighty percent of the boundaries of such area contiguous to the code city, the legislative body may resolve to annex such territory to the code city. The resolution shall describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and set a date for a public hearing on such resolution for annexation. Notice of the hearing shall be given by publication of the resolution at least once a week for two weeks prior to the date of the hearing, in one or more newspapers of general circulation within the code city and one or more newspapers of general circulation within the area to be annexed.

Sec. 35A.14.297 Ordinance Providing for Annexation of Unincorporated Island of Territory—Referendum. On the date set for hearing as provided in section 35A.14.295, residents or property owners of the area included in the resolution for annexation shall be afforded an opportunity to be heard. The legislative body may provide by ordinance for annexation of the territory described in the resolution, but the effective date of the ordinance shall be not less than forty-five days after the passage thereof. The legislative body shall cause notice of the proposed effective date of the annexation, together with a description of the property to be annexed, to be published at least once each week for two weeks subsequent to passage of the ordinance, in one or more newspapers of general circulation within the city and in one or more newspapers of general circulation within the area to be annexed. If the annexation ordinance provides for assumption of indebtedness or adoption of a pro-
posed zoning regulation, the notice shall include a statement of such requirements. Such annexation ordinance shall be subject to referendum for forty-five days after the passage thereof. Upon the filing of a timely and sufficient referendum petition as provided in section 35A.14.299 below, a referendum election shall be held as provided in section 35A.14.299, and the annexation shall be deemed approved by the voters unless a majority of the votes cast on the proposition are in opposition thereto. After the expiration of the forty-fifth day from, but excluding the date of passage of the annexation ordinance, if no timely and sufficient referendum petition has been filed, as provided by section 35A.14.299 below, the area annexed shall become a part of the code city upon the date fixed in the ordinance of annexation.

Sec. 35A.14.299  Annexation of Unincorporated Island of Territory within Code City—Referendum—Effective Date If No Referendum. Such annexation ordinance as provided for in section 35A.14.297 shall be subject to referendum for forty-five days after the passage thereof. Upon the filing of a timely and sufficient referendum petition with the legislative body, signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general state election in the area to be annexed, the question of annexation shall be submitted to the voters of such area in a general election if one is to be held within ninety days or at a special election called for that purpose not less than forty-five days nor more than ninety days after the filing of the referendum petition. Notice of such election shall be given as provided in section 35A.14.070 and the election shall be conducted as provided in section 35A.14.060. The annexation shall be deemed approved by the voters unless a majority of the
votes cast on the proposition are in opposition thereto.

After the expiration of the forty-fifth day from but excluding the date of passage of the annexation ordinance, if no timely and sufficient referendum petition has been filed, the area annexed shall become a part of the code city upon the date fixed in the ordinance of annexation. From and after such date, if the ordinance so provided, property in the annexed area shall be subject to the proposed zoning regulation prepared and filed for such area as provided in sections 35A.14.330 and 35A.14.340. If the ordinance so provided, all property within the area annexed shall be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for any then outstanding indebtedness of such city contracted prior to, or existing at, the date of annexation.

Sec. 35A.14.300 Annexation for Municipal Purposes. Legislative bodies of code cities may by a majority vote annex territory outside the limits of such city whether contiguous or noncontiguous for any municipal purpose.

Sec. 35A.14.310 Annexation of Federal Areas. Any unincorporated area contiguous to a code city may be annexed thereto by an ordinance accepting a gift, grant, or lease from the government of the United States of the right to occupy, control, improve it or sublet it for commercial, manufacturing, or industrial purposes: Provided, That this right of annexation shall not apply to any territory more than four miles from the corporate limits existing before such annexation.

Sec. 35A.14.320 Provisions of Ordinance—Authority over Annexed Territory. In the ordinance annexing territory pursuant to a gift,
grant, or lease from the government of the United States, a code city may include such tide and shoreline as may be necessary or convenient for the use thereof, and may include in the ordinance an acceptance of the terms and conditions attached to the gift, grant, or lease. A code city may cause territory annexed pursuant to a gift, grant, or lease of the government of the United States to be surveyed, subdivided and platted into lots, blocks, or tracts and layout, reserve for public use, and improve streets, roads, alleys, slips, and other public places. It may grant or sublet any lot, block, or tract therein for commercial, manufacturing, or industrial purposes and reserve, receive and collect rents therefrom. It may expend the rents received therefrom in making and maintaining public improvements therein, and if any surplus remains at the end of any fiscal year, may transfer it to the city's current expense fund.

Sec. 35A.14.330 Proposed Zoning Regulation—Purpose of Regulations and Restrictions. The legislative body of any code city acting through a planning agency created pursuant to chapter 35A.63, or pursuant to its granted powers, may prepare a proposed zoning regulation to become effective upon the annexation of any area which might reasonably be expected to be annexed by the code city at any future time. Such proposed zoning regulation, to the extent deemed reasonably necessary by the legislative body to be in the interest of health, safety, morals and the general welfare may provide, among other things, for:

(1) The regulation and restriction within the area to be annexed of the location and the use of buildings, structures and land for residence, trade, industrial and other purposes; the height, number of stories, size, construction and design of buildings and other structures; the size of yards, courts and other open spaces on the lot or tract; the density of popula-
tion; the set-back of buildings and structures along highways, parks or public water frontages; and the subdivision and development of land;

(2) The division of the area to be annexed into districts or zones of any size or shape, and within such districts or zones regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land;

(3) The appointment of a board of adjustment, to make, in appropriate cases and subject to appropriate conditions and safeguards established by ordinance, special exceptions in harmony with the general purposes and intent of the proposed zoning regulation; and

(4) The time interval following an annexation during which the ordinance or resolution adopting any such proposed regulation, or any part thereof, must remain in effect before it may be amended, supplemented or modified by subsequent ordinance or resolution adopted by the annexing city or town.

All such regulations and restrictions shall be designed, among other things, to encourage the most appropriate use of land throughout the area to be annexed; to lessen traffic congestion and accidents; to secure safety from fire; to provide adequate light and air; to prevent overcrowding of land; to avoid undue concentration of population; to promote a coordinated development of the unbuilt areas; to encourage the formation of neighborhood or community units; to secure an appropriate allotment of land area in new developments for all the requirements of community life; to conserve and restore natural beauty and other natural resources; to facilitate the adequate provision of transportation, water, sewerage and other public uses and requirements.

Sec. 35A.14.340 Notice and Hearing—Filings and Recordings. The legislative body of the code
city shall hold two or more public hearings, to be held at least thirty days apart, upon the proposed zoning regulation, giving notice of the time and place thereof by publication in a newspaper of general circulation in the annexing city and the area to be annexed. A copy of the ordinance or resolution adopting or embodying such proposed zoning regulation or any part thereof or any amendment thereto, duly certified as a true copy by the clerk of the annexing city, shall be filed with the county auditor. A like certified copy of any map or plat referred to or adopted by the ordinance or resolution shall likewise be filed with the county auditor. The auditor shall record the ordinance or resolution and keep on file the map or plat.

Sec. 35A.14.350 Annexation of Water, Sewer, and Fire Districts-Disposition of Properties-Outstanding Indebtedness. Whenever any territory which includes all the territory of a water, sewer or fire protection district, hereinafter referred to as "the district", has been heretofore or is hereafter annexed to a code city, all real and personal property, franchises, rights, assets, taxes levied but not collected for the district for other than indebtedness, water or sewer lines, facilities, or equipment of the district shall become the property of a code city to which annexation is made and such city shall, in addition to its other powers, have the same power to manage, control, maintain and operate such facilities and to fix and collect charges to customers as the commissioners of the district had prior to annexation, subject, however, to any outstanding indebtedness, bonded or otherwise, of the district or local improvement district or utility local improvement district thereof, which indebtedness a code city may by resolution of its legislative body elect to assume and pay at the times and in the manner said indebtedness is due and payable. Such election to

assume said indebtedness may be made either upon the effective date of such annexation or at any time thereafter during the period such indebtedness remains outstanding. Until such election is made, the property annexed and the owners and occupants thereof shall continue liable for its and their proportion of the unpaid indebtedness and the district, or local improvement district or utility local improvement district, and its officers shall continue to function for the sole purpose of certifying the amount of property tax or assessments to be collected and paid on such indebtedness in the same manner and by the same means as if the annexation had not been made.

If a code city elects to assume outstanding indebtedness, and property taxes or assessments have been levied for such purpose but not collected for the district or local improvement district or utility local improvement district thereof prior to the date of such election by the code city, the same shall when collected belong and be paid to the annexing code city and be used by such city so far as necessary for payment as and when due of the indebtedness of the district or local improvement district or utility local improvement district existing and unpaid on the date such city elects to assume such indebtedness. If a code city takes over any funds which have been collected for paying any bonded or other indebtedness of the district the same shall be used for the purpose for which collected and for no other purpose.

Sec. 35A.14.360 Assumption of Control of Entire or Part of Water or Sewer District if Sixty Percent or More of Area or Valuation Is Annexed or Lies within Code City—Acquisition Subject to Obligations. If a portion of a water or sewer district equal to at least sixty percent of the area or sixty percent of the assessed valuation of the real property in-
cluded within the district is annexed to or lies within a code city, the city may:
