SCHOOLS—SURPLUS FOOD COMMODITIES.

AN ACT relating to education; providing a method for obtaining surplus or donated food commodities for the use by school districts in their hot lunch program; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

Section 1. Notwithstanding any other provision of law or chapter 39.32 RCW, the state superintendent of public instruction is hereby authorized to purchase, or otherwise acquire from the government of the United States or any property or commodity disposal agency thereof, surplus or donated food commodities for the use by any school district for their hot lunch program.

Sec. 2. There is created in the office of the state superintendent of public instruction a revolving fund to be designated the surplus and donated food commodities revolving fund, and there is hereby appropriated to said revolving fund from the general fund for the fiscal biennium ending June 30, 1969, the sum of twenty-five thousand dollars or so much thereof as shall be necessary to carry out the purposes of this act. The state treasurer shall, with
the approval of the governor, transfer so much of this appropriation to the revolving fund from time to time as the superintendent deems necessary to maintain said fund in a condition adequate to carry out the purposes of this act.

Sec. 3. The surplus and donated food commodities revolving fund shall be administered by the state superintendent of public instruction and be used solely for the purchase or other acquisition, including transportation, storage and other cost, of surplus or donable food commodities from the federal government. The superintendent may purchase or otherwise acquire such commodities only after requisition by a school district requesting such commodities.

Sec. 4. In purchasing or otherwise acquiring surplus or donated commodities on the requisition of a school district the superintendent may advance the purchase price and other cost of acquisition thereof from the surplus and donated food commodities revolving fund and he shall in due course bill the proper school district for the amount paid by him for the commodities plus a reasonable amount to cover the expenses incurred by his office in connection with the transaction. All payments received for surplus or donated commodities from school districts shall be deposited by the superintendent in the surplus and donated food commodities revolving fund.

Sec. 5. The surplus and donated food commodities revolving fund shall be deposited by the superintendent in such banks as he may select, but any such depository shall furnish a surety bond executed by a surety company or companies authorized to do business in the state of Washington, or collateral eligible as security for deposit of state funds, in at least the full amount of the deposit in
each depository bank. Moneys shall be paid from the surplus and donated food commodities revolving fund by voucher and check in such form and in such manner as shall be prescribed by the superintendent.

Sec. 6. The superintendent of public instruction shall have power to promulgate rules and regulations as may be necessary to effectuate the purposes of this act.

Sec. 7. The state superintendent of public instruction is hereby authorized to enter into any contract with the United States of America, or any agency thereof, for the purchase of any surplus or donated food commodities, without regard to the provisions of any other law requiring the advertising, giving notice, inviting or receiving bids, or which may require the delivery of purchases before payment.

Sec. 8. Any provision of law, or any resolution, rule or regulation which is inconsistent with the provisions of this act is suspended to the extent such provision is inconsistent herewith.
