Sec. 3. Section 46.16.010, chapter 12, Laws of 1961 as last amended by section 2, chapter 202, Laws of 1967, and RCW 46.16.010 are each amended to read as follows:

ating or drawn upon the public highways, and trailers used exclusive-ly to transport farm implements from one farm to another during the daylight hours or at night when such equipment has lights that comply with the law: PROVIDED FURTHER, That these provisions shall not apply to equipment defined as follows:

"Special highway construction equipment" is any vehicle which is designed and used primarily for grading of highways, paving of highways, earth moving, and other construction work on highways and which is not designed or used primarily for the transportation of persons or property on a public highway and which is only incidentally operated or moved over the highway. It includes, but is not limited to, road construction and maintenance machinery so designed and used such as portable air compressors, air drills, asphalt spreaders, bituminous mixers, bucket loaders, track laying tractors, ditchers, leveling graders, finishing machines, motor graders, paving mixers, road rollers, scarifiers, earth moving scrapers and carryalls, lighting plants, welders, pumps, power shovels and draglines, self-propelled and tractor-drawn earth moving equipment and machinery, including dump trucks and tractor-dump trailer combinations which either (1) are in excess of the legal width or (2) which, because of their length, height or unladen weight, may not be moved on a public highway without the permit specified in RCW 46.44.090 and which are not operated laden except within the boundaries of the project limits as defined by the contract, and other similar types of construction equipment, or (3) which are driven or moved upon a public highway only for the purpose of crossing such highway from one property to another, provided such movement does not exceed five hundred feet and the vehicle is equipped with wheels or pads which will not damage the roadway surface.

Exclusions:

"Special highway construction equipment" does not include any of the following:

Dump trucks originally designed to comply with the legal size
and weight provisions of this code notwithstanding any subsequent modification which would require a permit, as specified in RCW 46.44-.090, to operate such vehicles on a public highway, including trailers, truck-mounted transit mixers, cranes and shovels, or other vehicles designed for the transportation of persons or property to which machinery has been attached.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

EXPLANATORY NOTE

Section 1. RCW 46.20.220 was twice amended by the 1967 legislature. 1967 c 32 § 28 changed "operator's licenses" to "driver's licenses" and "peace officer" to "police officer". 1967 c 232 § 9 provided that persons renting motor vehicles be licensed for the kind of vehicle rented.

As these two amendments appear to be in different respects, the purpose of section 1 of this bill is to give effect to both amendments by reenacting the section with both amendments included in it.

Sec. 2. RCW 46.20.342 was amended in the regular session of the 1967 legislature by 1967 c 167 § 7 and was again amended in the extraordinary session of the 1967 legislature by 1967 ex.s. c 145 § 52, without reference to the earlier amendment. The 1967 regular session amendment provided for extension of the period of license revocation upon conviction of juveniles. The 1967 extraordinary session amendment provides additional punishment for persons upon a second or third offense.

As these two amendments appear to be in different respects, the purpose of section 2 of this bill is to give effect to both amendments by reenacting the section with both amendments included in it.

Sec. 3. RCW 46.16.010 was amended in the 1967 legislative session by 1967 c 202 § 2. The underlined phrase in the first paragraph was omitted, but not indicated as deleted. The purpose of section 3 of this bill is to correct this apparent error.
