preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

EXPLANATORY NOTE

RCW 9.95.210 was twice amended by the 1967 legislature. 1967 c 134 § 16 transferred certain powers and duties of the board of prison terms and paroles to the division of probation and parole of the department of institutions. 1967 c 200 § 8 added the proviso at the end of the section. The language of the proviso has been amended in this bill to bring it into conformity with the rest of the section, and to consolidate and give effect to both 1967 amendments.

Passed the Senate February 5, 1969
Passed the House March 10, 1969
Approved by the Governor March 18, 1969
Filed in office of Secretary of State March 19, 1969

CHAPTER 30
[Senate Bill No. 12]
ELECTRICIANS AND ELECTRICAL INSTALLATIONS

AN ACT Relating to electricians and electrical installations; reenacting section 4, chapter 169, Laws of 1935 as last amended by section 2, chapter 88, Laws of 1967 and section 1, chapter 15, Laws of 1967 ex. sess., and RCW 19.28.120; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 4, chapter 169, Laws of 1935 as last amended by section 2, chapter 88, Laws of 1967 and section 1, chapter 15, Laws of 1967 ex. sess. and RCW 19.28.120 are each reenacted to read as follows:

It shall be unlawful for any person, firm, or corporation to engage in, conduct or carry on the business of installing wires or equipment to convey electric current, or installing apparatus or appliances to be operated by such current, without having an unre- voked, unsuspended and unexpired license so to do, issued by the director of labor and industries in accordance with the provisions of this chapter. All such licenses shall expire on the thirty-first day of December following the day of their issue, and the fee for such license shall be one hundred dollars. Application for such license
shall be made in writing to the department of labor and industries, accompanied by the required fee, and shall state the name and address of the applicant, and in case of firms, the names of the individuals composing the firm, and in case of corporations, the name of the managing officials thereof, and shall state the location of the place of business of the applicant and the name under which such business is conducted. Such a license shall grant to the holder thereof the right to engage in, conduct, or carry on, the business of installing wires or equipment to carry electric current, and installing apparatus or appliances, or install material to enclose, fasten, insulate, or support such wires or equipment, to be operated by such current, in any and all places in the state of Washington. The application for such license shall be accompanied by a bond in the sum of three thousand dollars with the state of Washington named as obligee therein, with good and sufficient surety, to be approved by the attorney general. Said bond shall at all times be kept in full force and effect, and any cancellation or revocation thereof, or withdrawal of the surety therefrom, shall ipso facto revoke and suspend the license issued to the principal until such time as a new bond of like tenor and effect shall have been filed and approved as herein provided. Upon approval of said bond by the attorney general, the director of labor and industries shall on the next business day thereafter deposit the fee accompanying said application in the fund to be known and designated as the "electrical license fund," and the department of labor and industries shall thereupon issue said license. Upon approval of said bond by the attorney general, he shall transmit the same to the state electrical inspection division, who shall file said bond in the office, and upon application furnish to any person, firm or corporation a certified copy thereof, under seal, upon the payment of a fee of two dollars. Said bond shall be conditioned that in any installation of wires or equipment to convey electrical current, and apparatus to be operated by such current, the principal therein will comply with the provisions of this chapter and in case such installa-
tion is in an incorporated city or town having an ordinance, building code, or regulations prescribing equal, a higher or better standard, manner or method of such installation that the principal will comply with the provisions of such ordinance, building code or regulations governing such installations as may be in effect at the time of entering into a contract for such installation. Said bond shall be conditioned further that the principal will pay for all labor, including employee benefits, and material furnished or used upon such work, taxes and contributions to the state of Washington, and all damages that may be sustained by any person, firm or corporation due to a failure of the principal to make such installation in accordance with the provisions of this chapter, or any ordinance, building code or regulation applicable thereto.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

EXPLANATORY NOTE

RCW 19.28.120 was amended in the 1967 regular session of the legislature by 1967 c 88 § 2 and was again amended in the extraordinary session of the 1967 legislature by 1967 ex.s. c 15 § 1 without reference to the earlier amendment. The 1967 regular session amendment added the installation of material to "enclose, fasten, insulate or support wires or equipment" to the rights of license holders. The 1967 extraordinary session amendment increased the amount of the bond accompanying the application for license, and included within the conditions of the bond that the principal pay employee benefits, and taxes and contributions to the state.

As these two amendments appear to be in different respects, the purpose of this bill is to give effect to both amendments by reenacting the section with both amendments included in it.
