BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 74.08.120, chapter 26, Laws of 1959 as amended by section 1, chapter 102, Laws of 1965 ex. sess. and RCW 74.08.120 are each amended to read as follows:

The term "funeral" shall mean the proper preparation and care of the remains of a deceased person with needed facilities and appropriate memorial services, including necessary costs of a lot or cremation and all services related to interment and the customary memorial marking of a grave.

The department is hereby authorized through the county offices to assume responsibility for the funeral of deceased persons dying without assets sufficient to pay for the minimum standard funeral herein provided: PROVIDED, HOWEVER, That the director may furnish funeral assistance in other cases if the assets are left to a sur-

living spouse and/or to minor children and if the assets are re-
sources permitted to be owned by or available to an eligible appli-
cant or recipient under RCW 74.04.005, and the department shall there-
by have a lien against said assets valid for six years from the date
of filing with the ((~~county clerk and~~)) county auditor and such
lien claim shall have preference to all other claims except prior
secured creditors. If the assets remain exempt, or if no probate is
commenced, the lien shall automatically terminate without further
action six years after filing. If the deceased person is survived by
a spouse or is a minor child survived by his parent or parents,
the department may take into consideration the assets of such sur-
viving spouse, parent, or parents in determining whether or not the
department will assume responsibility for the funeral.

The department shall not pay more than cost for a minimum
standard service rendered by each vendor. Payments to the funeral
director and to the cemetery or crematorium will be made by separate
vouchers. The standard of such services and the uniform amounts to
be paid shall be determined by the department after giving due con-
sideration to such advice and counsel as it shall obtain from the
trade associations of the various vendors and related state depart-
ments, agencies and commissions. The payments made by the department
shall not be subject to supplementation by the relatives or friends
of recipients. Whenever relatives or friends provide for other than
the minimum standard service authorized, the state shall not parti-
cipate in the payment of any part of the cost.
