NEW SECTION. Sec. 3. The Washington public deposit protection commission shall be the state finance committee. Meetings of the commission shall be held at least once each month, and more frequently whenever called by the chairman after notice thereof.

NEW SECTION. Sec. 4. The commission shall have power (1) to make and enforce regulations necessary and proper to the full and complete performance of its functions under this 1969 amendatory act; (2) to require any qualified public depositary to furnish such information dealing only with public deposits as the commission shall request. Any public depositary which refuses or neglects to give any information so requested shall no longer be a qualified public depositary and shall be excluded from the right to receive public deposits until such time as the commission shall acknowledge that such depositary has furnished the information requested; (3) to take such action as it deems best for the protection, collection, compromise or settlement of any claim arising in case of loss; (4) to prescribe regulations, subject to this 1969 amendatory act, fixing the requirements for qualification of banks as public depositaries, and fixing other terms and conditions consistent with this 1969 amendatory act, under which public deposits may be received and held; (5) to fix the official date on which any loss shall be deemed to have occurred taking into consideration the orders, rules and regulations of supervisory authority as they affect the failure or inability of a qualified public depositary to repay public deposits in full; (6) in case loss occurs in more than one qualified public depositary, to determine the allocation and time of payment of any sums due to public depositors under this 1969 amendatory act.

(2) Collateral eligible as security shall be valued at face value or market value as determined by the commission. (3) The depositary shall have the right to make substitutions of eligible collateral at any time. (4) The income from the assets which constitute segregated collateral shall belong to the depositary bank without restriction.

same for the purpose of paying such assessment; (5) upon receipt of such assessment payments, the commission shall reimburse the public depositors of the depositary in which the loss occurred to the extent of the depositary's net deposit liability to them.

NEW SECTION. Sec. 7. Upon payment to any public depositor, the commission shall be subrogated to all of such depositor's right, title and interest against the depositary in which the loss occurred and shall share in any distribution of its assets ratably with other depositors. Any sums received from any distribution shall be paid to the public depositors to the extent of any unpaid net deposit liability and the balance to the qualified public depositaries against which assessments were made, in proportion to such assessments. If the commission incurs expense in enforcing any such claim, the amount thereof shall be paid as a liquidation expense of the depositary in which the loss occurred.

NEW SECTION. Sec. 8. Except as provided in section 11 of this 1969 amendatory act, no public deposit shall be made except in a qualified public depositary located in this state.

Passed the Senate April 12, 1969.
Approved by the Governor April 25, 1969, with the exception of a certain item in section 3, which is vetoed.
Filed in office of Secretary of State April 28, 1969.

NOTE: Governor's explanation of partial veto is as follows:
"...Section 3 of the act designates the State Finance Committee as the Washington Public Deposit Protection Commission. The section further provides that meetings of the Commission shall be held at least once a month, and more frequently whenever called by the chairman after notice thereof.

The Commission will be required to meet as often as is necessary to perform its function. The requirement of a monthly meeting is artificial and has no relationship to the actual work required of the Commission. I have therefore vetoed from section 3 the item requiring
meetings at least once each month. The remainder of the bill is approved.
