Passed the Senate April 2, 1969
Passed the House April 22, 1969
Approved by the Governor April 30, 1969, with the exception of a certain item in section 1(3) which is vetoed
Filed in office of Secretary of State May 14, 1969

NOTE: Governor’s explanation of partial veto is as follows: "...This bill raises the salaries of the county prosecutors and requires full time prosecuting attorneys for nine more counties.

The legal affect of section 1(3) of the bill is to provide that the salaries of part-time prosecutors in all but fourth class counties will receive a basic salary of $6,000.00 and an additional $500.00 for each judge of the superior court in the county's judicial district. The practical affect is that two part-time prosecutors, one for a fifth class county and one for a ninth class county, will receive $7,000.00. Except for fourth class counties, these two salaries are substantially higher than the salaries of part-time prosecutors of any other county, many who represent more people than the prosecutors of the single fifth and single ninth class county. I have, therefore, vetoed the item in section 1(3) establishing a formula for determining the salaries of part-time prosecutors. This will set the salary for all part-time prosecutors for counties other than fourth class counties at $6,500.00. Under section 1(1), prosecutors in fourth class counties will receive $10,000.00 per year.

I urge the legislature to consider the status and salaries of part-time prosecutors at the earliest opportunity at the next session. Every effort should be made to provide every county with the services of a full-time prosecutor.

With the exception of that certain item in section 1(3) which I have vetoed, the remainder of Engrossed Senate Bill 113 is approved."
