Sec. 4. Section 3, chapter 68, Laws of 1955 as last amended by section 1, chapter 15, Laws of 1969 ex. sess., section 1, chapter 34, Laws of 1969 ex. sess. and section 69, chapter 176, Laws of 1969 ex. sess. and RCW 28.67.070 are each reenacted to read as follows:

No teacher, principal, supervisor, superintendent, or other certificated employee, holding a position as such with a school district, hereinafter referred to as "employee", shall be employed except by written order of a majority of the directors of the district at a regular or special meeting thereof, nor unless he is the holder of an effective teacher's certificate or other certificate required by law or the state board of education for the position for which the employee is employed.

The board shall make with each employee employed by it a written contract, which shall be in conformity with the laws of this state. Every such contract shall be made in duplicate, one copy of which shall be retained by the school district clerk or secretary, and the other shall be delivered to the employee after having been approved and registered by the intermediate school district superintendent. No contract shall be offered by any board nor approved and registered by the intermediate school district superintendent for the employment of any teacher who has previously signed a contract to teach for that same term in another school district of the state of Washington unless such teacher shall have been released from his obligations under such previous contract by the board of directors
of the school district to which he was obligated. Any contract
signed in violation of this provision shall be void.

Every board of directors determining that there is probable
cause or causes that the employment contract of an employee should
not be renewed by the district for the next ensuing term shall notify
that employee in writing on or before April 15th preceding the com-
mencement of such term of that determination of the board of direc-
tors, which notification shall specify the cause or causes for non-
renewal of contract. Such notice shall be served upon the employee
personally, or by certified or registered mail, or by leaving a copy
of the notice at the house of his or her usual abode with some per-
son of suitable age and discretion then resident therein. Every such
employee so notified shall, at his or her request made in writing and
filed with the clerk or secretary of the board of directors of the
district within ten days after receiving such notice, be granted op-
portunity for hearing before the board of directors of the district,
to determine whether or not the facts constitute sufficient cause or
causes for nonrenewal of contract. In the request for hearing, the
employee may request either an open or closed hearing. Such board
upon receipt of such request shall call the hearing to be held with-
in ten days following the receipt of such request, and shall at least
three days prior to the date fixed for the hearing notify the em-
ployee in writing of the date, time and place of hearing. The hearing
shall be open or closed as requested by the employee, but if the
employee fails to make such a request, the board may determine wheth-
er the hearing shall be open or closed. The board may reasonably
regulate the conduct of the hearing. The employee may engage such
counsel and produce such witnesses as he or she may desire. The
board of directors shall, within five days following the conclusion
of such hearing, notify the employee in writing of its final deci-
sion either to renew or not to renew the employment of the employee
for the next ensuing term. Any decision not to renew such employ-
ment contract shall be based solely upon the cause or causes for non-
renewal specified in the notice of probable cause to the employee and established by a preponderance of the evidence at the hearing to be sufficient cause or causes for nonrenewal. If any such notification or opportunity for hearing is not timely given by the district, the employee entitled thereto shall be conclusively presumed to have been reemployed by the district for the next ensuing term upon contractual terms identical with those which would have prevailed if his employment had actually been renewed by the board of directors for such ensuing term.

No teacher, principal, supervisor, superintendent, or other certificated employee, holding a position as such with a school district, hereinafter referred to as "employee", shall be employed except by written order of a majority of the directors of the district at a
regular or special meeting thereof, nor unless he is the holder of an effective teacher's certificate or other certificate required by law or the state board of education for the position for which the employee is employed.

The board shall make with each employee employed by it a written contract, which shall be in conformity with the laws of this state, and limited to a term of not more than one year. Every such contract shall be made in triplicate, one copy to be retained by the school district superintendent or secretary, one copy to be retained, after having been approved and registered, by the intermediate school district superintendent, and one copy to be delivered to the employee thereafter. No contract shall be offered by any board nor approved and registered by the intermediate school district superintendent for the employment of any teacher who has previously signed a contract to teach for that same term in another school district of the state of Washington unless such teacher shall have been released from his obligations under such previous contract by the board of directors of the school district to which he was obligated. Any contract signed in violation of this provision shall be void.

Every board of directors determining that there is probable cause or causes that the employment contract of an employee should not be renewed by the district for the next ensuing term shall notify that employee in writing on or before April 15th preceding the commencement of such term of that determination of the board of directors, which notification shall specify the cause or causes for nonrenewal of contract. Such notice shall be served upon the employee personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such employee so notified, at his or her request made in writing and filed with the chairman or secretary of the board of directors of the district within ten days after receiving such notice, shall be granted opportunity for hearing before the board of directors of the district,
to determine whether or not the facts constitute sufficient cause or causes for nonrenewal of contract. In the request for hearing, the employee may request either an open or closed hearing. Such board upon receipt of such request shall call the hearing to be held within ten days following the receipt of such request, and at least three days prior to the date fixed for the hearing shall notify the employee in writing of the date, time and place of the hearing. The hearing shall be open or closed as requested by the employee, but if the employee fails to make such a request, the board may determine whether the hearing shall be open or closed. The board may reasonably regulate the conduct of the hearing. The employee may engage such counsel and produce such witnesses as he or she may desire. The board of directors, within five days following the conclusion of such hearing, shall notify the employee in writing of its final decision either to renew or not to renew the employment of the employee for the next ensuing term. Any decision not to renew such employment contract shall be based solely upon the cause or causes for nonrenewal specified in the notice of probable cause to the employee and established by a preponderance of the evidence at the hearing to be sufficient cause or causes for nonrenewal. If any such notification or opportunity for hearing is not timely given by the district, the employee entitled thereto shall be conclusively presumed to have been reemployed by the district for the next ensuing term upon contractual terms identical with those which would have prevailed if his employment had actually been renewed by the board of directors for such ensuing term.

The division is authorized to expend for or toward the cost of providing such sheltered employment or supervised work a sum or sums not to exceed one thousand five hundred dollars per annum for each such mentally retarded, severely handicapped, or disadvantaged person in order to maintain him as a contributing and self-supporting member of society as an alternative to dependency.

Sec. 24. Section 1, chapter 105, Laws of 1969 as codified in RCW 28A.10.100 and RCW 28A.10.105 are each amended to read as follows:

The purpose of ((section-27-chapter-105-laws-69-(RCW
28a.10.080)) section 23 of this 1970 amendatory act, RCW 28A.10.100, 28A.10.105 and 28A.10.110 is to encourage the development, improvement, and expansion of sheltered employment and supervised work programs for mentally retarded, severely handicapped and disadvantaged individuals to enable them to become contributing and self-supporting members of society as an alternative to dependency.

The condition of the mentally retarded, severely handicapped and disadvantaged is such that after laborious training in the schools and otherwise, they reach the point in their lives where they can and should, under proper and continued guidance, engage in sheltered employment and/or supervised work to help them become contributing members of society instead of being dependent. For such persons, retention in sheltered employment or supervised work may constitute satisfactory placement. Such training and placement is often a suitable alternative to institutionalization or idleness and its consequences. By keeping these individuals within their communities and in touch with their families, a worthwhile dimension is added to their lives and they are thus spared the anxieties naturally at-
tached to separation. All of these factors have also been shown to reflect tangible benefits upon the mentally retarded, severely handicapped or disadvantaged person by improving his overall well-being.

Sec. 25. Section 4, chapter 105, Laws of 1969 as codified in RCW 28A.10.110 and RCW 28A.10.110 are each amended to read as follows:

It is further provided that any federal funds available may be used to supplement (section-27,-chapter-105,-Laws-of-1969-(RCW 28A.10.080)) section 23 of this 1970 amendatory act, RCW 28A.10.100, 28A.10.105 and 28A.10.110.

Sec. 26. Section 28A.47.784, chapter 223, Laws of 1969 ex. sess. as amended by section 4, chapter 77, Laws of 1969 and RCW 28A-.47.784 are each amended to read as follows:

For the purpose of furnishing funds for state assistance to school districts in providing common school plant facilities and modernization of existing common school plant facilities, there shall be issued and sold limited obligation bonds of the state of Washington in the sum of twenty-two million dollars to be paid and discharged (net-mer-e-than-twenty-years-after-the-date-of-issuance) in accordance with terms to be established by the finance committee. The issuance, sale and retirement of said bonds shall be under the general supervision and control of the state finance committee: PROVIDED, That no part of the twenty-two million dollar bond issue shall be sold unless there are insufficient funds in the common school construction fund to meet appropriations authorized by RCW 28A.47.784 through 28A.47.791 as evidenced by a joint agreement entered into between the governor and the superintendent of public instruction.

The state finance committee is authorized to prescribe the forms of such bonds; the provisions of sale of all or any portion or portions of such bonds; the terms, provisions, and covenants of said bonds, and the sale, issuance and redemption thereof. The covenants of said bonds may include but not be limited to a covenant for the creation, maintenance and replenishment of a reserve account or accounts within the common school building bond redemption fund of
1967 to secure the payment of the principal of and interest on said bonds, into which it shall be pledged there will be paid, from the same sources pledged for the payment of such principal and interest, such amounts at such times which in the opinion of the state finance committee are necessary for the most advantageous sale of said bonds; a covenant that additional bonds which may be authorized by the legislature payable out of the same source or sources may be issued on a parity with the bonds authorized in RCW 28A.47.784 through 28A.47.791 upon compliance with such conditions as the state finance committee may deem necessary to effect the most advantageous sale of the bonds authorized in RCW 28A.47.784 through 28A.47.791 and such additional bonds; and if found reasonably necessary by the state finance committee to accomplish the most advantageous sale of the bonds authorized herein or any issue or series thereof, such committee may select a trustee for the owners and holders of such bonds or issue or series thereof and shall fix the rights, duties, powers and obligations of such trustee. The money in such reserve account or accounts and in such common school construction fund may be invested in any investments that are legal for the permanent common school fund of the state, and any interest earned on or profits realized from the sale of any such investments shall be deposited in such common school building bond redemption fund of 1967. None of the bonds herein authorized shall be sold for less than the par value thereof.

The committee may provide that the bonds, or any of them, may be called prior to the maturity date thereof under such terms, conditions, and provisions as it may determine and may authorize the use of facsimile signatures in the issuance of such bonds and upon any coupons attached thereto. Such bonds shall be payable at such places as the state finance committee may provide.

**EXPLANATORY NOTE**

contract to teach for the same term with another school
district.

relation to the nonrenewal of employment contracts and

House Bill No. 480 derived from section 15 of the original
House Bill 480 which did indeed amend RCW 28.85.360, but
when the substitute engrossed bill came out such amend-

form.

(2) 1969 ex.s. c 283 § 24 amended section by providing particular Friday in each year when program suitable to Veterans' Day will be held.

Sec. 13. This new section is added because in the amendment of RCW 28A.02.070 above by 1969 ex.s. c 283 § 24 the last paragraph of the amendatory section read "The provision of the 1969 amendment to this section shall not take effect until January 1, 1971." In RCW language this statement is only confusing since the reader would have no idea what the 1969 amendment was (without reference back to the 1969 session law). The effective date of the amendment should have been a separate section and thus we have omitted such language in our reenactment of RCW 28A.02.070 above and set forth this separate section.

(2) 1969 ex.s. c 199 § 56 amended section by adding proviso thereto providing for disposition of fines and penalties collected or assessed by justice courts because of violation of a state law.

Sec. 22. RCW 28A.87.080 was twice amended during the 1969 extraordinary session, each without reference to the other.

(1) 1969 ex.s. c 176 § 149 amended section by changing "county superintendent" to "intermediate school district superintendent" throughout.

(2) 1969 ex.s. c 199 § 59 amended section by adding proviso thereto providing for disposition of fines and penalties collected or assessed by justice courts because of violation of a state law.

Sec. 23.) Sec. 24.) RCW 28A.10.080, 28A.10.100 and 28A.10.110 are amended because 1969 c 105 amended RCW 28.10.080 but not RCW 28A.10.080, the like 1969 school code section: to obtain an integrated new school code the new sections of 1969 c 105 were placed in chapter 28A.10 and translations to include the reference to RCW 28.10.080 were made therein, thus the necessity to amend RCW 28A.10.100 and 28A.10.110.

Sec. 25.) RCW 28A.47.784 is amended to include language which was added to 1969 c 77 § 1, amending RCW 28A.47.784, but was not included in 1969 c 77 § 4, amending RCW 28A.47.784, the like 1969 school code section.

Sec. 26. RCW 28B.10.280 is amended to include language which was added to 1969 ex.s. c 222 § 1, amending RCW 28.10.280, but was not included in 1969 ex.s. c 222 § 2, amending RCW 28B.10.280, the like 1969 school code section.

Sec. 27. RCW 28B.75.010 through 28B.75.070 is repealed because 1969 ex.s. c 263 § 13 in repealing RCW 28.90.010 through 28.90.070 did not repeal 28B.75.010 through 28B.75.070, like sections in the 1969 school code.

Note: All the 1969 amendments integrated into sections reenacted above have appeared to the Code Reviser's office to affect different aspects of the RCW section amended and thus not contrary in policy, thereby allowing the drafter of this bill to give effect to each 1969 amendment by reenacting each section with said amendments.
