canvassing authority certifies the official election returns. The same procedure must be followed when paper ballots are used for partisan offices at a state primary election. For such write-in voting, it shall not be necessary for a voter to write the full name of the political party concerned. Any abbreviation including the first letter of the political party name shall be acceptable as long as the precinct election officers can determine to their satisfaction the person voted for and the political party intended.

Any person who is nominated at any primary election as a write-in candidate for any public office but who has not previously paid the regular filing fee shall not have his name printed on the official ballot for the general election unless, within five days after the official canvass of the primary vote, he executes a declaration of candidacy and pays the same fee required by law to be paid by candidates for filing for the office for which he has been nominated.

Sec. 2. Section 29.54.050, chapter 9, Laws of 1965 as amended by section 11, chapter 101, Laws of 1965 ex. sess. and RCW 29.54.050 are each amended to read as follows:

Ballots must be rejected if:
(1) Two are found folded together;
(2) Marked so as to identify who the voter is: PROVIDED, That this subsection (2) shall not apply to absentee ballots;
(3) Printed other than by the respective county auditors or other authorized election officials as provided by law.
Those parts of ballots must not be counted which:
(1) Designate more persons for an office than are to be elected to that office;
(2) Are not in compliance with section 1 of this 1973 amendatory act;
(3) Are not marked with sufficient definiteness to determine the voter's choice or intention: PROVIDED, That no ballot or part thereof shall be rejected for want of form or mistake in initials of names if the election board can determine to their satisfaction the person voted for and the office intended.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. INTENT. It is the intent of the legislature of the state of Washington to provide a method of compensating and assisting those residents of the state who are innocent victims of criminal acts and who suffer bodily injury or death as a consequence thereof. To that end, it is the intention of the legislature to make certain of the benefits and services which are now or hereafter available to injured workmen under Title 51 RCW also available to innocent victims of crime as defined and provided for in this chapter.

NEW SECTION. Sec. 2. DEFINITIONS. The following words and phrases as used in this chapter shall have the following meanings unless the context otherwise requires:

(2) "Criminal act" means an act committed or attempted in this state which is punishable as a felony or gross misdemeanor under the laws of this state: PROVIDED, That the operation of a motor vehicle, motorcycle, train, boat, or aircraft in violation of law does not constitute a "criminal act" unless the injury or death was intentionally inflicted or the operation thereof was part of the commission of another criminal act as defined in this section: PROVIDED FURTHER: (a) That neither an acquittal in a criminal prosecution nor the absence of any such prosecution shall be admissible in any claim or proceeding under this chapter as evidence of the noncriminal character of the acts giving rise to such claim or proceeding; (b) that evidence of a criminal conviction arising from acts which are the basis for a claim or proceeding under this chapter shall be admissible in such claim or proceeding for the limited purpose of proving the criminal character of the acts; (c) that acts which, but for the insanity or mental irresponsibility of the perpetrator, would constitute criminal conduct shall be deemed to be criminal conduct within the meaning of this chapter.

(3) "Victim" means a resident of the state who suffers bodily injury or death as a proximate result of a criminal act of another person, the victim's own good faith and reasonable effort to prevent a criminal act, or his good faith effort to apprehend a person reasonably suspected of engaging in a criminal act. chapter additionally seeks a remedy for damages from the person or
persons who have committed the criminal act resulting in damages,
then and in that event the department shall be subrogated to and have
a lien upon any recovery so made to the extent of the payments made

(1) Any payment of benefits to or on behalf of a victim under this chapter creates a debt due and owing to the department by any person found to have committed such criminal act in either a civil or criminal court proceeding in which he is a party: PROVIDED, That where there has been a superior or district court order, or an order of the board of prison terms and paroles or the department of social and health services, as hereinafter provided, the debt shall be limited to the amount provided for in said order. A court order shall prevail over any other order.

(2) Upon being placed on work release pursuant to chapter 72.65 RCW, or upon release from custody of a state correctional facility on parole, any convicted person who owes a debt to the department as a consequence of a criminal act may have the schedule or amount of payments therefor set as a condition of work release or parole by the department of social and health services or board of prison terms and paroles respectively, subject to modification based on change of circumstances. Such action shall be binding on the department.
