bill was primarily directed. In addition, group policies ordinarily include handicapped persons and merely exclude the pre-existing conditions, and the premiums are little, if at all, higher. For these reasons I have determined to veto this item in section 6.

In section 7 the Commission is authorized to require a person filing a complaint of an alleged unfair labor practice based on a handicap to submit to medical or psychiatric examination before action on the complaint is taken. If needed, the Commission can adopt by rule and regulation procedures for examination of those filing complaints alleging an unfair labor practice based on a handicap. To suggest, as this provision would, that only the handicapped need be submitted to such examinations is unnecessary and inappropriate in his act.

With the exception of this one item in section 6 and section 7, I have approved the remainder of Substitute House Bill No. 445."

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate April 14, 1973.
Approved by the Governor April 26, 1973, with the exception of Section 3 which is vetoed.
Filed in Office of Secretary of State April 26, 1973.
Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to one item, Substitute House Bill No. 498 entitled:

"AN ACT Adopting the supplemental budget."

This act, with the exception of one section, provides appropriations to reimburse belated claims and provide special relief. However, section three would require that within six weeks prior to the election in November, a copy of Substitute Senate Bill 2247 be mailed to each individual place of residence in the state. Substitute Senate Bill 2247 is the act which would implement a state income tax if the voters approve the required constitutional amendment at the next election. The appropriation provided for the mailing required in section three is $110,000.

For a number of years now the Secretary of State, pursuant to law, has mailed out a voter's pamphlet discussing the issues to be voted on at general elections. Just recently, I approved a bill passed by the legislature which would substantially expand the scope of the arguments for and against issues on the ballot. The voter's pamphlet is a more appropriate place to discuss the issues submitted to the people, and I am sure that extensive discussion of both the constitutional amendment and the implementing act will be provided in the pamphlet.

It should also be noted that the legislature, in its session in September, intends to undertake a full review of Substitute Senate Bill 2247. Consequently, any amendments made in September would not appear in copies of the bill.
mailed to the voters. Additionally, should any person desire a copy of the bill for review, it is readily available from the office of the Secretary of State between now and the November election.

Accordingly, for the reasons set out above, I have determined to veto section three. With that exception, the remainder of Substitute House Bill No. 498 is approved.

CHAPTER 216
[House Bill No. 590]
HORSE RACING--COMMISSION--EMPLOYEES--POWERS--DUTIES--FUNDING

AN ACT Relating to horse racing; amending section 2, chapter 55, Laws of 1933 as amended by section 1, chapter 233, Laws of 1969 ex. sess. and RCW 67.16.012; amending section 9, chapter 55, Laws of 1963 as last amended by section 7, chapter 148, Laws of 1965 and RCW 67.16.100; and adding new sections to chapter 67.16 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 2, chapter 55, Laws of 1933 as amended by section 1, chapter 233, Laws of 1969 ex. sess. and RCW 67.16.012 are each amended to read as follows:

There is hereby created the Washington horse racing commission, to consist of three commissioners, who shall be citizens, residents, and qualified electors of the state of Washington, and one of whom shall be a breeder of ((thoroughbred or standard bred)) race horses and he shall be of at least one year's standing. The first members of said commission shall be appointed by the governor within thirty days after March 3, 1933, one for a term to expire on the Thursday following the second Monday in January of 1935, one for a term to expire on the Thursday following the second Monday in January of 1937, and one for a term to expire on the Thursday following the second Monday in January of 1939, upon which expiration of the term of any member, the governor shall appoint a successor for a term of six years. Each member shall hold office until his successor is appointed and qualified. Vacancies in the office of commissioner shall be filled by appointment to be made by the governor for the unexpired term; PROVIDED, HOWEVER, THAT IN THE EVENT THAT AN APPOINTMENT HAS NOT BEEN MADE TO FILL A VACANCY AS REQUIRED BY RCW 43.06.030 THE MEMBER WHOSE TERM HAS BEEN VACATED OR EXPIRED SHALL NOT BE PERMITTED TO SERVE ON THE COMMISSION. Any commissioner may be removed at any time at the pleasure of the
