The Washington law enforcement officers' and fire fighters' retirement system is hereby created for fire fighters and law enforcement officers.

(1) All fire fighters and law enforcement officers employed as such on or after March 1, 1970, on a full time fully compensated basis in this state shall be members of the retirement system established by this chapter with respect to all periods of service as such, to the exclusion of any pension system existing under any prior act except as provided in subsection (2) of this section.

(2) Any employee serving as a law enforcement officer or fire fighter on March 1, 1970, who is then making retirement contributions under any prior act shall have his membership transferred to the system established by this chapter as of such date. Upon retirement for service or for disability, or death, of any such employee, his retirement benefits earned under this chapter shall be computed and paid. In addition, his benefits under the prior retirement act to which he was making contributions at the time of this transfer shall be computed as if he had not transferred. For the purpose of such computations, the employee's creditability of service and eligibility for service or disability retirement and survivor and all other benefits shall continue to be as provided in such prior retirement act, as if transfer of membership had not occurred. The excess, if any, of the benefits so computed, giving full value to survivor benefits, over the benefits payable under this chapter shall be paid whether or not the employee has made application under the prior act. If the employee's prior retirement system was the Washington public employees' retirement system, payment of such excess shall be made by that system; if the employee's prior retirement system was the statewide city employees' retirement system, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred: PROVIDED, That any death in line of duty lump sum benefit payment shall continue to be the obligation of that system as provided in RCW 41.44.210; in the case of all other prior retirement systems, payment of such excess shall be made by the
employer which was the member's employer when his transfer of membership occurred.

(3) All funds held by any firemen's or policemen's relief and pension fund shall remain in that fund for the purpose of paying the obligations of the fund. The municipality shall continue to levy the dollar rate as provided in RCW 41.16.060, and this dollar rate shall be used for the purpose of paying the benefits provided in chapters 41.16 and 41.18 RCW. The obligations of chapter 41.20 RCW shall continue to be paid from whatever financial sources the city has been using for this purpose.

(4) Any member transferring from the Washington public employees' retirement system or the state-wide city employees' retirement system shall have transferred from the appropriate fund of the prior system of membership, a sum sufficient to pay into the Washington law enforcement officers' and fire fighters' retirement system fund the amount of the employees' and employers' contributions plus credited interest in the prior system for all service, as defined in this chapter, from the date of the employee's entrance therein until March 1, 1970. Except as provided for in subsection (2), such transfer of funds shall discharge said state retirement systems from any further obligation to pay benefits to such transferring members with respect to such service.

(5) All unfunded liabilities created by this or any other section of this chapter shall be computed by the actuary in his biennial evaluation. Such computation shall provide for amortization of the unfunded liabilities over a period of not more than forty years from March 1, 1970. The amount thus computed as necessary shall be reported to the governor by the board of the retirement system for inclusion in the budget. The legislature shall make the necessary appropriation to fund the unfunded liability from the state general fund beginning with the 1971-1973 biennium.

Sec. 8. Section 3, chapter 257, Laws of 1971 ex. sess. and RCW 41.26.045 are each amended to read as follows:

city has available for its other employees; AND PROVIDED FURTHER,
That for one year after the effective date of this 1974 amendatory
act any such medical or health standard now existing or hereinafter
adopted, except as it establishes a maximum age beyond which an
applicant is to be deemed ineligible for coverage, shall be waived as
to any applicant for employment or reemployment who is otherwise
eligible except for his age, who has been a member of any one or more
of the retirement systems created by chapter 41.20 of the Revised
Code of Washington and who has restored all contributions which he
has previously withdrawn from any such system or systems.

Any member, regardless of his age or years of service may be retired by the disability board, subject to approval by the retirement board as hereinafter provided, for any disability which has been continuous since his discontinuance of active service and which renders him unable to continue his service, whether incurred in the line of duty or not. No disability retirement allowance shall be paid until the expiration of a period of six months after the disability is incurred during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of his application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to his full monthly salary and shall continue to receive all other benefits provided to active employees from his employer for such period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, his disability leave allowance shall be canceled and he shall be restored to duty in the same rank or position, if any, held by the beneficiary at the time he became
disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he is or is believed to be physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of said member, or a person acting in his behalf, stating that said member is disabled, either physically or mentally: PROVIDED, That no such application shall be considered unless said member or someone in his behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, and that such disability has been continuous from the discontinuance of active service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter as now or hereafter amended, granting the member a disability retirement allowance; otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the retirement board in accordance with RCW 41.26.200: PROVIDED, That the disability board shall make a finding of whether or not the disability was incurred in line of duty.

(3) Every order of a disability board granting a disability retirement allowance shall forthwith be reviewed by the retirement board for the purposes of determining (a) whether the facts as found by the disability board are supported by substantial evidence in the record, except the finding of whether or not the disability was incurred in line of duty; and (b) whether the order is in accordance with law on the basis of such facts. If an affirmative determination is made by the retirement board on both of the aspects of the decision and order, it shall be affirmed; otherwise, it shall be reversed and remanded to the disability board for such further proceedings as the retirement board may direct.

(4) Every member who can establish, to the disability board, that he is physically or mentally disabled from the further performance of duty and that such disability will be in existence for a period of at least six months may waive the six-month period of disability leave and be immediately granted a disability retirement allowance, subject to the approval of the state board as provided in subsection (3) above.
Sec. 11. Section 15, chapter 209, Laws of 1969 ex. sess. as last amended by section 10, chapter 257, Laws of 1971 [ex. sess.] and RCW 41.26.150 are each amended to read as follows:

(1) Whenever any active member, or any member hereafter retired, on account of service, sickness or disability, not caused or brought on by dissipation or abuse, of which the disability board shall be judge, is confined in any hospital or in his home, and whether or not so confined, requires medical services, the employer shall pay for such active or retired member the necessary medical services not payable from some other source as provided for in subsection (2). In the case of active or retired fire fighters the employer may make the payments provided for in this section from the firemen's pension fund established pursuant to RCW 41.16.050 where such fund had been established prior to March 1, 1970: PROVIDED, That in the event the pension fund is depleted, the employer shall have the obligation to pay all benefits payable under chapters 41.16 and 41.18 RCW: PROVIDED FURTHER, That the disability board in all cases may have the active or retired member suffering from such sickness or disability examined at any time by a licensed physician or physicians, to be appointed by the disability board, for the purpose of ascertaining the nature and extent of the sickness or disability, the physician or physicians to report to the disability board the result of the examination within three days thereafter. Any active or retired member who refuses to submit to such examination or examinations shall forfeit all his rights to benefits under this section for the period of such refusal: AND PROVIDED FURTHER, That the disability board shall designate the medical services available to ((such)) any sick or disabled member.

(2) The medical services payable under this section will be reduced by any amount received or eligible to be received by the member under workmen's compensation, social security including the changes incorporated under Public Law 89-97 as now or hereafter amended, insurance provided by another employer, other pension plan, or any other similar source. Failure to apply for coverage if otherwise eligible under the provisions of Public Law 89-97 as now or hereafter amended shall not be deemed a refusal of payment of benefits thereby enabling collection of charges under the provisions of this chapter.

(3) Upon making such payments as are provided for in subsection (1), the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries or for the payment of the cost of medical services in connection with a member's sickness or disability to the extent necessary to recover the amount of payments made by the employer.
Any employer under this chapter, either singly, or jointly with any other such employer or employers through an association thereof as provided for in chapter 48.21 RCW, may provide for all or part of one or more plans of group hospitalization and medical aid insurance to cover any of its employees who are members of the Washington law enforcement officers' and fire fighters' retirement system, and/or retired former employees who were, before retirement, members of said retirement system, through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW. Benefits payable under any such plan or plans shall be deemed to be amounts received or eligible to be received by the active or retired member under subsection (2) of this section.

Sec. 12. Section 4, chapter 257, Laws of 1971 ex. sess. as amended by section 2, chapter 131, Laws of 1972 ex. sess. and RCW 41.26.046 are each amended to read as follows:

By July 31, 1971, the retirement board shall adopt minimum medical and health standards for membership coverage into the Washington law enforcement officers' and fire fighters' retirement system act. In adopting such standards the retirement board shall consider existing standards recommended by the international association of chiefs of police and the international association of fire fighters, and shall adopt equal or higher standards, together with appropriate standards and procedures to insure uniform compliance with this chapter. The standards when adopted shall be published and distributed to each employer, and each employer shall adopt certification procedures and such other procedures as are required to insure that no law enforcement officer((7)) or fire fighter((sheriff)) receives membership coverage unless and until he has actually met minimum medical and health standards: PROVIDED, That ((after March 47 1972r)) an elected sheriff shall not be required to meet the age standard. The retirement board may amend the minimum medical and health standards as experience indicates, even if the standards as so amended are lower or less rigid than those recommended by the international associations mentioned above. The cost of the medical examination contemplated by this section is to be paid by the employer.

Sec. 13. Section 24, chapter 209, Laws of 1969 ex. sess. as amended by section 16, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.240 are each amended to read as follows:

For purposes of this section of this chapter:

(1) "Index" shall mean, for any calendar year, that year's average Consumer Price Index--Seattle, Washington area for urban wage
earners and clerical workers, all items (1957-1959=100), compiled by
the Bureau of Labor Statistics, United States Department of Labor;

(2) "Retirement allowance" shall mean the retirement
allowance provided for in RCW 41.26.100 and 41.26.130, and the
monthly allowance provided for in RCW 41.26.160.

Effective April 1 of 1971, and of each succeeding year, every
retirement allowance which has been in effect for more than one
year shall be adjusted to that dollar amount which exceeds its original
dollar amount by the percentage difference which the board finds to
exist between the index for the previous calendar year and the index
for the calendar year prior to the effective retirement date of the
person to whom, or on behalf of whom, such retirement allowance is
being paid. (T PROVIDED: That no retirement allowance shall in any
event be reduced to a dollar amount less than its original dollar
amount.

Whenever the amount of a benefit is to be recalculated because
of a change in the number of children, the amount shall be calculated
as if the new number of children had always been in existence).

For the purposes of this section, basic allowance shall mean
that portion of a total retirement allowance, and any cost of living
adjustment thereon, attributable to a member (individually) and shall
not include the increased amounts attributable to the existence of a
child or children. In those cases where a child ceases to be
qualified as an eligible child, so as to lessen the total allowance,
the allowance shall, at that time, be reduced to the basic allowance
plus the amount attributable for the appropriate number of eligible
children. In those cases where a child qualifies as an eligible
child subsequent to the retirement of a member so as to increase the
total allowance payable, such increased allowance shall at the time
of the next and appropriate subsequent cost of living adjustments, be
considered the original dollar amount of the allowance.

for they immediate preservation of the public peace, health and
safety, the support of the state government and its existing public
institutions, and shall take effect immediately.

amendatory act, or its application to any person or circumstance is
