little, if any, flexibility or discretion in the appointment of the members. Such restrictive language as well disqualify some persons who would be best qualified to serve. For these reasons, I have determined to veto the referenced item. In so doing, I recognize that the vetoed item also contains the length of the terms to be served by the members. I would urge the Legislature to consider again and reenact the relevant term provisions at its next session.

With the foregoing exceptions, I have approved the remainder of House Bill No. 1208."
