If the redrawing of board member district boundaries pursuant to this chapter shall cause the resident board member district of two or more board members to coincide, such board members shall continue to serve on the board until the next general school election at which time a new board shall be elected. The board-member districts shall be arranged so far as practicable on a basis of equal population, with consideration being given existing board members of existing intermediate school district boards. The term of office for each board member shall be four years and until a successor is duly elected and qualified: For the first election or an election following reorganization, board-member district positions numbered one, three, five, and seven in each intermediate school district shall be for a term of four years and positions numbered two, four, and six shall be for a term of two years:

Any intermediate school district board may elect by resolution of the board to increase the board member size to nine board members: In such case positions numbered eight and nine shall be filled at the next general school election, position numbered eight to be for a term of two years; position numbered nine to be for a term of four years. Thereafter the terms for such positions shall be for four years:
