The commission may in carrying out this reapportionment directive reduce the number of districts presently provided by prior law, whenever it is in the best interest of the producers and if such change would maintain reasonable apportionment for each historical production or marketing area: PROVIDED, That each elected commission member whose district may be consolidated with another district shall be allowed to serve out his term of office.

If the commission fails to carry out its directive as set forth herein for equal representation of each producer on the commission the director of agriculture may upon request by ten producers institute a hearing to determine if there is reasonably equal representation for each producer on the commission. If the director of agriculture finds that such reasonably equal representation is lacking, he then shall realign the district boundaries in a manner which will provide proper representation on the commission for each producer.
