AN ACT Relating to food fish and shellfish; amending section 3, chapter 112, Laws of 1949 and RCW 75.08.012; adding new sections to chapter 75.28 RCW; prescribing penalties; providing for the establishment of a revolving fund; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 3, chapter 112, Laws of 1949 and RCW 75.08.012 are each amended to read as follows:

It shall be the duty and purpose of the department of fisheries to preserve, protect, perpetuate and manage the food fish and shellfish in the waters of the state and the offshore waters thereof to the end that such food fish and shellfish shall not be taken, possessed, sold or disposed of at such times and in such manner as will impair the supply thereof. For the purpose of conservation, and in a manner consistent therewith, the department shall seek to maintain the economic well-being and stability of the commercial fishing industry in the state of Washington.

NEW SECTION. Sec. 2. There is added to chapter 75.28 RCW a new section to read as follows:

The legislature finds that the protection, welfare, and economic well-being of the commercial fishing industry is important to the people of this state. There presently exists an overabundance of commercial fishing gear in our state waters which causes great pressure on the fishing resources. This results in great economic waste to the state and prohibits conservation and harvesting programs from achieving their goals. This adverse situation has been compounded by the recent federal court decision, United States of America et al. v. State of Washington et al., Civil No. 9213, United States District Court for the Western District of Washington, February 12, 1974. As a result, large numbers of commercial fishermen face personal economic hardship and the state commercial fishing industry is confronted with economic difficulty. The public welfare requires that the state have the authority to purchase commercial fishing vessels, licenses, gear, and permits offered for sale, as appropriate, in a manner which will provide relief to the individual vessel owner, and which will effect a reduction in the amount of commercial fishing gear in use in the state so as to insure increased economic opportunity for those persons in the industry and to insure that sound scientific conservation and harvesting programs can be carried out. It is the intention of the legislature to provide relief to commercial fishermen adversely affected by the current economic situation in the state fishery and to preserve this valuable state industry and these natural resources.

NEW SECTION. Sec. 3. There is added to chapter 75.28 RCW a new section to read as follows:

As used in this 1975 amendatory act, unless the context indicates otherwise:

(1) "Case area" means those areas of the Western district of Washington within the watersheds of Puget Sound and the Olympic Peninsula north of Grays

State of Washington et al., Civil No. 9213, United States District Court for Western District of Washington, February 12, 1974, or any area in which fishing rights are affected by court decision in a manner consistent with the above-mentioned decision;

(2) "Department" means the department of fisheries;
(3) "Director" means the director of the department of fisheries.

NEW SECTION. Sec. 4. There is added to chapter 75.28 RCW a new section to read as follows:

The department is authorized to purchase commercial fishing vessels and appurtenant gear, and the appropriate current commercial fishing licenses and delivery permits issued by the state of Washington if the vessel, licensee or permit holder:

(1) Was licensed to fish or deliver fish during 1974 within the case area; and
(2) Was substantially restricted in its fishing season in 1974 by the department as a result of compliance with United States of America et al. v. State of Washington et al., Civil No. 9213, United States District Court for Western District of Washington, February 12, 1974.

The department shall not purchase any vessel without also purchasing all appropriate current Washington commercial fishing licenses and delivery permits issued to such vessel or its owner: PROVIDED, That the department is authorized to purchase current licenses and delivery permits in the absence of the purchase of a vessel.

NEW SECTION. Sec. 5. There is added to chapter 75.28 RCW a new section to read as follows:

The purchase by the department of a vessel and appurtenant gear shall be based on a survey conducted by a qualified marine surveyor. A license or delivery permit shall be valued separately by the department.

The director may specify a maximum price to be paid by the department for any vessel, gear, license or delivery permit purchased pursuant to section 4 of this 1975 amendatory act. Any license or delivery permit so purchased shall be permanently retired by the department.

NEW SECTION. Sec. 6. There is added to chapter 75.28 RCW a new section to read as follows:

The department may arrange for the insurance and storage and for the resale or other disposition of all vessels and gear purchased pursuant to this 1975 amendatory act. Such vessels shall not be used by any owner or operator as a fishing vessel other than as a vessel used for angling or other personal use in waters within the state of Washington, nor shall such vessels be used by any owner or operator to deliver fish within the boundaries of the state of Washington. The department shall require that the purchasers or other users of vessels resold or otherwise disposed of by the department execute any and all suitable instruments to insure compliance with the requirements of this section. The director may commence suit or be sued on any such instrument in any state court of record or United States district court having jurisdiction.

The members of such advisory board shall be reimbursed for subsistence and travel expenses pursuant to RCW 43.03.050 and 43.03.060 for each day or major portion thereof spent in the performance of their duty.

NEW SECTION. Sec. 9. There is added to chapter 75.28 RCW a new section to read as follows:

The provisions of this 1975 amendatory act shall become effective only upon receipt by the department from the federal government of funds in an amount sufficient to administer such provisions and to accomplish its purposes. If such funds are not received or authorized prior to July 1, 1976, this 1975 amendatory act shall expire on said date.

The director shall be the responsible state officer for the administration of, and the disbursement of all funds, goods, commodities, and services, which may be received by the state in connection with the provisions of this 1975 amendatory act.
