(1) The director (of licenses) may refuse to grant or may revoke a license to practice chiropractic in this state or may cause a licentiate's name to be removed from the records in the office of the county clerk of any county in this state upon any of the following grounds, to wit: The employment of fraud or deception in applying for a license or in passing an examination provided for in this chapter; the practice of chiropractic under a false or assumed name, or the impersonation of another practitioner of like or different name; the conviction of a crime involving moral turpitude; habitual intemperance in the use of ardent spirits, (narcotics) controlled substances, or stimulants to such an extent as to incapacitate him or her for the performance of (their) his or her professional duties; exploiting or advertising through the press, or by the use of handbills, circulars, or other periodicals, other than professional cards, giving only name, address, profession, office hours, and telephone connections. Any person who is a licentiate, or who is an applicant for a license to practice chiropractic against whom any of the foregoing grounds for revoking or refusing a license, is presented to said director with a view of having the director revoke or refuse to grant a license, shall be furnished with a copy of the complaint, and shall have a hearing before said director in person or by attorney, and witnesses may be examined by said director respecting the guilt or innocence of said accused.

(2) Said director may at any time within two years of the refusal or revocation or cancellation of registration under this section, issue a new license or grant a license to the person affected, restoring him to, or conferring upon him all the rights and privileges of, and pertaining to the practice of chiropractic as defined and regulated by this chapter. Any person to whom such have been restored shall
pay to the director (the sum of twenty-five dollars) a fee determined by the director as provided in RCW 43.24.085 as now or hereafter amended upon issuance of a new license.

Every person practicing chiropractic shall, as a prerequisite to annual renewal of license, submit to the director at the time of application therefor, satisfactory proof showing attendance during the preceding year, at one or more chiropractic symposiums which are recognized and approved by the board of chiropractic examiners: PROVIDED, That the board may, for good cause shown, waive said attendance.

(1) Symposia approved, by the board, for licensees practicing or residing within the state of Washington are those sponsored or conducted by the Washington Chiropractor’s Association, the Chiropractic Society of Washington, the American Chiropractic Association, or The International Chiropractic Association, or an approved chiropractic college and which devote themselves to lectures or demonstrations concerning matters which are recognized in the state of Washington chiropractic licensing laws.

(2) Symposia approved, by the board, for licensees practicing and residing outside the state are those sponsored or conducted by an approved chiropractic college or a recognized chiropractic organization which is representative of the chiropractors of a state, a territory, a province, or a country.

The director shall, thirty days or more before September first, of each year mail to all chiropractors in the state a notice of the fact that the renewal fee will be due on or before the first of September. Nothing in this chapter shall be construed so as to require that the receipts shall be recorded as original licenses are required to be recorded.

The failure of any licensed chiropractor to pay his annual license renewal fee by the first day of October following the date on which the fee was due shall work a forfeiture of his license. It shall not be reinstated except upon written application and the payment of a penalty (of twenty-five dollars) to be determined by the director as provided in RCW 43.24.085 as now or hereafter amended, together with all annual license renewal fees delinquent at the time of the forfeiture, and
those for each year thereafter up to the time of reinstatement. Should the licenti-

established and generally recognized church or religious denomination which
meets reliance on spiritual means alone for healing as having been approved to
administer institutions certified by such church or denomination for the care and

and of RCW 18.52.040 and 18.52.050. The three nonadministrator members of the
first board shall administer to the initial administrator members an appropriate
examination, and the initial administrator members shall thereafter be issued their

home administrator during all of the calendar year immediately preceding July 1,
1970, and meets the standards of RCW 18.52.070(1). Any such provisional license
shall terminate after two years or at midnight, June 30, 1972, whichever is earlier.
If prior to the expiration of such provisional license, the provisional licensee has
qualified to take and has passed the examination required by the board, a nursing
home administrator's license shall be issued to him.

(2) If a provisional license is issued to any individual, there shall be provided
in this state during all of the period for which such provisional license remains in
effect a program of training and instruction designed to enable all provisional li-

fully licensed as a nursing home administrator as provided under this chapter. The single state agency administering the program of this state under Title XIX of the Federal Social Security Act shall apply for, receive, and administer such federal funds as are made available to carry out the educational programs contemplated by this section.

Sec. 54. Section 11, chapter 57, Laws of 1970 ex. sess. as amended by section 9, chapter 266, Laws of 1971 ex. sess. and RCW 18.52.110 are each amended to read as follows:

(1) Every holder of a nursing home administrator's license shall reregister it annually with the director on dates specified by the director by making application for reregistration on forms provided by the director. Such reregistration shall be granted automatically upon receipt of a fee ((of not more than fifty dollars to be)) determined by the director as provided in RCW 43.24.085 as now or hereafter amended. In the event that any license is not reregistered within thirty days after the date for reregistration specified by the director, the director shall, in accordance with rules prescribed by the board, give notice to the license holder, and may thereafter in accordance with rules prescribed by the board charge up to double the normal reregistration fee. In the event that the license of an individual is not reregistered within three years from the most recent date for reregistration it shall lapse and such individual must again apply for licensing and meet all requirements of this chapter for a new applicant. The board may prescribe rules for maintenance of a license at a reduced fee for temporary or permanent withdrawal or retirement from the active practice of nursing home administration.

(2) A condition of reregistration shall be the presentation of proof by the applicant that he has attended the number of classroom hours of approved educational programs, classes, seminars, or proceedings set by the board. The board shall have the power to approve programs, classes, seminars, or proceedings offered in this state or elsewhere by any accredited institution of higher learning or any national or local group or society if such programs, classes, seminars, or proceedings are reasonably related to the administration of nursing homes. The board shall establish rules and regulations providing that the applicant for reregistration may present such proofs yearly, or may obtain the cumulative number of required hours over a three year period and present such proofs over periods of three years. In no event shall the number of classroom hours required for any time period exceed the number of such board approved classroom hours reasonably available over such time period on an adult or continuing education basis to nonmatriculating participants in this state.

(3) An individual may obtain and reregister a license under this chapter although he does not actively engage in nursing home administration.

the substantial equivalent of those prevailing in this state, and that the applicant is
otherwise qualified. In the event that there is developed a nationally recognized
standard for the licensing of nursing home administrators which is in fact utilized
in licensing procedures on a reasonably uniform basis the board may by rule or
regulation provide for granting reciprocal licensing on a showing of compliance
with such standard.

Sec. 56. Section 13, chapter 144, Laws of 1919 as last amended by section 10,

or hereafter amended, and failure to pay such fee within the prescribed time shall
cause the suspension of his certificate. The state treasurer shall place two dollars
and forty cents from each renewal fee into the general fund and shall place the
balance into an optometry account which is hereby created for the enforcement of
this chapter. Any residue in such account shall be accumulated and shall not re-
