NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Notwithstanding any other provision of law after February 19, 1974 no law enforcement officer or fire fighter, may become eligible for coverage in the pension system established by this chapter, until he has met and has been certified as having met minimum medical and health standards: PROVIDED, That an elected sheriff or an appointed chief of police or fire chief, shall not be required to meet the age standard: PROVIDED FURTHER, That in cities and towns having not more than two law enforcement officers and/or not more than two fire fighters and if one or more of such persons do not meet the minimum medical and health standards as required by the provisions of this chapter, then such person or persons may join any other pension system that the city has available for its other employees: AND PROVIDED FURTHER, That for one year after February 19, 1974 any such medical or health standard now existing or hereinafter adopted, insofar as it establishes a maximum age beyond which an applicant is to be deemed ineligible for coverage, shall be waived as to any applicant for employment or reemployment who is otherwise eligible except for his age, who has been a member of any one or more of the retirement systems created by chapter 41.20 of the Revised Code of Washington and who has restored all contributions which he has previously withdrawn from any such system or systems.

Sec. 21. Section 4, chapter 257, Laws of 1971 ex. sess. as last amended by section 12, chapter 120, Laws of 1974 ex. sess and RCW 41.26.046 are each amended to read as follows:

By July 31, 1971, the retirement board shall adopt minimum medical and health standards for membership coverage into the Washington law enforcement
officers' and fire fighters' retirement system act. In adopting such standards the retirement board shall consider existing standards recommended by the international association of chiefs of police and the international association of fire fighters, and shall adopt equal or higher standards, together with appropriate standards and procedures to insure uniform compliance with this chapter. The standards when adopted shall be published and distributed to each employer, and each employer shall adopt certification procedures and such other procedures as are required to insure that no law enforcement officer or fire fighter receives membership coverage unless and until he has actually met minimum medical and health standards: PROVIDED, That an elected sheriff or an appointed chief of police or fire chief shall not be required to meet the age standard. The retirement board may amend the minimum medical and health standards as experience indicates, even if the standards as so amended are lower or less rigid than those recommended by the international associations mentioned above. The cost of the medical examination contemplated by this section is to be paid by the employer.

Sec. 22. Section 9, chapter 209, Laws of 1969 ex. sess. as last amended by section 6, chapter 131, Laws of 1972 ex. sess. and RCW 41.26.090 are each amended to read as follows:

Retirement of a member for service shall be made by the board as follows:

(1) Any member having five or more years of service and having attained the age of fifty years shall be eligible for a service retirement allowance and shall be retired upon his written request effective the first day following the date upon which the member is separated from service.

(2) Any member having five or more years of service, who terminates his employment with any employer, may leave his contributions in the fund. Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1, 1970, by reason of his having been elected to a public office. Any member selecting this optional vesting with less than twenty years of service shall not be covered by the provisions of RCW 41.26.150, and his survivors shall not be entitled to the benefits of RCW 41.26.160 unless his death occurs after he has attained the age of fifty years. Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years: PROVIDED, That a member selecting this option, with less than twenty years of service credit, who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest: PROVIDED FURTHER, That if the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible
for the benefits of RCW 41.26.160 regardless of his age at the time of his death, to
the exclusion of the lump sum amount provided by this subsection.

(3) Any member who has attained the age of sixty years shall be retired on the
first day of the calendar month next succeeding that in which said member shall
have attained the age of sixty and may not thereafter be employed as a law en-
forcement officer or fire fighter: PROVIDED, That for any member who is elected
or appointed to the office of sheriff, chief of police, or fire chief, his election or ap-
pointment shall be considered as a waiver of the age sixty provision for retirement
and nonemployment for whatever number of years remain in his present term of
office and any succeeding periods for which he may be so elected or appointed:
PROVIDED FURTHER, That the provisions of this subsection shall not apply to
any member who is employed as a law enforcement officer or fire fighter on March
1, 1970.

Sec. 23. Section 17, chapter 209, Laws of 1969 ex. sess as last amended by
section 5, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.160 are each
amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has
vested under the provisions of RCW 41.26.090 with twenty or more years of serv-
ice, or who is on disability leave or retired, whether for disability or service, his
surviving spouse shall become entitled to receive a monthly allowance equal to fifty
percent of his final average salary at the date of death if active, or the amount of
retirement allowance the vested member would have received at age fifty, or the
amount of the retirement allowance such retired member was receiving at the time
of his death if retired for service or disability. The amount of this allowance will be
increased five percent of final average salary for each child as defined in RCW
41.26.030(7), as now or hereafter amended, subject to a maximum combined al-
lowance of sixty percent of final average salary: PROVIDED, That if the child or
children is or are in the care of a legal guardian, payment of the increase attribut-
able to each child will be made to the child's legal guardian.

(2) If at the time of the death of a vested member with twenty or more years
service as provided above or a member retired for service or disability, the surviving
spouse has not been lawfully married to such member for one year prior to his re-
tirement or separation from service if a vested member, the surviving spouse shall
not be eligible to receive the benefits under this section: PROVIDED, That if a
member dies as a result of a disability incurred in the line of duty, then if he was
married at the time he was disabled, his surviving spouse shall be eligible to receive
the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of
such member's death, then the child or children of such member shall receive a
monthly allowance equal to thirty percent of final average salary for one child and
an additional ten percent for each additional child subject to a maximum combined
payment, under this subsection, of sixty percent of final average salary. When there
cease to be any eligible children as defined in RCW 41.26.030(7), as now or here-
after amended, there shall be paid to the legal heirs of said member the excess, if
any, of accumulated contributions of said member at the time of his death over all
payments made to his survivors on his behalf under this chapter: PROVIDED,
That payments under this subsection to children shall be prorated equally among
the children, if more than one.

(4) In the event that there is no surviving spouse eligible to receive benefits un-
der this section, and that there be no child or children eligible to receive benefits
under this section, then the accumulated contributions shall be paid to the estate of
said member.

(5) If a surviving spouse receiving benefits under the provisions of this section
thereafter dies (or remarries) and there are children as defined in RCW
41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and
the child or children shall receive the benefits as provided in subsection (3) above.

(6) The payment provided by this section shall become due the day following
the date of death and payments shall be retroactive to that date.
