Any employer who has complied with this section may withdraw his or her acceptance of liability under this title by filing written notice with the director of the withdrawal of his or her acceptance. Such withdrawal shall become effective thirty days after the filing of such notice or on the date of the termination of the security for payment of compensation, whichever last occurs. The employer shall, at least thirty days before the effective date of the withdrawal, post reasonable notice of such withdrawal where the affected ((workman)) workers work and shall otherwise notify personally the affected ((workmen)) workers. Withdrawal of acceptance of this title shall not affect the liability of the department or self-insurer for compensation for any injury occurring during the period of acceptance.

Sec. 9. Section 27, chapter 289, Laws of 1971 ex. sess. as amended by section 16, chapter 43, Laws of 1972 ex. sess. and RCW 51.14.020 are each amended to read as follows:

(1) An employer may qualify as a self-insurer by establishing to the director's satisfaction that he or she has sufficient financial ability to make certain the prompt payment of all compensation under this title and all assessments which may become due from such employer. Any employer who has formerly been certified as a self-insurer and thereafter ceases to be so certified may not apply for certification within three years of ceasing to have been so certified.

(2) A self-insurer may ((establish sufficient)) be required by the director to supplement existing financial ability by depositing in an escrow account in a depository designated by the director, money and/or corporate or governmental securities approved by the director, or a surety bond written by any company admitted to transact surety business in this state filed with the department. The money, securities, or bond shall be in an amount reasonably sufficient in the director's discretion to insure payment of reasonably foreseeable compensation and assessments but not less than the employer's normal expected annual claim liabilities and in no event less than one hundred thousand dollars. In arriving at the amount of money, securities, or bond required under this subsection, the director shall take into consideration the financial ability of the employer to pay compensation and assessments and his or her probable continuity of operation. The money, securities, or bond so deposited shall be held by the director to secure the payment of compensation by the self-insurer and to secure payment of his or her assessments. The amount of security may be increased or decreased from time to time by the director. The income from any securities deposited may be distributed currently to the self-insurer.
(3) Securities or money deposited by an employer pursuant to subsection (2) of this section shall be returned to him or her upon his or her written request provided the employer files the bond required by such subsection.

(4) If the employer seeking to qualify as a self-insurer has previously insured with the state fund, the director shall require the employer to make up his or her proper share of any deficit or insufficiency in the state fund as a condition to certification as a self-insurer.

(5) A self-insurer may reinsure a portion of his or her liability under this title with any reinsurer authorized to transact such reinsurance in this state: PROVIDED, That the reinsurer may not participate in the administration of the responsibilities of the self-insurer under this title. Such reinsurance may not exceed eighty percent of the liabilities under this title.

Sec. 10. Section 28, chapter 289, Laws of 1971 ex. sess. and RCW 51.14.030 are each amended to read as follows:

(f) The qualifications of the personnel of the employer to perform this service.

Such certification shall remain in effect until withdrawn by the director or surrendered by the employer with the approval of the director. An employer's qualification as a self-insurer shall become effective on the date of certification or any date specified in the certificate after the date of certification.

Sec. 11. Section 51.16.060, chapter 23, Laws of 1961, as amended by section 1, chapter 32, Laws of 1973 1st ex. sess. and RCW 51.16.060 are each amended to read as follows:

preceding calendar quarter, and a segregation of employment in the different
classes established pursuant to this title, and shall pay ((his)) its premium thereon
to the appropriate fund. The sufficiency of such statement shall be subject to the
approval of the director: PROVIDED, That the director may in his or her discre-
tion and for the effective administration of this title require an employer in indi-
idual instances to furnish a supplementary report containing the name of each
individual ((workman)) worker, his or her hours worked, his or her rate of pay and
the class or classes in which such work was performed: PROVIDED FURTHER,
That in the event an employer shall furnish the department with four consecutive
quarterly reports wherein each such quarterly report indicates that no premium is
due the department may close the account: ((AND,)) PROVIDED FURTHER,
That the department may promulgate rules and regulations in accordance with
chapter 34.04 RCW to establish other reporting periods and payment due dates in
lieu of reports and payments following each calendar quarter, and may also establish
terms and conditions for payment of premiums and assessments based on esti-
mated payrolls, with such payments being subject to approval as to sufficiency of
the estimated payroll by the department, and also subject to appropriate periodic
adjustments made by the department based on actual payroll: AND PROVIDED
FURTHER, That a temporary help company which provides workers on a tempo-
rary basis to its customers shall be considered the employer for purposes of report-
ing and paying premiums and assessments under this title according to the
appropriate rate classifications as determined by the department: PROVIDED,
That the employer shall be liable for paying premiums and assessments, should the
temporary help company fail to pay the premiums and assessments under this title.

Sec. 12. Section 5 1.16.110, chapter 23, Laws of 1961 as amended by section 4,
chapter 289, Laws of 1971 ex. sess. and RCW 51.16.110 are each amended to read
as follows:

Every employer who shall enter into any business, or who shall resume opera-
tions in any work or plant after the final adjustment of his or her payroll in con-
nection therewith, or who was formerly a self-insurer and wishes to continue his or
her operations subject to this title, shall, before so commencing or resuming or
continuing operations, as the case may be, notify the ((director)) department of
such fact, accompanying such notification with a cash deposit in a sum equal to the
estimated premiums for the first three full calendar months of his or her proposed
operations which shall remain on deposit subject to the other provisions of this
section.

The ((director)) department may, in ((his)) its discretion and in lieu of such
deposit, accept a bond, in an amount which ((he)) it deems sufficient, to secure
payment of premiums due or to become due to the accident fund and medical aid
fund. The deposit or posting of a bond shall not relieve the employer from paying
premiums subsequently due.

Should the employer acquire sufficient assets to assure the payment of premi-
ums due to the accident fund and the medical aid fund the ((director)) department
may, in ((his)) its discretion, refund the deposit or cancel the bond.

If the employer ceases to be an employer under ((RCW 51.08.070)) this title,
the ((director)) department shall, upon receipt of all payments due the accident
fund and medical aid fund, or any other fund under this title, refund to the employer all deposits remaining to the employer's credit and shall cancel any bond given under this section.

Sec. 13. Section 51.16.120, chapter 23, Laws of 1961 as amended by section 13, chapter 43, Laws of 1972 ex. sess. and RCW 51.16.120 are each amended to read as follows:

(1) Whenever a ((workman)) worker has ((sustained)) a previous bodily ((infirmitory or)) disability from any previous injury or disease and shall suffer a further disability from injury or occupational disease in employment covered by this title and become totally and permanently disabled from the combined effects thereof or die when death was substantially accelerated by the combined effects thereof, then the experience record of ((the)) an employer insured with the state fund at the time of said further injury or disease shall be charged and a self-insured employer shall pay directly into the reserve fund only ((with)) the accident cost which would have resulted solely from said further injury or disease, had there been no preexisting disability, and which accident cost shall be based upon an evaluation of the disability by medical experts. The difference between the charge thus assessed to ((the)) such employer at the time of said further injury or disease and the total cost of the pension reserve shall be assessed against the second injury fund. The department shall pass upon the application of this section in all cases where benefits are paid for total permanent disability or death and issue an order thereon appealable by the employer. Pending outcome of such appeal the transfer or payment shall be made as required by such order.

(2) The department shall, in cases of claims of workers sustaining injuries or occupational diseases in the employ of state fund employers, recompute the experience record of such employers when the claims of workers injured in their employ have been found to qualify for payments from the second injury fund after the regular time for computation of such experience records and the department may make appropriate adjustments in such cases including cash refunds or credits to such employers.

(3) To encourage employment of injured workers who are not reemployed by the employer at the time of injury, the department may adopt rules providing for the reduction or elimination of premiums or assessments from subsequent employers of such workers and may also adopt rules for the reduction or elimination of charges against such employers in the event of further injury to such workers in their employ.

Sec. 14. Section 51.32.030, chapter 23, Laws of 1961 and RCW 51.32.030 are each amended to read as follows:

Any ((individual employer or any member or officer of any corporate employer who is carried upon the payroll at a salary or wage not less than the average salary or wage named in such payroll)) sole proprietor, partner, or joint venturer who has requested coverage under this title and who shall thereafter be injured or sustain an occupational disease, shall be entitled to the benefit of this title, as and under the same circumstances and subject to the same obligations as a ((workman)) worker: PROVIDED, That no such ((employer)) person or the beneficiaries ((of such employer thereof)) thereof shall be entitled to benefits under this title unless the ((director; prior to the date of the injury;)) department has received notice in writing ((of-the

[ 1239 ]
fact that such employer is being carried upon the payroll)) of such request on such forms as the department may provide prior to the date of the injury or occupational disease as the result of which claims ((for a compensation)) are made: PROVIDED, That the department shall have the power to cancel the personal coverage of any such person if any required payments or reports have not been made.

Sec. 15. Section 1, chapter 19, Laws of 1975-'76 2nd ex. sess. and RCW 51.32.073 are each amended to read as follows:

Each employer shall retain from the earnings of each ((workman)) worker that amount as shall be fixed from time to time by the director, the basis for measuring said amount to be determined by the director. The money so retained shall be matched in an equal amount by each employer, and all such moneys shall be remitted to the department in such manner and at such intervals as the department directs and shall be placed in the supplemental pension fund: PROVIDED, That the state apprenticeship council shall pay the entire amount into the supplemental pension fund for registered apprentices or trainees during their participation in supplemental and related instruction classes. The moneys so collected shall be used exclusively for the additional payments from the supplemental pension fund prescribed in this title and for the amount of any increase payable under the provisions of RCW 51.32.075 as now or hereafter amended and shall be no more than necessary to make such payments on a current basis. The department may require a self-insurer to make any additional payments which are payable from the supplemental pension fund and thereafter such self-insurer shall be reimbursed therefrom.

Sec. 16. Section 12, chapter 289, Laws of 1971 ex. sess. as amended by section 23, chapter 43, Laws of 1972 ex. sess. and RCW 51.32.095 are each amended to read as follows:

One of the primary purposes of this title is the restoration of the injured ((workman)) worker to gainful employment. To this end, the department shall utilize the services of individuals whose experience, training, and interests in vocational rehabilitation and retraining qualify them to lend expert assistance to the supervisor of industrial insurance in such programs of vocational rehabilitation or retraining as may be reasonable to qualify the ((workman)) worker for employment consistent with his or her physical and mental status. Where, after evaluation and recommendation by such individuals and prior to final evaluation of the ((workman's)) worker's permanent disability and in the sole opinion of the supervisor, vocational rehabilitation or retraining is both necessary and likely to restore the injured ((workman)) worker to a form of gainful employment, the supervisor may, in his or her sole discretion, pay or, if the employer is a self-insurer, direct the self-insurer to pay the cost of books, tuition, fees, supplies, equipment, and transportation for any such worker in an amount not to exceed one thousand five hundred dollars in any calendar year, and continue the temporary total disability compensation under RCW 51.32.090 while the ((workman)) worker is actively and successfully undergoing a formal program of vocational rehabilitation or retraining: PROVIDED, That such compensation or payment of such vocational rehabilitation or retraining expenses may not be authorized for a period of more than fifty-two weeks: PROVIDED FURTHER, That such period may, in the sole discretion of
the supervisor after his or her review, be extended for an additional fifty-two weeks or portion thereof by written order of the supervisor.

In cases where the worker is required to reside away from his or her customary residence, the reasonable cost of board and lodging shall also be paid. Said costs shall be chargeable to the employer's cost experience or shall be paid by the self-insurer (for workmen to whom he is liable for compensation and benefits under the provisions of this title) as the case may be.

Sec. 17. Section 51.32.110, chapter 23, Laws of 1961 as amended by section 13, chapter 289, Laws of 1971 ex. sess. and RCW 51.32.110 are each amended to read as follows:

Any worker entitled to receive any benefits or claiming such under this title shall, if requested by the department or self-insurer, submit himself or herself for medical examination, at a time and from time to time, at a place reasonably convenient for the worker and as may be provided by the rules of the department. If the worker refuses to submit to medical examination, or obstructs the same, or, if any injured worker shall persist in unsanitary or injurious practices which tend to imperil or retard his or her recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his or her recovery or refuse or obstruct evaluation or examination for the purpose of vocational rehabilitation or does not cooperate in reasonable efforts at such rehabilitation, the department or the self-insurer upon approval by the department, with notice to the worker may suspend any further action on any claim of such worker so long as such refusal or suspension continues and reduce, suspend, or deny any compensation for such period: PROVIDED, That the department or the self-insurer shall not suspend any further action on any claim of a worker or reduce, suspend, or deny any compensation if a worker has good cause for refusing to submit to or to obstruct any examination, evaluation, treatment or practice requested by the department or required under this section. If the worker necessarily incurs traveling expenses in attending for examination pursuant to the request of the department, such traveling expenses shall be repaid to him or her out of the accident fund upon proper voucher and audit or shall be repaid by the self-insurer, as the case may be.

If the medical examination required by this section causes the worker to be absent from his or her work without pay he or she shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended.

Sec. 18. Section 51.32.150, chapter 23, Laws of 1961 and RCW 51.32.150 are each amended to read as follows:

If a beneficiary shall reside or move out of the state, the department may, with the written consent of the beneficiary, convert any monthly payments provided for such cases into a lump sum payment (not in any case to exceed the value of the annuity then remaining, to be fixed and certified by the state insurance commissioner, but in no case to exceed the sum provided in RCW 51.32.130 as now or hereafter amended).
Sec. 19. Section 3, chapter 286, Laws of 1975 1st ex. sess. and RCW 51.32.220 are each amended to read as follows:

For persons under the age of sixty-two receiving compensation for temporary or permanent total disability pursuant to the provisions of chapter 51.32 RCW, such compensation shall be reduced by an amount equal to the benefits payable under the federal old-age, survivors and disability insurance act as now or hereafter amended not to exceed the amount of the reduction established pursuant to 42 USC 424a. However, such reduction shall not apply when the combined compensation provided pursuant to chapter 51.32 RCW and the federal old-age, survivors and disability insurance act is less than the total benefits to which the federal reduction would apply, pursuant to 42 USC 424a. Where any person described in this section refuses to authorize the release of information concerning the amount of benefits payable under said federal act the department's estimate of said amount shall be deemed to be correct unless and until the actual amount is established and no adjustment shall be made for any period of time covered by any such refusal.

Sec. 20. Section 51.36.030, chapter 23, Laws of 1961 and RCW 51.36.030 are each amended to read as follows:

Every employer, who employs ((less than fifty workers)) workers, shall keep ((at his plant)) as required by the department's rules a first aid kit or kits equipped as required by ((the department)) such rules with materials for first aid to his or her injured ((workers)) workers. Every employer who employs ((within one-half mile of any plant or establishment)) fifty or more ((workers)) workers, shall keep one first aid station equipped as required by the department's rules with materials for first aid to his or her injured ((workers)) workers, and shall cooperate with the department in training one or more employees in first aid to the injured. The maintenance of such first aid kits and stations shall be deemed to be a part of any ((educational)) safety and health standards established under Title 49 RCW.

Sec. 21. Section 51.44.040, chapter 23, Laws of 1961 as amended by section 27, chapter 43, Laws of 1972 ex. sess. and RCW 51.44.040 are each amended to read as follows:

(1) There shall be in the office of the state treasurer, a fund to be known and designated as the "second injury fund", which shall be used only for the purpose of defraying charges against it as provided in RCW 51.16.120 as now or hereafter amended. Said fund shall be administered by the director. The state treasurer shall be the custodian of the second injury fund and shall be authorized to disburse moneys from it only upon written order of the director.

(2) Payments to the second injury fund from the accident fund shall be made pursuant to rules and regulations promulgated by the director.

(3) Assessments for the second injury fund shall be imposed on self-insurers pursuant to rules and regulations promulgated by the director to ensure that self-insurers shall pay to such fund in the proportion that the payments made from such fund on account of claims made against self-insurers bears to the total sum of payments from such fund.
Sec. 22. Section 51.48.020, chapter 23, Laws of 1961 as amended by section 63, chapter 289, Laws of 1971 ex. sess. and RCW 51.48.020 are each amended to read as follows:

(1) Any employer, who misrepresents to the department the amount of his or her payroll upon which the premium under this title is based, shall be liable to the state in ten times the amount of the difference in premiums paid and the amount the employer should have paid and for the reasonable expenses of auditing his or her books and collecting such sums. Such liability may be enforced in the name of the department. Such an employer shall also be guilty of a ((misdemeanor)) class C felony if such misrepresentations are made knowingly, if the amount of the difference in premiums is five hundred dollars or more and shall be guilty of a gross misdemeanor if such amount is less than five hundred dollars.

(2) Any person claiming benefits under this title, who knowingly gives false information required in any claim or application under this title shall be guilty of a class C felony when such claim or application involves an amount of five hundred dollars or more. When such claim or application involves an amount less than five hundred dollars, the person giving such information shall be guilty of a gross misdemeanor.

Sec. 23. Section 51.48.050, chapter 23, Laws of 1961 and RCW 51.48.050 are each amended to read as follows:
