No bonds authorized by this act shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

**NEW SECTION.** Sec. 2. When the state finance committee has determined to issue such general obligation bonds or a portion thereof as authorized in section 1 of this act, it may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of such bonds, which notes shall be designated as "bond anticipation notes". Such portion of the proceeds of the sale of such bonds as may be required for the payment of principal of and redemption premium, if any, and interest on such notes shall be applied thereto when such bonds are issued.

specified in this chapter and for the payment of the expenses incurred in connection 
with the sale and issuance of such bonds and bond anticipation notes.

NEW SECTION. Sec. 5. The state higher education bond retirement fund of 
1977 is hereby created in the state treasury for the purpose of the payment of 
principal of and interest on the bonds authorized to be issued pursuant to this

The state finance committee, on or before June 30th of each year, shall certify 
to the state treasurer the amount required in the next succeeding twelve months for

less than thirty days prior to the date on which any such interest or principal and 
interest payment is due, the state treasurer shall withdraw from any general state 
revenues received in the state treasury and deposit in the state higher education
