CHAPTER 80

[Substitute Senate Bill No. 2872]
MENTALLY, PHYSICALLY, AND SENSORY HANDICAPPED
INCOMPETENCY, DISABILITY—TERMINOLOGY—PROCEDURE

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. It is the purpose of the legislature in enacting this 1977 amendatory act to provide for a comprehensive revision of out-dated and offensive language, procedures and assumptions that have previously been used to identify and categorize mentally, physically, and sensory handicapped citizens. It is legislative intent that language references such as idiots, imbeciles, feeble-minded or defective persons be deleted and replaced with more appropriate references to reflect current statute law more recently enacted by the federal government and this legislature. It is legislative belief that use of the undefined term "insanity" be avoided in preference to the use of a process for defining incompetency or disability as fully set forth in chapter 11.88 RCW; that language that has allowed or implied a presumption of incompetency or disability on the basis of an apparent condition or appearance be deleted in favor of a reference to necessary due process allowing a judicial determination of the existence or lack of existence of such incompetency or disability.

Sec. 2. Section 11, page 364, Laws of 1854 as last amended by section 74, chapter 292, Laws of 1971 ex. sess. and RCW 4.16.190 are each amended to read as follows:

If a person entitled to bring an action mentioned in this chapter, except for a penalty or forfeiture, or against a sheriff or other officer, for an escape, be at the time the cause of action accrued either under the age of eighteen years, or (insane) incompetent or disabled to such a degree that he or she cannot understand
the nature of the proceedings, such incompetency or disability as determined ac-
cording to chapter 11.88 RCW, or imprisoned on a criminal charge, or in execution
under the sentence of a court for a term less than his natural life, the time of such
disability shall not be a part of the time limited for the commencement of action.

Sec. 3. Section 290, page 186, Laws of 1854 as last amended by section 1,
chapter 84, Laws of 1927 and RCW 5.60.030 are each amended to read as follows:

No person offered as a witness shall be excluded from giving evidence by reason
of his or her interest in the event of the action, as a party thereto or otherwise, but
such interest may be shown to affect his or her credibility: PROVIDED, HOW-
EVER, That in an action or proceeding where the adverse party sues or defends as
executor, administrator or legal representative of any deceased person, or as deriv-
ing right or title by, through or from any deceased person, or as the guardian or
((conservator)) limited guardian of the estate or person of any ((insane)) incompe-
tent or disabled person, or of any minor under the age of fourteen years, then a
party in interest or to the record, shall not be admitted to testify in his or her own
behalf as to any transaction had by him or her with, or any statement made to him
or her, or in his or her presence, by any such deceased ((or-insane)), incompetent
or disabled person, or by any such minor under the age of fourteen years: PRO-
VIDED FURTHER, That this exclusion shall not apply to parties of record who
sue or defend in a representative or fiduciary capacity, and have no other or further
interest in the action.

Sec. 4. Section 26, chapter 64, Laws of 1895 and RCW 6.12.300 are each
amended to read as follows:

In case of a homestead, if either the husband or wife shall be or become
((hopelessly-insane)) incompetent or disabled to such a degree that he or she is
unable to assist in the management of his or her interest in the marital property,
upon application of the husband or wife not ((insane)) so incompetent or disabled
to the superior court of the county in which the homestead is situated, and upon
due proof of such ((insanity)) incompetency or disability in the severity required
above, the court may make an order permitting the husband or wife ((not-insane))
applying to the court to sell and convey or mortgage such homestead.

Sec. 5. Section 27, chapter 64, Laws of 1895 and RCW 6.12.310 are each
amended to read as follows:

Notice of the application for such order shall be given by publication of the
same in a newspaper published in the county in which such homestead is situated,
if there be a newspaper published therein, once each week for three successive
weeks prior to the hearing of such application, and a copy of such notice shall be
served upon the alleged incompetent husband or wife personally, and upon the
nearest ((male)) relative of such ((insane)) incompetent or disabled husband or
wife other than the applicant, resident in this state, at least three weeks prior to
such application being heard, and in case there be no such ((male)) relative known
to the applicant, a copy of such notice shall be served upon the prosecuting attor-
ney of the county in which such homestead is situated; and it is hereby made the
duty of such prosecuting attorney, upon being served with a copy of such notice, to

Sec. 7. Section 5, chapter 11, Laws of 1893 as amended by section 7, chapter 292, Laws of 1971 ex. sess. and RCW 7.28.090 are each amended to read as follows:

RCW 7.28.070 and 7.28.080 shall not extend to lands or tenements owned by the United States or this state, nor to school lands, nor to lands held for any public purpose. Nor shall they extend to lands or tenements when there shall be an adverse title to such lands or tenements, and the holder of such adverse title is a person under eighteen years of age, or ((insane)) incompetent within the meaning of RCW 11.88.010: PROVIDED, Such persons as aforesaid shall commence an action to recover such lands or tenements so possessed as aforesaid, within three years after the several disabilities herein enumerated shall cease to exist, and shall prosecute such action to judgment, or in case of vacant and unoccupied land shall, within the time last aforesaid, pay to the person or persons who have paid the same for his or her betterments, and the taxes, with interest on said taxes at the legal rate per annum that have been paid on said vacant and unimproved land.

Pursuant to rules and regulations established by the department, a public or private facility may receive any person who is a suitable person for care and treatment as mentally ill, or for observation as to the existence of mental illness, upon the receipt of a written application of the person, or others on his behalf, in accord with the following requirements:

(1) In the case of a person eighteen years of age or over, the application shall be voluntarily made by the person;

(2) In the case of a person thirteen years of age or under, the application may be voluntarily made by his parents, or by the parent, ((conservator)) limited guardian as authorized, guardian, or other person entitled to his custody. When such person is more than thirteen years of age, such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor. All such voluntary applications to a public agency shall be reviewed by the county mental health professionals, who shall submit a written report and evaluation with recommendations to the superintendent of such facility to which such application is made stating whether treatment is necessary and proper on a voluntary basis and evaluating the reasons for voluntary commitment. Such person's condition and status shall be reviewed by the professional person in charge of the facility or his designee at least once each one hundred eighty days. A person under eighteen years of age received into a public facility as a voluntary patient shall not be retained after he
reaches eighteen years of age, but such person, upon reaching eighteen years of age, may apply for admission into a public or private facility as a voluntary patient.

(3) No minor over thirteen years of age shall be involuntarily committed to a state or private facility for care and treatment as mentally disordered, or for observation as to the existence of mental disorder, except in accordance with the following requirements:

(a) The facility must be certified by the department of social and health services to provide evaluation and treatment to persons under eighteen years of age suffering from mental disorders: PROVIDED, That a physically separate and separately operated portion of a state hospital may be designated as an evaluation and treatment facility: PROVIDED FURTHER, That a facility which is part of, or a part of, or operated by, the department of social and health services or any federal agency will not require certification.

(b) A petition shall be filed with the juvenile court by the person's parent, parents, ((conservator)) limited guardian as authorized, guardian, or by the juvenile court itself. The petition shall set forth the reasons why commitment is necessary and what alternative courses of treatment have been explored. The juvenile court shall then conduct a hearing, at which the person under eighteen years of age shall be represented by an attorney, to determine whether commitment is clearly in the best interests of the person sought to be committed, and that no less restrictive alternative exists: PROVIDED, That, if in the opinion of the designated county mental health professional a minor presents an imminent likelihood of serious harm to himself or others, he may be temporarily detained for up to seventy-two hours by a licensed facility pending petition to the juvenile court for further commitment.

(c) If the juvenile court determines that commitment is clearly necessary, it will issue an order approving such petition. If the juvenile court determines that a less restrictive alternative is desirable, it may order that alternatives be followed.

(d) If a person under the age of eighteen years is committed to a state or private facility pursuant to this section, the juvenile court recommending commitment shall require a report from the facility every one hundred eighty days that sets forth such facts as the juvenile court may require. Upon receipt of the report, the juvenile court shall undertake a review of the status of such person to determine whether or not it is still clearly in the best interests of the patient that he remain in the facility. If the juvenile court determines that further commitment is not clearly in the best interests of the patient, it shall order release upon such conditions as it deems necessary.

(e) Every person under the age of eighteen shall have all the rights provided for persons eighteen years of age or over under this chapter as now or hereafter amended except those rights specifically modified by this section: PROVIDED, That the juvenile court rather than the superior court shall be responsible for any proceedings. A voluntarily admitted minor over thirteen years of age shall have the right to release on the next judicial day from the date of request unless a petition is filed in juvenile court by the professional person in charge of the facility or his designee on the grounds that the juvenile is dangerous to himself or others or that it would be in the best interests of the juvenile that he remain in the facility. Furthermore, should the patient and his parent, parents, ((conservator)) limited
guardian as authorized, or guardian both request his release, he shall be immediately released unless the professional person in charge of the facility objects immediately in writing to the juvenile court on the grounds that the person is dangerous to himself or others and that it would not be in the patient's best interests to be released. Should this occur, the juvenile court shall hold a hearing on the issue within five judicial days and determine whether the person should be released.

(f) Nothing in this section shall prohibit the professional person in charge of the facility in which the person is being treated from releasing him at any time when, in the opinion of said professional person, further commitment would no longer be in the best interests of the patient.

Whenever a person is released by the professional person in charge of a facility under this section, said person shall, in writing, notify the juvenile court which committed the person for treatment.

(4) In the case of a person eighteen years of age or over for whom a ((conservator)) limited guardian or guardian of the person has been appointed, such application shall be made by said ((conservator)) limited guardian or guardian, when so authorized by proper court order in the ((conservatorship)) limited guardianship or guardianship proceedings.

A person shall be deemed to be a resident of this state within the meaning of this chapter who has maintained his domiciliary residence in this state for a period of one year preceding commitment to a state institution without receiving assistance from any tax supported organization and who has not subsequently acquired a domicile in another state: PROVIDED, That any period of time spent by such person while an inmate of a state hospital or state institution or while on parole, escape, or leave of absence therefrom shall not be counted in determining the time of residence in this or another state.

Passed the Senate May 4, 1977.
Passed the House May 16, 1977.
Approved by the Governor May 24, 1977, with the exception of sections 17, 18, 19 and 20 which are vetoed.
Filed in Office of Secretary of State May 24, 1977.

Note: Governor's explanation of partial veto is as follows:

*I am returning herewith, without my approval as to several sections, Substitute Senate Bill No. 2872 entitled:
"AN ACT Relating to social and health services."

In making much needed revisions in the law to eliminate language offensive to certain of our citizens, the legislature has inadvertently made substantial changes in the law relating to marriage by repealing, in sections 17, 18, 19 and 20 of this bill, the basic prohibitions to be set forth by affidavit of persons desiring to marry. These alterations go far beyond the intent of this bill and should be given close attention by the legislature at some future date.

For the foregoing reasons, I have determined to veto sections 17, 18, 19, and 20. With the exception of those sections, I have approved the remainder of Substitute Senate Bill No. 2872."
